Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 8, 2017, the Board of Directors of Kala Pharmaceuticals, Inc. (the “Company”) appointed Todd Bazemore as Chief Operating Officer of the Company effective as of his first date of employment with the Company (the “Commencement Date”), which is expected to be on or about November 20, 2017.

Mr. Bazemore (age 47) served as Executive Vice President and Chief Operating Officer of Santhera Pharmaceuticals (USA) Inc., a subsidiary of Santhera Pharmaceuticals Holdings AG from September 2016 until November 2017. Prior to joining Santhera, Mr. Bazemore served as Executive Vice President and Chief Commercial Officer of Dyax Corp., a biopharmaceutical company focused on orphan diseases, between April 2014 and January, 2016, when Dyax was acquired by Shire plc. At Dyax, Mr. Bazemore oversaw all aspects of Dyax’s commercial department including sales, marketing, commercial analytics, market access and patient services. Between April 2012 and September 2013, he served as Vice President, Managed Markets at Sunovion Pharmaceuticals, Inc. (now Dainippon Sumitomo Pharma Co. Ltd.), a global biopharmaceutical company focused on serious medical conditions. Prior to that, Mr. Bazemore held several roles of increasing responsibility at Sunovion, including Vice President of Sales and Vice President of Respiratory Business Unit. He received his Bachelors of Science from the University of Massachusetts, Lowell.

Mr. Bazemore has entered into an employment offer letter with the Company (the “Offer Letter”). The Offer Letter provides for Mr. Bazemore’s at-will employment for an indefinite term as Chief Operating Officer, reporting to the Company’s Chief Executive Officer. Mr. Bazemore also signed a standard invention, non-disclosure, non-competition, and non-solicitation agreement.

Under the Offer Letter, Mr. Bazemore’s annual base salary is \$405,000 and his annual target bonus opportunity will be 40% of his annual base salary. Additionally, Mr. Bazemore will receive a one-time signing bonus of \$170,000 payable at the time the Company pays annual bonuses for 2017 (but in no event later than March 15, 2018), subject to Mr. Bazemore being employed by the Company on December 31, 2017. The Offer Letter also provides that management will recommend that the Compensation Committee of the Company’s Board of Directors grant Mr. Bazemore a stock option award to purchase 172,000 shares of common stock of the Company no later than the first meeting of the Compensation Committee following the Commencement Date. This option award will vest as to 25% of the underlying shares on the first anniversary of the Commencement Date and as to an additional 2.0833% of the shares in equal monthly amounts following the first anniversary of the Commencement Date until the fourth anniversary of such date. The stock options will have an exercise price per share equal to the fair market value of the Company’s common stock on the date of grant.

In the event Mr. Bazemore’s employment is terminated by him for good reason or by the Company without cause (each as defined in the Offer Letter), Mr. Bazemore will receive severance of (i) 12 months of his annual base salary then in effect, (ii) any bonus earned for the year prior to the year of termination that has not yet been paid, (iii) a pro-rated portion of any bonus attributable to the year of termination based on the Company’s performance against previously established milestones, and (iv) payment for the cost of up to twelve months of COBRA premiums for continued health benefit coverage. In addition, the portion of any equity awards granted to Mr. Bazemore by the Company that vest based solely on his continued service with the Company and that would have vested if Mr. Bazemore had continued his employment for twelve months following termination by him for good reason or by the Company without cause will become exercisable in full. If the Company or its successor terminates Mr. Bazemore’s employment without cause or Mr. Bazemore voluntarily terminates his employment for good reason in contemplation of a change of control or within twelve months following a change of control (each as defined in the Offer Letter), then 100% of any equity awards granted to Mr. Bazemore by the Company that vest based solely on his continued service with the Company and that are not then vested, shall become exercisable in full. For purposes of calculating the forgoing equity awards, any performance-based grants with the performance period ending within one year after the termination will be treated as having satisfied any service requirement with respect to such award and shall vest subject to, and to the extent of, the satisfaction of the applicable performance goals at the end of the applicable performance period.

Also in connection with Mr. Bazemore's appointment, the Company and Mr. Bazemore will enter into the Company's standard form of indemnification agreement, a copy of which was filed as Exhibit 10.14 to Amendment No. 1 to the Company's Registration Statement on Form S-1 (File No. 333-218936) filed with the Securities and Exchange Commission on June 10, 2017. Pursuant to the terms of the indemnification agreement, the Company may be required, among other things, to indemnify Mr. Bazemore for certain expenses, including attorneys' fees, judgments, fines and settlement amounts incurred by him in any action or proceeding arising out of his service as the Company's Chief Operating Officer.
