Item 4.01 Changes in Registrant's Certifying Accountant.

On February 23, 2017, the Company, upon approval of the Audit Committee of its Board of Directors, engaged Ernst & Young LLP ("EY") as the Company's independent registered public accounting firm for the year ending December 31, 2017. Concurrently, the Company informed Grant Thornton LLP ("GT") that it will be dismissed as the independent registered public accounting firm for the Company. GT will complete the audit of NSAM's consolidated financial statements for the year ended December 31, 2016, to be filed with the Company's Annual Report on Form 10-K for the year ended December 31, 2016. EY previously served as the independent registered public accounting firm for Colony Capital, Inc. GT's dismissal was not due to any reasons related to the reporting or accounting operations, policies or procedures of the Company.

During the years ended December 31, 2016 and 2015 and the subsequent interim period through February 28, 2017, neither the Company nor anyone on its behalf has consulted with EY regarding (1) application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on NSAM's financial statements and neither a written report nor oral advice was provided to the Company that EY concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue, (2) any matter that was the subject of a disagreement within the meaning of Item 304(a)(1)(iv) of Regulation S-K, or (3) any reportable event within the meaning of Item 304(a)(1)(v) of Regulation S-K.

GT's reports on NSAM's consolidated financial statements as of and for the years ended December 31, 2016 and 2015 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audits of NSAM's consolidated financial statements for the years ended December 31, 2016 and 2015, and during the subsequent interim period through February 28, 2017, there were (1) no "disagreements" as that term is defined in Item 304(a)(1)(iv) of Regulation S-K, with GT on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, any of which that, if not resolved to GT's satisfaction, would have caused GT to make reference to the subject matter in its reports for such years and (2) no reportable events within the meaning of Item 304(a)(1)(v) of Regulation S-K.

The Company provided GT with a copy of the disclosure it is making in this Current Report on Form 8-K. The Company requested that GT furnish to the Company a letter addressed to the SEC stating whether or not it agrees with the statements made herein. A copy of GT's letter dated February 28, 2017 is attached as Exhibit 16.1 hereto.
