## **PROXY STATEMENT FOR THE SPECIAL GENERAL MEETING OF HOLDERS OF COMMON SHARES TO BE HELD ON FEBRUARY 9, 2009**

### **IMPORTANT INFORMATION ABOUT THE SPECIAL GENERAL MEETING AND PROXY PROCEDURES**

The accompanying proxy is solicited by the Board of Directors (the “Board”) of Syncora Holdings Ltd. (the “Company”) to be voted at the special general meeting (“Special General Meeting”) of holders of the Company’s common shares (the “Shareholders” and the “Shares,” respectively) to be held on February 9, 2009, beginning at 10 a.m. local time, at the Company’s offices at 1221 Avenue of the Americas, 31st Floor, New York, NY 10020, and any adjournments thereof. This proxy statement and the accompanying materials are first being mailed to Shareholders on January 14, 2009.

#### **The Purpose of the Special General Meeting**

At the Special General Meeting, the Shareholders will vote in person or by proxy on the following changes to the Company’s bye-laws (the “Bye-Laws”) as set forth in the notice of the meeting: (1) the amendment of bye-law 3 so that the Chief Executive Officer need not serve as a Director of the Company; (2) the amendment of bye-law 19 so that remuneration and benefits of Directors will be determined by the Nominating & Governance Committee; (3) amendments of bye-laws 1, 18, 27, 38, 44, 45 and 81 to remove references to the XL Group to reflect that XL Capital Ltd is no longer a shareholder of the Company; (4) amendments to bye-laws 38, 44, 45 and 60 to transfer certain of the original rights of the XL Group under the Bye-Laws to CCRA Purpose Trust (the “SCA Shareholder Entity”); (5) the amendment of bye-law 36 to prohibit shareholders of the Company from adopting resolutions by written consent; (6) the amendment of bye-law 50 to allow the Company to hold its own shares, *i.e.*, treasury shares; (7) amendments of bye-laws 3, 53 and 78 to eliminate the requirement that certain deeds and other instruments be executed under the company seal; (8) amendments of bye-laws 75 and 77 to specify certain documents to which the notice provisions apply, the methods and time periods for delivery and the proof of such delivery; (9) the amendment of bye-law 60 to impose a mandatory restriction on the transfer of the Company’s equity securities such that no person or group may become a “Five-Percent Shareholder” as therein defined and no existing “Five-Percent Shareholder” may increase its stock ownership; and (10) amendments of bye-laws 31 and 60 to remove references to the Company having to meet the requirements of the New York Stock Exchange in connection with the delisting of the Company by the New York Stock Exchange.

#### **Shareholders Entitled to Vote at the Special General Meeting**

Shareholders of record as of the close of business on December 15, 2008 will be entitled to vote at the Special General Meeting. As of December 15, 2008, there were 64,529,572 outstanding Shares entitled to vote at the Special General Meeting, with each Share entitling the holder of record thereof to one vote at the Special General Meeting (subject to certain limitations set forth in the Company’s Bye-Laws—See footnote 3 to the table under “Security Ownership of Certain Beneficial Owners and Management”).

#### **Voting Procedures; Quorum**

A Shareholder of record can vote their Shares at the Special General Meeting by attending the meeting and completing a ballot or by proxy in one of three ways: (1) by dating, signing and

---

completing the proxy card and returning it without delay in the enclosed envelope, which requires no postage stamp if mailed in the United States; (2) over the telephone by calling a toll-free number provided on the enclosed proxy card; or (3) electronically via the internet as described in the enclosed proxy card.

The approval of each of proposals (3), (4) and (10) enumerated above requires the affirmative vote of a super majority (66 2/3%) of the total combined voting power of all issued and outstanding Shares of the Company, whether or not such Shares are present at the Special General Meeting, provided there is a quorum (consisting of two or more Shareholders present in person or by proxy holding more than 50% of the issued and outstanding Shares entitled to vote at the Special General Meeting). The approval of each of the other proposals requires the affirmative vote of a majority of the votes cast on such proposal at the Special General Meeting, provided there is a quorum (as defined above). Shares owned by Shareholders electing to abstain from voting with respect to any proposal and “broker non-votes” will be counted towards the presence of a quorum but will not be considered votes cast with respect to the proposed amendments to the Bye-Laws to be voted upon at the Special General Meeting. Therefore, abstentions and “broker non-votes” will have no effect on the outcome of the proposed changes to the Bye-Laws to be voted upon at the Special General Meeting. A “broker non-vote” occurs when a nominee, such as a broker, holding Shares in “street name” for a beneficial owner, does not vote on a particular proposal because that nominee does not have discretionary voting power with respect to a proposal and has not received instructions from the beneficial owner.

A Shareholder of Shares held in “street name” that would like to instruct their broker how to vote their Shares should follow the directions provided by their broker. Please note that because matters such as the approvals of the proposed changes to the Bye-Laws are not regarded as routine by the New York Stock Exchange rules, a broker is not permitted to vote on the proposals presented in this proxy statement if it does not receive instructions from the Shareholder.

None of the Company’s officers, Directors or any of their associates has a substantial interest in the matters to be acted upon at the Special General Meeting other than as a Shareholder of the Company.

#### **Revocation of Proxies**

Any Shareholder giving a proxy has the power to revoke it prior to its exercise by: (1) giving notice of such revocation in writing to the Secretary of the Company at Syncora Holdings Ltd., Canon’s Court, 22 Victoria Street, Hamilton, HM 12, Bermuda; (2) by attending and voting in person at the Special General Meeting; or (3) by executing a subsequent proxy, provided that any such action is taken in sufficient time to permit the necessary examination and tabulation of the subsequent proxy or revocation before the votes are taken. Attendance at the Special General Meeting by a Shareholder who has executed and delivered a proxy to the Company shall not in and of itself constitute a revocation of such proxy. If a Shareholder holds their Shares in “street name” by a broker and has directed their broker to vote their Shares, they should instruct their broker to change their vote or obtain a proxy to vote their Shares if they wish to cast their vote in person at the Special General Meeting.

#### **Proxy Solicitation**

The Company will bear the cost of the solicitation of proxies. Proxies may be solicited by Directors, officers and employees of the Company and its subsidiaries, who will not receive additional compensation for such services. In addition, the Company has retained Georgeson & Company Inc. to assist in the solicitation of proxies for a fee of approximately \$11,000 plus reasonable out-of-pocket expenses and disbursements. Upon request, the Company will also reimburse brokers and others holding Shares in their names, or in the names of nominees, for forwarding proxy materials to their customers.

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information as of December 15, 2008 with respect to the ownership of Shares by:

- each person or group that was, to the Company's knowledge, the beneficial owner of more than 5% of the Company's outstanding Shares;
- each Director of the Company;
- each named executive officer of the Company; and
- all Directors and executive officers of the Company as a group.

The Shares are currently the only class of voting securities of the Company. As of December 15, 2008, there were 64,529,572 Shares outstanding. The amounts and percentages of Shares beneficially owned are reported on the basis of the Securities and Exchange Commission ("SEC") regulations governing the determination of beneficial ownership of securities. Under SEC rules, a person is deemed to be a "beneficial owner" of a security if that person has or shares voting power or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Securities that can be so acquired are deemed to be outstanding for purposes of computing such person's ownership percentage, but not for purposes of computing any other person's percentage. Under these rules, more than one person may be deemed to be a beneficial owner of the same securities and a person may be deemed to be a beneficial owner of securities as to which such person has no economic interest.

Except as otherwise indicated in the footnotes to this table, each of the beneficial owners listed has, to the Company's knowledge, sole voting and investment power with respect to the indicated Shares. Unless otherwise indicated, the address for each individual listed below is c/o Syncora Holdings Ltd., Canon's Court, 22 Victoria Street, Hamilton, HM 12, Bermuda.

- (1) For Claude LeBlanc, the amount reflected in this column represents options that have vested that were granted on December 19, 2007. For Directors, the amount reflected in this column represents the vesting of options granted on the initial public offering closing date.
- (2) A report on Schedule 13D, dated November 26, 2008, disclosed that Syncora Private Trust Company Limited, as Trustee of the SCA Shareholder Entity owns 30,069,049 Shares of the

Company and reported that it has shared voting and dispositive power with respect to such Shares, qualified by the statement that the filing of such Schedule 13D does not constitute, and should not be construed as an admission that either the Trustee or the Trust beneficially owns any securities covered by this Statement or is required to file this Statement. In the report, the Trustee and Trust disclaim beneficial ownership of the Shares, such Shares being held on behalf of certain parties to the Master Commutation, Release and Restructuring Agreement, dated as of July 28, 2008 (as amended, the "Master Transaction Agreement"), by and among the Company and certain of its subsidiaries, XL Capital Ltd and certain of its subsidiaries and certain counterparties to credit default swap agreements with certain affiliates of the Company. The Master Transaction Agreement is more fully described in the Current Report on Form 8-K filed by the Company on July 30, 2008 and the Current Report on Form 8-K filed on November 3, 2008. The SCA Shareholder Entity was established pursuant to a Declaration of Trust, dated as of November 18, 2008, between the Company and Syncora Private Trust Company Limited, a Bermuda company, as trustee, in accordance with the Master Transaction Agreement, as more fully described in the Current report on Form 8-K filed on November 21, 2008.

(3) Each Share has one vote, except that pursuant to the Company's Bye-Laws:

- (I) if and for so long as (and whenever) the votes of a Shareholder, including any votes conferred by Controlled Shares (as defined below), would otherwise represent more than 9.5% of the aggregate voting power of all Shares entitled to vote on a matter, including an election of Directors, the votes conferred by such Shares are reduced by whatever amount is necessary such that, after giving effect to any such reduction (and any other reductions in voting power required by the Company's Bye-Laws), the votes conferred by such Shares shall represent 9.5% of the aggregate voting power of all Shares of the Company entitled to vote on such matter; provided, however, that, except as provided in paragraph (II) below, no such reduction in votes shall occur with respect to (i) Shares held by any member of the XL Group (as defined below) or (ii) Shares transferred by the XL Group to any person that is not a member of the XL Group in a transaction not registered under the Securities Act of 1933, as amended (the "Securities Act") (or exempt from registration pursuant to Rule 144 of the Securities Act or any successor provision thereof) and, upon the consummation of such transfer, any Shares previously held or subsequently acquired by such person (or an affiliate thereof), but, in each case, only for so long as such person (or an affiliate thereof) continues to hold such Shares (it being understood that this clause (ii) shall not apply to Shares transferred by such person (or an affiliate thereof) to any non-affiliate thereof). "Controlled Shares" in reference to any person, means all Shares directly, indirectly or constructively owned by (i) such person as determined pursuant to Section 958 of the Internal Revenue Code of 1986, as amended (the "Code") and Treasury Regulations promulgated thereunder and under Section 957 of the Code (or the relevant successor provisions thereof) or (ii) a "group" of persons within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934 (the "Exchange Act"). "XL Group" means XL Capital Ltd and its consolidated subsidiaries;
- (II) if and for so long as the votes conferred by Shares held by the XL Group would otherwise represent more than 50.1% of the aggregate voting power of all Shares entitled to vote generally at an election of Directors, the votes conferred by such Shares are reduced by whatever amount is necessary such that, after giving effect to any such reduction, the votes conferred by such Shares shall represent no more than 50.1% of the aggregate voting power of all Shares entitled to vote generally at any election of Directors. If and so long as the votes conferred by Shares held by the XL Group would otherwise represent more than 47.5% of the aggregate voting power of all Shares entitled to vote on a matter (other than the election of Directors), the votes conferred by such Shares held by the XL Group, with respect to voting on such matters, shall represent no more than 47.5% of the aggregate voting power of all Shares entitled to vote on such matter. Either or both of such limitations shall cease to apply, or may be adjusted upwards, upon receipt by the Company of written confirmation from each nationally recognized rating agency then providing a financial strength rating for the Company and/or its subsidiaries that such financial strength rating is

or will be determined without reference to the ratings of any member of the XL Group or that the then financial strength rating issued by it will not at the time of such confirmation be adversely affected by the elimination or adjustment of such limitation, and, in the case of any adjustment (as opposed to elimination), the applicable percentages set forth in the first sentence of this paragraph (II) shall automatically be adjusted to those percentages as so determined by the foregoing; provided, however, that, in the event that any such written confirmation shall later be rescinded, such limitation shall be reinstated at a percentage equal to the lesser of (i) such percentage as is required by the rescinding rating agency and (ii) the percentage set forth in the first sentence of this paragraph (II) originally applicable to such limitation;

(III) After having applied the provisions described in paragraphs (I) and (II) above as best as they consider reasonably practicable, the Board may make such final adjustments to the aggregate number of votes conferred, directly or indirectly or by attribution, by the Controlled Shares of any person that they consider fair and reasonable under the circumstances to ensure that such votes represent 9.5%. Such adjustments intended to implement the 9.5% limitation described in paragraph (I) shall be subject to the proviso contained in paragraph (I).

- (4) A report on Schedule 13G, filed on January 12, 2009, disclosed that Legg Mason Capital Management, Inc., 100 Light Street, Baltimore, MD 21202, an investment adviser, beneficially owned 6,484,502 Shares of the Company and reported that it has shared voting and dispositive power with respect to such Shares. It reported that various accounts managed by Legg Mason Capital Management, Inc. have the right to receive or the power to direct the receipt of dividends from or the proceeds from the sale of Shares. One account, Legg Mason Special Investment Trust, Inc., an investment company under the Investment Company Act of 1940 and managed by Legg Mason Capital Management, Inc., beneficially holds 4,202,041 of the Shares and has shared voting and dispositive power with respect to those Shares.
- (5) A report on Form 13F, filed on November 14, 2008, disclosed that Franklin Resources, Inc., One Franklin Parkway, San Mateo, CA 94403, exercises investment discretion with respect to 4,261,500 shares as of September 30, 2008. Previously, a report on Schedule 13G/A, dated February 4, 2008, disclosed that 4,268,000 Shares are beneficially owned by one or more investment companies or other managed accounts that are investment management clients of investment managers that are direct and indirect subsidiaries of Franklin Resources, Inc., including Franklin Mutual Advisers, LLC. Franklin Mutual Advisers, LLC reported that it had (i) sole power to vote or direct the vote of 4,165,100 Shares and (ii) sole power to dispose or direct the disposition of 4,268,000 Shares. Their address is One Parker Plaza, 9th Floor, Fort Lee, NJ 07024.

**MATTERS SCHEDULED TO BE VOTED ON AT THE  
SPECIAL GENERAL MEETING TO BE HELD ON FEBRUARY 9, 2009**

**PROPOSALS TO APPROVE CHANGES TO THE COMPANY'S BYE-LAWS**

At the Company's Special General Meeting, Shareholders are being asked to approve several amendments to the Company's Bye-Laws. Certain of the amendments included in the proposals were adopted and approved by the Board on October 21, 2008 and will be implemented subject to approval of the Shareholders and the remaining amendments included in the proposals will be brought before the Board prior to the Special General Meeting and, if adopted and approved by the Board, will be implemented subject to approval of the Shareholders.

The text of the proposed amendments to the Company's Bye-Laws is included in Annex A to this proxy statement, and we have shown the changes with deletions indicated by a strike-through and additions indicated by a double underline.

**I. PROPOSAL TO APPROVE AN AMENDMENT TO BYE-LAW 3**

Bye-law 3 is being amended so that the Chief Executive Officer of the Company no longer has to serve as a Director. The purpose of this change is to incorporate the provisions of the Bermuda Companies Amendment Act 2006 (the "2006 Act"), which eliminated the requirement that a company appoint certain officers to its board of directors, allowing more flexibility as to which officers, if any, serve as directors.

**II. PROPOSAL TO APPROVE AN AMENDMENT TO BYE-LAW 19**

Bye-law 19 is being amended so that the remuneration and benefits of Directors of the Company will be determined by the Nominating & Governance Committee rather than the Compensation Committee. The purpose of this change is for the compensation of directors to be determined by the Nominating & Governance Committee so that all matters relating to directors are overseen by the same committee, while the Compensation Committee retains oversight with respect to matters relating to executive and employee compensation.

**III. PROPOSAL TO APPROVE AMENDMENTS TO BYE-LAWS 1, 18, 27, 38, 44, 45 AND 81**

Bye-laws 1, 18, 27, 38, 44, 45 and 81 are being amended to reflect that XL Capital Ltd is no longer a Shareholder of the Company by deleting the defined term "XL Group" and all references thereto. XL Capital Ltd ceased to be a Shareholder of the Company following the transfer of Shares held by XL Capital Ltd to the SCA Shareholder Entity pursuant to the terms of the Master Commutation Release and Restructuring Agreement, dated July 28, 2008, as amended (the "Master Transaction Agreement"), by and among the Company, several of its wholly-owned subsidiaries and affiliates, including Syncora Guarantee Inc. ("Syncora Guarantee"), XL Capital Ltd. and certain of its affiliates and certain financial institutions that are counterparties to credit default swap and financial guarantee contracts with Syncora Guarantee and that may, from time to time, be parties to the Master Transaction Agreement.

**IV. PROPOSAL TO APPROVE AMENDMENTS TO BYE-LAWS 38, 44, 45 AND 60**

Bye-laws 38, 44, 45 and 60 are being amended to provide certain of the original rights granted to the XL Group under the Bye-Laws to the SCA Shareholder Entity to reflect the equity ownership position of the SCA Shareholder Entity in the Company in connection with the Master Transaction Agreement and the Deed of Trust, dated as of November 18, 2008, by Syncora Private Trust Company Limited. In particular, (i) the proposed amendment to bye-law 38 provides that the voting percentage for certain items, such as the alienation of substantially all the assets of the Company, will require a 66 2/3% majority while the SCA Shareholder Entity holds more than 35% of the Company, (ii) the proposed amendment to bye-law 44 provides an exception to the 9.5% limit to Shareholder aggregate voting power, so that this threshold does not apply to the SCA

Shareholder Entity; (iii) the proposed amendment to bye-law 45 provides that the power granted to the Board to adjust voting rights, so as to avoid adverse tax, legal or other consequences to the Company, will not apply to the SCA Shareholder Entity and (iv) the proposed amendment to bye-law 60 allows the Board to restrict the transfer of Shares in circumstances where such a transfer would result in material adverse tax, legal or other consequences, including where following such a transfer any person, except the SCA Shareholder Entity, would hold more than 9.5% of value or voting rights of the Company.

#### **V. PROPOSAL TO APPROVE AN AMENDMENT TO BYE-LAW 36**

Bye-law 36 is being amended to prohibit Shareholders from adopting any resolution by written consent. The purpose of this change is to prohibit Shareholders from adopting resolutions by written consent with only a majority of the votes, as currently provided for in the 2006 Act. Prior to the 2006 Act, shareholder resolutions by written consent were required to be unanimous. Given that the SCA Shareholder Entity holds 46% of the Company, the Board believes that it is in the best interests of the Company and the Shareholders that any action taken by Shareholders be effected at a duly called meeting to ensure shareholder participation. This may make it procedurally more difficult for Shareholders to take action.

#### **VI. PROPOSAL TO APPROVE AN AMENDMENT TO BYE-LAW 50**

Bye-law 50 is being amended to allow the Company to hold its own shares, *i.e.*, treasury shares. This change incorporates the provisions of the 2006 Act, which introduced the concept of “treasury shares” under Bermuda Law. In order to hold treasury shares, the Bye-Laws must explicitly permit the Company to acquire and hold shares as treasury shares. The purpose of this change is to provide the Company with the option of holding treasury shares, thereby increasing the Company’s flexibility in managing its outstanding securities.

#### **VII. PROPOSAL TO APPROVE AMENDMENTS TO BYE-LAWS 3, 53 AND 78**

Bye-laws 3, 53 and 78 are being amended to eliminate the requirement that certain deeds and other instruments be executed under the company seal in order to conform with modern practice. Historically, a company was required by statute to affix its seal to various instruments or documents, most commonly, deeds. The use of the company seal for executing such documents has become an anachronistic practice in modern day commerce. The purpose of this change is to incorporate the provisions of the 2006 Act, which allows companies to execute deeds and other instruments (such as share certificates or debentures), which previously were required to be executed under the company seal, by the signature of an authorized person.

#### **VIII. PROPOSAL TO APPROVE AMENDMENTS TO BYE-LAWS 75 AND 77**

Bye-laws 75 and 77 are being amended to provide clarification on how notices may be sent, including to Shareholders, Directors and resident representatives, and to provide for more expedient methods of notice and delivery. The proposed amendment to bye-law 75 specifies certain documents to which the notice provisions apply, including share certificates and any instrument of proxy, and records how notices and other documents are to be posted, couriered, emailed or sent by facsimile or published on a website with notification of such publication being made. The proposed amendment to bye-law 77 specifies the time periods by which a notice or other document is deemed to have been served or delivered to Shareholders and how the Company shall prove that the notice or other document was properly sent and/or published. In addition, each Shareholder is deemed to have agreed that any notice or other document may be provided by the Company by publication on a website, rather than being provided by any other means. This change incorporates the provisions of the 2006 Act, which now makes it possible for a company to deliver documents via electronic transmission (including email and website postings).

## IX. PROPOSAL TO APPROVE AN AMENDMENT TO BYE-LAW 60

Bye-law 60 is being amended to create a mandatory restriction on share transfers in order to prevent non- *de minimis* adverse tax, regulatory, or legal consequences to the Company, its subsidiaries, its direct or indirect shareholders or its affiliates. Bye-law 60 currently grants the Board the discretionary right to refuse approval or registration of any transfer of shares where it appears that such transfer would result in a non- *de minimis* adverse tax, regulatory, or legal consequences to the Company, its subsidiaries, its direct or indirect shareholders or its affiliates. In particular, the Board can under bye-law 60 consider the non-*de minimis* adverse consequence that arises as a result of a relevant shareholder then owning more than 9.5% of the value, or voting shares, of the Company.

In contrast, the restriction on share transfer contained in the proposed bye-law 60(2) is mandatory. It provides that any attempted transfer of common or preference shares (or warrants, rights, options or interests that are similar to options) whether by agreement or otherwise, before, in the Board's discretion, either the 15th anniversary of the date of bye-law 60(2) being promulgated or the repeal of Section 382 of the Internal Revenue Code of 1986, as amended the ("Code"), is prohibited and void *ab initio* to the extent that (a) such transfer results in a person or group becoming a "Five-Percent Shareholder" as defined by Treasury Regulation Section 1.382 -2T(g)(1), or (b) the stock ownership of any person or persons who are already "Five-Percent Shareholders" is increased and provided that this restriction does not affect open market transfers on any applicable stock exchange or OTC market which might otherwise be prohibited by this bye-law.

The restriction in the proposed bye-law 60(2) can be overcome if either the transferor or transferee obtains the approval of the Board when the transfer is being contemplated. The Board is entitled, as a condition of granting its approval, to obtain counsel's opinion that the proposed transfer will not attract the application of the limitations on the use of tax benefits set forth in Section 382 of the Code. The purpose of this amendment is to restrict transfers of shares to avoid an "ownership change" under Section 382 of the Code, which could have the effect of severely limiting the Company's ability to utilize certain net operating losses and other tax attributes in the post-ownership change period. The implementation of this amendment may hinder the ability of certain shareholders to transfer their shares.

## X. PROPOSAL TO APPROVE AMENDMENTS TO BYE-LAWS 31 AND 60

Bye-laws 31 and 60 are being amended to remove references to the Company having to meet the requirements of the New York Stock Exchange in connection with the delisting of the Company by the New York Stock Exchange. The basis for delisting was non-compliance with two of the New York Stock Exchange's continued listing standards: (i) the Company's average global market capitalization over a consecutive 30 trading-day period was less than \$75 million and, at the same time, total stockholders' equity was less than \$75 million, and (ii) the average closing price of the Company's common stock was less than \$1.00 over a consecutive 30 trading-day period. For additional information, see "Management's Discussion and Analysis of Financial Condition and Results of Operations—Overview of Our Business—Recent Regulatory Developments" in the Company's Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2008 filed on November 17, 2008. In addition, in December 2008 the New York Stock Exchange notified the Company of its decision to suspend trading and delist the Company, as announced in a press release issued by the Company on December 12, 2008. The proposed amendment provides that the Company is subject to any applicable requirements of any applicable stock exchange or quoted on any applicable over-the-counter market.

***Your Board of Directors recommends a vote FOR approval of each of the proposed amendments of the Company's Bye-Laws.***

(1) If and for so long as (and whenever) the shares of a Shareholder, including any votes conferred by Controlled Shares, would otherwise represent more than 9.5% of the aggregate voting power of all shares entitled to vote on a matter, including an election of Directors, the votes conferred by such shares are hereby reduced by whatever amount is necessary such that, after giving effect to any such reduction (and any other reductions in voting power required by these Bye-laws), the votes conferred by such shares shall represent 9.5% of the aggregate voting power of all shares of the Company entitled to vote on such matter; provided, however, that, except as provided in paragraph (2) of this *Bye-law 44*, no such reduction in votes shall occur with respect to ~~(i) shares held by any member of the XL Group or (ii) shares transferred by the XL Group to any Person that is not a member of the XL Group in a transaction not registered under the Securities Act (or exempt from such registration pursuant to Rule 144 of the Securities Act or any successor provision thereof) and, upon the consummation of such transfer, any shares previously held or subsequently acquired by such Person (or an Affiliate thereof), but, in each case, only for so long as such Person (or an Affiliate thereof) continues to hold such shares~~ the shares held by the SCA Shareholder Entity (it being understood that this ~~clause (ii) proviso~~ shall not apply to shares transferred by such Person (or an Affiliate thereof) to any non-Affiliate thereof); provided, in the case of this clause (ii), that the Board receive prompt (and, in any event, within 15 Business Days of the completion of such transfer) notice from the XL Group and such Person of such transfer and the applicability of

this clause (ii) to such Person's shares; *provided, further*, that the XL Group shall not be entitled to provide such notice in respect of more than three such transferees.

~~(2) If and for so long as the votes conferred by shares held by the XL Group would otherwise represent more than 50.1% of the aggregate voting power of all shares entitled to vote generally at an election of Directors, the votes conferred by such shares are hereby reduced by whatever amount is necessary such that, after giving effect to any such reduction, the votes conferred by such shares shall represent no more than 50.1% of the aggregate voting power of all shares of the Company entitled to vote generally at any election of Directors. If and so long as the votes conferred by shares held by the XL Group would otherwise represent more than 47.5% of the aggregate voting power of all shares entitled to vote on a matter (other than the election of Directors), the votes conferred by such shares held by the XL Group, with respect to voting on such matters, shall represent no more than 47.5% of the aggregate voting power of all shares of the Company entitled to vote on such matter. Either or both of such limitations shall cease to apply, or may be adjusted upwards, upon receipt by the Company of written confirmation from each nationally recognized rating agency then providing a financial strength rating for the Company and/or its subsidiaries that such financial strength rating is or will be determined without reference to the ratings of any member of the XL Group or that the then financial strength rating issued by it will not at the time of such confirmation be adversely affected by the elimination or adjustment of such limitation, and, in the case of any adjustment (as opposed to elimination), the applicable percentages set forth in the first sentence of this paragraph (2) shall automatically be adjusted to those percentages as so determined by the foregoing; *provided, however*, that, in the event that any such written confirmation shall later be rescinded, such limitation shall be reinstated at a percentage equal to the lesser of (i) such percentage as is required by the rescinding rating agency and (ii) the percentage set forth in the first sentence of this paragraph (2) originally applicable to such limitation the SCA Shareholder Entity.~~

~~(3) (4)~~ Notwithstanding the foregoing provisions of this *Bye-law 44*, after having applied such provisions as best as they consider reasonably practicable, the Board may make such final adjustments to the aggregate number of votes conferred, directly or indirectly or by attribution, by the Controlled Shares of any Person that they consider fair and reasonable under the circumstances to ensure that such votes represent 9.5% (or the percentage designated by a Shareholder pursuant to paragraph ( 3 2) of this *Bye-law 44*). ~~Such adjustments intended to implement the 9.5% limitation set forth in paragraph (1) of this *Bye-law 44* shall be subject to the proviso contained in such paragraph (1), but adjustments intended to implement the limitation set forth in a notice pursuant to paragraph (3) of this *Bye-law 44* shall not be subject to the proviso contained in paragraph (1).~~

~~(4) (5)~~ The Board may take all other appropriate steps, and require such other documentation, subject to reasonable confidentiality provisions, to effectuate the foregoing.

#### 45. Other Adjustments of Voting Power

In addition to the principles described in *Bye-law 44*, the Board may make further adjustments to voting rights and may determine that shares held by a Shareholder shall carry different voting rights, in any such case, only to the extent that it determines appropriate to avoid adverse tax, legal, rating agency or regulatory consequences to the Company, any subsidiary of the Company, or any direct or indirect holder of shares or its Affiliates; *provided, however*, that this *Bye-law 45* shall not apply to the ~~XL Group or any other Person who has the benefit of clause (ii) to paragraph (1) of *Bye-law 44*.~~ SCA Shareholder Entity. For the avoidance of doubt, in applying the provisions of *Bye-laws 44-47* (inclusive), a share may carry a fraction of a vote.

#### 46. Board Determination Binding

Any determination by the Board as to any reduction in voting power of any shares made pursuant to paragraph (1) or ~~(4)~~ (3) of *Bye-law 44* or *Bye-law 45* shall be final and binding and any vote taken based on such determination shall not be capable of being challenged solely on the basis of such determination.

#### 50. Variation Of Rights, Alteration of Share Capital and Purchase of Shares of the Company

(1) Subject to the provisions of the Act, any preference or preferred shares may be issued or converted into shares that, at a determinable date or at the option of the Company, are liable to be redeemed on such terms and in such manner as, before the issue or conversion, may be determined by the Board.

(2) If at any time the share capital is divided into different classes or series of shares, the rights attached to any class or series (unless otherwise provided by the terms of issue of the shares of such class or series) may, whether or not the Company is being wound-up, be varied with the consent in writing of the holders of three-fourths of the issued shares of that class or series or with the sanction of a resolution passed by a majority of the votes cast at a separate general meeting of the holders of the shares of the class or series. The rights conferred upon the holders of the shares of any class or series issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class or series, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith or having less rights. Further, the rights attaching to the common shares shall be deemed not to be varied by the creation or issue of any share ranking in priority for payment of a dividend or with any other rights more favorable than those conferred by the common shares.

(3) The Company may from time to time by resolution of the Shareholders or pursuant to *Bye-law 49* (as applicable) change the currency denomination of, increase, alter, divide, consolidate, subdivide, diminish or reduce its share capital in accordance with the provisions of the Act. Where, on any change or reduction of share capital as aforesaid, fractions of shares or some other difficulty would arise, the Board may deal with or resolve the same in such manner as it thinks fit, including, without limiting the generality of the foregoing, the issue to Shareholders, as appropriate, of fractions of shares and/or arranging for the sale or transfer of the fractions of shares of Shareholders.

(4) The Company may from time to time purchase (or repurchase) its own shares in accordance with the provisions of the Act on such terms as the Board shall think fit. The Board may exercise all of the powers of the Company to purchase (or repurchase) all or any part of its own shares in accordance with the Act.

(5) The Board may, at its sole discretion, authorise the acquisition by the Company of its own shares, to be held as treasury shares, upon such terms as the Board may in its absolute discretion determine, provided always that such acquisition is effected in accordance with the provisions of the Act. The Company shall be entered in the Register of Shareholders as a Shareholder in respect of the shares held by the Company as treasury shares and shall be a Shareholder but subject always to the provisions of the Act and for the avoidance of doubt the Company shall not exercise any rights and shall not enjoy or participate in any of the rights attaching to those shares save as expressly provided for in the Act.

(6) Subject to the provisions of these Bye-Laws, any shares of the Company held by the Company as treasury shares shall be at the disposal of the Board, which may hold all or any of the shares, dispose of or transfer all or any of the shares for cash or other consideration, or cancel all or any of the shares.

~~(5)~~ (7) Notwithstanding the foregoing, the Company shall not vary the rights attaching to any class or series of shares, change or reduce its share capital or purchase (or repurchase) its own shares if the Board, after taking into account, among other things, any reduction in voting power required by *Bye-laws 44-47* (inclusive), determines that any non-*de minimis* adverse tax, regulatory

or legal consequences to the Company, any subsidiary of the Company, or any direct or indirect holder of shares or its Affiliates would result from such action.

### 53. Share Certificates

(1) Every Shareholder shall be entitled to a certificate issued under the seal of the Company (or a facsimile thereof) or signed by a Director, the Secretary or any person authorised by the Board for that purpose, specifying the number and, where appropriate, the class or series of shares held by such Shareholder and whether the same are fully paid up and, if not, how much has been paid thereon. The Board may determine, either generally or in a particular case, that any or all signatures on certificates may be printed thereon or affixed by mechanical means. ~~Notwithstanding Bye-law 79, the Board may determine that a share certificate need not be signed on behalf of the Company or that the seal of the Company need not be attested.~~

(2) The Company shall be under no obligation to complete and deliver a share certificate unless specifically called upon to do so by the Person to whom such shares have been allotted.

(3) If any such certificate shall be proved to the satisfaction of the Board to have been worn out, lost, mislaid or destroyed, the Board may cause a new certificate to be issued and request an indemnity for the lost certificate if it sees fit.

### 60. Restrictions on Transfer

(1) (a) The Board may decline to approve or register any transfer of shares if it appears to the Board, after taking into account, among other things, any reduction in voting power required pursuant to the provisions of *Bye-laws 44-47* (inclusive), that any non-*de minimis* adverse tax, regulatory or legal consequences to the Company, any subsidiary of the Company, or any other direct or indirect holder of shares or its Affiliates would result from such transfer (including if such consequence arises as a result of any such Person (other than the ~~XL Group or any other Person who has the benefit of clause (ii) to paragraph (1) of Bye-law 44~~ SCA Shareholder Entity) owning Controlled Shares of more than 9.5% of the value of the Company or the voting shares of the Company). The Board shall have the authority to request from any holder of shares, and such holder of shares shall provide, such information as the Board may reasonably request for the purpose of determining whether any transfer should be permitted.

~~(2) (b)~~ Unless otherwise required by any applicable requirements of ~~the New York Stock Exchange (or any other applicable stock exchange or applicable OTC market)~~, the Board (i) may decline to approve or to register any transfer of any share if a written opinion from counsel acceptable to the Company shall not have been obtained to the effect that registration of such shares under the ~~U.S. Securities Act of 1933, as amended~~, is not required and (ii) shall decline to approve or to register any transfer of any share if the transferee shall not have been approved by applicable governmental authorities if such approval is required or if not in compliance with applicable consent, authorization or permission of any governmental body or agency in Bermuda.

~~(3) (c)~~ If the Board refuses to register a transfer of any share, the Secretary shall send, or procure that there shall be sent, within one month after the date on which the transfer was lodged with the Company, to the transferor and transferee notice of the refusal.

~~(4) (d)~~ The registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine, *provided* always that such registration shall not be suspended for more than 45 days in any year.

~~(5) (e)~~ Shares may be transferred without a written instrument if transferred by an appointed agent or otherwise in accordance with the Act.

~~(6) (f)~~ The restrictions on transfer of shares contained in this *Bye-law 60 (1)* shall not apply to any transfer (being in compliance with applicable consent, authorization or permission of Bermuda Monetary Authority) in connection with (a) any public offering of the Company's shares (whether a primary or secondary offering) or (b) any transaction approved by the Board prior to these Bye-laws coming into effect (as indicated in the resolutions of the Shareholders adopting these Bye-laws).

(2) (a) As used in this *Bye-law 60(2)* only, the term:

(i) “Company Securities” means (I) common shares of the Company, (II) Preference shares of the Company, (III) warrants, rights, options or interests that are similar to options (within the meaning of Treasury Regulation Section 1.382-2T(h)(4)(v)) to purchase common shares or preference shares of the Company, and (IV) any other interests that would be treated as “stock” of the Company pursuant to Treasury Regulation Section 1.382-2T(f)(18).

(ii) “Percentage Stock Ownership” means percentage stock ownership as determined in accordance with Treasury Regulation Section 1.382-2T(g), (h), (j) and (k).

(iii) “Five-Percent Shareholder” means a Person or group of Persons that is identified as a “5-percent shareholder” of the Company pursuant to Treasury Regulation Section 1.382-2T(g)(1).

(iv) “Person” means an individual, estate, trust, association, company, partnership, joint venture or similar organization.

(v) “Prohibited Transfer” means any purported Transfer of Company Securities to the extent that such Transfer is prohibited and void under this *Bye-law 60(2)*.

(vi) “Restriction Release Date” means, as determined by the Board in its sole discretion, the earlier to occur of (x) the fifteen-year anniversary of the effective date of this *Bye-law 60(2)* (the “Expiration Time”), (y) the repeal of Section 382 of the Internal Revenue Code of 1986, as amended (the “Code”) (and any comparable successor provision) (“Section 382”), or (z) the beginning of a taxable year of the Company (or any successor thereof) to which no Tax Benefits may be carried forward; provided, that, the Board may in its sole discretion resolve from time to time to extend the Expiration Time for up to an additional five years.

(vii) “Tax Benefits” means the net operating loss carry-overs, capital loss carry-overs, general business credit carry-overs, alternative minimum tax credit carry-overs and foreign tax credit carry-overs, as well as any “net unrealized built-in loss” within the meaning of Section 382, of the Company or any direct or indirect subsidiary thereof.

(viii) “Transfer” means any direct or indirect sale, transfer, assignment, conveyance, pledge, or other disposition of Company Securities. A Transfer also shall include the creation or grant of an option or of an interest that is similar to an option (within the meaning of Treasury Regulation Section 1.382-2T(h)(4)(v)) to effect a Transfer. A Transfer shall not include an issuance, allotment or grant of Company Securities by the Company or any repurchase of Company Securities by the Company.

(ix) “Treasury Regulation Section 1.382-2T” means the temporary income tax regulations promulgated under Section 382 and any successor regulations. References to any subsection of such regulations include references to any successor subsection thereof.

(b) Restrictions. In addition to any restrictions on transfer contained in *Bye-law 60(1)*, any attempted Transfer of Company Securities prior to the Restriction Release Date, or any attempted Transfer of Company Securities pursuant to an agreement entered into prior to the Restriction Release Date shall be prohibited and void ab initio to the extent that, as a result of such Transfer (or any series of Transfers of which such Transfer is a part), either (1) any Person or group of Persons shall become a Five-Percent Shareholder, or (2) the Percentage Stock Ownership interest in the Company of any Five-Percent Shareholder shall be increased, provided, however, that nothing herein contained shall preclude the settlement of any transaction in the Company Securities entered into through the facilities of any applicable stock exchange on which the Company Securities may be listed (if any) or any applicable OTC market on which the Company Securities may be quoted (if any).

(c) Certain Exceptions. The restrictions set forth in *Bye-law 60(2)(b)* shall not apply to any attempted Transfer if the transferor or the transferee obtains the approval of the Board. As a condition to granting its approval, the Board may, in its discretion, require an opinion of counsel selected by the Board that the Transfer shall not result in the application of any Section 382 limitation on the use of the Tax Benefits. The restrictions set forth in *Bye-law 60(2)(b)* shall not apply to any attempted Transfer which occurs after the Board shall have suspended the effectiveness

of the restrictions set forth in *Bye-law 60(2)(b)* by public announcement and prior to the time that the restrictions set forth in *Bye-law 60(2)(b)* are restored to full force and effect by the Board.

(d) Treatment of Excess Securities

(i) No employee, officer or agent of the Company shall record any Prohibited Transfer, and the purported transferee of such a Prohibited Transfer (the "Purported Transferee") shall not be recognized as a Member of the Company for any purpose whatsoever in respect of the Company Securities which are the subject of the Prohibited Transfer (the "Excess Securities"). Until the Excess Securities are acquired by another Person in a Transfer that is not a Prohibited Transfer, the Purported Transferee shall not be entitled with respect to such Excess Securities to any rights of a Shareholder, including without limitation, the right to vote such Excess Securities and to receive dividends or distributions, whether liquidating or otherwise, in respect thereof, if any. Once the Excess Securities have been acquired in a Transfer that is not a Prohibited Transfer, the Company Securities shall cease to be Excess Securities.

(ii) If the Board determines that a Transfer of Company Securities constitutes a Prohibited Transfer then, upon written demand by the Company, the Purported Transferee shall transfer or cause to be transferred the Excess Securities, accompanied by the certificate for the Excess Securities (if any has been issued), together with any dividends or other distributions that were received by the Purported Transferee from the Company with respect to the Excess Securities ("Prohibited Distributions"), to an agent designated by the Board (the "Agent"). The Agent shall thereupon sell to a buyer or buyers, which may include the Company, the Excess Securities transferred to it in one or more arm's-length transactions (over any applicable stock exchange or applicable OTC market if possible); provided, however, that the Agent shall effect such sale or sales in an orderly fashion and shall not be required to effect any such sale within any specific time frame if, in the Agent's discretion, such sale or sales would disrupt the market for the Company Securities or would otherwise adversely affect the value of the Company Securities. If the Purported Transferee has resold the Excess Securities before receiving the Company's demand to surrender the Excess Securities to the Agent, the Purported Transferee shall be deemed to have sold the Excess Securities for the Agent, and shall be required to transfer to the Agent any Prohibited Distributions and the proceeds of such sale, except to the extent that the Agent grants written permission to the Purported Transferee to retain a portion of such sales proceeds not exceeding the amount that the Purported Transferee would have received from the Agent pursuant to *Bye-law 60(2)(d)(iii)* if the Agent rather than the Purported Transferee had resold the Excess Securities.

(iii) The Agent shall apply any proceeds of sale by it of Excess Securities and, if the Purported Transferee had previously resold the Excess Securities, any amounts received by it from a Purported Transferee, as follows: (1) first, such amounts shall be paid to the Agent to the extent necessary to cover its costs and expenses incurred in connection with its duties hereunder; (2) second, any remaining amounts shall be paid to the Purported Transferee, up to the amount paid by the Purported Transferee for the Excess Securities (or the fair market value, calculated on the basis of the closing market price for Company Securities on the day before the Transfer, of the Excess Securities at the time of the attempted Transfer to the Purported Transferee by gift, inheritance, or similar Transfer), which amount (or fair market value) shall be determined in the sole discretion of the Board; and (3) third, any remaining amounts shall be paid to one or more organizations qualifying under Section 501(c)(3) of the Code (and any comparable successor provision) selected by the Board. The recourse of any Purported Transferee in respect of any Prohibited Transfer shall be limited to the amount payable to the Purported Transferee pursuant to clause (2) of the preceding sentence. In no event shall the proceeds of any sale of Excess Securities pursuant to this *Bye-law 60(2)* inure to the benefit of the Company.

(iv) If the Purported Transferee fails to surrender the Excess Securities or the proceeds of a sale thereof to the Agent within thirty business days from the date on which the Company makes a demand pursuant to *Bye-law 60(2)(d)(ii)*, then the Company shall institute legal proceedings to compel the surrender of such Excess Securities.

(v) The Company shall make the demand described in *Bye-law 60(2)(d)(ii)* within thirty days of the date on which the Board determines that the attempted Transfer would result in Excess Securities; provided, however, that if the Company makes such demand at a later date, the provisions of this *Bye-law 60(2)* shall apply nonetheless.

(e) Legends, Determinations

(i) All certificates representing Company Securities issued after the effectiveness of this *Bye-law 60(2)* shall bear a conspicuous legend as follows:

THE TRANSFER OF THE SECURITIES REPRESENTED HEREBY IS SUBJECT TO RESTRICTIONS PURSUANT TO *BYE-LAW 60(2)* OF SYNCORA HOLDINGS LTD. PREPRINTED IN ITS ENTIRETY ON THE BACK OF THIS CERTIFICATE.

(ii) The Board shall have the power to determine all matters necessary to determine compliance with this *Bye-law 60(2)*, including without limitation (1) whether a new Five-Percent Shareholder would be required to be identified in certain circumstances, (2) whether a Transfer is a Prohibited Transfer, (3) the Percentage Stock Ownership in the Company of any Five-Percent Shareholder, (4) whether an instrument constitutes a Company Security, (5) the amount (or fair market value) due to a Purported Transferee pursuant to clause (2) of sub-paragraph (D)(iii) of this *Bye-law 60(2)*, and (6) any other matters which the Board determines to be relevant; and the good faith determination of the Board on such matters shall be conclusive and binding for all the purposes of this *Bye-law 60(2)*.

*75. Notices to Shareholders of the Company*

(1) Any notice or other document (including but not limited to a share certificate, any notice of a general meeting of the Company, and any instrument of proxy) may be sent to, served on or delivered to any Shareholder by the Company

- (a) personally;
- (b) by sending it through the post (by airmail where applicable) in a pre-paid letter addressed to such Shareholder at his address as appearing in the Register;
- (c) by sending it by courier to or leaving it at the Shareholder's address appearing in the Register;
- (d) by, where applicable, sending it by email or facsimile or other mode of representing or reproducing words in a legible and non-transitory form or by sending an electronic record of it by electronic means, in each case to an address or number supplied by such Shareholder for the purposes of communication in such manner; or
- (e) by publication of an electronic record of it on a website and notification of such publication (which shall include the address of the website, the place on the website where the document may be found, and how the document may be accessed on the website) by any of the methods set out in paragraphs 75(1)(a), 75(1)(b), 45(1)(c) or 75(1)(d) of this Bye-Law, in accordance with the Companies Acts.

(2) Any notice or other document delivered, sent or given to a Shareholder in any manner permitted by these Bye-Laws shall, notwithstanding that such Shareholder is then dead or bankrupt or that any other event has occurred, and whether or not the Company has notice of the death or bankruptcy or other event, be deemed to have been duly served or delivered in respect of any share registered in the name of such Shareholder as sole or joint holder unless his name shall, at the time of the service or delivery of the notice or document, have been removed from the Register as the holder of the share, and such service or delivery shall for all purposes be deemed as sufficient service or delivery of such notice or document on all persons interested (whether jointly with or as claiming through or under him) in the share.

A notice may be given by the Company to any Shareholder either by delivering it to such Shareholder in person or by sending it to such Shareholder's address in the Register of Shareholders or to such other address given for the purpose. For the purposes of this *BYE-LAW 75*, a notice may

~~be sent by mail, courier service, facsimile, email or other mode of representing words in a legible form.~~

(3) Save as otherwise provided, the provisions of these Bye-Laws as to service of notices and other documents on Shareholders shall mutatis mutandis apply to service or delivery of notices and other documents to the Company or any Director, Alternate Director or Resident Representative pursuant to these Bye-Laws.

#### 77. Service and Delivery of Notice

(1) Any notice or other document shall be deemed to have been served ~~at the time when the same would be delivered in the ordinary course of transmission (which shall be deemed to be two calendar days from deposit in the case of mail) and,~~<sup>312</sup> on or delivered to any Shareholder by the Company

- (a) if sent by personal delivery, at the time of delivery;
- (b) if sent by post, forty-eight (48) hours after it was put in the post;
- (c) if sent by courier or facsimile, twenty-four (24) hours after sending;
- (d) if sent by email or other mode of representing or reproducing words in a legible and non- transitory form or as an electronic record by electronic means, twelve (12) hours after sending; or
- (e) if published as an electronic record on a website, at the time that the notification of such publication shall be deemed to have been delivered to such Shareholder.

~~and in proving such service or delivery, it shall be sufficient to prove that the notice or document was properly addressed and prepaid, if mailed, and the time when it was mailed, delivered to the courier or transmitted by facsimile, email, or such other method, as the case may be stamped and put in the post, published on a website in accordance with the Companies Acts and the provisions of these Bye-Laws, or sent by courier, facsimile, email or as an electronic record by electronic means, as the case may be, in accordance with these Bye-Laws.~~

Each Shareholder and each person becoming a Shareholder subsequent to the adoption of these Bye-laws, by virtue of its holding or its acquisition and continued holding of a share, as applicable, shall be deemed to have acknowledged and agreed that any notice or other document (excluding a share certificate) may be provided by the Company by way of accessing them on a website instead of being provided by other means.

#### 78. The Seal

~~The seal of the Company shall be in such form as the Board may from time to time determine. The Board may adopt one or more duplicate seals.~~  
(1) The Board may authorise the production of a common seal of the Company and one or more duplicate common seals of the Company, which shall consist of a circular device with the name of the Company around the outer margin thereof and the country and year of registration in Bermuda across the centre thereof.

#### 79. Manner in Which Seal is to be Affixed

(2) Any document required to be under seal or executed as a deed on behalf of the Company may be:

- (a) executed under the Seal in accordance with these Bye-Laws; or
- (b) signed or executed by any person authorised by the Board for that purpose, without the use of the Seal.

(3) The Board shall provide for the custody of every Seal. A Seal shall only be used by authority of the Board or of a committee constituted by the Board. Subject to these Bye-Laws, any instrument to which a Seal is affixed shall be attested by the signature of:

- (a) Director; or

~~(4) Subject to Bye-law 53, the seal of the Company shall not be affixed to any instrument except attested by the signature of a Director and the Secretary or any two Directors, or any Person appointed by the Board for the purpose, provided that any Director, Officer or Resident Representative, may affix the seal of the Company attested by such Director, Officer or Resident Representative's signature to any authenticated copies of these Bye-laws, the incorporating documents of the Company, the minutes of any meetings or any other documents required to be authenticated by such Director, Officer or Resident Representative. Any such signature may be printed or affixed by mechanical means on any share certificate, debenture, share or other security certificate.~~

#### ~~81-~~ 80. Alteration of Bye-Laws

No Bye-law shall be rescinded, altered or amended and no new Bye-law shall be made until the same has been approved by a resolution of the Board and by a resolution of the Shareholders; *provided* that (i) the approval of such resolution of the Shareholders with respect to any such rescission, alteration or amendment of, or the adoption of any Bye-law or provision inconsistent with, *Bye-laws 8, 10, 11, 12, 14, 18, 26, 27, 29, 31, 38, 44, 45, 46 or 46, 47, 60 or this Bye-law 81-80* or any material defined term used in any such Bye-law shall require the affirmative vote of the holders of at least sixty-six and two-thirds percent (66 2/3%) of the total combined voting power of all issued and outstanding shares of the Company, and (ii) any such rescission, alteration or amendment of, or the adoption of any Bye-law or provision inconsistent with, *Bye-law 27* or any material defined term used in such *Bye-law 27* shall not affect the waiver of any claim or right of action with respect to past acts or omissions and (iii) any such rescission, alteration or amendment of, or the adoption of any Bye-law or provision inconsistent with, *Bye-law 18* or any material defined term used in such *Bye-law 18* shall require the prior written consent of XL Capital Ltd.
