PROXY STATEMENT

We are providing these proxy materials to you in connection with the solicitation of proxies by the Board of Directors (Board) of NRG Yield, Inc. for the 2014 Annual Meeting of Stockholders (Annual Meeting) and for any adjournment or postponement of the Annual Meeting. The Annual Meeting will be held on Tuesday, May 6, 2014, at 9 a.m. at The Ritz-Carlton, Philadelphia, 10 Avenue of the Arts, Philadelphia, Pennsylvania 19102. In this Proxy Statement, "we," "us," "our," "Yield" and the "Company" refer to NRG Yield, Inc.

You are receiving this Proxy Statement because you own shares of our Class A or Class B common stock, par value \$0.01 per share, that entitle you to vote at the Annual Meeting. By use of a proxy, you can vote whether or not you attend the Annual Meeting. The Proxy Statement describes the matters we would like you to vote on and provides information on those matters.

ANNUAL MEETING INFORMATION

What is the purpose of the Annual Meeting?

The purpose of the Annual Meeting is to:

1. elect seven directors;
2. ratify the appointment of KPMG LLP as our independent registered public accounting firm for the 2014 fiscal year; and
3. conduct such other business as may properly come before the Annual Meeting and any adjournment or postponement.

Other than these proposals, the Board is not aware of any other matters to be presented for a vote at the Annual Meeting.

Who is entitled to vote at the Annual Meeting?

All of our stockholders may attend the Annual Meeting. However, only stockholders who owned our Class A or Class B common stock at the close of business on March 17, 2014, the record date for the Annual Meeting, or their duly appointed proxies, are entitled to vote at the Annual Meeting.

Many stockholders hold their shares through a stockbroker, bank, trustee, or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially:

- *Stockholder of Record* — If your shares are registered directly in your name with our transfer agent, Computershare, you are considered the stockholder of record of those shares.
- *Beneficial Owner* — If your shares are held in a stock brokerage account, or by a bank, trustee, or other nominee, you are considered the beneficial owner of shares held in "street name." As the beneficial owner, you have the right to direct your broker, trustee or nominee on how to vote and you are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting. Your broker, trustee, or nominee is obligated to provide you with a voting instruction card for you to use.

How many votes do I have?

You have one vote for each share of our Class A or Class B common stock you owned as of the record date for the Annual Meeting. Holders of shares of our Class A and Class B common stock vote together as a single class on all matters presented to our stockholders for their vote or approval, except

[Table of Contents](#)

as otherwise required by applicable law. NRG Energy, Inc. (NRG), through its ownership of our Class B common stock, holds approximately 65.5% of the combined voting power of our common stock.

What are the Board's recommendations?

The Board recommends a vote:

1. FOR the election of the director nominees; and
2. FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the 2014 fiscal year.

If you grant a proxy and any additional matters are properly presented for a vote at the Annual Meeting, either of the persons named as proxy holders, David Crane or Brian E. Curci, will have the discretion to vote your shares.

How many votes must be present to hold the Annual Meeting?

We will have a quorum, and will be able to conduct the business of the Annual Meeting, if the holders of a majority of the outstanding shares of our Class A and Class B common stock entitled to vote at the Annual Meeting are represented in person or by proxy at the Annual Meeting. As of the record date, there were 65,250,000 shares of our common stock outstanding, consisting of 22,511,250 shares of our Class A common stock and 42,738,750 shares of our Class B common stock, representing the same number of votes. The presence of the holders of at least 32,625,001 shares of our common stock will be required to establish a quorum. Both abstentions and broker non-votes, if any, are counted as present for determining the presence of a quorum. For more information regarding the treatment of abstentions and broker non-votes, see "What are abstentions and broker non-votes and how are they treated?"

What vote is required to approve each proposal?

1. *Election of Directors* — The nominees for election as directors at the Annual Meeting will be elected by the vote of a plurality of the shares of our Class A and Class B common stock entitled to vote on the election, voting as a single class, represented in person or by proxy at the Annual Meeting. This means the director nominees receiving the highest number of affirmative votes will be elected as directors. Votes withheld from a director nominee will have no effect on the election of the director from whom votes are withheld.
2. *Ratification of KPMG LLP's Appointment* — This proposal requires the affirmative vote of a majority in voting power of shares of our common stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal. If the selection of KPMG LLP as our independent registered public accounting firm is not ratified, the Audit Committee will reconsider its selection.

What are abstentions and broker non-votes and how are they treated?

An abstention occurs when a stockholder abstains from voting or does not vote on a proposal. A "broker non-vote" occurs when a broker has not received voting instructions from the beneficial owner and the broker does not have discretionary authority to vote the shares because the proposal is non-routine. Brokers who do not receive instructions from the beneficial owner are entitled to vote on the ratification of KPMG LLP's appointment for the 2014 fiscal year, but not on the election of

[Table of Contents](#)

directors. Broker non-votes and abstentions, if any, will be treated as follows with respect to votes on each of the proposals:

Proposal	Treatment of Abstentions	Treatment of Broker Non-Votes
1. Election of Directors	No effect on this proposal.	No effect on this proposal.
2. Ratification of KPMG LLP's Appointment	Counted toward the tabulation of votes on this proposal and will have the same effect as a vote AGAINST this proposal.	Not applicable since brokers have discretionary authority to vote on this proposal.

How do I vote?

If you hold shares of Class A or Class B common stock directly as the stockholder of record, you may vote by granting a proxy or, if you hold shares in street name, by submitting voting instructions to your broker, trustee, or nominee. You may vote over the Internet, by telephone or, if you have a paper copy of the proxy materials, by mail. Please refer to the summary instructions below and those included on your proxy card or, for shares held in street name, the voting instruction card included by your broker, trustee, or nominee.

- *Vote By Internet:* If you have Internet access, you may submit your proxy from any location in the world 24 hours a day, 7 days a week, up until 11:59 p.m., Eastern Time on May 5, 2014 by visiting the website provided on the Notice of Internet Availability of Proxy Materials (Notice) or voting instruction card. If you vote by using the Internet, you do not need to return your proxy card or voting instruction card.
- *Vote By Telephone:* If you live in the United States, you may use any touch-tone telephone to vote your proxy toll-free 24 hours a day, 7 days a week, up until 11:59 p.m., Eastern Time on May 5, 2014. The telephone number is printed on your Notice or voting instruction card. If you vote by telephone, you do not need to return your proxy card or voting instruction card.
- *Vote By Mail:* If you received or requested a paper copy of the materials, you may submit your proxy by signing your proxy card or, for shares held in street name, the voting instruction card included by your broker, trustee, or nominee, and mailing it in the enclosed, postage-paid, addressed envelope. If you provide specific voting instructions, your shares will be voted as you instruct. If you sign, but do not provide instructions, your shares will be voted as the Board recommends. Mark, sign, and date your proxy card and return it in the postage-paid envelope provided as soon as possible so that it is received by the Company prior to May 6, 2014, the Annual Meeting date.
- *Vote In Person:* If you are a record holder and planning to attend the Annual Meeting and wish to vote your shares in person, we will give you a ballot at the meeting.

What should I bring to the Annual Meeting if I attend in person?

Proof of ownership of our Class A or Class B common stock, along with personal identification (such as a driver's license or passport), must be presented in order to be admitted to the Annual Meeting. If your shares are held in street name and you plan to attend the Annual Meeting in person, you must bring a brokerage statement, the voting instruction card mailed to you by your bank or broker or other proof of ownership (or the equivalent proof of ownership as of the close of business on the record date of the stockholder who granted you the proxy) with you to the Annual Meeting. Registration will begin at 8 a.m., Eastern Time. Please allow ample time for check-in. No cameras,

[Table of Contents](#)

recording equipment, electronic devices, large bags, briefcases, or packages will be permitted in the Annual Meeting.

May I change my vote?

You may change your proxy instructions or revoke your proxy at any time prior to the vote at the Annual Meeting. For shares held directly in your name, you may accomplish this by: (a) delivering a written notice of revocation bearing a later date than the proxy being revoked, (b) signing and delivering a later dated written proxy relating to the same shares, or (c) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy). For shares held in street name, you may change your vote by submitting new voting instructions to your broker, trustee, or nominee.

What happens if I do not provide instructions as to how to vote?

If you sign your proxy card or voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board.

Where can I obtain the list of stockholders entitled to vote?

The names of stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for 10 days prior to the meeting for any purpose germane to the Annual Meeting, between the hours of 8:30 a.m. and 5:00 p.m., Eastern Time, at our principal executive offices at 211 Carnegie Center, Princeton, New Jersey 08540, by contacting the Corporate Secretary.

Who pays the cost of solicitation of proxies?

We will pay for the cost of preparing, assembling, printing, mailing and distributing these proxy materials. Our directors, officers and employees may solicit proxies or votes in person, by telephone, or by electronic communication. Such individuals will not receive any additional compensation for these solicitation activities. We have retained MacKenzie Partners, Inc. to assist us in soliciting your proxy for an estimated fee of \$10,000, plus reasonable out-of-pocket expenses. We will also reimburse brokerage houses and other custodians, nominees, and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and other solicitation materials to beneficial owners of our common stock.

Who is the Company's transfer agent?

Our transfer agent is Computershare. All communications concerning stockholder inquiries can be handled by contacting NRG Yield, Inc. c/o Computershare, Computershare Investor Services, P.O. Box 30170, College Station, Texas 77842-3170, or by telephone at 1-877-498-8861, or 1-781-575-2725 (outside the U.S. and Canada), or 1-800-952-9245 (Hearing Impaired-TTY). Their website is: <http://www.computershare.com>. Certificates for transfer and address changes should be sent to: Computershare, P.O. Box 30170, College Station, Texas 77842-3170.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission (SEC), we are using the Internet as the primary means of furnishing proxy materials to stockholders. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (Notice) to our stockholders. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing

[Table of Contents](#)

basis. We encourage stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of our annual meetings.

Where can I find directions to the Annual Meeting?

Directions to the Annual Meeting can be found at The Ritz-Carlton's website at <http://www.ritzcarlton.com/en/Properties/Philadelphia/Information/Directions/Default.htm>.

What is "householding"?

We have adopted a procedure approved by the SEC called "householding." Under this procedure, multiple stockholders who share the same last name and address and do not participate in electronic delivery will receive only one copy of the proxy materials or Notice. We have undertaken householding to reduce our printing costs and postage fees. Stockholders may elect to receive individual copies of the proxy materials or Notice at the same address by contacting Broadridge Financial Solutions, Inc. by telephone at 1-800-579-1639 or by e-mail at sendmaterial@proxyvote.com. Stockholders who are receiving individual copies of such materials, and who would like to receive single copies at a shared address, may contact Broadridge Financial Solutions, Inc. with this request by using the foregoing contact information.

How can I request additional materials?

Stockholders may request additional copies of the proxy materials or Notice by contacting Broadridge Financial Solutions, Inc. by telephone at 1-800-579-1639 or by e-mail at sendmaterial@proxyvote.com.

GOVERNANCE OF THE COMPANY

Corporate Governance Guidelines and Charters

The Board has adopted Corporate Governance Guidelines (Guidelines) that, along with the Amended and Restated Certificate of Incorporation, the Bylaws and the charters of the committees of the Board (Committees), provide the framework for the governance of the Company. The Board's Corporate Governance, Conflicts and Nominating Committee is responsible for periodically reviewing the Guidelines and recommending any proposed changes to the Board for approval. The Guidelines are available on the Company's website at <http://www.nrgyield.com/corpgov.htm>, along with the charters of all the Committees of the Board and the Code of Conduct. The Guidelines, the charters of all of the Committees and the Code of Conduct are available in print to any stockholder who requests them.

Controlled Company

For purposes of the New York Stock Exchange (NYSE) rules, we are a "controlled company." Controlled companies under those rules are companies of which more than 50% of the voting power for the election of directors is held by an individual, a group or another company. NRG controls more than 50% of the combined voting power of our common stock and has the voting power to elect the members of our Board. Accordingly, we are eligible to, and we may, take advantage of certain exemptions from corporate governance requirements provided in the NYSE rules. As a controlled company, we are not required to have (a) a majority of independent directors, (b) a Nominating/Corporate Governance Committee composed entirely of independent directors, (c) a Compensation Committee composed entirely of independent directors or (d) an annual performance evaluation of the Nominating/Corporate Governance and Compensation Committees. Therefore, our stockholders may not have the same protections afforded to stockholders of companies that are subject to all of the applicable NYSE rules. However, we have elected to have a Compensation Committee and a Corporate Governance, Conflicts and Nominating Committee consisting entirely of independent directors and we intend to conduct an annual performance evaluation of these committees. The controlled company exemption does not modify the independence requirements for the Audit Committee, and we have complied with the requirements of the Sarbanes-Oxley Act and the NYSE rules, which require that our Audit Committee be composed of at least three members, all of whom are independent.

Board Structure

Our Board consists of seven members. Our Board is responsible for, among other things, overseeing the conduct of our business, reviewing and, where appropriate, approving our long-term strategic, financial and organizational goals and plans, and reviewing the performance of our chief executive officer and other members of senior management. Following the end of each year, beginning with our first full fiscal year in 2014, our Board intends to conduct an annual self-evaluation, which includes a review of any areas in which the Board or management believes the Board can make a better contribution to our corporate governance, as well as a review of the committee structure and an assessment of the Board's compliance with corporate governance principles. In fulfilling the Board's responsibilities, directors have full access to our management and independent advisors.

During the 2013 fiscal year, the Board held two regularly scheduled meetings and no special meetings. During the 2013 fiscal year, no director attended less than 75% of the total of the Board meetings and the meetings of the Committees on which he or she served.

The Guidelines provide that non-management directors meet in executive session regularly following Board meetings. Because our Chairman is also the Chief Executive Officer, the Board has elected Mr. Chlebowski as "lead independent director" to preside at these sessions.

Directors are encouraged to attend the Annual Meetings of Stockholders.

Governance Practices

The Board takes a proactive approach in applying leading governance practices. As described in the Guidelines, the Board follows a series of governance practices that it believes foster effective Board oversight and accountability to our stockholders. These practices include:

- succession planning for the Chief Executive Officer and other senior management;
- annual performance evaluations of the Board and each of its standing Committees, as well as periodic peer review for individual directors;
- robust director orientation and continuing education program, including Company site visits and information sessions with Company management at relevant sites; and
- access to and engagement of outside advisors and consultants to assist in their performance of their duties, as appropriate.

Board Leadership

As stated in the Guidelines, the Board understands that there is no single, generally accepted approach to providing Board leadership and that it is in the best interests of the Company for the Board to make a determination regarding whether or not to separate the roles of Chairman and Chief Executive Officer based upon the present circumstances. Currently, Mr. Crane serves as Chairman and Chief Executive Officer.

Our Guidelines provide that one of our non-management directors shall preside at executive sessions at any time when an independent director is not serving as the chairman of the Board. Because Mr. Crane serves as Chairman and Chief Executive Officer, our Board has appointed Mr. Chlebowski as "lead independent director" to preside over executive sessions. Mr. Chlebowski presides over periodic meetings of our independent directors, coordinates activities of the independent directors and performs such additional duties as our Board may otherwise determine and delegate.

Our Board believes that the combined role of Chairman and Chief Executive Officer promotes and facilitates information flow between management and the Board, which is important to effective governance for the Company. The Board believes the combined role of Chairman and Chief Executive Officer, together with a lead independent director having the duties described above, is in the best interest of stockholders because it provides the appropriate balance between development and execution of the our short- and long-term strategy and independent oversight of management. Mr. Crane is the person most familiar with our business and operations and has in-depth knowledge of the issues, opportunities and challenges we face, and is therefore, in the best position to develop agendas and highlight issues that ensure that the Board's time and attention are focused on the most critical matters. In addition, at this time, the Board has determined that this leadership structure is optimal because it believes that having one leader serving as both the Chairman and Chief Executive Officer provides decisive, consistent and effective leadership.

Although our Board believes that the combination of the Chairman and Chief Executive Officer roles is appropriate under current circumstances, it will continue to review this issue periodically to determine whether, based on the relevant facts and circumstances, separation of these offices would serve the Company's best interests and the best interests of its stockholders.

Risk Oversight

While our management is responsible for the day-to-day management of the risks that the Company faces, the Board, as a whole and through its Committees, has responsibility for overall risk oversight of the Company. A fundamental aspect of risk oversight includes not only understanding the material risks to the business and what steps management is taking or should be taking to manage

[Table of Contents](#)

those risks, but also understanding and determining the appropriate risk appetite for the Company. The Board's role in reviewing and approving matters such as the Company's annual business plan, budget and long-term plan, strategic initiatives, individual development projects, acquisitions and divestitures, and capital allocation plan, represents the primary means by which the Board defines for management what constitutes an appropriate level of risk for the Company.

The Board performs its risk oversight function in several ways. The Board monitors, reviews and reacts to strategic and corporate risks through reports by management, and through Committees of the Board. The Board does not have a separate risk committee, but instead believes that the entire Board is responsible for overseeing the Company's risk management with the assistance of management and the Committees. The Chair of each of the Committees regularly report to the Board on all matters reviewed by their Committees, thereby providing the full Board with the opportunity to identify and discuss any risk-related issues or request additional information from management or the Committees that may assist the Board in its risk oversight role. To this end, risk-related issues presented to the Corporate Governance, Conflicts and Nominating Committee are routinely presented to the full Board to ensure proper oversight.

With the full Board providing the top level of risk oversight, the Audit and Compensation Committees have a more specific risk oversight role for matters that fall under their purview. The Audit Committee focuses on financial risks, including reviewing the effectiveness of our internal controls, conducting a detailed review of the financial portions of the Company's SEC reports, approving the independent auditor and the annual audit plan, and receiving periodic reports from the Company's independent auditor, the Company's internal auditor and the Company's corporate compliance officer.

The Compensation Committee monitors the risks related to our compensation policies and practices with input from management, and reviews the Company's compensation policies and practices to determine whether they subject the Company to unnecessary risk.

Committee Membership

The Board has the following three standing Committees: Audit, Compensation and Corporate Governance, Conflicts and Nominating. The membership and the functions of each Committee are described below.

Christopher S. Sotos			

X = Committee Member

(1) Lead Independent Director

(2) Committee Chair

(3) Chairman of the Board

Audit Committee

The Audit Committee represents and provides assistance to the Board with respect to matters involving the accounting, auditing, financial reporting, internal controls, and legal compliance functions of the Company and its subsidiaries, including assisting the Board in its oversight of the integrity of the Company's financial statements, compliance with legal and regulatory requirements, the qualifications, independence, and performance of the Company's independent auditors, the performance of the Company's internal audit function, and effectiveness of the Company's financial risk management.

Among other things, the Audit Committee:

- appoints, retains, oversees, evaluates, and compensates the independent auditors;
- reviews the annual audited and quarterly consolidated financial statements;
- reviews major issues regarding accounting principles and financial statement presentations;
- reviews earnings press releases and earnings guidance provided to analysts and rating agencies;
- reviews with the independent auditors the scope of the annual audit, and approves all audit and permitted nonaudit services provided by the independent auditors;
- considers the adequacy and effectiveness of the Company's internal control and reporting system;
- discusses policies with respect to risk assessment and risk management, including the Company's major financial risk exposures and the effectiveness of the Company's system for monitoring compliance with laws and regulations, and reviews the Company's tax policies and findings of regulatory agencies and independent auditors;

[Table of Contents](#)

- reports regularly to the Board regarding its activities and prepares and publishes required annual Committee reports;
- establishes procedures for the receipt, retention, and treatment of complaints and concerns regarding accounting, internal accounting controls, or auditing matters;
- oversees the internal audit and corporate compliance functions; and
- annually evaluates the performance of the Audit Committee and the adequacy of its charter.

Our Audit Committee consists of Mr. Chlebowski, Ms. McClean and Mr. Ford. We believe that Mr. Chlebowski, Ms. McClean and Mr. Ford qualify as independent directors according to the rules and regulations of the SEC with respect to audit committee membership. We also believe that each of Mr. Chlebowski, Ms. McClean and Mr. Ford qualify as an "audit committee financial expert" within the meaning of SEC regulations. Our Board has adopted a written charter for the Audit Committee, which is available on our corporate website. In the 2013 fiscal year, the Audit Committee held two meetings.

Compensation Committee

The Compensation Committee oversees the Company's overall compensation structure, policies, and programs. Among other things, the Compensation Committee:

- reviews and recommends to the Board the compensation, incentive compensation and equity-based plans that are subject to Board approval;
- makes recommendations regarding stock ownership guidelines;
- reviews the compensation of directors for service on the Board and its committees;
- if applicable, reviews and discusses with management the Compensation Discussion and Analysis (CD&A) to be included in the Company's proxy statement or annual report on Form 10-K, and based on such review and discussions, recommends to the Board that the CD&A be included in the Company's proxy statement or annual report on Form 10-K;
- evaluates any conflicts of interest and the independence of any outside advisors engaged by the Compensation Committee;

These criteria include an individual's business experience and skills, independence, judgment, integrity, and ability to commit sufficient time and attention to the activities of the Board. The Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all Board members. While the Company does not have a formal diversity policy, the Guidelines, since their adoption on July 16, 2013, provide that the Committee considers these criteria in the context of the perceived needs of the Board as a whole and seek to achieve a diversity of backgrounds and perspectives on the Board. The Corporate Governance, Conflicts and Nominating Committee will follow the process described above in considering nominees proposed by stockholders in accordance with the foregoing requirements.

The base management fee will also be increased in connection with our completion of future acquisitions by an amount equal to 0.05% of the enterprise value of the acquired assets as of the acquisition closing date. The base management fee increased by approximately \$37,000 per quarter in 2014 as a result of the annual CPI adjustment and the acquisition of Energy Systems Company in December 2013. We also reimburse NRG for any out-of-pocket fees, costs and expenses incurred in the provision of the management and administration services. For the year ended December 31, 2013, NRG received a total of approximately \$3.0 million in compensation under the Management Services Agreement. Right of First Offer

Pursuant to that right of first offer agreement, dated as of July 22, 2013 (ROFO Agreement), among NRG, us and our affiliates, NRG has granted us and our affiliates a right of first offer on any

- (1) Represents the maximum, or rated, electricity generating capacity of the facility in megawatts (MWs) multiplied by NRG's percentage ownership interest in the facility as of December 31, 2013.
- (2) Represents NRG's remaining 51.05% ownership interest in CVSR.
- (3) Represents NRG's 49.95% ownership interest in Ivanpah. Following a sale of this 49.95% interest, the remaining 50.05% of Ivanpah would be owned by NRG, Google Inc. and BrightSource Energy Inc.
- (4) Represents NRG's 51% ownership interest in Agua Caliente. The remaining 49% of Agua Caliente is owned by MidAmerican Energy Holdings Inc.
- (5) While Agua Caliente is expected to fully achieve commercial operations in early 2014, the maximum capacity deliverable under the power purchase agreement (PPA) of 290 MWs is currently on-line.

Prior to engaging in any negotiation regarding any disposition, sale or other transfer of any NRG ROFO Asset, NRG will deliver a written notice to us setting forth the material terms and conditions of the proposed transaction. During the 30-day period after the delivery of such notice, we will negotiate with NRG in good faith to reach an agreement on the transaction. If the parties do not reach an agreement within such 30-day period, NRG will be able within the next 180 calendar days to sell, transfer, dispose or recontract such NRG ROFO Asset to a third party (or to agree in writing to undertake such transaction with a third party) on terms generally no less favorable to NRG than those offered pursuant to the written notice.

Under the ROFO Agreement, NRG is not obligated to sell the NRG ROFO Assets. In addition, any offer to sell under the ROFO Agreement will be subject to an inherent conflict of interest because the same professionals within NRG's organization that are involved in acquisitions that are suitable for us have responsibilities within NRG's broader asset management business. Notwithstanding the significance of the services to be rendered by NRG or its designated affiliates on our behalf or of the assets which we may elect to acquire from NRG in accordance with the terms of the ROFO Agreement or otherwise, NRG does not owe fiduciary duties to us or our stockholders. Any material transaction with NRG (including the proposed acquisition of any NRG ROFO Asset) will be subject to our related person transaction policy, which will require prior approval of such transaction by our Corporate Governance, Conflicts and Nominating Committee. Those of our executive officers who have economic interests in NRG may be conflicted when advising our Corporate Governance, Conflicts and Nominating Committee or otherwise participating in the negotiation or approval of such transactions

Second Amended and Restated Limited Liability Company Agreement of Yield LLC

The second amended and restated limited liability company agreement (LLC Agreement) of Yield LLC, dated as of July 22, 2013, authorizes two classes of units, the Class A units and the Class B units, and appoints us as the sole managing member of Yield LLC.

Governance

We serve as the sole managing member of Yield LLC. As such, we, and effectively our Board, control the business and affairs of Yield LLC and are responsible for the management of its business. Any amendment, supplement or waiver of the LLC Agreement must be approved by a majority of our independent directors.

Voting and Economic Rights of Members

Yield LLC has issued Class A units to us, as the sole managing member, and Class B units which may only be issued to NRG or its permitted transferees. The Class A units and Class B units have equivalent economic and other rights, except that upon issuance, each holder of a Class B unit will also be issued a share of our Class B common stock. Each Class B unit is exchangeable for a share of our Class A common stock, subject to certain adjustments in accordance with the terms of the Exchange Agreement, described below. When NRG or its permitted transferee exchanges a Class B unit of Yield LLC for a share of our Class A common stock, we will automatically redeem and cancel a corresponding share of our Class B common stock and the Class B unit will automatically convert into a Class A unit of Yield LLC issued to us. The Class A units and Class B units do not have any voting rights.

Net profits and net losses and distributions by Yield LLC made to holders of units in accordance with the respective number of membership units of Yield LLC held. Yield LLC has agreed to make distributions to us and NRG for the purpose of funding tax obligations in respect of income of Yield LLC that is allocated to the members of Yield LLC, subject to certain exceptions. Additionally, because all of our operations are conducted through a subsidiary of Yield LLC, NRG Yield Operating LLC (Yield Operating LLC) and Yield Operating LLC's revolving credit facility restricts the ability of Yield Operating LLC to make distributions to Yield LLC, Yield LLC may not have any funds available to make distributions to us and NRG (including with respect to tax obligations).

Coordination of Yield and Yield LLC

At any time we issue a share of our Class A common stock for cash, the net proceeds will promptly be transferred to Yield LLC and Yield LLC will either:

- transfer a newly issued Class A unit of Yield LLC to us; or
- use such net proceeds to purchase a Class B unit of Yield LLC from NRG, which Class B unit will automatically convert into a Class A unit of Yield LLC when transferred to us.

In the event Yield LLC purchases a Class B unit of Yield LLC from NRG, we will concurrently redeem and cancel the corresponding share of our Class B common stock.

Issuances and Transfer of Units

Class A units may only be issued to us and are non-transferable except upon redemption by Yield LLC. Class B units may only be issued to NRG. Class B units may not be transferred without our consent, subject to such conditions as we may specify, except NRG may transfer Class B units to a permitted transferee (including an affiliate) without our consent. NRG may not transfer any Class B units to any person unless NRG transfers an equal number of shares of our Class B common stock to the same transferee.

Indemnification and Exculpation

To the extent permitted by applicable law, Yield LLC will indemnify its managing member, our authorized officers and our other employees and agents from and against any losses in connection with serving in such capacities, subject to certain exceptions.

Exchange Agreement

We have entered into an exchange agreement with NRG, dated as of July 22, 2013 (Exchange Agreement), pursuant to which NRG (and certain permitted assignees and permitted transferees who acquire Class B units of Yield LLC) may from time to time cause Yield LLC to exchange its Class B units for shares of our Class A common stock on a one-for-one basis, subject to certain adjustments and exceptions. We may impose restrictions on exchange that we determine necessary or advisable so that Yield LLC is not treated as a "publicly traded partnership" for U.S. federal income tax purposes.

When NRG or its permitted transferee exchanges a Class B unit of Yield LLC for a share of our Class A common stock, we will automatically redeem and cancel a corresponding share of our Class B common stock and the Class B unit will automatically convert into a Class A unit when issued to us. As result, when a holder exchanges its Class B units for shares of our Class A common stock, our interest in Yield LLC will be correspondingly increased. We have reserved for issuance 42,738,750 shares of our Class A common stock, which is the aggregate number of shares of Class A common stock expected to be issued over time upon the exchange of all Class B units of Yield LLC outstanding.

Procedures for Review, Approval and Ratification of Related Person Transactions; Conflicts of Interest

Our Board has adopted a written Related Person Transaction Policy (Policy) that provides that the Corporate Governance, Conflicts and Nominating Committee will periodically review all related person transactions that are required to be disclosed under SEC rules and, when appropriate, initially authorize or ratify all such transactions. See "Management — Committees of the Board of Directors — Corporate Governance, Conflicts and Nominating Committee."

The Policy operates in conjunction with our Code of Conduct and is applicable to all transactions, arrangements or relationships in which: (a) the aggregate amount involved will or may be expected to exceed \$50,000 in any calendar year; (b) the Company is a participant; and (c) any Related Person (as that term is defined in Item 404 under Regulation S-K of the Securities Act of 1933, as amended) has or will have a direct or indirect interest (Related Person Transaction).

In determining whether to recommend the initial approval or ratification of a Related Person Transaction, the Corporate Governance, Conflicts and Nominating Committee considers all of the relevant facts and circumstances available, including (if applicable) but not limited to: (a) whether there is an appropriate business justification for the transaction; (b) the benefits that accrue to us as a result of the transaction; (c) the terms available to unrelated third parties entering into similar transactions; (d) the impact of the transaction on director independence (in the event the related person is a director, an immediate family member of a director or an entity in which a director or an immediate family member of a director is a partner, stockholder, member or executive officer); (e) the availability of other sources for comparable products or services; (f) whether it is a single transaction or a series of ongoing, related transactions; and (g) whether entering into the transaction would be consistent with the Related Person Transaction Policy.

If the aggregate amount involved is expected to be less than \$500,000, the transaction may be approved or ratified by the Chair of the Corporate Governance, Conflicts and Nominating Committee. As part of its review of each Related Person Transaction, the Corporate Governance, Conflicts and Nominating Committee will take into account, among other factors it deems appropriate, whether the transaction is on terms no less favorable than the terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the Related Person's interest in the transaction. This Policy also provides that certain transactions, based on their nature and/or monetary amount, are deemed to be pre-approved or ratified by the Corporate Governance, Conflicts and Nominating Committee and do not require separate approval or ratification.

Transactions involving ongoing relationships with a Related Person will be reviewed and assessed at least annually by the Corporate Governance, Conflicts and Nominating Committee to ensure that such Related Person Transactions remain appropriate and in compliance with the Committee's guidelines.

[Table of Contents](#)

The Committee's activities with respect to the review and approval or ratification of all Related Person Transactions are reported periodically to the Board.

Our organizational and ownership structure and strategy involve a number of relationships that may give rise to conflicts of interest between us and our stockholders on the one hand, and NRG, on the other hand. In particular, conflicts of interest could arise, among other reasons, because:

- in originating and recommending acquisition opportunities (except with respect to the NRG ROFO Assets) NRG has significant discretion to determine the suitability of opportunities for us and to allocate such opportunities to us or to itself or third parties;
- there may be circumstances where NRG will determine that an acquisition opportunity is not suitable for us because of the fit with our acquisition strategy or limits arising due to regulatory or tax considerations or limits on our financial capacity or because NRG is entitled to pursue the acquisition on its own behalf rather than offering us the opportunity to make the acquisition;
- where NRG has made an acquisition, it may transfer the asset to us at a later date after such asset has been developed or we have obtained sufficient financing;
- our relationship with NRG involves a number of arrangements pursuant to which NRG provides various services, access to financing arrangements and originates acquisition opportunities, and circumstances may arise in which these arrangements will need to be amended or new arrangements will need to be entered into;
- subject to the right of first offer described in "Certain Relationships and Related Party Transactions — Right of First Offer," NRG is permitted to pursue other business activities and provide services to third parties that compete directly with our business and activities without providing us with an opportunity to participate, which could result in the allocation of NRG's resources, personnel and acquisition opportunities to others who compete with us;
- NRG does not owe us or our stockholders any fiduciary duties, which may limit our recourse against it;
- the liability of NRG is limited under our arrangements with them, and we have agreed to indemnify NRG against claims, liabilities, losses, damages, costs or expenses which they may face in connection with those arrangements, which may lead them to assume greater risks when making decisions than they otherwise would if such decisions were being made solely for their own account, or may give rise to legal claims for indemnification that are adverse to the interests of our stockholders;
- NRG or a NRG sponsored consortium may want to acquire or dispose of the same asset as us;
- we may be, directly or indirectly, purchasing an asset from, or selling an asset to, NRG;
- there may be circumstances where we are acquiring different assets as part of the same transaction with NRG;
- NRG will have the ability to elect our Board and, therefore, it will continue to control us and could cause us to cause Yield LLC to make distributions to its members, including NRG, based on NRG's interests; and
- other conflicting transactions involving us and NRG.

Any transaction between us and any Related Person, including NRG, will be subject to the prior review and approval of our Corporate Governance, Conflicts and Nominating Committee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the our officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of securities ownership and changes in such ownership with the SEC. Officers, directors and greater than ten percent stockholders also are required by SEC rules to furnish us with copies of all Section 16(a) forms they file.

Based solely upon a review of the copies of such forms furnished to us and any written representations that no Forms 5 were required, we believe that all Section 16(a) filing requirements were timely met during the 2013 fiscal year.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of our Compensation Committee has served as one of our officers or employees at any time. None of our executive officers serves as a member of the compensation committee of any other company that has an executive officer serving as a member of the Board. None of our executive officers serves as a member of the board of directors of any other company that has an executive officer serving as a member of our Compensation Committee.

EXECUTIVE COMPENSATION

Compensation of Our Executive Officers

We are a majority-owned subsidiary of NRG consisting of various parts of NRG's business that have been contributed to us in connection with our IPO in July 2013. We have not incurred any cost or liability with respect to compensation of our executive officers and do not directly employ any of the persons responsible for managing our business. We entered into a Management Services Agreement with NRG, dated as of July 22, 2013, described below and in "Certain Relationships and Related Party Transactions," pursuant to which NRG has agreed to provide, or arrange for other service providers to provide, management and administration services to us. Our operating entities are not a party to the Management Services Agreement.

Our officers manage the day-to-day affairs of our business and are employed and compensated by NRG or a subsidiary of NRG. Each person serving as one of our executive officers is also an executive officer of NRG. The Management Services Agreement does not require our executive officers to dedicate a specific amount of time to fulfilling NRG's obligations to us under the Management Services Agreement. Accordingly, NRG has informed us that it cannot identify the portion of compensation awarded to our executives by NRG that relates solely to their services to us, as NRG does not compensate its employees specifically for such services. The responsibility and authority for compensation-related decisions for our executive officers resides with the NRG compensation committee. NRG has the ultimate decision-making authority with respect to the total compensation of the executive officers that are employed by NRG. Any such compensation decisions will not be subject to any approvals by our Board or any committees thereof. Additionally, while we have adopted the NRG Yield, Inc. 2013 Equity Incentive Plan (Plan), we do not at this time intend to allow our named executive officers to participate in the Plan. We expect that future compensation for our executive officers will be determined and structured in a manner similar to that then currently used by NRG to compensate its executive officers. We will not reimburse NRG for compensation related expenses attributable to the executive's time dedicated to providing services to us. Our officers, as well as the employees of NRG who provide services to us, may participate in employee benefit plans and arrangements sponsored by NRG, including plans that may be established in the future. Certain of our officers and certain employees of NRG who provide services to us currently hold grants under NRG's equity incentive plans.

Management Fee

Pursuant to the Management Services Agreement, we pay a base management fee of approximately \$1 million per quarter. The base management fee is adjusted for inflation annually at an inflation factor based on year-over-year CPI. The base management fee is also increased in connection with our completion of future acquisitions (including any NRG ROFO Assets described in "Certain Relationships and Related Party Transactions—Right of First Offer") by an amount equal to 0.05% of the enterprise value of the acquired assets as of the acquisition closing date. The base management fee increased by approximately \$37,000 per quarter in 2014 as a result of the annual CPI adjustment and the acquisition of Energy Systems Company in December 2013.

Reimbursement of Expenses and Certain Taxes

We also reimburse NRG for any out-of-pocket fees, costs and expenses incurred in the provision of the management and administration services. However, we are not required to reimburse NRG for the salaries and other remuneration of its management, personnel or support staff who carry out any services or functions for us or overhead for such persons. We are required to pay NRG all other out-of-pocket fees, costs and expenses incurred in connection with the provision of the services including those of any third party and to reimburse NRG for any such fees, costs and expenses.

In addition, we are required to pay all fees, expenses and costs incurred in connection with the investigation, acquisition, holding or disposal of any acquisition that is made or that is proposed to be made by us. Where the acquisition or proposed acquisition involves a joint acquisition that is made alongside one or more other persons, NRG will be required to allocate such fees, costs and expenses in proportion to the notional amount of the acquisition made (or that would have been made in the case of an un consummated acquisition) among all joint investors. Such additional fees, expenses and costs represent out-of-pocket costs associated with investment activities that will be undertaken pursuant to the Management Services Agreement.

We are also required to pay or reimburse NRG for all sales, use, value added, withholding or other taxes or customs duties or other governmental charges levied or imposed by reason of the Management Services Agreement or any agreement it contemplates, other than income taxes, corporation taxes, capital gains taxes or other similar taxes payable by NRG, which are personal to NRG.

Termination

The Management Services Agreement does not have a fixed term. However, we will be able to terminate the Management Services Agreement upon 30 days' prior written notice, and NRG will be able to terminate the Management Services Agreement upon 180 days' prior written notice, if (a) the other party defaults in its obligations resulting in material harm and remaining unremedied for 30 days after notice of breach is given; (b) the other party engages in fraud, misappropriation or the like resulting in material harm; or (c) certain events occur relating to the bankruptcy or insolvency of the

[Table of Contents](#)

other party. Except as set forth above in "— Management Fee," we do not have a right to terminate for any other reason, including if NRG experiences a change of control. We will only be able to terminate the Management Services Agreement with the prior unanimous approval of our independent directors. The Management Services Agreement expressly provides that the agreement may not be terminated by us due solely to the poor performance or the underperformance of any of our operations.

Indemnification and Limitations on Liability

Under the Management Services Agreement, NRG does not assume any responsibility other than to provide or arrange for the provision of the services called for thereunder in good faith and is not responsible for any action that we take in following or declining to follow the advice or recommendations of NRG. The maximum amount of the aggregate liability of NRG or any of its affiliates or agents will be equal to the base management fee previously paid by us in the two most recent calendar years pursuant to the Management Services Agreement. We have also agreed to indemnify each of NRG and its affiliates or agents to the fullest extent permitted by law from and against any losses incurred by an indemnified person or threatened in connection with our respective businesses, investments and activities or related to the Management Services Agreement or the services provided by NRG, subject to certain exceptions. In addition, under the Management Services Agreement, the indemnified persons will not be liable to us to the fullest extent permitted by law, subject to certain exceptions.

Outside Activities

The Management Services Agreement does not prohibit NRG or its affiliates from pursuing other business activities or providing services to third parties that compete directly or indirectly with us.

Compensation of Our Directors

The officers of NRG who also serve as our directors do not receive additional compensation for their service as one of our directors. Our directors who are not officers or employees of NRG receive compensation as "non-employee directors" as set by our Board.

Each non-employee director who is not also an officer of NRG receives total annual compensation of \$125,000. As lead independent director and Chair of each of our Audit Committee, Compensation Committee and Corporate Governance, Conflicts and Nominating Committee, Mr. Chlebowski receives an additional \$15,000 per year. Our non-employee directors receive 50 percent of their total annual compensation in the form of cash and the remaining 50 percent in the form of DSUs to be issued under the Plan, as discussed below. Each DSU is equivalent in value to one share of Class A common stock and represents the right to receive one such share of Class A common stock payable at the time elected by the director, or in the event the director does not make an election with respect to payment, when the director ceases to be a member of the Board.

In addition, our directors are reimbursed for out-of-pocket expenses in connection with attending meetings of the Board or its committees. As a general matter, we expect that in the future each non-employee director who is not also an officer of NRG will receive grants of equity-based awards upon appointment to our Board and from time to time thereafter for so long as he or she serves as a director.

Beginning in the 2014 fiscal year, the non-employee directors will also receive an additional \$1,500 per meeting if the non-employee directors are required to convene more than four times per year.

Each member of our Board is indemnified for his actions associated with being a director to the fullest extent permitted under Delaware law. In addition, we have entered into indemnification

agreements with each of our executive officers and directors. The indemnification agreements provide the executive officers and directors with contractual rights to indemnification, expense advancement and reimbursement, to the fullest extent permitted under Delaware law.

For all directors, the grant date fair value of the DSUs was based on the initial public offering price of the Company's Class A common stock, which was \$22.00 per share of Class A common stock on July 16, 2013.

All DSUs held by the directors are payable upon termination of service as a Board member.

The following table sets forth the aggregate number of stock awards (DSUs and DERs) held by each of the non-employee directors as of December 31, 2013.

2013 Equity Incentive Plan

In connection with our initial public offering, we adopted the Plan, effective July 16, 2013. The purpose of the Plan is to promote the long-term growth and profitability of the Company and its subsidiaries by providing certain directors, officers, employees and consultants of the Company incentives to maximize stockholder value and to enable us to attract, retain, and reward the best available persons for positions of responsibility. The Plan is a comprehensive incentive compensation plan that permits us to grant both equity-based and non-equity based compensation awards, including stock options, stock appreciation rights, restricted stock, restricted stock units, performance awards, DSUs and other stock-based and cash-based awards. Subject to the terms of the Plan, the specific terms and conditions of any award will be established in the discretion of the Compensation Committee at the time of grant and set forth in an award agreement issued to the participant. The aggregate number of shares of our Class A common stock which will be issued or used for reference purposes under the Plan, or with respect to which awards may be granted, will not exceed 978,750 shares.

We do not currently expect that Company equity awards will be used to compensate any of our named executive officers. However, we have granted DSUs to our non-employee directors under the

Plan and we may choose to grant equity incentive awards in us to our named executive officers at a future date.

Change in Control

Unless determined otherwise by the Compensation Committee, all outstanding awards will become fully vested and exercisable until the awards otherwise expire if we undergo a change in control. For purposes of the Plan, a change in control is deemed to occur in any one of the following events: (a) any person or entity becoming the direct or indirect beneficial owner of 50% or more of our voting stock, (b) directors serving on the board of directors as of a specified date cease to constitute at least a majority of the board of directors unless such directors are approved by a vote of at least two-thirds ($2/3$) of the incumbent directors, provided that a person whose assumption of office is in connection with an actual or threatened election contest or actual or threatened solicitation of proxies including by reason of agreement intended to avoid or settle such contest shall not be considered to be an incumbent director, (c) any reorganization, merger, consolidation, sale of all or substantially all of our assets or other transaction is consummated and our previous stockholders fail to own at least 50% of the combined voting power of the resulting entity (Business Combination) or (d) the stockholders approve a plan or proposal to liquidate or dissolve us.

If a change in control occurs as a result of a Business Combination described above, then the Compensation Committee may cancel any or all outstanding options under the Plan by paying the option holders an amount equal to the portion of the consideration, if any, that would have been payable to them pursuant to the transaction if their options had been fully exercised immediately prior to the transaction, less the aggregate exercise price of their options; or, if the options are underwater, cancel the options for no consideration or payment of any kind. Payments in exchange for options may be made in cash, securities, or other Company property as determined by the Compensation Committee in its sole discretion.

Clawback

If we are required to prepare an accounting restatement due to our material noncompliance with any financial reporting requirements under the securities laws, then any participant who has been paid an award under the Plan based upon the affected report will be required to repay such award at the discretion of the Board.

AUDIT COMMITTEE REPORT

The primary purpose of the Audit Committee is to assist the Board in its general oversight of the Company's financial reporting process. The Audit Committee's function is more fully described in its charter, which the Board has adopted. The Audit Committee reviews the charter on an annual basis. The Board annually reviews the New York Stock Exchange listing standards' definition of independence for audit committee members and has determined that each member of the Audit Committee meets that standard. The Board has also determined that in 2013 each of the three members of the Audit Committee, John F. Chlebowski, Ferrell P. McClean and Brian R. Ford, meets the requirements of an "audit committee financial expert."

Management is responsible for the preparation, presentation, and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. The Company's independent registered public accounting firm for the fiscal year 2013, KPMG LLP, is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with Generally Accepted Accounting Principles.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended December 31, 2013 with the Company's management and has discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards Board Standard No. 16, as amended, "Communication with Audit Committees." In addition, KPMG LLP has provided the Audit Committee with the written disclosures and the letter required by Statement on Auditing Standards Board Standard No. 16, as amended, "Communication with Audit Committees," and the Audit Committee has discussed with KPMG LLP their independence.

Based on these reviews and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013, for filing with the Securities and Exchange Commission.

The Audit Committee may periodically amend and/or supplement the pre-approved services based on subsequent determinations.

Unless the Audit Committee has pre-approved Audit Services or a specified category of nonaudit services, any engagement to provide such services must be pre-approved by the Audit Committee if it is to be provided by the independent registered public accounting firm. The Audit Committee must also pre-approve any proposed services exceeding the pre-approved budgeted fee levels for a specified type of service.

The Audit Committee has authorized its Chair to pre-approve services in amounts up to \$100,000 per engagement. Engagements exceeding \$100,000 must be approved by the full Audit Committee. Engagements pre-approved by the Chair are reported to the Audit Committee at its next scheduled meeting.
