Item 1.01 Entry Into a Material Definitive Agreement.

On June 16, 2017, American Equity Investment Life Holding Company (the “Company”) closed its previously announced sale of \$500,000,000 aggregate principal amount of the Company’s 5.000% Senior Notes due 2027 (the “Notes”) pursuant to an underwriting agreement, dated June 13, 2017 (the “Underwriting Agreement”), among the Company, J.P. Morgan Securities LLC and RBC Capital Markets, LLC, as representatives of the several Underwriters named therein (the “Underwriters”). The Notes were offered and sold under a prospectus, dated June 13, 2017, pursuant to the Company’s shelf registration statement on Form S-3 (Registration No. 333-207077).

The Notes were issued pursuant to the Amended and Restated Indenture, dated as of April 22, 2004 (the “Base Indenture”), between the Company and U.S. Bank National Association, as trustee (the “Trustee”), as amended by a Third Supplemental Indenture, dated as of June 16, 2017 (the “Third Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Company and the Trustee.

The Notes will mature on June 15, 2027, and bear interest at a rate of 5.000% per year (subject to adjustments in the event of changes in the credit ratings on the Notes), payable on June 15 and December 15 of each year, beginning on December 15, 2017. The Notes were issued at a price equal to 99.930% of the principal amount thereof. The Notes are not presently guaranteed by any of the Company’s subsidiaries but may in the future be guaranteed by certain subsidiaries of the Company. The Indenture contains certain restrictive covenants that, among other things, limit the ability of the Company to incur indebtedness, create liens on the stock of certain subsidiaries, issue or sell the stock of certain subsidiaries or merge or consolidate with other entities.

The Underwriting Agreement includes customary representations, warranties, covenants and closing conditions. It also provides for customary indemnification by each of the Company and the Underwriters against certain liabilities and customary contribution provisions in respect of those liabilities.

An affiliate of J.P. Morgan Securities LLC, one of the underwriters, acts as administrative agent and a lender under the Company’s existing Credit Agreement, dated as of September 30, 2016 (the “Credit Agreement”), and affiliates of RBC Capital Markets, LLC, SunTrust Robinson Humphrey, Inc. and Citigroup Global Markets Inc., also underwriters, also act as lenders under the Credit Agreement.

The above descriptions of the Underwriting Agreement, the Base Indenture, the Third Supplemental Indenture and the Notes are summaries and are qualified in their entirety by the terms of the Underwriting Agreement, the Base Indenture, the Third Supplemental Indenture and the Notes. Copies of the Underwriting Agreement, the Base Indenture and the Third Supplemental Indenture (including the form of the Notes) are attached as exhibits 1.1, 4.1 and 4.2, respectively, hereto and incorporated by reference herein.

Item 8.01 Other Events.

On June 16, 2017, the Company elected to call for the redemption of all of its outstanding 6.625% Notes due 2021 (the “2021 Notes”) and a notice of redemption has been sent by Wells

Fargo Bank, National Association, the trustee for the 2021 Notes, to all registered holders of the 2021 Notes. The redemption price for the 2021 Notes is equal to 103.313% of the principal amount of the 2021 Notes plus accrued and unpaid interest on the 2021 Notes, if any, to, but excluding, the redemption date, which will be July 17, 2017.

On June 16, 2017, using a portion of the proceeds from the sale of the Notes, the Company prepaid in full the \$100.0 million term loan made under the Credit Agreement.

As Representatives of the
several Underwriters listed
in Schedule 1 hereto

Ladies and Gentlemen:

American Equity Investment Life Holding Company, an Iowa corporation (the "Company"), proposes to issue and sell to the several Underwriters listed in Schedule 1 hereto (the "Underwriters"), for whom you are acting as representatives (the "Representatives"), \$500,000,000 aggregate principal amount of its 5.000% Senior Notes due 2027 (the "Securities"). The Securities will be issued pursuant to an Indenture dated as of April 22, 2004 (the "Base Indenture") between the Company and U.S. Bank National Association, as trustee (the "Trustee"), as amended by a Supplemental Indenture to be dated as of June 16, 2017 (the "Supplemental Indenture") and together with the Base Indenture, the "Indenture").

The Company hereby confirms its agreement with the several Underwriters concerning the purchase and sale of the Securities, as follows:

1. Registration Statement. The Company has prepared and filed with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended, and the rules and regulations of the Commission thereunder (collectively, the "Securities Act"), a registration statement on Form S-3 (File No. 333-207077), including a prospectus, relating to the Securities. Such registration statement, as amended from time to time, including the information, if any, deemed pursuant to Rule 430A, 430B or 430C under the Securities Act to be part of the registration statement at the time of its effectiveness ("Rule 430 Information"), is referred to herein as the "Registration Statement"; and as used herein, the term "Preliminary Prospectus" means each prospectus included in such registration statement (and any amendments

thereto) before effectiveness, any prospectus filed with the Commission pursuant to Rule 424(a) under the Securities Act and the prospectus included in the Registration Statement at the time of its effectiveness that omits Rule 430 Information, and the term "Prospectus" means the prospectus in the form first used (or made available upon request of purchasers pursuant to Rule 173 under the Securities Act) in connection with confirmation of sales of the Securities. Any reference in this agreement (this "Agreement") to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act, as of the effective date of the Registration Statement or the date of such Preliminary Prospectus or the Prospectus, as the case may be and any reference to "amend," "amendment" or "supplement" with respect to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include any documents filed after such date under the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Commission thereunder (collectively, the "Exchange Act") that are deemed to be incorporated by reference therein. Capitalized terms used but not defined herein shall have the meanings given to such terms in the Registration Statement and the Prospectus.

At or prior to June 13, 2017, the time when sales of the Securities were first made (the "Time of Sale"), the Company had prepared the following information (collectively, the "Time of Sale Information"): a Preliminary Prospectus dated June 13, 2017, and each "free-writing prospectus" (as defined pursuant to Rule 405 under the Securities Act) listed on Annex A hereto.

The Company intends to use the proceeds of the offering of the Securities to (i) redeem all of its outstanding \$400.0 million aggregate principal amount of 6.625% Notes due 2021 (the "2021 Notes"), (ii) prepay in full its \$100.0 million term loan facility (the "Term Loan" and, together with the 2021 Notes, the "Existing Indebtedness") under the Credit Agreement, dated as of September 30, 2016 (the "Credit Agreement"), among the Company, JPMorgan Chase Bank, N.A., as administrative agent, and the other lenders party thereto and (iii) to the extent any proceeds remain, for general corporate purposes (collectively, the "Transactions").

2. Purchase and Sale of the Securities.

(a) The Company agrees to issue and sell the Securities to the several Underwriters as provided in this Agreement, and each Underwriter, on the basis of the representations, warranties and agreements set forth herein and subject to the conditions set forth herein, agrees, severally and not jointly, to purchase from the Company the respective principal amount of Securities set forth opposite such Underwriter's name in Schedule 1 hereto at a price equal to 99.03% of the principal amount thereof plus accrued interest, if any, from June 16, 2017 to the Closing Date (as defined below). The Company will not be obligated to deliver any of the Securities except upon payment for all the Securities to be purchased as provided herein.

(b) The Company understands that the Underwriters intend to make a public offering of the Securities as soon after the effectiveness of this Agreement as in the judgment of the Representatives is advisable, and initially to offer the Securities on the terms set forth in the Time of Sale Information. The Company acknowledges and agrees that the Underwriters may offer and sell Securities to or through any affiliate of an Underwriter and that any such affiliate may offer and sell Securities purchased by it to or through any Underwriter.

(c) Payment for and delivery of the Securities will be made at the offices of Simpson Thacher & Bartlett LLP at 10:00 A.M., New York City time, on June 16, 2017, or at such other time or place on the same or such other date, not later than the fifth business day thereafter, as the Representatives and the Company may agree upon in writing. The time and date of such payment and delivery is referred to herein as the “Closing Date.”

(d) Payment for the Securities shall be made by wire transfer in immediately available funds to the account(s) specified by the Company to the Representatives against delivery to the nominee of The Depository Trust Company (“DTC”), for the account of the Underwriters, of one or more global notes representing the Securities (collectively, the “Global Note”), with any transfer taxes payable in connection with the sale of the Securities duly paid by the Company. The Global Note will be made available for inspection by the Representatives not later than 1:00 P.M., New York City time, on the business day prior to the Closing Date.

(e) The Company acknowledges and agrees that each Underwriter is acting solely in the capacity of an arm’s length contractual counterparty to the Company with respect to the offering of Securities contemplated hereby (including in connection with determining the terms of the offering) and not as a financial advisor or a fiduciary to, or an agent of, the Company or any other person. Additionally, neither the Representatives nor any other Underwriter is advising the Company or any other person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. The Company shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated hereby, and the Underwriters shall have no responsibility or liability to the Company with respect thereto. Any review by the Representatives or any Underwriter of the Company, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Representatives or such Underwriter, as the case may be, and shall not be on behalf of the Company or any other person, as the case may be.

3. Representations and Warranties of the Company. The Company represents and warrants to each Underwriter that:

(a) *Preliminary Prospectus.* No order preventing or suspending the use of any Preliminary Prospectus has been issued by the Commission, and each Preliminary Prospectus, at the time of filing thereof, complied in all material respects with the Securities Act and did not contain any untrue statement of a material fact or omit to

state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that the Company makes no representation or warranty with respect to any statements or omissions made in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by or on behalf of such Underwriter through the Representatives expressly for use in any Preliminary Prospectus.

(b) *Time of Sale Information.* The Time of Sale Information, at the Time of Sale did not, and at the Closing Date will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that the Company makes no representation or warranty with respect to any statements or omissions made in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by or on behalf of such Underwriter through the Representatives expressly for use in the Preliminary Prospectus, the Time of Sale Information or the Prospectus. No statement of material fact included in the Prospectus has been omitted from the Time of Sale Information, and no statement of material fact included in the Time of Sale Information that is required to be included in the Prospectus has been omitted therefrom.

(c) *Issuer Free Writing Prospectus.* The Company (including its agents and representatives, other than the Underwriters in their capacity as such) has not prepared, made, used, authorized, approved or referred to and will not prepare, make, use, authorize, approve or refer to any "written communication" (as defined in Rule 405 under the Securities Act) that constitutes an offer to sell or solicitation of an offer to buy the Securities (each such communication by the Company or its agents and representatives (other than a communication referred to in clauses (i), (ii) and (iii) below) an "Issuer Free Writing Prospectus") other than (i) any document not constituting a prospectus pursuant to Section 2(a)(10)(a) of the Securities Act or Rule 134 under the Securities Act, (ii) the Preliminary Prospectus, (iii) the Prospectus, (iv) the documents listed on Annex A hereto, including a Pricing Term Sheet substantially in the form of Annex B hereto, which constitute part of the Time of Sale Information and (v) any electronic road show or other written communications, in each case approved in writing in advance or used by the Representatives, including, without limitation, the road show and related materials first used by the Company on June 1, 2017. Each such Issuer Free Writing Prospectus as of its issue date and at all subsequent times through the completion of the offering of Securities under this Agreement or until any earlier date that the Company notified or notifies the Representatives as described in the next sentence, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Preliminary Prospectus, the Time of Sale Information or the Prospectus and has been or will be (within the time period specified in Rule 433) filed in accordance with the Securities Act (to the extent required thereby). If at any time following the issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Preliminary Prospectus, the Time of Sale Information or the Prospectus, the Company

has promptly or will promptly notify the Representatives and has promptly amended or supplemented or will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict. Each such Issuer Free Writing Prospectus, when taken together with the Preliminary Prospectus filed prior to the first use of such Issuer Free Writing Prospectus, did not, at the Time of Sale, and at the Closing Date will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that the Company makes no representation or warranty with respect to any statements or omissions made in each such Issuer Free Writing Prospectus in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use in any Issuer Free Writing Prospectus.

(d) *Registration Statement and Prospectus.* The Registration Statement is an “automatic shelf registration statement” as defined under Rule 405 of the Securities Act that has been filed with the Commission not earlier than three years prior to the date hereof; and no notice of objection of the Commission to the use of such registration statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act has been received by the Company. No order suspending the effectiveness of the Registration Statement has been issued by the Commission and no proceeding for that purpose or pursuant to Section 8A of the Securities Act against the Company or related to the offering has been initiated or threatened by the Commission; as of the applicable effective date of the Registration Statement and any amendment thereto, the Registration Statement complied and will comply in all material respects with the Securities Act and the Trust Indenture Act of 1939, as amended, and the rules and regulations of the Commission thereunder (collectively, the “Trust Indenture Act”), and did not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading; and as of the date of the Prospectus and any amendment or supplement thereto, the Prospectus and any such amendment or supplement did not, and as of the Closing Date, the Prospectus will not, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that the Company makes no representation or warranty with respect to (i) that part of the Registration Statement that constitutes the Statement of Eligibility and Qualification (Form T-1) of the Trustee under the Trust Indenture Act or (ii) any statements or omissions made in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by or on behalf of such Underwriter through the Representatives expressly for use in the Registration Statement and the Prospectus and any amendment or supplement thereto.

(e) *Incorporated Documents.* The documents incorporated by reference in each of the Registration Statement, the Prospectus and the Time of Sale Information, when they became effective or were filed with the Commission, as the case may be, conformed in all material respects to the requirements of the Exchange Act, and none of

such documents contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and any further documents so filed and incorporated by reference in the Registration Statement, the Prospectus or the Time of Sale Information, when such documents become effective or are filed with the Commission, as the case may be, will conform in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished to the Company in writing by or on behalf of any Underwriter through the Representatives expressly for use in the Registration Statement, the Prospectus (and any amendment or supplement thereto) and the Time of Sale Information.

(f) *Financial Statements.* The financial statements and the related notes thereto included or incorporated by reference in each of the Registration Statement, the Time of Sale Information and the Prospectus comply in all material respects with the applicable requirements of the Securities Act and the Exchange Act, as applicable, and present fairly the financial position of the Company and its subsidiaries as of the dates indicated and the results of their operations and the changes in their cash flows for the periods specified; such financial statements have been prepared in conformity with generally accepted accounting principles (“GAAP”) applied on a consistent basis throughout the periods covered thereby except as may be expressly stated in the related notes thereto, and the supporting schedules included or incorporated by reference in each of the Registration Statement, the Prospectus and the Time of Sale Information present fairly the information required to be stated therein; and the other financial information included or incorporated by reference in each of the Registration Statement, the Time of Sale Information and the Prospectus has been derived from the accounting records of the Company and its subsidiaries and presents fairly the information shown thereby. The interactive data in eXtensible Business Reporting Language included or incorporated by reference in the Registration Statement, the Prospectus and the Time of Sale Information fairly presents the information called for in all material respects and is prepared in all material respects in accordance with the Commission’s rules and guidelines applicable thereto.

(g) *No Material Adverse Change.* Since the date of the most recent financial statements of the Company included or incorporated by reference in each of the Registration Statement, the Time of Sale Information and the Prospectus, (i) there has not been any change in the capital stock (except for any issuances, repurchases or redemptions of capital stock related to the exercise of stock options) or long-term debt of the Company or any of its subsidiaries, or any dividend or distribution of any kind declared, set aside for payment, paid or made by the Company on any class of capital stock, or any material adverse change, or any development involving a prospective material adverse change, in or affecting the business, properties, financial position or results of operations of the Company and its subsidiaries taken as a whole; (ii) neither

The Company does not own or control, directly or indirectly, any corporation, association or other entity other than the subsidiaries listed in Exhibit 21.2 to the Company's Annual Report on Form 10-K for the year ended December 31, 2016.

(j) *Due Authorization.* The Company has the power and authority to execute and deliver this Agreement, the Securities and the Indenture (collectively, the "Transaction Documents") and to perform its obligations hereunder and thereunder; and all action required to be taken for the authorization, execution and delivery of each of the Transaction Documents and the consummation of the transactions contemplated thereby has been duly and validly taken.

(k) *The Indenture.* The Indenture has been duly authorized by the Company and on the Closing Date will be duly executed and delivered by the Company and, when duly executed and delivered in accordance with its terms by each of the parties thereto, will constitute a valid and legally binding agreement of the Company enforceable against the Company in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally or by equitable principles relating to enforceability (collectively, the "Enforceability Exceptions"); and the Indenture will conform in all material respects to the requirements of the Trust Indenture Act.

(l) *The Securities.* The Securities have been duly authorized by the Company and, when duly executed, authenticated, issued and delivered as provided in the Indenture and paid for as provided herein, will be duly and validly issued and outstanding and will constitute valid and legally binding obligations of the Company enforceable against the Company in accordance with their terms, subject to the Enforceability Exceptions, and will be entitled to the benefits of the Indenture.

(p) *No Conflicts.* The execution, delivery and performance by the Company of each of the Transaction Documents, the issuance and sale of the Securities and compliance by the Company with the terms thereof and the consummation of the transactions contemplated by the Transaction Documents will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, result in the termination, modification or acceleration of, or result in the creation or imposition of any lien, charge or encumbrance upon any property, right or asset of the Company or any of its subsidiaries pursuant to, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to

(c) *No Downgrade.* Subsequent to the earlier of (A) the Time of Sale and (B) the execution and delivery of this Agreement, (i) no downgrading shall have occurred in the rating accorded the Securities or any other debt securities or preferred stock issued or guaranteed by the Company or any of its subsidiaries by any “nationally recognized statistical rating organization,” as such term is defined under Section 3(a)(62) under the Exchange Act and (ii) no such organization shall have publicly announced that it has under surveillance or review, or has changed its outlook with respect to, its rating of the Securities or of any other debt securities or preferred stock issued or guaranteed by the Company or any of its subsidiaries (other than an announcement with positive implications of a possible upgrading).

(d) *No Material Adverse Change.* No event or condition of a type described in Section 3(g) hereof shall have occurred or shall exist, which event or condition is not described in each of the Time of Sale Information (excluding any amendment or supplement thereto) and the Prospectus (excluding any amendment or supplement thereto) the effect of which in the judgment of the Representatives makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities on the terms and in the manner contemplated by this Agreement, the Time of Sale Information and the Prospectus.

(e) *Officer’s Certificate.* The Representatives shall have received on and as of the Closing Date a certificate of an executive officer of the Company who has specific knowledge of the Company’s financial matters and is satisfactory to the Representatives (i) confirming that such officer has reviewed the Registration Statement, the Time of Sale Information and the Prospectus and, to the knowledge of such officer, the representations set forth in Sections 3(b) and 3(d) hereof are true and correct, (ii) confirming that the other representations and warranties of the Company in this Agreement are true and correct and that the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date and (iii) to the effect set forth in paragraphs (a), (c) and (d) above.

(f) *Comfort Letters.* On the date of this Agreement and on the Closing Date, KPMG LLP shall have furnished to the Representatives, at the request of the Company, letters, dated the respective dates of delivery thereof and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives, containing statements and information of the type customarily included in accountants’ “comfort letters” to underwriters with respect to the financial statements and certain financial information contained or incorporated by reference in each of the Registration Statement, the Time of Sale Information and the Prospectus; provided that the letter

delivered on the Closing Date shall use a “cut-off” date no more than three business days prior to the Closing Date.

(g) *Opinion and 10b-5 Statement of Counsel for the Company.* Skadden, Arps, Slate, Meagher & Flom LLP, counsel for the Company, shall have (i) furnished to the Representatives, at the request of the Company, their written opinion, dated the Closing Date and addressed to the Underwriters, and (ii) furnished to the Representatives, at the request of the Company, their 10b-5 Statement, dated the Closing Date and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives, to the effect set forth in Annex C-1 hereto.

(h) *Opinion of the General Counsel.* Renee D. Montz, Executive Vice President and General Counsel of the Company and its subsidiaries, shall have furnished to the Representatives, at the request of the Company, her written opinion, dated the Closing Date and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives, to the effect set forth in Annex C-2 hereto.

(i) *Opinion and 10b-5 Statement of Counsel for the Underwriters.* The Representatives shall have received on and as of the Closing Date an opinion and 10b-5 statement, addressed to the Underwriters, of Simpson Thacher & Bartlett LLP, counsel for the Underwriters, with respect to such matters as the Representatives may reasonably request, and such counsel shall have received such documents and information as they may reasonably request to enable them to pass upon such matters.

(j) *No Legal Impediment to Issuance.* No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal, state or foreign governmental or regulatory authority that would, as of the Closing Date, prevent the issuance or sale of the Securities; and no injunction or order of any federal, state or foreign court shall have been issued that would, as of the Closing Date, prevent the issuance or sale of the Securities.

(k) *Good Standing.* The Representatives shall have received on and as of the Closing Date satisfactory evidence of the good standing of the Company in the State of Iowa in writing or any standard form of telecommunication, from the appropriate governmental authorities of the State of Iowa.

(l) *DTC.* The Securities shall be eligible for clearance and settlement through DTC.

(m) *Indenture and Securities.* The Indenture shall have been duly executed and delivered by a duly authorized officer of the Company and the Trustee, and the Securities shall have been duly executed and delivered by a duly authorized officer of the Company and duly authenticated by the Trustee.

(n) *Transactions.* Concurrently with or prior to the Closing Date, (i) the Company shall have repaid in full all principal, accrued and unpaid interest, premium, if any, fees and other amounts outstanding under the Term Loan, and the Term Loan shall

have been terminated and all Liens thereunder shall have been released or arrangements reasonably satisfactory to the administrative agent shall have been made for their termination and release substantially contemporaneously with the termination of the Term Loan and (ii) the Company shall have issued an irrevocable notice of redemption with respect to the entire outstanding principal amount of the 2021 Notes in accordance with the applicable indenture.

(o) *Additional Documents.* On or prior to the Closing Date, the Company shall have furnished to the Representatives such further certificates and documents as the Representatives may reasonably request.

All opinions, letters, certificates and evidence mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Underwriters.

7. Indemnification and Contribution.

(a) *Indemnification of the Underwriters.* The Company agrees to indemnify and hold harmless each Underwriter, its affiliates, directors and officers and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Prospectus (or any amendment or supplement thereto), any Issuer Free Writing Prospectus or any Time of Sale Information, or caused by any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Underwriter furnished to the Company in writing by or on behalf of such Underwriter through the Representatives expressly for use therein.

(b) *Indemnification of the Company.* Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors and officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities (including, without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred) that arise out of, or are

based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use in the Registration Statement, the Prospectus (or any amendment or supplement thereto), any Issuer Free Writing Prospectus or any Time of Sale Information, it being understood and agreed that the only such information consists of the following paragraphs in the Preliminary Prospectus and the Prospectus: the third paragraph, the third and fourth sentences of the sixth paragraph and the seventh paragraph under the heading “Underwriting (conflicts of interest).”

(c) *Notice and Procedures.* If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such person (the “Indemnified Person”) shall promptly notify the person against whom such indemnification may be sought (the “Indemnifying Person”) in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under paragraph (a) or (b) above. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person (who shall not, without the consent of the Indemnified Person, be counsel to the Indemnifying Person) to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 7 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be paid or reimbursed as they are incurred. Any such separate firm for any Underwriter, its affiliates, directors and officers and any control persons of such Underwriter shall be designated in writing by J.P. Morgan Securities LLC and RBC Capital Markets, LLC, and any such separate firm for the Company, its directors and officers who signed the Registration Statement

and any control persons of the Company shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that an Indemnifying Person reimburse the Indemnified Person for fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by the Indemnifying Person of such request and (ii) the Indemnifying Person shall not have reimbursed the Indemnified Person in accordance with such request prior to the date of such settlement. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) *Contribution.* If the indemnification provided for in paragraph (a) or (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages, expenses or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages, expenses or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Securities or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions that resulted in such losses, claims, damages, expenses or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Company from the sale of the Securities and the total underwriting discounts and commissions received by the Underwriters in connection therewith, in each case as set forth in the table on the cover of the Prospectus, bear to the aggregate offering price of the Securities. The relative fault of the Company on the one hand and the Underwriters on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) *Limitation on Liability.* The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages, expenses and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 7, in no event shall an Underwriter be required to contribute any amount in excess of the amount by which the total underwriting discounts and commissions received by such Underwriter with respect to the offering of the Securities exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 7 are several in proportion to their respective purchase obligations hereunder and not joint.

(f) *Non-Exclusive Remedies.* The remedies provided for in this Section 7 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

8. Effectiveness of Agreement. This Agreement shall become effective as of the date first written above.

9. Termination. This Agreement may be terminated in the absolute discretion of the Representatives, by notice to the Company, if after the execution and delivery of this Agreement and on or prior to the Closing Date (i) trading generally shall have been suspended or materially limited on the New York Stock Exchange or the over-the-counter market; (ii) trading of any securities issued or guaranteed by the Company shall have been suspended on any exchange or in any over-the-counter market; (iii) a general moratorium on commercial banking activities shall have been declared by federal or New York State authorities; or (iv) there shall have occurred any outbreak or escalation of hostilities or any change in financial markets or any calamity or crisis, either within or outside the United States, that, in the judgment of the Representatives, is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities on the terms and in the manner contemplated by this Agreement, the Time of Sale Information and the Prospectus.

10. Defaulting Underwriter.

(a) If, on the Closing Date, any Underwriter defaults on its obligation to purchase the Securities that it has agreed to purchase hereunder, the non-defaulting Underwriters may in their discretion arrange for the purchase of such Securities by other

persons satisfactory to the Company on the terms contained in this Agreement. If, within 36 hours after any such default by any Underwriter, the non-defaulting Underwriters do not arrange for the purchase of such Securities, then the Company shall be entitled to a further period of 36 hours within which to procure other persons satisfactory to the non-defaulting Underwriters to purchase such Securities on such terms. If other persons become obligated or agree to purchase the Securities of a defaulting Underwriter, either the non-defaulting Underwriters or the Company may postpone the Closing Date for up to five full business days in order to effect any changes that in the opinion of counsel for the Company or counsel for the Underwriters may be necessary in the Registration Statement, the Time of Sale Information and the Prospectus or in any other document or arrangement, and the Company agrees to promptly prepare any amendment or supplement to the Registration Statement, the Time of Sale Information and the Prospectus that effects any such changes. As used in this Agreement, the term "Underwriter" includes, for all purposes of this Agreement unless the context otherwise requires, any person not listed in Schedule I hereto that, pursuant to this Section 10, purchases Securities that a defaulting Underwriter agreed but failed to purchase.

(b) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the non-defaulting Underwriters and the Company as provided in paragraph (a) above, the aggregate principal amount of such Securities that remains unpurchased does not exceed one-eleventh of the aggregate principal amount of all the Securities, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Securities that such Underwriter agreed to purchase hereunder plus such Underwriter's pro rata share (based on the principal amount of Securities that such Underwriter agreed to purchase hereunder) of the Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the non-defaulting Underwriters and the Company as provided in paragraph (a) above, the aggregate principal amount of such Securities that remains unpurchased exceeds one-eleventh of the aggregate principal amount of all the Securities, or if the Company shall not exercise the right described in paragraph (b) above, then this Agreement shall terminate without liability on the part of the non-defaulting Underwriters. Any termination of this Agreement pursuant to this Section 10 shall be without liability on the part of the Company, except that the Company will continue to be liable for the payment of expenses as set forth in Section 11 hereof and except that the provisions of Section 7 hereof shall not terminate and shall remain in effect.

(d) Nothing contained herein shall relieve a defaulting Underwriter of any liability it may have to the Company or any non-defaulting Underwriter for damages caused by its default.

11. Payment of Expenses.

(a) Whether or not the transactions contemplated by this Agreement are consummated or this Agreement is terminated, the Company agrees to pay or cause to

be paid all costs and expenses incident to the performance of its obligations hereunder, including without limitation, (i) the costs incident to the authorization, issuance, sale, preparation and delivery of the Securities and any taxes payable in that connection; (ii) the costs incident to the preparation, printing and filing under the Securities Act of the Registration Statement, the Preliminary Prospectus, any Issuer Free Writing Prospectus, any Time of Sale Information and the Prospectus (including all exhibits, amendments and supplements thereto) and the distribution thereof; (iii) the costs of reproducing and distributing each of the Transaction Documents; (iv) the fees and expenses of the Company's counsel and independent accountants; (v) the fees and expenses incurred in connection with the registration or qualification and determination of eligibility for investment of the Securities under the laws of such jurisdictions as the Representatives may designate and the preparation, printing and distribution of a Blue Sky Memorandum (including the related fees and expenses of counsel for the Underwriters); (vi) any fees charged by rating agencies for rating the Securities; (vii) the fees and expenses of the Trustee and any paying agent (including related fees and expenses of any counsel to such parties); (viii) all expenses and application fees incurred in connection with any filing with, and clearance of the offering by, the Financial Industry Regulatory Authority, and the approval of the Securities for book-entry transfer by DTC; and (ix) all expenses incurred by the Company in connection with any "road show" presentation to potential investors. Except as provided in the preceding sentence and in Sections 7 and 11(b), the Underwriters shall pay their own expenses, including the fees and expenses of their counsel.

(b) If (i) this Agreement is terminated pursuant to Section 9, (ii) the Company for any reason fails to tender the Securities for delivery to the Underwriters or (iii) the Underwriters decline to purchase the Securities for any reason permitted under this Agreement, the Company agrees to reimburse the Underwriters for all out-of-pocket costs and expenses (including the fees and expenses of their counsel) reasonably incurred by the Underwriters in connection with this Agreement and the offering contemplated hereby.

12. Persons Entitled to Benefit of Agreement. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and any controlling persons referred to herein, and the affiliates of each Underwriter referred to in Section 7 hereof. Nothing in this Agreement is intended or shall be construed to give any other person any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein. No purchaser of Securities from any Underwriter shall be deemed to be a successor merely by reason of such purchase.

13. Survival. The respective indemnities, rights of contribution, representations, warranties and agreements of the Company and the Underwriters contained in this Agreement or made by or on behalf of the Company or the Underwriters pursuant to this Agreement or any certificate delivered pursuant hereto shall survive the delivery of and payment for the Securities and shall remain in full force and effect, regardless of any termination of this Agreement or any investigation made by or on behalf of the Company or the Underwriters.

14. Certain Defined Terms. For purposes of this Agreement, (a) except where otherwise expressly provided, the term “affiliate” has the meaning set forth in Rule 405 under the Securities Act; (b) the term “business day” means any day other than a day on which banks are permitted or required to be closed in New York City; (c) the term “subsidiary” has the meaning set forth in Rule 405 under the Securities Act; and (d) the term “significant subsidiary” has the meaning set forth in Rule 1-02 of Regulation S-X under the Exchange Act.

15. Compliance with USA Patriot Act. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

Re: American Equity Investment Life Holding Company [•]% Notes due 2027

Ladies and Gentlemen:

We have acted as special counsel to American Equity Investment Life Holding Company, an Iowa corporation (the “Company” or “Our Client”), in connection with the Underwriting Agreement, dated June [•], 2017 (the “Underwriting Agreement”), between you, as representatives of the several Underwriters named therein (the “Underwriters”) and the Company, relating to the sale by the Company to the Underwriters of \$500,000,000 aggregate principal amount of the Company’s [•]% Senior Notes due 2027 (the “Securities”) to be issued under the Amended and Restated Indenture, dated as of April 22, 2004 (the “Base Indenture”), between the Company and U.S. Bank National Association, as trustee (the “Trustee”), as amended by a Supplemental Indenture, dated as of June 13, 2017 (the “Third Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Company and the Trustee.

This opinion is being furnished to you pursuant to Section 6(g) of the Underwriting Agreement. Neither the delivery of this opinion nor anything in connection with the preparation, execution or delivery of the Transaction Agreements (as defined below) or the transactions contemplated thereby is intended to create or shall create an attorney-client relationship with you or any other party except Our Client.

In rendering the opinions stated herein, we have examined and relied upon the following:

(a) the registration statement on Form S-3 (File No. 333-207077) of the Company relating to the Securities and other securities of the Company filed with the Securities and Exchange Commission (the “Commission”) on September 22, 2015 under the Securities Act of

1933 (the "Securities Act") allowing for delayed offerings pursuant to Rule 415 of the General Rules and Regulations under the Securities Act (the "Rules and Regulations"), including information deemed to be a part of the registration statement pursuant to Rule 430B of the Rules and Regulations (such registration statement, including the Incorporated Documents (as defined below), being hereinafter referred to as the "Registration Statement");

- (b) the prospectus, dated September 22, 2015 (the "Base Prospectus"), which forms a part of and is included in the Registration Statement;
- (c) the preliminary prospectus supplement, dated June 13, 2017 (together with the Base Prospectus and the Incorporated Documents, the "Preliminary Prospectus"), relating to the offering of the Securities, in the form filed by the Company pursuant to Rule 424(b) of the Rules and Regulations;
- (d) the prospectus supplement, dated June 13, 2017 (together with the Base Prospectus and the Incorporated Documents, the "Prospectus"), relating to the offering of the Securities, in the form filed by the Company pursuant to Rule 424(b) of the Rules and Regulations;
- (e) the documents described on Schedule I hereto filed by the Company with the Commission pursuant to the Securities Exchange Act of 1934 and incorporated by reference into the Prospectus or Preliminary Prospectus, as the case may be, as of the date hereof (collectively, the "Incorporated Documents");
- (f) an executed copy of the Underwriting Agreement;
- (g) the global certificate evidencing the Securities (the "Note Certificate") in the form delivered by the Company to the Trustee for authentication and delivery;
- (h) an executed copy of the Indenture;
- (i) an executed copy of a certificate of Renee D. Montz, Executive Vice President, General Counsel and Corporate Secretary of the Company, dated the date hereof, a copy of which is attached as Exhibit A hereto (the "Officer's Certificate");
- (j) an executed copy of a certificate of Renee D. Montz, Corporate Secretary of the Company, dated the date hereof (the "Secretary's Certificate"); and
- (k) the Scheduled Contracts (as defined below).

We have also examined originals or copies, certified or otherwise identified to our satisfaction, of such records of the Company and such agreements, certificates and receipts of public officials, certificates of officers or other representatives of the Company and others, and such other documents as we have deemed necessary or appropriate as a basis for the opinions stated below.

In our examination, we have assumed the genuineness of all signatures, including endorsements, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as facsimile, electronic, certified or photostatic copies, and the authenticity of the originals of such copies. As to any facts relevant to the opinions stated herein that we did not independently establish or verify, we have relied upon statements and representations of officers and other representatives of the Company and others and of public officials, including the facts and conclusions set forth in the Officer's Certificate, the Secretary's Certificate and the factual representations and warranties contained in the Transaction Agreements.

We do not express any opinion with respect to the laws of any jurisdiction other than (i) the laws of the State of New York and (ii) the federal laws of the United States of America.

The Underwriting Agreement, Note Certificate and Indenture are referred to herein collectively as the "Transaction Agreements." As used herein: "Scheduled Contracts" means those agreements or instruments described on Schedule II hereto, and "Scheduled Orders" means those orders or decrees described on Schedule III hereto. "General Disclosure Package" means the Preliminary Prospectus as amended and supplemented by the documents identified on Schedule IV hereto.

Based upon the foregoing and subject to the qualifications and assumptions stated herein, we are of the opinion that:

1. Each of the Underwriting Agreement and the Indenture has been duly executed and delivered by the Company, to the extent such execution and delivery are governed by the laws of the State of New York.
2. The Indenture constitutes the valid and binding obligation of the Company, enforceable against the Company in accordance with its terms under the laws of the State of New York.
3. Neither the execution and delivery by the Company of the Transaction Agreements nor the consummation by the Company of the issuance and sale of the Securities contemplated thereby: (i) constitutes a violation of, or a default under, any Scheduled Contract, (ii) contravenes any Scheduled Order, or (iii) violates any law, rule or regulation of the State of New York or the United States of America.
4. Neither the execution and delivery by the Company of the Transaction Agreements nor the consummation by the Company of the issuance and sale of the Securities contemplated thereby requires the consent, approval, licensing or authorization of, or any filing, recording or registration with, any governmental authority under any law, rule or regulation of the State of New York or the United States of America except for those consents, approvals, licenses and authorizations already obtained and those filings, recordings and registrations already made.

5. The Note Certificate has been duly executed by the Company, to the extent such execution is governed by the laws of the State of New York, and when duly authenticated by the Trustee and issued and delivered by the Company against payment therefor in accordance with the terms of the Underwriting Agreement and the Indenture, will constitute a valid and binding obligation of the Company, entitled to the benefits of the Indenture and enforceable against the Company in accordance with its terms under the laws of the State of New York.

6. The statements in the Prospectus and the General Disclosure Package under the captions “Description of Debt Securities” and “Description of the notes” insofar as such statements purport to summarize certain provisions of the Indenture and the Note Certificate, fairly summarize such provisions in all material respects.

7. The Company is not and, solely after giving effect to the offering and sale of the Securities and the application of the proceeds thereof as described in the Prospectus, will not be an “investment company” as such term is defined in the Investment Company Act of 1940, as amended.

The opinions stated herein are subject to the following qualifications:

(a) the opinions stated herein are limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer, preference and other similar laws affecting creditors’ rights generally, and by general principles of equity (regardless of whether enforcement is sought in equity or at law);

(b) except to the extent expressly stated in the opinions contained herein, we do not express any opinion with respect to the effect on the opinions stated herein of (i) the compliance or non-compliance of any party to any of the Transaction Agreements with any laws, rules or regulations applicable to such party or (ii) the legal status or legal capacity of any party to any of the Transaction Agreements;

(c) except to the extent expressly stated in the opinions contained herein, we do not express any opinion with respect to any law, rule or regulation that is applicable to any party to any of the Transaction Agreements or the transactions contemplated thereby solely because such law, rule or regulation is part of a regulatory regime applicable to any such party or any of its affiliates as a result of the specific assets or business operations of such party or such affiliates;

(d) except to the extent expressly stated in the opinions contained herein, we do not express any opinion with respect to any securities, antifraud, derivatives or commodities laws, rules or regulations or Regulations T, U or X of the Board of Governors of the Federal Reserve System;

(e) except to the extent expressly stated in the opinions contained herein, we have assumed that each of the Transaction Agreements constitutes the valid and binding obligation of

each party to such Transaction Agreement, enforceable against such party in accordance with its terms;

(f) except to the extent expressly stated in the opinions contained herein, the opinions stated herein are limited to the agreements specifically identified in the opinions contained herein without regard to any agreement or other document referenced in such agreement (including agreements or other documents incorporated by reference or attached or annexed thereto);

(g) we do not express any opinion whether the execution or delivery of any Transaction Agreement by the Company, or the performance by the Company of its obligations under any Transaction Agreement will constitute a violation of, or a default under, any covenant, restriction or provision with respect to financial ratios or tests or any aspect of the financial condition or results of operations of the Company or any of its subsidiaries;

(h) we call to your attention that certain of the Scheduled Contracts are governed by laws other than those with respect to which we express our opinion and the opinions expressed herein are based solely upon our understanding of the plain meaning of the language contained in such Scheduled Contracts under the laws of the State of New York. We do not assume any responsibility for any interpretation thereof inconsistent with such understanding and we have not consulted attorneys admitted in any other jurisdiction (including any jurisdiction where we or our affiliated firms have offices);

(i) we do not express any opinion with respect to the enforceability of any provision contained in any Transaction Agreement relating to any indemnification, contribution, exculpation, release or waiver that may be contrary to public policy or violative of federal or state securities laws, rules or regulations;

(j) we do not express any opinion with respect to the enforceability of any provision contained in any Transaction Agreement purporting to prohibit, restrict or condition the assignment of rights under such Transaction Agreement to the extent that such prohibition, restriction or condition on assignability is ineffective pursuant to the Uniform Commercial Code;

(k) we do not express any opinion with respect to the enforceability of any provision contained in any Transaction Agreement to the extent any such provision purports to, or has the effect of, waiving any statute of limitations;

(l) we call to your attention that irrespective of the agreement of the parties to any Transaction Agreement, a court may decline to hear a case on grounds of forum non conveniens or other doctrine limiting the availability of such court as a forum for resolution of disputes; in addition, we call to your attention that we do not express any opinion with respect to the subject matter jurisdiction of the federal courts of the United States of America in any action arising out of or relating to any Transaction Agreement; and

(m) to the extent that any opinion relates to the enforceability of the choice of New York law and choice of New York forum provisions contained in any Transaction Agreement, the opinions stated herein are subject to the qualification that such enforceability may be subject to, in each case, (i) the exceptions and limitations in New York General Obligations Law sections 5-1401 and 5-1402 and (ii) principles of comity and constitutionality.

In addition, in rendering the foregoing opinions we have assumed that:

(a) the Company (i) is duly incorporated and is validly existing and in good standing, (ii) has requisite legal status and legal capacity under the laws of the jurisdiction of its organization and (iii) has complied and will comply with all aspects of the laws of the jurisdiction of its organization in connection with the transactions contemplated by, and the performance of its obligations under, the Transaction Agreements;

(b) the Company has the corporate power and authority to execute, deliver and perform all its obligations under each of the Transaction Agreements;

(c) except to the extent expressly stated in the opinions contained herein, each of the Transaction Agreements has been duly authorized, executed and delivered by all requisite corporate action on the part of the Company;

(d) except to the extent expressly stated in the opinions contained herein with respect to the Company, neither the execution and delivery by the Company of the Transaction Agreements nor the performance by the Company of its obligations under each of the Transaction Agreements: (i) conflicts or will conflict with the articles of incorporation or by-laws of the Company, (ii) constitutes or will constitute a violation of, or a default under, any lease, indenture, instrument or other agreement to which the Company or its property is subject, (iii) contravenes or will contravene any order or decree of any governmental authority to which the Company or its property is subject, or (iv) violates or will violate any law, rule or regulation to which the Company or its property is subject;

(e) except to the extent expressly stated in the opinions contained herein with respect to the Company, neither the execution and delivery by the Company of the Transaction Agreements nor the enforceability of each of the Transaction Agreements against the Company requires or will require the consent, approval, licensing or authorization of, or any filing, recording or registration with, any governmental authority under any law, rule or regulation of any jurisdiction; and

(f) in rendering the opinion set forth in paragraph 5 above, we have assumed that the Trustee's certificates of authentication of the Note Certificate will have been manually signed by one of the Trustee's authorized officers and that the Note Certificate conforms to the specimen thereof examined by us.

This opinion is furnished only to you as representatives of the Underwriters and is solely for the Underwriters' benefit in connection with the closing occurring today and the offering of the Securities, in each case pursuant to the Underwriting Agreement. Without our prior written consent, this opinion may not be used, circulated, quoted or otherwise referred to for any other purpose or relied upon by, or assigned to, any other person for any purpose, including any other person that acquires any Securities or that seeks to assert the rights of an Underwriter in respect of this opinion (other than an Underwriter's successor in interest by means of merger, consolidation, transfer of a business or other similar transaction).

Re: American Equity Investment Life Holding Company [•]% Notes due 2027

Ladies and Gentlemen:

We have acted as special counsel to American Equity Investment Life Holding Company, an Iowa corporation (the "Company" or "Our Client"), in connection with the Underwriting Agreement, dated June [•], 2017 (the "Underwriting Agreement"), between you, as representatives of the several Underwriters named therein (the "Underwriters") and the Company, relating to the sale by the Company to the Underwriters of \$500,000,000 aggregate principal amount of the Company's [•]% Senior Notes due 2027 (the "Securities") to be issued under the Amended and Restated Indenture, dated as of April 22, 2004 (the "Base Indenture"), between the Company and U.S. Bank National Association, as trustee (the "Trustee"), as amended by a Supplemental Indenture, dated as of June 13, 2017 (the "Third Supplemental Indenture" and, together with the Base Indenture, the "Indenture"), between the Company and the Trustee.

This letter is being furnished to you pursuant to Section 6(g) of the Underwriting Agreement. Neither the delivery of this letter nor anything in connection with the preparation, execution or delivery of the Underwriting Agreement or the agreements contemplated thereby is intended to create or shall create an attorney-client relationship with you or any other party except Our Client.

In the above capacity, we have reviewed the registration statement on Form S-3 (File No. 333-207077) of the Company relating to the Securities and other securities of the Company filed on September 22, 2015 with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933 (the "Securities Act") allowing for delayed offerings pursuant to Rule 415 of the General Rules and Regulations under the Securities Act (the "Rules and Regulations"), including the Incorporated Documents (as defined below) and the information deemed to be a part of the registration statement pursuant to Rule 430B of the Rules and Regulations (such registration statement being hereinafter referred to as the "Registration Statement"), and (i) the prospectus, dated September 22, 2015 (the "Base Prospectus"), which forms a part of and is included in the Registration Statement, (ii) the preliminary prospectus supplement, dated June 13, 2017 (together with the Base Prospectus and the Incorporated Documents, the "Preliminary Prospectus"), relating to the offering of the Securities in the form

filed with the Commission pursuant to Rule 424(b) of the Rules and Regulations and (iii) the prospectus supplement, dated June 13, 2017 (the “Prospectus Supplement” and, together with the Base Prospectus and the Incorporated Documents, the “Prospectus”), relating to the offering of the Securities in the form filed with the Commission pursuant to Rule 424(b) of the Rules and Regulations. We also have reviewed the documents identified on Schedule I hereto filed by the Company pursuant to the Securities Exchange Act of 1934 and incorporated by reference into the Prospectus or the Preliminary Prospectus, as the case may be, as of the date hereof (collectively, the “Incorporated Documents”), the “issuer free writing prospectus” (as defined in Rule 433(h)(1) of the Rules and Regulations) identified on Schedule II hereto relating to the Securities and such other documents as we deemed appropriate. Assuming the accuracy of the representations and warranties of the Company set forth in Section 3 of the Underwriting Agreement, the Registration Statement became effective upon filing with the Commission pursuant to Rule 462 of the Rules and Regulations and, pursuant to Section 309 of the Trust Indenture Act of 1939, the Indenture has been qualified under the Trust Indenture Act of 1939, and to our knowledge, based solely upon our review of the Commission’s website, no stop order suspending the effectiveness of the Registration Statement has been issued.

In addition, we have participated in conferences with officers and other representatives of the Company, representatives of the independent registered public accountants of the Company and representatives of the Underwriters and counsel for the Underwriters at which the contents of the Registration Statement and the Prospectus, the Disclosure Package (as defined below) and related matters were discussed. We did not participate in the preparation of the Incorporated Documents but have, however, reviewed such documents and discussed the business and affairs of the Company with officers and other representatives of the Company. We do not pass upon, or assume any responsibility for, the accuracy, completeness or fairness of the statements contained or incorporated by reference in the Registration Statement or the Prospectus or the Disclosure Package and have made no independent check or verification thereof (except to the limited extent referred to (i) in paragraph 6 of our opinion to you dated the date hereof and (ii) in our tax opinion to you dated the date hereof).

On the basis of the foregoing, (i) the Registration Statement, at the Effective Time (as defined below) and the Prospectus, as of the date of the Prospectus Supplement, appeared on their face to be appropriately responsive in all material respects to the requirements of the Securities Act and the Rules and Regulations (except that in each case we do not express any view as to the financial statements, schedules and other financial information included or incorporated by reference therein or excluded therefrom or the Statement of Eligibility on Form T-1 (the “Form T-1”)) and (ii) no facts have come to our attention that have caused us to believe that the Registration Statement, at the Effective Time, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or that the Prospectus, as of the date of the Prospectus Supplement and as of the date hereof contained or contains an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (except that in each case we do not express any view as to the financial statements, schedules and other financial information included or incorporated by reference therein or excluded therefrom, the report of management’s assessment of the effectiveness of internal controls over financial reporting or the auditors’ report on the effectiveness of the Company’s internal controls over financial reporting,

or the statements contained in the exhibits to the Registration Statement, including the Form T-1). In addition, on the basis of the foregoing, no facts have come to our attention that have caused us to believe that the Disclosure Package, as of the Applicable Time (as defined below), contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (except that we do not express any view as to the financial statements, schedules and other financial information included or incorporated by reference therein or excluded therefrom, the report of management's assessment of the effectiveness of internal controls over financial reporting or the auditors' report on the effectiveness of the Company's internal controls over financial reporting, or the statements contained in the exhibits to the Registration Statement, including the Form T-1, to the extent included or incorporated by reference therein).

As used herein, (i) "Effective Time" means the time of effectiveness of the Registration Statement for purposes of Section 11 of the Securities Act, as such section applies to the Underwriters, (ii) "Applicable Time" means [●] (Eastern time) on June 13, 2017 and (iii) "Disclosure Package" means the Preliminary Prospectus as amended and supplemented by the documents identified on Schedule II hereto.

This letter is furnished only to you as representatives of the Underwriters and is solely for the Underwriters' benefit in connection with the closing occurring today and the offering of the Securities, in each case pursuant to the Underwriting Agreement. Without our prior written consent, this letter may not be used, circulated, quoted or otherwise referred to for any other purpose or relied upon by, or assigned to, any other person for any purpose, including any other person that acquires any Securities or that seeks to assert the rights of an Underwriter in respect of this letter (other than an Underwriter's successor in interest by means of merger, consolidation, transfer of a business or other similar transaction).

Very truly yours,

I have also examined originals or copies, certified or otherwise identified to my satisfaction, of such records of the Company and the Significant Subsidiaries (as defined below) and such agreements, certificates and receipts of public officials, certificates of officers or other

representatives of the Company and the Significant Subsidiaries and others, and such other documents as I have deemed necessary or appropriate as a basis for the opinions set forth below.

In my examination, I have assumed the legal capacity and competency of all natural persons, the genuineness of all signatures, including endorsements, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as facsimile, electronic, certified or photostatic copies, and the authenticity of the originals of such copies. In making my examination of executed documents, except to the extent expressly stated in the opinions contained herein, I have assumed that each of the Transaction Agreements (as defined below) constitutes the valid and binding obligation of each party to such Transaction Agreement, enforceable against such party in accordance with its terms. As to any facts relevant to the opinions stated herein that I did not independently establish or verify, I have relied upon statements and representations of officers and other representatives of the Company and the Significant Subsidiaries and others and of public officials.

The Underwriting Agreement, the Note Certificate and the Indenture are referred to herein collectively as the "Transaction Agreements." As used herein, (i) "Applicable Contracts" means those indentures or other material agreements or instruments known to me and to which the Company or any Significant Subsidiary is a party or by which the Company or any Significant Subsidiary is bound or to which any of their respective properties or assets are subject; (ii) "Applicable Law" means those laws, rules and regulations of the State of Iowa, including the insurance laws, rules and regulations of the State of Iowa, that, in my experience, are normally applicable to transactions of the type contemplated by the Transaction Agreements (other than state securities or blue sky laws and antifraud laws), but without my having made any special investigation as to the applicability of any specific law, rule or regulation; (iii) "Applicable Order" means those judgments, orders or decrees known to me to be applicable to the Company; (iv) "Organizational Documents" means the Articles of Incorporation of the Company, the Bylaws of the Company, the Articles of Incorporation of American Equity Life, the Bylaws of American Equity Life, the Certificate of Incorporation of American Equity Life of New York, the Bylaws of American Equity Life of New York, the Articles of Incorporation of Eagle Life and the Bylaws of Eagle Life; (v) "Disclosure Package" means the Preliminary Prospectus as amended and supplemented by the issuer free writing prospectus; and (vi) "Significant Subsidiaries" means American Equity Life, American Equity Life of New York and Eagle Life.

The opinions set forth below are subject to the following further qualifications, assumptions and limitations:

(a) the opinion set forth in paragraph 1 below with respect to the valid existence and good standing of the Company is based solely upon the Company Certificate;

(b) the opinion set forth in paragraph 3 below with respect to the valid existence and good standing of American Equity Life is based solely upon the Life SOS Certificate and Life Insurance Certificate;

(c) the opinion set forth in paragraph 4 below with respect to the valid existence and good standing of Eagle Life is based solely upon the Eagle SOS Certificate and Eagle Insurance Certificate;

(d) I do not express any opinion as to the effect of the opinions expressed herein on (i) the compliance or noncompliance of any party to the Underwriting Agreement (other than with respect to the Company to the extent necessary to render the opinions set forth herein) with any state, federal or other laws or regulations applicable to it or them or (ii) the legal or regulatory status or the nature of the business of any party (other than with respect to the Company and the Significant Subsidiaries to the extent necessary to render the opinions set forth herein);

(e) in rendering the opinion set forth in paragraph 10 below, I have not made any inquiries or investigations (other than to attorneys at the Company as I deemed appropriate) or any search of the public docket records of any court, governmental agency or body or administrative agency; and

(f) I note that certain of the Applicable Contracts are governed by laws other than the Applicable Laws; my opinions expressed herein related to such contracts are based solely upon my understanding of the plain language of such agreement or instrument, and I do not express any opinion with respect to the validity, binding nature or enforceability of any such agreement or instrument, and I do not assume any responsibility with respect to the effect on the opinions or statements set forth herein of any interpretation thereof inconsistent with such understanding.

I am admitted to the practice of law in the State of Iowa, and I do not express any opinion as to any laws other than Applicable Laws. Insofar as the opinions expressed herein relate to matters governed by laws other than those set forth in the preceding sentence, I have assumed, without having made any independent investigation, that such laws do not affect any of the opinions set forth herein. The opinions expressed herein are based on laws in effect on the date hereof, which laws are subject to change with possible retroactive effect.

Based upon the foregoing and subject to the limitations, qualifications, exceptions and assumptions set forth herein, I am of the opinion that:

1. The Company is duly incorporated and is validly existing and in good standing under the laws of the State of Iowa.
2. The Company is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure so to qualify or to be in good standing would not reasonably be expected to have a Material Adverse Effect.
3. American Equity Life is duly incorporated and is validly existing and in good standing under the laws of the State of Iowa. American Equity Life has the corporate power and authority to own, lease and operate its properties and to conduct its business, except where the

failure to have such power and authority would not reasonably be expected to have a Material Adverse Effect.

4. Eagle Life is duly incorporated and is validly existing and in good standing under the laws of the State of Iowa. Eagle Life has the corporate power and authority to own, lease and operate its properties and to conduct its business, except where the failure to have such power and authority would not reasonably be expected to have a Material Adverse Effect.

5. Each Significant Subsidiary is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure so to qualify or to be in good standing would not reasonably be expected to have a Material Adverse Effect.

6. The Company has the corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Prospectus and the Disclosure Package and to execute, deliver and perform all of its obligations under each of the Transaction Agreements under the Iowa Business Corporation Act.

7. Each of the Transaction Agreements has been duly authorized, executed and delivered by all requisite corporate action on the part of the Company.

8. Neither the execution and delivery by the Company of the Transaction Agreements nor the consummation by the Company of the transactions contemplated thereby, including the issuance and sale of the Securities by the Company will: (i) conflict with the Organizational Documents; (ii) constitute a violation of, or a breach or default under, the terms of any Applicable Contract (except for any such violation, breach or default that would not, individually or in the aggregate, have a Material Adverse Effect); or (iii) violate or conflict with or result in any contravention of any Applicable Law or any Applicable Order.

9. No consent, approval, authorization or other order of, or registration or filing with, any Iowa State court or arbitrator or Iowa State governmental or regulatory authority having jurisdiction over the Company or any subsidiary or any of their properties is required for the Company's execution, delivery and performance of the Transaction Agreements or consummation of the transactions contemplated thereby, including the issuance and sale of the Securities by the Company, except such as have been obtained or made by the Company and are in full force and effect under the Securities Act and such as may be required by applicable state securities or blue sky laws.

10. To my knowledge, (i) there are no legal or governmental proceedings pending to which the Company or any of its subsidiaries is a party or to which any of its or their property is subject that are required to be disclosed in the Prospectus and the Disclosure Package pursuant to Item 103 of Regulation S-K of the Rules and Regulations that are not so disclosed, and (ii) there are no legal or governmental proceedings threatened to which the Company or any of its subsidiaries is a party or to which any property of the Company or any of its subsidiaries is subject that are not disclosed in the Prospectus and the Disclosure Package and, if determined

adversely to the Company or any of its subsidiaries, would reasonably be expected to have a Material Adverse Effect.

Whenever an opinion herein is qualified by the phrase “to my knowledge” or a similar phrase, it is intended to indicate that I do not have actual knowledge of the inaccuracy of such opinion, after consultation with such other attorneys at the Company as I have deemed appropriate.

This opinion is furnished only to you as representatives of the Underwriters and is solely for the benefit of the Underwriters in connection with the closing occurring today and the offering of the Securities, in each case pursuant to the Underwriting Agreement. Without my prior written consent, this opinion may not be used, circulated, quoted or otherwise referred to for any other purpose or relied upon by, or assigned to, any other person for any purpose, including any other person that acquires any Securities or that seeks to assert your rights in respect of this opinion (other than an Underwriter’s successor in interest by means of merger, consolidation, transfer of a business or other similar transaction).

Very truly yours,

ARTICLE 1

DEFINITIONS AND INCORPORATION BY REFERENCE

Section 1.01. Definitions. Unless the context otherwise requires (including for purposes of the Recitals):

- (a) a term defined in the Base Indenture has the same meaning when used in this Third Supplemental Indenture unless otherwise specified herein;
 - (b) a term defined anywhere in this Third Supplemental Indenture has the same meaning throughout;
-

(c) the definition of any term in this Third Supplemental Indenture that is also defined in the Base Indenture shall for the purposes of this Third Supplemental Indenture supersede the definition of such term in the Base Indenture;

Notwithstanding the foregoing, no Change of Control Triggering Event will be deemed to have occurred in connection with any particular Change of Control unless and until such Change of Control has actually been consummated. References in this definition to S&P and Fitch shall be deemed to include any Rating Agency substituted for S&P or Fitch, as the case may be, in accordance with the definition of “Rating Agency.”

Except as set forth in Section 2.06, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

- (b) If a Note is replaced pursuant to Section 2.07 of the Base Indenture, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser, as such term is defined in Section 8-303 of the Uniform Commercial Code in effect in the State of New York.

- (c) If the principal amount of any Note is considered paid under Section 4.01 of the Base Indenture, it ceases to be outstanding and interest on it ceases to accrue from and after the date of such payment.

- (d) If a Paying Agent (other than the Company, a Subsidiary of the Company or an Affiliate of any thereof) holds, on the maturity date, any redemption date or any date of purchase pursuant to an Offer to Purchase, money sufficient to pay Notes payable or to be redeemed or purchased on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.06. Treasury Notes.

In determining whether the Holders of the requisite principal amount of Notes have concurred in any direction, waiver or consent, Notes beneficially owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is not the Company or any obligor upon the Notes or any Affiliate of the Company or of such other obligor.

Section 2.07. Interest Rate Adjustment.

(a) The interest rate payable on the Notes shall be subject to adjustment from time to time if any of S&P, Fitch or A.M. Best downgrades or subsequently upgrades the credit rating assigned to the Notes in the manner described in this Section 2.07.

(b) If the rating on the Notes from any of S&P, Fitch or A.M. Best is a rating set forth in the table below, the interest rate payable on the Notes shall increase from 5.000% by the sum of the number of basis points set forth below next to such ratings.

Rating Levels	Rating Agency			Percentage
	S&P*	Fitch*	A.M. Best*	
1	BB+	BB	bb+	25 basis points
2	BB	BB-	bb	50 basis points
3	BB-	B+	bb-	75 basis points
4	B+ or below	B or below	b+ or below	100 basis points

* Including the equivalent ratings of any substitute Rating Agency.

If only two Rating Agencies provide a rating on the Notes, the interest rate shall increase from 5.000% by 1.5 multiplied by the sum of the number of basis points next to each of such ratings set forth in the table above. If only one Rating Agency provides a rating on the Notes, the interest rate on the Notes will be increased from 5.000% by three times the number of basis points opposite such rating. If no Rating Agency provides a rating on the Notes, the per annum interest on the Notes will increase to, or remain at, as the case may be, 200 basis points above 5.000%. If any Rating Agency changes its rating or initiates a rating with respect to the Notes, the per annum interest rate on the Notes will be increased or decreased in accordance with this Section 2.07(b).

(c) Any interest rate increase or decrease set forth in this Section 2.07 will take effect from the first Business Day of the interest period during which a rating change requires an adjustment in the interest rate. If any Rating Agency changes its rating on the Notes more than once during any particular interest period, the last such change to occur will control for purposes of the rating provided by such Rating Agency for the applicable interest period.

(d) The interest rate on the Notes will permanently cease to be subject to any adjustment described in this Section 2.07 (notwithstanding any subsequent decrease in the ratings by any other Rating Agency) if the Notes become rated A, A or a or higher by any two of S&P, Fitch and A.M. Best, respectively, with a stable or positive outlook.

(e) In no event shall (1) the per annum interest rate on the Notes be reduced below 5.000%, and (2) the total increase in the per annum interest rate on the Notes exceed 200 basis points above 5.000%.

(f) Nothing in this Section 2.07 shall be construed as a requirement that the Company obtain a rating on the Notes from any Rating Agency or otherwise.

(g) For purposes of this Section 2.07, the term “interest period” shall mean the period from and including an Interest Payment Date (or, if prior to the first Interest Payment Date, from and including the date of original issuance of the Notes) to but excluding the next succeeding Interest Payment Date.

(h) The Company shall give the Trustee prompt written notice of any increase or decrease, pursuant to this Section 2.07, in the interest rate on the Notes, which notice shall set forth the amount of such increase or decrease, the basis therefor and the date from which such increase or decrease shall take effect. The Trustee shall have no duty to independently determine whether any such increase or decrease has occurred, the amount of such increase or decrease or the date from which such increase or decrease shall take effect and shall be entitled to conclusively rely as to such matters on the foregoing written notice from the Company.

ARTICLE 3

REDEMPTION

Section 3.01. Notice of Redemption.

Solely for purposes of the Notes and not for purposes of any other Securities, the first sentence of Section 3.02(a) of the Base Indenture is hereby amended by replacing such sentence with the following sentences:

In case the Company shall desire to exercise such right to redeem all or, as the case may be, a portion of the Notes in accordance with the right reserved so to do, the Company shall, or shall cause the Trustee to, give notice of such redemption to the Holders, with a copy to the Trustee, at least 30 and not more than 60 days prior to the applicable redemption date mailed by first-class mail, postage prepaid, to each Holder's registered address or in accordance with the Applicable Procedures. Notwithstanding the foregoing, redemption notices may be mailed or otherwise provided more than 60 days prior to a redemption date if such notice is issued in connection with the discharge of the obligations of the Company and the Subsidiary Guarantors under the Notes pursuant to the Company's exercise of the defeasance or satisfaction and discharge provisions under this Indenture.

In addition, solely for purposes of the Notes and not for purposes of any other Securities, the first paragraph of Section 3.02(b) of the Base Indenture is hereby amended by replacing such paragraph with the following:

If less than all the Securities of a series are to be redeemed, the Company shall give the Trustee at least 45 days' notice in advance of the date fixed for redemption (or such shorter notice period as the Trustee may agree) as to the aggregate principal amount of Notes to be redeemed, and thereupon the Trustee shall select the Notes for redemption in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed or, if the Notes are not listed, then on as nearly a pro rata basis as possible or by lot or such other similar method in accordance with the Applicable Procedures (subject to such rounding as may be necessary so that Notes are redeemed in whole increments of \$1,000 and no Note of \$2,000 in original principal amount or less will be redeemed in part), and the Trustee shall thereafter promptly notify the Company in writing of the numbers of the Notes to be redeemed, in whole or in part.

Section 3.02. Deposit of Redemption or Purchase Price.

(a) No later than 11:00 a.m. (New York City time) on the redemption or purchase date (or such later time as such date to which the Trustee may reasonably agree), the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or

purchase price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased. Solely for purposes of the Notes and not for purposes of any other Securities, the last sentence of Section 3.03(a) of the Base Indenture is hereby amended and restated in its entirety as follows:

On presentation and surrender of the Notes on or after the date fixed for redemption at the place of payment specified in the notice, the Notes shall be paid and redeemed at the applicable redemption price, together with interest accrued thereon to the date fixed for redemption (but if the date fixed for redemption is on or after a Record Date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders whose Notes will be subject to redemption by the Company).

(b) If the Company complies with the provisions of Section 3.03 of the Base Indenture and Section 3.02(a), on and after the redemption or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the failure of the Company to comply with Section 3.02(a), interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and, to the extent lawful, on any interest accrued to the redemption or purchase date but not paid on such unpaid principal, in each case at the rate provided in the Notes.

Section 3.03. Optional Redemption.

(a) Prior to March 15, 2027, the Company may redeem the Notes, at its option, at any time (the time of any redemption of the Notes, the “Redemption Date”) in whole or from time to time in part at a redemption price calculated by an Independent Investment Banker equal to the greater of (i) 100% of the principal amount of the Notes being redeemed and (ii) the sum of the present values of the remaining principal amount and scheduled payments of interest to March 15, 2027 on the Notes to be redeemed (not including any portion of such payments of interest accrued as of the Redemption Date) discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate, plus 45 basis points, as calculated by an Independent Investment Banker; plus, in case of either (i) or (ii), accrued and unpaid interest on the principal amount of any Notes to be redeemed to, but not including, the Redemption Date.

(b) On or after March 15, 2027, the Company may redeem the Notes, at the Company’s option, at any time in whole or from time to time in part, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest on the principal amount of any Notes to be redeemed to, but not including, the Redemption Date.

(c) If a Redemption Date is on or after an interest Record Date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business on such Record Date, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Company.

Section 3.04. Mandatory Redemption.

The Company will not be required to make mandatory redemption or sinking fund payments with respect to the Notes. Sections 3.04, 3.05 and 3.06 of the Base Indenture shall not apply to the Notes.

ARTICLE 4

COVENANTS

Section 4.01. Payment of Principal, Premium and Interest.

(a) Solely for purposes of the Notes and not for purposes of any other Securities, the second sentence of Section 4.01(a) of the Base Indenture is hereby amended and restated in its entirety as follows:

An installment of principal, premium, if any, or interest shall be considered paid on the applicable due date if on such date the Paying Agent, if other than the Company or a Subsidiary, holds as of 11:00 a.m. (New York City) time, in accordance with this Indenture, money sufficient to pay all of such installment then due.

In addition, solely for purposes of the Notes and not for purposes of any other Securities, Section 4.01(a) of the Base Indenture is further amended by adding the following sentence at the end thereof:

The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

(b) Section 4.01(b) of the Base Indenture relating to Deferral Periods (as defined in the Base Indenture) shall not apply to the Notes.

Section 4.02. Maintenance of Office or Agency.

The Company has initially designated the Corporate Trust Office of the Trustee as the "Place of Payment" for purposes of Section 4.02 of the Base Indenture.

Section 4.03. [Reserved].

Section 4.04. Stay, Extension and Usury Laws.

The Company covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenant that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.05. Reports and Other Information.

(a) Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Company will furnish to the Trustee and the

registered Holders of the Notes, within 15 days of the applicable time periods specified in the relevant forms: (1) all quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if the Company were required to file such Forms, including a “Management’s discussion and analysis of financial condition and results of operations” and, with respect to the annual information only, a report on the annual financial statements by the Company’s independent registered public accounting firm; and (2) all current reports that would be required to be filed with the SEC on Form 8-K if the Company were required to file such reports; *provided, however*, that to the extent such reports are filed with the SEC and publicly available, such reports shall have been deemed to have been provided to the Trustee and the Holders and no additional copies need to be provided to the Trustee and the Holders.

(b) Unless such reports are otherwise filed with the SEC, the Company shall maintain a website to which all of the reports and press releases required by this Section 4.05 are posted to which access will be given to the Trustee, and Holders, prospective purchasers of the Notes, securities analysts and market making institutions that certify their status as such to the reasonable satisfaction of the Company. The Trustee shall have no obligation as to the filing, timeliness or content of such reports.

(c) In addition, if at any time any direct or indirect parent company of the Company guarantees the Notes (there being no obligation of any such parent to do so), such entity holds no material assets other than cash, cash equivalents and the Capital Stock of the Company or any other direct or indirect parent of the Company (and performs the related incidental activities associated with such ownership) and would comply with the requirements of Rule 3-10 of Regulation S-X promulgated by the SEC (or any successor provision), the reports, information and other documents required to be furnished to Holders pursuant to this Section 4.05 may, at the option of the Company, be furnished by and be those of such parent rather than the Company.

(d) Any and all Defaults or Events of Default arising from a failure to furnish or file in a timely manner a report required by this Section 4.05 shall be deemed cured (and the Company shall be deemed to be in compliance with this Section 4.05) upon furnishing or filing such report as contemplated by this Section 4.05 (but without regard to the date on which such report is so furnished or filed); *provided* that such cure shall not otherwise affect the rights of the Holders pursuant to Article VI of the Base Indenture, as amended by Article 6 of this Third Supplemental Indenture, if the principal, premium, if any, and accrued interest have been accelerated in accordance with the terms of this Indenture and such acceleration has not been rescinded or cancelled prior to such cure.

Section 4.06. [Reserved].

Section 4.07. [Reserved].

Section 4.08. Limitation on Indebtedness.

(a) The Company will not, and will not permit any of its Subsidiaries, to create, incur, issue, assume, Guarantee or otherwise become directly or indirectly liable for, contingently or otherwise, any Indebtedness unless:

(1) no Event of Default has occurred and is continuing; and

(2) the Company’s Leverage Ratio as of the Balance Sheet Date immediately preceding the date on which such additional Indebtedness is Incurred would have been no greater than 0.35 to 1.00, determined on a pro forma basis (including a pro forma application of the net proceeds

therefrom) as if the additional Indebtedness and all other Indebtedness Incurred since the immediately preceding Balance Sheet Date had been Incurred and the proceeds therefrom applied as of such day.

Section 4.09. [Reserved].

Section 4.10. [Reserved].

Section 4.11. Limitation on Liens.

(a) Except for Liens specifically permitted under this Indenture, the Company shall not, and shall not permit any of its Subsidiaries to create, assume, incur or permit to exist any Indebtedness for borrowed money (including any guarantee of Indebtedness for borrowed money) that is secured by a Lien on:

(1) the voting securities of any Significant Subsidiary; or

(2) the voting securities of a Subsidiary that owns, directly or indirectly, the voting securities of any of the Significant Subsidiaries, without providing that the issued and outstanding Notes will be secured equally and ratably with Indebtedness so secured so long as such other Indebtedness shall be secured.

(b) If the Company shall hereafter be required to secure the Notes equally and ratably with any other Indebtedness pursuant to this Section 4.11, (i) the Company will promptly deliver to the Trustee an Officers' Certificate stating that the foregoing covenant has been complied with, and an Opinion of Counsel stating that in the opinion of such counsel the foregoing covenant has been complied with and that any instruments executed by the Company in the performance of the foregoing covenant comply with the requirements of the foregoing covenant and (ii) the Trustee is hereby authorized to enter into an indenture or agreement supplemental hereto in form satisfactory to the Trustee in order to provide for such security.

Section 4.12. Offer to Repurchase Upon Change of Control Triggering Event.

(a) If a Change of Control Triggering Event occurs, unless the Company has exercised its right to redeem all of the Notes pursuant to Section 3.03, each Holder will have the right to require the Company to repurchase all or any part (in integral multiples of \$1,000 except that no Note may be tendered in part if the remaining principal amount would be less than \$2,000) of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of the Notes plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

(b) Within 30 days following any Change of Control Triggering Event, except to the extent the Company has exercised its right to redeem all of the Notes pursuant to Section 3.03, or, at the Company's option, prior to any Change of Control Triggering Event but after the public announcement of a transaction or transactions that constitute or may constitute a Change of Control, the Company shall send, by first class mail, or otherwise deliver in accordance with the Applicable Procedures, a notice (the "*Change of Control Offer*") to each Holder or otherwise give notice in accordance with the Applicable Procedures, with a copy to the Trustee, stating:

(1) that a Change of Control Offer is being made and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for purchase by the Company at a purchase price in cash equal to 101% of the principal amount of such Notes plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (subject to the right of Holders of record on a Record Date to receive interest on the relevant Interest Payment Date) (the "*Change of Control Payment*");

(2) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed or otherwise delivered in accordance with the Applicable Procedures, other than as may be required by law) (the "*Change of Control Payment Date*");

- Notes repurchased;
- (3) the procedures determined by the Company, consistent with this Indenture, that a Holder must follow in order to have its Notes repurchased;
 - (4) that any Notes not tendered will continue to accrue interest in accordance with the terms of this Indenture;
 - (5) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;
 - (6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes delivered for purchase and a statement that such Holder is unconditionally withdrawing its election to have such Notes purchased;
 - (7) if such notice is delivered prior to the occurrence of a Change of Control Triggering Event, stating that the Change of Control Triggering Event is conditioned on the occurrence of such Change of Control Triggering Event; and
 - (8) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof.
- (c) On the Change of Control Payment Date, the Company will, to the extent lawful:
- (1) accept for payment all Notes or portions of Notes (in principal amounts of \$2,000 or larger integral multiples of \$1,000 in excess thereof) properly tendered pursuant to the Change of Control Offer;
 - (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes validly tendered; and
 - (3) deliver or cause to be delivered to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.
- (d) The Paying Agent will promptly submit electronically or mail to each Holder of Notes so tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry in accordance with the Applicable Procedures) to each Holder a new Note (it being understood that, notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel or Officer's Certificate will be required for the Trustee to authenticate or deliver such new Note) equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a minimum principal amount of \$2,000 or integral multiples of \$1,000 in excess thereof.
- (e) The Company will not be required to make a Change of Control Offer following a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered

and not withdrawn under such Change of Control Offer or (2) a notice of redemption for all of the outstanding Notes has been given pursuant to this Indenture unless and until there is a default in payment of the applicable redemption price, plus accrued and unpaid interest to, but excluding, the proposed redemption date. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditioned upon such Change of Control Triggering Event.

(f) The Company will comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws or regulations thereunder in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations described in this Indenture by virtue of such compliance.

(g) Other than as specifically provided in this Section 4.12, any purchase pursuant to this Section 4.12 shall be made pursuant to the provisions of Sections 3.02 and 3.03 of the Base Indenture, as amended by this Third Supplemental Indenture.

Section 4.13. Future Subsidiary Guarantors.

(a) Any Subsidiary of the Company that Guarantees Indebtedness under the Senior Credit Agreement shall, within 15 days after giving such Guarantee, execute and deliver to the Trustee a supplemental indenture substantially in the form attached as Exhibit B hereto providing for the Guarantee of the payment of the Notes by such Subsidiary, which Guarantee shall be *pari passu* with such Subsidiary's guarantee of the Indebtedness under the Senior Credit Agreement.

(b) Each Subsidiary Guarantee by a Subsidiary Guarantor shall be automatically and unconditionally released and discharged in accordance with Section 10.06.

Section 4.14. [Reserved].

Section 4.15. Restrictions on Dispositions.

(a) The Company shall not, and shall not permit any of its Subsidiaries to, issue, sell, assign, transfer or otherwise dispose of, directly or indirectly, any of the Common Stock of the Company's Significant Subsidiaries (except to the Company or to one or more of the Company's other Subsidiaries or for the purpose of qualifying directors), unless:

(1) the issuance, sale, assignment, transfer or other disposition is required to comply with the order of a court or regulatory authority of competent jurisdiction, other than an order issued at the Company's request or the request of one of the Company's Subsidiaries;

(2) the entire Capital Stock of a Significant Subsidiary then owned by the Company or one of the Company's Subsidiaries is disposed of in a single transaction or in a series of related transactions, for consideration consisting of cash or other property which is at least equal to the Fair Value of such Capital Stock; or

(3) after giving effect to the issuance, sale, assignment, transfer or other disposition, the Company and its Subsidiaries would own directly or indirectly at least 80% of the issued and outstanding Capital Stock of such Significant Subsidiary and such issuance, sale, assignment,

transfer or other disposition is made for consideration consisting of cash or other property which is at least equal to the Fair Value of such Capital Stock.

Section 4.16. Applicability of Covenants Contained in the Base Indenture.

(a) Each of the agreements and covenants of the Company contained in Article IV of the Base Indenture shall apply to the Notes, except as amended, modified or otherwise specified in this Third Supplemental Indenture.

DEFAULTS AND REMEDIES

Section 6.01. Events of Default.

(a) Solely for purposes of the Notes and not for purposes of any other Securities, Section 6.01(a) of the Base Indenture is hereby modified with respect to the Notes to replace clause (4) thereof with the following:

(4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Company or any of its Subsidiaries (or the payment of which is Guaranteed by the Company or any of its Subsidiaries), other than Indebtedness owed to the Company or a Subsidiary, whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, which default:

(i) is caused by a failure to pay principal on such Indebtedness at its final Stated Maturity within the grace period provided in the agreements or instruments governing such Indebtedness (a "*payment default*"); or

(ii) results in the acceleration of such Indebtedness prior to its final Stated Maturity (the "*cross acceleration provision*");

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates \$50.0 million or more (or its foreign currency equivalent); and

by the Company or a Subsidiary or waived by the holders of the relevant Indebtedness within 30 days after the declaration of acceleration with respect thereto and if (1) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

Solely for purposes of the Notes and not for purposes of any other Securities, Section 9.02 of the Base Indenture is hereby further amended by adding the following paragraph at the end thereof:

The Company will not, and will not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to all Holders and is paid to all Holders that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or amendment; *provided* that if such consents, waivers or amendments are sought in connection with an exchange offer where participation in such exchange offer is limited to Holders who are “qualified institutional buyers” as defined in Rule 144A under the Securities Act, or non-U.S. persons, within the meaning given to such term in Regulation S under the Securities Act, then such consideration need only be offered to all Holders to whom the exchange offer is made and to be paid to all such Holders that consent, waive or agree to amend in such time frame.

ARTICLE 10

GUARANTEES

Section 10.01. Guarantee.

(a) Subject to this Article 10, each of the Subsidiary Guarantors that provides a Subsidiary Guarantee pursuant to Section 4.13 hereby, jointly and severally, irrevocably and unconditionally guarantees, on a senior unsecured basis, to each Holder and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (1) the principal, premium, if any, and interest on the Notes shall be promptly paid in full when due, whether at Stated Maturity, by acceleration, redemption or otherwise, and interest on the overdue principal and interest on the Notes, if any, if lawful, and all other Obligations of the Company to the Holders or the Trustee hereunder or under the Notes shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise collectively, the “*Guaranteed Obligations.*” Failing payment by the Company when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Subsidiary Guarantors shall be jointly and severally obligated to pay the same immediately. Each Subsidiary Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Subsidiary Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Subsidiary Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Subsidiary Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture, or pursuant to Section 10.06.

(c) Each of the Subsidiary Guarantors also agrees, jointly and severally, to pay any and all costs and expenses (including reasonable attorneys’ fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

(d) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Subsidiary Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to the Company or the Subsidiary Guarantors, any amount paid either to the Trustee or such Holder, this Subsidiary Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(e) Each Subsidiary Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders or the Trustee in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Subsidiary Guarantor further agrees that, as between the Subsidiary Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Section 6.02 of the Base Indenture for the purposes of this Subsidiary Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Section 6.02 of the Base Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by the Subsidiary Guarantors for the purpose of this Subsidiary Guarantee. The Subsidiary Guarantors shall have the right to seek contribution from any non-paying Subsidiary Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Subsidiary Guarantees.

(f) Each Subsidiary Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation or reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or the Subsidiary Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(g) In case any provision of any Subsidiary Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(h) Each payment to be made by a Subsidiary Guarantor in respect of its Subsidiary Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Section 10.02. Limitation on Subsidiary Guarantor Liability.

Each Subsidiary Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Subsidiary Guarantor not constitute a fraudulent conveyance or a fraudulent transfer for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Subsidiary Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Subsidiary Guarantors hereby irrevocably agree that the obligations of each Subsidiary Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Subsidiary Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Subsidiary Guarantor in respect of the obligations of such other Subsidiary Guarantor under this Article 10, result in the obligations of such Subsidiary Guarantor under its Subsidiary Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Subsidiary Guarantor that makes a payment under its Subsidiary Guarantee will be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Subsidiary Guarantor in an amount equal to such other Subsidiary Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Subsidiary Guarantors at the time of such payment, determined in accordance with GAAP.

Section 10.03. Execution and Delivery.

(a) To evidence its Subsidiary Guarantee set forth in Section 10.01, each Subsidiary Guarantor hereby agrees that a supplemental indenture to this Indenture, the form of which is attached as Exhibit B, shall be executed on behalf of such Subsidiary Guarantor by an Officer or person holding an equivalent title.

(b) Each Subsidiary Guarantor hereby agrees that its Subsidiary Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Subsidiary Guarantee on the Notes.

(c) If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Subsidiary Guarantees shall be valid nevertheless.

(d) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Subsidiary Guarantee set forth in this Indenture on behalf of the Subsidiary Guarantors.

(e) If required by Section 4.13, the Company shall cause any newly created or acquired Subsidiary to comply with the provisions of Section 4.13 and this Article 10, to the extent applicable.

Section 10.04. Subrogation.

Each Subsidiary Guarantor shall be subrogated to all rights of Holders against the Company in respect of any amounts paid by any Subsidiary Guarantor pursuant to the provisions of Section 10.01; *provided* that, if an Event of Default has occurred and is continuing, no Subsidiary Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Company under this Indenture or the Notes shall have been paid in full.

Section 10.05. Benefits Acknowledged.

Each Subsidiary Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Subsidiary Guarantee are knowingly made in contemplation of such benefits.

Section 10.06. Release of Subsidiary Guarantees.

(a) A Subsidiary Guarantee by a Subsidiary Guarantor shall be automatically and unconditionally released and discharged, and no further action by such Subsidiary Guarantor, the Company or the Trustee shall be required for the release of such Subsidiary Guarantor's Subsidiary Guarantee, upon:

- (1) (A) any sale, exchange or transfer (by merger or otherwise) of the Capital Stock of such Subsidiary Guarantor, following which such Subsidiary Guarantor ceases to be a direct or indirect Subsidiary of the Company if such sale, exchange or transfer is made in compliance with this Indenture;
- (B) if such Subsidiary Guarantor is dissolved or liquidated in accordance with the provisions of this Indenture;
- (C) the release or discharge of the Guarantee by such Subsidiary Guarantor of the Indebtedness that resulted in the creation of such Subsidiary Guarantee, except a discharge or release as a result of payment under such Guarantee by such Subsidiary Guarantor (it being understood that a release subject to a contingent reinstatement is still a release, and if any such Indebtedness of such Subsidiary Guarantor under such Guarantee is so reinstated, such Subsidiary Guarantee shall also be reinstated); or
- (D) the exercise by the Company of its legal defeasance option or covenant defeasance option set forth in Article XIII of the Base Indenture, as amended by Article 13 of this Third Supplemental Indenture, or the discharge of the Company's obligations under this Indenture in accordance with the terms of Article XI of the Base Indenture and

- (2) in the case of clause (1)(A) above only, the Company delivering to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

(b) At the written request of the Company, the Trustee shall execute and deliver any documents reasonably required in order to evidence such release, discharge and termination in respect of the applicable Subsidiary Guarantee.

Section 10.07. Further Assurances.

The Company hereby covenants and agrees, in the event that Subsidiary Guarantees are to be issued pursuant to this Indenture, to file (i) any post-effective amendment to the Company's then effective shelf registration statement and (ii) any other filing required by the SEC in order to register such Subsidiary Guarantees under the Securities Act.

ARTICLE 11

[RESERVED]

ARTICLE 12

IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS

Solely for purposes of the Notes and not for purposes of any other Securities, Article XII of the Base Indenture is hereby supplemented by adding the following:

No past, present or future director, officer, employee, incorporator, member, partner or stockholder of the Company or any of the Subsidiary Guarantors shall have any liability for any obligations of the Company or the Subsidiaries under the Notes, this Indenture, any Subsidiary Guarantee, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes and any Subsidiary Guarantee.

ARTICLE 13

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 13.01. Company's Option to Effect Legal Defeasance or Covenant Defeasance.

Solely for purposes of the Notes and not for purposes of any other Securities, Section 13.01 of the Base Indenture is hereby amended by adding the following sentence at the end thereof:

If the Company exercises the legal defeasance or covenant defeasance option, any Subsidiary Guarantees in effect at such time will be automatically released.

Section 13.02. Legal Defeasance.

The Notes shall be subject to legal defeasance in accordance with Section 13.02 of the Base Indenture.

Section 13.03. Covenant Defeasance.

The Notes shall be subject to covenant defeasance in accordance with Section 13.03 of the Base Indenture, as amended hereby. Solely for purposes of the Notes and not for the purposes of any other Securities, Section 13.03 of the Base Indenture is hereby amended and restated in its entirety as follows:

Upon the Company's exercise of its option to have this Section 13.03 applied to the Notes, (1) the Company and the Subsidiary Guarantors shall be released from their obligations under the covenants contained in Sections 4.05, 4.06 and 4.07 of the Base Indenture, and Sections 4.05, 4.08, 4.11, 4.12, 4.13 and 4.15 of the Third Supplemental Indenture with respect to the outstanding Notes, and any Subsidiary Guarantors shall be deemed to have been discharged from their obligations with respect to all Subsidiary Guarantees, on and after the date the conditions set forth in Section 13.04 are satisfied ("*Covenant Defeasance*"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, *Covenant Defeasance* means that, with respect to this Indenture and the outstanding Notes, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 of this Indenture, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Company's exercise of its *Covenant Defeasance* option, subject to the satisfaction of the conditions set forth in Section 13.04 of the Second Supplemental Indenture, an Event of Default specified in Section 6.01(a)(3) (only with respect to the covenants that are released as a result of such *Covenant Defeasance*) or Section 6.01(a)(4) of this Indenture, in each case, shall not constitute an Event of Default.

Section 13.04. Conditions to Legal or Covenant Defeasance.

For the avoidance of doubt, for purposes of the Notes, clause (6) of Section 13.04 of the Base Indenture shall continue to read as follows:

(6) Such Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any other indenture or other agreement or instrument for borrowed money, pursuant to which in excess of \$50,000,000 principal amount is then outstanding, to which the Company is a party or by which it is bound.

ARTICLE 14

Section 2.1 Form and Dating

(a) Global Notes. Notes shall be issued initially in the form of one or more permanent global Notes in definitive, fully registered form, numbered N-1 upward, in each case without interest coupons and bearing the Global Notes Legend, which Global Notes shall be deposited on behalf of the purchasers of the Notes represented thereby with the Custodian, and registered in the name of the Depository or a nominee of the Depository, duly executed by the Company and authenticated by the Trustee as provided in this Indenture. Each Global Note shall represent such of the outstanding Notes as shall be specified in the “Schedule of Exchanges of Interests in the Global Note” attached thereto, and each shall provide that it shall represent the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder pursuant to Section 2.05 of the Base Indenture and Section 2.3(c) of this Appendix A.

(b) Book-Entry Provisions. This Section 2.1(b) shall apply only to a Global Note deposited with or on behalf of the Depository.

The Company shall execute and the Trustee shall, in accordance with this Section 2.1(b) and Section 2.2 of this Appendix A and pursuant a Company Order, authenticate and deliver initially one or more Global Notes that (i) shall be registered in the name of the Depository for such Global Note or

Global Notes or the nominee of such Depository and (ii) shall be delivered by the Trustee to such Depository or pursuant to such Depository's instructions or held by the Trustee as Custodian.

Members of, or participants in, the Depository ("Agent Members") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository or by the Trustee as Custodian or under such Global Note, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(c) Definitive Notes. Except as provided in Section 2.3 or Section 2.4 of this Appendix A, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of Definitive Notes.

Section 2.2 Authentication. The Trustee shall authenticate and make available for delivery upon receipt of a Company Order (a) Initial Notes for original issue on the Issue Date in an aggregate principal amount of \$500,000,000 and (b) subject to terms of this Indenture, Additional Notes. Such order shall specify the amount of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated and whether the Notes are to be Initial Notes or Additional Notes.

Section 2.3 Transfer and Exchange.

(a) Transfer and Exchange of Definitive Notes for Definitive Notes. When Definitive Notes are presented to the Security Registrar with a request:

(i) to register the transfer of such Definitive Notes; or

(ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Security Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however,* that the Definitive Notes surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Security Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing.

(b) Transfer of a Definitive Note for a Beneficial Interest in a Global Note. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Security Registrar, together with written instructions directing the Trustee to make, or to direct the Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depository account to be credited with such increase, the Trustee shall cancel such Definitive Note and cause, or direct the Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If no Global Notes are then

outstanding, the Company may issue and the Trustee shall authenticate, upon receipt of a Company Order, a new Global Note in the appropriate principal amount.

(c) Transfer and Exchange of Global Notes. (i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver to the Security Registrar a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in such Global Note or another Global Note; and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Note, and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Security Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Security Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix A (other than the provisions set forth in Section 2.4 of this Appendix A), a Global Note may not be transferred except as a whole and not in part by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

Ladies and Gentlemen:

We have acted as special counsel to American Equity Investment Life Holding Company, an Iowa corporation (the "Company"), in connection with the public offering of \$500,000,000 aggregate principal amount of the Company's 5.000% Senior Notes due 2027 (the "Notes") to be issued under the Amended and Restated Indenture, dated as of April 22, 2004 (the "Base Indenture"), between the Company and U.S. Bank National Association (the "Trustee"), as amended by a Supplemental Indenture, dated as of June 16, 2017 (the "Third Supplemental Indenture" and, together with the Base Indenture, the "Indenture"), between the Company and the Trustee.

In rendering the opinion stated herein, we have examined and relied upon the following:

(i) the registration statement on Form S-3 (File No. 333-207077) of the Company relating to the Notes and other securities of the Company filed on September 22, 2015 with the Securities and Exchange Commission (the "Commission") under the Securities Act allowing for delayed offerings pursuant to Rule 415 of the General Rules and Regulations under the Securities Act (the "Rules and Regulations"), including the information deemed to be a part of the registration statement pursuant to Rule 430B of the Rules and Regulations (such registration statement being hereinafter referred to as the "Registration Statement");

(vi) an executed copy of the Indenture; and

(vii) the global certificate evidencing the Notes (the "Note Certificate") in the form delivered by the Company to the Trustee for authentication and delivery.

We have also examined originals or copies, certified or otherwise identified to our satisfaction, of such records of the Company and such agreements, certificates and receipts of public officials, certificates of officers or other representatives of the Company and others, and such other documents as we have deemed necessary or appropriate as a basis for the opinion stated below.

In our examination, we have assumed the genuineness of all signatures, including endorsements, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as facsimile, electronic, certified or photostatic copies, and the authenticity of the originals of such copies. As to any facts relevant to the opinion stated herein that we did not independently establish or verify, we have relied upon statements and representations of officers and other representatives of the Company and others and of public officials.

The Indenture and the Note Certificate are referred to herein collectively as the "Transaction Agreements."

Based upon the foregoing and subject to the qualifications and assumptions stated herein, we are of the opinion that, when duly authenticated by the Trustee and issued and delivered by the Company against payment therefor in accordance with the terms of the Underwriting Agreement and the Indenture, the Note Certificate will constitute the valid and binding obligation of the Company, enforceable against the Company in accordance with its terms under the laws of the State of New York.

The opinion stated herein is subject to the following qualifications:

- (a) the opinion stated herein is limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer, preference and other similar laws affecting creditors' rights generally, and by general principles of equity (regardless of whether enforcement is sought in equity or at law);

 - (c) we do not express any opinion with respect to any law, rule or regulation that is applicable to any party to any of the Transaction Agreements or the transactions contemplated thereby solely because such law, rule or regulation is part of a regulatory regime applicable to any such party or any of its affiliates as a result of the specific assets or business operations of such party or such affiliates;
 - (d) except to the extent expressly stated in the opinion contained herein, we have assumed that each of the Transaction Agreements constitutes the valid and binding obligation of each party to such Transaction Agreement, enforceable against such party in accordance with its terms;
 - (e) we do not express any opinion with respect to the enforceability of any provision contained in any Transaction Agreement relating to any indemnification, contribution, exculpation, release or waiver that may be contrary to public policy or violative of federal or state securities laws, rules or regulations;
 - (f) we have assumed that the Trustee's certificate of authentication of the Note Certificate will have been manually signed by one of the Trustee's authorized officers and that the Note Certificate conforms to the specimen thereof examined by us; and
-

(g) to the extent that any opinion relates to the enforceability of the choice of New York law and choice of New York forum provisions contained in any Transaction Agreement, the opinions stated herein are subject to the qualification that such enforceability may be subject to, in each case, (i) the exceptions and limitations in New York General Obligations Law sections 5-1401 and 5-1402 and (ii) principles of comity or constitutionality.

In addition, in rendering the foregoing opinions we have assumed that, at all applicable times:

(a) the Company (i) was duly incorporated and was validly existing and in good standing, (ii) had requisite legal status and legal capacity under the laws of the jurisdiction of its organization and (iii) has complied and will comply with all aspects of the laws of the jurisdiction of its organization in connection with the transactions contemplated by, and the performance of its obligations under, the Transaction Agreements;

- (ix) resolutions of the Board of Directors of the Company, adopted on September 2, 2015 and June 1, 2017.

I have also examined originals or copies, certified or otherwise identified to my satisfaction, of such records of the Company and such agreements, certificates and receipts of public officials, certificates of officers or other representatives of the Company and others, and such other documents as I have deemed necessary or appropriate as a basis for the opinions set forth below.

In my examination, I have assumed the legal capacity and competency of all natural persons, the genuineness of all signatures, including endorsements, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as facsimile, electronic, certified or photostatic copies, and the authenticity of the originals of such copies. In making my examination of executed documents, except to the extent expressly stated in the opinions contained herein, I have assumed that each of the Transaction Agreements (as defined below) constitutes the valid and binding obligation of each party thereto, enforceable against such party in accordance with its terms. As to any facts relevant to the opinions expressed herein that I did not independently establish or verify, I have relied upon statements and representations of officers and other representatives of the Company and others and of public officials.

The Underwriting Agreement, the Note Certificate and the Indenture are referred to herein collectively as the “Transaction Agreements.”

I am admitted to the practice of law in the State of Iowa, and I do not express any opinion as to any laws other than Applicable Laws. Insofar as the opinions expressed herein relate to matters governed by laws other than those set forth in the preceding sentence, I have assumed, without having made any independent investigation, that such laws do not affect any of the opinions set forth herein. The opinions expressed herein are based on laws in effect on the date hereof, which laws are subject to change with possible retroactive effect. The opinion set

forth in paragraph 1 below with respect to the valid existence and good standing of the Company is based solely upon the Company Certificate.

Based upon the foregoing and subject to the limitations, qualifications, exceptions and assumptions set forth herein, I am of the opinion that:

1. The Company has been duly incorporated and validly exists in good standing under the laws of the State of Iowa.

2. When duly authenticated by the Trustee and issued and delivered by the Company against payment therefor in accordance with the terms of the Underwriting Agreement and the Indenture, the Note Certificate will be duly authorized and delivered by the Company in accordance with the law of the State of Iowa.

The opinion set forth above is subject to (i) the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, (ii) general equitable principles (whether considered in a proceeding in equity or at law) and (iii) an implied covenant of good faith and fair dealing.

I hereby consent to the filing of this opinion with the Commission as an exhibit to the Company's Current Report on Form 8-K being filed on the date hereof and incorporated by reference into the Registration Statement. In giving this consent, I do not thereby admit that I am within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission promulgated thereunder. This opinion is expressed as of the date hereof unless otherwise expressly stated, and I disclaim any undertaking to advise you of any subsequent changes in the facts stated or assumed herein or of any subsequent changes in applicable law.

Very truly yours,
