SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and any accompanying prospectus supplement and any documents incorporated by reference contain or incorporate statements that are “forward-looking” within the meaning of the Private Securities Litigation Reform Act of 1995.

Those statements include trend analyses and other information relative to markets for our products and trends in our operations or financial results as well as other statements that can be identified by the use of forward-looking language such as “may,” “should,” “believes,” “expects,” “anticipates,” “plans,” “estimates,” “intends,” “projects,” “goals,” “objectives,” or other similar expressions. - the extent to which we have to write off accounts receivable or assets or experience supply chain disruptions in connection with bankruptcy filings by our customers or suppliers;
- inability to generate free cash flow and maintain a strong debt to capital ratio, including focusing on reduction of debt as determined by management;

- risks relating to environmental matters, including changes in the estimated costs to remediate historical contamination and resolve related litigation;
- risks arising out of changes in environmental laws or other requirements (or their interpretation or enforcement), including such laws or other requirements that may affect the content or production of our products;
- the final geographic distribution of future earnings and the effect of currency exchange fluctuations and impact of dollar/foreign currency exchange, taxes and interest rates on the competitiveness of products, our debt program and our cash flow;

- the impact of events that cause or may cause disruption in our manufacturing, distribution and sales networks, such as war, terrorist activities, natural disasters, political unrest, and recessionary or expansive trends in world economies in which we operate, including, but not limited to, the extent and duration of the current recession in the United States economy; and
- inability to mitigate cost increases (such as customer price increases) generated by, for example, continued increases in the cost of energy or significant Chinese Renminbi or other currency appreciation or revaluation.

There can be no assurance that other factors not currently anticipated by us will not materially and adversely affect our business, financial condition, and results of operations. You are cautioned not to place undue reliance on any forward-looking statements made by us or on our behalf. ABOUT THE GUARANTORS

The guarantors of the debt securities may include The Black & Decker Corporation, a Maryland corporation ("Black & Decker"). If so provided in a prospectus supplement, the guarantor will fully and unconditionally guarantee on a joint and several basis our obligations under the debt securities, subject to the terms described in such prospectus supplement.

RISK FACTORS

Investing in our securities involves risk. See the risk factors described in our Annual Report on Form 10-K (together with any material changes thereto contained in subsequent filed Quarterly Reports on Form 10-Q) and those contained in our other filings with the SEC for our most recent fiscal year, which are incorporated by reference in this prospectus and any accompanying prospectus supplement. Before making an investment decision, you should carefully consider these risks as well as other information we include or incorporate by reference in this prospectus. These risks could materially affect our business, results of operations or financial condition and cause the value of our securities to decline. You could lose all or part of your investment.

USE OF PROCEEDS

Except as otherwise set forth in the prospectus and any accompanying prospectus supplement, we expect to use the net proceeds from the sale of securities for general corporate purposes, including the financing of our operations, the possible repayment of indebtedness, and possible business acquisitions. Pending any specific application, we may initially invest funds in short-term marketable securities or apply them to the reduction of short-term indebtedness.

RATIO OF EARNINGS TO FIXED CHARGES

The ratio of earnings to fixed charges for each of the periods indicated is set forth below. For purposes of computing these ratios, earnings represents income from continuing operations, plus distributed income of equity investees, before income taxes and fixed charges. Fixed charges are the sum of (i) interest expensed and capitalized, (ii) amortized premiums, discounts and capitalized expenses related to indebtedness, and (iii) the portion of rents representative of interest.

DESCRIPTION OF SECURITIES

This prospectus contains summary descriptions of the debt securities, guarantees of debt securities, common stock, preferred stock, warrants, depositary shares, stock purchase contracts and stock purchase units that may be offered and sold from time to time. These summary descriptions are not meant to be complete descriptions of each security. However, at the time of an offering and sale, this prospectus together with the accompanying prospectus supplement will contain the material terms of the securities being offered.

DESCRIPTION OF DEBT SECURITIES

As used in this prospectus, debt securities means the debentures, notes, bonds and other evidences of indebtedness that we may issue separately, upon exercise of a debt warrant, in connection with a stock purchase contract or as part of a stock purchase unit from time to time. The debt securities may either be senior debt securities or subordinated debt securities. Senior debt securities may be issued under a “Senior Indenture” and subordinated debt securities may be issued under a “Subordinated Indenture.” This prospectus sometimes refers to the Senior Indenture and the Subordinated Indenture collectively as the “Indentures.” The Indentures have been filed with the SEC. We may also issue debt securities under a separate, new indenture. If that occurs, we will describe any differences in the terms of any series or issue of debt securities in the prospectus supplement relating to that series or issue.

The following briefly summarizes the material provisions of the Indentures and the debt securities, other than pricing and related terms disclosed in an accompanying prospectus supplement or pricing supplement, as the case may be. You should read the more detailed provisions of the applicable Indenture, including the defined terms, for provisions that may be important to you. You should also read the particular terms of an offering of debt securities, which will be described in more detail in the applicable prospectus supplement or pricing supplement, as the case may be. Copies of the Indentures may be obtained from Stanley Black & Decker, Inc. or the applicable trustee.

As used in this “Description of Debt Securities,” the terms “Stanley Black & Decker, Inc.,” “we,” “our” and “us” refer to Stanley Black & Decker, Inc., a Connecticut corporation, and do not, unless otherwise specified, include our subsidiaries.

General

The debt securities will be our direct general unsecured obligations. The senior debt securities will rank equally with all of our other senior unsecured and unsubordinated debt. The subordinated debt securities will be subordinate and junior in right of payment to all of our present and future senior indebtedness to the extent and in the manner set forth in the Subordinated Indenture.

Since our operations are partially conducted through our subsidiaries, the cash flow and the consequent ability to service our indebtedness, including the debt securities, is partially dependent upon the earnings of our subsidiaries and the distribution of those earnings or upon the payments of funds by those subsidiaries to us. Our subsidiaries are separate and distinct legal entities and have no obligation, contingent or otherwise, to pay any amounts due pursuant to the debt securities or to make funds available to us, whether by dividends, loans or other payments. In addition, the payment of dividends and the making of loans and advances to us by our subsidiaries may be subject to contractual or statutory restrictions, are contingent upon the earnings of those subsidiaries and are subject to various business considerations. Any right we may have to receive assets of any of our subsidiaries upon their liquidation or reorganization (and the consequent right of the holders of our debt securities to participate in those assets) will be structurally subordinated to the claims of such subsidiary’s creditors, including trade creditors, because such creditors’ claims will have a priority over our claim as an equity owner at our subsidiaries.

The Indentures do not limit the aggregate principal amount of debt securities that we may issue and provide that we may issue debt securities from time to time in one or more series, in each case with the same or various maturities, at par or at a discount. We may issue additional debt securities of a particular series without the consent of the holders of the debt securities of such series outstanding at the time of the issuance. Any such additional debt securities, together with all other outstanding debt securities of that series, will constitute a single series of debt securities under the applicable Indenture. The Indentures also do not limit our ability to incur other debt.

[Table of Contents](#)

Each prospectus supplement will summarize the material terms relating to the specific series of debt securities being offered. These terms may include some or all of the following:

- the title of debt securities, whether they are subordinated debt securities or senior debt securities and whether any of our subsidiaries will provide a guarantee of our obligations under the debt securities;
- any limit on the aggregate principal amount of the debt securities;
- the price or prices at which we will sell the debt securities;
- the maturity date or dates of the debt securities;
- the rate or rates of interest, if any, which may be fixed or variable, at which the debt securities will bear interest, or the method of determining such rate or rates, if any;
- the date or dates from which any interest will accrue or the method by which such date or dates will be determined;
- the right, if any, to extend the interest payment periods and the duration of any such deferral period, including the maximum consecutive periods during which interest payment periods may be extended;
- whether the amount of payments of principal of (and premium, if any) or interest on the debt securities may be determined with reference to any index, formula or other method, such as one or more currencies, commodities, equity indices or other indices, and the manner of determining the amount of such payments;
- the dates on which we will pay interest on the debt securities and the regular record date for determining who is entitled to the interest payable on any interest payment date;
- the place or places where the principal of (and premium, if any) and interest on the debt securities will be payable;
- if we possess the option to do so, the periods within which and the prices at which we may redeem the debt securities, in whole or in part, pursuant to optional redemption provisions, and the other terms and conditions of any such provisions;
- our obligation, if any, to redeem, repay or purchase debt securities by making periodic payments to a sinking fund or through an analogous provision or at the option of holders of the debt securities, and the period or periods within which and the price or prices at which we will redeem, repay or purchase the debt securities, in whole or in part, pursuant to such obligation, and the other terms and conditions of such obligation;
- the denominations in which the debt securities will be issued, if other than denominations of \$1,000 and integral multiples of \$1,000;
- the portion, or methods of determining the portion, of the principal amount of the debt securities which we must pay upon the acceleration of the maturity of the debt securities in connection with an Event of Default (as described below), if other than the full principal amount;
- the currency, currencies or currency unit in which we will pay the principal of (and premium, if any) or interest, if any, on the debt securities, if not United States dollars;
- provisions, if any, granting special rights to holders of the debt securities upon the occurrence of specified events;
- any deletions from, modifications of or additions to the Events of Default or our covenants with respect to the applicable series of debt securities, and whether or not such Events of Default or covenants are consistent with those contained in the applicable Indenture;
- the application, if any, of the terms of the Indenture relating to defeasance and covenant defeasance (which terms are described below) to the debt securities;

[Table of Contents](#)

- whether the subordination provisions summarized below or different subordination provisions will apply to the debt securities;
- the terms, if any, upon which the holders may convert or exchange the debt securities into or for our common stock, preferred stock or other securities or property;
- whether any of the debt securities will be issued in global form in the name of depository and, if so, the terms and conditions upon which global debt securities will cease to be issued in the name of a depository and exchanged for debt securities of smaller denominations issued in the name of investors and/or their direct or indirect nominees;
- any change in the right of the trustee or the requisite holders of debt securities to declare the principal amount thereof due and payable because of an Event of Default;
- the depository for global debt securities;
- any special tax implications of the debt securities;
- any trustees, authenticating or paying agents, transfer agents or registrars or other agents with respect to the debt securities; and
- any other terms of the debt securities.

Unless otherwise specified in the applicable prospectus supplement, the debt securities will not be listed on any securities exchange and will be issued in fully-registered form without coupons.

Debt securities may be sold at a discount below their stated principal amount, bearing no interest or interest at a rate which at the time of issuance is below market rates. The applicable prospectus supplement will describe the material federal income tax consequences and special considerations applicable to any such debt securities. The debt securities may also be issued as indexed securities or securities denominated in foreign currencies, currency units or composite currencies, as described in more detail in the prospectus supplement relating to any of the particular debt securities.

Subordination

The prospectus supplement relating to any offering of subordinated debt securities will describe the specific subordination provisions, including the extent of subordination of payments by us of the principal of, premium, if any, and interest on such subordinated debt securities.

The Subordinated Indenture does not limit the issuance of additional Senior Indebtedness.

Certain Covenants

Except as set forth below or in any indenture supplemental to the Indentures or in a board resolution of ours establishing a series of securities under the Indentures, the Indentures will not:

- limit the amount of indebtedness or lease obligations that may be incurred by us and our subsidiaries; or
- contain provisions which would give holders of the notes the right to require us to repurchase their notes in the event of a decline in the credit rating of our debt securities resulting from a change in control, recapitalization or similar restructuring or in the case of any other event.

Limitation on Liens

The Senior Indenture provides that if we or any Restricted Subsidiary (as defined below) shall issue, assume or guarantee any evidence of indebtedness for money borrowed ("Indebtedness") secured by a mortgage, security

[Table of Contents](#)

interest, pledge or lien (“Mortgage”) on any Principal Property (as described below), or shares of stock or Indebtedness of any Restricted Subsidiary, we will secure or cause such Restricted Subsidiary to secure any debt securities issued under the Senior Indenture (the “Senior Securities”) equally and ratably with such secured Indebtedness (for so long as such secured Indebtedness remains to be so secured), unless the aggregate amount of all such secured Indebtedness, together with all Attributable Debt (as defined below) outstanding pursuant to the first paragraph of the “Limitation on Sale and Lease-back Transactions” covenant described below, would not exceed 10% of Consolidated Net Worth (defined below). The Subordinated Indenture does not contain a similar limitation on liens.

Such limitation will not apply to Indebtedness secured by (a) Mortgages on property of any corporation existing at the time such corporation becomes a Restricted Subsidiary, (b) Mortgages on any property existing at the date of the indenture or at the time of acquisition by us or a Restricted Subsidiary (including acquisition through merger or consolidation), (c) Mortgages securing Indebtedness of a Restricted Subsidiary to us or to another Restricted Subsidiary, (d) purchase money and construction Mortgages entered into within specified time limits, (e) mechanics’ liens, tax liens, liens in favor of any governmental body to secure progress, advance or other payments or the acquisition of real or personal property from any governmental body pursuant to contract or provision of statute, any other liens, charges and encumbrances incidental to construction, conduct of business or ownership of property of ours or any Restricted Subsidiary which were not incurred in connection with borrowing money, obtaining advances or credits or the acquisition of property and in the aggregate do not materially impair use of any Principal Property or which are being contested in good faith, or (f) any extension, renewal or replacement of any of the aforementioned Mortgages not in excess of the principal amount of such Indebtedness plus the fee incurred in connection with such transaction.

Limitation on Sale and Lease-back Transactions

The Senior Indenture provides that neither we nor any Restricted Subsidiary may enter into any sale and lease-back transaction involving any Principal Property unless the aggregate amount of all Attributable Debt with respect to such transactions, together with all Indebtedness outstanding pursuant to the first paragraph of the “Limitation on Liens” covenant described above, would not exceed 10% of Consolidated Net Worth.

Such limitation will not apply to any sale and lease-back transaction if (a) the lease is for a period of not more than three years, (b) the purchaser’s commitment is obtained within a specified period after the acquisition, construction or placing in service of the Principal Property, (c) the rent payable pursuant to such lease is to be reimbursed under a contract with the United States Government or instrumentality or agency thereof, (d) the transaction is between us and a Restricted Subsidiary or between Restricted Subsidiaries, (e) we or such Restricted Subsidiary would be entitled as described in “Limitation on Liens,” above, to mortgage such Principal Property without equally and ratably securing the Senior Securities, or (f) we or such Restricted Subsidiary, within 180 days after the effective date of the transaction, apply to the retirement of Senior Securities or other Indebtedness of ours or a Restricted Subsidiary an amount equal to (A) either (i) the lesser of the net proceeds of the sale or transfer or the book value at the date of such sale or transfer of the Principal Property leased, if the transaction is for cash, or (ii) the fair market value of the Principal Property leased, if the transaction is for other than cash, minus (B) the amount equal to the principal amount of Senior Securities delivered to the trustee within such 180 days for cancellation and the principal amount of Indebtedness voluntarily retired (including any premium or fee paid in connection therewith) within such 180 days.

Consolidation, Merger and Sale of Assets

We may consolidate or merge with or into any other corporation, and we may sell or transfer all or substantially all of our assets to another corporation, provided, among other things, that (a) if we are not the surviving corporation, the corporation formed by or resulting from any such consolidation or merger or the transferee of such assets shall be a corporation organized and existing under the laws of the United States, any state thereof or the District of Columbia and shall expressly assume by supplemental indenture payment of the principal of and premium, if any, and interest, if any, on the debt securities issued under either the Senior

Indenture or the Subordinated Indenture and the performance and observance of the Indenture and (b) we or such successor corporation shall not immediately thereafter be in default under the Indenture.

Definition of Certain Terms

“Restricted Subsidiary” means a Subsidiary (as defined below) (i) substantially all the property of which is located, or substantially all the business of which is carried on, within the United States, and (ii) which owns a Principal Property; provided, however, that the term shall not include any Subsidiary which is solely or primarily engaged in the business of providing or obtaining financing for the sale or lease of products sold or leased by us or any Subsidiary or which is primarily engaged in the business of a finance company either on a secured or an unsecured basis.

“Principal Property” means all real property and tangible personal property constituting a manufacturing plant located within the United States owned by us or a Restricted Subsidiary, exclusive of (i) motor vehicles, mobile materials-handling equipment and other rolling stock, (ii) office furnishings and equipment, information and electronic data processing equipment, (iii) any property financed through obligations issued by a state or possession of the United States, or any political subdivision or instrumentality of the foregoing, on which the interest is not, in the opinion of tax counsel of recognized standing or in accordance with a ruling issued by the Internal Revenue Service, includable in gross income of the holder by reason of Section 103(a) of the Internal Revenue Code (or any successor to such provision) as in effect at the time of the issuance of such obligations, (iv) any real property held for development or sale, or (v) any property the gross book value of which (including related land and improvements thereon and all machinery and equipment included therein without deduction of any depreciation reserves) is less than 10% of Consolidated Net Worth or which our board of directors determines is not material to the operation of our business and our Subsidiaries taken as a whole.

“Consolidated Net Worth” means the excess over current liabilities of all assets properly appearing on our consolidated balance sheet after deducting the minority interests of others in Subsidiaries.

A “Subsidiary” is defined to mean any corporation of which at least a majority of all outstanding stock having ordinary voting power in the election of directors of such corporation is at the time, directly or indirectly, owned by us or by one or more Subsidiaries of ours or by us and one or more Subsidiaries.

“Attributable Debt” in respect of any Sale and Lease-Back Transaction means, as of the time of the determination, the lesser of (i) the sale price of the Principal Property so leased multiplied by a fraction the numerator of which is the remaining portion of the base term of the lease included in such transaction and the denominator of which is the base term of such lease, and (ii) the total obligation (discounted to present value at the implicit interest factor, determined in accordance with generally accepted financial practice, included in the rental payments or, if such interest factor cannot readily be determined, at a rate of interest of 10% per annum, compounded semi-annually) of the lessee for rental payments (other than amounts required to be paid on account of property taxes as well as maintenance, repairs, insurance, water rates and other items which do not constitute payments for property rights) during the remaining portion of the base term of lease included in such transaction.

Events of Default

The following events are defined in the Indentures as “Events of Default”:

- default in the payment of any installment of interest on any debt securities in such series for 30 days after becoming due;
- default in the payment of principal or premium, if any, of any debt securities in such series when due;
- default in the performance of any other covenant for 90 days after notice;
- involuntary acceleration of the maturity of our indebtedness in excess of \$10 million for money borrowed which acceleration shall not be rescinded or annulled or otherwise cured, or which indebtedness shall not be discharged, within 10 days after notice;

Table of Contents

- entry of certain court orders which would require us to make payments exceeding \$25 million and where 60 days have passed since the entry of the order without it having been satisfied or stayed;
- certain events of bankruptcy, insolvency or reorganization; and
- any other Event of Default that may be set forth in the supplemental indenture or board resolution with respect to a particular series of debt securities.

If an Event of Default shall occur and be continuing with respect to a series of debt securities, either the trustee or the holders of at least 25% in principal amount of the outstanding debt securities (or such lesser amount as may be provided for in the debt securities of such series) of such series may declare the entire principal amount of all the debt securities of such series to be due and payable.

The Indentures provide that the trustee shall, within 90 days after the occurrence of default with respect to a particular series of debt securities, give the holders of the debt securities of such series notice of such default known to it (the term default to mean the events specified above without grace periods); provided that, except in the case of default in the payment of principal or premium, if any, or interest, if any, on any of the debt securities of such series, the trustee shall be protected in withholding such notice if it in good faith determines the withholding of such notice is in the interest of the holders of the debt securities of such series.

We are required to furnish the trustee annually a statement by certain of our officers to the effect that to the best of their knowledge we are not in default in the fulfillment of any of our obligations under the Indentures or, if there has been a default in the fulfillment of any such obligation, specifying each such default. No holder of any debt securities of any particular series shall have any right to institute any judicial or other proceeding with respect to the Indentures, or for the appointment of a receiver or trustee, or for any other remedy unless:

- an Event of Default shall have occurred and be continuing and such holder shall have given the trustee prior written notice of such continuing Event of Default;
- the holders of not less than 25% of the outstanding principal amount of debt securities of a particular series shall have requested the trustee for such series to institute proceedings in respect of such Event of Default;
- under the Senior Indenture, the trustee shall have been offered indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;
- under the Subordinated Indenture, the trustee shall have been offered such reasonable indemnity as it may require against its costs, expenses and liabilities in complying with such request;
- the trustee shall have failed to institute proceedings 60 days after the receipt of such notice, request and offer of indemnity; and
- no direction inconsistent with such written request shall have been given for 60 days by the holders of a majority in principal amount of the outstanding debt securities of such series.

The holders of a majority in principal amount of a particular series of debt securities outstanding will have the right, subject to certain limitations, to direct the time, method and place of conducting any proceeding for any remedy available to the trustee with respect to such series or exercising any trust or power conferred to the trustee, and to waive certain defaults. The Indentures provide that in case an Event of Default shall occur and be continuing, the trustee shall exercise such of its rights and powers under the Indentures, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. Subject to such provisions, the trustee will be under no obligation to exercise any of its rights or powers under the Indentures at the request of any of the holders of debt securities of a particular series unless they shall have offered to the trustee security or indemnity reasonably satisfactory to the trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request.

Discharge, Defeasance and Covenant Defeasance

If indicated in the applicable prospectus supplement, we may discharge or defease our obligations under each Indenture as set forth below.

We may discharge certain obligations to holders of any series of debt securities issued under either the Senior Indenture or the Subordinated Indenture which have not already been delivered to the trustee for cancellation and which have either become due and payable or are by their terms due and payable within one year (or scheduled for redemption within one year) by irrevocably depositing with the trustee funds or government obligations denominated in U.S. dollars or in the foreign currency in which debt securities of such series are payable in an amount sufficient, in the opinion of an independent firm of certified public accountants, to pay the entire indebtedness on debt securities of such series with respect to principal (and premium and additional amounts, if any) and interest to the date of such deposit (if debt securities of such series have become due and payable) or to the maturity thereof or the date of redemption of debt securities of such series, as the case may be.

If indicated in the applicable prospectus supplement, we may elect either (i) to defease and be discharged from any and all obligations with respect to the debt securities of or within any series (except for, among other things, the obligation to pay additional amounts, if any, upon the occurrence of certain events of taxation, assessment or governmental charge with respect to payments on debt securities of such series and other obligations to register the transfer or exchange of debt securities of such series, to replace temporary or mutilated, destroyed, lost or stolen debt securities, to maintain an office or agency with respect to the debt securities and to hold moneys for payment in trust) (“defeasance”) or (ii) to be released from our obligations with respect to certain covenants applicable to the debt securities of or within any series of debt securities and any omission to comply with such obligations shall not constitute an Event of Default with respect to such series of debt securities (“covenant defeasance”), upon the deposit with the relevant Indenture trustee, in trust for such purpose, of money and/or government obligations which through the payment of principal and interest in accordance with their terms will provide money in an amount sufficient, without reinvestment, to pay the principal of (and premium, if any) or interest on such debt securities to maturity. As a condition to defeasance or covenant defeasance, we must deliver to the trustee an opinion of counsel to the effect that the holders of such debt securities will not recognize income, gain or loss for federal income tax purposes as a result of such defeasance or covenant defeasance and will be subject to federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such defeasance or covenant defeasance had not occurred. Such opinion of counsel, in the case of defeasance under clause (i) above, must refer to and be based upon a ruling of the Internal Revenue Service or a change in applicable federal income tax law occurring after the date of the relevant Indenture. In addition, in the case of either defeasance or covenant defeasance, we must deliver to the trustee (i) an opinion of counsel stating that the money and government obligations or other property deposited with the trustee to be held in trust will not be subject to any case or proceeding under any Federal or State bankruptcy, insolvency, reorganization or other similar law, or any decree or order for relief, and (ii) an officers’ certificate and an opinion of counsel, each stating that all conditions precedent with respect to such defeasance or covenant defeasance have been complied with.

We may exercise our defeasance option with respect to such debt securities notwithstanding our prior exercise of our covenant defeasance option.

Modification and Waiver

Modification and amendment of the Indentures may be made by us and the trustee with the consent of the holders of not less than a majority in aggregate principal amount of the outstanding debt securities of each series affected thereby; provided, however, that no such modification or amendment may, without the consent of the holder of each outstanding debt security affected thereby:

- change the stated maturity of the principal of, or any premium or installment of interest on, or any additional amounts with respect to, debt securities of any series,

[Table of Contents](#)

- reduce the principal amount of, or the rate (or modify the calculation of such rate) of interest on, or any additional amounts with respect to, or any premium payable upon the redemption of, debt securities of any series,
- change our obligation to pay additional amounts with respect to debt securities of any series or reduce the amount of the principal of an original issue discount debt securities that would be due and payable upon a declaration of acceleration of the maturity thereof or the amount thereof provable in bankruptcy,
- change the redemption provisions of debt securities of any series or adversely affect the right of repayment at the option of any holder of debt securities of any series,
- change the place of payment or the coin or currency in which the principal of, any premium or interest on or any additional amounts with respect to debt securities of any series is payable,
- impair the right to institute suit for the enforcement of any payment on or after the stated maturity of debt securities of any series,
- reduce the percentage in principal amount of an outstanding series of debt securities, the consent of whose holders is required in order to take certain actions,
- reduce the requirements for quorum or voting by holders of a particular series of debt securities in Section 15.4 of the Indentures,
- modify any of the provisions in the Indentures regarding the waiver of past defaults and the waiver of certain covenants by the holders of a particular series of debt securities except to increase any percentage vote required or to provide that certain other provisions of the Indentures cannot be modified or waived without the consent of the holder of each debt security of such series affected thereby,
- make any change that adversely affects the right to convert or exchange any series of debt security into or for our common stock or other securities in accordance with its terms, or
- modify any of the above provisions.

The holders of at least a majority in aggregate principal amount of the debt securities of any series may, on behalf of the holders of all debt securities of such series, waive our compliance with certain restrictive provisions of the applicable Indenture. The holders of not less than a majority in aggregate principal amount of the outstanding debt securities of any series may, on behalf of the holders of all debt securities of such series, waive any past default and its consequences under the Indenture with respect to the debt securities of such series, except a default:

- in the payment of principal of (or premium, if any), any interest on or any additional amounts with respect to debt securities of such series; or
- in respect of a covenant or provision of the Indenture that cannot be modified or amended without the consent of the holder of each debt security of any series.

Under the Indentures, we are required to furnish the trustee annually a statement as to performance by us of certain of our obligations under the Indentures and as to any default in such performance. We are also required to deliver to the trustee, within five days after occurrence thereof, written notice of any Event of Default or any event which after notice or lapse of time or both would constitute an Event of Default.

Payment and Paying Agents

Unless otherwise indicated in the applicable prospectus supplement, payment of interest on a debt security on any interest payment date will be made to the person in whose name a debt security is registered at the close of business on the record date for the interest.

[Table of Contents](#)

Unless otherwise indicated in the applicable prospectus supplement, principal, interest and premium on the debt securities of a particular series will be payable at the office of such paying agent or paying agents as we may designate for such purpose from time to time. Notwithstanding the foregoing, at our option, payment of any interest may be made by check mailed to the address of the person entitled thereto as such address appears in the security register.

Unless otherwise indicated in the applicable prospectus supplement, a paying agent designated by us and located in the Borough of Manhattan, The City of New York will act as paying agent for payments with respect to debt securities of each series. All paying agents initially designated by us for the debt securities of a particular series will be named in the applicable prospectus supplement. We may at any time designate additional paying agents or rescind the designation of any paying agent or approve a change in the office through which any paying agent acts, except that we will be required to maintain a paying agent in each place of payment for the debt securities of a particular series.

All moneys paid by us to a paying agent for the payment of the principal, interest or premium on any debt security which remain unclaimed at the end of two years after such principal, interest or premium has become due and payable will be repaid to us upon written request, and the holder of such debt security thereafter may look only to us for payment thereof.

Denominations, Registrations and Transfer

Unless an accompanying prospectus supplement states otherwise, debt securities will be represented by one or more global certificates registered in the name of a nominee for The Depository Trust Company ("DTC"). In such case, each investor's beneficial interest in the global securities will be shown on the records of DTC and transfers of beneficial interests will only be effected through DTC's records.

A holder of a beneficial interest in a global security may only exchange such interest for certificated securities registered in such holder's name if:

- DTC notifies us that it is unwilling or unable to continue serving as the depository for the relevant global securities or DTC ceases to maintain certain qualifications under the Exchange Act and no successor depository has been appointed for 90 days; or
- We determine, in our sole discretion, that the global security shall be exchangeable.

If debt securities cease to be represented by global certificates, they will only be issued in the minimum denomination specified in the accompanying prospectus supplement and integral multiples of such denomination. Transfers and exchanges of such debt securities will only be permitted in such minimum denomination. Transfers of debt securities in certificated form may be registered at the trustee's corporate trust office or at the offices of any paying agent or trustee appointed by us under the Indentures. Exchanges of debt securities for an equal aggregate principal amount of debt securities in different denominations may also be made at such locations.

Benefits of Indentures

Nothing in the Indentures will confer upon or give any person other than us, the trustee, our and its successors, and the person or persons in whose names the debt securities of a particular series are registered in the security register for the debt securities of such series, any benefit, right, remedy or claim under the Indentures.

Governing Law

The Indentures and debt securities will be governed by, and construed in accordance with, the internal laws of the State of New York, without regard to its principles of conflicts of laws (other than Section 5-1401 of the General Obligations Law of the State of New York).

[Table of Contents](#)

Regarding the Trustee

The Senior Indenture Trustee is The Bank of New York Mellon Trust Company, N.A., as successor trustee to JP Morgan Chase Bank N.A., and the Subordinated Indenture Trustee is HSBC Bank USA, National Association. The Trustees are permitted to engage in other transactions with us and our subsidiaries from time to time, provided that if the trustees acquire any conflicting interest they must eliminate such conflict upon the occurrence of an Event of Default, or else resign.

Conversion or Exchange Rights

The prospectus supplement will describe the terms, if any, on which a series of debt securities may be convertible into or exchangeable for our common stock, preferred stock, other debt securities or other securities or property. These terms will include provisions as to whether conversion or exchange is mandatory, at the option of the holder or at our option. These provisions may allow or require the number of shares of our common stock or other securities to be received by the holders of such series of debt securities to be adjusted.

DESCRIPTION OF GUARANTEES OF OUR DEBT SECURITIES

Each prospectus supplement will describe any guarantees of debt securities for the benefit of the series of debt securities to which it relates. If so provided in a prospectus supplement, the debt securities will be guaranteed, jointly and severally, by each of the guarantors named in such prospectus supplement on a senior unsecured basis. The obligations of a guarantor under its guarantee will be limited to the extent necessary to prevent the obligations of such guarantor from constituting a fraudulent conveyance or fraudulent transfer under federal or state law.

DESCRIPTION OF CAPITAL STOCK

General

The following summary description of our capital stock is based on the provisions of the Connecticut Business Corporation Act (the “CBCA”), our restated certificate of incorporation, as amended, and our bylaws, as amended. This description does not purport to be complete and is qualified in its entirety by reference to the full text of the CBCA, as it may be amended from time to time, and to the terms of the restated certificate of incorporation and bylaws which are included as exhibits to the registration statement of which this prospectus is a part. See “Where You Can Find More Information.” As used in this “Description of Capital Stock,” the terms “Stanley Black & Decker, Inc.,” “we,” “our” and “us” refer to Stanley Black & Decker, Inc., a Connecticut corporation, and do not, unless otherwise specified, include the subsidiaries of this Connecticut corporation.

Our authorized capital stock consists of 300,000,000 shares of common stock, par value \$2.50 per share, and 10,000,000 shares of preferred stock, without par value. The number of authorized shares of any class may be increased or decreased by an amendment to our restated certificate of incorporation proposed by our board of directors and approved by a majority of voting shares voted on the issue at a meeting at which a quorum exists.

Common Stock

Each shareholder of record of our common stock is entitled to one vote for each share held on every matter properly submitted to the shareholders for their vote. Holders of our common stock do not have cumulative voting rights. After satisfaction of the dividend rights of holders of preferred stock, holders of common stock are entitled ratably to any dividend declared by the board of directors out of funds legally available for this purpose.

Upon our liquidation, dissolution or winding up, the holders of our common stock are entitled to receive ratably our net assets available, if any, after the payment of all debts and other liabilities and subject to the prior rights of any outstanding preferred stock.

Holders of our common stock have no redemption or conversion rights, no sinking fund provisions and no preemptive right to subscribe for or purchase additional shares of any class of our capital stock.

The outstanding shares of our common stock are fully paid and nonassessable, and any shares of common stock issued in an offering pursuant to this prospectus and any shares of common stock issuable upon the exercise of common stock warrants or conversion or exchange of debt securities which are convertible into or exchangeable for our common stock, or in connection with the obligations of a holder of stock purchase contracts to purchase our common stock, when issued in accordance with their terms will be fully paid and nonassessable. The rights, preferences and privileges of holders of common stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of preferred stock that we may designate and issue in the future.

Preferred Stock

This section describes the general terms and provisions of preferred stock that we are authorized to issue. The applicable prospectus supplement will describe the specific terms of the shares of preferred stock offered through that prospectus supplement, as well as any general terms described in this section that will not apply to those shares of preferred stock. We will file a copy of the certificate of amendment to our certificate of incorporation that contains the terms of each new series of preferred stock with the Secretary of the State of Connecticut and with the SEC each time we issue a new series of preferred stock. Each such certificate of amendment will establish the number of shares included in a designated series and fix the designation, powers, privileges, preferences and rights of the shares of each series as well as any applicable qualifications, limitations or restrictions. You should refer to the applicable certificate of amendment as well as our certificate of incorporation before deciding to buy shares of our preferred stock as described in the applicable prospectus supplement.

[Table of Contents](#)

Our board of directors has been authorized to provide for the issuance of up to 10,000,000 shares of our preferred stock in multiple series without the approval of shareholders. With respect to each series of our preferred stock, our board of directors has the authority to fix the following terms:

- the designation of the series;
- the number of shares within the series;
- whether dividends are cumulative and, if cumulative, the dates from which dividends are cumulative;
- the rate of any dividends, any conditions upon which dividends are payable, and the dates of payment of dividends;
- whether the shares are redeemable, the redemption price and the terms of redemption;
- the amount payable for each share if we dissolve or liquidate;
- whether the shares are convertible or exchangeable, the price or rate of conversion or exchange, and the applicable terms and conditions;
- any restrictions on issuance of shares in the same series or any other series;
- voting rights applicable to the series of preferred stock; and
- any other rights, priorities, preferences, restrictions or limitations of such series.

The right of a holder of preferred stock to receive payment in respect thereof upon any liquidation, dissolution or winding up of us will be subordinate to the rights of our general creditors. Shares of our preferred stock that we issue in accordance with their terms will be fully paid and nonassessable, and will not be entitled to preemptive rights unless specified in the applicable prospectus supplement.

Our ability to issue preferred stock, or rights to purchase such shares, could discourage an unsolicited acquisition proposal. For example, we could impede a business combination by issuing a series of preferred stock containing class voting rights that would enable the holders of such preferred stock to block a business combination transaction. Alternatively, we could facilitate a business combination transaction by issuing a series of preferred stock having sufficient voting rights to provide a required percentage vote of the shareholders. Additionally, under certain circumstances, our issuance of preferred stock could adversely affect the voting power of the holders of our common stock. Although our board of directors is required to make any determination to issue any preferred stock based on its judgment as to the best interests of our shareholders, our board of directors could act in a manner that would discourage an acquisition attempt or other transaction that some, or a majority, of our shareholders might believe to be in their best interests or in which shareholders might receive a premium for their stock over prevailing market prices of such stock. Our board of directors does not at present intend to seek shareholder approval prior to any issuance of currently authorized stock, unless otherwise required by law or applicable stock exchange requirements.

Anti-Takeover Effects of Provisions of the Certificate of Incorporation, Bylaws and Other Agreements

The rights of our shareholders and related matters are governed by the CBCA, the certificate of incorporation, the bylaws and the Rights Agreement, dated January 19, 2006, which is referred to herein as the Rights Agreement. Provisions of the CBCA, the certificate of incorporation, the bylaws and the Rights Agreement, which are summarized below, may discourage or make more difficult a takeover attempt that shareholders might consider in their best interest. These provisions may also adversely affect prevailing market prices for our common stock.

Board of Directors

The certificate of incorporation provides that the board of directors will be classified with approximately one-third elected each year. The number of directors will be fixed by the board of directors from time to time.

[Table of Contents](#)

The directors elected by the holders of common stock are divided into three classes, designated class I, class II and class III. Each class consists, as nearly as may be possible, of one-third of the total number of such directors. At each annual meeting of shareholders, successors to the class of directors whose term expires at that annual meeting will be elected for a three-year term. In addition, if the number of directors is changed, any increase or decrease will be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as possible, and any additional director of any class elected to fill a vacancy resulting from an increase in such class will hold office for a term that will coincide with the remaining term of that class, but in no case will a decrease in the number of directors shorten the term of any incumbent director. Any vacancy on the board of directors may be filled by the shareholders or by the board of directors, whether such vacancy occurs as a result of an increase in the number of directors or otherwise. The certificate of incorporation also provides that directors elected by the holders of common stock may be removed only for cause by the affirmative vote of at least a majority of the votes entitled to be cast thereon.

Shareholder Action by Written Consent; Special Meetings

Under the CBCA our shareholders may take action by written unanimous consent of holders of all of our shares in lieu of an annual or special meeting. Otherwise, shareholders will only be able to take action at an annual or special meeting called in accordance with the bylaws.

The bylaws provide that special meetings of shareholders may only be called by:

- the chairman of the board;
- the president;
- the secretary; or
- the chairman of the board, the president or the secretary upon the written request of the holders of not less than thirty-five percent (35%) of our outstanding voting stock.

In addition, the CBCA provides that a corporation with a class of voting stock registered under the Exchange Act shall hold a special meeting of shareholders if the holders of thirty-five percent (35%) of the votes entitled to be cast on any issue proposed to be considered demand such a meeting.

Advance Notice Requirements for Director Nominations and Other Proposals

Director Nominations. The bylaws contain advance notice procedures with regard to shareholder proposals related to the nomination of candidates for election as directors. These procedures provide that notice of shareholder proposals related to shareholder nominations for the election of directors must be received at our executive offices at least 90 days, but no more than 120 days before the first anniversary of the date on which the proxy statement for the preceding annual meeting was mailed; provided, however, that in the event the annual meeting is not within 30 days before or after such anniversary date, notice by the shareholder must be received not later than the close of business 10 days after the day on which notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting was made, whichever occurs first. Our bylaws require that all directors be shareholders of record.

A shareholder's notice to our corporate secretary must be in proper written form and must set forth certain information including:

- the name, and record addresses of the nominating shareholder, and any other person on whose behalf the nomination is being made, and the nominee;
- the class or series and number of shares of our capital stock which are beneficially or of record owned by the nominating shareholder or such other person;
- a description of all arrangements or understandings between the nominating shareholder or such other person and any nominee(s) in connection with the nomination;

[Table of Contents](#)

- any other information relating to the nominee that would be required to be disclosed in a proxy statement or other solicitations of proxies for election of directors or as otherwise required to be disclosed pursuant to the Exchange Act had the nominee been nominated by the board of directors;
- a consent of the nominee to be named in the proxy statement and to serve if elected; and
- a representation that the nominating shareholder intends to appear in person or by proxy at the meeting to make such nomination.

Other Proposals. In addition to the procedures for nominating directors, the bylaws also contain notice procedures for other shareholder proposals to be brought before an annual meeting. To be timely, we must receive shareholder proposals at least 90 days, but no more than 120 days before the first anniversary of the date on which the proxy statement for the preceding annual meeting was mailed; provided, however, that in the event the annual meeting is not within 30 days before or after such anniversary date, notice by the shareholder must be received not later than the close of business 10 days after the day on which notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting was made, whichever occurs first.

A shareholder's notice to our corporate secretary must be in proper written form and must set forth, as to each matter that shareholder proposes to bring before the meeting:

- a brief description of the business desired to be brought before the meeting and the reasons for conducting that business at the meeting;
- the complete text of any resolutions to be presented;
- the name and record address of that shareholder and any other person on whose behalf the proposal is made;
- the class and series and number of shares of each class and series of our capital stock which are owned beneficially or of record by that shareholder;
- a description of all arrangements or understandings between that shareholder and any such other person in connection with the proposal of that business and any material interest of that shareholder or such other person in that business; and
- a representation that the shareholder intends to appear in person or by proxy at the meeting to bring that business before the meeting.

Rights Agreement

On January 19, 2006, our board of directors declared a dividend distribution of one right for each share of our common stock outstanding on the close of business on March 10, 2006 and authorized the issuance of one right (as such number may be adjusted from time to time in accordance with the terms of the Rights Agreement) per share of our common stock issued between March 10, 2006 and the distribution date. Each outstanding share of common stock currently has one half of a share purchase right. Each purchase right may be exercised to purchase one two-hundredth of a share of Series A Junior Participating Preferred Stock at an exercise price of \$220.00, subject to adjustment. The rights, which do not have voting rights, expire on March 10, 2016, and may be redeemed by us at a price of \$0.01 per right at any time prior to the earlier of the rights' expiration date or the close of business on the tenth day following the public announcement that a person has acquired beneficial ownership of 15% or more of the outstanding shares of common stock.

In the event that we are acquired in a merger or other business combination transaction, provision shall be made so that each holder of a right (other than a holder who is a 10%-or-more shareholder) shall have the right to receive, upon exercise thereof, that number of shares of common stock of the surviving company having a market value equal to two times the exercise price of the right. Similarly, if anyone becomes the beneficial owner of more than 10% of the then outstanding shares of common stock (except pursuant to an offer for all outstanding

[Table of Contents](#)

shares of common stock which the independent directors have deemed to be fair and in our best interest), provision will be made so that each holder of a right (other than a holder who is a 10%-or-more shareholder) shall thereafter have the right to receive, upon exercise thereof, common stock (or, in certain circumstances, cash, property or our other securities) having a market value equal to two times the exercise price of the right.

Antitakeover Legislation

We are subject to the provisions of Section 33-844 of the CBCA which prohibits a Connecticut corporation from engaging in a “business combination” with an “interested shareholder” for a period of five years after the date of the transaction in which the person became an interested shareholder, unless the business combination or the purchase of stock by which such person becomes an interested shareholder is approved by our board of directors, and by a majority of our non-employee directors, prior to the date on which the person becomes an interested shareholder. A “business combination” generally includes mergers, asset sales, some types of stock issuances and other transactions with, or resulting in a disproportionate financial benefit to, the interested shareholder. Subject to exceptions, an “interested shareholder” is a person who owns 10% or more of our voting power, or is an affiliate or associate of Stanley Black & Decker, Inc. and owned 10% or more of our voting power within the past five years.

Under our certificate of incorporation, the affirmative vote by the holders of 80% of our outstanding voting stock is required for the approval or authorization of any business combination involving an interested shareholder. This voting requirement does not apply if:

- 2/3 of our disinterested directors expressly approve the proposed business combination; or
- The following conditions are satisfied:
 - The cash and fair market value of other consideration received on a per share basis by each shareholder is no less than the highest share price (or the equivalent value) paid by the interested shareholder in acquiring our capital stock; and
 - A proxy statement is mailed to all shareholders of the corporation for the purpose of soliciting shareholder approval of the business combination.

This 80% vote is required even if no vote or a lesser percentage is required by any applicable laws. Additionally, the affirmative vote of the holders of not less than 80% of our outstanding shares of capital stock is required to modify this section of our certificate of incorporation.

Notwithstanding the 80% vote required by our certificate of incorporation, we are also subject to Section 33-841 and Section 33-842 of the CBCA. These provisions generally require business combinations with an interested shareholder to be approved by the board of directors and then by the affirmative vote of at least:

- the holders of 80% of the voting power of the outstanding shares of our voting stock; and
- the holders of 2/3 of the voting power of the outstanding shares of our voting stock, excluding the voting stock held by the interested shareholder;

unless the consideration to be received by the shareholders meets certain price and other requirements set forth in Section 33-842 of the CBCA or unless the board of directors of the corporation has by resolution determined to exempt business combinations with that interested shareholder prior to the time that such shareholder became an interested shareholder.

We are also subject to Section 33-756(d) of the CBCA, generally requiring directors acting with respect to mergers, sales of assets and other specified transactions to consider, in determining what they reasonably believe to be in the best interests of the corporation, specified interests, including those of the corporation’s employees, customers, creditors and suppliers and any community in which any office or other facility of the corporation is located.

Limitation of Liability of Directors

The certificate of incorporation contains provisions permitted under the CBCA relating to the personal liability of directors. The provisions limit the personal liability to us or our shareholders of a director for monetary damages for breach of duty as a director to an amount that is not more than the compensation received by that director for serving us during the year of the violation. Our bylaws provide for the indemnification and reimbursement of, and advances of expenses to, any person that is made a party to an action by reason of the fact that he or she:

- is or was our director, officer, employee or agent, or
- served at our request as a director, officer, employee or agent of another corporation.

Our bylaws provide for indemnification of directors and officers to the fullest extent permitted by Connecticut law.

DESCRIPTION OF WARRANTS

This section describes the general terms and provisions of our warrants to acquire our securities that we may issue from time to time. The applicable prospectus supplement will describe the terms of any warrant agreements and the warrants issuable thereunder. If any particular terms of the warrants described in the prospectus supplement differ from any of the terms described herein, then the terms described herein will be deemed superseded by that prospectus supplement.

We may issue warrants for the purchase of our debt securities, common stock, preferred stock, depository shares or securities of third parties or other rights, including rights to receive payment in cash or securities based on the value, rate or price of one or more specified commodities, currencies, securities or indices, or any combination of the foregoing. We may issue warrants independently or together with other securities, and they may be attached to or separate from the other securities. Each series of warrants will be issued under a separate warrant agreement that we will enter into with a bank or trust company, as warrant agent, as detailed in the applicable prospectus supplement. The warrant agent will act solely as our agent in connection with the warrants and will not assume any obligation, or agency or trust relationship, with you. We will file a copy of the warrant and warrant agreement with the SEC each time we issue a series of warrants, and these warrants and warrant agreements will be incorporated by reference into the registration statement of which this prospectus is a part. A holder of our warrants should refer to the provisions of the applicable warrant agreement and prospectus supplement for more specific information.

The prospectus supplement relating to a particular issue of warrants will describe the terms of those warrants, including, when applicable:

- the offering price;
- the currency or currencies, including composite currencies, in which the purchase price and/or exercise price of the warrants may be payable;
- the number of warrants offered;
- the securities underlying the warrants, including the securities of third parties or other rights, if any, to receive payment in cash or securities based on the value, rate or price of one or more specified commodities, currencies, securities or indices, or any combination of the foregoing, purchasable upon exercise of the warrants;
- the exercise price and the amount of securities you will receive upon exercise;
- the procedure for exercise of the warrants and the circumstances, if any, that will cause the warrants to be automatically exercised;
- the rights, if any, we have to redeem the warrants;
- the date on which the right to exercise the warrants will commence and the date on which the warrants will expire;
- the designation and terms of the securities with which the warrants are issued and the number of warrants issued with each such security;
- the date on and after which the warrants and the related securities will be separately transferable;
- material U.S. federal income tax consequences;
- the name of the warrant agent; and
- any other material terms of the warrants.

After warrants expire they will become void. All warrants will be issued in registered form. The prospectus supplement may provide for the adjustment of the exercise price of the warrants.

[Table of Contents](#)

Warrants may be exercised at the appropriate office of the warrant agent or any other office indicated in the applicable prospectus supplement. Before the exercise of warrants, holders will not have any of the rights of holders of the securities purchasable upon exercise and will not be entitled to payments made to holders of those securities.

The applicable warrant agreement may be amended or supplemented without the consent of the holders of the warrants to which it applies to effect changes that are not inconsistent with the provisions of the warrants and that do not materially and adversely affect the interests of the holders of the warrants. However, any amendment that materially and adversely alters the rights of the holders of warrants will not be effective unless the holders of at least a majority of the applicable warrants then outstanding approve the amendment. Every holder of an outstanding warrant at the time any amendment becomes effective, by continuing to hold the warrant, will be bound by the applicable warrant agreement as amended. The prospectus supplement applicable to a particular series of warrants may provide that certain provisions of the warrants, including the securities for which they may be exercisable, the exercise price and the expiration date, may not be altered without the consent of the holder of each warrant affected thereby.

DESCRIPTION OF DEPOSITARY SHARES

General

We may offer fractional shares of preferred stock, rather than full shares of preferred stock. If we do so, we may issue receipts for depositary shares that each represent a fraction of a share of a particular series of preferred stock. The prospectus supplement will indicate that fraction. The shares of preferred stock represented by depositary shares will be deposited under a depositary agreement between us and a bank or trust company that meets certain requirements and is selected by us (the “Bank Depositary”). Each owner of a depositary share will be entitled to all the rights and preferences of the preferred stock represented by the depositary share. The depositary shares will be evidenced by depositary receipts issued pursuant to the depositary agreement. Depositary receipts will be distributed to those persons purchasing the fractional shares of preferred stock in accordance with the terms of the offering.

We have summarized some common provisions of a depositary agreement and the related depositary receipts. The forms of the depositary agreement and the depositary receipts relating to any particular issue of depositary shares will be filed with the SEC each time we issue depositary shares, and you should read those documents for provisions that may be important to you. If any particular terms of the depositary agreements and the related depositary receipts described in the prospectus supplement differ from any of the terms described herein, then the terms described herein will be deemed superseded by that prospectus supplement.

Dividends and Other Distributions

If we pay a cash distribution or dividend on a series of preferred stock represented by depositary shares, the Bank Depositary will distribute such dividends to the record holders of such depositary shares. If the distributions are in property other than cash, the Bank Depositary will distribute the property to the record holders of the depositary shares. However, if the Bank Depositary determines that it is not feasible to make the distribution of property, the Bank Depositary may, with our approval, sell such property and distribute the net proceeds from such sale to the record holders of the depositary shares.

Redemption of Depositary Shares

If we redeem a series of preferred stock represented by depositary shares, the Bank Depositary will redeem the depositary shares from the proceeds received by the Bank Depositary in connection with the redemption. The redemption price per depositary share will equal the applicable fraction of the redemption price per share of the preferred stock. If fewer than all the depositary shares are redeemed, the depositary shares to be redeemed will be selected by lot or pro rata as the Bank Depositary may determine.

Voting the Preferred Stock

Upon receipt of notice of any meeting at which the holders of the preferred stock represented by depositary shares are entitled to vote, the Bank Depositary will mail the notice to the record holders of the depositary shares relating to such preferred stock. Each record holder of these depositary shares on the record date, which will be the same date as the record date for the preferred stock, may instruct the Bank Depositary as to how to vote the preferred stock represented by such holder’s depositary shares. The Bank Depositary will endeavor, insofar as practicable, to vote the amount of the preferred stock represented by such depositary shares in accordance with such instructions, and we will take all action that the Bank Depositary deems necessary in order to enable the Bank Depositary to do so. The Bank Depositary will abstain from voting shares of the preferred stock to the extent it does not receive specific instructions from the holders of depositary shares representing such preferred stock.

Amendment and Termination of the Depositary Agreement

The form of depositary receipt evidencing the depositary shares and any provision of the depositary agreement may be amended by agreement between the Bank Depositary and us. However, any amendment that materially and adversely alters the rights of the holders of depositary shares will not be effective unless such amendment has been approved by the holders of at least a majority of the depositary shares then outstanding. The depositary agreement may be terminated by the Bank Depositary or us only if (1) all outstanding depositary shares have been redeemed or (2) there has been a final distribution in respect of the preferred stock in connection with any liquidation, dissolution or winding up of our company and such distribution has been distributed to the holders of depositary receipts.

Charges of Bank Depositary

We will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. We will pay charges of the Bank Depositary in connection with the initial deposit of the preferred stock and any redemption of the preferred stock. Holders of depositary receipts will pay other transfer and other taxes and governmental charges and any other charges, including a fee for the withdrawal of shares of preferred stock upon surrender of depositary receipts, as are expressly provided in the depositary agreement to be for their accounts.

Withdrawal of Preferred Stock

Except as may be provided otherwise in the applicable prospectus supplement, upon surrender of depositary receipts at the principal office of the Bank Depositary, subject to the terms of the depositary agreement, the owner of the depositary shares may demand delivery of the number of whole shares of preferred stock and all money and other property, if any, represented by those depositary shares. Partial shares of preferred stock will not be issued. If the depositary receipts delivered by the holder evidence a number of depositary shares in excess of the number of depositary shares representing the number of whole shares of preferred stock to be withdrawn, the Bank Depositary will deliver to such holder at the same time a new depositary receipt evidencing the excess number of depositary shares. Holders of preferred stock thus withdrawn may not thereafter deposit those shares under the depositary agreement or receive depositary receipts evidencing depositary shares therefor.

Miscellaneous

The Bank Depositary will forward to holders of depositary receipts all reports and communications from us that are delivered to the Bank Depositary and that we are required to furnish to the holders of the preferred stock.

Neither the Bank Depositary nor we will be liable if we are prevented or delayed by law or any circumstance beyond our control in performing our obligations under the depositary agreement. The obligations of the Bank Depositary and us under the depositary agreement will be limited to performance in good faith of our duties thereunder, and we will not be obligated to prosecute or defend any legal proceeding in respect of any depositary shares or preferred stock unless satisfactory indemnity is furnished. We may rely upon written advice of counsel or accountants, or upon information provided by persons presenting preferred stock for deposit, holders of depositary receipts or other persons believed to be competent and on documents believed to be genuine.

Resignation and Removal of Bank Depositary

The Bank Depositary may resign at any time by delivering to us notice of its election to do so, and we may at any time remove the Bank Depositary. Any such resignation or removal will take effect upon the appointment of a successor Bank Depositary and its acceptance of such appointment. The successor Bank Depositary must be appointed within 60 days after delivery of the notice of resignation or removal and must be a bank or trust company meeting the requirements of the depositary agreement.

DESCRIPTION OF STOCK PURCHASE CONTRACTS AND STOCK PURCHASE UNITS

We may issue stock purchase contracts, including contracts obligating holders to purchase from or sell to us, and obligating us to sell to or purchase from the holders, a specified number of shares of common stock or other securities at a future date or dates, which we refer to in this prospectus as stock purchase contracts. The price per share of the securities and the number of shares of the securities may be fixed at the time the stock purchase contracts are issued or may be determined by reference to a specific formula set forth in the stock purchase contracts, and may be subject to adjustment under anti-dilution formulas. The stock purchase contracts may be issued separately or as part of units consisting of a stock purchase contract and debt securities, preferred securities or debt obligations of third parties, including U.S. treasury securities, any other securities described in the applicable prospectus supplement or any combination of the foregoing, securing the holders' obligations to purchase the securities under the stock purchase contracts, which we refer to herein as stock purchase units. The stock purchase contracts may require holders to secure their obligations under the stock purchase contracts in a specified manner. The stock purchase contracts also may require us to make periodic payments to the holders of the stock purchase contracts or the stock purchase units, as the case may be, or vice versa, and those payments may be unsecured or pre-funded in whole or in part.

The applicable prospectus supplement will describe the terms of the stock purchase contracts or stock purchase units. This description is not complete and the description in the prospectus supplement will not necessarily be complete, and reference is made to the stock purchase contracts, and, if applicable, collateral or depositary arrangements relating to the stock purchase contracts or stock purchase units, which will be filed with the SEC each time we issue stock purchase contracts or stock purchase units. If any particular terms of the stock purchase contracts or stock purchase units described in the prospectus supplement differ from any of the terms described herein, then the terms described herein will be deemed superseded by that prospectus supplement. Material United States federal income tax considerations applicable to the stock purchase units and the stock purchase contracts will also be discussed in the applicable prospectus supplement.

PLAN OF DISTRIBUTION

We may sell the securities being offered hereby in one or more of the following ways from time to time:

- to underwriters for resale to purchasers;
- directly to purchasers; or
- through agents or dealers to purchasers.

In addition, Stanley Black & Decker, Inc. may enter into derivative or hedging transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. In connection with such a transaction, the third parties may sell securities covered by and pursuant to this prospectus and an applicable prospectus supplement. If so, the third party may use securities borrowed from us or others to settle such sales and may use securities received from us to close out any related short positions. We may also loan or pledge securities covered by this prospectus and an applicable prospectus supplement to third parties, who may sell the loaned securities or, in an event of default in the case of a pledge, sell the pledged securities pursuant to this prospectus and the applicable prospectus supplement.

We will identify the specific plan of distribution, including any underwriters, dealers, agents or direct purchasers and their compensation in a prospectus supplement.

Item 15. Indemnification of Directors and Officers.

Connecticut

Connecticut Business Corporations Act

Sections 33-770 through 33-776 of the Connecticut Business Corporation Act (the "CBCA") provide that a corporation in Stanley Black & Decker, Inc.'s circumstances may indemnify a director or officer against judgments, fines, penalties, amounts paid in settlement and reasonable expenses actually incurred by him, including attorneys' fees, for actions brought against him in his capacity as a director or officer, when it is determined by certain disinterested parties that he acted in good faith in a manner he reasonably believed to be in the corporation's best interest (or in the case of conduct not in his official capacity, at least not opposed to the best interests of the corporation). In any criminal action or proceeding, it also must be determined that the director or officer had no reasonable cause to believe that his conduct was unlawful. The director or officer must be indemnified when he is wholly successful on the merits or otherwise in the defense of a proceeding or in circumstances where a court determines that he is entitled to indemnification or that it is fair and reasonable that the director or officer be indemnified. In connection with shareholder derivative suits, the director or officer may not be indemnified except for reasonable expenses incurred in connection with the proceeding (and then only if it is determined that he met the relevant standard of conduct described above), subject, however, to courts' power under Section 33-774 to order indemnification. Unless ordered by a court under Section 33-774, a corporation may not indemnify a director with respect to conduct for which he was adjudged liable on the basis that he received a financial benefit to which he was not entitled, whether or not he was acting in his official capacity.

Stanley Black & Decker, Inc.

The Stanley Black & Decker, Inc. Certificate of Incorporation provides that no director of Stanley Black & Decker, Inc. will be personally liable to Stanley Black & Decker, Inc. or any of its shareholders for monetary damages in an amount greater than the compensation received by that director for serving Stanley Black & Decker, Inc. during the year of the violation to the extent permitted by applicable law, which permits such limitation provided that such violation must not involve a knowing and culpable violation of law, enable the director or an affiliate to receive an improper personal gain, show a lack of good faith and a conscious disregard for the director's duty to the corporation, amount to an abdication of the director's duty to the corporation, or

create liability for an unlawful distribution. See “Description of Capital Stock—Limitation of Liability of Directors” in the prospectus.

Our bylaws also provide for the indemnification of directors and officers to the extent permitted by applicable law.

Stanley Black & Decker, Inc. has purchased insurance providing officers and directors of Stanley Black & Decker, Inc. (and their heirs and other legal representatives) coverage against certain liabilities arising from any negligent act, error, omission or breach of duty claimed against them solely by reason of their being such officers and directors, and providing coverage for Stanley Black & Decker, Inc. against its obligation to provide indemnification as required by the above-described statute.

Maryland

Maryland General Corporation Law

The Maryland General Corporation Law (the “MGCL”) authorizes Maryland corporations to limit the liability of directors and officers to the corporation and its stockholders for money damages except (i) to the extent that it is proved that the person actually received an improper benefit or profit in money, property or services, for the amount of the benefit or profit actually received, (ii) to the extent that a judgment or other final adjudication adverse to the person is entered in a proceeding based on a finding in the proceeding that the person’s action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding or (iii) in respect of certain other actions not applicable to the corporation.

The MGCL also authorizes Maryland corporations to indemnify present and past directors and officers of the corporation or of another corporation for which they serve at the request of the corporation against judgments, penalties, fines, settlements and reasonable expenses (including attorneys’ fees) actually incurred in connection with any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation in respect of which the director or officer is adjudged to be liable to the corporation) in which they are made parties by reason of being or having been directors or officers, unless it is proved that (i) the act or omission of the director or officer was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, (ii) the director or officer actually received an improper personal benefit in money, property or services or (iii) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. The MGCL also provides that, unless limited by the corporation’s charter, a corporation shall indemnify present and past directors and officers of the corporation who are successful, on the merits or otherwise, in the defense of any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, against reasonable expenses (including attorneys’ fees) incurred in connection with the proceeding.

The Black & Decker Corporation

The charter of Black & Decker limits the liability of directors and officers to the fullest extent permitted by the MGCL and does not limit the extent of the indemnity provided in the MGCL. Black & Decker’s bylaws permit indemnification of directors and officers to the fullest extent permitted by the MGCL, and directors and officers of Black & Decker are covered by certain insurance policies maintained by Black & Decker.

Item 17. Undertakings.

Each undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i), (ii) and (iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this registration statement as of the date the filed prospectus was deemed part of and included in this registration statement; and

[Table of Contents](#)

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in this registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of this registration statement or made in a document incorporated or deemed incorporated by reference into this registration statement or prospectus that is part of this registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in this registration statement or prospectus that was part of this registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

Each undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Each undersigned registrant hereby undertakes to supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that

a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, each registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Each undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Act.

Each undersigned registrant hereby undertakes that for purposes of determining any liability under the Securities Act of 1933, (A) the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective and (B) each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Re: Stanley Black & Decker, Inc.
Registration Statement on Form S-3

Ladies and Gentlemen:

I am Corporate Counsel of Stanley Black & Decker, Inc., a Connecticut corporation (the "Company"). I refer to the Automatic Shelf Registration Statement on Form S-3 (the "Registration Statement"), to be filed on the date hereof by the Company with the Securities and Exchange Commission (the "Commission"). The Registration Statement relates to, among other things, the issuance and sale from time to time pursuant to Rule 415 of the General Rules and Regulations promulgated under the Securities Act of 1933, as amended (the "Act"), of the following securities: (i) shares of common stock, par value \$2.50 per share, of the Company (the "Common Stock"), (ii) shares of preferred stock, without par value, of the Company (the "Preferred Stock") to be issued in one or more series, which may also be issued in the form of depositary shares (the "Depositary Shares") evidenced by depositary receipts pursuant to one or more deposit agreements (each, a "Deposit Agreement") to be entered into between the Company and one or more depositaries to be named, (iii) debt securities representing unsecured obligations of the Company (the "Senior Debt Securities") to be issued pursuant to a senior indenture (the "Senior Indenture") between the Company and The Bank of New York Mellon Trust Company, N.A., as successor trustee (the "Senior Indenture Trustee") to JP Morgan Chase Bank N.A. and subordinated debt securities ("Subordinated Debt Securities" and, together with the

Senior Debt Securities, the “Debt Securities”) to be issued pursuant to a subordinated indenture (the “Subordinated Indenture” and, together with the Senior Indenture, the “Indentures”) between the Company and HSBC Bank USA, N.A. (the “Subordinated Indenture Trustee” and, together with the Senior Indenture Trustee, the “Trustees”), (iv) warrants representing the right to receive, upon exercise, Common Stock, Preferred Stock, Depositary Shares, Debt Securities or securities of third parties or other rights, including rights to receive payment in cash or securities based on the value, rate or price of one or more specified commodities, currencies, securities or indices, or any combination of the foregoing (collectively, the “Warrants”), which may be issued pursuant to one or more warrant agreements (each, a “Warrant Agreement”), proposed to be entered into with one or more warrant agents to be named, (v) stock purchase contracts obligating holders to purchase Common Stock, Preferred Stock or Depositary Shares at a future date or dates (the “Stock Purchase Contracts”), which may be issued pursuant to one or more purchase contract agreements, (vi) stock purchase units (the “Stock Purchase Units”), each consisting of a Stock Purchase Contract and either Debt Securities, Preferred Stock, Depositary Shares or debt obligations of third parties, including U.S. Treasury securities, securing a holder’s obligation to purchase Common Stock, Preferred Stock or Depositary Shares under the Stock Purchase Contracts, and (vii) such indeterminate number of shares of Common Stock, Preferred Stock, Debt Securities or Depositary Shares as may be issuable upon conversion, exchange, settlement or exercise of any Warrants, Debt Securities, Preferred Stock, Depositary Shares, Stock Purchase Contracts or Stock Purchase Units. The Common Stock, the Preferred Stock, the Debt Securities, the Stock Purchase Contracts, the Stock Purchase Units and the Warrants are collectively referred to herein as the “Offered Securities.”

This opinion is being delivered in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Act.

In connection with this opinion, I have examined originals or copies, certified or otherwise identified to my satisfaction, of (i) the Registration Statement; (ii) the Restated Certificate of Incorporation of the Company, as amended to date (the “Certificate of Incorporation”); (iii) the By-Laws of the Company, as currently in effect (the “By-Laws”); (iv) a certified copy of certain resolutions of the Board of Directors of the Company relating to the issuance and sale of the Offered Securities and related matters, (v) a specimen certificate evidencing the Common Stock, (vi) the Senior Indenture, (vii) the Statement of Eligibility of the Senior Indenture Trustee on Form T-1, (viii) the Subordinated Indenture, and (ix) the Statement of Eligibility of the Subordinated Indenture Trustee on Form T-1. I have also examined originals or copies, certified or otherwise identified to my satisfaction, of such other documents,

certificates and records as I have deemed necessary or appropriate as a basis for the opinions set forth herein.

In my examination, I have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as facsimile, electronic, certified or photostatic copies and the authenticity of the originals of such copies. In addition, I have assumed that the terms of the Offered Preferred Shares (as defined below) will have been established so as not to violate, conflict with or constitute a default under (i) any agreement or instrument to which the Company or its respective property is subject, (ii) any law, rule, or regulation to which the Company is subject, (iii) any judicial or administrative order or decree of any governmental authority or (iv) any consent, approval, license, authorization or validation of, or filing, recording or registration with any governmental authority. I have also assumed that (i) the stock certificates evidencing the Preferred Stock to be issued will be in a form that complies with, and the terms of such Preferred Stock will be duly established in accordance with, the Connecticut Business Corporation Act, as amended (the "CBCA"), and (ii) the stock certificate evidencing any Common Stock issued will conform to the specimen certificate which I examined and will be duly executed and delivered.

The opinions expressed herein are limited to the laws of the State of Connecticut and I do not express any opinion herein concerning any other law. The Senior Indenture and the Subordinated Indenture provide that they are governed by the laws of the State of New York. To the extent that the opinion expressed herein relates to matters governed by the laws of the State of New York, I have relied, with their permission, as to all matters of New York law, on the opinion of Skadden, Arps, Slate, Meagher & Flom LLP dated the date hereof, which is filed herewith as Exhibit 5.2 to the Registration Statement, and my opinion is subject to the exceptions, qualifications and assumptions contained in such opinion.

Based on and subject to the foregoing and to the other qualifications and limitations set forth herein, I am of the opinion that:

1. Except as otherwise discussed in paragraph 3 below, with respect to any shares of Common Stock to be offered by the Company pursuant to the Registration Statement (the "Offered Common Shares"), when (i) the Registration Statement, as finally amended (including all necessary post-effective amendments), has become effective under the Act; (ii) an appropriate prospectus supplement with respect to the shares of Offered Common Shares has been prepared, delivered and

filed in compliance with the Act and the applicable rules and regulations thereunder; (iii) the issuance and sale of the Offered Common Shares have been duly established by all necessary corporate action in conformity with the Certificate of Incorporation and the By-Laws; (iv) if the Offered Common Shares are to be sold pursuant to a firm commitment underwritten offering, the underwriting agreement with respect to the Offered Common Shares has been duly authorized, executed and delivered by the Company and the other parties thereto; and (v) certificates representing the Offered Common Shares have been duly executed and delivered by the proper officers of the Company to the purchasers thereof against payment of the agreed-upon consideration therefor in the manner contemplated in the Registration Statement or any prospectus supplement or term sheet relating thereto, the Offered Common Shares, when issued and sold in accordance with the applicable underwriting agreement or any other duly authorized, executed and delivered applicable purchase agreement, will be duly authorized, legally issued, fully paid and nonassessable, provided that the consideration therefor is not less than the par value thereof. In rendering the opinion set forth in this paragraph 1, I have assumed that, at the time of issuance of any Offered Common Shares, the Certificate of Incorporation, the By-Laws and the CBCA shall not have been amended so as to affect the validity of such issuance.

2. Except as otherwise discussed in paragraph 4 below, with respect to the shares of any series of Preferred Stock to be offered by the Company pursuant to the Registration Statement (the "Offered Preferred Shares"), when (i) the Registration Statement, as finally amended (including all necessary post-effective amendments), has become effective under the Act; (ii) an appropriate prospectus supplement with respect to the Offered Preferred Shares has been prepared, delivered and filed in compliance with the Act and the applicable rules and regulations thereunder; (iii) the terms of the Offered Preferred Shares and of their issuance and sale have been duly established by all necessary corporate action in conformity with the Certificate of Incorporation, including the Certificate of Amendment related to the Offered Preferred Shares (the "Certificate of Amendment"), and the By-Laws; (iv) the filing of the Certificate of Amendment with the Secretary of State of the State of Connecticut has duly occurred; (v) if the Offered Preferred Shares are to be sold pursuant to a firm commitment underwritten offering, the underwriting agreement with respect to the Offered Preferred Shares has been duly authorized, executed and delivered by the Company and the other parties thereto; and (vi) certificates representing the Offered Preferred Shares have been duly executed and delivered by the proper officers of the Company to the purchasers thereof against payment of the agreed-upon consideration therefor in the manner contemplated in the Registration Statement or any prospectus supplement or term sheet relating thereto, any Offered Preferred Shares, when issued and sold in accordance with the applicable underwriting

agreement or any other duly authorized, executed and delivered applicable purchase agreement, will be duly authorized, legally issued, fully paid and nonassessable, provided that the consideration therefor is not less than the par value thereof. In rendering the opinion set forth in this paragraph 2, I have assumed that, at the time of issuance of any Offered Preferred Shares, the Certificate of Incorporation, the By-Laws and the CBCA shall not have been amended so as to affect the validity of such issuance.

3. With respect to Common Stock issuable upon the conversion, exchange, exercise or settlement of any Preferred Stock, Debt Securities, Warrants, Depositary Shares, Stock Purchase Contracts or Stock Purchase Units (together, the "Convertible Securities"), which are by their terms convertible into or exchangeable, exercisable or can be settled for shares of Common Stock, the shares of Common Stock issuable upon conversion, exchange, exercise or settlement of the Convertible Securities will be duly authorized, legally issued, fully paid and nonassessable, assuming the issuance of the Common Stock upon conversion, exchange, exercise or settlement of the Convertible Securities has been authorized by all necessary corporate action, that the Convertible Securities have been converted, exchanged, exercised or settled in accordance with their terms and that the certificates evidencing such shares of Common Stock are duly executed and delivered. In rendering the opinion set forth in this paragraph 3, I have assumed that, at the time of issuance of any shares of Common Stock upon conversion, exchange, exercise or settlement of the Convertible Securities, the Certificate of Incorporation, the By-Laws and the CBCA shall not have been amended so as to affect the validity of such issuance.

4. With respect to Preferred Stock issuable upon the conversion, exchange, exercise or settlement of any Convertible Securities, which are by their terms convertible into or exchangeable, exercisable or can be settled for shares of Preferred Stock, the shares of Preferred Stock issuable upon conversion, exchange, exercise or settlement of the Convertible Securities will be duly authorized, legally issued, fully paid and nonassessable, assuming the issuance of the Preferred Stock upon conversion, exchange, exercise or settlement of the Convertible Securities has been authorized by all necessary corporate action, that the Convertible Securities have been converted, exchanged, exercised or settled in accordance with their terms and that the certificates evidencing such shares of Preferred Stock are duly executed and delivered. In rendering the opinion set forth in this paragraph 4, I have assumed that, at the time of issuance of any shares of Preferred Stock upon conversion, exchange, exercise or settlement of the Convertible Securities, the Certificate of Incorporation, the By-Laws and the CBCA shall not have been amended so as to affect the validity of such issuance.

5. With respect to the Depositary Shares, when (i) the Registration Statement, as finally amended (including all necessary post-effective amendments) becomes effective under the Securities Act; (ii) an appropriate prospectus supplement with respect to the Depositary Shares has been prepared, delivered and filed in compliance with the Act and the applicable rules and regulations thereunder; (iii) the Deposit Agreement relating to the Depositary Shares has been duly authorized, executed and delivered and the Depositary Shares have been duly authorized by the Board of Directors of the Company; (iv) the terms of the Depositary Shares and of their issuance and sale have been duly established in conformity with the Deposit Agreement, and provided that such terms, when established, do not violate any applicable law or result in a default under or breach of any agreement or instrument binding upon the Company and comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company; (v) if the Depositary Shares are to be sold pursuant to a firm commitment underwritten offering, the underwriting agreement with respect to the Depositary Shares has been duly authorized, executed and delivered by the Company and the other parties thereto; and (vi) the Depositary Shares have been duly issued and sold as contemplated by the Registration Statement and consideration therefor has been received by the Company, or upon the conversion, exchange or exercise of any other Offered Security in accordance with the terms of such Offered Security or the instrument governing such Offered Security providing for such conversion, exchange or exercise, the Depositary Shares will be duly authorized.

6. With respect to the Debt Securities, when (i) the Registration Statement, as finally amended (including all necessary post-effective amendments) becomes effective under the Securities Act; (ii) an appropriate prospectus supplement with respect to the Debt Securities has been prepared, delivered and filed in compliance with the Act and the applicable rules and regulations thereunder; (iii) the applicable Indenture relating to the Debt Securities has been duly authorized, executed and delivered and the Debt Securities have been duly authorized by the Board of Directors of the Company; (iv) the terms of the Debt Securities and of their issuance have been duly established in conformity with the applicable Indenture, and provided that such terms, when established, do not violate any applicable law or result in a default under or breach of any agreement or instrument binding upon the Company and comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company; (v) if the Debt Securities are to be sold pursuant to a firm commitment underwritten offering, the underwriting agreement with respect to the Debt Securities has been duly authorized, executed and delivered by the Company and the other parties thereto; and (vi) the Debt Securities have been duly executed and

countersigned in accordance with the applicable Indenture and duly issued and sold as contemplated by the Registration Statement and consideration therefor has been received by the Company, or upon the conversion, exchange or exercise of any other Offered Securities in accordance with the terms of such Offered Securities or the instrument governing such Offered Securities providing for such conversion, exchange or exercise, the Debt Securities will be duly authorized.

7. With respect to the Warrants, when (i) the Registration Statement, as finally amended (including all necessary post-effective amendments), has become effective under the Securities Act; (ii) an appropriate prospectus supplement with respect to the Warrants has been prepared, delivered and filed in compliance with the Act and the applicable rules and regulations thereunder; (iii) a Warrant Agreement relating to the Warrants has been duly authorized, executed and delivered and the Warrants and the securities of the Company into which the Warrants are exercisable have been duly authorized by the Board of Directors of the Company; (iv) the terms of the Warrants and of their issuance and sale have been duly established in conformity with the Warrant Agreement, and provided that such terms, when established, do not violate any applicable law or result in a default under or breach of any agreement or instrument binding upon the Company and comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company; (v) if the Warrants are to be sold pursuant to a firm commitment underwritten offering, the underwriting agreement with respect to the Warrants has been duly authorized, executed and delivered by the Company and the other parties thereto; and (vi) the Warrants have been duly executed and countersigned in accordance with the Warrant Agreement and duly issued and sold as contemplated by the Registration Statement and consideration therefor has been received by the Company, the Warrants will be duly authorized.

8. With respect to the Stock Purchase Contracts when (i) the Registration Statement, as finally amended (including all necessary post-effective amendments), has become effective under the Securities Act; (ii) an appropriate prospectus supplement with respect to the Stock Purchase Contracts has been prepared, delivered and filed in compliance with the Act and the applicable rules and regulations thereunder; (iii) a Stock Purchase Contract agreement relating to the Stock Purchase Contracts (the "Purchase Contract Agreement") has been duly authorized, executed and delivered and the Stock Purchase Contracts have been duly authorized by the Board of Directors of the Company; (iv) the terms of the Stock Purchase Contracts and of their issuance and sale have been duly established in conformity with Purchase Contract Agreement, and provided that such terms, when established, do not violate any applicable law or result in a default under or breach of any agreement or

instrument binding upon the Company and comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company; (v) if the Stock Purchase Contracts are to be sold pursuant to a firm commitment underwritten offering, the underwriting agreement with respect to the Stock Purchase Contracts has been duly authorized, executed and delivered by the Company and the other parties thereto; and (vi) the Stock Purchase Contracts have been duly executed and countersigned in accordance with the Purchase Contract Agreement and duly issued and sold as contemplated by the Registration Statement and consideration therefor has been received by the Company, the Stock Purchase Contracts will be duly authorized.

I hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement. I also hereby consent to the use of my name under the heading "Legal Matters" in the prospectus which forms a part of the Registration Statement. In giving this consent, I do not thereby admit that I am within the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission promulgated thereunder. We have acted as special counsel to Stanley Black & Decker, Inc., a Connecticut corporation (the "Company"), in connection with the preparation of the Automatic Shelf Registration Statement on Form S-3 (the "Registration Statement") to be filed on the date hereof by the Company with the Securities and Exchange Commission (the "Commission"). The Registration Statement relates to, among other things, the issuance and sale from time to time by the Company pursuant to Rule 415 of the General Rules and Regulations promulgated under the Securities Act of 1933, as amended (the "Act"), of the following securities of the Company: (i) shares of common stock, par value \$2.50 per share, of the Company (the "Common Stock"), (ii) shares of preferred stock, without par value, of the Company (the "Preferred Stock") to be issued in one or more series, which may also be issued in the form of depositary shares (the "Depositary Shares") evidenced by depositary receipts pursuant to one or more deposit agreements (each, a "Deposit Agreement") to be entered into between the Company and one or more depositaries to be named, (iii) debt securities representing unsecured obligations of the Company (the "Senior Debt Securities") to be issued pursuant to a senior indenture (the "Senior Indenture") between the Company and The Bank of New York Mellon Trust Company, N.A., as successor trustee (the "Senior Indenture Trustee") to JP Morgan Chase Bank N.A. and subordinated debt securities ("Subordinated Debt Securities" and, together with the Senior Debt Securities, the "Debt Securities") to be issued pursuant to a subordinated indenture (the "Subordinated Indenture" and, together with the Senior Indenture, the "Indentures") between the Company and HSBC Bank USA, N.A. (the "Subordinated Indenture Trustee" and, together with the Senior

Indenture Trustee, the "Trustees"), (iv) warrants representing the right to receive, upon exercise, Common Stock, Preferred Stock, Depositary Shares, Debt Securities or securities of third parties or other rights, including rights to receive payment in cash or securities based on the value, rate or price of one or more specified commodities, currencies, securities or indices, or any combination of the foregoing (collectively, the "Warrants"), which may be issued pursuant to one or more warrant agreements (each, a "Warrant Agreement"), proposed to be entered into with one or more warrant agents to be named, (v) stock purchase contracts obligating holders to purchase Common Stock, Preferred Stock or Depositary Shares at a future date or dates (the "Stock Purchase Contracts"), which may be issued pursuant to one or more purchase contract agreements, (vi) stock purchase units (the "Stock Purchase Units"), each consisting of a Stock Purchase Contract and either Debt Securities, Preferred Stock, Depositary Shares or debt obligations of third parties, including U.S. Treasury securities, securing a holder's obligation to purchase Common Stock, Preferred Stock or Depositary Shares under the Stock Purchase Contracts, (vii) such indeterminate number of shares of Common Stock, Preferred Stock, Debt Securities or Depositary Shares as may be issuable upon conversion, exchange, settlement or exercise of any Warrants, Debt Securities, Preferred Stock, Depositary Shares, Stock Purchase Contracts or Stock Purchase Units, and (viii) guarantees of the Senior Debt Securities (the "Subsidiary Guarantees") by one or more subsidiaries of the company, including The Black & Decker Corporation, a Maryland corporation ("Black & Decker"). The Common Stock, the Preferred Stock, the Debt Securities, the Stock Purchase Contracts, the Stock Purchase Units and the Warrants are collectively referred to herein as the "Offered Securities."

This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Act.

In connection with this opinion, we have examined originals or copies, certified or otherwise identified to our satisfaction, of (i) the Registration Statement; (ii) the Senior Indenture as supplemented by the Second Supplemental Indenture thereto, dated March 10, 2010 (the "Supplemental Indenture"); (iii) the Statement of Eligibility of the Senior Indenture Trustee on Form T-1; (iv) the Subordinated Indenture; and (v) the Statement of Eligibility of the Subordinated Indenture Trustee on Form T-1. We have also examined originals or copies, certified or otherwise identified to our satisfaction, of such records of the Company and such agreements, certificates of public officials, certificates of officers or other representatives of the Company and others, and such other documents, certificates and records as we have deemed necessary or appropriate as a basis for the opinions set forth herein.

In our examination, we have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as facsimile, electronic, certified, conformed or photostatic copies and the authenticity of the originals of such latter documents. In making our examination of executed documents or documents to be executed, we have assumed that the parties thereto, including the Company and Black & Decker, had or will have the power, corporate or other, to enter into and perform all obligations thereunder and have also assumed the due authorization by all requisite action, corporate or other, and execution and delivery by such parties of such documents and, except as to the Company with respect to the Debt Securities and Black & Decker with respect to the Subsidiary Guarantees as to which we express our opinion herein, the validity and binding effect on such parties. We have also assumed that (i) each of the Company and Black & Decker has been duly organized and is validly existing, and has requisite legal status and legal capacity, under the laws of its jurisdiction of incorporation and that each of the Company and Black & Decker has complied with and will comply with all aspects of the laws of all relevant jurisdictions other than the United States of America (including the laws of the State of Connecticut and the State of Maryland) in connection with the transactions contemplated by, and the performance of its obligations under, the Indentures, the Supplemental Indenture and the Registration Statement, and (ii) the choice of New York law to govern the Indenture and the Supplemental Indenture is a valid and legal provision. As to any facts material to the opinions expressed herein which we have not independently established or verified, we have relied upon statements and representations of officers and other representatives of the Company and others. We have also assumed that the choice of currency in which any Offered Debt Securities (as defined below) are denominated will not contravene any exchange control or other laws of the nation issuing such currency.

Our opinions set forth herein are limited to the laws of the State of New York which are normally applicable to transactions of the type contemplated by the Registration Statement and, to the extent that judicial or regulatory orders or decrees or consents, approvals, licenses, authorizations, validations, filings, recordings or registrations with governmental authorities are relevant, to those required under such laws (all of the foregoing being referred to as "Opined on Law"). We do not express any opinion with respect to the law of any jurisdiction other than Opined on Law or as to the effect of any such non opined law on the opinions herein stated. The Debt Securities and Subsidiary Guarantees may be issued from time to time on a delayed or

continuous basis, and this opinion is limited to the laws, including the rules and regulations under the Act, as in effect on the date hereof.

Based upon and subject to the foregoing and to the other qualifications and limitations set forth herein, we are of the opinion that:

1. With respect to any series of Debt Securities (the "Offered Debt Securities"), when (i) the Registration Statement, as finally amended (including all necessary post-effective amendments), has become effective under the Act and the applicable Indenture has been qualified under the Trust Indenture Act; (ii) an appropriate prospectus supplement with respect to the Offered Debt Securities has been prepared, delivered and filed in compliance with the Act and the applicable rules and regulations thereunder; (iii) if the Offered Debt Securities are to be sold pursuant to a firm commitment underwritten offering, the underwriting agreement with respect to the Offered Debt Securities has been duly authorized, executed and delivered by the Company and the other parties thereto; (iv) the Board of Directors, including any appropriate committee appointed thereby, and appropriate officers of the Company have taken all necessary corporate action to approve the issuance and terms of the Offered Debt Securities and related matters; (v) the terms of the Offered Debt Securities and of their issuance and sale have been duly established in conformity with the applicable Indenture so as not to violate any applicable law, or result in a default under or breach of any agreement or instrument binding upon the Company and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company; and (vi) the Offered Debt Securities have been duly executed and authenticated in accordance with the provisions of the applicable Indenture and duly delivered to the purchasers thereof upon payment of the agreed-upon consideration therefor, the Offered Debt Securities (including any Debt Securities duly issued upon conversion, exchange or exercise of any Debt Securities or Warrants), when issued and sold in accordance with the applicable Indenture and the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding purchase or agency agreement, will be valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms, except to the extent that enforcement thereof may be limited by (a) bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally, (b) general principles of equity (regardless of whether enforceability is considered in a proceeding at law or in equity), (c) public policy considerations which may limit the rights of parties to obtain remedies and (d) the waivers of any usury defense contained in the Indentures or Offered Debt

Securities which may be unenforceable, (e) requirements that a claim with respect to any Offered Debt Securities denominated in a currency, currency unit or composite currency other than United States dollars (or a judgment denominated other than in United States dollars in respect of such claim) be converted into United States dollars at a rate of exchange prevailing on a date determined pursuant to applicable law, and (f) governmental authority to limit, delay or prohibit the making of payments outside the United States or in foreign currencies, currency units or composite currencies.

2. With respect to any Subsidiary Guarantee offered by Black & Decker (the "Offered Subsidiary Guarantee") of any Offered Debt Securities, when (i) the Registration Statement, as finally amended (including all necessary post-effective amendments), has become effective under the Act; (ii) an appropriate prospectus supplement with respect to the Offered Debt Securities has been prepared, delivered and filed in compliance with the Act and the applicable rules and regulations thereunder; (iii) if the Offered Subsidiary Guarantee is to be sold pursuant to a firm commitment underwritten offering, the underwriting agreement with respect to the Offered Debt Securities has been duly authorized, executed and delivered by Black & Decker and the other parties thereto; (iv) the Senior Indenture, the Supplemental Indenture and any supplemental indenture in respect of such Offered Debt Securities has been duly authorized, executed and delivered by each party thereto; (v) the terms of the Offered Subsidiary Guarantee and of its issuance and sale have been duly established in conformity with the Indenture and any supplemental indenture or officers' certificate to be entered into in connection with the issuance of such Offered Subsidiary Guarantee so as not to violate any applicable law or the organizational or governing documents of Black & Decker or result in a default under or breach of any agreement or instrument binding upon Black & Decker and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over Black & Decker; and (vi) the Offered Subsidiary Guarantee has been duly executed and delivered and countersigned in accordance with the provisions of the Senior Indenture, the Supplemental Indenture and any supplemental indenture or officers' certificate to be entered into in connection with the issuance of such Offered Subsidiary Guarantee and duly issued in accordance with the Senior Indenture, the Supplemental Indenture any supplemental indenture or officers' certificate to be entered into in connection with the issuance of such Offered Subsidiary Guarantee and the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding purchase or agency agreement, the Offered Subsidiary Guarantee will be a valid and binding obligation of Black & Decker, enforceable against Black & Decker in accordance with its terms, except to the extent that enforcement thereof may be limited by (a) bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other similar laws now or hereafter in effect

relating to creditors' rights generally, (b) general principles of equity (regardless of whether enforceability is considered in a proceeding at law or in equity), (c) public policy considerations which may limit the rights of parties to obtain remedies, (d) the waivers of any usury defense contained in the Senior Indenture, the Supplemental Indenture, any supplemental indenture or the Offered Debt Securities which may be unenforceable, (e) requirements that a claim with respect to any Offered Debt Securities denominated in a currency, currency unit or composite currency other than United States dollars (or a judgment denominated other than in United States dollars in respect of such claim) be converted into United States dollars at a rate of exchange prevailing on a date determined pursuant to applicable law, and (f) governmental authority to limit, delay or prohibit the making of payments outside the United States or in foreign currencies, currency units or composite currencies.

In rendering the opinions set forth above, we have assumed that the execution and delivery by the Company and Black & Decker of the Indentures and the Supplemental Indenture and the performance by each of the Company and Black & Decker of its obligations thereunder do not and will not violate, conflict with or constitute a default under any agreement or instrument to which the Company or Black & Decker or its properties is subject, except for those agreements and instruments that are listed in Part II of the Registration Statement.

Donald Riccitelli, Corporate Counsel of the Company, and Miles & Stockbridge P.C., Maryland counsel to Black & Decker, may rely on this opinion, subject to the limitations and assumptions set forth in this opinion, as if it were addressed to them, in rendering their opinions dated the date hereof, which are to be filed herewith as Exhibit 5.1 and Exhibit 5.3, respectively, to the Registration Statement.

We hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement. We also consent to the reference to our firm under the caption "Legal Matters" in the Registration Statement. In giving this consent, we do not thereby admit that we are included in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission. Ladies and Gentlemen:

We have acted as special Maryland counsel to Stanley Black & Decker, Inc., a Connecticut corporation (the "Company"), in connection with the preparation of the registration statement on Form S-3 ("Registration Statement") filed with the Securities and Exchange Commission (the "SEC") under the Securities Act of 1933, as amended (the "Securities Act"), on the date hereof relating to the offering of, in addition to other securities, guarantees of debt securities ("Guarantees of Debt Securities") by The Black & Decker Corporation, a Maryland corporation and wholly owned subsidiary of the Company ("Black & Decker"), for the benefit of debt securities issued by the Company ("Debt Securities") from time to time, in accordance with Rule 415 under the Securities Act. The Debt Securities will be offered in one or more series, which offerings will be made pursuant to the prospectus contained in the Registration Statement (the "Prospectus"), as supplemented by one or more prospectus supplements as contemplated by the Registration Statement.

The Debt Securities may be either senior debt securities or subordinated debt securities. Senior Debt Securities will be issued under an indenture (the "Senior Indenture") between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee ("BNY Trustee"), with certain terms of such Debt Securities to be established in supplemental indentures, including the Second Supplemental Indenture, dated as of March 12, 2010, among the Company, Black & Decker and BNY Trustee. Subordinated Debt Securities will be issued under an indenture (the "Subordinated Indenture" and, together with the Senior Indenture, the "Indentures") between the Company and HSBC Bank USA, National Association, as trustee, with certain terms of such Debt Securities to be established in supplemental indentures.

In our capacity as counsel to the Company and for purposes of the opinions expressed herein, we have examined the charter of Black & Decker, the bylaws of Black & Decker, the Registration Statement and such other documents and matters as we deem necessary or appropriate to render the opinion expressed herein.

Based on the foregoing and subject to the limitations, assumptions and qualifications set forth herein, we are of the opinion that the Guarantees of Debt Securities will be legal, valid and binding obligations of Black & Decker, enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization, receivership, moratorium and other laws affecting creditors' rights generally and to general principals of equity, if (1) the Registration Statement and any amendments thereto have become effective and are not subject to a stop order by the SEC; (2) Black & Decker has taken all necessary corporate action to approve the issuance and the terms and conditions of the Guarantees of Debt Securities to be issued and the terms of the offering thereof; (3) the terms and conditions of the Guarantees of Debt Securities and of the offering thereof are in compliance with applicable law; (4) the Indentures and any indenture supplemental thereto have been duly and validly authorized, executed and delivered by each party thereto and such Indentures and supplemental indentures are in full force and effect and are duly qualified under the Trust Indenture Act of 1939, as amended; (5) the Guarantees of Debt Securities have been duly established by the Indentures and any indenture supplemental thereto; and (6) the Debt Securities have been duly and validly executed, authenticated and delivered in accordance with the Indentures and any indenture supplemental thereto and resolution of the Company's board of directors upon payment of the consideration therefor.
