Item 1.03 Bankruptcy or Receivership.

On January 30, 2017, Azure Midstream Partners GP, LLC (the “General Partner”), the general partner of Azure Midstream Partners, LP (the “Partnership”), the Partnership and the Partnership’s direct and indirect subsidiaries (collectively with the General Partner and the Partnership, the “Debtors”) filed voluntary petitions (the “Bankruptcy Petitions,” and the cases commenced thereby, the “Chapter 11 Cases”) under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “Court”). The Partnership’s Chapter 11 Case is being administered under the caption *In re Azure Midstream Partners, LP, et al.* (Case No. 17-30461). The Debtors have filed a motion with the Court seeking to administer all of the Debtors’ Chapter 11 Cases jointly under the caption *In re Azure Midstream Partners, LP, et al.*

No trustee has been appointed, and the Debtors will continue to operate their businesses as “debtors in possession” under the jurisdiction of the Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Court. The Partnership expects to continue its operations without interruption during the pendency of the Chapter 11 Cases. To assure ordinary course operations, the Partnership is seeking approval from the Court for a variety of “first day” motions seeking various relief and authorizing the Debtors to maintain their operations in the ordinary course. Court filings and other information related to the Chapter 11 Cases are available at a website administered by the Partnership’s claims agent, Kurtzman Carson Consultants, at <http://kccllc.net/azuremlp>.

The subsidiary Debtors in the Chapter 11 Cases are Marlin Logistics, LLC; Marlin Midstream Finance Corporation; Marlin Midstream, LLC; Azure ETG, LLC; Murvaul Gas Gathering, LLC; Marlin G & P I, LLC; Turkey Creek Pipeline, LLC; Azure TGG, LLC; Azure Holdings GP, LLC; and Talco Midstream Assets, Ltd.

Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

The commencement of the Chapter 11 Cases constitutes an event of default that accelerated the Debtors’ obligations under the following debt instruments (the “Debt Instruments”).

- Credit Agreement, dated as of February 27, 2015, as amended, by and among the Partnership, as borrower, the lenders party thereto and Wells Fargo Bank, National Association, as administrative agent.

The Debt Instruments provide that as a result of the commencement of the Chapter 11 Cases, the principal and accrued interest due thereunder shall be immediately due and payable. Any efforts to enforce such payment obligations under the Debt Instruments are automatically stayed as a result of the filing of the Bankruptcy Petitions, and the holders’ rights of enforcement in respect of the Debt Instruments are subject to the applicable provisions of the Bankruptcy Code.

Item 7.01. Regulation FD Disclosure.

On January 30, 2017, the Partnership issued a press release announcing the filing of the Chapter 11 Cases, as described in Item 1.03. A copy of the press release is being furnished as Exhibit 99.1 and is incorporated into this Item 7.01 by reference.

The information furnished pursuant to Item 7.01, including Exhibit 99.1, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, is not subject to the liabilities of that section and is not deemed incorporated by reference in any filing of the Partnership’s under the Securities Act of 1933, as amended, unless specifically identified therein as being incorporated therein by reference.

Item 8.01. Other Events.

The Partnership cautions that trading in the Partnership’s securities during the pendency of the anticipated Chapter 11 proceedings is highly speculative and poses substantial risks. Trading prices for the Partnership’s securities may bear little or no relationship to the actual recovery, if any, by holders of the Partnership’s securities in the Chapter 11 Cases.

**AZURE MIDSTREAM PARTNERS, LP
VOLUNTARY FILING FOR RELIEF UNDER CHAPTER 11**

Dallas, January 30, 2017 — Azure Midstream Partners, LP (the “**Company**”) (OTCQB: AZUR) today announced that the Company, along with its affiliates and certain subsidiaries, commenced Chapter 11 cases in the United States Bankruptcy Court for the Southern District of Texas in its continuing efforts to manage its debt obligations and conserve its going concern value. The Company anticipates filing a motion to approve procedures for a sale of all or substantially all of its assets, as well as a Chapter 11 plan and accompanying disclosure statement shortly.

The Company has been able to reach a consensual agreement with the lenders under that certain Credit Agreement dated as of February 27, 2015 and the lenders are supportive of the Company’s process, including the sale process.

The Company expects day-to-day operation to continue without interruption throughout the Court-supervised process. The Company expects to maintain sufficient liquidity to maintain its business operations until such time as a sale is consummated.

“While we recognize this is disappointing news, Chapter 11 reorganization is the only solution that maximizes going concern value for all stakeholders,” said I.J. “Chip” Berthelot, Azure President and CEO. “We will continue to operate the company and proceed through this process in a way that best preserves asset value for everyone with an interest.”

The Company also announced that it has filed certain “first day” motions with the court to facilitate operating in the normal course throughout the court-supervised process. The Company is seeking court approval this week to continue paying employees, trade creditors, suppliers, and contractors in the ordinary course of business.

These cases do not involve Azure’s parent company, Azure Midstream Energy,
