**PROXY STATEMENT  
FOR THE 2017 ANNUAL MEETING OF STOCKHOLDERS**

**May 25, 2017**

**QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING**

**Why am I receiving these materials?**

We have sent you these proxy materials because the Board of Directors (the “Board”) of Protagonist Therapeutics, Inc. (sometimes referred to as the “Company” or Protagonist) is soliciting your proxy to vote at the 2017 Annual Meeting of Shareholders, including at any adjournments or postponements of the meeting. You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card, or follow the instructions below to submit your proxy over the telephone or through the internet.

We intend to mail these proxy materials on or about April 24, 2017 to all shareholders of record entitled to vote at the Annual Meeting.

**How do I attend the Annual Meeting?**

The meeting will be held on Thursday, May 25, 2017 at 10:00 a.m. local time at Pacific Research Center, 7699 Gateway Blvd., Newark, CA 94560. Directions to the Annual Meeting may be found in the “Events & Presentations” section of the Company’s website at [www.protagonist-inc.com](http://www.protagonist-inc.com). Information on how to vote in person at the Annual Meeting is discussed below.

**Who can vote at the Annual Meeting?**

Only stockholders of record at the close of business on April 17, 2017 will be entitled to vote at the Annual Meeting. On this record date, there were 16,856,416 shares of common stock outstanding and entitled to vote.

*Stockholder of Record: Shares Registered in Your Name*

If on April 17, 2017 your shares were registered directly in your name with Protagonist’s transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or on the internet as instructed below to ensure your vote is counted.

*Beneficial Owner: Shares Registered in the Name of a Broker or Bank*

If on April 17, 2017 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and these

---

proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

#### **What am I voting on?**

There are two matters scheduled for a vote:

- Election of two Class I directors; and
- Ratification of selection by the Audit Committee of the Board of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for its fiscal year ending December 31, 2017.

#### **What if another matter is properly brought before the meeting?**

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

#### **How do I vote?**

You may either vote "For" all the nominees to the Board or you may "Withhold" your vote for any nominee you specify. For the ratification of selection by the Audit Committee of the Board of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2017, you may vote "For" or "Against" or abstain from voting.

The procedures for voting are fairly simple:

#### *Stockholder of Record: Shares Registered in Your Name*

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy using the enclosed proxy card, vote by proxy over the telephone or vote by proxy through the internet. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

- To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.
- To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.
- To vote over the telephone, dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the enclosed proxy card. Your telephone vote must be received by 11:59 p.m., Eastern Time on May 24, 2017 to be counted.
- To vote through the internet, go to [www.proxyvote.com](http://www.proxyvote.com) to complete an electronic proxy card. You will be asked to provide the company number and control number from the enclosed proxy card. Your internet vote must be received by 11:59 p.m., Eastern Time on May 24, 2017 to be counted.

---

*Beneficial Owner: Shares Registered in the Name of Broker or Bank*

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a voting instruction form with these proxy materials from that organization rather than from Protagonist. Simply complete and mail the voting instruction form to ensure that your vote is counted. Alternatively, you may vote by telephone or over the internet as instructed by your broker or bank. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

**Internet proxy voting may be provided to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.**

**How many votes do I have?**

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 17, 2017.

**What happens if I do not vote?**

*Stockholder of Record: Shares Registered in Your Name*

If you are a stockholder of record and do not vote by completing your proxy card, by telephone, through the internet or in person at the Annual Meeting, your shares will not be voted.

*Beneficial Owner: Shares Registered in the Name of Broker or Bank*

If you are a beneficial owner of shares registered in the name of your broker, bank or other nominee, and you do not provide the broker or other nominee that holds your shares with voting instructions, the broker or other nominee will determine if it has the discretionary authority to vote on the particular matter.

**What if I return a proxy card or otherwise vote but do not make specific choices?**

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, "For" the election of both nominees for director and "For" the ratification of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for its fiscal year ending December 31, 2017. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

**Who is paying for this proxy solicitation?**

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

**What does it mean if I receive more than one set of proxy materials?**

If you receive more than one set of proxy materials, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the proxy cards in the proxy materials to ensure that all of your shares are voted.

---

**Can I change my vote after submitting my proxy?**

*Stockholder of Record: Shares Registered in Your Name*

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date.
- You may grant a subsequent proxy by telephone or through the internet.
- You may send a timely written notice that you are revoking your proxy to Protagonist's Secretary at 521 Cottonwood Drive, Suite 100, Milpitas, CA 95035.
- You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

*Beneficial Owner: Shares Registered in the Name of Broker or Bank*

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

**When are stockholder proposals and director nominations due for next year's Annual Meeting?**

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by December 25, 2017, to Protagonist's Secretary at 521 Cottonwood Drive, Suite 100, Milpitas, CA 95035. If you wish to submit a proposal (including a director nomination) at the meeting that is not to be included in next year's proxy materials, you must provide specified information in writing to our corporate Secretary at the address above no earlier than January 25, 2018, and no later than February 24, 2018; provided, however, that if our 2018 Annual Meeting of Stockholders is held before April 25, 2018, or after June 24, 2018, notice by the stockholder to be timely must be received not earlier than the close of business on the 120<sup>th</sup> day prior to such Annual Meeting and not later than the close of business on the later of the 90<sup>th</sup> day prior to such Annual Meeting or the tenth (10<sup>th</sup>) day following the day on which public announcement of the date of such meeting is first made. You are also advised to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

**How are votes counted?**

Votes will be counted by the inspector of election appointed for the meeting, who will separately count, (i) for the proposal to elect directors, votes "For," "Withhold" and broker non-votes; and (ii) with respect to Proposal 2 and any other proposals, votes "For" and "Against," abstentions and, if applicable, broker non-votes. Abstentions will be counted towards the vote total for Proposal 2 and will have the same effect as "Against" votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

**What are "broker non-votes"?**

As discussed above, when a beneficial owner of shares held in "street name" does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed to be "non-routine," the broker or nominee cannot vote the shares. These unvoted shares are counted as "broker non-votes."

---

**How many votes are needed to approve each proposal?**

The following table summarizes the minimum vote needed to approve each proposal and the effect of abstentions and broker non-votes.

<b>Proposal Number</b>	<b>Proposal Description</b>	<b>Vote Required for Approval</b>	<b>Effect of Abstentions</b>	<b>Effect of Broker Non-Votes</b>
1	Election of Directors	Nominees receiving the most “For” votes; withheld votes will have no effect.	Under plurality voting, there are no abstentions.	None
2	Ratification of the selection of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for fiscal year ending December 31, 2017	“For” votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote on the matter.	Against	None

**What is the quorum requirement?**

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the meeting in person or represented by proxy. On the record date, there were 16,856,416 shares outstanding and entitled to vote. Thus, the holders of 8,428,209 shares must be present in person or represented by proxy at the meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the chairperson of the meeting or the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

**How can I find out the results of the voting at the Annual Meeting?**

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

**What proxy materials are available on the internet?**

The annual report to stockholders is available at [www.proxyvote.com](http://www.proxyvote.com).

## PROPOSAL 1

### ELECTION OF DIRECTORS

Protagonist's Board is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

The Board presently has six members. There are two directors in the class whose term of office expires in 2017. Each of the nominees listed below is currently a director of the Company who was previously elected by the stockholders and recommended for election by the Nominating and Corporate Governance Committee of the Board. If elected at the Annual Meeting, each of these nominees would serve until the 2020 Annual Meeting and until his or her successor has been duly elected and qualified, or, if sooner, until the director's death, resignation or removal. It is the Company's policy to encourage the directors and nominees for director to attend the Annual Meeting.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Accordingly, the two nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead will be voted for the election of a substitute nominee proposed by Protagonist. Each person nominated for election has agreed to serve if elected. The Company's management has no reason to believe that any nominee will be unable to serve.

The brief biographies below include information, as of the date of this proxy statement, regarding the specific and particular experience, qualifications, attributes or skills of each nominee for director. In addition, following the biographies of the nominees are the biographies of Class II and Class III directors containing information regarding each director continuing to serve on the Board.

We believe that because of his broad experience in building and running both private as well as public companies, combined with his experience serving on the Board of a variety of biotechnology companies, Dr. Selick is well positioned to provide guidance and insight to the Board and management team.

**INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE****INDEPENDENCE OF THE BOARD OF DIRECTORS**

As required under the NASDAQ Stock Market ("NASDAQ") listing standards, a majority of the members of a listed company's Board must qualify as "independent," as affirmatively determined by the Board. The Board consults with the Company's counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of NASDAQ, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent auditors, the Board has affirmatively determined that the following five directors are independent directors within the meaning of the applicable NASDAQ listing standards: Ms. Papanek, Mr. Waddill, Dr. Khosla, Dr. Shanafelt, and Dr. Selick. In making this determination, the Board found that none of these directors or nominees for director had a material or other disqualifying relationship with the Company. Dr. Patel is not considered independent because he is an executive officer of the Company.

---

In making those independence determinations, the Board took into account certain relationships and transactions that occurred in the ordinary course of business between the Company and entities with which some of its directors are or have been affiliated.

#### **BOARD LEADERSHIP STRUCTURE**

The Board has an independent Chairperson, Dr. Selick, who has authority, among other things, to call and preside over Board meetings, including meetings of the independent directors, to set meeting agendas and to determine materials to be distributed to the Board. Accordingly, the Chairperson of the Board (“Chairperson”) has substantial ability to shape the work of the Board of Directors. The Company believes that separation of the positions of Chairperson and Chief Executive Officer reinforces the independence of the Board in its oversight of the business and affairs of the Company. In addition, the Company believes that having an independent Chairperson creates an environment that is more conducive to objective evaluation and oversight of management’s performance, increasing management accountability and improving the ability of the Board to monitor whether management’s actions are in the best interests of the Company and its stockholders. As a result, the Company believes that having an independent Chairperson can enhance the effectiveness of the Board as a whole.

#### **ROLE OF THE BOARD IN RISK OVERSIGHT**

The Board has responsibility for the oversight of the Company’s risk management processes and, either as a whole or through its committees, regularly discusses with management the Company’s major risk exposures, their potential impact on the Company’s business and the steps taken to manage them. The risk oversight process includes receiving regular reports from Board committees and members of senior management to enable the Board to understand the company’s risk identification, risk management and risk mitigation strategies with respect to areas of potential material risk, including operations, finance, legal, regulatory, strategic, and reputational risk. The Audit Committee reviews information regarding liquidity and operations, and oversees the Company’s management of financial risks. Periodically, the Audit Committee reviews the Company’s policies with respect to risk assessment, risk management, loss prevention, and regulatory compliance. Oversight by the Audit Committee includes direct communication with the Company’s external auditors, and discussions with management regarding significant risk exposures and the actions management has taken to limit, monitor or control such exposures. The Compensation Committee is responsible for assessing whether any of the Company’s compensation policies or programs has the potential to encourage excessive risk taking. The Nominating and Corporate Governance Committee manages risks associated with the independence of the Board, corporate disclosure practices, and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through committee reports about such risks. Matters of significant strategic risk are considered by the Board as a whole.

#### **MEETINGS OF THE BOARD OF DIRECTORS**

The Board met eight times during the last fiscal year. Each Board member attended 75% or more of the aggregate number of meetings of the Board and of the committees on which he or she served, held during the portion of the last fiscal year for which he or she was a director or committee member.

\* Committee Chairperson

Below is a description of each committee of the Board.

Each of the committees has authority to engage legal counsel or other experts or consultants, as it deems appropriate to carry out its responsibilities. The Board has determined that each member of each committee meets the applicable NASDAQ rules and regulations regarding “independence” and each member is free of any relationship that would impair his or her individual exercise of independent judgment with regard to the Company.

**Audit Committee**

The Audit Committee was established by the Board in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), to oversee the Company’s corporate accounting and financial reporting processes and audits of its financial statements. For this purpose, the Audit Committee performs several functions. The Audit Committee evaluates the performance of and assesses the qualifications of the independent auditors; determines and approves the engagement of the independent auditors; determines whether to retain or terminate the existing independent auditors or to appoint and engage new independent auditors; reviews and approves the retention of the independent auditors to perform any proposed permissible non-audit services; monitors the rotation of partners of the independent auditors on the Company’s audit engagement team as required by law; reviews and approves or rejects transactions between the company and any related persons; confers with management and the independent auditors regarding the effectiveness of internal control over financial reporting; establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and meets to review the Company’s annual audited financial statements and quarterly financial statements with management and the independent auditor, including a review of the Company’s disclosures under “Management’s Discussion and Analysis of Financial Condition and Results of Operations.”

The Audit Committee is composed of three directors: Mr. Waddill, Dr. Shanafelt and Ms. Papanek. The Audit Committee met four times during the fiscal year. The Board has adopted a written Audit Committee charter that is available to stockholders in the “Corporate Governance” section of the Company’s website at [www.protagonist-inc.com](http://www.protagonist-inc.com).

The Board reviews the NASDAQ listing standards definition of independence for Audit Committee members on an annual basis and has determined that all members of the Company’s Audit Committee are independent (as independence is currently defined in Rule 5605(c)(2)(A)(i) and (ii) of the NASDAQ listing standards.

---

The Board has also determined that Mr. Waddill qualifies as an “audit committee financial expert,” as defined in applicable SEC rules. The Board made a qualitative assessment of Mr. Waddill’s level of knowledge and experience based on a number of factors, including his formal education and experience as a chief financial officer for public reporting companies. In addition to our Audit Committee, Dr. Shanafelt also serves on the Audit Committee of Aeglea Biotherapeutics, Inc. The Board has determined that this simultaneous service does not impair Dr. Shanafelt’s ability to effectively serve on our Audit Committee.

#### **Report of the Audit Committee of the Board of Directors<sup>1</sup>**

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2016 with management of the Company. The Audit Committee has discussed with the Company’s independent registered public accounting firm, PricewaterhouseCoopers LLP, the matters required to be discussed by Auditing Standard No. 1301, *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board (“PCAOB”). The Audit Committee has also received the written disclosures and the letter from PricewaterhouseCoopers LLP required by applicable requirements of the PCAOB regarding the independent accountants’ communications with the audit committee concerning independence, and has discussed with the PricewaterhouseCoopers LLP the accounting firm’s independence. Based on the foregoing, the Audit Committee has recommended to the Board that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2016.

Mr. William D. Waddill  
Dr. Armen B. Shanafelt  
Ms. Julie Papanek

#### **Compensation Committee**

The Compensation Committee is composed of three directors: Dr. Selick, Mr. Waddill and Ms. Papanek. All members of the Company’s Compensation Committee are independent (as independence is currently defined in Rule 5605(d)(2) of the NASDAQ listing standards and regulations of the SEC, are “non-employee directors” as defined in Rule 16b-3 promulgated under the Exchange Act and “outside directors” as that term is defined in Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”). The Compensation Committee met four times during the fiscal year. The Board has adopted a written Compensation Committee charter that is available to stockholders in the “Corporate Governance” section of the Company’s website at [www.protagonist-inc.com](http://www.protagonist-inc.com).

The Compensation Committee of the Board acts on behalf of the Board to review, adopt and oversee the Company’s compensation strategy, policies, plans and programs, including:

- determining the compensation and other terms of employment of the chief executive officer and the other executive officers and reviewing and approving corporate performance goals and objectives relevant to such compensation;
- reviewing and recommending to the full Board the compensation of the Company’s directors;
- evaluating and administering the equity incentive plans, compensation plans and similar programs advisable for us, as well as reviewing and recommending to the Board the adoption, modification or termination of the Company’s plans and programs;
- establishing policies with respect to equity compensation arrangements;

<sup>1</sup> *The material in this report is not “soliciting material,” is not deemed “filed” with the Commission and is not to be incorporated by reference in any filing of the Company under the Securities Act or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.*

- 
- administration of the Company's equity compensation plans, pension and profit-sharing plans, deferred compensation plans and other similar plan and programs; and
  - conducting an annual assessment of the performance of the Compensation Committee and its members, and the adequacy of its charter.

In addition, once the Company ceases to be an "emerging growth company" as defined in the Jumpstart Our Business Startups Act of 2012, the Compensation Committee will review with management the Company's Compensation Discussion and Analysis and consider whether to recommend that it be included in Proxy Statements and other filings.

#### *Compensation Committee Processes and Procedures*

Typically, the Compensation Committee meets as often as its members deem necessary or appropriate. The agenda for each meeting is usually developed by the Chairperson of the Compensation Committee, in consultation with the Company's Chief Executive Officer. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company. In addition, under the charter, the Compensation Committee has the authority to obtain, at the expense of the Company, advice and assistance from compensation consultants and internal and external legal, accounting or other advisors and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. The Compensation Committee has direct responsibility for the oversight of the work of any consultants or advisers engaged for the purpose of advising the Committee. In particular, the Compensation Committee has the sole authority to retain, in its sole discretion, compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms. Under the charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the compensation committee, other than in-house legal counsel and certain other types of advisers, only after taking into consideration six factors, prescribed by the SEC and NASDAQ, that bear upon the adviser's independence; however, there is no requirement that any adviser be independent.

During the past fiscal year, after taking into consideration the six factors prescribed by the SEC and NASDAQ described above, the Compensation Committee engaged Radford, an AonHewitt Company, as compensation consultants. Radford was selected because it is a well-known and respected national compensation consulting firm that commonly provides information, recommendations and other executive compensation advice to compensation committees and management. The Compensation Committee requested that Radford:

- evaluate the efficacy of the Company's existing compensation strategy and practices in supporting and reinforcing the Company's long-term strategic goals; and
- assist in refining the Company's compensation strategy and in developing and implementing an executive compensation program to execute that strategy.

As part of its engagement, Radford was requested by the Compensation Committee to develop a comparative group of companies and to perform analyses of competitive performance and compensation levels for that group; as well as conduct market research and analysis on annual and long-term incentive programs, salaries, and equity plans; assist in developing target grant levels, target bonus levels, and annual salaries for executive officers and other employees; provide the committee with advice and ongoing recommendations regarding material executive compensation decisions; and review the director compensation program. Radford ultimately developed

---

recommendations that were presented to the Compensation Committee for its consideration. Following an active dialogue with Radford and resulting modifications, the Compensation Committee approved the modified recommendations Radford.

On October 11, 2016, the Compensation Committee adopted a New Hire and Merit Equity Grant Equity Grant Delegation Policy pursuant to which delegated authority was granted to Dr. Patel, the Company's President and Chief Executive Officer, to grant, without any further action required by the Board or the Compensation Committee, stock options to certain non-executive employees and consultants of the Company under the Company's 2016 Equity Incentive Plan (the "2016 Plan"). The purpose of this delegation of authority is to enhance the flexibility of option administration within the Company and to facilitate the timely grant of options to non-management employees within specified limits approved by the Compensation Committee.

In particular, the total number of shares of common stock issuable upon exercise of all such stock options in the aggregate under such delegated authority shall not exceed 300,000 shares and the number of shares of common stock issuable upon exercise of such stock options granted to any individual non-executive employee or consultant shall not exceed the maximum number allowed for such recipient's job level as set forth in a matrix previously approved by the Compensation Committee. The exercise price for each such option may not be lower than the fair market value of the Company as of the date of grant, which shall be the 15<sup>th</sup> or last day of a calendar month (or, if such date is not a business day, then the next business day) that first occurs on or after the later of (i) the date on which such stock option grant is approved by the Chief Executive Officer and (ii) the optionee's employment commencement date. Additionally, the vesting schedule of such stock options shall be a standard four year vesting schedule with a one year cliff. During fiscal 2016, Dr. Patel exercised his authority to grant options to purchase an aggregate of 21,172 shares to non-officer employees.

The Compensation Committee and the Board retain concurrent authority to make equity awards to employees and consultants who are eligible recipients under this policy pursuant to the 2016 Plan. The Compensation Committee receives periodic reports of grants made pursuant to this delegated authority. All other equity awards may be granted only by the Compensation Committee or the Board.

Historically, the Compensation Committee has made most of the significant adjustments to annual compensation, determined bonus and equity awards and established new performance objectives at one or more meetings held during the first quarter of the year. However, the Compensation Committee also considers matters related to individual compensation, such as compensation for new executive hires, as well as high-level strategic issues, such as the efficacy of the Company's compensation strategy, potential modifications to that strategy and new trends, plans or approaches to compensation, at various meetings throughout the year. Generally, the Compensation Committee's process comprises two related elements: the determination of compensation levels and the establishment of performance objectives for the current year. For executives other than the Chief Executive Officer, the Compensation Committee solicits and considers evaluations and recommendations submitted to the Committee by the Chief Executive Officer. In the case of the Chief Executive Officer, the evaluation of his performance is conducted by the Compensation Committee, which determines any adjustments to his compensation as well as awards to be granted. For all executives and directors as part of its deliberations, the Compensation Committee may review and consider, as appropriate, materials such as financial reports and projections, operational data, tax and accounting information, tally sheets that set forth the total compensation that may become payable to executives in various hypothetical scenarios, executive and director stock ownership information, company stock performance data, analyses of historical executive compensation levels and current Company-wide compensation levels and recommendations of the Compensation Committee's compensation consultant, including analyses of executive and director compensation paid at other companies identified by the consultant.

### **Compensation Committee Interlocks and Insider Participation**

None of the members of the compensation committee is currently or has been at any time one of the officers or employees. None of the Company's executive officers currently serves, or has served during the last year, as a member of the Board or compensation committee of any entity that has one or more executive officers serving as a member of the Board or Compensation Committee.

### **Nominating and Corporate Governance Committee**

The Nominating and Corporate Governance Committee of the Board is responsible for identifying, reviewing and evaluating candidates to serve as directors of the Company (consistent with criteria approved by the Board), reviewing and evaluating incumbent directors, recommending to the Board for selection candidates for election to the Board, making recommendations to the Board regarding the membership of the committees of the Board, assessing the performance of management and the Board, and developing a set of corporate governance principles for the Company.

The Nominating and Corporate Governance Committee is composed of three directors: Dr. Shanafelt, Dr. Selick and Dr. Khosla. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ listing standards. The Nominating and Corporate Governance Committee met two times during the fiscal year. The Board has adopted a written Nominating and Corporate Governance Committee charter that is available to stockholders in the "Corporate Governance" section of the Company's website at [www.protagonist-inc.com](http://www.protagonist-inc.com).

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity, age, skills and such other factors as it deems appropriate, given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability.

In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. The Committee also takes into account the results of the Board's self-evaluation, conducted annually on a group and individual basis. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for NASDAQ purposes, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in

---

which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: 521 Cottonwood Drive, Suite 100, Milpitas, CA 95035. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record holder of the Company's stock and has been a holder for at least one year. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

#### **STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS**

Historically, the Company has not provided a formal process related to shareholder communications with the Board. Nevertheless, every effort has been made to ensure that the views of shareholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to shareholders in a timely manner. The Company believes its responsiveness to shareholder communications to the Board has been excellent.

#### **CODE OF ETHICS**

The Company has adopted the Protagonist Therapeutics, Inc. Code of Business Conduct and Ethics that applies to all officers, directors and employees. The Code of Business Conduct and Ethics is available in the "Corporate Governance" section of the Company's website at [www.protagonist-inc.com](http://www.protagonist-inc.com). If the Company makes any substantive amendments to the Code of Business Conduct and Ethics or grants any waiver from a provision of the Code to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver on its website.

#### **CORPORATE GOVERNANCE GUIDELINES**

On July 28, 2016, the Board documented the governance practices followed by the Company by adopting Corporate Governance Guidelines to assure that the Board will have the necessary authority and practices in place to review and evaluate the Company's business operations as needed and to make decisions that are independent of the Company's management. The guidelines are also intended to align the interests of directors and management with those of the Company's stockholders. The Corporate Governance Guidelines set forth the practices the Board intends to follow with respect to board composition and selection, board meetings and involvement of senior management, Chief Executive Officer performance evaluation and succession planning, and board committees and compensation. The Corporate Governance Guidelines, as well as the charters for each committee of the Board, may be viewed in the "Corporate Governance" section of the Company's website at [www.protagonist-inc.com](http://www.protagonist-inc.com).

**PROPOSAL 2**

**RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board has selected PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017 and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. PricewaterhouseCoopers LLP has audited the Company's financial statements since 2016. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Bylaws nor other governing documents or law require stockholder ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm. However, the Audit Committee is submitting the selection of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting will be required to ratify the selection of PricewaterhouseCoopers LLP.

**PRINCIPAL ACCOUNTANT FEES AND SERVICES**

In connection with the audit of the 2016 financial statements, the Company entered into an engagement agreement with PricewaterhouseCoopers LLP that sets forth the terms by which PricewaterhouseCoopers LLP will perform audit services for the Company. That agreement is subject to alternative dispute resolution procedures and an exclusion of punitive damages.

During the fiscal year ended December 31, 2016, none of the total hours expended on the Company's financial audit by PricewaterhouseCoopers LLP were provided by persons other than PricewaterhouseCoopers LLP's full-time permanent employees.

#### **PRE-APPROVAL POLICIES AND PROCEDURES**

The Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by the Company's independent registered public accounting firm, PricewaterhouseCoopers LLP. The policy generally pre-approves specified services in the defined categories of audit services, audit-related services and tax services up to specified amounts. Pre-approval may also be given as part of the Audit Committee's approval of the scope of the engagement of the independent auditor or on an individual, explicit, case-by-case basis before the independent auditor is engaged to provide each service. The pre-approval of services may be delegated to one or more of the Audit Committee's members, but the decision must be reported to the full Audit Committee at its next scheduled meeting.

The Audit Committee has determined that the rendering of services other than audit services by PricewaterhouseCoopers LLP is compatible with maintaining the principal accountant's independence.

The following is a summary of transactions since January 1, 2016 in which the Company participated in which the amount involved exceeded or will exceed \$120,000, and in which any of the Company's directors, executive officers or holders of more than 5% of the Company's capital stock or any members of their immediate family had or will have a direct or indirect material interest, other than compensation arrangements which are described under "Executive Compensation" and "Director Compensation."

**Letter Agreement with Johnson & Johnson Development Corporation**

In May 2013, in connection with the sale of the Company's Series B Stock, the Company entered into a letter agreement with Johnson & Johnson Development Corporation ("JJDC"), as amended on April 19, 2016, pursuant to which the Company granted JJDC a right of first negotiation with respect to the consummation of any proposed sale, transfer, license, commercialization or distribution arrangement (each, a "Transaction") of the Company's inventions, developments, patents, patent applications, know-how or other proprietary rights or products controlled by the Company which are necessary for the research, development or commercialization of the PTG-100, PTG-200 and IL-13 programs (each, a "Program") other than an acquisition, merger, consolidation, or sale of substantially all of its assets. The letter agreement does not apply with respect to the PTG-300 program. The term of JJDC's right of first negotiation commenced in May 2014 and terminates, with respect to any Program, 60 days after the filing of an IND (or the foreign equivalent) by the Company, with respect to each Program (the ROFN Period). On November 1, 2015, JJDC waived their right of first negotiation with respect to PTG-100. Neither the Company, nor JJDC, have an obligation to enter into a Transaction during the ROFN Period.

The Company is not currently pursuing an IL-13 Program. In the event that the Company receives a bona fide term sheet for a Program, it is obligated to notify JJDC of such offer (but not the terms thereof) and JJDC has a period of 30 days to notify the Company of exercise of its right to negotiate for a Transaction. Following expiration of the ROFN Period with respect to any remaining Program, the Company is required to deliver to JJDC certain information relating to such Program, including pre-clinical results, manufacturing protocols and other information relevant to the evaluation of such Program, as determined by the Company. For a period of 60 days following delivery of such information (the "Exclusive Negotiation Period"), the Company is required to negotiate in good faith and exclusively with JJDC to enter into a Transaction with JJDC with respect to such Program and the Company is not permitted to enter into negotiations with any third party with respect to a Transaction involving such Program that would impair the ability of JJDC to exercise its rights under the letter agreement.

Finally, for a period of 180 days following expiration of an Exclusive Negotiation Period for a Program (the "Tail Period"), the Company is not permitted to enter into any a Transaction with respect to such Program with a

third party on terms that contain upfront payments and pre-launch milestones (valued on a risk-adjusted basis) that are inferior in total economic value to those that JJDC and its affiliates last offered to the Company, to the extent any such offer was previously made by JJDC or its affiliates to the Company.

JJDC's right of first negotiation with respect to any Program that has not earlier expired or been waived by JJDC will terminate upon the sale, transfer or other disposition by the Company of all or substantially all of its assets, the consummation of a merger or consolidation with or into another entity, or the transfer (whether by merger, consolidation, equity financing, or otherwise), in one transaction or a series of related transactions, to a person or group of affiliated persons a majority or more of the Company's outstanding voting stock (or the surviving or acquiring entity).

Certain of the holders of more than 5% of the Company's capital stock, or their affiliates, purchased an aggregate of 65,073,304 shares of Series C preferred stock. Such shares of Series C convertible preferred stock converted into 80,337,411 shares of common stock at the completion of the Company's initial public offering in August 2016.

#### **Participation in the Company's Initial Public Offering**

Certain of the holders of more than 5% of the Company's capital stock, or their affiliates, purchased an aggregate of 3,249,998 shares of common stock in the Company's initial public offering. The shares were offered and sold on the same terms as the other shares offered and sold to the public.

#### **Amended and Restated Investors' Rights Agreement**

The Company is party to an amended and restated investors' rights agreement that provides holders of common stock issued upon conversion of the Company's convertible preferred stock, including certain holders of 5% of the Company's capital stock and entities affiliated with certain of the Company's directors, with certain registration rights, including the right to demand that the Company file a registration statement or request that their shares be covered by a registration statement that the Company is otherwise filing, which right expires on August 16, 2019.

#### **Voting Agreement**

Prior to the Company's initial public offering, it was party to an amended and restated voting agreement with certain holders of its common stock and preferred stock, including certain of the Named Executive Officers and directors and entities with which certain of its directors are affiliated, with respect to the election of its directors and certain other matters. The amended and restated voting agreement terminated upon the closing of the Company's initial public offering in August 2016 and none of its stockholders have any special rights regarding the election or designation of members of the Board.

#### **Right of First Refusal and Co-Sale Agreement**

Prior to the Company's initial public offering, it was party to an amended and restated right of first refusal and co-sale agreement with certain holders of its common stock and preferred stock, including certain of the Named Executive Officers and directors and entities with which certain of its directors are affiliated. This agreement provided the holders of preferred stock a right of purchase and a right of co-sale in respect of sales of securities by certain holders of the Company's common stock and preferred stock. These rights of purchase and co-sale were terminated upon the closing of the Company's initial public offering in August 2016.

Under the Company's Amended and Restated Bylaws (the "Restated Bylaws"), the Company is required to indemnify its directors and executive officers to the extent not prohibited under Delaware or other applicable law. The Company has also entered into indemnity agreements with certain officers and directors. These agreements provide, among other things, that the Company will indemnify the officer or director, under the circumstances and to the extent provided for in the agreement, for expenses, damages, judgments, fines and settlements he or she may be required to pay in actions or proceedings which he or she is or may be made a party by reason of his or her position as a director, officer or other agent of the Company, and otherwise to the fullest extent permitted under Delaware law and the Restated Bylaws.

## HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single set of Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Protagonist stockholders will be “householding” the Company’s proxy materials. A single set of Annual Meeting materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate set of Annual Meeting materials, please notify your broker or Protagonist. Direct your written request to Protagonist Therapeutics, Inc., c/o Thomas O’Neil, Chief Financial Officer at 521 Cottonwood Drive, Suite 100, Milpitas, California 95035 or contact Tom O’Neil at 408-649-7370. Stockholders who currently receive multiple copies of Annual Meeting materials at their addresses and would like to request “householding” of their communications should contact their brokers.
