(d) Cozen O'Connor, special counsel on matters of Marshall Islands law for the Partnership Parties, shall have furnished to the Representative their written opinion, dated such Time of Delivery, in form and substance satisfactory to the Representative, to the effect set forth in Annex II;

(e) Conyers Dill & Pearman Limited, special Bermuda counsel for the Partnership Parties, shall have furnished to the Representative their written opinion, dated such Time of Delivery, in form and substance satisfactory to the Representative, to the effect set forth in Annex III;

(f) CMS Cameron McKenna LLP, special English counsel for the Partnership Parties, shall have furnished to the Representative their written opinion, dated such Time of Delivery, in form and substance satisfactory to the Representative, to the effect set forth in Annex IV;

(g) On the date hereof and at each Time of Delivery, Deloitte Hadjipavlou, Sofianos & Cambanis S.A. and Deloitte LLP shall have each furnished to the Representative a letter or letters, dated the respective dates of delivery thereof, containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained in the Registration Statement, Pricing Prospectus and Final Prospectus, in form and substance satisfactory to the Representative;

(h) (i) None of the Partnership Entities shall have sustained since the date of the latest audited financial statements included or incorporated by reference in the Pricing Prospectus any loss or interference with its business from fire, explosion, flood, piracy, terrorism or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Pricing

Prospectus and (ii) since the respective dates as of which information is given in the Pricing Prospectus there shall not have been any change in the capital or long-term debt of the Partnership Entities or any change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, unitholders' or shareholders' equity, as applicable, or results of operations of the Partnership Entities, otherwise than as set forth or contemplated in the Pricing Prospectus, the effect of which, in any such case described in clause (i) or (ii), is in the judgment of the Representative so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Securities being delivered at such Time of Delivery on the terms and in the manner contemplated in the Final Prospectus;

(i) On or after the Applicable Time (i) no downgrading shall have occurred in the rating accorded the Partnership Parties' debt securities or preferred stock by any "nationally recognized statistical rating organization", as such term is defined in Section 3(a)(62) of the Exchange Act and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Partnership Parties' debt securities or preferred stock;

(j) On or after the Applicable Time there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the Exchange or the NASDAQ Global Select Stock Market; (ii) a suspension or material limitation in trading in the Partnership Parties' securities on the Exchange; (iii) a general moratorium on commercial banking activities declared by either Federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; (iv) the outbreak or escalation of hostilities involving the United States or the Republic of The Marshall Islands or the declaration by the United States of a national emergency or war; or (v) the occurrence of any other calamity or crisis or any change in financial, political or economic conditions in the United States or elsewhere, if the effect of any such event specified in clause (iv) or (v) in the judgment of the Representative makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Securities being delivered at such Time of Delivery on the terms and in the manner contemplated in the Final Prospectus;

(k) The Securities to be sold by the Partnership at such Time of Delivery shall have been duly listed, subject to notice of issuance, on the Exchange;

(l) The Partnership shall have obtained and delivered to the Underwriters executed copies of an agreement substantially in form attached hereto as Schedule IV from those individuals and entities listed on Schedule V;

(m) The Partnership shall have complied with the provisions of Section 5(c) hereof with respect to the furnishing of prospectuses on the New York Business Day next succeeding the date of this Agreement; and

(n) The Partnership shall have furnished or caused to be furnished to the Representative at such Time of Delivery certificates of officers of the Partnership satisfactory to the Representative as to the accuracy of the representations and warranties of the Partnership herein

at and as of such Time of Delivery, as to the performance by the Partnership of all of its obligations hereunder to be performed at or prior to such Time of Delivery, as to the matters set forth in subsections (a) of this Section and as to such other matters as the Representative may reasonably request.

9. (a) The Partnership Parties will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, any Preliminary Prospectus, the Pricing Prospectus or the Final Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus or any "issuer information" filed or required to be filed pursuant to Rule 433(d) under the Act, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that the Partnership Parties shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, any Preliminary Prospectus, the Pricing Prospectus, the Final Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Partnership Parties by any Underwriter through the Representative expressly for use therein.

(b) Each Underwriter, severally and not jointly, will indemnify and hold harmless the Partnership Parties against any losses, claims, damages or liabilities to which the Partnership Parties may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, any Preliminary Prospectus, the Pricing Prospectus or the Final Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, any Preliminary Prospectus, the Pricing Prospectus or the Final Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Partnership Parties by such Underwriter through the Representative expressly for use therein; and will reimburse the Partnership Parties for any legal or other expenses reasonably incurred by the Partnership Parties in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the

indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 9 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Partnership Parties on the one hand and the Underwriters on the other from the offering of the Securities. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Partnership Parties on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Partnership Parties on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Partnership Parties bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Final Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Partnership Parties on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Partnership Parties and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of

allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(e) The obligations of the Partnership Parties under this Section 9 shall be in addition to any liability which the Partnership Parties may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Act, each broker-dealer affiliate of any Underwriter and each director, officer, employee and agent of any Underwriter or broker-dealer affiliate of any Underwriter; and the obligations of the Underwriters under this Section 9 shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Partnership (including any person who, with his or her consent, is named in the Registration Statement as about to become a director of the Partnership) and to each person, if any, who controls the Partnership within the meaning of the Act.

10. (a) If any Underwriter shall default in its obligation to purchase the Securities which it has agreed to purchase hereunder at a Time of Delivery, the Representative may in their discretion arrange for the Representative or another party or other parties to purchase such Securities on the terms contained herein. If within thirty-six hours after such default by any Underwriter the Representative does not arrange for the purchase of such Securities, then the Partnership shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to the Representative to purchase such Securities on such terms. In the event that, within the respective prescribed periods, the Representative notifies the Partnership that the Representative has so arranged for the purchase of such Securities, or the Partnership notifies the Representative that it has so arranged for the purchase of such Securities, the Representative or the Partnership shall have the right to postpone such Time of Delivery for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Final Prospectus, or in any other documents or arrangements, and the Partnership agrees to file promptly any amendments or supplements to the Registration Statement or the Final Prospectus which in the opinion of the Representative may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any person substituted under this Section 10 with like effect as if such person had originally been a party to this Agreement with respect to such Securities.

(b) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the Representative and the Partnership as provided in subsection (a) above, the aggregate number of such Securities which remains unpurchased does not exceed one-eleventh of the aggregate number of all the Securities to be purchased at such Time of Delivery, then the Partnership shall have the right to require each non-defaulting Underwriter to purchase the number of Securities which such Underwriter agreed to purchase hereunder at such Time of Delivery and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the number of Securities which such Underwriter agreed to purchase hereunder) of the Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the Representative and the Partnership as provided in subsection (a) above, the aggregate number of such Securities which remains unpurchased exceeds one-eleventh of the aggregate number of all the Securities to be purchased at such Time of Delivery, or if the Partnership shall not exercise the right described in subsection (b) above to require non-defaulting Underwriters to purchase Securities of a defaulting Underwriter or Underwriters, then this Agreement (or, with respect to the Second Time of Delivery, the obligations of the Underwriters to purchase and of the Partnership to sell the Option Securities) shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Partnership, except for the expenses to be borne by the Partnership Parties, as applicable, and the Underwriters as provided in Section 7 hereof and the indemnity and contribution agreements in Section 9 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

11. The respective indemnities, agreements, representations, warranties and other statements of the Partnership Parties and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Partnership, or any officer or director or controlling person of the Partnership, and shall survive delivery of and payment for the Securities.

12. If this Agreement shall be terminated pursuant to Section 10 hereof, the Partnership Parties, as applicable, shall not then be under any liability to any Underwriter except as provided in Sections 7 and 9 hereof; but, if for any other reason, any Securities are not delivered by or on behalf of the Partnership as provided herein, the Partnership Parties will reimburse the Underwriters through the Representative for all out-of-pocket expenses approved in writing by the Representative, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of the Securities not so delivered, but the Partnership Parties shall then be under no further liability in respect of the Securities not so delivered to any Underwriter except as provided in Sections 7 and 9 hereof.

13. In all dealings hereunder, the Representative shall act on behalf of each of the Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by the Representative.

All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to the Representative, to Citigroup Global Markets Inc., 388 Greenwich Street, New York, New York 10013 Attention: General Counsel, facsimile number 1-646-291-1469; and if to the Partnership shall be delivered or sent by mail, telex or facsimile transmission to the address of the Partnership set forth in the Registration Statement, Attention: Chief Financial Officer; *provided, however*, that any notice to an Underwriter pursuant to Section 9(c) hereof shall be delivered or sent by mail, telex or facsimile transmission to such Underwriter at its address set forth in its Underwriters' Questionnaire, or telex constituting such Questionnaire, which address will be supplied to the Partnership by the Representative upon request; *provided, however*, that notices under Section 5(e) shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to the Representative at, Citigroup Global Markets Inc., 388 Greenwich Street, New York, New York 10013 Attention: General Counsel, facsimile number 1-646-291-1469. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Partnership, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

14. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Partnership Parties and, to the extent provided in Sections 9 and 12 hereof, the officers and directors of the Partnership and each person who controls the Partnership or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

15. Time shall be of the essence of this Agreement. As used herein, the term "business day" shall mean any day when the Commission's office in Washington, D.C. is open for business.

16. The Partnership Parties acknowledge and agree that (i) the purchase and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Partnership Parties, on the one hand, and the several Underwriters, on the other, (ii) in connection therewith and with the process leading to such transaction each Underwriter is acting solely as a principal and not the agent or fiduciary of the Partnership Parties, (iii) no Underwriter has assumed an advisory or fiduciary responsibility in favor of the Partnership Parties with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Partnership Parties on other

matters) or any other obligation to the Partnership Parties except the obligations expressly set forth in this Agreement and (iv) the Partnership Parties have consulted their own legal and financial advisors to the extent they deemed appropriate. The Partnership Parties agree that they will not claim that the Underwriters, or any of them, has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Partnership Parties, in connection with such transaction or the process leading thereto.

17. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Partnership Parties and the Underwriters, or any of them, with respect to the subject matter hereof.

18. THIS AGREEMENT AND ANY MATTERS RELATED TO THIS TRANSACTION SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICT OF LAWS THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAWS OF THE STATE OF NEW YORK. The Partnership Parties agree that any suit or proceeding arising in respect of this agreement or the engagement of the Representative will be tried exclusively in the U.S. District Court for the Southern District of New York or, if that court does not have subject matter jurisdiction, in any state court located in The City and County of New York, and the Partnership Parties agree to submit to the jurisdiction of, and to venue in, such courts.

19. The Partnership has appointed Puglisi & Associates as its authorized agent (the “Authorized Agent”) upon whom process may be served in any suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated herein which may be instituted, by any Underwriter, the directors, officers, employees and agents of any Underwriter, or by any person who controls any Underwriter, and expressly accepts the non-exclusive jurisdiction of any such court in respect of any such suit, action or proceeding. The Partnership hereby represents and warrants that the Authorized Agent has accepted such appointment and has agreed to act as said agent for service of process, and each of them agrees to take any and all action, including the filing of any and all documents that may be necessary to continue such appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent shall be deemed, in every respect, effective service of process upon the Partnership.

20. The Partnership Parties and each of the Underwriters hereby irrevocably waive, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

21. This Agreement may be executed by any one or more of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument.

*[Remainder of page intentionally left blank.]*

If the foregoing is in accordance with the understanding of the Representative, please sign and return to the Representative one copy for each of the Partnership Parties and the Representative plus one copy for each counsel counterparts hereof, and upon the acceptance hereof by the Representative, on behalf of each of the Underwriters, this letter and such acceptance hereof shall constitute a binding agreement between each of the Underwriters and the Partnership Parties. It is understood that the acceptance by the Representative of this letter on behalf of each of the Underwriters is pursuant to the authority set forth in a form of agreement among Underwriters, the form of which shall be submitted to the Partnership for examination upon request, but without warranty on the part of the Representative as to the authority of the signers thereof.

As Representative of the several Underwriters

Re: GasLog Partners LP – Lock-Up Agreement

Ladies and Gentlemen:

The undersigned understands that Citigroup Global Markets Inc., as representative, proposes to enter into an Underwriting Agreement on behalf of the several Underwriters named in Schedule I to such agreement (collectively, the “Underwriters”), with GasLog Partners GP LLC, a limited liability company organized under the laws of the Republic of The Marshall Islands (the “General Partner”), GasLog Partners LP, a limited partnership organized under the laws of the Republic of The Marshall Islands (the “Partnership”), and GasLog Partners Holdings LLC, a limited liability company organized under the laws of the Republic of The Marshall Islands (the “Operating Company” and together with the General Partner and the Partnership, the “Partnership Parties”), providing for a public offering of the Partnership’s Common units representing limited partner interests in the Partnership (the “Common Units”) pursuant to a Registration Statement on Form F-3 (the “Registration Statement”) filed with the Securities and Exchange Commission (the “SEC”).

In consideration of the agreement by the Underwriters to offer and sell the Common Units, and for other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the undersigned agrees that, during the period specified in the following paragraph (the “Lock-Up Period”), the undersigned will not offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise dispose of any Common Units of the Partnership, or any options or warrants to purchase any Common Units of the Partnership, or any securities convertible into, exchangeable for or that represent the right to receive Common Units of the Partnership, whether now owned or hereinafter acquired, owned directly by the undersigned (including holding as a custodian) or with respect to which the undersigned has beneficial ownership within the rules and regulations of the SEC (collectively the “Undersigned’s Units”). The foregoing restriction is expressly agreed to preclude the undersigned from engaging in any hedging or other transaction which is designed to or which reasonably could be expected to lead to or result in a sale or disposition of the Undersigned’s Units even if such Common Units would be disposed of by someone other than the undersigned. Such prohibited hedging or other transactions would include without limitation any short sale or any purchase, sale or grant of any right (including without limitation any put or call option) with respect to any of the Undersigned’s Units or with respect to any security that includes, relates to, or derives any significant part of its value from such Common Units.

Schedule IV-2

---

The initial Lock-Up Period will commence on the date of this Lock-Up Agreement and continue for 60 days after the public offering date set forth on the final prospectus used to sell the Common Units (the “Public Offering Date”) pursuant to the Underwriting Agreement.

Notwithstanding the foregoing, the undersigned may transfer the Undersigned’s Units (i) as a *bona fide* gift or gifts, provided that the donee or donees thereof agree to be bound in writing by the restrictions set forth herein, (ii) to any trust for the direct or indirect benefit of the undersigned or the immediate family of the undersigned, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer shall not involve a disposition for value, (iii) with the prior written consent of Citigroup Global Markets Inc. on behalf of the Underwriters, (iv) to any of its Affiliates (as such term is defined in Rule 405 under the U.S. Securities Act of 1933, as amended) or as distributions to members, general partners and limited partners or shareholders of the undersigned who, in any case under this clause (iv), agree to be bound by the terms of this Lock-Up Agreement, provided that no filing under Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), shall be required or shall be voluntarily made, or (v) in the establishment of a trading plan pursuant to Rule 10b5-1 under the Exchange Act for the transfer of Common Units, provided that such plan does not provide for the transfer of Common Units during the Lock-Up Period. For purposes of this Lock-Up Agreement, “immediate family” shall mean any relationship by blood, marriage or adoption, not more remote than first cousin. In addition, notwithstanding the foregoing, if the undersigned is a corporation, the corporation may transfer the Undersigned’s Units to any wholly owned subsidiary of such corporation; *provided, however*, that in any such case, it shall be a condition to the transfer that the transferee execute an agreement stating that the transferee is receiving and holding such Common Units subject to the provisions of this Lock-Up Agreement and there shall be no further transfer of such Common Units except in accordance with this Lock-Up Agreement, and provided further that any such transfer shall not involve a disposition for value. The undersigned now has, and, except as contemplated by clauses (i) through (v) above, for the duration of this Lock-Up Agreement will have, good and marketable title to the Undersigned’s Units, free and clear of all liens, encumbrances, and claims whatsoever. The undersigned also agrees and consents to the entry of stop transfer instructions with the Partnership’s transfer agent and registrar against the transfer of the Undersigned’s Units except in compliance with the foregoing restrictions.

The undersigned understands that the Partnership Parties and the Underwriters are relying upon this Lock-Up Agreement in proceeding toward consummation of the offering. The undersigned further understands that this Lock-Up Agreement is irrevocable and shall be binding upon the undersigned’s heirs, legal representatives, successors, and assigns.

Schedule IV-3

---

If (i) the Partnership notifies you in writing that it does not intend to proceed with the public offering, (ii) the Registration Statement filed with the SEC with respect to the public offering of the Common Units is withdrawn or (iii) for any reason the Underwriting Agreement shall be terminated prior to the First Time of Delivery (as defined in the Underwriting Agreement), the provisions of this Lock-Up Agreement shall be terminated and the undersigned shall be released from its obligations hereunder.

Assuming that the Underwriting Agreement has been duly authorized by each of the General Partner, the Partnership and the Operating Company under the laws of its respective jurisdiction of formation, the Underwriting Agreement has been duly executed and delivered by the General Partner, the Partnership and the Operating Company, to the extent such execution and delivery are governed by the laws of the State of New York.
2. The Registration Statement became effective under the Act on June 8, 2015 (the “Effective Date”), and thereupon the offering of the Units as contemplated by the Final Prospectus became registered under the Act; to such counsel’s knowledge, no stop order suspending the effectiveness of the Registration Statement has been issued and, to such counsel’s knowledge, no proceedings for that purpose have been instituted or are pending or contemplated under the Act; the required filing of the Final Prospectus pursuant to Rule 424(b) has been made in the manner and within the time period required by Rule 424(b) (without reference to Rule 424(b)(8)); and to such counsel’s knowledge, no Issuer Free Writing Prospectus pursuant to Rule 433 was required to be filed pursuant to Rule 433(d).
3. Assuming that the Operative Documents governed by New York law (the “NY Operative Documents”) have been duly authorized and validly executed and delivered by each of the Partnership Entities or the other entities party thereto under the laws of Bermuda or the Republic of The Marshall Islands, as applicable, each NY Operative Document constitutes a legal, valid and binding obligation of the relevant Partnership Entity that is a party to such NY Operative Document, enforceable against each of them in accordance with its respective terms (subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and other similar laws affecting creditors’ rights generally from time to time in effect and to general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, regardless of whether considered in a proceeding in equity or at law).
4. To such counsel’s knowledge, there is no pending or threatened action, suit, proceeding or investigation before or by any United States Federal or New York State court, governmental agency or authority against any of the Partnership Entities of a character required to be disclosed in the Registration Statement, Pricing Prospectus or Final Prospectus which is not adequately disclosed as required.
5. The statements made or incorporated by reference in the Registration Statement, Pricing Prospectus and Final Prospectus under “Our Cash Distribution Policy and Restrictions on Distributions”, “Description of the Common Units” and “Summary of Our Partnership Agreement”, insofar as such statements purport to summarize any agreement, statute or regulation or refer to statements of law or legal conclusions, fairly summarize the matters described therein; provided, however, that we express no opinion with respect to any laws other than the laws of the State of New York and, to the extent specifically identified herein, the federal laws of the United States of America.
6. The Opinion of Cravath, Swaine & Moore LLP filed as Exhibit 8.1 to the Registration Statement is confirmed and the Underwriters may rely upon such opinion as if it were addressed to them.

7. To such counsel's knowledge, there is no contract, indenture, mortgage, loan agreement, note, lease or other document of a character required to be described in the Registration Statement, Pricing Prospectus or Final Prospectus, or to be filed as an exhibit, which is not described or filed as required.
8. No authorization, approval or other action by, and no notice to, consent of, order of or filing with, any United States Federal or New York governmental authority is required to be made or obtained by the Partnership for the consummation of the transactions contemplated by the Underwriting Agreement, other than (i) those that have been obtained or made under the Act, (ii) those that may be required under the Act in connection with the use of a "free writing prospectus" and (iii) those that may be required under the blue sky laws of any jurisdiction in connection with the purchase and distribution of the Securities by the Underwriters.
9. To such counsel's knowledge, other than as have been validly waived and as described in the Pricing Prospectus, there are no persons with registration rights or other similar rights to have any securities registered pursuant to the Registration Statement by the Partnership under the Act.
10. Based solely on the certificate dated the date hereof, from an officer of the Partnership, after giving effect to the offering and sale of the Securities, the Partnership will not be an "investment company" as such term is defined in the Investment Company Act of 1940, as amended.
11. None of the Partnership Entities should be a "passive foreign investment company" as such term is defined in the Internal Revenue Code of 1986, as amended.
12. The Common Units have been duly registered as a class pursuant to section 12 of the Securities Exchange Act of 1934, as amended.
13. Based on the countersigned New York Stock Exchange Supplemental Listing Application dated [ ● ], the Securities have been duly authorized for listing, subject to official notice of issuance, on the New York Stock Exchange.
14. Assuming the validity of such action under the laws of The Marshall Islands and Bermuda relating to submission to jurisdiction, pursuant to Sections 18 and 19 of the Underwriting Agreement (a) the Partnership Parties validly and irrevocably submitted to the personal jurisdiction of the courts of the State of New York, and (b) the Partnership appointed Puglisi & Associates as its agent for service of process.
15. The Partnership is a "foreign private issuer" as defined in Rule 405 under the Securities Act.
16. None of the execution, delivery and performance of the terms of the Operative Agreements by the Partnership Entities party thereto nor the consummation by the Partnership Entities, as applicable, of the transactions set forth therein will result in any violation of United States Federal or New York State law, rule or regulation or any ruling, judgment, order or decree, known to such counsel, of any United States Federal or New York State court, agency or official having jurisdiction over the Partnership or any of its subsidiaries or any of the properties or assets of the Partnership or any of its subsidiaries.

In addition to the matters set forth above, such counsel shall also state (i) on the basis of information gained in the course of the performance of the services rendered, that, the Registration Statement, at the time it initially became effective, and the Final Prospectus, as of the Closing Date, appeared or appears on its face to be appropriately responsive in all material respects to the requirements

of the Act and the applicable rules and regulations thereunder, except that such counsel does not express any view as to the financial statements, other information of an accounting or financial nature and (ii) that their work in connection with this matter did not disclose any information that gave them reason to believe that (a) the Registration Statement, at the time the Registration Statement became effective, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (b) the Final Prospectus, as of its date or at the Closing Date included or includes, an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading or (c) the Pricing Prospectus, as of the Applicable Time, included an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that, in each case, such counsel does not express any view as to the financial statements, other information of an accounting or financial nature.

16. The choice of the Foreign Laws as the governing law of the Documents is a valid choice of law and would be recognized and given effect to in any action brought before a court of competent jurisdiction in Bermuda, except for those laws (i) which such court considers to be procedural in nature, (ii) which are revenue or penal laws or (iii) the application of which would be inconsistent with public policy, as such term is interpreted under the laws of Bermuda. The submission in the Ship Management Agreements, Commercial Management Agreements, Vessel Financing Agreements and the Charter Related Documents to the [exclusive] jurisdiction of the English Courts is valid and binding upon the Companies.

It is not necessary or desirable to ensure the enforceability in Bermuda of the Documents that they be registered in any register kept by, or filed with, any governmental authority or regulatory body in Bermuda. However, to the extent that any of the Documents create a charge over assets of a Company, it may be desirable to ensure the priority in Bermuda of the charge that it be registered in the Register of Charges in accordance with Section 55 of the Bermuda Companies Act. On registration, to the extent that Bermuda law governs the priority of a charge, such charge will have priority in Bermuda over any unregistered charges, and over any subsequently registered charges, in respect of the assets which are the subject of the charge. A registration fee of \$603 will be payable in respect of the registration. While there is no exhaustive definition of a charge under Bermuda law, a charge includes any interest created in property by way of security (including any mortgage, assignment, pledge, lien or hypothecation). As the Documents (other than the Ship Management Agreements, Commercial Management Agreements, Vessel Financing Agreements and the Charter Related Documents) are governed by the laws of the State of New York, the question of whether it creates such an interest in property would be determined under the laws of the State of New York. As the Ship Management Agreements, Commercial Management Agreements, Vessel Financing Agreements and the Charter Related Documents are governed by the laws of England, the question whether it creates such an interest in property would be determined under the law of England.

Re: GasLog Partners LP  
Registration Statement on Form F-3

Ladies and Gentlemen:

We have acted as counsel to Gaslog Partners LP, a limited partnership organized under the laws of the Republic of the Marshall Islands (the "Partnership") in connection with the registration of its common units, including common units to be sold by the Partnership pursuant to the underwriters' option to purchase additional common units (together, the "Units"), representing limited partner interests in the Partnership, pursuant to the Partnership's registration statement on Form F-3 (File No. 333-204616) (such registration statement as amended or supplemented from time to time) (the "Registration Statement") as filed with the U.S. Securities and Exchange Commission (the "Commission") under the U.S. Securities Act of 1933, as amended (the "Securities Act"). The Units are being offered in the Partnership's public offering pursuant to an underwriting agreement (the "Underwriting Agreement") to be entered into among the Partnership, GasLog Partners GP LLC, a Marshall Islands limited liability company and the general partner (the "General Partner") of the Partnership, GasLog Partners Holding LLC and Citigroup Global Markets Inc. as the representative of the underwriters named therein.

We have examined originals or copies, certified or otherwise identified to our satisfaction, of:

---

- (i) the Registration Statement and the prospectus contained therein (the “Prospectus”);
- (ii) the First Amended and Restated Agreement of Limited Partnership of the Partnership filed with the Commission on April 21, 2014;
- (iii) the form of Underwriting Agreement; and
- (iv) such other papers, documents, agreements, and records of the Partnership and the General Partner and such other instruments, certificates and documents as we have deemed necessary or appropriate as a basis for the opinions hereinafter expressed.

In such examinations, we have assumed the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as copies or drafts of documents to be executed, the genuineness of all signatures and the legal competence or capacity of persons or entities to complete the execution of documents. As to matters of fact material to this opinion that have not been independently established, we have relied upon representations, statements, and certificates of public officials, directors or officers of the Partnership and the General Partner, and others, in each case as we have deemed relevant and appropriate, and upon the representations and warranties of each of the Partnership and the General Partner to be made in the Underwriting Agreement. We have not independently verified the facts so relied on.

In rendering this opinion, we have also assumed that:

- (i) the issuance and sale of the Units complies in all respects with the terms, conditions and restrictions set forth in the Prospectus and all of the instruments and other documents relating thereto or executed or to be executed in connection therewith;
- (ii) the Underwriting Agreement will be duly and validly authorized by all parties thereto, and executed and delivered by such parties prior to the issuance and delivery of the Units; and
- (iii) the Underwriting Agreement is valid and enforceable against the parties thereto.

This opinion letter is limited to Marshall Islands Law as of the date hereof.

Based on the foregoing, and having regard to legal considerations which we deem relevant, and subject to the qualifications, limitations and assumptions set forth herein, we are of the opinion that under the laws of the Republic of the Marshall Islands, when the Units are issued and delivered against payment therefor in accordance with the terms of the Underwriting Agreement, the Registration Statement and the Prospectus, the Units will be validly issued, fully paid and nonassessable.

Our opinion is as of the date hereof and we have no responsibility to update this opinion for events and circumstances occurring after the date hereof or as to facts relating to prior events that are subsequently brought to our attention. We disavow any undertaking to advise you of any changes in law.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the references to our name in the Prospectus. In giving such consent, we do not hereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act and the rules and regulations of the Commission promulgated thereunder with respect to any part of the Registration Statement.

GasLog Partners LP

Ladies and Gentlemen:

We have acted as United States counsel to GasLog Partners LP, a Marshall Islands limited partnership (the "Partnership"), in connection with the offering by the Partnership of its common units pursuant to a prospectus supplement dated June 22, 2015 (together with the related Base Prospectus (as defined herein), the "Prospectus") filed with the Securities and Exchange Commission (the "Commission") pursuant to 424(b) of the General Rules and Regulations under the Securities Act of 1933, as amended. The Prospectus was filed as part of a Registration Statement on Form F-3 filed with the Commission on June 1, 2015 (Registration No. 333-204616, the "Registration Statement") which Registration Statement includes a prospectus dated June 8, 2015 (together with the documents incorporated therein by reference, the "Base Prospectus").

For purposes of our opinion set forth below, we have reviewed and relied upon the Registration Statement, including the Prospectus, and such other documents, records and instruments as we have deemed necessary and appropriate. In such review, we have assumed the genuineness of all signatures, the legal capacity of natural persons, the conformity to original documents of all documents submitted to us as duplicate copies and the authenticity of the originals of such documents. We have not undertaken any independent investigation of any factual matter set forth in any of the foregoing. In addition, we have relied upon certain statements of factual matters made by the Partnership, which we have neither investigated nor verified. Any inaccuracy in any of the aforementioned documents or statements could adversely affect our opinion.

In rendering our opinion, we have considered the applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code"), regulations promulgated thereunder by the U.S. Department of Treasury (the "Regulations"), pertinent judicial authorities, rulings of the Internal Revenue Service, and such other authorities as we have

considered relevant, in each case as in effect on the date hereof. It should be noted that the Code, Regulations, judicial decisions, administrative interpretations and other authorities are subject to change at any time, possibly with retroactive effect. A material change in any of the materials or authorities upon which our opinion is based could affect the conclusions set forth herein. There can be no assurance, moreover, that any opinion expressed herein will be accepted by the Internal Revenue Service, or if challenged, by a court.

Based upon and subject to the foregoing, although the discussion in the Prospectus, under the heading “Material U.S. Federal Income Tax Considerations” does not purport to discuss all possible United States federal income tax consequences of the matters discussed therein, we hereby confirm that the statements of law (including the qualifications thereto) under such headings represent our opinion of the material United States federal income tax consequences of the matters discussed therein as of the date hereof.

Our opinion does not relate to any factual or accounting matters, determinations or conclusions, and we have not expressed an opinion as to any matter not specifically described in the foregoing sentence. We disclaim any undertaking to advise you of any subsequent changes in the facts stated or assumed herein or subsequent changes in applicable law. Any changes in the facts set forth or assumed herein may affect the conclusions stated herein.

We hereby consent to the filing of this opinion as an exhibit to the Prospectus and to the reference to our firm under the caption “Legal Matters” in the Prospectus. The giving of this consent does not constitute an admission that we are “experts” within the meaning of the Securities Act or included in the categories of persons whose consent is required by Section 7 of the Securities Act or the rules and regulations of the SEC.

This opinion is rendered to you for the purpose of being included as an exhibit to the Prospectus.

Very truly yours,
