Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On September 30, 2016, ICF International, Inc. (the “Company”) entered into two (2) International Swap Dealers Association, Inc. Master Agreements, one with JPMorgan Chase Bank N.A. (“JPMorgan”) and the second with SunTrust Bank (“SunTrust”) (each a “Master Agreement”). Each Master Agreement permits the Company to enter into certain derivative and/or hedging transactions (“Transactions”) to manage the risk relating to interest rate volatility.

The Master Agreements were executed pursuant to the Company’s Fourth Amended and Restated Business Loan and Security Agreement, dated May 16, 2014, with a syndication of 11 commercial banks (the “Credit Facility”). The Credit Facility, as further modified on November 5, 2014, allows for Company borrowings of up to \$500.0 million without a borrowing base requirement and matures on May 16, 2019. The Company has the ability to borrow funds under its Credit Facility at interest rates based on both LIBOR and prime rates, at its discretion, plus their applicable margins.

Pursuant to the Master Agreement with JPMorgan, dated September 30, 2016, the Company entered into a swap transaction utilizing a notional amount of \$100 million, with an effective date of January 31, 2018 and a maturity date of January 31, 2023. The Transaction will be governed by the Master Agreement, including the related Schedule to the Master Agreement. The swap transaction is intended to mitigate the Company’s interest rate risk as it provides for the Company to pay a fixed rate of 1.22% per annum plus the applicable margin pursuant to the Credit Facility. Notwithstanding the terms of the interest rate swap transaction, the Company is ultimately obligated for all amounts due and payable under the Credit Facility. The Company may enter into additional Transactions in the future from time to time.

JPMorgan, SunTrust and their affiliates perform and may in the future perform, for the Company and its subsidiaries, various commercial banking and transfer agent services, for which they will receive customary fees and expenses.
