Item 1.01 Entry into a Material Definitive Agreement***Merger Agreement***

On August 24, 2017, Dimension Therapeutics, Inc., a Delaware corporation (the “Company”), REGENXBIO Inc., a Delaware corporation (“Parent”), and Muddy Charles Acquisition Corporation, a Delaware corporation and a direct, wholly-owned subsidiary of Parent (“Merger Sub”), entered into an Agreement and Plan of Merger (the “Merger Agreement”). Pursuant to the Merger Agreement, Merger Sub will be merged with and into the Company, with the Company surviving as a wholly-owned subsidiary of Parent (the “Merger”).

As a result of the Merger, each outstanding share of the Company’s common stock (other than shares owned by the parties to the Merger Agreement) will be converted into the right to receive 0.1573 of one share of Parent common stock (the “Exchange Ratio”) as set forth in the Merger Agreement. Under the terms of the Merger Agreement at closing, Parent will issue, and the Company’s stockholders will receive in a tax-free exchange, shares of Parent common stock such that as of the date of the Merger Agreement the Company’s stockholders would own approximately 10.9% of the combined company on a pro forma basis.

In connection with the Merger, each stock option and share of restricted stock exercisable for shares of Company common stock that is outstanding at the effective time of the Merger will be assumed by Parent and converted into a stock option or share of restricted stock to purchase the number of shares of Parent common stock that the holder would have received if such holder had exercised such stock option or share of restricted stock for shares of Company common stock prior to the Merger and exchanged such shares for shares of Parent’s common stock in accordance with the Exchange Ratio.

The consummation of the Merger is subject to various customary closing conditions, including but not limited to, (i) approval by the Company’s stockholders, (ii) the expiration or termination of the required waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (iii) the effectiveness of Parent’s registration statement on Form S-4 to be filed with the Securities and Exchange Commission (the “SEC”) and (iv) the shares of Parent common stock to be issued in the Merger shall have been approved for listing on The NASDAQ Global Select Market.

The Merger Agreement includes customary representations, warranties and covenants of the parties customary for a transaction of this type, including, among other things, covenants by the Company to conduct its business in the ordinary course during the interim period between the execution of the Merger Agreement and the consummation of the Merger and not to engage in certain kinds of transactions during such period and representations and warranties of Parent as to its capitalization. The Company has also agreed not to solicit proposals relating to alternative business combination transactions or, subject to certain exceptions that permit the Company’s board of directors to comply with its fiduciary duties, enter into discussions concerning, or furnish non-public information in connection with, any proposals for alternative business combination transactions. The board of directors of the Company has unanimously adopted resolutions recommending the approval and adoption of the Merger Agreement by the Company’s stockholders, and has agreed to hold a stockholder meeting to consider and vote upon the approval and adoption of the Merger Agreement.

The Merger Agreement may be terminated under certain circumstances, including in specified circumstances in connection with superior proposals, or if the Merger is not consummated by April 9, 2018. Upon the termination of the Merger Agreement, under specified circumstances, the Company will be required to pay Parent a termination fee of \$2,850,000.

The assertions embodied in the representations and warranties were made solely for purposes of the contract among the Company and Parent and may be subject to important qualifications and limitations agreed to by the Company and Parent in connection with the negotiated terms. Moreover, some of those representations and warranties may not be accurate or complete as of any specified date, may be subject to a contractual standard of materiality different from those generally applicable to stockholders or may have been used for purposes of allocating risk among the Company and Parent rather than establishing matters as facts. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants in the Merger Agreement or any description thereof as characterizations of the actual state of facts of the Company, Parent or any of their respective subsidiaries or affiliates.

Completion of the Merger is anticipated to occur in the fourth quarter of 2017, although there can be no assurance the Merger will occur within the expected time frame or at all.

This summary of the principal terms of the Merger Agreement and the copy of the Merger Agreement filed as an exhibit to this Form 8-K are intended to provide information regarding the terms of the Merger Agreement and are not intended to modify or supplement any factual disclosures about the Company in its public reports filed with the SEC. In particular, the Merger Agreement and the related summary are not intended to be, and should not be relied upon as, disclosures regarding any facts and circumstances relating to the Company. The foregoing description of the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is filed as an exhibit to this Form 8-K and is incorporated into this report by reference.

Voting Agreement

Concurrently with the execution of the Merger Agreement, Parent entered into a voting agreement (the "Voting Agreement") with each director and executive officer of the Company who owns Company securities, who collectively hold approximately 1% of the outstanding shares of Company common stock. Under the Voting Agreement, the parties signing the Voting Agreement agree, during the term of the Voting Agreement, to vote their shares of Company common stock (i) in favor of the adoption of Merger Agreement and the approval of the transactions contemplated thereby and (ii) against any alternative acquisition proposal, and not to, directly or indirectly, sell, transfer, exchange or otherwise dispose of their shares, subject to certain limited exceptions. The foregoing description of the Voting Agreement does not purport to be complete and is qualified in its entirety by reference to the form of Voting Agreement provided as Exhibit B to the Merger Agreement, which is attached as Exhibit 2.1 to this Current Report on Form 8-K and incorporated herein by reference.

Item 8.01. Other Events.

On August 25, 2017, the Company and Parent issued a joint press release announcing the Merger. A copy of the press release is filed as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference.

AGREEMENT

The parties to this Agreement, intending to be legally bound, agree as follows:

Article I

MERGER TRANSACTION

Section 1.1 Merger of Merger Sub into the Company.

(a) Upon the terms and subject to the conditions set forth in this Agreement, and in accordance with the DGCL, Merger Sub shall be merged with and into the Company at the Effective Time. Following the Effective Time, the separate corporate existence of Merger Sub shall cease, and the Company shall be the surviving corporation in the Merger (with respect to all post-Closing periods, the “**Surviving Corporation**”) and shall succeed to and assume all the rights and obligations of Merger Sub in accordance with this Agreement and the applicable provisions of the DGCL.

(b) The consummation of the Merger (the “**Closing**”) shall take place at the offices of Goodwin Procter LLP, 100 Northern Avenue, Boston, MA 02210, at 9:00 a.m. local time no later than the second business day

following the day on which the last to be satisfied of the conditions set forth in Article VII (other than those conditions that by their nature must be satisfied or waived at the Closing, but subject to the fulfillment or waiver of such conditions) shall be satisfied or waived in accordance with this Agreement, or at such other place, time and date as the parties hereto shall agree. The date on which the Closing occurs is referred to as the “**Closing Date**”.

(c) Subject to the provisions of this Agreement, contemporaneous with the Closing, the parties hereto shall cause the Merger to be consummated by filing with the Secretary of State of the State of Delaware a certificate of merger with respect to the Merger (the “**Certificate of Merger**”), executed in accordance with the relevant provisions of the DGCL and shall promptly make all other filings or recordings required under the DGCL with respect to the Merger. The Merger shall become effective at such time as the Certificate of Merger is duly filed with the Secretary of State of the State of Delaware, or at such later time or date as Parent and the Company shall agree and specify in the Certificate of Merger (the time at which the Merger becomes effective, the “**Effective Time**”).

Section 1.2 Organizational Documents; Directors and Officers of the Surviving Corporation.

(a) At the Effective Time, by virtue of the Merger, the certificate of incorporation of the Surviving Corporation shall be amended and restated in its entirety to be the same as the certificate of incorporation of Merger Sub, as in effect immediately prior to the Effective Time, except that such certificate of incorporation shall (i) be amended to change the name of the Surviving Corporation to “Dimension Therapeutics, Inc.” and (ii) comply with Section 6.4. Thereafter, the certificate of incorporation of the Surviving Corporation may only be amended in accordance with its terms, Section 6.4 and as provided by Law.

(b) At the Effective Time, by virtue of the Merger, the bylaws of Merger Sub as in effect immediately prior to the Effective Time shall be the bylaws of the Surviving Corporation (except that (i) all references to Merger Sub in the bylaws of the Surviving Corporation shall be amended to refer to “Dimension Therapeutics, Inc.” and (ii) such bylaws shall comply with Section 6.4). Thereafter, the bylaws of the Surviving Corporation may only be amended or repealed in accordance with their terms and the certificate of incorporation of the Surviving Corporation, Section 6.4 and as provided by Law.

(c) The Company shall cause to be delivered to Parent, at the Closing, resignations of all the directors of the Company to be effective upon the Effective Time. At the Effective Time, the directors and officers of Merger Sub shall be appointed as the directors and officers, respectively, of the Surviving Corporation, and such directors and officers shall hold office in accordance with and subject to the certificate of incorporation and bylaws of the Surviving Corporation and the DGCL.

Article II

CONVERSION OF SHARES AND DELIVERY OF MERGER CONSIDERATION

Section 2.1 Conversion of Capital Stock. At the Effective Time, as a result of the Merger and without any action on the part of the Company, Parent, Merger Sub or the holder of any capital stock of Parent, Merger Sub or the Company:

(a) Each share of Parent Common Stock issued and outstanding immediately prior to the Effective Time shall remain issued and outstanding and shall not be affected by the Merger.

(b) All Shares that are owned by the Company, Parent or Merger Sub (other than Shares held in trust accounts, managed accounts and the like, or otherwise held in a fiduciary or agency capacity, that are beneficially owned by Third Parties) shall be cancelled and shall cease to exist and no stock of Parent or other consideration shall be delivered in exchange therefor.

(c) Except as provided in Section 2.1(b), each Share issued and outstanding immediately prior to the Effective Time, and subject to Section 2.1(e) and Section 2.2, shall automatically be converted into the right to receive 0.1573 shares of Parent Common Stock (such number of shares of Parent Common Stock, the “**Exchange Ratio**”), subject to adjustment as provided in Section 2.1(f) (the “**Merger Consideration**”), without interest, but subject to any withholding required under applicable Tax Law, plus the right, if any, to receive pursuant to Section 2.7, cash in lieu of fractional shares of Parent Common Stock into which such Shares would have been converted pursuant to this Section 2.1(c) (the “**Fractional Share Consideration**”).

(d) Each share of common stock of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into and become one newly issued, fully paid, and non-assessable share of common stock, par value \$0.0001 per share, of the Surviving Corporation and shall constitute the only outstanding shares of capital stock of the Surviving Corporation outstanding at the Effective Time. From and after the Effective Time, all certificates representing shares of Merger Sub Common Stock shall be deemed for all purposes to represent the number of shares of common stock of the Surviving Corporation into which they were converted in accordance with the immediately preceding sentence.

(e) All of the Shares converted into the right to receive the Merger Consideration pursuant to this Article II shall no longer be outstanding and shall automatically be cancelled and shall cease to exist as of the Effective Time, and each certificate previously representing any such Shares (each, a “**Certificate**”) or any book-entry share registered in the transfer books of the Company (each, a “**Book-Entry Share**”) shall thereafter represent only the right to receive the Merger Consideration and any applicable Fractional Share Consideration, as well as any dividends to which holders of Shares become entitled in accordance with Section 2.2(e).

(f) If, between the date of this Agreement and the Effective Time, the outstanding shares of Parent Common Stock shall have been increased, decreased, changed into or exchanged for a different number or kind of shares or securities as a result of a reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split, or other similar change in capitalization, an appropriate and proportionate adjustment shall be made to the Exchange Ratio.

(g) Notwithstanding anything to the contrary contained in this Agreement, the Company acknowledges and agrees that Parent shall not under any circumstances have any obligation to issue, and the Company shall not agree to cause Parent or any of its Affiliates to issue (including by means of the Company issuing Shares prior to the Effective Time) equity securities of any kind (including shares of Parent Common Stock) to MTS Health Partners, L.P., its Affiliates or any other broker, finder, financial advisor or investment banker retained by the Company or any of its Affiliates in connection with the Contemplated Transactions.

Section 2.2 Exchange of Shares.

(a) Exchange Agent. Prior to the Effective Time, Parent shall appoint a bank or trust company reasonably satisfactory to the Company to act as exchange agent (the “**Exchange Agent**”) for the payment and delivery of the Merger Consideration and the Fractional Share Consideration, as provided in Section 2.1(c), Section 2.2 and Section 2.7. On or before the Effective Time, Parent shall deposit, or cause to be deposited, with the Exchange Agent (i) the shares of Parent Common Stock sufficient to pay the Merger Consideration and (ii) cash in immediately available funds in an amount sufficient to pay the Fractional Share Consideration and any dividends then payable under Section 2.2(e) (such shares of Parent Common Stock and cash amounts, the “**Aggregate Merger Consideration**,” and such Aggregate Merger Consideration as deposited with the Exchange Agent, the “**Exchange Fund**”), in each case, for the benefit of the holders of Shares and shares of Company Restricted Stock. Parent shall cause the Exchange Agent to make, and the Exchange Agent shall make delivery of the Merger Consideration, payment of the Fractional Share Consideration and any amounts payable in respect of dividends or other distributions on shares of Parent Common Stock in accordance with Section 2.2(e) out of the Exchange Fund in accordance with this Agreement. The Exchange Fund shall not be used for any other purpose. In the event the Exchange Fund shall be insufficient to make the payments of the Fractional Share Consideration

and any amounts payable in respect of dividends or other distributions on shares of Parent Common Stock in accordance with Section 2.2(e), Parent shall promptly deposit, or cause to be deposited, additional funds with the Exchange Agent in an amount which is equal to the deficiency in the amount required to make such payments, without interest.

(b) Transfer Books. At the Effective Time, the share transfer books of the Company shall be closed, and thereafter there shall be no further registration of transfers of Shares. From and after the Effective Time, Persons who held Shares immediately prior to the Effective Time shall cease to have rights with respect to such Shares, except as otherwise provided for herein. On or after the Effective Time, any Certificates presented to the Exchange Agent or the Surviving Corporation for any reason shall be exchanged for the Merger Consideration with respect to the Shares formerly represented thereby.

(c) Exchange Procedures. As promptly as practicable following the Effective Time (but in no event later than two business days thereafter), Parent shall cause the Exchange Agent to mail to each holder of record of a Certificate or Certificates that immediately prior to the Effective Time represented outstanding Shares whose shares were converted into the right to receive the Merger Consideration pursuant to Section 2.1(c): (i) a letter of transmittal (a “**Letter of Transmittal**”) which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass to the Exchange Agent only upon proper delivery of the Certificates (or affidavits of loss in lieu thereof) to the Exchange Agent, which Letter of Transmittal shall be in such form and have such other customary provisions as Parent and the Company shall reasonably specify, and (ii) instructions for use in effecting the surrender of the Certificates (or affidavits of loss in lieu thereof) in exchange for the Merger Consideration into which the number of Shares previously represented by such Certificate shall have been converted pursuant to this Agreement, together with any amounts payable in respect of the Fractional Share Consideration in accordance with Section 2.7 and dividends or other distributions on shares of Parent Common Stock in accordance with Section 2.2(e). Upon surrender of a Certificate (or affidavit of loss in lieu thereof) to the Exchange Agent, or to such other agent or agents reasonably satisfactory to the Company as may be appointed by Parent, together with such Letter of Transmittal duly completed and validly executed in accordance with the instructions thereto, and such other documents as may reasonably be required by the Exchange Agent or such other agent or agents, the holder of such Certificate shall be entitled to receive in exchange therefor the Merger Consideration payable in respect of the Shares previously represented by such Certificate pursuant to the provisions of this Article II, plus any Fractional Share Consideration that such holder has the right to receive pursuant to the provisions of Section 2.7 and any amounts that such holder then has the right to receive in respect of dividends or other distributions on shares of Parent Common Stock in accordance with Section 2.2(e) to be mailed or delivered by wire transfer, within two business days following the later to occur of (A) the Effective Time or (B) the Exchange Agent’s receipt of such Certificate (or affidavit of loss in lieu thereof), and the Certificate so surrendered shall be forthwith cancelled. The Exchange Agent shall accept such Certificates (or affidavits of loss in lieu thereof) upon compliance with such reasonable terms and conditions as the Exchange Agent may impose to effect an orderly exchange thereof in accordance with customary exchange practices. In the event of a transfer of ownership of Shares that is not registered in the transfer records of the Company, payment may be made to a Person other than the Person in whose name the Certificate so surrendered is registered, if such Certificate shall be properly endorsed or otherwise be in proper form for transfer, or any Book-Entry Share shall be properly transferred, and the Person requesting such payment shall pay any transfer or other Taxes required by reason of the payment to a Person other than the registered holder of such Certificate or Book-Entry Share or establish to the reasonable satisfaction of Parent that such Tax has been paid or is not applicable. Until surrendered as contemplated by this Section 2.2, each Certificate shall be deemed, at any time after the Effective Time, to represent only the right to receive, upon such surrender, the Merger Consideration as contemplated by this Article II. No interest shall be paid or accrue on any amount payable upon surrender of any Certificate or in respect of Book-Entry Shares or on the Merger Consideration or the Fractional Share Consideration payable upon the surrender of the Certificates or Book-Entry Shares or on any distributions to which holders of such Certificates or Book-Entry Shares are entitled pursuant to Section 2.2(e).

(d) Book-Entry Shares. Except as otherwise required by the Exchange Agent, any holder of Book-Entry Shares shall not be required to deliver a Certificate or an executed Letter of Transmittal to the Exchange Agent to receive the Merger Consideration (or any amounts payable in respect of the Fractional Share Consideration in accordance with Section 2.1(c) or distribution to which such holder is entitled pursuant to Section 2.2(e)) that such holder is entitled to receive pursuant to this Article II. In lieu thereof, each registered holder of one or more Book-Entry Shares shall automatically upon the Effective Time be entitled to receive, and Parent shall cause the Exchange Agent to pay and deliver as soon as reasonably practicable after the Effective Time (but in no event more than two business days thereafter), the Merger Consideration, together with any amounts payable in respect of the Fractional Share Consideration in accordance with Section 2.1(c) and any distribution to which such holder is then entitled pursuant to Section 2.2(e) (less required withholdings as provided in Section 2.4) for each Book-Entry Share. Payment of the Merger Consideration, Fractional Share Consideration and distributions with respect to Book-Entry Shares shall only be made to the person in whose name such Book-Entry Shares are registered.

(e) Dividends with Respect to Parent Common Stock. No dividends or other distributions with respect to Parent Common Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate with respect to the shares of Parent Common Stock issuable hereunder, and all such dividends and other distributions shall be paid by Parent to the Exchange Agent and shall be included in the Exchange Fund, in each case until the surrender of such Certificate (or affidavit of loss in lieu thereof) in accordance with this Agreement. Following surrender of any such Certificate (or affidavit of loss in lieu thereof) there shall be paid to the holder thereof in addition to the other amounts payable hereunder (i) promptly after the time of such surrender, the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such whole shares of Parent Common Stock to which such holder is entitled pursuant to this Agreement and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and with a payment date subsequent to such surrender payable with respect to such whole shares of Parent Common Stock.

(f) Termination of Exchange Fund. Any portion of the Exchange Fund (including any Fractional Share Consideration, any applicable dividends or other distributions with respect to Parent Common Stock and any interest and other income received with respect thereto) which remains undistributed to the former holders of Shares on the first anniversary of the Effective Time shall be delivered to Parent, upon demand, and any former holders of Shares who have not theretofore received any Merger Consideration to which they are entitled under this Article II shall thereafter look only to Parent for payment of their claims with respect thereto.

(g) No Liability. None of Parent, Merger Sub, the Company, the Surviving Corporation or the Exchange Agent, or any employee, officer, director, agent or Affiliate of any of them, shall be liable to any holder of Shares in respect of any part of the Merger Consideration delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. Any amounts remaining unclaimed by holders of any such Shares immediately prior to the time at which such amounts would otherwise escheat to, or become property of, any Governmental Body shall, to the extent permitted by applicable Law, become the property of Parent, free and clear of any claims or interest of any such holders or their successors, assigns or personal representatives previously entitled thereto.

(h) Investment of Exchange Fund. The Exchange Agent shall invest any cash included in the Exchange Fund as directed by Parent or, after the Effective Time, the Surviving Corporation; provided, however, that (i) no such investment shall relieve Parent or the Exchange Agent from making the payments required by this Article II and, to the extent that there are losses with respect to such investments, or the Exchange Fund diminishes for other reasons below the level required to make prompt payments of the amounts required by this Article II, Parent shall promptly replace or restore the portion of the Exchange Fund lost through investments or other events, without interest, so as to ensure that the Exchange Fund is, at all times, maintained at a level sufficient to make such payments, (ii) no such investment shall have maturities that could prevent or delay payments to be made pursuant to this Agreement, and (iii) such investments shall be in short-term obligations of the United States of America with maturities of no more than 30 days or guaranteed by the United States of America and

backed by the full faith and credit of the United States of America. Any net profit resulting from, or interest or income produced by, such investments, shall be property of, and paid to, Parent.

Section 2.3 Company Options: Company Restricted Stock. Unless otherwise expressly provided, all of the provisions of this Section 2.3 shall be effectuated without any action on the part of the holder of any Company Option or Company Restricted Stock.

(a) Treatment of Company Options. At the Effective Time, each Company Option which is outstanding immediately prior to the Effective Time (whether or not then vested or exercisable) shall be assumed by Parent and, subject to this Section 2.3(a) and Section 2.3(c), shall otherwise continue to have, and be subject to, the same terms and conditions as were applicable immediately prior to the Effective Time as set forth in the applicable Company Equity Plan (including any applicable award agreement, other agreement or other document evidencing such Company Option) immediately prior to the Effective Time, except that, from and after the Effective Time, (i) each such Company Option will be exercisable for that number of whole shares of Parent Common Stock equal to the product (rounded down to the nearest whole number) of (x) the number of Shares subject to such Company Option as of immediately prior to the Effective Time and (y) the Exchange Ratio, and (ii) the per share exercise price for the shares of Parent Common Stock issuable upon exercise of such assumed Company Option will be equal to the quotient (rounded up to the nearest whole cent) determined by dividing (x) the exercise price of each Share at which such assumed Company Option was exercisable immediately prior to the Effective Time by (y) the Exchange Ratio. Notwithstanding the foregoing, or anything to the contrary set forth in this Section 2.3, the assumption of any Company Options by Parent shall be subject to and accomplished in accordance with the requirements of Treasury Regulations Section 1.409A-1(b)(5)(v)(D).

(b) Company Restricted Stock. At the Effective Time, each share of Company Restricted Stock that is outstanding immediately prior thereto shall thereafter be assumed by Parent and, subject to this Section 2.3(b) and Section 2.3(c), shall otherwise continue to have, and be subject to, the same terms and conditions as were applicable immediately prior to the Effective Time as set forth in the applicable Company Equity Plan (including any applicable award agreement, other agreement or other document evidencing such Company Restricted Stock) immediately prior to the Effective Time, except that, from and after the Effective Time, each such share of Company Restricted Stock shall be converted automatically into that number of whole shares of Parent Common Stock equal to the product (rounded down to the nearest whole number) of (i) the number of shares of Company Restricted Stock as of immediately prior to the Effective Time and (ii) the Exchange Ratio.

(c) Termination of Employment. In the event the employment or other service relationship of a holder of an Assumed Company Award is terminated by Parent or the Surviving Corporation (or any Subsidiary thereof) without Cause or such holder resigns from Parent or the Surviving Corporation (or any Subsidiary thereof) for Good Reason, in either case during the 12-month period following the Effective Time, then any Assumed Company Awards held by such person immediately prior to such termination shall immediately vest in full and become fully exercisable, as applicable, at the time of such termination. For purposes of this Section 2.3(c), “Cause” shall mean, in each case, as determined by Parent in good faith: (i) conduct by the person constituting a material act of misconduct in connection with the performance of the person’s duties, including, without limitation, misappropriation of funds or property of the Parent or the Surviving Corporation (or any Subsidiary thereof) other than the occasional, customary and de minimis use of property for personal purposes; (ii) commission by the person of any felony or any misdemeanor involving moral turpitude, deceit, dishonesty or fraud; (iii) a material breach by the person of any of the provisions contained in any agreement between the person (on the one hand) and Parent or the Surviving Corporation (or any Subsidiary thereof) (on the other hand) which has continued for more than 30 days following written notice of such non-performance; or (iv) failure to reasonably cooperate with a bona fide internal investigation or an investigation by regulatory or law enforcement authorities, after being instructed by Parent or the Surviving Corporation (or any Subsidiary thereof) to cooperate, or the willful destruction or failure to preserve documents or other materials known to be relevant to such investigation or the inducement of others to fail to reasonably cooperate or to produce documents or other materials in connection with such investigation. For purposes of this Section 2.3(c), “Good Reason” shall mean,

in each case, as determined by Parent in good faith, that the person has complied with the “Good Reason Process” (hereinafter defined) following the occurrence of any of the following events without the person’s express written consent: (i) a material diminution in the person’s responsibilities, authority or duties as compared to such person’s responsibilities, authority or duties as of immediately prior to the Effective Time (provided, however, that the consummation of the Contemplated Transactions, and the Acquired Corporations’ status as subsidiaries of Parent on and after the Effective Time, shall not constitute or result in a material diminution in the responsibilities, authority or duties of any holder of Assumed Company Awards subject to this Section 2.3); (ii) a material diminution in the person’s base salary in effect as of immediately prior to the Effective Time, except for across-the-board salary reductions similarly affecting all or substantially all similarly-situated employees; (iii) the material breach by Parent or the Surviving Corporation (or any Subsidiary thereof) of any agreement between the person (on the one hand) and Parent or the Surviving Corporation (or any Subsidiary thereof) (on the other hand) relating to (x) any grant, award or issuance by Parent or the Surviving Corporation (or any Subsidiary thereof) of any equity or debt securities to the person (including any stock option or restricted stock awards) or (y) indemnification of the person by Parent or the Surviving Corporation (or any Subsidiary thereof); or (iv) the relocation of the person’s principal place of employment by more than 50 miles from the location of the person’s principal place of employment immediately prior to the Effective Time. For purposes of this Section 2.3(c), “**Good Reason Process**” shall mean that (i) the person reasonably determines in good faith that a Good Reason condition has occurred; (ii) the person notifies Parent or the Surviving Corporation (or any Subsidiary thereof) in writing of the first occurrence of the Good Reason condition within 60 days of the first occurrence of such condition; (iii) the person cooperates in good faith with the efforts of Parent or the Surviving Corporation (or any Subsidiary thereof), for a period not less than 30 days following such notice (the “**Cure Period**”) to remedy the condition; (iv) notwithstanding such efforts, the Good Reason condition continues to exist; and (v) the person terminates his employment within 60 days after the end of the Cure Period. If Parent or the Surviving Corporation (or any Subsidiary thereof) cures the Good Reason condition during the Cure Period, Good Reason shall be deemed not to have occurred.

(d) Assumed Company Awards. As soon as reasonably practicable after the Effective Time, but in no event later than two business days following the Effective Time, Parent shall deliver to each holder of an Assumed Company Award an appropriate notice setting forth such holder’s rights pursuant to such Assumed Company Award. Unless the shares of Parent Common Stock issuable upon exercise or vesting, as applicable, of the Assumed Company Award are otherwise covered by an existing registration statement on Form S-8 immediately upon the Effective Time, Parent shall prepare and file with the SEC such a registration statement with respect to such shares of Parent Common Stock no later than the Effective Time and Parent shall exercise reasonable best efforts to maintain the effectiveness of such registration statement for so long as such Assumed Company Awards remain outstanding (subject to blackout periods and similar restrictions in accordance with Parent’s policies). The Company and its counsel shall reasonably cooperate with and assist Parent in the preparation of any such registration statement.

(e) Manner of Effecting. Prior to the Effective Time, the Company and Parent agree that the Company shall, subject to Parent’s review and consent (which consent shall not be unreasonably withheld), take all corporate action necessary to effectuate the provisions of this Section 2.3. From and after the Effective Time, unless the compensation committee of the Parent Board determines otherwise, all references to the Company in the Company Equity Plans and in each award or other agreement evidencing or relating to any Assumed Company Award or any other Company equity-based award, shall be deemed (i) for all purposes relating to employment, consultancy or directorship (or words of similar meaning) to refer to Parent and its Subsidiaries and (ii) for all other purposes, to refer to Parent.

Section 2.4 Withholding Rights. Parent, the Surviving Corporation or the Exchange Agent, as applicable, shall be entitled to deduct and withhold from the Merger Consideration and any amounts otherwise payable pursuant to this Agreement to any holder of Shares, Company Options and shares of Company Restricted Stock, such amounts as Parent, the Surviving Corporation or the Exchange Agent is required to deduct and withhold with respect to the making of such payment under the Code, and the rules and regulations promulgated

thereunder, or any provision of applicable Tax Law. To the extent that amounts are so deducted or withheld and paid over to the appropriate Governmental Body by Parent, the Surviving Corporation or the Exchange Agent, as applicable, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made by Parent, the Surviving Corporation or the Exchange Agent, as applicable.

Section 2.5 Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, then upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent or the Exchange Agent, the posting by such Person of a bond in a reasonable customary amount, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will, subject to such Person's compliance with the exchange procedures set forth in Section 2.2(c), issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration, Fractional Share Consideration and any distributions to which the holder thereof is then entitled pursuant to this Article II.

Section 2.6 Dissenters' Rights. No dissenters' or appraisal rights shall be available with respect to the Merger or the other Contemplated Transactions.

Section 2.7 Fractional Shares. No certificate or scrip representing fractional shares of Parent Common Stock shall be issued upon the surrender for exchange of Certificates or with respect to Book-Entry Shares, and such fractional share interests shall not entitle the owner thereof to vote or to any other rights of a stockholder of Parent. Notwithstanding any other provision of this Agreement, each holder of Shares converted pursuant to the Merger who would otherwise have been entitled to receive a fraction of a share of Parent Common Stock shall receive, in lieu thereof, cash (rounded to the nearest whole cent), without interest, in an amount equal to such fractional part of a share of Parent Common Stock multiplied by the VWAP of Parent Common Stock.

Article III

As of their respective dates, the Company SEC Documents complied, or if filed or furnished subsequent to the date of this Agreement, will comply, as to form in all material respects with the requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act, as the case may be, and the rules and regulations of the SEC promulgated thereunder applicable to such Company SEC Documents. Except to the extent that information contained in any Company SEC Document has been revised, amended, modified or superseded by a later filed Company SEC Document, (i) none of the Company SEC Documents when filed or furnished contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading and (ii) any Company SEC Document filed or furnished with the SEC subsequent to the date of this Agreement will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

There were no significant deficiencies or material weaknesses identified in management's assessment of internal controls as of and for the year ended December 31, 2016 (nor has any such deficiency or weakness been identified as of the date hereof).

(d) The Company maintains effective disclosure controls and procedures (as defined by Rule 13a-15 or 15d-15 under the Exchange Act) that are designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms and is accumulated and communicated to the Company's management as appropriate to allow timely decisions regarding required disclosure.

(e) None of the Acquired Corporations is a party to or has any obligation or other commitment to become a party to any securitization transaction, off-balance sheet partnership or any similar Contract (including any Contract relating to any transaction or relationship between or among the Acquired Corporations, on the one hand, and any unconsolidated Affiliate, including any structured finance, special purpose or limited purpose Entity, on the other hand, or any "off-balance sheet arrangements" (as defined in Item 303(a) of Regulation S-K under the Exchange Act)) where the result, purpose or intended effect of such Contract is to avoid disclosure of any material transaction involving, or material liabilities of, any Acquired Corporation in any Acquired Corporation's published financial statements or other Company SEC Documents.

(f) The Company has delivered, or otherwise made available through filings with the SEC on the Electronic Data Gathering, Analysis and Retrieval database ("EDGAR"), to Parent copies of all comment letters received by the Company from the SEC since January 1, 2015 relating to the Company SEC Documents, together with all written responses of the Company thereto. As of the date hereof (i) there are no outstanding or unresolved comments in any such comment letters received by the Company from the SEC and (ii) to the Knowledge of the Company, none of the Company SEC Documents is the subject of any ongoing review by the SEC.

(g) The Company is in compliance in all material respects with all applicable listing and other requirements of NASDAQ.

Section 3.5 Absence of Changes. Except as set forth in Part 3.5 of the Company Disclosure Schedule, since January 1, 2017 through the date of this Agreement, (a) the Acquired Corporations have conducted their business in the ordinary course consistent with past practice, (b) there has not been any event, development or circumstance that has had or would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect and (c) none of the Acquired Corporations has taken any action that, if taken after the date of this Agreement, would be prohibited under Section 5.2(a)(i), (iii), (iv), (vi), (vii), (ix), (x), (xi), (xii), (xiv), (xv), (xvi), (xviii) or, with respect to any of the foregoing, (xix).

Section 3.6 Title to Assets. The Acquired Corporations have good and marketable title to all assets owned by them as of the date of this Agreement that are material to the Company's business as conducted as of the date hereof, including such assets (other than capitalized leases) reflected on the audited balance sheet in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2016 (the "Company Balance Sheet") filed by the Company with the SEC (except for assets sold or otherwise disposed of in the ordinary course of business since the date of such Company Balance Sheet). All of said assets are owned by the Acquired Corporations free and clear of any material Encumbrances (other than Permitted Encumbrances).

Section 3.7 Real Property; Equipment.

(a) Neither the Company nor any Subsidiary of the Company owns or has owned any real property.

(b) Part 3.7(b) of the Company Disclosure Schedule sets forth (i) an accurate and complete list of all real property leased, subleased or otherwise occupied by the Acquired Corporations as of the date of this Agreement (each, a “**Leased Real Property**”), (ii) the address for each Leased Real Property and (iii) current rent amounts payable by the Acquired Corporations related to such Leased Real Property. All of the leases, subleases and other agreements (each, a “**Lease Agreement**”) of the Leased Real Property are valid and binding obligations of the Company and in full force and effect. No Lease Agreement is subject to any Encumbrance other than Permitted Encumbrances, including any leasehold mortgage, pledge, lien, encumbrance, sublease, assignment, license or other agreement granting to any Third Party any interest in the Company’s leasehold interests or any right to the use or occupancy of any Leased Real Property. The Acquired Corporations have performed all material obligations required to be performed by it to date under each Lease Agreement, and there are no outstanding defaults or circumstances which, upon the giving of notice or passage of time or both, would constitute a default or breach by the Company or any of its Subsidiaries under any Lease Agreement except as would not, individually or in the aggregate, be reasonably expected to have a Company Material Adverse Effect.

(c) As of the date hereof, except as would not, individually or in the aggregate, be reasonably expected to have a Company Material Adverse Effect, all items of equipment and other tangible assets owned by or leased to the Acquired Corporations (i) are in good operating condition and repair (ordinary wear and tear excepted and ongoing maintenance excepted) and (ii) are not obsolete or in need of repair or replacement, other than in the ordinary course of business consistent with past practice.

Section 3.8 Intellectual Property.

(c) Part 3.8(c) of the Company Disclosure Schedule identifies, as of the date of this Agreement, (i) each Company Inbound License and (ii) each Company Outbound License. (g) The Acquired Corporations have taken commercially reasonable actions to maintain the confidentiality of the material proprietary information held by any of the Acquired Corporations, or purported to be held by any of the Acquired Corporations, as a trade secret. All current or former directors, officers, employees, independent contractors and consultants of the Acquired Corporations who have developed any Intellectual Property that is material to the business of the Acquired Corporations taken as a whole for any of the Acquired Corporations have executed written agreements pursuant to which such Persons have assigned to the Acquired Corporations all of their rights, title and interest in and to all such Intellectual Property they may develop in the course of their employment or engagement to the extent such rights, title and interest in and to such Intellectual Property do not, or did not, automatically vest in the applicable Acquired Corporations by operation of Law.

(h) No funding, facilities or personnel of any Governmental Body or any university, college, research institute or other educational institution has been used to create any material Intellectual Property owned by any of the Acquired Corporations, except for any such funding or use of facilities or personnel that has not resulted in such Governmental Body or institution obtaining ownership rights to such Intellectual Property.

(k) Each Acquired Corporation has all necessary authority, consents and authorizations to receive, access, use, disclose and otherwise process the personal information (as defined under applicable Laws concerning privacy and data security) in such Acquired Corporation’s possession or control, except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

To the extent the foregoing representation and warranty is made with respect to activities conducted by Third Parties, such representation and warranty is made solely to the Knowledge of the Company.

(c) None of the Acquired Corporations or any of their respective directors, officers or employees, or, to the Knowledge of the Company, any of their agents or distributors, has, at any time since January 1, 2015, violated any provision of the U.S. Foreign Corrupt Practices Act of 1977 or any comparable foreign Law relating to anti-bribery or corruption matters. (e) Neither the Company nor any of its Subsidiaries is subject to any investigation that is pending and of which the Company has been notified in writing or, to the Knowledge of the Company, which has been threatened, in each case by (i) the FDA, (ii) the Department of Health and Human Services Office of Inspector General or Department of Justice pursuant to the Federal Healthcare Program Anti-Kickback Statute (42 U.S.C. Section 1320a-7b(b)) or the Federal False Claims Act (31 U.S.C. Section 3729), or (iii) any regulatory authority outside of the U.S. pursuant to any equivalent statute of such jurisdiction.

Section 3.12 Certain Business Practices. Each of the Acquired Corporations is in compliance in all material respects with the Foreign Corrupt Practices Act of 1977, as amended, the U.K. Bribery Act and any other U.S. or

foreign Law concerning corrupt payments applicable to any Acquired Corporation. Since January 1, 2015, none of the Acquired Corporations has, to the Knowledge of the Company, been investigated by any Governmental Body with respect to, and, between January 1, 2015 and the date of this Agreement, none of the Acquired Corporations has been given notice by a Governmental Body of, any violation by any of the Acquired Corporations of the Foreign Corrupt Practices Act of 1977, as amended, the U.K. Bribery Act, or any other U.S. or foreign Law concerning corrupt payments. None of the Acquired Corporations nor any Company Associate authorized to act, and acting, on behalf of an Acquired Corporation has paid or given, offered or promised to pay or give, or authorized or ratified the payment or giving, directly or indirectly, of any monies or anything of value to any national, provincial, municipal or other government official or employee or any political party or candidate for political office or Governmental Body for the direct or indirect purpose of influencing any act or decision of such Person or of the Governmental Body to obtain or retain business, or direct business to any Person or to secure any other improper benefit or advantage that has resulted in or would reasonably be expected to result in a violation of applicable Law. Since December 31, 2016, neither the Company nor any of its Subsidiaries has incurred any liability for Taxes other than in the ordinary course of business.

(b) Neither the Company nor any of its Subsidiaries is the subject of any currently ongoing Tax audit or other Legal Proceeding with respect to Taxes nor has any Tax audit or other Legal Proceeding with respect to Taxes been proposed against any of them in writing. No issues relating to Taxes of the Company or any of its Subsidiaries were raised by the relevant Tax authority in any completed audit or examination that would reasonably be expected to result in a material amount of Taxes in a later taxable period. Neither the Company nor any of its Subsidiaries has waived any statute of limitations in respect of Taxes or agreed to any extension of time with respect to a Tax assessment or deficiency (other than pursuant to extensions of time to file Tax Returns obtained in the ordinary course of business) in either case that is still outstanding.

(c) The Company and each of its Subsidiaries has timely withheld and paid all Taxes required to have been withheld and paid in connection with amounts paid or owing to any employee, independent contractor, creditor, stockholder or other Third Party.

(d) There are no Encumbrances for Taxes (other than Taxes not yet due and payable or Taxes that are being contested in good faith and for which adequate reserves have been made on the Company’s audited

consolidated balance sheet, in accordance with GAAP) on any of the assets of the Company or any of its Subsidiaries.

(e) Neither the Company nor any of its Subsidiaries is a party to or bound by any written Tax allocation, indemnification (including indemnification of Taxes with respect to service-providers) or sharing agreement (other than an agreement solely between the Company and one or more of its Subsidiaries or solely between some or all of such Subsidiaries, and other than customary indemnifications for Taxes contained in credit or other commercial agreements the primary purposes of which do not relate to Taxes). Neither the Company nor any of its Subsidiaries is or has been a member of an affiliated group (other than a group the common parent of which is the Company) filing a consolidated U.S. federal income Tax Return. Neither the Company nor any of its Subsidiaries is liable under Treasury Regulations Section 1.1502-6 (or any similar provision of the Tax Laws of any state, local or foreign jurisdiction), or as a transferee or successor, by contract, or otherwise, for any Tax of any Person other than the Company and its Subsidiaries.

(f) Neither the Company nor any of its Subsidiaries was a “distributing corporation” or “controlled corporation” in a transaction intended to qualify under Section 355 of the Code within the past two years or otherwise as part of a “plan” or “series of related transactions” (within the meaning of Section 355(e) of the Code) that includes the Merger.

(g) Neither the Company nor any of its Subsidiaries has entered into any transaction identified as a “listed transaction” within the meaning of Sections 1.6011-4(b)(2) or 301.6111-2(b)(2) of the Treasury Regulations or any similar provision of state, local, or foreign Law.

(h) The Company is not a United States real property holding corporation within the meaning of Section 897(c)(2) of the Code.

(i) Neither the Company nor any of its Subsidiaries has taken or agreed to take any action or knows of any fact or circumstance that could reasonably be expected to prevent or impede the Merger from qualifying as a “reorganization” within the meaning of Section 368(a) of the Code.

Section 3.14 Employee Matters: Benefit Plans.

(a) Part 3.14(a) of the Company Disclosure Schedule sets forth an accurate and complete list of each Employee Plan that is sponsored or maintained by the Company or any ERISA Affiliate or with respect to which the Company or any ERISA Affiliate has or may have any liability (each, a “**Company Employee Plan**”). The Company has made available to Parent or Parent’s Representatives on or prior to the date of this Agreement with respect to each Company Employee Plan, to the extent applicable: (A) all plan documents and amendments thereto, and all related trust agreements, insurance contracts or other funding documents (including a written description of such plan, if unwritten), (B) the most recent determination or opinion letter issued by the IRS or the United States Department of Labor (“**DOL**”), (C) the most recent actuarial valuation or annual report (Form Series 5500 and all schedules and financial statements attached thereto), (D) the most recent summary plan descriptions and any material modifications thereto, and (E) all material correspondence to or from the IRS, the DOL, or any other Governmental Body for the last three years.

(b) No Company Employee Plan is a single employer pension plan (within the meaning of Section 4001(a)(15) of ERISA) for which the Company or any ERISA Affiliate could incur liability under Section 4063 or 4064 of ERISA or a plan maintained by more than one employer as described in Section 413(c) of the Code.

(c) Neither the Company nor any ERISA Affiliate has ever maintained any Company Employee Plan that is or was subject to Title IV of ERISA, Section 412 of the Code, Section 302 of ERISA or is a “multiemployer plan” (within the meaning of Sections 3(37) or 4001(a)(3) of ERISA) and neither the Company nor any ERISA Affiliate has incurred any liability under Title IV of ERISA that has not been paid in full.

(d) Each of the Company Employee Plans that is intended to be qualified under Section 401(a) of the Code has obtained a favorable determination letter (or opinion letter, if applicable) as to its qualified status under the Code and to the Knowledge of the Company, nothing has occurred that would be reasonably expected to result in the loss of such qualification or exemption. Each of the Company Employee Plans is and has been operated in all material respects in compliance with its terms and all applicable Law, including ERISA and the Code, except where the failure to operate such Company Employee Plans in accordance with their terms and applicable Law did not and could not, individually or in the aggregate, result in any material liability to the Acquired Corporations. For the last three years, no litigation or governmental administrative proceeding, audit or other Legal Proceeding (other than those relating to routine claims for benefits) is pending or, to the Knowledge of the Acquired Corporations, threatened in writing with respect to any Company Employee Plan, and, to the Knowledge of the Acquired Corporation, there is no reasonable basis for any such litigation or Legal Proceeding, except as would not result in any material liability to any Acquired Corporation. All payments and/or contributions required to have been made by an Acquired Corporation with respect to all Company Employee Plans either have been made or have been accrued in accordance with the terms of the applicable Company Employee Plan and applicable Law, except as would not result in any material liability to any Acquired Corporation.

(e) None of the Company Employee Plans provide health care or any other non-pension benefits to any Company Associates after their employment is terminated (other than as required by Part 6 of Subtitle B of Title I of ERISA or similar state law) and the Company has never promised to provide such post-termination benefits except pursuant to executive employment agreements.

(f) No Acquired Corporation has announced its intention to modify or terminate any Company Employee Plan or adopt any arrangement or program which, once established, would come within the definition of a Company Employee Plan.

(g) The per share exercise price of each Company Option is no less than the fair market value of a Share on the date of grant of such Company Option (and as of each later modification thereof within the meaning of Section 409A of the Code) determined in a manner consistent with Section 409A of the Code. With respect to each Company Employee Plan that is a “nonqualified deferred compensation plan” (as defined for purposes of Section 409A(d)(1) of the Code), (i) such plan has been operated in accordance with a good faith, reasonable interpretation of Section 409A of the Code, (ii) such plan has been operated in all material respects since January 1, 2009 in accordance with Section 409A of the Code and all applicable IRS guidance promulgated thereunder to the extent such plan is subject to Section 409A of the Code and so as to avoid any Tax, interest or penalty thereunder and (iii) the document or documents that evidence each such plan have complied with the provisions of Section 409A of the Code and the final regulations under Section 409A of the Code in all material respects since January 1, 2009. No payments on account of the Contemplated Transactions would cause any material liability to an Acquired Corporation under Section 409A of the Code.

(h) Except as set forth in Part 3.14(h) of the Company Disclosure Schedule, neither the execution and delivery of this Agreement, the Company Stockholder Approval of this Agreement, nor the consummation of the Contemplated Transactions could (either alone or in conjunction with any other event) (i) result in, or cause the accelerated vesting payment, funding or delivery of, or increase the amount or value of, any payment or benefit to any employee, officer, director or other service provider of the Acquired Corporation; (ii) limit the right of the Acquired Corporation to amend, merge or terminate any Company Employee Plan or related trust; (iii) result in any “parachute payment” as defined in Section 280G(b)(2) of the Code (whether or not such payment is considered to be reasonable compensation for services rendered); or (iv) result in a requirement to pay any tax “gross-up” or similar “make-whole” payments to any employee, director or consultant of the Acquired Corporation.

Section 3.15 Labor Matters.

(a) Part 3.15(a) of the Company Disclosure Schedule sets forth an accurate and complete list of (i) each current employee of the Acquired Corporations, including for each such individual: name, job title, date of hire, location and current base salary or wage rate and (ii) each current independent contractor entity engaged by the Acquired Corporations, including for each such entity: name, description of services and consulting or contracting fee. Except as required by applicable Law or as set forth in Part 3.15(a) of the Company Disclosure Schedule, the employment of each of the Acquired Corporation's employees is terminable by the applicable Acquired Corporation at will.

(b) Except as set forth in Part 3.15(b) of the Company Disclosure Schedule, (i) none of the Acquired Corporations is a party to, or has a duty to bargain for or is currently negotiating in connection with entering into, any collective bargaining agreement or other Contract with a labor organization or works council representing any of its employees and there are no labor organizations or works councils representing, purporting to represent or, to the Knowledge of the Company, seeking to represent any employees of any of the Acquired Corporations; (ii) no collective agreements applicable to the Company exist at any of the Acquired Corporations; (iii) there has not been any strike, slowdown, work stoppage, lockout, job action, picketing, labor dispute, question concerning representation, union organizing activity, or any threat (in writing) thereof, or any similar activity or dispute, affecting any of the Acquired Corporations or any of their employees in the last three years, other than in the course of established collective bargaining relationships; (iv) there is not now pending, and, to the Knowledge of the Company, no Person has threatened (in writing) to commence, any such strike, slowdown, work stoppage, lockout, job action, picketing, labor dispute, question concerning representation or union organizing activity or any similar activity or dispute, other than in the course of established collective bargaining relationships; (v) there is no claim or grievance pending or, to the Knowledge of the Company, threatened (in writing) relating to any Company Employee Plan, wages and hours, leave of absence, plant closing notification, employment statute or regulation, privacy right, labor dispute, workers' compensation policy or long-term disability policy, safety, retaliation, immigration or discrimination matters involving any Company Associate that involves a material liability or material potential liability, including charges of unfair labor practices (including equal employment opportunity Laws), or material complaints concerning terms and conditions of employment, occupational safety and health, affirmative action, employee privacy or harassment; (vi) the Acquired Corporations are in material compliance with any and all applicable affirmative action plans and requirements; and (vii) the Acquired Corporations are in material compliance with all applicable Law respecting labor, employment, fair employment practices (including equal employment opportunity Laws), terms and conditions of employment, workers' compensation, occupational safety and health, affirmative action, employee privacy, notice and other requirements under the Worker Adjustment and Retraining Notification Act of 1988 ("WARN") and any other similar applicable foreign, state, or local Laws of any jurisdiction relating to any plant closing or mass layoff (or similar triggering event), and wages and hours.

(c) None of the Acquired Corporations is delinquent in any material respect in payments to any Company Associate for any wages, salaries, commissions, bonuses or other direct compensation for any services performed for it or amounts required to be reimbursed to such Company Associates. None of the Acquired Corporations is liable for any material payment to any trust or other fund or to any Governmental Body, with respect to unemployment compensation benefits, social security or other benefits or obligations for Company Associates (other than routine payments to be made in the ordinary course of business consistent with past practice) and freelancer/independent contractors.

(d) There has not been in the last three years any claim, lawsuit or arbitration that has been asserted or instituted against any Acquired Corporation by any Governmental Body relating to the legal status or classification of an individual classified by any Acquired Corporation as a non-employee (such as an independent contractor, a leased employee, a consultant or special consultant).

Neither Parent nor any of its Subsidiaries is liable under Treasury Regulations Section 1.1502-6 (or any similar provision of the Tax Laws of any state, local or foreign jurisdiction), or as a transferee or successor, by contract, or otherwise, for any Tax of any Person other than Parent and its Subsidiaries.

(f) Neither Parent nor any of its Subsidiaries was a “distributing corporation” or “controlled corporation” in a transaction intended to qualify under Section 355 of the Code within the past two years or otherwise as part of a “plan” or “series of related transactions” (within the meaning of Section 355(e) of the Code) that includes the Merger.

(g) Neither Parent nor any of its Subsidiaries has entered into any transaction identified as a “listed transaction” within the meaning of Sections 1.6011-4(b)(2) or 301.6111-2(b)(2) of the Treasury Regulations, or any similar provision of state, local, or foreign Law.

(h) Parent is not a United States real property holding corporation within the meaning of Section 897(c)(2) of the Code.

(i) Neither Parent nor any of its Subsidiaries has taken or agreed to take any action or knows of any fact or circumstance that could reasonably be expected to prevent or impede the Merger from qualifying as a “reorganization” within the meaning of Section 368(a) of the Code.

Section 4.10 Legal Proceedings: Orders. (a) There is no Legal Proceeding pending against or, to the Knowledge of Parent, threatened in writing, against Parent, any of its Subsidiaries or any present or former directors or executive officers in their respective capacities as such and (b) neither Parent nor any of its Subsidiaries is subject to any outstanding Order, which, in either case of (a) or (b), (i) would, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect or (ii) as of the date of this Agreement, challenges the validity or propriety, or seeks to prevent, materially impair or materially delay consummation of the Merger.

Section 4.11 Authority: Binding Nature of Agreement.

(a) Each of Parent and Merger Sub has all requisite corporate power and authority to enter into this Agreement, to perform its obligations hereunder and, subject, in the case of Merger Sub, to the adoption of this Agreement by Parent in its capacity as the sole stockholder of Merger Sub, to consummate the Contemplated Transactions. The execution, delivery and performance by Parent and Merger Sub of this Agreement and the consummation by Parent and Merger Sub of the Contemplated Transactions have been duly authorized by all necessary corporate action on the part of Parent and Merger Sub, subject, in the case of Merger Sub, to the adoption of this Agreement by Parent in its capacity as the sole stockholder of Merger Sub. No vote or consent of the holders of any class or series of capital stock of Parent or the holders of any other securities of Parent (equity or otherwise) is necessary to approve this Agreement or the Contemplated Transactions. The vote or consent of Parent, as the sole stockholder of Merger Sub, is the only vote or consent of the holders of any class or series of capital stock of Merger Sub necessary to approve the Merger and this Agreement, which consent shall be given on or about the time of execution of this Agreement.

(b) The Parent Board, by resolutions duly adopted by a unanimous vote at a meeting of all directors of Parent duly called and held and, not subsequently rescinded or modified in any way, has (A) determined that this Agreement and the Contemplated Transactions, including the Merger, and the Parent Stock Issuance, upon the terms and subject to the conditions set forth herein, are in the best interests of, Parent and the Parent’s stockholders, and (B) approved and declared advisable this Agreement, including the execution, delivery, and performance thereof, and the consummation of the Contemplated Transactions, including the Merger and the Parent Stock Issuance, upon the terms and subject to the conditions set forth herein (collectively, the “**Parent Board Recommendation**”).

(c) The Merger Sub Board by resolutions duly adopted by a unanimous vote at a meeting of all directors of Merger Sub duly called and held and, not subsequently rescinded or modified in any way, has (A) determined that this Agreement and the Contemplated Transactions, including the Merger, upon the terms and subject to the conditions set forth herein, are in the best interests of, Merger Sub and Parent, as the sole stockholder of Merger Sub, (B) approved and declared advisable this Agreement, including the execution, delivery, and performance thereof, and the consummation of the Contemplated Transactions, including the Merger, upon the terms and subject to the conditions set forth herein, (C) directed that this Agreement be submitted to a vote by Parent, and (D) recommended that Parent vote in favor of adoption of this Agreement in accordance with the DGCL.

Section 4.12 Non-Contravention; Consents.

(a) Assuming compliance with the applicable provisions of the DGCL, the HSR Act and other applicable Antitrust Laws, and the listing requirements of NASDAQ, the filing of the Form S-4 (and the Proxy Statement), the execution, delivery and performance of this Agreement by Parent and Merger Sub and the consummation by Parent and Merger Sub of the Contemplated Transactions do not and will not: (i) result in a breach or violation of, or default under, any of the provisions of the Parent Charter Documents or the comparable governing instruments of any of Parent's Subsidiaries; (ii) with or without notice or lapse of time or both, result in a breach or violation of, a termination (or right of termination) or default under, any change in or acceleration or creation of any obligations or the creation of any Encumbrance (other than Permitted Encumbrances) on any assets of Parent or its Subsidiaries or loss of rights pursuant to any Parent Contract, in each case that would be binding upon Parent or any of its Subsidiaries; or (iii) result in a breach or violation of any Law or Order applicable to Parent or any of its Subsidiaries or any of its properties or assets, except in each case in clauses (ii) and (iii), as, individually or in the aggregate, would not reasonably be expected to have a Parent Material Adverse Effect.

(b) Except as may be required by the Exchange Act and state Takeover Statutes, the DGCL, the HSR Act and other applicable Antitrust Laws, and the rules and regulations of NASDAQ, and assuming the filing of the Proxy Statement, neither Parent nor any of its Affiliates is required to give notice to, deliver any report to, make any filing with, or obtain any consent or waiver from any Person at any time prior to the Closing in connection with the execution, delivery and performance of this Agreement, or the consummation by Parent of the Contemplated Transactions, except those that the failure to make or obtain would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect.

(c) As of the date of this Agreement, neither Parent, Merger Sub nor any of their Subsidiaries is aware of any fact or circumstance relating to Parent's, Merger Sub's or any of their Subsidiaries' respective businesses, assets, liabilities or operations that would reasonably be expected to impair, in any material respect, the ability of the parties to obtain, on a timely basis, any expiration of any waiting period or any authorization, consent, order, declaration or approval of any Governmental Body necessary and, as of the date of this Agreement, required under the HSR Act and other applicable Antitrust Laws for the consummation of the transactions contemplated by this Agreement.

Section 4.13 Information Supplied. None of the information supplied or to be supplied by or on behalf of Parent or Merger Sub for inclusion or incorporation by reference in the Form S-4 will, at the time the Form S-4 is filed with the SEC, and at any time it is amended or supplemented or at the time it becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. None of the information supplied or to be supplied by or on behalf of Parent or Merger Sub for inclusion or incorporation by reference in the Proxy Statement will, at the date it is first mailed to the Company's stockholders or at the time of the Company Stockholders' Meeting or at the time of any amendment or supplement thereof, contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not

misleading. The Proxy Statement will comply as to form in all material respects with the requirements of the Exchange Act. Notwithstanding the foregoing, no representation or warranty is made by Parent or Merger Sub with respect to statements made or incorporated by reference therein based on information that was not supplied by or on behalf of Parent or Merger Sub.

Section 4.14 Ownership of Company Common Stock. None of Parent, Merger Sub or any other Subsidiary of Parent is, nor at any time during the last three years has been, an “interested stockholder” of the Company as defined in Section 203 of the DGCL.

Section 4.15 Financial Advisor. No broker, finder, financial advisor or investment banker (other than Morgan Stanley & Co. LLC) is entitled to any brokerage, finder’s or other fee or commission in connection with the Merger based upon arrangements made by or on behalf of Parent or any of its Subsidiaries.

Notwithstanding the foregoing, any party may restrict the foregoing access to the extent that any Law applicable to such party requires such party to restrict or prohibit access to any such properties or information or as may be necessary to preserve the attorney-client privilege under any circumstances in which such privilege may be jeopardized by such disclosure or access; provided that such party shall use its reasonable best efforts to allow for such access or disclosure in a manner that does not result in a violation of Law or loss of attorney client privilege.

(xix) agree or commit to take any of the foregoing actions described in clauses (i) through (xviii) of this Section 5.2(a).

Notwithstanding the foregoing, nothing contained in this Agreement shall give to Parent or Merger Sub, directly or indirectly, rights to control or direct the operations of the Acquired Corporations prior to the Effective Time. In addition, notwithstanding the foregoing, nothing in this Section 5.2(a) shall restrict the Acquired Corporations from, or require the consent of Parent prior to, engaging in any transaction or entering into any agreement exclusively among the Acquired Corporations

(b) Operation of Parent's Business. During the Pre-Closing Period, except as (x) set forth in Part 5.2(b) of the Parent Disclosure Schedule, (y) required or specifically permitted under this Agreement, or (z) required by applicable Law, Parent shall not, and shall cause its wholly owned Subsidiaries, including Merger Sub, not to, without the written consent of the Company (such consent not to be unreasonably withheld, delayed or conditioned):

(ii) amend, or propose or agree to amend, Parent's or its Subsidiaries' certificate of incorporation or bylaws in any manner that would adversely affect the consummation of the Merger or adversely affect the holders of Shares whose shares are converted into Parent Common Stock at the Effective Time in a manner different from holders of Parent Common Stock prior to the Effective Time;

(vi) agree or commit to take any of the foregoing actions described in clauses (i) through (v) of this Section 5.2(b).

Section 5.3 Unsolicited Proposals.

(a) Subject to Section 5.4(b) and Section 5.4(c) and except as permitted by this Section 5.3, during the Pre-Closing Period:

(i) the Company (in such role, the "**Target Party**," and the other party (i.e., Parent) in such role, the "**Other Party**") shall not, nor shall the Target Party permit any of its Subsidiaries to, nor shall the Target Party authorize or permit any of its Representatives or any of its Subsidiary's Representatives to, directly or indirectly (other than with respect to Parent and Merger Sub), (A) solicit, initiate, knowingly facilitate or knowingly encourage any inquiries, proposals or offers that constitute, or that could reasonably be expected to lead to, an Acquisition Proposal, (B) engage in, continue or otherwise participate in any discussions or negotiations with any Third Party, or furnish to any Third Party information or provide to any Third Party access to the businesses, properties, assets or personnel of

the Target Party or any of its Subsidiaries, with respect to an Acquisition Proposal or any inquiry, proposal or offer that would reasonably be expected to lead to an Acquisition Proposal, (C) approve, endorse or recommend any proposal that constitutes or would reasonably be expected to lead to an Acquisition Proposal or (D) enter into any letter of intent, agreement, contract, commitment or agreement in principle (other than an Acceptable Confidentiality Agreement entered into in accordance with Section 5.3(b)) with respect to an Acquisition Proposal or enter into any letter of intent, agreement, contract or commitment requiring the Target Party to breach this Agreement or abandon, terminate or fail to consummate the Contemplated Transactions; and

(ii) the Company shall, and shall cause its Subsidiaries to, and shall cause its and their respective Representatives to, immediately cease and terminate any existing discussions or negotiations with any Third Party, theretofore conducted by the Company, its Subsidiaries or their respective Representatives with respect to an Acquisition Proposal or that would reasonably be expected to lead to an Acquisition Proposal, and promptly following the date hereof the Company shall use commercially reasonable efforts to cause all non-public information previously provided by or on behalf of it or any of its Subsidiaries to any such Third Party to be returned or destroyed in accordance with the applicable confidentiality agreement.

(b) Notwithstanding anything to the contrary contained in this Agreement, if, at any time on or after the date hereof but prior to obtaining the Company Stockholder Approval, (i) the Target Party receives an unsolicited written bona fide Acquisition Proposal from a Third Party, (ii) such Acquisition Proposal did not result from a material breach of this Section 5.3 or Section 5.4 and (iii) the Company Board (such board of directors (or any committee thereof) in such role, the “**Target Board**”), determines in good faith, after consultation with its financial advisor and outside legal counsel, that such Acquisition Proposal constitutes, or could reasonably be expected to lead to, a Superior Proposal and that failure to take such actions would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law, then the Target Party may (A) furnish information and data with respect to the Target Party and its Subsidiaries to the Third Party making such Acquisition Proposal and afford such Third Party access to the businesses, properties, assets and personnel of the Target Party and its Subsidiaries and (B) enter into, maintain and participate in discussions or negotiations with the Third Party making such Acquisition Proposal regarding such Acquisition Proposal or otherwise cooperate with or assist or participate in, or facilitate, any such discussions or negotiations (including by entering into a customary confidentiality agreement with such Third Party for the purpose of receiving non-public information relating to such Third Party); provided, however, that the Target Party (1) will not, and will not permit its Subsidiaries or its or their Representatives to, furnish any non-public information except pursuant to an Acceptable Confidentiality Agreement and (2) will promptly (and in any event within 24 hours) provide to the Other Party any material non-public information concerning the Target Party or its Subsidiaries provided to such Third Party, which was not previously provided to the Other Party. Notwithstanding anything to the contrary contained in this Agreement, the Target Party and its Representatives may (x) following the receipt of an unsolicited written bona fide Acquisition Proposal from a Third Party, contact such Third Party in order to clarify and understand the terms and conditions of such Acquisition Proposal solely in order to permit the Target Board to determine whether such Acquisition Proposal constitutes, or could reasonably be expected to lead to, a Superior Proposal in accordance with this Section 5.3 and (y) direct any Persons to this Agreement, including the specific provisions of this Section 5.3.

(c) The Target Party shall as promptly as practicable (and in any event within 24 hours) notify the Other Party of the Target Party’s receipt of any Acquisition Proposal (or any inquiry, proposal or offer that would reasonably be expected to lead to an Acquisition Proposal), which notification shall include a copy of the applicable written Acquisition Proposal, inquiry, proposal or offer (or, if oral, the material terms and conditions of such Acquisition Proposal, inquiry, proposal or offer) and the identity of the Third Party making such Acquisition Proposal, inquiry, proposal or offer. The Target Party shall thereafter keep the Other Party reasonably informed on a reasonably current basis of the status of any material developments, discussions or negotiations regarding any such Acquisition Proposal, and the material terms and conditions thereof (including

any change in price or form of consideration or other material amendment thereto), including by providing a copy of material documentation relating thereto that is exchanged between the Third Party (or its Representatives) making such Acquisition Proposal and the Target Party (or its Representatives) within 24 hours after receipt thereof.

(d) The Company agrees not to release or permit the release of any Person from, or to waive or permit the waiver or termination of any provision of, any standstill or similar agreement to which the Company or any of its Subsidiaries is a party, or any restrictions on “business combinations” or any similar provision contained in any applicable Takeover Statute or the Company Charter Documents, other than to the extent the Company Board determines in good faith, after consultation with outside legal counsel, that failure to provide such waiver, release or termination would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law.

(e) The Company agrees in the event any Subsidiary or any Representative of the Company takes any action which, if taken by the Company, would constitute a material breach of this Section 5.3, the Company shall be deemed in breach of this Section 5.3.

Section 5.4 Adverse Recommendation Change.

(a) Subject to Section 5.4(b) and Section 5.4(c), the Company Board shall not effect a Company Adverse Recommendation Change.

(b) (i) Notwithstanding anything in this Agreement to the contrary, including Section 5.4(a), at any time prior to obtaining the Company Stockholder Approval, the Target Board may, if it determines in good faith (after consultation with its financial advisor and outside legal counsel), that the failure to do so would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law, (A) make a Company Adverse Recommendation Change in response to either (1) an Acquisition Proposal that the Target Board determines in good faith (after consultation with its financial advisor and outside legal counsel) constitutes a Superior Proposal or (2) an Intervening Event or (B) cause the Target Party to terminate this Agreement pursuant to Section 8.4(a), and authorize the Target Party to enter into a definitive agreement concerning a transaction that constitutes a Superior Proposal (which agreement shall be entered into substantially concurrently with such termination), subject in each case to compliance with the terms of paragraph (ii) or (iii) below, as applicable.

(ii) In the case of a Superior Proposal, (x) no Company Adverse Recommendation Change pursuant to this Section 5.4(b) may be made and (y) no termination of this Agreement pursuant to Section 8.4(a) may be made:

(A) until after the third business day following written notice from the Target Party advising the Other Party that the Target Board intends to make a Company Adverse Recommendation Change or terminate this Agreement pursuant to Section 8.4(a), (a “**Notice of Superior Proposal**”) and specifying the reasons therefor, including, if applicable, the material terms and conditions of, and the identity of the Third Party making, such Superior Proposal, and a copy of any other relevant transaction documents (it being understood and agreed that any amendment to the financial terms or any other material term of such Superior Proposal shall require a new Notice of Superior Proposal, which shall require a new notice period of two business days, and compliance with this Section 5.4(b) with respect to such new notice);

(B) unless during such three business day period (or two business day period following an amended proposal), the Target Party shall, and shall cause its Representatives to, to the extent requested by the Other Party, negotiate with the Other Party in good faith to make such adjustments to the terms and conditions of this Agreement as would enable the Target Board to maintain the Company Board Recommendation and not make a Company Adverse Recommendation Change or terminate this Agreement pursuant to Section 8.4(a); and

(C) unless, the Target Board determines in good faith, taking into consideration any amendments to this Agreement proposed by the Other Party (after consultation with its financial advisor and outside legal counsel) that the applicable Acquisition Proposal still constitutes a Superior Proposal and that the failure to effect Company Adverse Recommendation Change or terminate this Agreement pursuant to Section 8.4(a) would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law.

(iii) In the case of an Intervening Event, no Company Adverse Recommendation Change pursuant to this Section 5.4(b) may be made:

(A) until after the third business day following written notice from the Target Party advising the Other Party that the Target Board intends to take such action and specifying the material facts underlying the determination by the Target Board that an Intervening Event has occurred, and the reason for the Company Adverse Recommendation Change in reasonable detail (a “**Notice of Intervening Event**”);

(B) unless during such three business day period, the Target Party shall, and shall cause its Representatives to, to the extent requested by the Other Party, negotiate with the Other Party in good faith to make such adjustments to the terms and conditions of this Agreement in such a manner that obviates the need for a Company Adverse Recommendation Change; and

(C) unless the Target Board determines in good faith, taking into consideration any amendments to this Agreement proposed by the Other Party (after consultation with its financial advisor and outside legal counsel), that the failure to effect a Company Adverse Recommendation Change would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law.

The provisions of this Section 5.4(b)(iii) shall also apply to any material change to the facts and circumstances relating to an Intervening Event, in which case such change shall require a new Notice of Intervening Event and the Target Party shall be required to comply again with the provisions of this Section 5.4(b)(iii), except that any reference to three business days shall instead be to two business days.

(c) Nothing contained in Section 5.3 or this Section 5.4 or elsewhere in this Agreement shall prohibit the Target Board from (i) taking and disclosing a position contemplated by Rule 14d-9, Rule 14e-2(a) or Item 1012(a) of Regulation M-A promulgated under the Exchange Act, (ii) making any disclosure to the Target Party’s stockholders if, in the good faith judgment of the Target Board after consultation with outside legal counsel, the failure to do so would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law or any disclosure requirements under applicable Law, or (iii) making any disclosure that constitutes a stop, look and listen communication or similar communication of the type contemplated by Section 14d-9(f) promulgated under the Exchange Act; provided, however, that this Section 5.4(c) shall not permit the Target Board to make a Company Adverse Recommendation Change except in compliance with Section 5.4(b).

Section 5.5 Preparation of Proxy Statement and Form S-4.

(a) In connection with the Company Stockholders’ Meeting, as soon as reasonably practicable following the date of this Agreement, the Company and Parent shall prepare and Parent shall file with the SEC the Form S-4 (which shall include the Proxy Statement). The Company and Parent shall each use its reasonable best efforts to: (i) cause the Form S-4 to be declared effective under the Securities Act as promptly as practicable after its filing; (ii) ensure that the Form S-4 complies in all material respects with the applicable provisions of the Securities Act and the Exchange Act; and (iii) keep the Form S-4 effective for so long as necessary to complete the Merger. Parent shall notify the Company promptly of the time when the Form S-4 has become effective or any supplement or amendment to the Form S-4 has been filed, and of the issuance of any stop order or

suspension of the qualification of the shares of Parent Common Stock issuable in connection with the Merger for offering or sale in any jurisdiction. The Company shall use its reasonable best efforts to: (A) cause the Proxy Statement to be mailed to the Company's stockholders as promptly as practicable after the Form S-4 is declared effective under the Securities Act, and (B) ensure that the Proxy Statement complies in all material respects with the applicable provisions of the Securities Act and Exchange Act, including, on or following the date on which the Form S-4 has become effective, the filing by the Company of the definitive Proxy Statement with the SEC on the date on which it is first mailed to the Company's stockholders. Parent shall also take any other action required to be taken under the Securities Act, the Exchange Act, any applicable foreign or state securities or "blue sky" Laws, and the rules and regulations thereunder in connection with the issuance of Parent Common Stock in the Merger, and the Company shall furnish to Parent all information concerning the Company as may be reasonably requested in connection with any such actions.

(b) Parent and the Company shall furnish to the other party all information concerning such Person and its Affiliates required by the Securities Act or the Exchange Act to be set forth in the Form S-4 or the Proxy Statement. Each of Parent and the Company shall promptly correct any information provided by it for use in the Form S-4 or the Proxy Statement if and to the extent that such information shall have become false or misleading in any material respect. Each of Parent and the Company shall take all steps necessary to amend or supplement the Form S-4 or the Proxy Statement, as applicable, and to cause the Form S-4 or Proxy Statement, as so amended or supplemented, to be filed with the SEC and disseminated to the holders of Shares, in each case as and to the extent required by applicable Law.

(c) Parent and the Company shall promptly provide the other party and their counsel with any comments or other communications, whether written or oral, that Parent or the Company, or their counsel may receive from the SEC or its staff with respect to the Form S-4 or the Proxy Statement promptly after the receipt of such comments. Prior to the filing of the Form S-4 or the Proxy Statement with the SEC (including in each case any amendment or supplement thereto, except with respect to any amendments filed in connection with a Company Adverse Recommendation Change) or the dissemination thereof to the holders of Shares, or responding to any comments of the SEC with respect to the Form S-4 or Proxy Statement, each of Parent and the Company shall provide the other party and their counsel a reasonable opportunity to review and comment on such Form S-4, Proxy Statement, or response (including the proposed final version thereof), and each of Parent and the Company shall give reasonable and good faith consideration to any comments made by the other party or their counsel.

Section 5.6 Company Stockholders' Meeting. The Company shall take all action necessary to duly call, give notice of, convene, and hold the Company Stockholders' Meeting as soon as reasonably practicable after the Form S-4 is declared effective, and, in connection therewith, the Company shall mail the Proxy Statement to the holders of Shares in advance of such meeting. Except to the extent that the Company Board shall have effected a Company Adverse Recommendation Change as permitted by Section 5.4, the Proxy Statement shall include the Company Board Recommendation. Subject to Section 5.4, the Company shall use reasonable best efforts to: (a) solicit from the holders of Shares proxies in favor of the adoption of this Agreement and approval of the Merger; and (b) take all other actions necessary or advisable to secure the vote or consent of the holders of Shares required by applicable Law to obtain such approval. The Company shall keep Parent and Merger Sub updated with respect to proxy solicitation results as reasonably requested Parent or Merger Sub. Once the Company Stockholders' Meeting has been called and noticed, the Company shall not postpone or adjourn the Company Stockholders' Meeting without the consent of Parent (other than: (i) in order to obtain a quorum of its stockholders; or (ii) as reasonably determined by the Company to comply with applicable Law). The Company shall as promptly as reasonably practicable after the date hereof set a record date for the Company Stockholders' Meeting. If the Company Board makes a Company Adverse Recommendation Change, it will not alter the obligation of the Company to submit the adoption of this Agreement and the approval of the Merger to the holders of Shares at the Company Stockholders' Meeting to consider and vote upon, unless this Agreement shall have been terminated in accordance with its terms prior to the Company Stockholders' Meeting. Unless this

Agreement is terminated in accordance with its terms, the Company shall not submit to the vote of its stockholders any Acquisition Proposal.

Section 5.7 Approval by Sole Stockholder of Merger Sub. Promptly following the execution and delivery of this Agreement, Parent, as sole stockholder of Merger Sub, shall adopt this Agreement and approve the Merger, in accordance with the DGCL.

Article VI

ADDITIONAL COVENANTS OF THE PARTIES

Section 6.1 Filings and Approvals.

(a) Without limiting the generality of anything contained in this Section 6.1, the Company and Parent shall cooperate with each other and use (and shall cause their respective Subsidiaries to use) their reasonable best efforts to take or cause to be taken all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under this Agreement and applicable Law to consummate the Contemplated Transactions as soon as reasonably practicable, including preparing and filing as promptly as reasonably practicable all documentation to effect all necessary notices, reports and other filings and to obtain as promptly as practicable all consents, registrations, approvals, permits and authorizations necessary or advisable to be obtained from any Third Party and/or any Governmental Body, including without limitation, if required, under the HSR Act and any other applicable Antitrust Laws, in order to consummate the Contemplated Transactions.

(b) In furtherance and not in limitation of the foregoing, each of the Company and Parent (and their respective Affiliates, if applicable) shall: (i) promptly, but in no event later than five business days after the date of this Agreement, file any and all notices, reports and other documents required to be filed by such party under the HSR Act with respect to the Contemplated Transactions; and shall use reasonable best efforts promptly to cause the expiration or termination of any applicable waiting periods under the HSR Act; (ii) promptly make all filings, and use reasonable best efforts to timely obtain all consents, permits, authorizations, waivers, clearances and approvals, and to cause the expiration or termination of any applicable waiting periods, as may be required under any other applicable Antitrust Laws (to the extent required); (iii) as promptly as reasonably practicable provide such information as may reasonably be requested by the DOJ or the FTC under the HSR Act or by any other Governmental Body in connection with the Contemplated Transactions, as well as any information required to be submitted to comply with, a request for additional information in order to commence or end a statutory waiting period; and (iv) use reasonable best efforts to cause to be taken, on a timely basis, all other actions necessary or appropriate for the purpose of consummating and effectuating the Contemplated Transactions; provided, however, that notwithstanding anything to the contrary in this Agreement, Parent shall not be obligated to sell or dispose of or hold separately (through a trust or otherwise) any assets or businesses of Parent, the Company or any of their respective Subsidiaries. Parent shall pay all applicable filing fees for filings required under this Section 6.1(b).

(c) Without limiting the generality of anything contained in this Section 6.1, each party hereto shall (i) give the other parties prompt notice of the making or commencement of any request, inquiry, investigation, action or Legal Proceeding by or before any Governmental Body with respect to the Contemplated Transactions, (ii) keep the other parties reasonably informed as to the status of any such request, inquiry, investigation, action or Legal Proceeding, (iii) promptly inform the other parties of any communication to or from the FTC, DOJ or any other Governmental Body to the extent regarding the Contemplated Transactions, or regarding any such request, inquiry, investigation, action or Legal Proceeding, and provide a copy of all written communications and (iv) pull and re-file any notice under the HSR Act only if the other parties agree. Subject to applicable Law, in advance and to the extent practicable, each of Parent or Company, as the case may be, will consult the other on all the information relating to Parent or the Company, as the case may be, and any of their respective Subsidiaries

that appear in any filing made with, or written materials submitted to, any Third Party and/or any Governmental Body in connection with the Contemplated Transactions and shall incorporate all comments reasonably proposed by Parent or the Company, as the case may be; provided, however, that if review of any information would be material in connection with any second request (or similar process) such information shall be provided solely to those individuals acting as outside antitrust counsel for the other parties provided that such counsel shall not disclose such information to such other parties and shall enter into a joint defense agreement with the providing party. In addition, except as may be prohibited by any Governmental Body or by any applicable Law, in connection with any such request, inquiry, investigation, action or Legal Proceeding in respect of the Contemplated Transactions, each party hereto will permit authorized Representatives of the other party to be present at each meeting or conference relating to such request, inquiry, investigation, action or Legal Proceeding and to have access to and be consulted in connection with any document, opinion or proposal made or submitted to any Governmental Body in connection with such request, inquiry, investigation, action or Legal Proceeding.

(d) Neither Parent nor Merger Sub shall, nor shall they permit their respective Subsidiaries to, acquire or agree to acquire any rights, assets, business, Person or division thereof (through acquisition, license, joint venture, collaboration or otherwise), if such acquisition, would reasonably be expected to materially increase the risk of not obtaining any applicable clearance, consent, approval or waiver under the HSR Act or other applicable Antitrust Laws with respect to the Contemplated Transactions.

Section 6.2 Employee Compensation and Benefits.

(a) For a period commencing upon the Effective Time and continuing through the first anniversary of the Effective Time (or until termination of employment, if earlier), Parent shall provide to each employee of the Acquired Corporations who continues to be employed by Parent or the Surviving Corporation (or any Subsidiary thereof) following the Effective Time (the “**Continuing Employees**”) (i) total cash compensation (including base salary or base hourly rate, as applicable, bonus opportunities, other than equity-based compensation and retention benefits) that are at least equal to the cash compensation provided to such Continuing Employees immediately prior to the Effective Time and (ii) retirement benefits and health and welfare benefits (other than pursuant to defined benefit plans or retiree plans) at levels which are, in the aggregate, substantially comparable in the aggregate to those benefits received by such Continuing Employees immediately prior to the Effective Time (or, as determined by Parent in its sole discretion, those benefits as provided by Parent to similarly situated employees of Parent). In addition, (i) notwithstanding the foregoing, the Continuing Employees shall be eligible for severance benefits as set forth in Part 6.2 of the Company Disclosure Schedule and (ii) Parent shall assume and honor the terms of the agreements set forth in Part 6.2 of the Company Disclosure Schedule. Without limiting the foregoing:

(b) With respect to any accrued but unused personal, sick or vacation time to which any Continuing Employee is entitled pursuant to the personal, sick or vacation policies applicable to such Continuing Employee immediately prior to the Effective Time, Parent shall, or shall cause the Surviving Corporation to and instruct its Subsidiaries to, as applicable, assume the liability for such accrued personal, sick or vacation time and allow such Continuing Employee to use such accrued personal, sick or vacation time in accordance with the practice and policies of the applicable Acquired Corporation.

(c) If requested by Parent at least ten business days prior to the Effective Time, the Acquired Corporations shall terminate any and all Company Employee Plans intended to qualify under Section 401(k) of the Code (the “**401(k) Plan(s)**”), effective not later than the business day immediately preceding the Effective Time. In the event that Parent requests that such 401(k) Plan(s) be terminated, the Acquired Corporations shall provide Parent with evidence that such 401(k) Plan(s) have been terminated pursuant to resolution of the Company Board not later than two business days immediately preceding the Effective Time. Parent shall have no obligation to cause or permit Continuing Employees with outstanding participant loan balances under the 401(k) Plan(s) to roll over their plan loans to Parent’s 401(k) plan.

(d) Prior to the Effective Time, effective not later than the business day immediately preceding the Effective Time, the Company shall terminate the ESPP. No later than four business days immediately preceding the Effective Time, the Company shall provide Parent with evidence that the ESPP has been or, in accordance with the immediately preceding sentence will be, terminated pursuant to resolution of the Company Board.

(e) Parent agrees that all Continuing Employees shall be eligible to continue to participate in the Surviving Corporation's health and welfare benefit plans to the extent that they were eligible to participate in such plans prior to the Closing; provided, however, that (i) nothing in this Section 6.2 or elsewhere in this Agreement shall limit the right of Parent or the Surviving Corporation to amend or terminate any such health or welfare benefit plan at any time, and (ii) if Parent or the Surviving Corporation terminates any such health or welfare benefit plan, then (upon expiration of any appropriate transition period) Parent shall use reasonable best efforts to cause the Continuing Employees to be eligible to participate in Parent's health and welfare benefit plans, to substantially the same extent as similarly situated employees of Parent (taking into account job location). To the extent that service is relevant for eligibility, vesting or allowances (including paid time off) under any benefit plan of Parent and/or the Surviving Corporation in which Continuing Employees are eligible to participate, then Parent shall cause such benefit plan to (to the extent that it would not result in any duplication of benefits), for purposes of eligibility, vesting and allowances (including paid time off) but not for purposes of benefit accrual, credit Continuing Employees for service prior to the Effective Time with the Acquired Corporations to the same extent that such service was recognized prior to the Effective Time under the corresponding benefit plan of the Company.

(f) With respect to all employees, the Acquired Corporations shall be responsible for providing any notices required to be given and otherwise complying with the WARN or similar Laws of any jurisdiction relating to any plant closing or mass layoff (or similar triggering event) caused by the Acquired Corporations on or prior to the Effective Time. If Parent determines that an event would trigger WARN obligations (or obligations arising under similar Laws) after the Effective Time, Parent shall be responsible for providing notices to all employees as are required to be provided notice under WARN (or any similar statute or regulation), in a form that is compliant with applicable Law.

(g) Nothing in this Section 6.2 or elsewhere in this Agreement is intended nor shall be construed to (i) be treated as an amendment to any particular employee benefit or retirement plan, including any Company Employee Plan or employee plan of Parent, (ii) prevent Parent from amending or terminating any of its benefit plans in accordance with their terms, (iii) create a right in any employee to employment with Parent, the Surviving Corporation or any other Subsidiary of the Surviving Corporation and the employment of each Continuing Employee shall be "at will" employment or (iv) create any third-party beneficiary rights in any employee of the Acquired Corporations or the Surviving Corporation, any beneficiary or dependent thereof, or any collective bargaining representative thereof or any other Person.

(h) From and after the Closing Date, Parent shall honor, and shall cause the Surviving Corporation and their respective Subsidiaries to honor, in accordance with its terms, (i) each existing (as of the date hereof) employment, change in control, retention or severance agreement between the Company or any of its Subsidiaries and any current or former officer, director or employee of that company, (ii) all obligations in effect as of the Effective Time under any equity-based, bonus or compensation deferral plans, programs or agreements of the Company or its Subsidiaries and (iii) all vested and accrued benefits under any Company Employee Plan, in each case, in a manner not inconsistent with the provisions of this Agreement. Parent acknowledges that the transaction contemplated hereby shall constitute a "change in control" for purposes of each Company Employee Plan that uses such term or a similar term.

(i) Not later than two business days prior to the Closing Date, the Company shall deliver to Parent the information set forth in Part 6.2(i) of the Company Disclosure Schedule.

Section 6.3 Plan of Reorganization.

(a) The Company, Merger Sub and Parent shall use their respective commercially reasonable efforts to cause the Merger to qualify, and agree not to, and not to permit or cause any Affiliate or any Subsidiary to, take any actions or cause any action to be taken that which would reasonably be expected to prevent the Merger from qualifying, as a “reorganization” under Section 368(a) of the Code.

(b) The Company, Merger Sub and Parent shall treat, and shall not take any Tax reporting position inconsistent with the treatment of, the Merger as a “reorganization” within the meaning of Section 368(a) of the Code for U.S. federal, state and other relevant Tax purposes, unless otherwise required pursuant to a “determination” within the meaning of Section 1313(a) of the Code.

(c) The parties shall cooperate and use their commercially reasonable efforts in order for the Company to obtain the opinion of Goodwin Procter LLP, in form and substance reasonably acceptable to Parent, dated as of the Closing (the “**Goodwin Opinion**”), and Parent to obtain the opinion of Covington & Burling LLP, dated as of the Closing (the “**Covington Opinion**”) to the effect that, on the basis of the facts, representations and assumptions set forth or referred to in such opinions, for U.S. federal income Tax purposes, the Merger will constitute a reorganization within the meaning of Section 368(a) of the Code. The issuance of each of the Goodwin Opinion and Covington Opinion shall be conditioned upon the receipt by each counsel of customary representation letters from each of the Company, on the one hand, and Parent and Merger Sub, on the other hand, in each case, in form and substance reasonably satisfactory to such counsel. Each such representation letter shall be dated on or before the date of such opinion and shall not have been withdrawn or modified in any material respect.

(d) All transfer, documentary, sales, use, stamp, registration and other such Taxes and fees (including any penalties and interest) incurred in connection with this Agreement (collectively, “**Transfer Taxes**”) shall be paid by the stockholders when due, and the stockholders will, at their own expense, file all necessary Tax Returns and other documentation with respect to all such Transfer Taxes, and, if required by applicable Laws, the Company will, and will cause its Affiliates to, join in the execution of any such Tax Returns and other documentation. The stockholders shall provide the Company and Parent with (i) evidence reasonably satisfactory to the Company and Parent that such Transfer Taxes have been paid by the stockholders and (ii) a clearance certificate or similar documents which may be required by any Tax authority to relieve the Company and Parent of any obligation to withhold any portion of the payments to the stockholders pursuant to this Agreement.

Section 6.4 Indemnification of Officers and Directors.

(a) For six years after the Effective Time, Parent shall, or shall cause the Surviving Corporation to, maintain officers’ and directors’ liability insurance in respect of acts or omissions occurring prior to the Effective Time covering each such Person currently covered by the Company’s officers’ and directors’ liability insurance policy on terms with respect to coverage and amount no less favorable than those of such policy in effect on the date hereof; provided, however, that in satisfying its obligation under this Section 6.4(a), neither Parent nor the Surviving Corporation shall be obligated to pay annual premiums in excess of 300% of the amount per annum the Company paid in its last full fiscal year prior to the date of this Agreement as set forth on Part 6.4(a) of the Company Disclosure Schedule (the “**Current Premium**”) and if such premiums for such insurance would at any time exceed 300% of the Current Premium, then the Surviving Corporation shall cause to be maintained policies of insurance that, in the Surviving Corporation’s good faith judgment, provide the maximum coverage available at an annual premium not in excess of 300% of the Current Premium. The provisions of the immediately preceding sentence shall be deemed to have been satisfied if prepaid “tail” or “runoff” policies have been obtained by the Company prior to the Effective Time, which policies provide such Persons currently covered by such policies with coverage for an aggregate period of six (6) years with respect to claims arising from facts or events that occurred on or before the Effective Time, including, in respect of the Contemplated Transactions; provided, however, that the amount paid for such prepaid policies does not exceed 300% of the Current

Premium. At Parent's request, the Company shall obtain such prepaid policies prior to the Effective Time, with such policies to be effective as of the Effective Time. If such prepaid policies have been obtained prior to the Effective Time, the Surviving Corporation shall (and Parent shall cause the Surviving Corporation to) maintain such policies in full force and effect for their full term, and continue to honor the obligations thereunder.

(b) From and after the Effective Time, each of Parent and the Surviving Corporation shall: (i) indemnify and hold harmless each individual who at the Effective Time is, or at any time prior to the Effective Time was, a director or officer of the Company or of a Subsidiary of the Company (each, an "**Indemnified Party**") for any and all costs and expenses (including fees and expenses of legal counsel, which shall be advanced as they are incurred, provided that the Indemnified Party shall have made an undertaking to repay such expenses if it is ultimately determined that such Indemnified Party was not entitled to indemnification under this Section 6.4(b)), judgments, fines, penalties or liabilities (including amounts paid in settlements or compromises) imposed upon or reasonably incurred by such Indemnified Party in connection with or arising out of any action, suit or other proceeding (whether civil or criminal, and including any proceeding before any administrative or legislative body or agency) in which such Indemnified Party may be involved or with which he or she may be threatened (regardless of whether as a named party or as a participant other than as a named party, including, without limitation, as a witness) (an "**Indemnified Party Proceeding**") (A) by reason of such Indemnified Party's being or having been such director or officer or an employee or agent of the Company or any Subsidiary of the Company or otherwise in connection with any action taken or not taken at the request of the Company or any Subsidiary of the Company or (B) arising out of such Indemnified Party's service in connection with any other corporation or organization for which he or she serves or has served as director, officer, employee, agent, trustee or fiduciary at the request of the Company or any Subsidiary of the Company (including in any capacity with respect to any employee benefit plan), in each of clause (A) or (B) whether or not the Indemnified Party continues in such position at the time such Indemnified Party Proceeding is brought or threatened and at, or at any time prior to, the Effective Time (including any Indemnified Party Proceeding relating in whole or in part to the Contemplated Transactions or relating to the enforcement of this provision or any other indemnification or advancement right of any Indemnified Party), to the fullest extent permitted under applicable Law; and (ii) fulfill and honor in all respects the obligations of the Company and its Subsidiaries pursuant to: (x) each indemnification agreement in effect between the Company or any of its Subsidiaries and any Indemnified Party as of the date of this Agreement; and (y) any indemnification provision (including advancement of expenses) and any exculpation provision set forth in the certificate of incorporation or bylaws of the Company as in effect on the date of this Agreement. Parent shall pay all expenses, including reasonable attorneys' fees, that may be incurred by Indemnified Parties in connection with their enforcement of their rights provided under this Section 6.4. Parent's and the Surviving Corporation's obligations under the foregoing clauses (i) and (ii) shall continue in full force and effect for a period of six (6) years from the Effective Time; provided, however, that all rights to indemnification, exculpation and advancement of expenses in respect of any claim asserted or made within such period shall continue until the final disposition of such claim. If Parent or the Surviving Corporation fails to comply with its obligations in this Section 6.4(b) and an Indemnified Party makes a demand or commences a suit which, in either case, results in a final, nonappealable Order that Parent or the Surviving Corporation failed to comply with such obligation, Parent shall pay such Indemnified Party his or her costs and expenses (including reasonable attorney's fees and disbursements) in connection with such demand or suit, together with interest thereon at the "prime rate" as published in *The Wall Street Journal*, Eastern Edition, in effect on the date such payment was required to be made through the date of payment (calculated daily on the basis of a year of 360 days and the actual number of days elapsed, without compounding).

(c) If Parent, the Surviving Corporation or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving Entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case proper provision shall be made so that the successors and assigns of Parent or the Surviving Corporation, as the case may be, shall assume the obligations set forth in this Section 6.4.

(d) The provisions of this Section 6.4 are (i) intended to be for the benefit of, and shall be enforceable by, each Indemnified Party, his or her heirs and his or her representatives and (ii) in addition to, and not in substitution for, any other rights to indemnification or contribution that any such individual may have under any certificate of incorporation or bylaws, by contract or otherwise. The obligations of Parent and the Surviving Corporation under this Section 6.4 shall not be terminated or modified in such a manner as to adversely affect the rights of any Indemnified Party unless (x) such termination or modification is required by applicable Law or (y) the affected Indemnified Party shall have consented in writing to such termination or modification (it being expressly agreed that the Indemnified Parties shall be third party beneficiaries of this Section 6.4).

Section 6.5 Transaction Litigation. The Company shall (a) as promptly as reasonably practicable (and in any event within two business days) notify Parent in writing of any Transaction Litigation and thereafter keep Parent informed on a reasonably current basis with respect to the status thereof (including by promptly furnishing to Parent and its Representatives such information related to such Transaction Litigation as such Persons may reasonably request), (b) give Parent the opportunity to participate in the defense of any Transaction Litigation and (c) not cease to defend, consent to the entry of any judgment, offer to settle, or enter into any settlement with respect to any such Transaction Litigation without the prior written consent of Parent, which such consent shall not be unreasonably withheld, conditioned or delayed. Without otherwise limiting the Indemnified Parties' rights with regard to the right to counsel, following the Effective Time, the Indemnified Parties shall be entitled to continue to retain Goodwin Procter LLP or such other counsel selected by such Indemnified Parties prior to the Effective Time to defend any Transaction Litigation.

Section 6.6 Disclosure. The initial press release with respect to this Agreement and the transactions contemplated hereby shall be mutually agreed to by Parent and the Company. Thereafter, Parent and the Company shall consult with each other before issuing any press release or making any other public statement, or scheduling a press conference or conference call with investors or analysts, with respect to this Agreement or the Contemplated Transactions and shall not issue any such press release or make any such other public statement without the consent of the other party, which shall not be unreasonably withheld, delayed or conditioned, except as such release or announcement may be required by applicable Law or any requirements of NASDAQ, in which case the party required to make the release or announcement shall consult with the other party about, and allow the other party reasonable time (taking into account the circumstances) to comment on, such release or announcement in advance of such issuance, and the party will consider such comments in good faith; provided, however, that notwithstanding the foregoing, (i) neither the Company nor Parent be obligated to engage in such consultation with respect to communications that are principally directed to employees, customers, partners or vendors so long as such communications are consistent with previous releases, public disclosures or public statements made jointly by the parties (or individually, if approved by the other party) and (ii) neither the Company nor Parent shall be required to consult with the other before issuing any press release or making any other public statement with respect to a Company Adverse Recommendation Change effected in accordance with Section 5.4.

Section 6.7 Takeover Laws: Advice of Changes.

(a) If any Takeover Statute may become, or may purport to be, applicable to the Contemplated Transactions, each of Parent and the Company and the members of its respective board of directors, to the extent permissible under applicable Law, shall grant such approvals and take such actions, in accordance with the terms of this Agreement, as are necessary so that the Contemplated Transactions may be consummated as promptly as practicable, and in any event prior to the End Date, on the terms and conditions contemplated hereby and otherwise, to the extent permissible under applicable Law, act to eliminate the effect of any Takeover Statute on any of the Contemplated Transactions.

(b) Each of the Company and Parent will give prompt notice to the other (and will subsequently keep the other informed on a reasonably current basis of any material developments related to such notice) upon its becoming aware of the occurrence or existence of any fact, event or circumstance that (i) has, (x) with respect to

the Company, had or would reasonably be expected to result in any Company Material Adverse Effect and (y) with respect to Parent or Merger Sub, had or would reasonably be expected to have a Parent Material Adverse Effect or (ii) is reasonably likely to result in any of the conditions set forth in Article VII not being able to be satisfied prior to the End Date.

Section 6.8 Section 16 Matters. Promptly after the date hereof and prior to the Effective Time, the Company shall take all such steps as may be required to cause any dispositions of Shares resulting from the Contemplated Transactions by each individual who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company to be exempt under Rule 16b-3 promulgated under the Exchange Act, to the extent permitted by applicable Law.

Section 6.9 Confidentiality. Parent and the Company hereby acknowledge and agree to continue to be bound by the letter agreement dated as of June 2, 2017 between Parent and the Company, as amended by that Amendment #1 to Confidentiality Agreement, dated as of July 20, 2017 (the "Confidentiality Agreement"). All information provided by or on behalf of the Company or its Subsidiaries, on the one hand, and Parent, on the other hand, pursuant to this Agreement will be kept confidential in accordance with the Confidentiality Agreement.

Section 6.10 Stock Exchange Delisting; Deregistration. Prior to the Closing Date, the Company shall cooperate with Parent and use reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under applicable Law and rules and policies of NASDAQ to enable the delisting by the Surviving Corporation of the Shares from NASDAQ and the deregistration of the Shares under the Exchange Act as promptly as practicable after the Effective Time, and in any event no more than ten (10) days after the Closing Date.

Section 6.11 Listing of Parent Common Stock. Parent shall use its reasonable best efforts to cause the shares of Parent Common Stock to be issued as part of the Merger Consideration to be listed on NASDAQ, subject to official notice of issuance.

Article VII

CONDITIONS PRECEDENT TO THE MERGER

Section 7.1 Conditions to Each Party's Obligation to Effect the Merger. The respective obligation of each party to effect the Merger shall be subject to the satisfaction at or prior to the Closing of each of the following conditions (which may be waived in whole or in part by such party):

(a) Company Stockholder Approval. The Company Stockholder Approval shall have been obtained.

(b) [Intentionally Omitted]

(c) Regulatory Consents. Any applicable waiting period under the HSR Act and other applicable Antitrust Laws relating to the Merger shall have expired or been terminated.

(d) Statutes. No Law shall have been enacted or promulgated by any federal or state Governmental Body of competent jurisdiction and remain in effect that precludes, restrains, enjoins or prohibits the consummation of the Merger.

(e) Injunctions. There shall be no Order (whether temporary, preliminary or permanent) in effect precluding, restraining, enjoining or prohibiting consummation of the Merger.

(f) Form S-4. The Form S-4 shall have been declared effective by the SEC under the Securities Act and no stop order suspending the effectiveness of the Form S-4 shall have been issued by the SEC and remain in effect and no proceeding for that purpose shall have been initiated by the SEC and not subsequently withdrawn.

(g) Listing of Parent Common Stock. The shares of Parent Common Stock to be issued pursuant to the Merger shall have been approved for listing on NASDAQ, subject to official notice of issuance.

Section 7.2 Additional Conditions to Obligation of Parent and Merger Sub to Effect the Merger. The obligations of Parent and Merger Sub to effect the Merger are also subject to the satisfaction or waiver by Parent at or prior to the Effective Time of the following conditions:

(a) Representations and Warranties. (i) The representations and warranties of the Company set forth in this Agreement (without giving effect to any references to any Company Material Adverse Effect or materiality qualifications and other qualifications based upon the concept of materiality or similar phrases contained therein), other than the representations and warranties set forth in Section 3.1 (Due Organization, Subsidiaries), Section 3.3 (Capitalization), Section 3.5 (Absence of Changes), Section 3.20 (Authority; Binding Nature of Agreement), Section 3.21 (Takeover Statutes), Section 3.24 (Fairness Opinion) and Section 3.25 (Financial Advisor), shall be true and correct as of the date of this Agreement and as of the Closing Date as though made on and as of such date (except to the extent that any such representation and warranty expressly speaks as of an earlier date, in which case such representation and warranty shall have been true and correct as of such earlier date); unless the failure of such representations and warranties of the Company to be so true and correct, individually or in the aggregate, have not resulted in or would not reasonably be expected to result in a Company Material Adverse Effect; (ii) the representations and warranties set forth in Section 3.1 (Due Organization, Subsidiaries), Section 3.3(c) (Capitalization), Section 3.5 (Absence of Changes), Section 3.20 (Authority; Binding Nature of Agreement), Section 3.21 (Takeover Statutes), Section 3.24 (Fairness Opinion) and Section 3.25 (Financial Advisor) shall be true and correct in all material respects as of the date of this Agreement and as of the Closing Date as though made on and as of such date and time (except to the extent that any such representation and warranty expressly speaks as of an earlier date, in which case such representation and warranty shall have been true and correct as of such earlier date); and (iii) the representations and warranties set forth in Section 3.3 (other than Section 3.3(c)) (Capitalization) shall be true and correct in all respects as of the date of this Agreement and as of the Closing Date as though made on and as of such date and time (except to the extent that any such representation and warranty expressly speaks as of an earlier date, in which case such representation and warranty shall have been true and correct as of such earlier date), except for *de minimis* inaccuracies.

(b) Performance of Obligations of the Company. The Company shall have performed or complied with in all material respects the agreements and covenants contained in this Agreement to be performed or complied with by the Company at or prior to the Closing pursuant to the terms of this Agreement.

(c) Closing Certificate. Parent shall have received a certificate signed by an authorized executive officer of the Company, dated the Closing Date, to the effect that the conditions set forth in Section 7.2(a), Section 7.2(b) and Section 7.2(d) have been satisfied.

(d) No Company Material Adverse Effect. Since the date of this Agreement, there shall not have occurred and be continuing any event, change, effect or development that, individually or in the aggregate, has had or would reasonably be expected to have a Company Material Adverse Effect.

Section 7.3 Additional Conditions to Obligation of the Company to Effect the Merger. The obligation of the Company to effect the Merger shall be further subject to the satisfaction at or prior to the Closing of each of the following conditions (which may be waived in whole or in part by the Company):

(a) Representations and Warranties. (i) The representations and warranties of Parent and Merger Sub set forth in this Agreement (without giving effect to any references to any Parent Material Adverse Effect or materiality qualifications and other qualifications based upon the concept of materiality or similar phrases contained therein), other than the representations and warranties set forth in Section 4.1 (Due Organization; Subsidiaries), Section 4.2 (Capitalization), Section 4.4 (Absence of Changes), Section 4.11 (Authority; Binding Nature of Agreement) and Section 4.15 (Financial Advisor), shall be true and correct as of the date of this

Agreement and as of the Closing Date as though made on and as of such date (except to the extent that any such representation and warranty expressly speaks as of an earlier date, in which case such representation and warranty shall have been true and correct as of such earlier date); unless the failure of such representations and warranties of Parent and Merger Sub to be so true and correct, individually or in the aggregate, have not resulted in or would not reasonably be expected to result in a Parent Material Adverse Effect; (ii) the representations and warranties set forth in Section 4.1 (Due Organization; Subsidiaries), Section 4.4 (Absence of Changes), Section 4.11 (Authority; Binding Nature of Agreement) and Section 4.15 (Financial Advisor) shall be true and correct in all material respects as of the date of this Agreement and as of the Closing Date as though made on and as of such date and time (except to the extent that any such representation and warranty expressly speaks as of an earlier date, in which case such representation and warranty shall have been true and correct as of such earlier date); and (iii) the representations and warranties set forth in Section 4.2 (Capitalization) shall be true and correct in all respects as of the date of this Agreement and as of the Closing Date as though made on and as of such date and time (except to the extent that any such representation and warranty expressly speaks as of an earlier date, in which case such representation and warranty shall have been true and correct as of such earlier date), except for *de minimis* inaccuracies.

(b) Performance of Obligations of Parent. Parent and Merger Sub each shall have performed or complied with in all material respects the agreements and covenants contained in this Agreement to be performed or complied with by Parent and Merger Sub, respectively, at or prior to the Closing pursuant to the terms of this Agreement.

(c) Closing Certificate. The Company shall have received a certificate signed by an authorized executive officer of Parent, dated the Closing Date, to the effect that the conditions set forth in Section 7.3(a), Section 7.3(b) and Section 7.3(d) have been satisfied.

(d) No Parent Material Adverse Effect. Since the date of this Agreement, there shall not have occurred and be continuing any event, change, effect or development that, individually or in the aggregate, has had or would reasonably be expected to have a Parent Material Adverse Effect.

Article VIII

TERMINATION

Section 8.1 Termination By Mutual Consent. This Agreement may be terminated at any time prior to the Effective Time (whether before or after the receipt of the Company Stockholder Approval) by the mutual written consent of Parent and the Company.

Section 8.2 Termination By Either Parent or the Company. This Agreement may be terminated by either Parent or the Company at any time prior to the Effective Time (whether before or after the receipt of the Company Stockholder Approval):

(a) if the Merger has not been consummated on or before April 9, 2018 (the “**End Date**”); provided, however, that the right to terminate this Agreement pursuant to this Section 8.2(a) shall not be available to any party whose breach of any representation, warranty, covenant, or agreement set forth in this Agreement has been the cause of, or resulted in, the failure of the Merger to be consummated on or before the End Date;

(b) if any Governmental Body of competent jurisdiction shall have enacted, issued, promulgated, enforced, or entered any Law or Order making illegal, permanently enjoining, or otherwise permanently prohibiting the consummation of the Merger and such Law or Order shall have become final and nonappealable; provided, however, that the right to terminate this Agreement pursuant to this Section 8.2(b) shall not be available to any party whose breach of any representation, warranty, covenant, or agreement set forth in this

Agreement has been the cause of, or resulted in, the issuance, promulgation, enforcement, or entry of any such Law or Order; or

(c) if this Agreement has been submitted to the stockholders of the Company for adoption at a duly convened Company Stockholders' Meeting and the Company Stockholder Approval shall not have been obtained at such meeting (unless such Company Stockholders' Meeting has been adjourned or postponed, in which case at the final adjournment or postponement thereof); provided, however, that the right to terminate this Agreement pursuant to this Section 8.2(c) shall not be available to the Company if the Company's breach of any representation, warranty, covenant, or agreement set forth in this Agreement has been the cause of, or resulted in, the failure to obtain the Company Stockholder Approval at the Company Stockholders' Meeting or any adjournment or postponement thereof.

Section 8.3 Termination By Parent. This Agreement may be terminated by Parent at any time prior to the Effective Time:

(a) [Intentionally Omitted];

(b) if a Company Adverse Recommendation Change shall have occurred or the Company shall have materially breached its obligations under Section 5.3 or Section 5.4; or

(c) if there shall have been a breach of any representation, warranty, covenant, or agreement on the part of the Company set forth in this Agreement such that the conditions to the Closing of the Merger set forth in Section 7.2(a) or Section 7.2(b), as applicable, would not be satisfied and, in either such case, such breach is incapable of being cured by the End Date or, if curable, is not cured by the Company within 30 days after receipt by the Company of written notice of such breach.

Section 8.4 Termination By the Company. This Agreement may be terminated by the Company:

(a) prior to the receipt of the Company Stockholder Approval at the Company Stockholders' Meeting, if the Company shall have complied with Section 5.3 and Section 5.4 hereof in all material respects and the Company Board shall have effected a Company Adverse Recommendation Change in respect of a Superior Proposal in accordance with Section 5.4, and substantially concurrently with such termination the Company enters into a definitive agreement with respect to such Superior Proposal and concurrently with or prior to such termination the Company pays the Termination Fee to Parent in accordance with Section 8.6(b); or

(b) [Intentionally Omitted]; or

(c) at any time prior to the Effective Time, if there shall have been a breach of any representation, warranty, covenant or agreement on the part of Parent or Merger Sub set forth in this Agreement such that the conditions to the Closing of the Merger set forth in Section 7.3(a) or Section 7.3(b), as applicable, would not be satisfied and, in either such case, such breach is incapable of being cured by the End Date or, if curable, is not cured by Parent or Merger Sub within 30 days after receipt by Parent of written notice of such breach.

Section 8.5 Notice of Termination; Effect of Termination. The party desiring to terminate this Agreement pursuant to this Article VIII (other than pursuant to Section 8.1) shall deliver written notice of such termination to each other party hereto specifying with particularity the reason for such termination, and any such termination in accordance with this Section 8.5 shall be effective immediately upon delivery of such written notice to the other party. If this Agreement is terminated pursuant to Article VIII, this Agreement shall be of no further force or effect without liability of any party (or any Representative of such party) to each other party hereto; provided, however, that the provisions of this Section 8.5, Section 6.9, Section 8.6, Article IX and the applicable definitions in Exhibit A or elsewhere in this Agreement shall survive any termination hereof pursuant to this Article VIII. Notwithstanding the foregoing or any other provision of this Agreement to the contrary, none of Parent, Merger Sub or the Company shall be relieved or released from any liabilities or damages arising out of its knowing and

intentional material breach of any provision of this Agreement or any other agreement delivered in connection herewith or any fraud, subject only, with respect to any such liabilities of the Company, to Section 8.6; provided, however, that the failure of any party to consummate the Merger after all conditions set forth in Article VII (other than those conditions that by their nature are to be satisfied by actions taken at the Closing) have been satisfied or waived shall constitute a knowing and intentional material breach by such party, and such party shall be liable to the other parties for such breach as provided herein notwithstanding any termination of this Agreement. The Confidentiality Agreement shall survive the termination of this Agreement and shall remain in full force and effect in accordance with its terms.

Section 8.6 Fees and Expenses Following Termination.

(a) If this Agreement is terminated by Parent pursuant to Section 8.3(b), then the Company shall pay to Parent (by wire transfer of immediately available funds), within two business days after such termination, the Termination Fee; or

(b) If this Agreement is terminated by the Company pursuant to Section 8.4(a), then the Company shall pay to Parent (by wire transfer of immediately available funds), concurrently with or prior to such termination, the Termination Fee; or

(c) If this Agreement is terminated: (i) by Parent pursuant to Section 8.3(c); or (ii) by Parent or the Company pursuant to Section 8.2(a) or Section 8.2(c), and, in each case, (A) an Acquisition Proposal is made, communicated or is otherwise publicly disclosed, (x) before such termination, in the case of a termination pursuant to Section 8.2(a) or Section 8.3(c) or (y) before the Company Stockholders' Meeting, in the case of a termination pursuant to Section 8.2(c), and (B) within twelve months after the date of such termination, the Company consummates an Acquisition Proposal or enters into a definitive agreement in respect of an Acquisition Proposal, which Acquisition Proposal is subsequently consummated (whether during such twelve month period or thereafter), then in any such event the Company shall pay to Parent (by wire transfer of immediately available funds), substantially concurrently with the consummation of the Acquisition Proposal, the Termination Fee (it being understood for all purposes of this Section 8.6(c), all references in the definition of Acquisition Proposal to "20% or more" shall be deemed to be references to "more than 50%" instead).

(d) [Intentionally Omitted].

(e) Except in the case of intentional fraud or a Willful Breach of this Agreement, in the event that Parent shall become entitled to receive full payment of the Termination Fee pursuant to Section 8.6(a) through (c), the receipt of such Termination Fee shall be deemed to be liquidated damages for any and all losses or damages suffered or incurred by Parent and any of its Affiliates or any other Person in connection with this Agreement (and the termination hereof), the Contemplated Transactions (and the abandonment thereof) or any matter forming the basis for such termination, the Company shall have no further liability, whether pursuant to a claim at law or in equity, to Parent or any of its Affiliates in connection with this Agreement (and the termination hereof), the Contemplated Transactions (and the abandonment thereof) or any matter forming the basis for such termination, and none of Parent and its respective Affiliates or any other Person shall be entitled to bring or maintain any claim, action or proceeding against the Company or its Affiliates for damages or any equitable relief arising out of or in connection with this Agreement, any of the Contemplated Transactions or any matters forming the basis for such termination (other than equitable relief to require payment of such Termination Fee). For the avoidance of doubt, any payment of the Termination Fee made by the Company under this Section 8.6 shall be payable only once with respect to this Section 8.6 and not in duplication even though such payment may be payable under one or more provisions hereof.

(f) The parties acknowledge and hereby agree that the provisions of this Section 8.6 are an integral part of the Contemplated Transactions, and that, without such provisions, the parties would not have entered into this Agreement. If the Company shall fail to pay in a timely manner the amounts due pursuant to this Section 8.6.

and, in order to obtain such payment, Parent makes a claim against the Company that results in a judgment, the Company shall pay to the other party the reasonable costs and expenses (including Parent's reasonable attorneys' fees and expenses) incurred or accrued in connection with such suit, together with interest on the amounts set forth in this Section 8.6 at the prime lending rate prevailing during such period as published in *The Wall Street Journal*. Any interest payable hereunder shall be calculated on a daily basis from the date such amounts were required to be paid until (but excluding) the date of actual payment, and on the basis of a 360-day year.

(g) Except as otherwise provided in this Agreement, all expenses incurred in connection with this Agreement and the Contemplated Transactions will be paid by the party incurring such expenses.

Article IX

MISCELLANEOUS PROVISIONS

Section 9.1 Amendment. Any provision of this Agreement may be amended or waived prior to the Effective Time if, but only if, such amendment or waiver is in writing and is signed, in the case of an amendment, by each party to this Agreement or, in the case of a waiver, by each party against whom the waiver is to be effective; provided, however, that following the receipt of the Company Stockholder Approval, there shall be no amendment or supplement to the provisions of this Agreement which by Law or in accordance with the rules of any relevant self-regulatory organization would require further approval by the holders of Shares without such approval.

Section 9.2 Waiver. No failure on the part of any party to exercise any power, right, privilege or remedy under this Agreement, and no delay on the part of any party in exercising any power, right, privilege or remedy under this Agreement, shall operate as a waiver of such power, right, privilege or remedy; and no single or partial exercise of any such power, right, privilege or remedy shall preclude any other or further exercise thereof or of any other power, right, privilege or remedy. No party shall be deemed to have waived any claim arising out of this Agreement, or any power, right, privilege or remedy under this Agreement, unless the waiver of such claim, power, right, privilege or remedy is expressly set forth in a written instrument duly executed and delivered on behalf of such party; and any such waiver shall not be applicable or have any effect except in the specific instance in which it is given.

Section 9.3 No Survival of Representations and Warranties. None of the representations and warranties contained in this Agreement or in any certificate or schedule or other document delivered pursuant to this Agreement shall survive the Merger.

Section 9.4 Entire Agreement; No Reliance; Counterparts.

(a) This Agreement, the Voting Agreement and the Confidentiality Agreement and the other agreements referred to herein constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, among or between any of the parties with respect to the subject matter hereof and thereof; provided, however, that the Confidentiality Agreement shall not be superseded and shall remain in full force and effect.

(b) Each party hereto agrees that, except for the representations and warranties contained in Article III (including the Company Disclosure Schedule), and Article IV (including the Parent Disclosure Schedule) of this Agreement, or contained in any certificate required to be delivered by a party pursuant to this Agreement, neither the Company, Parent or Merger Sub makes any other representations or warranties and each hereby disclaims any other representations or warranties made by itself or any of its Representatives, with respect to the execution and delivery of this Agreement or the Contemplated Transactions, notwithstanding the delivery or disclosure to any other party or any other party's Representatives of any document or other information with respect to any

one or more of the foregoing. Without limiting the generality of the foregoing, and notwithstanding any otherwise express representations and warranties made by the parties in this Agreement, each party agrees that none of the other parties makes or has made any representation or warranty with respect to (i) any projections, forecasts, estimates, plans or budgets or future revenues, expenses or expenditures, future results of operations (or any component thereof), future cash flows (or any component thereof) or future financial condition (or any component thereof) of the future business, operations or affairs of such other party or any of its Subsidiaries heretofore or hereafter delivered to or made available to the other parties, or (ii) any other information, statements or documents heretofore or hereafter delivered to or made available to such other parties, including the information in the electronic data room of such party, with respect to such party or any of its Subsidiaries or the business, operations or affairs of such party or any of its Subsidiaries, except to the extent and as expressly covered by a representation and warranty made by such party in this Agreement.

(c) This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument. The exchange of a fully executed Agreement (in counterparts or otherwise) by facsimile or PDF shall be sufficient to bind the parties to the terms and conditions of this Agreement.

Section 9.5 Applicable Law; Jurisdiction; Waiver of Jury Trial.

(a) This Agreement, and all claims or causes of action (whether at Law, in contract or in tort or otherwise) that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance hereof, shall be governed by and construed in accordance with the internal laws of the State of Delaware applicable to agreements made and to be performed entirely within the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware. The parties hereto hereby agree and consent to be subject to the exclusive jurisdiction of the Court of Chancery of the State of Delaware in New Castle County, Delaware (or, if (and only if) the Court of Chancery of the State of Delaware shall be unavailable, any other court of the State of Delaware or, in the case of claims to which the federal courts have exclusive subject matter jurisdiction, any federal court of the United States of America sitting in the State of Delaware) and hereby waive the right to assert the lack of personal or subject matter jurisdiction or improper venue in connection with any such suit, action, or other proceeding. In furtherance of the foregoing, each of the parties (i) waives the defense of inconvenient forum, (ii) agrees not to commence any suit, action or other proceeding arising out of this Agreement or the Contemplated Transactions other than in any such court, and (iii) agrees that a final judgment in any such suit, action, or other proceeding shall be conclusive and may be enforced in other jurisdictions by suit or judgment or in any other manner provided by Law. Each of the parties hereto irrevocably consents to the service of any summons and complaint and any other process in any other action relating to the Merger, on behalf of itself or its property, by the personal delivery of copies of such process to such party. Nothing in this Section 9.5(a) shall affect the right of any party hereto to serve legal process in any other manner permitted by Law.

(b) EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE CONTEMPLATED TRANSACTIONS.

Section 9.6 Specific Performance. The parties agree that irreparable damage would occur and that the parties would not have any adequate remedy at law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, except as expressly provided in the following sentence. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in a court of competent jurisdiction as set forth in Section 9.5 and, in any action for specific performance, each party waives the defense of adequacy of a remedy at law and waives any requirement for the securing or posting of any bond in connection with such remedy, this being in addition to any other remedy to

which they are entitled at law or in equity (subject to the limitations set forth in this Agreement). The parties hereto further agree that (i) by seeking the remedies provided for in this Section 9.6, a party shall not in any respect waive its right to seek any other form of relief that may be available to a party under this Agreement (including monetary damages) for breach of any of the provisions of this Agreement or in the event that this Agreement has been terminated or in the event that the remedies provided for in this Section 9.6 are not available or otherwise are not granted, and (ii) nothing set forth in this Section 9.6 shall require any party hereto to institute any Legal Proceeding for (or limit any party's right to institute any Legal Proceeding for) specific performance under this Section 9.6 prior or as a condition to exercising any termination right under Article VIII (and pursuing damages after such termination), nor shall the commencement of any Legal Proceeding pursuant to this Section 9.6 or anything set forth in this Section 9.6 restrict or limit any party's right to terminate this Agreement in accordance with the terms of Article VIII or pursue any other remedies under this Agreement that may be available at any time.

Section 9.7 Assignability. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto, in whole or in part (whether by operation of law or otherwise), without the prior written consent of the other parties, and any attempt to make any such assignment without such consent shall be null and void.

Section 9.8 Third Party Beneficiaries. Notwithstanding anything contained in this Agreement to the contrary, nothing in this Agreement, express or implied, is intended to confer on any Person other than the parties hereto or their respective heirs, successors, executors, administrators and assigns any rights, remedies, obligations or liabilities under or by reason of this Agreement, except for the provisions of Article II concerning payment of the Aggregate Merger Consideration, Section 6.4, and Section 8.5, which provisions shall inure to the benefit of the Persons or entities benefiting therefrom who shall be third-party beneficiaries thereof and who may enforce the covenants contained therein; provided, however, that, prior to the Effective Time, the rights and remedies conferred on the Company's equity holders pursuant to Article II concerning payment of the Aggregate Merger Consideration may only be enforced by the Company acting on the behalf of the Company's equity holders (including holders of Company Options and Company Restricted Stock).

Section 9.9 Notices. Any notices or other communications required or permitted under, or otherwise given in connection with, this Agreement shall be in writing and shall be deemed to have been duly given (i) when delivered or sent if delivered in person or sent by facsimile transmission (provided confirmation of facsimile transmission is obtained), (ii) on the fifth business day after dispatch by registered or certified mail, (iii) on the next business day if transmitted by national overnight courier or (iv) on the date delivered if sent by e-mail (provided confirmation of email receipt is obtained), in each case as follows:

Section 9.10 Cooperation. The Company agrees to reasonably cooperate with Parent and to execute and deliver such further documents, certificates, agreements and instruments and to take such other actions as may be reasonably requested by Parent to evidence or reflect the Contemplated Transactions and to carry out the intent and purposes of this Agreement, in each case to the extent not inconsistent with any other provision of this Agreement.

Section 9.11 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the Contemplated Transactions is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the Contemplated Transactions are fulfilled to the extent possible.

Section 9.12 Obligation of Parent. Parent shall cause Merger Sub to comply in all respects with each of the representations, warranties, covenants, obligations, agreements and undertakings made or required to be performed by Merger Sub in accordance with the terms of this Agreement and the Contemplated Transactions. As a material inducement to the Company's willingness to enter into this Agreement and perform its obligations hereunder, Parent hereby unconditionally guarantees full performance and payment by Merger Sub of each of the covenants, obligations and undertakings required to be performed by Merger Sub under this Agreement and the Contemplated Transactions, subject to all terms, conditions and limitations contained in this Agreement, and hereby represents, acknowledges and agrees that any such breach of any such representation and warranty or default in the performance of any such covenant, obligation, agreement or undertaking of Merger Sub shall also be deemed to be a breach or default of Parent, and the Company shall have the right, exercisable in its sole discretion, to pursue any and all available remedies it may have arising out of any such breach or nonperformance directly against either or both of Parent and Merger Sub in the first instance. As applicable, references in this Section 9.12 to "Merger Sub" shall also include the Surviving Corporation following the Effective Time.

Section 9.13 Construction.

(a) For purposes of this Agreement, whenever the context requires: the singular number shall include the plural, and vice versa; the masculine gender shall include the feminine and neuter genders; the feminine gender shall include the masculine and neuter genders; and the neuter gender shall include masculine and feminine genders.

(b) The parties hereto agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in the construction or interpretation of this Agreement.

(c) As used in this Agreement, the words “include” and “including,” and variations thereof, shall not be deemed to be terms of limitation, but rather shall be deemed to be followed by the words “without limitation.”

(d) Except as otherwise indicated, all references in this Agreement to “Sections,” “Exhibits,” “Annexes” and “Schedules” are intended to refer to Sections of this Agreement and Exhibits, Annexes or Schedules to this Agreement.

(e) The phrases “provided to,” “furnished to,” “made available” and phrases of similar import when used herein, unless the context otherwise requires, means that a copy of the information or material referred to has been provided to the party to which such information or material is to be provided in the virtual data room set up by the providing party in connection with this Agreement at least 24 hours prior to the date hereof.

(f) The term “party” or “parties” shall refer to a party hereto or parties hereto, as applicable.

1. Agreement to Retain Shares.

(a) Transfer. During the period beginning on the date hereof and ending on (and including) the Expiration Date (as defined in Section 5), (i) except as contemplated by the Merger Agreement, pursuant to the terms of any applicable Rule 10b5-1 trading plan in existence on the date of this Agreement and except as provided in Section 1(b), each Holder agrees not to, directly or indirectly, sell (including short sell), transfer, exchange, assign, tender, grant a participation interest in or otherwise dispose of (including by merger, consolidation or otherwise by operation of law), or limit its right, title or interest or right to vote in any manner with respect to, such Holder’s Shares or New Shares (as defined below), or enter into any Contract providing for any of the actions described in this clause (i), and (ii) except as contemplated by this Agreement, each Holder agrees not to, directly or indirectly, grant any proxies, consents, powers of attorney or rights of first offer or refusal, deposit any of such Holder’s Shares or New Shares into a voting trust or enter into a voting agreement with respect to any of such Shares or New Shares, or enter into any Contract providing for any of the actions described in this clause (ii) (other than as required to comply with Section 2(a)).

(b) Permitted Transfers. Section 1(a) shall not prohibit a transfer of Shares or New Shares (as defined below) by a Holder (i) for the net settlement of such Holder’s Company Options (to pay the exercise price thereof and any tax withholding obligations), (ii) for the exercise of such Holder’s Company Options, to the extent such options would expire prior to the Effective Time, (iii) for the exercise of such Holder’s Company Options and the sale of a sufficient number of such Shares acquired upon exercise of such options as would generate sale proceeds sufficient to pay the aggregate applicable exercise price of shares then exercised under such options and the taxes payable by such Holder as a result of such exercise, (iv) to any immediate family member of such Holder (*i.e.*, spouse, lineal descendent or antecedent, brother or sister, adopted child or grandchild or the spouse

of any child, adopted child, grandchild or adopted grandchild) or trust for the benefit of any immediate family member of such Holder, (v) to any charitable trust, (vi) to any stockholder, member or partner of any such Holder which is an entity, (vii) to any Affiliate of such Holder or (viii) to any person or entity if and to the extent required by any non-consensual Order, by divorce decree or by will, intestacy or other similar Law, so long as, in the case of the foregoing clauses (iv), (v), (vi), (vii) and (viii), the assignee or transferee agrees to be bound by the terms of this Agreement and executes and delivers to the parties hereto a written consent memorializing such agreement.

(c) New Shares. Each Holder agrees that any Shares that such Holder purchases or with respect to which such Holder otherwise acquires record or beneficial ownership (but excluding Shares underlying unexercised Company Options (until such time as any such Company Options are exercised and the underlying Shares are acquired by such Holder)) after the date of this Agreement and prior to (and including) the Expiration Date ("New Shares") shall be subject to the terms and conditions of this Agreement to the same extent as if they comprised Shares. In the event of a stock split, stock dividend or distribution, or any change in the shares of common stock, par value \$0.0001 per share, of the Company by reason of a stock split, reverse stock split, recapitalization, combination, reclassification, readjustment, exchange of shares or the like, the term "Shares" shall be deemed to refer to and include such shares as well as such stock dividends and distributions and any securities into which or for which any or all of such shares may be changed or exchanged.

2. Agreement to Vote Shares.

(a) Until the Expiration Date, at every meeting of the stockholders of the Company called with respect to any of the following, and at every adjournment thereof, and on every action or approval by written consent of the stockholders of the Company with respect to any of the following, each Holder shall appear at such meeting (in person or by proxy) and shall, unless Parent votes such Holder's Shares or New Shares pursuant to the proxy granted by Section 2(c), vote (or cause to be voted) or consent such Holder's Shares and New Shares (i) in favor of (A) adoption of the Merger Agreement, the Merger and each of the other actions contemplated by the Merger Agreement and (B) without limitation of the preceding clause (A), the approval of any proposal to adjourn or postpone any such meeting to a later date if there are not sufficient votes for the adoption of the Merger Agreement on the date on which such meeting is held and (ii) against (A) any Acquisition Proposal or any acquisition agreement related to such Acquisition Proposal or (B) any corporate action the consummation of which would reasonably be expected to frustrate the purposes, or prevent or delay the consummation of, the Merger (the "Covered Proposals"). This Agreement is intended to bind each Holder as a stockholder of the Company (and not in any other capacity such as a director or officer of the Company) and only with respect to the Covered Proposals. Except as expressly set forth in clauses (i) and (ii) of this Section 2, and subject to the proxy granted under Section 2(c) below, the Holders shall not be restricted from voting in favor of, against or abstaining with respect to any other matter presented to the stockholders of the Company.

(b) Each Holder further agrees that, until the Expiration Date, such Holder will not, and will not permit any entity under such Holder's control to, (A) solicit proxies or become a "participant" in a "solicitation" (as such terms are defined in Rule 14A under the Exchange Act) in opposition to any Covered Proposal, (B) initiate a stockholders' vote with respect to an Acquisition Proposal or (C) become a member of a "group" (as such term is used in Section 13(d) of the Exchange Act) with respect to any voting securities of the Company with respect to an Acquisition Proposal. No Holder shall enter into any agreement or understanding with any Person to vote or give voting instructions in any manner in violation of the terms of Section 2(a).

(c) Each Holder hereby revokes (or agrees to cause to be revoked) any and all proxies that it has heretofore granted with respect to such Holder's Shares or New Shares. Each Holder hereby irrevocably appoints Parent as attorney-in-fact and proxy, with full power of substitution, for and on behalf of such Holder, for and in the name, place and stead of such Holder, to (i) vote, express consent or dissent or issue instructions to the record holder of such Holder's Shares and New Shares to vote such Shares and New Shares in accordance with the provisions of Section 2(a) and (ii) grant or withhold, or issue instructions to the record holder of such Holder's

Shares or New Shares to grant or withhold, in accordance with the provisions of Section 2(a), all written consents with respect to such Shares and New Shares. The foregoing proxy shall be deemed to be a proxy coupled with an interest, is irrevocable (and as such shall survive and not be affected by the death, incapacity, mental illness or insanity of such Holder) until the Expiration Date and shall not be terminated by operation of Law or upon the occurrence of any other event other than the termination of this Agreement pursuant to Section 5. Each Holder hereby affirms that the irrevocable proxy set forth in this Section 2(c) is given in connection with, and granted in consideration of and as an inducement to Parent entering into the Merger Agreement and that such irrevocable proxy is given to secure the obligations of such Holder under Section 2(a). Parent covenants and agrees with each Holder that Parent will exercise the foregoing proxy consistent with the provisions of Section 2(a). Notwithstanding anything contained herein to the contrary, the proxy set forth in this Section 2(c) shall automatically terminate upon the Expiration Date of this Agreement.

3. Representations, Warranties and Covenants of each Holder. Each Holder, severally but not jointly as to any other Holder, hereby represents, warrants and covenants to Parent that (i) such Holder (A) is the beneficial owner of such Holder's Shares, which, at the date of this Agreement and at all times up until the Expiration Date, will be free and clear of any Encumbrances and with no restrictions on such Holder's rights of voting or disposition pertaining thereto (other than those created by this Agreement) and (B) as of the date hereof does not own of record or beneficially any shares of outstanding capital stock of the Company, securities of the Company convertible into or exchangeable or exercisable for shares of capital stock of the Company, or warrants, calls, options or other rights to acquire from the Company any capital stock or any securities convertible into or exchangeable or exercisable for capital stock of the Company, in each case, other than the Shares indicated beneath such Holder's signature on the last page of this Agreement (excluding shares as to which Holder currently disclaims beneficial ownership in accordance with applicable law); (ii) such Holder has the legal capacity, power and authority to enter into and perform all of Holder's obligations under this Agreement, and, if such Holder is not an individual, has taken all action necessary to execute, deliver and perform its obligations under this Agreement and to consummate the transactions contemplated hereby; (iii) assuming due authorization, execution and delivery by Parent, (A) this Agreement has been duly and validly executed and delivered by such Holder and constitutes a valid and binding agreement of such Holder, enforceable against such Holder in accordance with its terms, subject to laws of general application relating to bankruptcy, insolvency and the relief of debtors and rules of law governing specific performance, injunctive relief and other equitable remedies and (B) if such Holder is married, and any of such Holder's Shares constitute community property or otherwise need spousal or other approval for this Agreement to be legal, valid and binding, this Agreement has been duly and validly executed by such Holder's spouse and constitutes a valid and binding agreement of such Holder's spouse, enforceable against such Holder's spouse in accordance with its terms, subject to laws of general application relating to bankruptcy, insolvency and the relief of debtors and rules of law governing specific performance, injunctive relief and other equitable remedies (regardless of whether considered in a proceeding in equity or at law); (iv) if such Holder is not an individual, it is duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization; (v) except as may be required by the Exchange Act and the rules and regulations of NASDAQ, the execution, delivery and performance of this Agreement by such Holder and the consummation by such Holder of the transactions contemplated hereby do not and will not (A) if such Holder is not an individual, result in a breach or violation of, or default under, any of the provisions of its certificate or articles of incorporation, bylaws or comparable governing instruments, (B) with or without notice or lapse of time or both, result in a breach or violation of, a termination (or right of termination) or default under, any change in or acceleration or creation of any obligations or the creation of any Encumbrance on such Holder's Shares or loss of rights pursuant to any Contract to which such Holder is a party or (C) result in a breach or violation of any Law or Order applicable to such Holder, except in each case in clauses (B) and (C), as, individually or in the aggregate, would not reasonably be expected to have a material adverse effect on such Holder's ability to perform its obligations under this Agreement; (vi) except as may be required by the Exchange Act and the rules and regulations of NASDAQ, such Holder is not required to give notice to, deliver any report to, make any filing with, or obtain any consent or waiver from any Person at any time prior to the Effective Time in connection with the execution, delivery and performance of this Agreement, or the consummation by such Holder of the transactions contemplated hereby, except those that the failure to make or obtain would not,

- Acquisition will add two lead product candidates to REGENXBIO's metabolic disease franchise:
 - DTX301 for OTC deficiency, being studied in an on-going Phase I/II clinical trial
 - DTX401 for GSDIa, a late-stage preclinical candidate with an anticipated IND filing in early 2018
- Acquisition will enhance REGENXBIO's pipeline of gene therapy product candidates, with the potential to achieve multiple milestones through the end of 2018
- REGENXBIO will host a conference call this morning, Friday, August 25, 2017 at 8:30 a.m. ET to discuss the acquisition

ROCKVILLE, Md., and CAMBRIDGE, Mass., Aug. 25, 2017 — REGENXBIO Inc. (Nasdaq:RGNX) and Dimension Therapeutics, Inc. (Nasdaq:DMTX) today announced that they have entered into a definitive agreement under which REGENXBIO will acquire Dimension in an all-stock transaction for an implied value of approximately \$3.41 per share. The boards of directors of both companies have unanimously approved the transaction.

Upon completion of the acquisition, REGENXBIO will add two lead product candidates to its pipeline:

- DTX301 for the treatment of ornithine transcarbamylase (OTC) deficiency, which is designed to use the NAV[®] AAV8 vector to deliver a copy of the OTC gene to liver cells. DTX301 is being evaluated under an active investigational new drug (IND) application for a Phase I/II clinical trial; and
- DTX401 for the treatment of glycogen storage disease type Ia (GSDIa), which is designed to use the NAV AAV8 vector to deliver a copy of the glucose-6-phosphatase (G6Pase) gene to liver cells. An IND application is anticipated to be filed for DTX401 in early 2018.

Both DTX301 and DTX401 have been granted Orphan Drug Designation in the United States and Europe.

In addition, REGENXBIO will acquire DTX201 for the treatment of hemophilia A. DTX201 is designed to use REGENXBIO's NAV Technology to deliver a copy of the Factor VIII gene to liver cells, and is partnered through a global development and commercialization collaboration with Bayer. An IND application is anticipated to be filed for DTX201 in early 2018.

"This acquisition confirms REGENXBIO's leadership in the field of AAV gene therapy and expands our pipeline in metabolic diseases using NAV Technology with a clinical asset and several preclinical assets. REGENXBIO has the resources and expertise to be successful in advancing a portfolio of gene therapies for inherited metabolic diseases targeting the liver," said Kenneth T. Mills, President and Chief Executive Officer of REGENXBIO. "We believe that DTX301 and DTX401 are product candidates that address diseases with high unmet need and will become an important part of a strong internal pipeline at REGENXBIO that has the potential to achieve multiple milestones through the end of 2018, starting with our interim updates anticipated for the end of this year on RGX-314 for wet AMD and RGX-501 for HoFH. The acquisition of Dimension is another meaningful step in building a robust clinical pipeline of gene therapy product candidates with the goal of improving treatment options for patients and families in many diseases."

"I am proud of the accomplishments of the Dimension team and of our partners in the research and clinical communities, who together have made significant contributions to the progress of AAV technologies and the advancement of new therapeutic candidates for devastating rare and metabolic diseases associated with the liver," said Annalisa Jenkins, MBBS, FRCP, Chief Executive Officer of Dimension. "REGENXBIO has strong leadership, understanding of technology, capabilities, and financial resources that provide significant synergies with Dimension's R&D portfolio. We are pleased that this transaction provides an opportunity for Dimension shareholders to participate in the future success of what we believe will be an industry-leading gene therapy pipeline."

Through the transaction, REGENXBIO will also acquire preclinical product candidates for phenylketonuria (PKU), Wilson disease and citrullinemia type I, manufacturing technology and other intellectual property developed by Dimension. All Dimension candidates – including DTX301 and DTX401 – utilize REGENXBIO's NAV Technology and have been developed under exclusive licenses previously granted by REGENXBIO to Dimension.

Under the terms of the definitive agreement, Dimension will, following consummation of the acquisition, become a wholly owned subsidiary of REGENXBIO. In addition, Dimension shareholders will receive 0.1573 shares of REGENXBIO in exchange for each of their shares in Dimension and are expected to own approximately 10.9% percent of the combined entity. It is anticipated that the transaction will close by year-end 2017, subject to approval by Dimension shareholders, receipt of any required customary regulatory approvals and the satisfaction of other customary closing conditions.
