(“Change Healthcare”), a Delaware corporation and the indirect parent company of Change Healthcare Holdings, Inc. **Forward Looking Statements**

Information set forth in this Current Report on Form 8-K contains forward-looking statements within the meaning of the federal securities laws. These forward-looking statements are subject to a number of risk and uncertainties. All statements other than statements of historical fact are statements that could be deemed forward-looking statements, including statements regarding the expected timing of the completion of the transactions contemplated by the Contribution Agreement; the ability to complete the transactions contemplated by the Contribution Agreement considering the various closing conditions; the expected benefits and costs of the transactions contemplated by the Contribution Agreement; any projections of earnings, revenues, synergies or other financial items; any statements of the plans, strategies and objectives of management for future operations; any statements regarding product or service developments, extensions or integration; any statements of expectation or belief; any statements regarding general industry conditions and competition; any statements regarding economic conditions; and any statements of assumptions underlying any of the foregoing. Risks, uncertainties and assumptions include risks related to the timing or ultimate completion of the transactions contemplated by the Contribution Agreement, including the satisfaction or waiver of all applicable closing conditions, including antitrust clearance and completion of audited financial statements of the McKesson Technology Solutions businesses being contributed to the new company; the possibility that expected benefits may not materialize as expected; ability to successfully implement integration strategy for the new company; as well as the ability to ensure continued performance or market growth of the Company’s, McKesson’s and the new company’s products and services. These risks, uncertainties and other factors, and the general risks associated with the respective businesses of the Company and McKesson described in the reports and other documents submitted by each of them to the Securities and Exchange Commission, could cause actual results to differ materially from those referred to in the forward-looking statements. All forward-looking statements are based on information currently available to the Company and McKesson and are qualified in their entirety by this cautionary statement. Readers are cautioned not to place undue reliance on any such forward-looking statements, which speak only as of the date such statements were first made.
