Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 10, 2017, the Compensation Committee of the Board of Directors of Newfield Exploration Company (the “*Company*”) approved and adopted amendments (the “*Amendments*”) to the Total Stockholder Return (TSR) Notices of Restricted Stock Unit Award and Terms and Conditions attached thereto governing outstanding TSR awards (the “*TSR Award Agreements*”) previously granted to each of the Company’s named executive officers (collectively, the “*NEOs*”), under the Company’s 2011 Omnibus Stock Plan, as the same may be amended and restated from time to time (the “*Plan*”). The Company approved and adopted similar amendments to outstanding TSR awards under the Plan held by other employees. The Amendments, which are effective as of January 1, 2017, lower the age and service requirements for eligibility for “Qualified Retirement” (as defined in the Amendments) under each TSR Award Agreement, memorialize certain requirements with respect to confidentiality and post-Qualified Retirement business activities that will be conditions to receiving and retaining the shares of common stock and other benefits following a Qualified Retirement, and make certain other clarifying changes to the vesting and tax withholding provisions of the awards. Except as provided in the applicable Amendment, the terms of the TSR Award Agreements remain unchanged.

The foregoing description of the Amendments does not purport to be complete and is qualified in its entirety by reference to the full text of the form of Amendment to Total Stockholder Return (TSR) Notice of Restricted Stock Unit Award and Attached Terms and Conditions, a copy of which will be included as an exhibit to the Company’s Quarterly Report on Form 10-Q for the fiscal quarter ended March 31, 2017.
