In addition, these statements are based on a number of assumptions that are subject to change. Such risks, uncertainties and assumptions include: the satisfaction of the conditions to the Transaction and other risks related to the completion of the Transaction and actions related thereto; Entercom’s and CBS’s ability to complete the Transaction on the anticipated terms and schedule, including the ability to obtain shareholder and regulatory approvals and the anticipated tax treatment of the Transaction and related transactions; the ability to obtain or consummate financing or refinancing related to the Transaction upon acceptable terms or at all; risks relating to any unforeseen liabilities, future capital expenditures, revenues, expenses, earnings, synergies, economic performance, indebtedness, financial condition, losses, and future prospects; business and management strategies and the expansion and growth of Entercom’s operations; price or trading volume of Entercom’s common stock; failure to pay dividends to holders of Entercom’s common stock; impairment charges for FCC licenses and goodwill; Entercom’s ability to integrate CBS’s radio business successfully after the closing of the Transaction and to achieve anticipated synergies; and the risk that disruptions from the Transaction will harm Entercom’s or CBS’s businesses. However, it is not possible to predict or identify all such factors. Consequently, while the list of factors presented here is considered representative, no such list should be considered to be a complete statement of all potential risks and uncertainties. Unlisted factors may present significant additional obstacles to the realization of forward-looking statements. Forward-looking statements included herein are made as of the date hereof, and neither Entercom nor CBS undertakes any obligation to update publicly such statements to reflect subsequent events or circumstances.
