PROSPECTUS

Amazon.com, Inc.

Offer to Exchange
All Outstanding 5.200% Senior Notes due 2025 of Whole Foods Market, Inc.
and Solicitation of Consents to Amend the Related Indenture and Notes

Upon the terms and subject to the conditions set forth in this prospectus (as it may be supplemented and amended from time to time, and including the annexes hereto, this “prospectus”) and the related letter of transmittal and consent (as it may be supplemented and amended from time to time, the “letter of transmittal and consent”), we are offering to exchange (the “exchange offer”) any and all validly tendered (and not validly withdrawn) and accepted notes issued by Whole Foods Market, Inc. (“Whole Foods Market”) for notes to be issued by us as described, and for the consideration summarized, in the table below.

CUSIP Nos.	Notes Issued by Whole Foods Market to be Exchanged (the “Whole Foods Market Notes”)	Aggregate Principal Amount	Series of Notes to be Issued by Us (the “Amazon Notes”)	Exchange Consideration(1)		Early Participation Premium(1)	Total Consideration(1)(2)	
				Amazon Notes (principal amount)	Cash	Amazon Notes (principal amount)	Amazon Notes (principal amount)	Cash
966837AE6 966837AD8 U96710AA3	5.200% Senior Notes due 2025	\$1,000,000,000	5.200% Notes due 2025	\$ 970	\$ 1.00	\$ 30	\$ 1,000	\$ 1.00

- (1) Consideration per \$1,000 principal amount of Whole Foods Market Notes validly tendered and accepted for exchange, subject to any rounding as described herein.
(2) Includes the Early Participation Premium (as defined below) payable for Whole Foods Market Notes validly tendered prior to the Early Participation Date (as defined and described below) and not validly withdrawn.

In exchange for each \$1,000 principal amount of Whole Foods Market Notes that is validly tendered prior to 5:00 p.m., New York City time, on Tuesday, December 5, 2017, unless extended (the “Early Participation Date”), and not validly withdrawn, holders will be eligible to receive the total exchange consideration set out in the table above (the “Total Consideration”), which consists of \$1,000 principal amount of Amazon Notes and a cash amount of \$1.00. The Total Consideration includes the early participation premium set out in the table above (the “Early Participation Premium”), which consists of \$30 principal amount of Amazon Notes. In exchange for each \$1,000 principal amount of Whole Foods Market Notes that is validly tendered, and not validly withdrawn, after the Early Participation Date but prior to the Expiration Date (as defined below), holders will be eligible to receive only the exchange consideration set out in the table above (the “Exchange Consideration”), which is equal to the Total Consideration less the Early Participation Premium and so consists of \$970 principal amount of Amazon Notes and a cash amount of \$1.00. Each Amazon Note issued in exchange for a Whole Foods Market Note will have an interest rate and maturity date that are the same as the current interest rate and maturity date of such tendered Whole Foods Market Note, as well as the same interest payment dates and optional redemption terms. No accrued but unpaid interest will be paid on the Whole Foods Market Notes in connection with the exchange offer. However, the first interest payment for the Amazon Notes issued in the exchange will have accrued from the most recent interest payment date for such tendered Whole Foods Market Note.

The exchange offer will expire immediately following 11:59 p.m., New York City time, on Tuesday, December 19, 2017, unless extended (the “Expiration Date”). You may withdraw tendered Whole Foods Market Notes at any time prior to the Expiration Date. As of the date of this prospectus, there was \$1,000,000,000 aggregate principal amount of Whole Foods Market Notes outstanding.

Concurrently with the exchange offer, we are also soliciting consents (the “consent solicitation”) from each holder of the Whole Foods Market Notes, upon the terms and conditions set forth in this prospectus and the related letter of transmittal and

[Table of Contents](#)

consent, to certain proposed amendments (the “proposed amendments”) to the indenture, dated as of December 3, 2015 between Whole Foods Market and U.S. Bank National Association, as trustee (the “Whole Foods Market Trustee”), as amended and restated in the amended and restated indenture, dated as of September 8, 2016 between Whole Foods Market and the Whole Foods Market Trustee (the “Whole Foods Market Base Indenture”) and the first supplemental indenture, dated as of December 3, 2015 between Whole Foods Market and the Whole Foods Market Trustee (the “Whole Foods Market First Supplemental Indenture”) and, together with the Whole Foods Market Base Indenture, the “Whole Foods Market Indenture”), governing the Whole Foods Market Notes.

By tendering your Whole Foods Market Notes for exchange, you will be deemed to have validly delivered your consent to the proposed amendments to the Whole Foods Market Indenture, as further described under “The Proposed Amendments.” You may not consent to the proposed amendments to the Whole Foods Market Indenture and the Whole Foods Market Notes without tendering your Whole Foods Market Notes in the appropriate exchange offer and you may not tender your Whole Foods Market Notes for exchange without consenting to the proposed amendments. You may revoke your consent at any time prior to the Expiration Date by withdrawing the Whole Foods Market Notes you have tendered.

The consummation of the exchange offer is subject to, and conditional upon, the satisfaction or, where permitted, waiver of the conditions discussed under “The Exchange Offer and Consent Solicitation—Conditions to the Exchange Offer and Consent Solicitation,” including, among other things, the receipt of valid consents to the proposed amendments from the holders of at least a majority of the outstanding aggregate principal amount of Whole Foods Market Notes (the “Requisite Consents”). We may, at our option and in our sole discretion, waive any such conditions except the condition that the registration statement of which this prospectus forms part has been declared effective by the U.S. Securities and Exchange Commission (the “SEC” or the “Commission”). All conditions to the exchange offer must be satisfied or, where permitted, waived, on or before the Expiration Date. The proposed amendments may become effective if the Requisite Consents are received and the conditions discussed under “The Exchange Offer and Consent Solicitation—Conditions to the Exchange Offer and Consent Solicitation” have been satisfied or, where permitted, waived.

We plan to issue the Amazon Notes promptly on or about the first business day following the Expiration Date (the “Settlement Date”), assuming that the conditions to the exchange offer are satisfied or, where permitted, waived. The Whole Foods Market Notes are not, and the Amazon Notes will not be, listed on any securities exchange.

This investment involves risks. Before participating in the exchange offer and consenting to the proposed amendments to the Whole Foods Market Indenture, please see the sections entitled “[Risk Factors](#)” beginning on page 18 of this prospectus and beginning on page 35 of our Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2017, which is incorporated by reference in this prospectus for a discussion of the risks that you should consider in connection with your investment in the Amazon Notes.

Neither the SEC nor any state securities commission has approved or disapproved of these securities or determined if this prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

Actual results could differ materially for a variety of reasons, including, among others, fluctuations in foreign exchange rates, changes in global economic conditions and customer spending, world events, the rate of growth of the Internet, online commerce, and cloud services, the amount that Amazon.com invests in new business opportunities and the timing of those investments, the mix of products and services sold to customers, the mix of net sales derived from products as compared with services, the extent to which we owe income or other taxes, competition, management of growth, potential fluctuations in operating results, international growth and expansion, the outcomes of legal proceedings and claims, fulfillment, sortation, delivery, and data center optimization, risks of inventory management, seasonality, the degree to which we enter into, maintain, and develop commercial agreements, proposed and completed acquisitions and strategic

transactions, payments risks, and risks of fulfillment throughput and productivity. In addition, the current global economic climate amplifies many of these risks. These risks and uncertainties, as well as other risks and uncertainties that could cause our actual results to differ significantly from management's expectations, are described in greater detail in our Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2017, under "Item 1A. Risk Factors." Although we undertake no obligation to revise or update any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law, you are advised to consult any additional disclosures we make in our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K filed with the SEC. About Amazon.com

Amazon.com opened its virtual doors on the World Wide Web in July 1995. We seek to be Earth's most customer-centric company. We have organized our operations into three segments: North America, International, and Amazon Web Services ("AWS"). These segments reflect the way the Company evaluates its business performance and manages its operations.

Our principal corporate offices are located at 410 Terry Avenue North, Seattle, Washington 98109 and our phone number is (206) 266-1000. Questions and Answers about the Exchange Offer and Consent Solicitation

Q: Why is Amazon making the exchange offer and consent solicitation?

A: Amazon is conducting the exchange offer to simplify its capital structure and to give existing holders of Whole Foods Market Notes the option to obtain securities issued by Amazon.com, Inc. which will be *pari passu* with Amazon's other unsecured and unsubordinated debt securities. Amazon is conducting the consent solicitation to, among other things, eliminate (1) substantially all of the restrictive covenants, (2) the change of control provisions, (3) certain requirements that must be met for Whole Foods Market to consolidate, merge, or sell all or substantially all of its assets, and (4) certain events of default in the Whole Foods Market Indenture so they will no longer apply. Completion of the exchange offer and consent solicitation is expected to ease administration of our consolidated indebtedness. Whole Foods Market has already ceased reporting under Sections 13 and 15(d) of the Exchange Act and, accordingly, current stand-alone information about Whole Foods Market will no longer be publicly available.

Q: What will I receive if I tender my Whole Foods Market Notes in the exchange offer and consent solicitation?

A: Upon the terms and subject to the conditions of the exchange offer described in this prospectus and the letter of transmittal and consent, for each Whole Foods Market Note that you validly tender before

11:59 p.m., New York City time, on Tuesday, December 19, 2017 (the “Expiration Date”), and do not validly withdraw, you will be eligible to receive an Amazon Note which will accrue interest at the same current annual interest rate, have the same interest payment dates, same optional redemption prices and same maturity date as the Whole Foods Market Note which you exchanged. Specifically, (i) in exchange for each \$1,000 principal amount of Whole Foods Market Notes that you validly tender before 5:00 p.m., New York City time, on Tuesday, December 5, 2017, unless extended (the “Early Participation Date”), and do not validly withdraw, you will be eligible to receive the Total Consideration, which consists of \$1,000 principal amount of Amazon Notes (which amount includes the Early Participation Premium of \$30 principal amount of Amazon Notes), and a cash amount of \$1.00, and (ii) in exchange for each \$1,000 principal amount of Whole Foods Market Notes that you validly tender after the Early Participation Date but before the Expiration Date, and do not validly withdraw, you will receive only the Exchange Consideration, which consists of \$970 principal amount of Amazon Notes and a cash amount of \$1.00.

The Amazon Notes will be issued under and governed by the terms of the Amazon Indenture (as defined in this prospectus) described under “The Exchange Offer and Consent Solicitation.” The Amazon Notes will be issued only in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. We will not accept any tender that would result in the issuance of less than \$2,000 principal amount of Amazon Notes with respect to such tender. If Amazon would be required to issue an Amazon Note in a minimum denomination other than \$2,000 or a larger whole multiple of \$1,000, Amazon will, in lieu of such issuance:

- issue an Amazon Note in a principal amount that has been rounded down to \$2,000 or the nearest lesser whole multiple of \$1,000 that is larger than \$2,000, as applicable; and
- pay a cash amount equal to:
 - the difference between (i) the principal amount of the Amazon Notes to which the tendering holder would otherwise be entitled and (ii) the principal amount of the Amazon Note actually issued in accordance with this paragraph; plus
 - accrued and unpaid interest on the principal amount representing such difference up to, but excluding, the Settlement Date.

Except as otherwise set forth above: (i) instead of receiving a payment for accrued interest on Whole Foods Market Notes that you exchange, the Amazon Notes you receive in exchange for those Whole Foods Market Notes will accrue interest from (and including) the most recent interest payment date on those Whole Foods Market Notes and (ii) no accrued but unpaid interest will be paid on the Whole Foods Market Notes that you tender for exchange.

By tendering your Whole Foods Market Notes for exchange, you will be deemed to have validly delivered your consent to the proposed amendments to the Whole Foods Market Indenture, as further described under “The Proposed Amendments.” You may not consent to the proposed amendments to the Whole Foods Market Indenture without tendering your Whole Foods Market Notes in the exchange offer and you may not tender your Whole Foods Market Notes for exchange without consenting to the proposed amendments. The proposed amendments may become effective if the Requisite Consents are received and the conditions discussed under “The Exchange Offer and Consent Solicitation—Conditions to the Exchange Offer and Consent Solicitation” have been satisfied or, where permitted, waived. You may revoke your consent at any time before the Expiration Date by withdrawing the Whole Foods Market Notes you have tendered.

Q: What are the proposed amendments?

A: The proposed amendments will, among other things, eliminate (1) substantially all of the restrictive covenants, (2) the change of control provisions, (3) certain requirements that must be met for Whole Foods Market to consolidate, merge, or sell all or substantially all of its assets, and (4) certain events of default in the Whole Foods Market Indenture so they will no longer apply, as well as change the delivery date of the annual compliance certificate.

If the Requisite Consents have been received before the Expiration Date, assuming all other conditions of the exchange offer and consent solicitation are satisfied or, where permitted, waived, all of the sections or provisions of the Whole Foods Market Indenture listed below will be deleted or modified, as applicable:

- Section 4.02 of the Whole Foods Market Base Indenture and Section 4.01 of the Whole Foods Market First Supplemental Indenture—Limitations on Liens
- Section 4.03 of the Whole Foods Market Base Indenture and Section 4.02 of the Whole Foods Market First Supplemental Indenture—Limitation on Sale and Leaseback Transactions
- Section 4.03 of the Whole Foods Market First Supplemental Indenture—Future Guarantors
- Section 4.04 of the Whole Foods Market Base Indenture and Section 5.01 of the Whole Foods Market First Supplemental Indenture—Change of Control Repurchase Event
- Section 4.07 of the Whole Foods Market Base Indenture—Existence
- Article 5 of the Whole Foods Market Base Indenture—Consolidation, Merger and Sale of Assets (modified to (i) remove any restrictions on Whole Foods Market consolidating with or selling, leasing, or conveying all or substantially all of its properties or assets to, or merging with or into, in one transaction or a series of related transactions, any other Person and (ii) require only, as a condition to consolidate with or sell, lease, or convey all or substantially all of its properties or assets to, or merge with or into, in one transaction or a series of related transactions, any other Person, that the Person formed by or surviving a consolidation or merger (if other than Whole Foods Market) assumes all the obligations of Whole Foods Market under the Whole Foods Market Indenture pursuant to a supplemental indenture in a form reasonably satisfactory to the Whole Foods Market Trustee)
- Sections 6.01(f) and (g) of the Whole Foods Market Base Indenture—Events of Default (Cross-Default, Cross-Acceleration)
- Section 7.06 of the Whole Foods Market First Supplemental Indenture—Execution and Delivery of Guarantees

Company Reporting Covenant. Although the proposed amendments would also delete the company reporting covenant in the Whole Foods Market Indenture, Whole Foods Market has already ceased reporting under Sections 13 and 15(d) of the Exchange Act and, accordingly, has ceased to file periodic reports or information with the SEC or the Whole Foods Market Trustee or to provide such reports or information to any holders of the Whole Foods Market Notes.

Conforming Delivery Date of Annual Compliance Certificate. The proposed amendments would also amend Section 4.05 of the Whole Foods Market Base Indenture—Compliance Certificate—to conform the delivery date of the annual compliance certificate to that of the Amazon Indenture.

Conforming Changes, etc. The proposed amendments would amend the Whole Foods Market Indenture to make certain conforming or other changes to the Whole Foods Market Indenture, including modification or deletion of certain definitions and cross-references.

The elimination or modification of the restrictive covenants contemplated by the proposed amendments would, among other things, permit Whole Foods Market and its subsidiaries to take actions that could be adverse to the interests of the holders of the Whole Foods Market Notes that remain outstanding after consummation of the exchange offer and consent solicitation. See “Description of Differences Between the Whole Foods Market Notes and the Amazon Notes,” “The Exchange Offer and Consent Solicitation,” “The Proposed Amendments,” and “Description of New Amazon Notes.”

Q: What are the consequences of not participating in the exchange offer and consent solicitation before the Early Participation Date?

A: Upon the terms and subject to the conditions of the exchange offer, if you fail to tender your Whole Foods Market Notes before the Early Participation Date but do so before the Expiration Date (and do not validly withdraw your Whole Foods Market Notes before the Expiration Date), you will be eligible to receive the Exchange Consideration, which consists of \$970 principal amount of Amazon Notes and a cash amount of \$1.00 for each \$1,000 principal amount of Whole Foods Market Notes, but not the Early Participation Premium, which would include an additional \$30 principal amount of Amazon Notes.

Q: What are the consequences of not participating in the exchange offer and consent solicitation at all?

A: If you do not exchange your Whole Foods Market Notes for Amazon Notes in the exchange offer, you will not receive the benefit of having Amazon, the parent entity of Whole Foods Market, as the obligor of your notes. In addition, if the proposed amendments to the Whole Foods Market Notes become effective, those amendments will apply to all Whole Foods Market Notes that are not exchanged in the exchange offer, even though the remaining holders of such Whole Foods Market Notes did not consent to the proposed amendments. Thereafter, all such Whole Foods Market Notes will be governed by the amended Whole Foods Market Indenture, which will be less restrictive and afford reduced protections to any remaining holders of Whole Foods Market Notes compared to those currently in place. Additionally, the trading market for any remaining Whole Foods Market Notes may be more limited than it is at present, and the smaller outstanding principal amount may make the trading market of any remaining Whole Foods Market Notes more volatile. Consequently, the liquidity, market value, and price of Whole Foods Market Notes that remain outstanding may be materially and adversely affected. Therefore, if your Whole Foods Market Notes are not tendered and accepted in the exchange offer, it may become more difficult for you to sell or transfer your unexchanged Whole Foods Market Notes. See “Risk Factors—Risks Related to the Exchange Offer and the Consent Solicitation—The proposed amendments to the Whole Foods Market Indenture will reduce protections for remaining holders of Whole Foods Market Notes.”

Q: How do the Whole Foods Market Notes differ from the Amazon Notes to be issued in the exchange offer?

A: The Whole Foods Market Notes are the obligations solely of Whole Foods Market and are governed by the Whole Foods Market Indenture. The Amazon Notes will be the obligations solely of Amazon and will be governed by the Amazon Indenture. The Whole Foods Market Indenture and the Amazon Indenture differ in certain respects, including the applicable covenants, merger and consolidation terms, and events of default. In particular, the Amazon Indenture does not contain a covenant relating to changes of control.

However, each Amazon Note issued in exchange for a Whole Foods Market Note will have an interest rate and maturity date that are the same as the current interest rate and maturity date of the tendered

Whole Foods Market Note, as well as the same interest payment dates and optional redemption prices, and will accrue interest from and including the most recent interest payment date of the tendered Whole Foods Market Note. Amazon Notes will have features that are consistent with other outstanding notes of Amazon. See “Description of Differences Between the Whole Foods Market Notes and the Amazon Notes.”

Q: What will be the ranking of the Amazon Notes?

A: The Amazon Notes will be unsecured general obligations of Amazon and will rank equally with all other unsecured and unsubordinated indebtedness of Amazon from time to time outstanding. See “Description of New Amazon Notes—Ranking.”

The Amazon Notes offered will also be structurally subordinated to all liabilities of our subsidiaries and any subsidiaries that we may in the future acquire or establish. See “Risk Factors—Risks Related to the Amazon Notes—The Amazon Notes are structurally subordinated to the indebtedness and other liabilities of our subsidiaries.”

The Amazon Notes will be the obligations solely of Amazon and will not be guaranteed by any subsidiary of Amazon. While the Whole Foods Market Notes were initially guaranteed by certain subsidiaries of Whole Foods Market, such guarantees were automatically released pursuant to Section 7.03(c) of the Whole Foods Market First Supplemental Indenture on August 28, 2017. As of the date hereof, the Whole Foods Market Notes are the obligations solely of Whole Foods Market and are not guaranteed by any subsidiary of Whole Foods Market.

Q: Will the Amazon Notes be eligible for listing on an exchange?

A: The Amazon Notes will not be listed on any securities exchange. We cannot assure you about the liquidity of the Amazon Notes or the development of any market for the Amazon Notes. See “Risk Factors—Risks Related to the Amazon Notes—There may not be active trading markets for the Amazon Notes.”

Q: What consents are required to effect the proposed amendments to the Whole Foods Market Indenture and consummate the exchange offer?

A: In order for the proposed amendments to the Whole Foods Market Indenture to be adopted, holders of not less than a majority in aggregate principal amount of the outstanding Whole Foods Market Notes must consent to them, and those consents must be received before the Expiration Date.

Q: May I tender my Whole Foods Market Notes in the exchange offer without delivering a consent in the consent solicitation?

A: No. By tendering your Whole Foods Market Notes for exchange, you will be deemed to have validly delivered your consent to the proposed amendments to the Whole Foods Market Indenture and the Whole Foods Market Notes, as further described under “The Proposed Amendments.” You may not consent to the proposed amendments to the Whole Foods Market Indenture without tendering your Whole Foods Market Notes in the exchange offer and you may not tender your Whole Foods Market Notes for exchange without consenting to the proposed amendments.

Q: May I tender only a portion of the Whole Foods Market Notes that I hold?

A: Yes. You may tender only a portion of the Whole Foods Market Notes that you hold, provided that tenders of Whole Foods Market Notes (and corresponding consents thereto) will be accepted only in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000.

Q: What are the conditions to the exchange offer and consent solicitation?

A: The consummation of the exchange offer and consent solicitation is subject to, and conditional upon, the satisfaction or, where permitted, waiver of the conditions discussed under “The Exchange Offer and Consent Solicitation—Conditions to the Exchange Offer and Consent Solicitation,” including, among other things, the receipt of the Requisite Consents. We may, at our option and in our sole discretion, waive any such conditions except the condition that the registration statement of which this prospectus forms part has been declared effective by the Commission. All conditions to the exchange offer must be satisfied or, where permitted, waived, on or before the Expiration Date. The proposed amendments may become effective if the Requisite Consents are received and the conditions discussed under “The Exchange Offer and Consent Solicitation—Conditions to the Exchange Offer and Consent Solicitation” have been satisfied or, where permitted, waived.

Q: Will Amazon accept all tenders of Whole Foods Market Notes?

A: Subject to the satisfaction or, where permitted, waiver of the conditions to the exchange offer, we will accept for exchange any and all Whole Foods Market Notes that (i) have been validly tendered in the exchange offer before the Expiration Date and (ii) have not been validly withdrawn before the Expiration Date (provided that tender of Whole Foods Market Notes (and corresponding consents thereto) will be accepted only in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000).

Q: What will Amazon do with the Whole Foods Market Notes accepted for exchange in the exchange offer?

A: The Whole Foods Market Notes surrendered in connection with the exchange offer and accepted for exchange will have the status of Whole Foods Market Notes issued but not outstanding or will be retired and cancelled at our option.

Q: When will Amazon issue the Amazon Notes and pay the cash consideration?

A: Assuming the conditions to the exchange offer are satisfied or, where permitted, waived, Amazon will issue the Amazon Notes in book-entry form and pay the cash consideration promptly on or about the first business day following the Expiration Date (the “Settlement Date”).

Q: Will I be paid the accrued and unpaid interest on my Whole Foods Market Notes accepted for exchange on the Settlement Date?

A: No, that interest will not be paid in cash on the Settlement Date. The Amazon Notes received in exchange for the tendered Whole Foods Market Notes will instead accrue interest from (and including) the most recent date for which interest has been paid on the tendered Whole Foods Market Notes; *provided*, that interest will only accrue on the aggregate principal amount of Amazon Notes you receive, which will be less than the principal amount of Whole Foods Market Notes you tendered for exchange if you tender your Whole Foods Market Notes after the Early Participation Date.

Q: When will the proposed amendments to the Whole Foods Market Indenture become operative?

A: If we receive the Requisite Consents before the Expiration Date, we expect that the proposed amendments to the Whole Foods Market Indenture will become effective on the Settlement Date.

Q: When will the exchange offer expire?

A: The exchange offer will expire after 11:59 p.m., New York City time, on Tuesday, December 19, 2017, unless we, in our sole discretion, extend the exchange offer, in which case the Expiration Date will be the latest date and time to which such exchange offer is extended. See “The Exchange Offer and Consent Solicitation—Expiration Date; Extensions; Amendments.”

Q: Can I withdraw my Whole Foods Market Notes after I tender them? Can I revoke the consent related to my Whole Foods Market Notes after I deliver it?

A: Tenders of Whole Foods Market Notes may be validly withdrawn (and the related consents to the proposed amendments revoked as a result) at any time before the Expiration Date.

Following the Expiration Date, tenders of Whole Foods Market Notes may not be validly withdrawn unless Amazon is required by law to permit withdrawal. In the event of termination of the exchange offer, the Whole Foods Market Notes tendered will be promptly returned to the tendering holders. See “The Exchange Offer and Consent Solicitation—Procedures for Tendering and Consenting—Withdrawal of Tenders and Revocation of Corresponding Consents.”

Q: How do I exchange my Whole Foods Market Notes if I am a beneficial owner of Whole Foods Market Notes held in certificated form by a broker, dealer, commercial bank, trust company, or other nominee? Will the record holder exchange my Whole Foods Market Notes for me?

A: Currently, all of the Whole Foods Market Notes are held in book-entry form and can only be tendered through the applicable procedures of The Depository Trust Company (“DTC”). If your Whole Foods Market Notes are held by a broker, dealer, commercial bank, trust company, or other nominee, that nominee may not take action on the exchange offer and consent solicitation unless you provide that nominee with instructions to tender your Whole Foods Market Notes on your behalf. See “The Exchange Offer and Consent Solicitation—Procedures for Tendering and Consenting—Whole Foods Market Notes Held Through a Nominee.” However, if any Whole Foods Market Notes are subsequently issued in certificated form and are held of record by a broker, dealer, commercial bank, trust company, or other nominee and you wish to tender the securities in the exchange offer, you should contact that institution promptly and instruct the institution to tender on your behalf.

Beneficial owners should be aware that their broker, dealer, commercial bank, trust company, or other nominee may establish its own earlier deadlines for participation in the exchange offer and consent solicitation. Accordingly, beneficial owners wishing to participate in the exchange offer and consent solicitation should contact their broker, dealer, commercial bank, trust company, or other nominee as soon as possible in order to determine the times by which you must take action in order to participate in the exchange offer and consent solicitation.

Q: Will I have to pay any fees or commissions if I tender my Whole Foods Market Notes for exchange in the exchange offer?

A: You will not be required to pay any fees or commissions to Amazon, the dealer manager, the exchange agent, or the information agent in connection with the exchange offer. If you hold Whole Foods Market Notes through a broker, dealer, commercial bank, trust company, or other nominee that tenders your Whole Foods Market Notes on your behalf, your broker or other nominee may charge you a commission for doing so. You should consult your broker, dealer, commercial bank, trust company, or other nominee to determine whether any charges will apply.

Q: Will a holder recognize gain or loss on the exchange of Whole Foods Market Notes for Amazon Notes and cash?

A: A U.S. Holder (as defined in “Material U.S. Federal Income Tax Consequences”) that tenders Whole Foods Market Notes in exchange for Amazon Notes and cash will generally recognize taxable gain or loss for U.S. federal income tax purposes. See “Material U.S. Federal Income Tax Consequences—U.S. Holders—The Exchange Offer.”

Q: What will be the U.S. federal income tax treatment of holders who do not tender their Whole Foods Market Notes pursuant to the exchange offer?

A: The U.S. federal income tax treatment of holders who do not tender their Whole Foods Market Notes pursuant to the exchange offer is unclear. The adoption of the proposed amendments may or may not result in a deemed exchange of Whole Foods Market Notes for “new” notes for U.S. federal income tax purposes. We intend to take the position that the adoption of the proposed amendments does not result in a deemed exchange for U.S. federal income tax purposes. If the adoption of the proposed amendments does not result in a deemed exchange, non-exchanging holders should not realize gain or loss as a result of the adoption of the proposed amendments and completion of the exchange offer. If the adoption of the proposed amendments does result in a deemed exchange, a U.S. Holder may recognize taxable gain or loss on the deemed exchange of Whole Foods Market Notes for “new” notes for U.S. federal income tax purposes. See “Material U.S. Federal Income Tax Consequences—Holders Not Tendering in the Exchange Offer.”

Q: Are there procedures for guaranteed delivery of Whole Foods Market Notes?

A: No. There are no guaranteed delivery procedures applicable to the exchange offer. If you wish to participate in the exchange offer you must validly tender your Whole Foods Market Notes in accordance with the procedures described in this prospectus before the Early Participation Date, in order to be eligible to receive the Total Consideration, or before the Expiration Date, in order to be eligible to receive the Exchange Consideration.

Q: Is any recommendation being made about the exchange offer and the consent solicitation?

A: None of Amazon, Whole Foods Market, the dealer manager, the exchange agent, the information agent, the Amazon Trustee, the Whole Foods Market Trustee, or any other person makes any recommendation as to whether you should tender or refrain from tendering any or all of your Whole Foods Market Notes (and in so doing, consent to the adoption of the proposed amendments to the Whole Foods Market Indenture and the Whole Foods Market Notes), and no one has been authorized by any of them to make such a recommendation.

Q: To whom should I direct any questions?

A: Questions concerning the terms of the exchange offer or the consent solicitation should be directed to the dealer manager:

Amendments and Supplements

We may be required to amend or supplement this prospectus at any time to add, update, or change the information contained in this prospectus. You should read this prospectus and any prospectus supplement, together with the documents incorporated by reference in this prospectus, the registration statement, the exhibits to the registration statement, and the additional information described under the heading “Where You Can Find More Information.”

Risk Factors

An investment in the Amazon Notes involves risks. You should carefully consider the information set forth in the section of this prospectus entitled “Risk Factors” beginning on page 18, as well as the other risk factors and other information included in or incorporated by reference into this prospectus, before making such an investment.

The Exchange Offer and Consent Solicitation

Exchange Offer

Amazon is hereby offering to exchange, upon the terms and conditions in this prospectus and the related letter of transmittal and consent, any and all outstanding Whole Foods Market Notes for (i) newly issued Amazon Notes with the same current interest rate, interest payment dates, optional redemption prices, and maturity date as the Whole Foods Market Notes and (ii) cash. See “The Exchange Offer and Consent Solicitation—Terms of the Exchange Offer and Consent Solicitation.”

Consent Solicitation

Amazon is soliciting consents to the proposed amendments of the Whole Foods Market Indenture from holders of the Whole Foods Market Notes, on behalf of Whole Foods Market and on the terms and conditions in this prospectus and the related letter of transmittal and consent. You may not tender your Whole Foods Market Notes for exchange without delivering a consent to the proposed amendments to the Whole Foods Market Indenture and you may not deliver consents in the consent solicitation for your Whole Foods Market Notes without tendering such Whole Foods Market Notes. See “The Exchange Offer and Consent Solicitation—Terms of the Exchange Offer and Consent Solicitation.”

The Proposed Amendments

The proposed amendments will, among other things, eliminate (1) substantially all of the restrictive covenants, (2) the change of control provisions, (3) certain requirements that must be met for Whole Foods Market to consolidate, merge, or sell all or substantially all of its assets, and (4) certain events of default in the Whole Foods Market Indenture so they will no longer apply, as well as change the delivery date of the annual compliance certificate. See “The Proposed Amendments.”

Requisite Consents

The exchange offer is conditioned upon the receipt of valid consents to the proposed amendments from the holders of at least a majority of the outstanding aggregate principal amount of the Whole Foods Market Notes. See “The Exchange Offer and Consent Solicitation—Terms of the Exchange Offer and Consent Solicitation.” The proposed amendments may become effective if the Requisite Consents are received and the conditions discussed under “The Exchange Offer and Consent Solicitation—Conditions to the Exchange Offer and Consent Solicitation” have been satisfied or, where permitted, waived.

Procedures for Participating in the Exchange Offer and Consent Solicitation

If you wish to participate in the exchange offer and the consent solicitation, you must cause the book-entry transfer of your Whole Foods Market Notes to the exchange agent’s account at DTC, and the exchange agent must receive a confirmation of book-entry transfer and either:

- A completed letter of transmittal and consent; or

	<ul style="list-style-type: none">• An agent’s message transmitted under DTC’s Automated Tender Offer Program (“ATOP”), by which each tendering holder agrees to be bound by the letter of transmittal and consent.
	See “The Exchange Offer and Consent Solicitation—Procedures for Tendering and Consenting.”
No Guaranteed Delivery Procedures	No guaranteed delivery procedures are available in connection with the exchange offer and consent solicitation. You must tender your Whole Foods Market Notes and deliver your consent by the Expiration Date in order to participate in the exchange offer and the consent solicitation.
Total Consideration; Early Participation Premium before the Early Participation Date	In exchange for each \$1,000 principal amount of Whole Foods Market Notes that you validly tender before the Early Participation Date and do not validly withdraw, you will receive the Total Consideration, which consists of \$1,000 principal amount of Amazon Notes (which amount includes the Early Participation Premium of \$30 principal amount of Amazon Notes), and a cash amount of \$1.00. In exchange for each \$1,000 principal amount of Whole Foods Market Notes that you validly tender after the Early Participation Date but before the Expiration Date and do not validly withdraw, you will receive only the Exchange Consideration, which equals the Total Consideration less the Early Participation Premium of \$30 principal amount of Amazon Notes, and so consists of \$970 principal amount of Amazon Notes and a cash amount of \$1.00.
Expiration Date	The exchange offer and consent solicitation will expire immediately following 11:59 p.m., New York City time, on Tuesday, December 19, 2017, or at such later date and time to which Amazon extends the exchange offer and consent solicitation.
Withdrawal and Revocation	<p>You may validly withdraw tenders of Whole Foods Market Notes (and related consents to the proposed amendments revoked as a result) at any time before the Expiration Date.</p> <p>After the Expiration Date, you may not validly withdraw tenders of Whole Foods Market Notes unless Amazon is otherwise required by law to permit withdrawal. If the exchange offer is terminated, the Whole Foods Market Notes tendered will be promptly returned to you. See “The Exchange Offer and Consent Solicitation—Withdrawal of Tenders and Revocation of Corresponding Consents.”</p>
Conditions	The consummation of the exchange offer is subject to, and conditional upon, the satisfaction or, where permitted, waiver of the conditions discussed under “The Exchange Offer and Consent Solicitation—Conditions to the Exchange Offer and Consent Solicitation,” including, among other things, the receipt of valid

	<p>consents to the proposed amendments from the holders of at least a majority of the outstanding aggregate principal amount of the Whole Foods Market Notes (the “Requisite Consents”). We may, at our option and in our sole discretion, waive any such conditions except the condition that the registration statement of which this prospectus forms part has been declared effective by the Commission. All conditions to the exchange offer must be satisfied or, where permitted, waived, on or before the Expiration Date. The proposed amendments may become effective if the Requisite Consents are received and the conditions discussed under “The Exchange Offer and Consent Solicitation—Conditions to the Exchange Offer and Consent Solicitation” have been satisfied or, where permitted, waived.</p>
Acceptance of Whole Foods Market Notes and Consents and Delivery of Amazon Notes	<p>You may not consent to the proposed amendments to the Whole Foods Market Indenture without tendering your Whole Foods Market Notes in the exchange offer and you may not tender your Whole Foods Market Notes for exchange without consenting to the proposed amendments to the Whole Foods Market Indenture.</p> <p>Subject to the satisfaction or, where permitted, waiver of the conditions to the exchange offer and consent solicitation, Amazon will accept for exchange any and all Whole Foods Market Notes that you validly tender before the Expiration Date and do not validly withdraw; likewise, because the act of validly tendering Whole Foods Market Notes will also constitute valid delivery of consents to the proposed amendments to the Whole Foods Market Indenture, Amazon will also accept all consents that are validly delivered and not validly revoked before the Expiration Date. All Whole Foods Market Notes exchanged will have the status of Whole Foods Market Notes issued but not outstanding or will be retired and cancelled at our option.</p> <p>The Amazon Notes issued under the exchange offer will be issued and delivered, and the cash amounts payable will be delivered, through the facilities of DTC on the Settlement Date. We will return to you any Whole Foods Market Notes that are not accepted for exchange for any reason without expense to you promptly after the Expiration Date. See “The Exchange Offer and Consent Solicitation—Acceptance of Whole Foods Market Notes for Exchange; Amazon Notes; Effectiveness of Proposed Amendments.”</p>
U.S. Federal Income Tax Considerations	<p>Holders should consider certain U.S. federal income tax consequences of the exchange offer and consent solicitation; please consult your tax advisor about the tax consequences to you of the exchange. See “Material U.S. Federal Income Tax Consequences.”</p>
Consequences of Not Exchanging Whole Foods Market Notes for Amazon Notes	<p>If you do not exchange your Whole Foods Market Notes for Amazon Notes in the exchange offer, you will not receive the benefit of having Amazon, the parent entity of Whole Foods Market, as the obligor of your notes. In addition, if the proposed amendments to the Whole</p>

Foods Market Notes become effective, those amendments will apply to all Whole Foods Market Notes that are not exchanged in the exchange offer, even though the remaining holders of the Whole Foods Market Notes did not consent to the proposed amendments. Thereafter, all such Whole Foods Market Notes will be governed by the amended Whole Foods Market Indenture, which will be less restrictive and afford reduced protections to any remaining holders of the Whole Foods Market Notes compared to those currently in place.

Additionally, the trading market for any remaining Whole Foods Market Notes may be more limited than it is at present, and the smaller outstanding principal amount may make the trading market of any remaining Whole Foods Market Notes more volatile. Consequently, the liquidity, market value, and price of Whole Foods Market Notes that remain outstanding may be materially and adversely affected. Therefore, if your Whole Foods Market Notes are not tendered and accepted in the exchange offer, it may become more difficult for you to sell or transfer your unexchanged Whole Foods Market Notes. Whole Foods Market has already ceased reporting under Sections 13 and 15(d) of the Exchange Act and, accordingly, current stand-alone information about Whole Foods Market will no longer be publicly available.

See “Risk Factors—Risks Related to the Exchange Offer and the Consent Solicitation—The proposed amendments to the Whole Foods Market Indenture will reduce protections for remaining holders of Whole Foods Market Notes.”

Use of Proceeds

Amazon will not receive any cash proceeds from the exchange offer.

Exchange Agent, Information Agent and Dealer Manager

Global Bondholder Services Corporation serves as exchange agent and information agent for the exchange offer and consent solicitation.

Merrill Lynch, Pierce, Fenner & Smith Incorporated serves as the dealer manager.

The addresses and telephone numbers of the dealer manager and the exchange agent and information agent are set forth on the back cover of this prospectus.

We have other business relationships with the dealer manager, as described in “The Exchange Offer and Consent Solicitation—Dealer Manager.”

No Recommendation

None of Amazon, Whole Foods Market, the dealer manager, the exchange agent, the information agent, the Amazon Trustee, the Whole Foods Market Trustee, or any other person makes any recommendation on whether you should tender or refrain from tendering all or any portion of the principal amount of your Whole Foods Market Notes (and in so doing, consent to the adoption of the proposed amendments to the Whole Foods Market Indenture and the

[Table of Contents](#)

Whole Foods Market Notes), and no one has been authorized by any of them to make such a recommendation.

Risk Factors

For risks related to the exchange offer and consent solicitation, please read the section entitled “Risk Factors” beginning on page 18 of this prospectus.

Further Information

You should direct (1) questions about the terms of the exchange offer or the consent solicitation to the dealer manager and (2) questions about the exchange procedures and requests for additional copies of the prospectus and the letter of transmittal and consent to the information agent, at their respective addresses and telephone numbers on the back cover of this prospectus.

We may be required to amend or supplement this prospectus at any time to add, update, or change the information contained in this prospectus. You should read this prospectus and any prospectus supplement, together with the documents incorporated by reference in this prospectus, the registration statement, the exhibits to the registration statement, and the additional information described under the heading “Where You Can Find More Information.”

No accrued but unpaid interest will be paid on any Whole Foods Market Notes validly tendered and not validly withdrawn before the Expiration Date. Holders of Whole Foods Market Notes that are accepted for exchange will be deemed to have waived the right to receive any payment from Whole Foods Market for interest accrued from the date of the last interest payment date for their Whole Foods Market Notes. Consequently, if you tender your Whole Foods Market Notes before the Early Participation Date you will receive the same accrued interest payments that you would have received had you not exchanged your Whole Foods Market Notes in the exchange offer. Interest will only accrue on the aggregate principal amount of Amazon Notes you receive, which will be less than the principal amount of Whole Foods Market Notes you tendered for exchange if you tender your Whole Foods Market Notes after the Early Participation Date.</p>
Optional Redemption	<p>Prior to September 3, 2025, we may redeem the Amazon Notes at our option at any time either in whole or in part for a redemption price equal to 100% of the aggregate principal amount of the Amazon Notes to be redeemed plus the applicable make-whole premium described herein, plus accrued and unpaid interest thereon to, but excluding, the date of redemption.</p> <p>On or after September 3, 2025, we may redeem the Amazon Notes at our option at any time either in whole or in part for a redemption price equal to 100% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon to, but excluding, the date of redemption. See “Description of New Amazon Notes—Optional Redemption” in this prospectus. Those redemption terms are the same as those applicable to the Whole Foods Market Notes.</p>

[Table of Contents](#)

No Guarantees	The Amazon Notes will be the obligations solely of Amazon and will not be guaranteed by any subsidiary of Amazon.
Further Issuances	We may, without the consent of existing holders, increase the principal amount of the Amazon Notes by issuing more such notes in the future, on the same terms and conditions (other than differences in the issue date, issue price, and interest accrued prior to the issue date of such additional Amazon Notes, and restrictions on transfer in respect of such additional Amazon Notes) and with the same CUSIP number (unless the additional Amazon Notes are not fungible for U.S. federal income tax or securities law purposes with the Amazon Notes offered hereby, in which case such additional Amazon Notes will have one or more separate CUSIP numbers), in each case, as the Amazon Notes being offered by this prospectus. We do not plan to inform the existing holders if we re-open the Amazon Notes to issue and sell additional Amazon Notes in the future. Additional Amazon Notes issued in this manner will be consolidated with and will form a single series with the Amazon Notes being offered hereby.
Denominations	<p>Amazon will issue the Amazon Notes in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.</p> <p>In the exchange offer, the principal amount of each Amazon Note issued to you will be rounded down, if necessary, to the nearest whole multiple of \$1,000 in excess of \$2,000, and we will pay cash equal to the difference between the principal amount of the Amazon Notes to which you would otherwise be entitled and the principal amount of the Amazon Note actually issued, plus accrued and unpaid interest on the principal amount representing such difference up to, but excluding, the Settlement Date.</p>
Trading	The Amazon Notes will not be listed on any national securities exchange or be quoted on any automated dealer quotation system.
Trustee	Wells Fargo Bank, National Association.
Use of Proceeds	Amazon will not receive any cash proceeds from the issuance of the Amazon Notes under the exchange offer. In exchange for issuing the Amazon Notes and paying the cash consideration, Amazon will receive the tendered Whole Foods Market Notes, which will have the status of Whole Foods Market Notes issued but not outstanding or will be retired and cancelled at our option. See “Use of Proceeds.”
Risk Factors	You should consider carefully all the information set forth and incorporated by reference in this prospectus and any prospectus supplement, together with the registration statement and the exhibits thereto, including the risks and uncertainties described below in the section entitled “Risk Factors” beginning on page 18 of this prospectus and under the heading “Risk Factors” included in our Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2017. Each of the risks described in these documents

[Table of Contents](#)

could materially and adversely affect our business, financial condition, results of operations, and prospects, and could result in a partial or complete loss of your investment.

Governing Law

The Amazon Indenture provides that New York law shall govern any action regarding the notes brought pursuant to the indenture.

RISK FACTORS

Participating in the exchange offer and the consent solicitation involves certain risks. In addition to the other information contained in, or incorporated by reference into, this prospectus and any prospectus supplement, you should carefully consider the following discussion of risks before deciding whether participating in the exchange offer and consent solicitation is suitable for you. In addition, you should carefully consider the other risks, uncertainties, and assumptions that are set forth under the caption "Risk Factors" in our Quarterly Report on Form 10-Q for the quarter ended September 30, 2017, before deciding to participate in the exchange offer and consent solicitation.

In addition to the foregoing risks relating to us, the following are additional risks relating to the Amazon Notes, the exchange offer, and the consent solicitation.

Risks Related to the Amazon Notes

The Amazon Notes are structurally subordinated to the indebtedness and other liabilities of our subsidiaries.

The Amazon Notes are obligations exclusively of Amazon.com, Inc. and not of any of our subsidiaries. Our operations are primarily conducted through our subsidiaries, which are separate legal entities that have no obligation to pay any amounts due under the Amazon Notes or to make any funds available therefor, whether by dividends, loans, or other payments. Except to the extent we are a creditor with recognized claims against our subsidiaries, all claims of creditors (including trade creditors) of our subsidiaries will have priority with respect to the assets of such subsidiaries over our claims (and therefore the claims of our creditors, including holders of the Amazon Notes). Consequently, the Amazon Notes will be structurally subordinated to all liabilities of our subsidiaries and any subsidiaries that we may in the future acquire or establish.

The Amazon Notes are subject to prior claims of any secured creditors, and if a default occurs, we may not have sufficient funds to fulfill our obligations under the Amazon Notes.

The Amazon Notes are unsecured general obligations, ranking equally with other senior unsecured indebtedness of Amazon outstanding from time to time. The Amazon Indenture and our existing outstanding senior notes (the "Existing Amazon Notes"), and the agreements governing our other debt, permit us and our subsidiaries to incur additional indebtedness, including secured debt. If we incur any additional secured debt, our assets will be subject to prior claims by our secured creditors to the extent of the value of the assets securing such indebtedness. In the event of our bankruptcy, liquidation, reorganization, or other winding up, assets that secure debt will be available to pay obligations on the Amazon Notes only after all debt secured by those assets has been repaid in full. Holders of the Amazon Notes will participate in our remaining assets ratably with all of our unsecured and unsubordinated creditors, including holders of our Existing Amazon Notes and our trade creditors. If we incur any additional obligations that rank equally with the Amazon Notes, including trade payables, the holders of those obligations will be entitled to share ratably with the holders of the Amazon Notes and the Existing Amazon Notes in any proceeds distributed upon our insolvency, liquidation, reorganization, dissolution, or other winding up. This may have the effect of reducing the amount of proceeds paid to you. If there are not sufficient assets remaining to pay all of these creditors, all or a portion of the Amazon Notes then outstanding would remain unpaid.

The limited covenants in the Amazon Indenture and the terms of the Amazon Notes do not provide protection against some types of important corporate events and may not protect your investment.

The Amazon Indenture does not:

- require us to maintain any financial ratios or specific levels of net worth, revenues, income, cash flow, or liquidity and, accordingly, does not protect holders of the Amazon Notes in the event that we experience significant adverse changes in our financial condition or results of operations;

[Table of Contents](#)

- restrict our subsidiaries' ability to issue securities or otherwise incur indebtedness or other liabilities that would be senior to our equity interests in our subsidiaries and therefore would be structurally senior to the Amazon Notes;
- limit our ability to incur secured indebtedness that would effectively rank senior to the Amazon Notes to the extent of the value of the assets securing the indebtedness, or to engage in sale/leaseback transactions;
- limit our ability to incur indebtedness that is equal in right of payment to the Amazon Notes;
- restrict our ability to repurchase or prepay our securities;
- restrict our ability to make investments or to repurchase or pay dividends or make other payments in respect of our common stock or other securities ranking junior to the Amazon Notes;
- restrict our ability to enter into highly leveraged transactions; or
- require us to repurchase the Amazon Notes in the event of a change in control.

As a result of the foregoing, when evaluating the terms of the Amazon Notes, you should be aware that the terms of the Amazon Indenture and the Amazon Notes do not restrict our ability to engage in, or to otherwise be a party to, a variety of corporate transactions, circumstances, and events, such as certain acquisitions, refinancings, or recapitalizations that could substantially and adversely affect our capital structure and the value of the Amazon Notes. For these reasons, you should not consider the covenants in the Amazon Indenture as a significant factor in evaluating whether to invest in the Amazon Notes.

Changes in our credit ratings may adversely affect your investment in the Amazon Notes.

The major debt rating agencies routinely evaluate our debt. These ratings are not recommendations to purchase, hold, or sell the Amazon Notes, inasmuch as the ratings do not comment as to market price or suitability for a particular investor, are limited in scope, and do not address all material risks relating to an investment in the Amazon Notes, but rather reflect only the view of each rating agency at the time the rating is issued. The ratings are based on information furnished to the ratings agencies by us and information obtained by the ratings agencies from other sources. An explanation of the significance of such rating may be obtained from such rating agency. There can be no assurance that such credit ratings will remain in effect for any given period of time or that such ratings will not be lowered, suspended, or withdrawn entirely by the rating agencies, if, in each rating agency's judgment, circumstances so warrant. Actual or anticipated changes or downgrades in our credit ratings, including any announcement that our ratings are under further review for a downgrade, could affect the market value and liquidity of the Amazon Notes and increase our corporate borrowing costs.

There may not be active trading markets for the Amazon Notes.

We cannot assure you that trading markets for the Amazon Notes will ever develop or will be maintained. Further, there can be no assurance as to the liquidity of any markets that may develop for the Amazon Notes, your ability to sell your Amazon Notes, or the prices at which you will be able to sell your Amazon Notes. Future trading prices of the Amazon Notes will depend on many factors, including prevailing interest rates, our financial condition and results of operations, the then-current ratings assigned to the Amazon Notes, and the market for similar securities. Any trading markets that develop for the Amazon Notes would be affected by many factors independent of and in addition to the foregoing, including the:

- propensity of existing holders to trade their positions in such Amazon Notes;
- time remaining to the maturity of such Amazon Notes;
- outstanding amount of such Amazon Notes;
- redemption of such Amazon Notes; and
- level, direction, and volatility of market interest rates generally.

[Table of Contents](#)

Redemption of the Amazon Notes may adversely affect your return on such Amazon Notes.

We have the right to redeem all of the Amazon Notes prior to maturity. We may redeem these Amazon Notes at times when prevailing interest rates may be relatively low. Accordingly, you may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of your Amazon Notes.

Risks Related to the Exchange Offer and the Consent Solicitation

The proposed amendments to the Whole Foods Market Indenture will reduce protections for remaining holders of Whole Foods Market Notes.

Although the Whole Foods Market Indenture currently contains limited protections, if the proposed amendments to the Whole Foods Market Indenture are adopted, the covenants and certain other terms of such amended Whole Foods Market Notes will be even less restrictive and will afford reduced protections to any remaining holders of such Whole Foods Market Notes compared to the covenants and other provisions currently in place.

The proposed amendments to the Whole Foods Market Indenture would, among other things, eliminate (1) substantially all of the restrictive covenants, (2) the change of control provisions, (3) certain requirements that must be met for Whole Foods Market to consolidate, merge, or sell all or substantially all of its assets, and (4) certain events of default in the Whole Foods Market Indenture so they will no longer apply, as well as change the delivery date of the annual compliance certificate.

If the proposed amendments are adopted for the Whole Foods Market Notes, each non-exchanging holder of the Whole Foods Market Notes will be bound by the proposed amendments even if that holder did not consent to the proposed amendments. These amendments will permit us to take certain actions previously prohibited that could increase the credit risk of Whole Foods Market, and might adversely affect the liquidity, market price, and price volatility of the Whole Foods Market Notes or otherwise be adverse to the interests of the holders of the Whole Foods Market Notes. See “The Proposed Amendments.”

The liquidity of the Whole Foods Market Notes that are not exchanged will be reduced.

We expect that the trading market for unexchanged Whole Foods Market Notes will become more limited due to the reduction in the amount of the Whole Foods Market Notes outstanding upon consummation of the exchange offer. A more limited trading market might adversely affect the liquidity, market price, and price volatility of these securities. If a market for unexchanged Whole Foods Market Notes exists or develops, those securities may trade at a discount to the price at which the securities would trade if the amount outstanding were not reduced, depending on prevailing interest rates, the market for similar securities, and other factors. However, we cannot assure you that an active market in the unexchanged Whole Foods Market Notes will exist, develop, or be maintained or as to the prices at which the unexchanged Whole Foods Market Notes may be traded.

Trading in the Whole Foods Market Notes may be adversely affected by the lack of information about Whole Foods Market.

Whole Foods Market has ceased reporting under Sections 13 and 15(d) of the Exchange Act and, accordingly, it will no longer provide reports or information to the SEC, the Whole Foods Market Trustee, or holders of the Whole Foods Market Notes. Although we currently expect the credit rating agencies to continue to rate the Whole Foods Market Notes following completion of the exchange, in the future one or more credit rating agencies may cease to provide a credit rating for the Whole Foods Market Notes. Trading in the Whole Foods Market Notes may be adversely affected by the lack of current publicly available information about Whole Foods Market.

The exchange offer and consent solicitation may be cancelled or delayed.

The consummation of the exchange offer is subject to, and conditional upon the satisfaction or, where permitted, waiver of, the conditions specified in this prospectus, including the receipt of the Requisite Consents. Even if the exchange offer and consent solicitation are completed, the exchange offer and consent solicitation may not be completed on the schedule described in this prospectus. Accordingly, holders participating in the exchange offer and consent solicitation may have to wait longer than they expect to receive their Amazon Notes and the cash consideration offered.

We may acquire Whole Foods Market Notes in future transactions.

We may in the future seek to acquire Whole Foods Market Notes in open market or privately-negotiated transactions, through subsequent exchange offers, or otherwise. The terms of any of those purchases or offers could differ from the terms of this exchange offer and such other terms may be more or less favorable to holders of Whole Foods Market Notes.

You may not receive Amazon Notes in the exchange offer if you do not follow the procedures for the exchange offer.

We will issue the Amazon Notes in exchange for your Whole Foods Market Notes only if you tender your Whole Foods Market Notes and deliver a properly completed and duly executed letter of transmittal and consent or the electronic transmittal through DTC's ATOP and other required documents before the expiration of the exchange offer. You should allow sufficient time to ensure timely delivery of the necessary documents. Beneficial owners should be aware that their broker, dealer, commercial bank, trust company, or other nominee may establish its own earlier deadlines for participation in the exchange offer and consent solicitation. Accordingly, beneficial owners wishing to participate in the exchange offer and consent solicitation should contact their broker, dealer, commercial bank, trust company, or other nominee as soon as possible in order to determine the times by which you must take action in order to participate in the exchange offer and consent solicitation.

The consideration to be received in the exchange offer does not reflect any valuation of the Whole Foods Market Notes or the Amazon Notes and is subject to market volatility.

We have made no determination that the consideration to be received in the exchange offer represents a fair valuation of either the Whole Foods Market Notes or the Amazon Notes. We have not obtained a fairness opinion from any financial advisor about the fairness to us or to you of the consideration to be received by holders of Whole Foods Market Notes. None of Amazon, Whole Foods Market, the dealer manager, the exchange agent, the information agent, the Amazon Trustee, the Whole Foods Market Trustee, or any other person is making any recommendation as to whether or not you should tender Whole Foods Market Notes for exchange in the exchange offer or deliver a consent pursuant to the consent solicitation.

A holder will recognize gain or loss on the exchange of Whole Foods Market Notes for Amazon Notes and cash.

We believe that the exchange of Whole Foods Market Notes for Amazon Notes and cash pursuant to the exchange offer will be treated as a disposition of Whole Foods Market Notes in exchange for Amazon Notes and cash on which gain or loss is recognized for U.S. federal income tax purposes. Accordingly, a U.S. Holder (as defined in "Material U.S. Federal Income Tax Consequences") that tenders the Whole Foods Market Notes in exchange for Amazon Notes and cash will generally recognize taxable gain or loss for U.S. federal income tax purposes. See "Material U.S. Federal Income Tax Consequences—U.S. Holders—The Exchange Offer."

[Table of Contents](#)

The U.S. federal income tax treatment of holders who do not tender their Whole Foods Market Notes pursuant to the exchange offer is unclear.

The adoption of the proposed amendments may or may not result in a deemed exchange of Whole Foods Market Notes for “new” notes (the “Amended Notes”) for U.S. federal income tax purposes. If the adoption of the proposed amendments does not result in a deemed exchange, non-exchanging holders should not realize gain or loss as a result of the adoption of the proposed amendments and completion of the exchange offer. If the adoption of the proposed amendments does result in a deemed exchange, a U.S. Holder could recognize taxable gain or loss on the deemed exchange of Whole Foods Market Notes for Amended Notes. See “Material U.S. Federal Income Tax Consequences—Holders Not Tendering in the Exchange Offer.”

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth our historical ratios of earnings to fixed charges for the periods indicated. This information should be read in conjunction with the consolidated financial statements and the accompanying notes incorporated by reference into this prospectus. See “Where You Can Find More Information” and “Information Incorporated By Reference.”

	Nine Months Ended September 30, 2017	Fiscal Year				
		2016	2015	2014	2013	2012
Ratio of earnings to fixed charges(1)	3.92x	7.19x	3.70x	—	3.52x	5.07x

(1) For the fiscal year ended December 31, 2014, earnings were insufficient to cover fixed charges by \$117 million.

The ratio of earnings to fixed charges is computed by dividing (i) “earnings” consisting of the sum of (x) income before income taxes and losses from equity interests, and (y) fixed charges by (ii) fixed charges.

The term “fixed charges” means the sum of the following: (a) interest expensed and capitalized, (b) amortized premiums, discounts, and capitalized expenses related to indebtedness, (c) an estimate of the interest within rental expense, and (d) preference security dividend requirements of consolidated subsidiaries.

USE OF PROCEEDS

We will not receive any cash proceeds from the issuance of the Amazon Notes in connection with the exchange offer. In exchange for issuing the Amazon Notes and paying the cash consideration, we will receive the tendered Whole Foods Market Notes, which will have the status of Whole Foods Market Notes issued but not outstanding or will be retired and cancelled at our option.

THE EXCHANGE OFFER AND CONSENT SOLICITATION

Purpose of the Exchange Offer and Consent Solicitation

Amazon is conducting the exchange offer to simplify its capital structure and to give existing holders of Whole Foods Market Notes the option to obtain securities issued by Amazon. Amazon is conducting the consent solicitation to, among other things, eliminate (1) substantially all of the restrictive covenants, (2) the change of control provisions, (3) certain requirements that must be met for Whole Foods Market to consolidate, merge or sell all or substantially all of its assets, and (4) certain events of default in the Whole Foods Market Indenture so they will no longer apply. Completion of the exchange offer and consent solicitation is expected to ease administration of the Company's consolidated indebtedness.

Terms of the Exchange Offer and Consent Solicitation

In the exchange offer, we are offering in exchange for a holder's outstanding Whole Foods Market Notes up to \$1,000,000,000 in aggregate principal amount of 5.200% Notes due 2025 of Amazon and cash consideration.

In exchange for each \$1,000 principal amount of Whole Foods Market Notes that is validly tendered before the Early Participation Date, and not validly withdrawn, holders will be eligible to receive the Total Consideration which consists of \$1,000 principal amount of Amazon Notes (which amount includes the Early Participation Premium of \$30 principal amount of Amazon Notes), and a cash amount of \$1.00. In exchange for each \$1,000 principal amount of Whole Foods Market Notes that is validly tendered after the Early Participation Date but before the Expiration Date, and not validly withdrawn, holders will be eligible to receive only the Exchange Consideration of \$970 principal amount of Amazon Notes and a cash amount of \$1.00, which is equal to the Total Consideration less the Early Participation Premium.

The Amazon Notes will be issued only in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. We will not accept any tender that would result in the issuance of less than \$2,000 principal amount of Amazon Notes with respect to such tender. If Amazon would be required to issue an Amazon Note in a denomination other than \$2,000 or a whole multiple of \$1,000 above such minimum, Amazon will, in lieu of such issuance:

- issue an Amazon Note in a principal amount that has been rounded down to the nearest lesser whole multiple of \$1,000 above the \$2,000 minimum; and
- pay a cash amount equal to:
 - the difference between (i) the principal amount of the Amazon Notes to which the tendering holder would otherwise be entitled and (ii) the principal amount of the Amazon Note actually issued in accordance with this paragraph; plus
 - accrued and unpaid interest on the principal amount representing such difference up to, but excluding, the Settlement Date.

The interest rate, interest payment dates, optional redemption prices, and maturity date of the Amazon Notes to be issued by Amazon in the exchange offer will be the same as the current interest rate, interest payment dates, optional redemption prices, and maturity date of the Whole Foods Market Notes to be exchanged. The Amazon Notes received in exchange for the tendered Whole Foods Market Notes will accrue interest from (and including) the most recent date to which interest has been paid on those Whole Foods Market Notes; provided, that interest will only accrue for the aggregate principal amount of Amazon Notes you receive, which will be less than the principal amount of Whole Foods Market Notes you tendered for exchange in the event that your Whole Foods Market Notes are tendered after the Early Participation Date. Except as otherwise set forth above, you will not receive a payment for accrued and unpaid interest on Whole Foods Market Notes you exchange at the time of the exchange. However, the first interest payment for the Amazon Notes issued in the exchange will have accrued from the most recent interest payment date for Whole Foods Market Notes tendered in exchange for the Amazon Notes.

[Table of Contents](#)

The Amazon Notes are a new series of debt securities that will be issued under the Indenture, dated as of November 29, 2012 (the “Amazon Indenture”), between Amazon.com, Inc. and Wells Fargo Bank, National Association, as trustee. The terms of the Amazon Notes will include those expressly set forth in such notes and the Amazon Indenture and those made part of the Amazon Indenture by reference to the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”).

In conjunction with the exchange offer, we are also soliciting consents from the holders of the Whole Foods Market Notes to effect a number of amendments to the Whole Foods Market Indenture under which the Whole Foods Market Notes were issued and are governed. You may not consent to the proposed amendments to the Whole Foods Market Indenture without tendering your Whole Foods Market Notes in the exchange offer and you may not tender your Whole Foods Market Notes for exchange without consenting to the proposed amendments.

The consummation of the exchange offer is subject to, and conditional upon, the satisfaction or, where permitted, waiver of the conditions discussed under “—Conditions to the Exchange Offer and Consent Solicitation,” including, among other things, the receipt of the Requisite Consents. We may, at our option and in our sole discretion, waive any such conditions except the condition that the registration statement of which this prospectus forms part has been declared effective by the Commission and, for the avoidance of doubt, the condition to receive the Requisite Consents. All conditions to the exchange offer must be satisfied or, where permitted, waived, on or before the Expiration Date. For a description of the proposed amendments, see “The Proposed Amendments.” The proposed amendments may become effective if the Requisite Consents are received and the conditions discussed under “The Exchange Offer and Consent Solicitation—Conditions to the Exchange Offer and Consent Solicitation” have been satisfied or, where permitted, waived.

If the Requisite Consents are received and the conditions discussed under “The Exchange Offer and Consent Solicitation—Conditions to the Exchange Offer and Consent Solicitation” have been satisfied or, where permitted, waived, then Whole Foods Market and the Whole Foods Market Trustee will execute a supplemental indenture setting forth the proposed amendments and such supplemental indenture shall become effective upon its execution and delivery. However, the proposed amendments to the Whole Foods Market Indenture will not become operative until after the issuance of the Amazon Notes and the payment of the cash consideration payable pursuant to the exchange offer on the Settlement Date. Each non-consenting holder of Whole Foods Market Notes will be bound by the supplemental indenture.

Conditions to the Exchange Offer and Consent Solicitation

The consummation of the exchange offer is subject to, and conditional upon, the satisfaction or, where permitted, waiver of the following conditions: (a) the receipt of valid consents to the proposed amendments from the holders of at least a majority of the outstanding aggregate principal amount of the Whole Foods Market Notes (the “Requisite Consents”), (b) the valid tender (without valid withdrawal) of a majority in aggregate principal amount of the Whole Foods Market Notes as of the Expiration Date, as it may be extended at Amazon’s discretion, (c) the registration statement of which this prospectus forms part has been declared effective by the Commission, and (d) the following statements are true:

1. In our reasonable judgment, no action or event has occurred or been threatened (including a default under an agreement, indenture, or other instrument or obligation to which we or one of our affiliates is a party or by which we or one of our affiliates is bound), no action is pending, no action has been taken, and no statute, rule, regulation, judgment, order, stay, decree, or injunction has been promulgated, enacted, entered, enforced, or deemed applicable to the exchange offer, the exchange of Whole Foods Market Notes under the exchange offer, the consent solicitation, or the proposed amendments, by or before any court or governmental, regulatory, or administrative agency, authority, or tribunal, which either:
 - challenges the exchange offer, the exchange of Whole Foods Market Notes under the exchange offer, the consent solicitation, or the proposed amendments or might, directly or indirectly,

[Table of Contents](#)

prohibit, prevent, restrict, or delay consummation of, or might otherwise adversely affect in any material manner, the exchange offer, the exchange of Whole Foods Market Notes under the exchange offer, the consent solicitation, or the proposed amendments; or

- could materially affect the business, condition (financial or otherwise), income, operations, properties, assets, liabilities, or prospects of Amazon and its subsidiaries, taken as a whole, or materially impair the contemplated benefits to Amazon of the exchange offer, the exchange of Whole Foods Market Notes under the exchange offer, the consent solicitation, or the proposed amendments, or might be material to holders of Whole Foods Market Notes in deciding whether to accept the exchange offer and give their consents;
2. None of the following has occurred:
- any general suspension of or limitation on trading in securities on any United States national securities exchange or in the over-the-counter market (whether or not mandatory);
 - a declaration of a banking moratorium or any suspension of payments in respect of banks by federal or state authorities in the United States (whether or not mandatory);
 - any material adverse change in United States securities or financial markets that in our reasonable judgment makes it impractical or inadvisable to proceed with the exchange offer and consent solicitation; or
 - in the case of any of the foregoing existing at the time of the commencement of the exchange offer, a material acceleration or worsening thereof; and
3. The Whole Foods Market Trustee has not objected in any respect to, or taken any action that could in our reasonable judgment adversely affect the consummation of, the exchange offer, the exchange of Whole Foods Market Notes under the exchange offer, the consent solicitation, or our ability to effect the proposed amendments, nor has the Whole Foods Market Trustee taken any action that challenges the validity or effectiveness of the procedures used by us in soliciting consents (including the form thereof) or in making the exchange offer, the exchange of the Whole Foods Market Notes under the exchange offer, or the consent solicitation.

All of these conditions are for our sole benefit and, except as set forth below, may be waived by us, in whole or in part in our sole discretion. Any determination made by us concerning these events, developments, or circumstances shall be conclusive and binding, subject to the rights of the holders of the Whole Foods Market Notes to challenge such determination in a court of competent jurisdiction. We may, at our option and in our sole discretion, waive any such conditions except for the condition that the registration statement of which this prospectus forms part has been declared effective by the Commission. All conditions to the exchange offer must be satisfied or, where permitted, waived, on or before the Expiration Date.

Expiration Date; Extensions; Amendments

The Expiration Date for the exchange offer shall be 11:59 p.m., New York City time, on Tuesday, December 19, 2017, subject to our right to extend that date and time in our sole discretion, in which case the Expiration Date shall be the latest date and time to which we have extended the exchange offer.

Subject to applicable law, we expressly reserve the right, in our sole discretion, to:

1. delay accepting any Whole Foods Market Notes, to extend the exchange offer and consent solicitation, or to terminate the exchange offer and consent solicitation and not accept any Whole Foods Market Notes; and
2. amend, modify, or waive in part or whole, at any time before the expiration of the exchange offer, the terms of the exchange offer and consent solicitation in any respect, including waiver of any conditions

[Table of Contents](#)

to consummation of the exchange offer and consent solicitation (except the condition that the registration statement of which this prospectus is a part has been declared effective by the Commission and the condition of receiving the Requisite Consents).

If we exercise any such right, we will give written notice thereof to the exchange agent and will make a public announcement thereof as promptly as practicable. Without limiting the manner in which we may choose to make a public announcement of any extension, amendment, or termination of the exchange offer and consent solicitation, we will not be obligated to publish, advertise, or otherwise communicate any such public announcement, other than by making a timely press release to any appropriate news agency.

The minimum period during which the exchange offer and consent solicitation will remain open following material changes in the terms of the exchange offer and consent solicitation or in the information concerning the exchange offer and consent solicitation will depend upon the facts and circumstances of such change, including the relative materiality of the changes.

In accordance with Rule 14e-1 under the Exchange Act, if we elect to change the consideration offered or the percentage of Whole Foods Market Notes sought, the exchange offer and consent solicitation will remain open for a minimum ten business-day period following the date that the notice of such change is first published or sent to holders of the Whole Foods Market Notes. We may choose to extend the exchange offer, in our sole discretion, by giving notice of such extension at any time on or before 9:00 a.m., New York City time, on the business day immediately following the previously scheduled Expiration Date.

If the terms of the exchange offer and consent solicitation are amended in a manner determined by us to constitute a material change adversely affecting any holder of the Whole Foods Market Notes, we will promptly disclose any such amendment in a manner reasonably calculated to inform holders of the Whole Foods Market Notes of such amendment, and will extend the exchange offer and consent solicitation as well as extend the withdrawal deadline, or if the Expiration Date has passed, provide additional withdrawal rights, for a time period that we deem appropriate, depending upon the significance of the amendment and the manner of disclosure to the holders of the Whole Foods Market Notes, if the exchange offer and consent solicitation would otherwise expire during such time period.

Effect of Tender

Any tender of a Whole Foods Market Note by a noteholder that is not validly withdrawn before the Expiration Date will constitute a binding agreement between that holder and Amazon and a consent to the proposed amendments, upon the terms and subject to the conditions of the exchange offer and the letter of transmittal and consent, which agreement will be governed by, and construed in accordance with, the laws of the State of New York. The acceptance of the exchange offer by a tendering holder of Whole Foods Market Notes will constitute the agreement by that holder to deliver good and marketable title to the tendered Whole Foods Market Notes, free and clear of all liens, charges, claims, encumbrances, interests, and restrictions of any kind.

If the proposed amendments to the Whole Foods Market Indenture have been adopted, the amendments will apply to all Whole Foods Market Notes that are not acquired in the exchange offer, even though the holders of those Whole Foods Market Notes did not consent to the proposed amendments. Thereafter, all such Whole Foods Market Notes will be governed by the amended Whole Foods Market Indenture, which will be less restrictive and afford reduced protections to any remaining holders of the Whole Foods Market Notes compared to those currently in place. See “Risk Factors—Risks Related to the Exchange Offer and the Consent Solicitation—The proposed amendments to the Whole Foods Market Indenture will reduce protections for remaining holders of Whole Foods Market Notes.”

[Table of Contents](#)

Absence of Dissenters' Rights

Holders of the Whole Foods Market Notes do not have any appraisal or dissenters' rights under New York law, the law governing the Whole Foods Market Indenture or under the terms of the Whole Foods Market Indenture in connection with the exchange offer and consent solicitation.

Acceptance of Whole Foods Market Notes for Exchange; Amazon Notes; Effectiveness of Proposed Amendments

Assuming the conditions to the exchange offer are satisfied or, where permitted, waived, we will issue the Amazon Notes in book-entry form and pay the cash consideration in connection with the exchange offer promptly on the Settlement Date in exchange for Whole Foods Market Notes that are properly tendered (and not validly withdrawn) before the Expiration Date and accepted for exchange.

We will be deemed to have accepted validly tendered Whole Foods Market Notes (and will be deemed to have accepted validly delivered consents to the proposed amendments to the Whole Foods Market Indenture) if and when we have given oral or written notice thereof to the exchange agent. Subject to the terms and conditions of the exchange offer, delivery of Amazon Notes and payment of the cash consideration in connection with the exchange of Whole Foods Market Notes accepted by us will be made by the exchange agent on the Settlement Date, upon receipt of such notice. The exchange agent will act as agent for participating holders of the Whole Foods Market Notes for the purpose of receiving consents and Whole Foods Market Notes from, and transmitting Amazon Notes and the cash consideration to, such holders. If any tendered Whole Foods Market Notes are not accepted for any reason set forth in the terms and conditions of the exchange offer or if Whole Foods Market Notes are withdrawn before the Expiration Date of the exchange offer, such unaccepted or withdrawn Whole Foods Market Notes will be returned without expense to the tendering holder promptly after the expiration or termination of the exchange offer.

In no event will interest accrue or be payable by reason of any delay on the part of the exchange agent in making delivery or payment to the holders entitled thereto or any delay in the allocation or crediting of securities or monies received by DTC to participants in DTC or in the allocation or crediting of securities or monies received by participants to beneficial owners and in no event will Amazon be liable for interest or damages in relation to any delay or failure of payment to be remitted to any holder.

The proposed amendments to the Whole Foods Market Indenture will not become operative until after the issuance of the Amazon Notes and the payment of the cash consideration payable pursuant to the exchange offer on the Settlement Date.

Procedures for Tendering and Consenting

If you hold Whole Foods Market Notes and wish to have those notes exchanged for Amazon Notes and the cash consideration, you must validly tender (or cause the valid tender of) your Whole Foods Market Notes using the procedures described in this prospectus and in the accompanying letter of transmittal and consent. The proper tender of Whole Foods Market Notes will constitute a consent to the proposed amendments to the Whole Foods Market Indenture and the Whole Foods Market Notes.

The procedures by which you may tender or cause to be tendered Whole Foods Market Notes will depend upon the manner in which you hold the Whole Foods Market Notes, as described below. No alternative, conditional, or contingent tenders will be accepted.

Whole Foods Market Notes Held with DTC

Under authority granted by DTC, if you are a DTC participant that has Whole Foods Market Notes credited to your DTC account and thereby held of record by DTC's nominee, you may directly tender your Whole Foods

[Table of Contents](#)

Market Notes and deliver a consent as if you were the record holder. Accordingly, references in this prospectus to record holders include DTC participants with Whole Foods Market Notes credited to their accounts. Within two business days after the date of this prospectus, the exchange agent will establish accounts for the Whole Foods Market Notes at DTC for purposes of the exchange offer.

Tender of Whole Foods Market Notes (and corresponding consents thereto) will be accepted only in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. No alternative, conditional, or contingent tenders will be accepted. Holders who tender less than all of their Whole Foods Market Notes must continue to hold Whole Foods Market Notes in the minimum authorized denomination of \$2,000 principal amount.

Any DTC participant may tender Whole Foods Market Notes and thereby deliver a consent to the proposed amendments to the Whole Foods Market Indenture by effecting a book-entry transfer of the Whole Foods Market Notes to be tendered in the exchange offer into the account of the exchange agent at DTC and either (1) electronically transmitting its acceptance of the exchange offer through DTC's ATOP procedures for transfer; or (2) completing and signing the letter of transmittal and consent according to the instructions contained therein and delivering it, together with any signature guarantees and other required documents, to the exchange agent at its address on the back cover page of this prospectus, in either case before the Expiration Date of the exchange offer.

If ATOP procedures are followed, DTC will verify each acceptance transmitted to it, execute a book-entry delivery to the exchange agent's account at DTC, and send an agent's message to the exchange agent. An "agent's message" is a message, transmitted by DTC to and received by the exchange agent, and forming part of a book-entry confirmation, which states that DTC has received an express acknowledgement from a DTC participant tendering Whole Foods Market Notes that the participant has received and agrees to be bound by the terms and conditions of the exchange offer and consent solicitation as set forth in this prospectus and the letter of transmittal and consent, and that Amazon and Whole Foods Market may enforce the agreement against the participant. DTC participants following this procedure should allow sufficient time for completion of the ATOP procedures before the Expiration Date of the exchange offer.

The letter of transmittal and consent (or facsimile thereof), with any required signature guarantees, or (in the case of book-entry transfer) an agent's message in lieu of the letter of transmittal and consent, and any other required documents, must be transmitted to and received by the exchange agent before the Expiration Date of the exchange offer at its address set forth on the back cover page of this prospectus. Delivery of these documents to DTC does not constitute delivery to the exchange agent.

Whole Foods Market Notes Held Through a Nominee

Currently, all of the Whole Foods Market Notes are held in book-entry form and can only be tendered by following the procedures described above under "—Whole Foods Market Notes Held with DTC." However, if you are a beneficial owner of Whole Foods Market Notes that are subsequently issued in certificated form and that are held of record by a broker, dealer, commercial bank, trust company, or other nominee, and you wish to tender Whole Foods Market Notes in the exchange offer, you should contact the record holder promptly and instruct the record holder to tender the Whole Foods Market Notes and thereby deliver a consent on your behalf using one of the procedures described above.

Beneficial owners should be aware that their broker, dealer, commercial bank, trust company, or other nominee may establish its own earlier deadlines for participation in the exchange offer and consent solicitation. Accordingly, beneficial owners wishing to participate in the exchange offer and consent solicitation should contact their broker, dealer, commercial bank, trust company, or other nominee as soon as possible in order to determine the times by which you must take action in order to participate in the exchange offer and consent solicitation.

[Table of Contents](#)

Letter of Transmittal and Consent

Subject to and effective upon the acceptance for exchange and issuance of Amazon Notes and the payment of the cash consideration, in exchange for Whole Foods Market Notes tendered by a letter of transmittal and consent or agent's message in accordance with the terms and subject to the conditions in this prospectus, by executing and delivering a letter of transmittal and consent (or agreeing to the terms of a letter of transmittal and consent under an agent's message) a tendering holder of Whole Foods Market Notes, among other things:

- irrevocably sells, assigns, and transfers to or upon the order of Amazon all right, title and interest in and to, and all claims in respect of or arising or having arisen as a result of the holder's status as a holder of, the Whole Foods Market Notes tendered thereby;
- represents and warrants that the Whole Foods Market Notes tendered were owned as of the date of tender, free and clear of all liens, charges, claims, encumbrances, interests, and restrictions of any kind;
- consents to the proposed amendments described below under "The Proposed Amendments" for the Whole Foods Market Notes tendered; and
- irrevocably constitutes and appoints the exchange agent the true and lawful agent and attorney-in-fact of the holder for any tendered Whole Foods Market Notes (with full knowledge that the exchange agent also acts as the agent of Amazon), with full powers of substitution and revocation (such power of attorney being deemed to be an irrevocable power coupled with an interest) to cause the Whole Foods Market Notes tendered to be assigned, transferred, and exchanged in the exchange offer.

Proper Execution and Delivery of Letter of Transmittal and Consent

If you wish to participate in the exchange offer and consent solicitation, delivery of your Whole Foods Market Notes, signature guarantees, and other required documents is your responsibility. Delivery is not complete until the required items are actually received by the exchange agent. If you mail these items, we recommend that you (1) use registered mail properly insured with return receipt requested and (2) mail the required items in sufficient time to ensure timely delivery.

Except as otherwise provided below, all signatures on the letter of transmittal and consent or a notice of withdrawal must be guaranteed by a recognized participant in the Securities Transfer Agents Medallion Program, the NYSE Medallion Signature Program, or the Stock Exchange Medallion Program. Signatures on the letter of transmittal and consent need not be guaranteed if:

- the letter of transmittal and consent is signed by a DTC participant whose name appears on a security position listing of DTC as the owner of the Whole Foods Market Notes and the portion entitled "Special Payment Instructions" on the letter of transmittal and consent has not been completed; or
- the Whole Foods Market Notes are tendered for the account of an eligible institution. See Instruction 4 in the letter of transmittal and consent.

Withdrawal of Tenders and Revocation of Corresponding Consents

By tendering Whole Foods Market Notes for exchange, holders will be deemed to have validly delivered consent to the proposed amendments to the Whole Foods Market Indenture under which those respective Whole Foods Market Notes were issued. Tenders of Whole Foods Market Notes in connection with any of the exchange offer may be withdrawn at any time before the Expiration Date of the exchange offer. Tenders of Whole Foods Market Notes may not be withdrawn at any time thereafter, unless such Whole Foods Market Notes have not been accepted for payment, in which case they may be withdrawn on or after January 22, 2018, the forty-first business day after the commencement of the exchange offer. Consents to the proposed amendments in connection with the consent solicitation may be revoked at any time before the Expiration Date of the consent solicitation by withdrawing tender of Whole Foods Market Notes, but may not be withdrawn at any time

[Table of Contents](#)

thereafter. A valid withdrawal of tendered Whole Foods Market Notes before the Expiration Date will be deemed to be a concurrent revocation of the related consent to the proposed amendments to the Whole Foods Market Indenture.

Beneficial owners desiring to withdraw Whole Foods Market Notes previously tendered through the ATOP procedures should contact the DTC participant through which they hold their Whole Foods Market Notes. In order to withdraw Whole Foods Market Notes previously tendered, a DTC participant may, before the Expiration Date of the exchange offer, withdraw its instruction previously transmitted through ATOP by (1) withdrawing its acceptance through ATOP, or (2) delivering to the exchange agent by mail, hand delivery, or facsimile transmission, notice of withdrawal of such instruction. The notice of withdrawal must contain the name and number of the DTC participant and the principal amount of Whole Foods Market Notes subject to the notice. Withdrawal of a prior instruction will be effective upon receipt of such notice of withdrawal by the exchange agent. All signatures on a notice of withdrawal must be guaranteed by a recognized participant in the Securities Transfer Agents Medallion Program, the NYSE Medallion Signature Program, or the Stock Exchange Medallion Program, except that signatures on the notice of withdrawal need not be guaranteed if the Whole Foods Market Notes being withdrawn are held for the account of an eligible institution. A withdrawal of an instruction must be executed by a DTC participant in the same manner as such DTC participant's name appears on its transmission through ATOP to which the withdrawal relates. A DTC participant may withdraw a tender only if the withdrawal complies with the provisions described in this section.

If you are a beneficial owner of Whole Foods Market Notes issued in certificated form and have tendered these notes (but not through DTC) and you wish to withdraw your tendered notes, you should contact the exchange agent for instructions.

Withdrawals of tenders of Whole Foods Market Notes may not be rescinded and any Whole Foods Market Notes withdrawn will thereafter be deemed not validly tendered for purposes of the exchange offer. Properly withdrawn Whole Foods Market Notes, however, may be re-tendered by following the procedures described above at any time before the Expiration Date of the exchange offer.

Miscellaneous

All questions as to the validity, form, eligibility (including time of receipt), and acceptance for exchange of any tender or withdrawal of Whole Foods Market Notes in connection with the exchange offer will be determined by us, in our sole discretion, and our determination will be final and binding. (d) Notwithstanding the foregoing provisions of this Section 4.04, Whole Foods Market shall not be required to make a Change of Control Offer following a Change of Control Repurchase Event with respect to a particular series of Notes, if, with respect to such series of Notes, a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.04 applicable to a Change of Control Offer made by Whole Foods Market and purchases all Notes of such series properly tendered and not withdrawn under such Change of Control Offer.

(e) Whole Foods Market shall comply, to the extent applicable, with the requirements of Section 14(e)(1) of the Exchange Act and any other securities laws or regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Repurchase Event. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.04, Whole Foods Market shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.04 by virtue of such conflict.

(f) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such notes in a Change of Control

Repurchase Event, and Whole Foods Market, or any third party making an offer to repurchase the Notes in the Change of Control Repurchase Event in lieu of Whole Foods Market as set forth in Section 4.04(d), purchases all of the Notes validly tendered and not withdrawn by such Holders, Whole Foods Market or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Repurchase Event, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of redemption.

(g) Notes repurchased or redeemed by Whole Foods Market pursuant to a Change of Control Repurchase Event will have the status of Notes issued but not outstanding or will be retired and canceled at the option of Whole Foods Market. Notes purchased by a third party pursuant to Section 4.04(d) will have the status of Notes issued and outstanding.

(h) Any repurchase of Notes pursuant to this Section 4.04 following the occurrence of a Change of Control Repurchase Event will be conducted in conformity with the requirements of Rule 14e-1 under the Exchange Act to the extent applicable.

“Change of Control Repurchase Event” means the occurrence of both a Change of Control and a Ratings Event.

“Change of Control” means (1) any “person” or “group” of related persons (as such terms are used in Sections 13(d) and 14(d) of the Exchange Act) becomes the

beneficial owner (as defined in Rules 13d-3 and 13d-5 under the Exchange Act, except that such person or group shall be deemed to have “beneficial ownership” of all shares that any such person or group has the right to acquire, whether such right is exercisable immediately or only after the passage of time), directly or indirectly, of more than 50% of the total ordinary voting power of the Voting Stock of Whole Foods Market (or its successor by merger, consolidation or purchase of all or substantially all of its assets); (2) the merger or consolidation of Whole Foods Market with or into another Person or the merger of another Person with or into Whole Foods Market or the merger of any Person with or into a Subsidiary of Whole Foods Market, unless the holders of a majority of the aggregate ordinary voting power of the Voting Stock of Whole Foods Market, immediately prior to such transaction, hold securities of the surviving or transferee Person that represent, immediately after such transaction, at least a majority of the aggregate ordinary voting power of the Voting Stock of the surviving or transferee Person; (3) the first day on which a majority of the members of the Board of Directors of Whole Foods Market are not Continuing Directors; (4) the sale, assignment, conveyance, transfer, lease or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the assets of Whole Foods Market and its Subsidiaries taken as a whole to any “person” (as such term is used in Sections 13(d) and 14(d) of the Exchange Act); or (5) the adoption by the stockholders of Whole Foods

Market of a plan or proposal for the liquidation or dissolution of Whole Foods Market.

“Ratings Event” means the occurrence of the events described in (a) or (b) below on, or within 60 days after, the earlier of (1) the occurrence of a Change of Control or (2) public notice of the occurrence of a Change of Control or the intention by Whole Foods Market to effect a Change of Control (which period shall be extended so long as the rating of the Notes is under publicly announced consideration for a possible downgrade by any of the Rating Agencies): (a) in the event the Notes are rated by both Rating Agencies on the Rating Date as Investment Grade, the rating of the Notes shall be reduced so that the Notes are rated below Investment Grade by both Rating Agencies, or (b) in the event the Notes (1) are rated Investment Grade by one Rating Agency and below Investment Grade by the other Rating Agency or (2) below Investment Grade by both Rating Agencies on the Rating Date, the rating of the Notes by either Rating Agency shall be decreased by one or more gradations (including gradations within Rating Categories, as well as between Rating Categories).

Section 5.01 of the Whole Foods Market First Supplemental Indenture

Upon the occurrence of a Change of Control Repurchase Event, the Company shall be required to make a Change of Control Offer in accordance with the terms and conditions of Section 4.04 of the Base Indenture.

Article 5 of the Whole Foods Market Base Indenture

Section 5.01. *When the Company and any Guarantor May Merge or Transfer Assets.*

Whole Foods Market or any guarantor shall not consolidate with or sell, lease or convey all or substantially all of its properties or assets to, or merge with or into, in one transaction or a series of related transactions, any other Person, unless:

(a) Whole Foods Market or such guarantor, as the case may be, shall be the continuing Person or, alternatively, the successor Person formed by or resulting from such consolidation or merger, or the Person that receives the transfer of such properties or assets (the "Successor") shall be a corporation or limited liability company organized under the laws of the United States of America, any State thereof or the District of Columbia and the Successor (if not Whole Foods Market) shall expressly assume, by supplemental indenture, executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of Whole Foods Market under the Notes and this Indenture or of such guarantor under its guarantee of the Notes by executing a supplemental indenture to this Indenture;

(b) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; and

(c) Whole Foods Market shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, conveyance or transfer and such supplemental indenture (if any)

Section 5.1 of the Amazon Indenture

Amazon may not consolidate with or merge into any other Person or sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of the assets of Amazon and its Subsidiaries, taken as a whole, to any Person unless either Amazon is the surviving corporation or the resulting, surviving or transferee entity is a corporation organized under the laws of the United States or, if such Person is not a corporation, a co-obligor of the Securities is a corporation organized under any such laws, and any successor or purchaser expressly assumes Amazon's obligations under this Indenture and the Securities, by an indenture supplemental to this Indenture to which Amazon is a party to, and immediately after which, no Default or Event of Default, shall have occurred and be continuing. An Officers' Certificate and an Opinion of Counsel will be delivered to the Trustee, which will serve as conclusive evidence of compliance with this Section 5.1.

comply with clauses (a) and (b) above and that such supplemental indenture constitutes the legal, valid and binding obligation of the Successor subject to customary exceptions.

Section 5.02. Successor Person Substituted.

The Successor will succeed to, and be substituted for, and may exercise every right and power of, Whole Foods Market or such guarantor, as the case may be, under the Indenture or the respective guarantee of the Notes. Whole Foods Market or such guarantor, as the case may be, shall be relieved of all obligations and covenants under the Notes of each series, the respective guarantee of the Notes and the Indenture; provided that in the case of a lease of all or substantially all of Whole Foods Market's or such guarantor's, as the case may be, property or assets, Whole Foods Market or such guarantor, as the case may be, will not be released from the obligation to pay the principal of and premium, if any, and interest on the Notes. Notwithstanding the provisions of this Article 5, any guarantor may merge with or into or transfer all or part of its properties or assets to another guarantor or to Whole Foods Market.

Interest (Ratings Adjustment)

Section 2.03(b) of the Whole Foods Market First Supplemental Indenture

N/A

The Note Interest Rate will be subject to adjustment from time to time if Moody's or S&P (or in either case as applicable, any Substitute Rating Agency) (each, a "Rating Agency," and collectively, the "Rating Agencies") downgrades (or subsequently upgrades) the debt

The Amazon Indenture does not have an "Interest (Ratings Adjustment)" provision.

Whole Foods Market Notes

rating assigned to the Notes, as set forth in this Section 2.03(b).

(i) If the rating from a Rating Agency with respect to the Notes is decreased to a rating set forth in the immediately following table with respect to that Rating Agency, the Note Interest Rate will increase from 5.200% by the percentage set forth opposite that rating:

Rating Level	Rating Agency		Percentage
	Moody's*	S&P*	
1	Ba1	BB+	0.25%
2	Ba2	BB	0.50%
3	Ba3	BB-	0.75%
4	B1 or below	B+ or below	1.00%

*Including the equivalent ratings of any Substitute Rating Agency

(ii) If at any time the Note Interest Rate has been adjusted upward as a result of a decrease in a rating by a Rating Agency and that Rating Agency subsequently increases its rating with respect to the Notes to any of the threshold ratings set forth above, the Note Interest Rate will be decreased such that the per annum interest rate equals 5.200% plus the percentage set forth opposite the rating for such Rating Agency in effect immediately following the increase in the table above; provided that if Moody's or any Substitute Rating Agency subsequently increases its rating of the Notes to "Baa3" (or its equivalent if with respect to any Substitute Rating Agency) or higher and S&P or any Substitute Rating Agency subsequently increases its rating of the Notes to "BBB-" (or its equivalent if with respect to any Substitute Rating Agency) or higher, the Note Interest Rate will be decreased to 5.200%.

Whole Foods Market Notes

Amazon Notes

(iii) No adjustment in the Note Interest Rate shall be made solely as a result of a Rating Agency ceasing to provide a rating. If at any time less than two Rating Agencies provide a rating of the Notes for a reason outside of Whole Foods Market's control, Whole Foods Market will use its commercially reasonable efforts to obtain a rating of the Notes from another nationally recognized statistical rating organization, to the extent one exists, and if another nationally recognized statistical rating organization rates the Notes (such organization, as certified by a resolution of the Board of Directors of Whole Foods Market, a "Substitute Rating Agency"), for purposes of determining any increase or decrease in the Note Interest Rate pursuant to the table above (a) such Substitute Rating Agency will be substituted for the last Rating Agency to provide a rating of the Notes but which has since ceased to provide such rating, (b) the relative ratings scale used by such Substitute Rating Agency to assign ratings to senior unsecured debt will be determined in good faith by an independent investment banking institution of national standing appointed by Whole Foods Market and, for purposes of determining the applicable ratings included in the table above with respect to such Substitute Rating Agency, such ratings shall be deemed to be the equivalent ratings used by Moody's or S&P, as applicable, in such table and (c) the Note Interest Rate will increase or decrease, as the case may be, such that the interest rate equals 5.200% plus the appropriate percentage, if any, set forth opposite the rating from such

Whole Foods Market Notes

Amazon Notes

Substitute Rating Agency in the table above (taking into account the provisions of clause (b) above). Subject to the second to last paragraph of this section, for so long as (i) only one Rating Agency provides a rating of the Notes, any increase or decrease in the Note Interest Rate necessitated by a reduction or increase in the rating by that Rating Agency shall be twice the applicable percentage set forth in the table above and (ii) no Rating Agency provides a rating of the Notes, the Note Interest Rate will increase to, or remain at, as the case may be, 7.200%.

(iv) If Moody's or S&P ceases to rate the Notes or make a rating of the Notes publicly available for reasons within Whole Foods Market's control, Whole Foods Market will not be entitled to obtain a rating from a Substitute Rating Agency and the increase or decrease in the Note Interest Rate shall be determined in the manner described in this Section 2.03(b) as if either only one or no Rating Agency provides a rating on the Notes, as the case may be.

(v) Each adjustment required by any decrease or increase in a rating set forth in this Section 2.03(b), whether occasioned by the action of Moody's, S&P or any Substitute Rating Agency, shall be made independent of (and in addition to) any and all other adjustments. For example, if only one of the Rating Agencies decreases its rating of the Notes to Rating Level 1 (and the rating provided by the other Rating Agency is above Rating Level 1), then the Note Interest Rate will increase by 0.25%, and if each of the Rating Agencies decreases its rating of the Notes to

Whole Foods Market Notes

Amazon Notes

Rating Level 1, then the Note Interest Rate will increase by 0.25% on account of each such rating provided by both Rating Agencies, or 0.50% in the aggregate. In no event shall (1) the Note Interest Rate be reduced below 5.200% or (2) the Note Interest Rate exceed 7.200%.

(vi) Any interest rate increase or decrease described above will take effect on the first day of the interest period following the period in which the rating change has occurred. If any Rating Agency changes its rating of the Notes more than once during any particular interest period, the last such change to occur will control in the event of a conflict.

(vii) The Note Interest Rate will permanently cease to be subject to any adjustment described above (notwithstanding any subsequent decrease in the ratings by any Rating Agency) if the Notes become rated “Baa1” (or its equivalent) or higher by Moody’s (or any Substitute Rating Agency) and “BBB+” (or its equivalent) or higher by S&P (or any Substitute Rating Agency), or one of those ratings if only rated by one Rating Agency, in each case with a stable or positive outlook.

Subsidiary Guarantees

Section 4.03 of the Whole Foods Market First Supplemental Indenture N/A

From and after the Original Issue Date, Whole Foods Market shall cause any Subsidiary that guarantees payment of Whole Foods Market’s or its Subsidiaries’ Primary Senior Indebtedness to promptly execute and deliver to the Trustee a supplemental indenture pursuant to which such Subsidiary shall guarantee payment of the Notes,

The Amazon Indenture does not have a “Subsidiary Guarantees” provision.

While the Whole Foods Market Notes were initially guaranteed by certain subsidiaries of Whole Foods Market, such guarantees were automatically released pursuant to Section 7.03(c) of the Whole Foods Market First

Whole Foods Market Notes

whereupon such Subsidiary shall become a Guarantor for all purposes under the Indenture.

Article 7 of the Whole Foods Market First Supplemental Indenture

Section 7.01. *Guarantees.*

(a) Each of the Guarantors, as primary obligor and not merely as surety, hereby jointly and severally, irrevocably and fully and unconditionally guarantees to each Holder and to the Trustee and its successor and assigns (each, a “Guarantee”) on an unsecured, unsubordinated basis and equal in right of payment to all existing and future unsecured, unsubordinated indebtedness of such Guarantor, the punctual payment when due of all monetary obligations of Whole Foods Market under the Indenture (with respect to the Notes) and the Notes, whether for principal of or interest on the Notes.

(b) The obligations of each Guarantor shall be limited to the maximum amount as shall, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee, result in the obligations of such Guarantor under the Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law, or being void or unenforceable under any law relating to insolvency of debtors.

Supplemental Indenture on August 28, 2017. As of the date hereof, the Whole Foods Market Notes are the obligations solely of Whole Foods Market and are not guaranteed by any subsidiary of Whole Foods Market.

(c) Each Guarantor further agrees that (to the fullest extent permitted by law) its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Indenture, the Notes or the obligations of Whole Foods Market or any other Guarantor hereunder or thereunder, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against Whole Foods Market, any action to enforce the same, or any other circumstance that might otherwise constitute a legal or equitable discharge or defense of a Guarantor.

(d) Each Guarantor hereby waives (to the fullest extent permitted by law) the benefit of diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of Whole Foods Market, any right to require a proceeding first against Whole Foods Market, protest, notice and all demands whatsoever and covenants that (except as otherwise provided in Section 7.03 of this First Supplemental Indenture) its Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes, the Indenture and the Guarantee. Such Guarantee is a guarantee of payment and not of collection.

Section 7.02. Continuing Guarantee.

(a) Each Guarantee shall be a continuing Guarantee and shall, (i) subject to Section 7.03 of this First Supplemental Indenture,

Whole Foods Market Notes

remain in full force and effect until payment in full of the principal amount of all outstanding Notes (whether by payment at maturity, purchase, redemption, defeasance, retirement or other acquisition), (ii) be binding upon such Guarantor and (iii) inure to the benefit of and be enforceable by the Trustee, the Holders and their permitted successors, transferees and assigns.

(b) The obligations of each Guarantor hereunder shall continue to be effective or shall be reinstated, as the case may be, if at any time any payment which would otherwise have reduced or terminated the obligations of any Guarantor hereunder and under its Guarantee (whether such payment shall have been made by or on behalf of Whole Foods Market or by or on behalf of a Guarantor) is rescinded or reclaimed from any of the Holders upon the insolvency, bankruptcy, liquidation or reorganization of Whole Foods Market or any Guarantor or otherwise, all as though such payment had not been made.

Section 7.03. Release of Guarantee.

Notwithstanding the provisions of Section 7.02 of this First Supplemental Indenture, a Guarantor shall be automatically and unconditionally released from its obligations hereunder:

(a) upon Whole Foods Market's exercise of its legal defeasance option or its covenant defeasance option as described in Article 4 of the Base Indenture with respect to the Notes or if Whole Foods Market's obligations under the Indenture are discharged in accordance with the terms of the Indenture;

Whole Foods Market Notes

Amazon Notes

(b) subject to the following sentence, upon the issuance, sale, exchange, transfer or other disposition (including through merger, consolidation, amalgamation or otherwise) of the capital stock of the applicable Guarantor (including any issuance, sale, exchange, transfer or other disposition following which the applicable Guarantor is no longer a Subsidiary) if such issuance, sale, exchange, transfer or other disposition is made in a manner not in violation of this Indenture; or

(c) upon the substantially simultaneous release or discharge of the guarantee by such Guarantor under all of the Primary Senior Indebtedness of Whole Foods Market other than through discharges as a result of payment by such Guarantor on such guarantees (but including any release or discharge that would be conditioned only on the release or discharge of the guarantee hereunder or of the guarantee of other Primary Senior Indebtedness).

Notwithstanding the foregoing, a Guarantor shall not be automatically released from its obligations hereunder pursuant to Section 7.03(b) if, immediately after giving effect to the consummation of the transactions described in Section 7.03(b) and such release, such Guarantor would be required (notwithstanding the consummation of such transactions) to become a Guarantor pursuant to Section 4.03 hereof.

If a Guarantor is released from its obligations hereunder pursuant to this Section 7.03, it shall cease to be a "Guarantor" as defined in and for purposes hereof.

Whole Foods Market Notes

Section 7.04. *Notation Not Required.* Neither Whole Foods Market nor any Guarantor shall be required to make a notation on the Notes to reflect any Guarantee or any release thereof.

Section 7.05. *Waiver of Subrogation.* Each Guarantor hereby irrevocably waives any claim or other rights which it may now or hereafter acquire against Whole Foods Market that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under its Guarantee and the Indenture, including, without limitation, any right of subrogation, reimbursement, exoneration, indemnification, and any right to participate in any claim or remedy of any Holder of Notes against Whole Foods Market, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from Whole Foods Market, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim or other rights in relation to the Trustee until all monetary obligations of Whole Foods Market under the Indenture (with respect to the Notes) and the Notes, whether for principal or interest on the Notes, are paid in full. If any amount shall be paid to any Guarantor in violation of the preceding sentence and the Notes shall not have been paid in full, such amount shall have been deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Holders, and shall forthwith be paid to the Trustee for the benefit

of such Holders to be credited and applied upon the Notes, whether matured or unmatured, in accordance with the terms of the Indenture. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the waiver set forth in this Section 7.05 is knowingly made in contemplation of such benefits.

Section 7.06. *Execution and Delivery of Guarantees.* Whole Foods Market shall cause each subsidiary that is required to become a Guarantor after the Original Issue Date pursuant to Section 4.03 of this First Supplemental Indenture to promptly execute and deliver to the Trustee a Supplemental Indenture substantially in the form set forth in Exhibit B to this First Supplemental Indenture, or otherwise in form and substance reasonably satisfactory to the Trustee, evidencing its Guarantee on substantially the terms set forth in this Article 7. Concurrently therewith, Whole Foods Market shall deliver to the Trustee an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee to the effect that such Supplemental Indenture has been duly authorized, executed and delivered by such subsidiary and that, subject to applicable bankruptcy, insolvency, fraudulent transfer, fraudulent conveyance, reorganization, moratorium and other laws now or hereafter in effect affecting creditors' rights or remedies generally and to general principles of equity (including standards of materiality, good faith, fair dealing and reasonableness), whether considered in a proceeding at law

Whole Foods Market Notes

or at equity, such Supplemental Indenture is a valid and binding agreement of such subsidiary, enforceable against such subsidiary in accordance with its terms.

Section 7.07. *Notices.* Notice to any Guarantor shall be sufficient if addressed to such Guarantor care of Whole Foods Market at the address, place and manner provided in Section 10.02 of the Base Indenture.

“Guarantors” means, initially, Whole Foods Market California, Inc., Whole Foods Market Pacific Northwest, Inc., Mrs. Gooch’s Natural Food Markets, Inc., Whole Foods Market Rocky Mountain/Southwest, L.P., Whole Foods Market Group, Inc., WFM-WO, Inc., Whole Foods Market Services, Inc., WFM IP Investments, Inc., Whole Foods Market IP, L.P., WFM Northern Nevada, Inc., WFM Southern Nevada, Inc., WFM Hawaii, LLC, WFM Kansas, LLC and WFM Nebraska, LLC, but subject to Sections 7.03 and 7.06 hereof.

THE PROPOSED AMENDMENTS

We are soliciting the consent of the holders of Whole Foods Market Notes to, among other things, eliminate (1) substantially all of the restrictive covenants, (2) the change of control provisions, (3) certain requirements that must be met for Whole Foods Market to consolidate, merge, or sell all or substantially all of its assets, and (4) certain events of default in the Whole Foods Market Indenture so they will no longer apply, as well as change the delivery date of the annual compliance certificate. If the proposed amendments described below are adopted with respect to the Whole Foods Market Notes, the amendments will apply to all Whole Foods Market Notes not acquired in the exchange offer. Thereafter, all such Whole Foods Market Notes will be governed by the amended Whole Foods Market Indenture, which will be less restrictive and afford reduced protections to any remaining holders of Whole Foods Market Notes compared to those currently in place. See “Risk Factors—Risks Related to the Exchange Offer and the Consent Solicitation—The proposed amendments to the Whole Foods Market Indenture will reduce protections for remaining holders of Whole Foods Market Notes.”

The descriptions below of the provisions of the Whole Foods Market Indenture to be eliminated or modified do not purport to be complete and are qualified in their entirety by reference to the Whole Foods Market Indenture and the form of supplemental indenture to the Whole Foods Market Indenture that contains the proposed amendments. Copies of the form of supplemental indenture are attached as exhibits to the registration statement of which this prospectus forms a part.

The proposed amendments to the Whole Foods Market Notes constitute a single proposal, and a consenting holder must consent to the proposed amendments in their entirety and may not consent selectively with respect to only certain of the proposed amendments.

Pursuant to the Whole Foods Market Indenture and related supplemental indenture for the Whole Foods Market Notes, the proposed amendments require the consent of the holders of not less than a majority in aggregate principal amount of the outstanding Whole Foods Market Notes.

Any Whole Foods Market Notes held by Whole Foods Market or any person directly or indirectly controlling or controlled by or under direct or indirect common control with Whole Foods Market are not considered to be “outstanding” for this purpose. As of the date of this prospectus, the aggregate principal amount outstanding of Whole Foods Market Notes is \$1,000,000,000.

The valid tender of a holder’s Whole Foods Market Notes will constitute the consent of the tendering holder to the proposed amendments in their entirety.

If the Requisite Consents with respect to the Whole Foods Market Notes under the Whole Foods Market Indenture have been received before the Expiration Date, assuming all other conditions of the exchange offer and consent solicitation are satisfied or waived, as applicable, all of the sections or provisions of the Whole Foods Market Indenture listed below will be deleted or modified, as applicable:

- Section 4.02 of the Whole Foods Market Base Indenture and Section 4.01 of the Whole Foods Market First Supplemental Indenture—Limitations on Liens
- Section 4.03 of the Whole Foods Market Base Indenture and Section 4.02 of the Whole Foods Market First Supplemental Indenture—Limitation on Sale and Leaseback Transactions
- Section 4.03 of the Whole Foods Market First Supplemental Indenture—Future Guarantors
- Section 4.04 of the Whole Foods Market Base Indenture and Section 5.01 of the Whole Foods Market First Supplemental Indenture—Change of Control Repurchase Event
- Section 4.07 of the Whole Foods Market Base Indenture—Existence
- Article 5 of the Whole Foods Market Base Indenture—Consolidation, Merger and Sale of Assets (modified to (i) remove any restrictions on Whole Foods Market consolidating with or selling, leasing,

or conveying all or substantially all of its properties or assets to, or merging with or into, in one transaction or a series of related transactions, any other Person and (ii) require only, as a condition to consolidate with or sell, lease, or convey all or substantially all of its properties or assets to, or merge with or into, in one transaction or a series of related transactions, any other Person, that the Person formed by or surviving a consolidation or merger (if other than Whole Foods Market) assumes all the obligations of Whole Foods Market under the Whole Foods Market Indenture pursuant to a supplemental indenture in a form reasonably satisfactory to the Whole Foods Market Trustee)

- Sections 6.01(f) and (g) of the Whole Foods Market Base Indenture—Events of Default (Cross-Default, Cross-Acceleration)
- Section 7.06 of the Whole Foods Market First Supplemental Indenture—Execution and Delivery of Guarantees

Company Reporting Covenant. Although the proposed amendments would also delete the company reporting covenant in the Whole Foods Market Indenture, Whole Foods Market has already ceased reporting under Sections 13 and 15(d) of the Exchange Act and, accordingly, has ceased to file periodic reports or information with the SEC or the Whole Foods Market Trustee or to provide such reports or information to any holders of the Whole Foods Market Notes.

Conforming Delivery Date of Annual Compliance Certificate. The proposed amendments would also amend Section 4.05 of the Whole Foods Market Base Indenture—Compliance Certificate—to conform the delivery date of the annual compliance certificate to that of the Amazon Indenture.

Conforming Changes, etc. The proposed amendments would amend the Whole Foods Market Indenture to make certain conforming or other changes to the Whole Foods Market Indenture, including modification or deletion of certain definitions and cross-references.

Effectiveness of the Supplemental Indenture and Proposed Amendments

Assuming we have received the Requisite Consents with respect to the Whole Foods Market Notes before the Expiration Date, the supplemental indenture for the proposed amendments will be duly executed and delivered by Whole Foods Market and the Whole Foods Market Trustee and such supplemental indenture shall become effective upon their execution and delivery. However, the proposed amendments to the Whole Foods Market Indenture will not become operative until after the issuance of the Amazon Notes and the payment of the cash consideration payable pursuant to the exchange offer on the Settlement Date.

DESCRIPTION OF NEW AMAZON NOTES

The 5.200% Notes due 2025 (the “Amazon Notes”) offered hereby will be issued by Amazon in connection with the exchange offer for the Whole Foods Market Notes described elsewhere in this prospectus under an indenture, dated as of November 29, 2012, between Amazon.com, Inc. and Wells Fargo Bank, National Association, as trustee (the “Amazon Trustee”), as supplemented by the Officers’ Certificate establishing the terms of the Amazon Notes to be dated as of the Settlement Date (together, the “Amazon Indenture”). Capitalized terms used but not defined in this section have the respective meanings set forth in the indenture.

Because this section is a summary, it does not describe every aspect of the Amazon Notes and the Amazon Indenture. This summary is subject to, and qualified in its entirety by reference to, all the provisions of the Amazon Notes and the Amazon Indenture, including definitions of certain terms used therein. The Amazon Indenture and its associated documents contain the full legal text of the matters described in this section. The Amazon Indenture and the Amazon Notes are governed by New York law. A copy of the Amazon Indenture has been filed with the Securities and Exchange Commission. See “Where You Can Find More Information” for information on how to obtain a copy.

Principal, Maturity, and Interest

We are offering up to \$1,000,000,000 principal amount of 5.200% Notes due December 3, 2025 in connection with the exchange offer for the Whole Foods Market Notes described elsewhere in this prospectus as a series of notes under the Amazon Indenture. Unless an earlier redemption has occurred, the entire principal amount of Amazon Notes will mature and become due and payable, together with any accrued and unpaid interest thereon, on December 3, 2025. The Amazon Notes will bear interest at the rate of 5.200% per annum from December 3, 2017 or from the most recent interest payment date to which interest has been paid or provided for, payable semiannually in arrears on June 3 and December 3 of each year, beginning on June 3, 2018, to the persons in whose names the Amazon Notes are registered at the close of business on the preceding May 19 or November 19 (whether or not a business day), each a record date, as the case may be. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months. If any date on which interest is payable on the Amazon Notes is not a business day, the payment of the interest payable on that date will be made on the next day that is a business day, without any interest or other payment in respect of the delay, with the same force and effect as if made on the scheduled payment date.

General

We may, without the consent of existing holders, increase the principal amount of the Amazon Notes by issuing more such Amazon Notes in the future, on the same terms and conditions (other than differences in the issue date, issue price, interest accrued prior to the issue date of such additional Amazon Notes, and restrictions on transfer in respect of such additional Amazon Notes) and with the same CUSIP number (unless the additional Amazon Notes are not fungible for U.S. federal income tax or securities law purposes with the Amazon Notes offered hereby, in which case such additional Amazon Notes will have one or more separate CUSIP numbers), in each case, as the Amazon Notes being offered by this prospectus. We do not plan to inform the existing holders if we re-open Amazon Notes to issue and sell additional Amazon Notes in the future. Additional Amazon Notes issued in this manner will be consolidated with and will form a single series with the Amazon Notes being offered hereby.

In some circumstances, we may elect to discharge our obligations under the Amazon Notes through full defeasance or covenant defeasance. See “—Defeasance” below for more information.

We will not be required to make any mandatory redemption or sinking fund payments with respect to the Amazon Notes.

We may at any time and from time to time purchase Amazon Notes in the open market or otherwise.

Denominations

The Amazon Notes will be issued in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof.

Ranking

The Amazon Notes will be senior unsecured obligations of Amazon and will rank equally with all other senior unsecured indebtedness of Amazon from time to time outstanding.

No Guarantees

The Amazon Notes will be the obligations solely of Amazon and will not be guaranteed by any subsidiary of Amazon.

Optional Redemption

We may redeem the Amazon Notes at its option at any time, either in whole or in part. If we elect to redeem the Amazon Notes, we will pay a redemption price equal to the greater of the following amounts:

- 1) 100% of the aggregate principal amount of the Amazon Notes to be redeemed; and
- 2) the sum of the present values of the Remaining Scheduled Payments, plus, in each case, accrued and unpaid interest thereon to, but not including, the redemption date; provided that if we redeem any Amazon Notes on or after September 3, 2025 (three months prior to the stated maturity date of the Amazon Notes), the redemption price for those Amazon Notes will equal 100% of the principal amount of the Amazon Notes to be redeemed, plus accrued and unpaid interest thereon to, but not including, the redemption date.

In determining the present values of the Remaining Scheduled Payments, we will discount such payments to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Treasury Rate plus 45 basis points.

The following terms are relevant to the determination of the redemption price. “Comparable Treasury Issue” means the U.S. Treasury security selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Amazon Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Amazon Notes.

“Comparable Treasury Price” means, with respect to any redemption date, (1) the arithmetic average of the Reference Treasury Dealer Quotations for such redemption date after excluding the highest and lowest Reference Treasury Dealer Quotations, or (2) if we obtain fewer than four Reference Treasury Dealer Quotations, the arithmetic average of all Reference Treasury Dealer Quotations for such redemption date.

“Independent Investment Banker” means each of Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC, and Morgan Stanley & Co. LLC or their respective successors as may be appointed from time to time by us; provided, however, that if any of the foregoing ceases to be a primary U.S. Government securities dealer in New York City (a “primary treasury dealer”), we will substitute another primary treasury dealer.

“Reference Treasury Dealer” means Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC, or Morgan Stanley & Co. LLC, and two other primary treasury dealers selected by us, and each of their respective successors and any other primary treasury dealers selected by us.

[Table of Contents](#)

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the arithmetic average, as determined by us, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to us by such Reference Treasury Dealer as of 3:30 p.m., New York City time, on the third business day preceding such redemption date.

“Remaining Scheduled Payments” means, with respect to any Amazon Notes to be redeemed, the remaining scheduled payments of the principal of and premium, if any, and interest thereon that would be due after the related redemption date but for such redemption; provided, however, that, if such redemption date is not an interest payment date with respect to such Amazon Notes, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to such redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity (computed as of the third business day immediately preceding that redemption date) of the Comparable Treasury Issue. In determining this rate, we will assume a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

A partial redemption of the Amazon Notes may be effected pro rata or by lot or by such method as the Amazon Trustee may deem fair and appropriate and may provide for the selection for redemption of portions (equal to the minimum authorized denomination for the Amazon Notes or any integral multiple in excess thereof) of the principal amount of Amazon Notes of a denomination larger than the minimum authorized denomination for the Amazon Notes.

Notice of any redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each holder of the Amazon Notes to be redeemed.

Unless we default in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Amazon Notes, or portions thereof, called for redemption.

Reports

Whether or not required by the rules and regulations of the SEC, so long as any Amazon Notes are outstanding, we shall file with the Amazon Trustee, within the time periods specified by the SEC’s rules and regulations, copies of the annual reports and of the information, documents, and other reports (or copies of such portions of any of the foregoing as the SEC may from time to time by rules and regulations prescribe) that we would be required to file with the SEC pursuant to Section 13 or Section 15(d) of the Exchange Act. We shall be deemed to have complied with the previous sentence to the extent that such information, documents, and reports are filed with the SEC via EDGAR, or any successor electronic delivery procedure. Delivery of such reports, information, and documents to the Amazon Trustee is for informational purposes only, and the Amazon Trustee’s receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including our compliance with any covenants under the Amazon Indenture (as to which the Amazon Trustee is entitled to rely exclusively on officers’ certificates).

Events of Default

The following will be “Events of Default” with respect to Amazon Notes:

- failure to pay any interest on the Amazon Notes within 30 days after such interest becomes due and payable;
- failure to pay principal of (or premium, if any, on) the Amazon Notes at maturity, or if applicable, the redemption price, when the same becomes due and payable by the terms of the Amazon Notes;

Table of Contents

- failure to comply with any of the covenants or agreements in the Amazon Notes or the Amazon Indenture (other than an agreement or covenant that we included in the Amazon Indenture solely for the benefit of another series of notes) for 90 days after there has been given, by registered or certified mail, to us by the Amazon Trustee, or to us by the holders of at least 25% in principal amount of all outstanding Amazon Notes, a written notice specifying such failure and requiring it to be remedied and stating that such notice is a “notice of default” under the Amazon Indenture; and
- certain events involving our bankruptcy, insolvency, or reorganization.

A default under one series of notes issued under the Amazon Indenture will not necessarily be a default under another series of notes under the Amazon Indenture. The Amazon Trustee may withhold notice to the holders of a series of notes issued under the Amazon Indenture of any default or event of default (except in any payment on the notes of such series) if the trustee considers it in the interest of the holders of the notes of that series to do so.

If an event of default for the Amazon Notes occurs and is continuing, the Amazon Trustee or the holders of at least 25% in principal amount of the Amazon Notes may require us to pay immediately the principal amount plus accrued and unpaid interest on all the Amazon Notes. If an event of default relating to certain events of bankruptcy, insolvency, or reorganization occurs with respect to us, the principal amount plus accrued and unpaid interest on the Amazon Notes will become immediately due and payable without any action on the part of the Amazon Trustee or any holder. The holders of a majority in principal amount of the Amazon Notes then outstanding may in some cases rescind this accelerated payment requirement.

A holder of Amazon Notes may pursue any remedy under the Amazon Indenture applicable to the Amazon Notes only if:

- the holder gives the Amazon Trustee written notice of a continuing event of default;
- the holders of at least 25% in principal amount of the Amazon Notes then outstanding make a written request to the Amazon Trustee to pursue the remedy;
- the holder furnishes to the Amazon Trustee indemnity reasonably satisfactory to the Amazon Trustee against loss, liability, or expense;
- the Amazon Trustee fails to act for a period of 60 days after receipt of notice and furnishing of indemnity; and
- during that 60-day period, the holders of a majority in principal amount of the Amazon Notes do not give the Amazon Trustee a direction inconsistent with the request.

This provision does not, however, affect the right of any holder to sue for enforcement of any overdue payment with respect to the Amazon Notes. In most cases, holders of a majority in principal amount of the Amazon Notes then outstanding may direct the time, method, and place of:

- conducting any proceeding for any remedy available to the Amazon Trustee with respect to the Amazon Notes; and
- exercising any trust or power conferred on the Amazon Trustee not relating to or arising under an event of default with respect to the Amazon Notes.

The Amazon Indenture will require us to file with the Amazon Trustee each year a written statement as to our compliance with the covenants contained in the Amazon Indenture, and we are required upon becoming aware of any default or Event of Default, to deliver to the Amazon Trustee a written statement specifying such default or Event of Default and what action we are taking or propose to take to cure such default or Event of Default.

[Table of Contents](#)

Covenants

The Amazon Notes will not contain any covenants or other provisions designed to protect holders of the Amazon Notes in the event of a highly leveraged transaction.

Consolidation, Merger, or Sale

We will covenant not to consolidate with or merge into any other person or sell, assign, convey, transfer, lease, or otherwise dispose of all or substantially all of our and our subsidiaries', taken as a whole, assets to any person unless either we are the surviving corporation or the resulting, surviving or transferee entity is a corporation organized under the laws of the United States or, if such person is not a corporation, a co-obligor of the Amazon Notes is a corporation organized under any such laws, and any successor or purchaser expressly assumes our obligations under the Amazon Notes by an indenture supplemental to the Amazon Indenture, and immediately after which, no event of default, and no event which, after notice or lapse of time, or both, would become an event of default, shall have occurred and be continuing. An officers' certificate and an opinion of counsel will be delivered to the Amazon Trustee, which will serve as conclusive evidence of compliance with these provisions.

Modification and Waiver

Except as provided in the next two succeeding paragraphs, the Amazon Indenture or the Amazon Notes may be amended or supplemented, and waivers may be obtained, with the consent of the holders of at least a majority in aggregate principal amount of the Amazon Notes at the time outstanding (including, without limitation, additional Amazon Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, Amazon Notes), and any existing default or Event of Default (other than a default or Event of Default in the payment of the principal of, premium on, if any, or interest on, Amazon Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the Amazon Indenture or the Amazon Notes may be waived with the consent of the holders of at least a majority in aggregate principal amount of the Amazon Notes at the time outstanding (including, without limitation, additional Amazon Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Amazon Notes). Without the consent of each holder of outstanding Amazon Notes affected thereby, an amendment, supplement, or waiver may not (with respect to any Amazon Notes held by a non-consenting holder):

- reduce the percentage in principal amount of Amazon Notes, the consent of whose holders is required for any amendment, supplement, or waiver;
- reduce the rate of or change the time for payment of interest on the Amazon Notes;
- reduce the principal or change the stated maturity of the Amazon Notes;
- reduce the redemption price payable on the redemption of the Amazon Notes, change the time at which the Amazon Notes may or must be redeemed, or alter or waive any of the provisions with respect to the redemption of the Amazon Notes;
- make payments on the Amazon Notes payable in currency other than as originally stated in the Amazon Notes;
- impair the holder's right to institute suit for the enforcement of any payment on the Amazon Notes; or
- waive a continuing default or event of default regarding any payment on the Amazon Notes.

Notwithstanding the preceding, without the consent of any holder of Amazon Notes, we and the Amazon Trustee may amend or supplement the Amazon Indenture or the Amazon Notes in certain circumstances, including:

- to cure any ambiguity, omission, defect, or inconsistency;

Table of Contents

- to provide for the assumption of our obligations under the Amazon Indenture by a successor or transferee upon any merger, consolidation, or asset transfer;
- to provide for uncertificated Amazon Notes in addition to or in place of certificated Amazon Notes;
- to provide any security for or guarantees of the Amazon Notes or for the addition of an additional obligor on the Amazon Notes;
- to comply with any requirement to effect or maintain the qualification of the Amazon Indenture under the Trust Indenture Act, if applicable;
- to add covenants that would benefit the holders of any outstanding Amazon Notes or to surrender any of our rights under the Amazon Indenture;
- to add additional Events of Default with respect to the Amazon Notes;
- to change or eliminate any of the provisions of the Amazon Indenture; provided that any such change or elimination shall not become effective with respect to any outstanding Amazon Notes created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision;
- to provide for the issuance of and establish forms and terms and conditions of a new series of notes;
- to facilitate the defeasance and discharge of the Amazon Notes otherwise in accordance with the defeasance provisions of the Amazon Indenture; provided that any such action does not adversely affect the rights of any holder of outstanding Amazon Notes in any material respect;
- to issue additional Amazon Notes; provided that such additional Amazon Notes have the same terms as, and be deemed part of the same series as, the Amazon Notes offered hereby to the extent required under the Amazon Indenture;
- to make any change that does not adversely affect the rights of any holder of outstanding Amazon Notes in any material respect;
- to evidence and provide for the acceptance of appointment by a successor trustee with respect to the Amazon Notes and to add to or change any of the provisions of the Amazon Indenture as shall be necessary to provide for or facilitate the administration of the trust by more than one trustee; or
- to conform the text of the Amazon Indenture or the Amazon Notes to any provision of this “Description of New Amazon Notes” to the extent that such provision in this “Description of New Amazon Notes” was intended to be a verbatim recitation of a provision of the Amazon Indenture or the Amazon Notes.

The holders of not less than a majority in principal amount of the Amazon Notes then outstanding may on behalf of the holders of all of the Amazon Notes waive any past default with respect to the Amazon Notes, except a default in the payment of the principal of or premium or interest on the Amazon Notes (provided, that the holders of a majority in principal amount of the Amazon Notes then outstanding may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration).

A supplemental indenture that changes or eliminates any covenant, Event of Default, or other provision of the Amazon Indenture that has been expressly included solely for the benefit of one or more particular series of notes, if any, or which modifies the rights of the holders of notes of such series with respect to such covenant, Event of Default, or other provision, shall be deemed not to affect the rights under the Amazon Indenture of the holders of notes of any other series that does not have the benefit of such covenant, Event of Default, or other provision. It will not be necessary for the consent of the holders to approve the particular form of any proposed supplement, amendment, or waiver, but it shall be sufficient if such consent approves the substance of it.

Information Concerning the Amazon Trustee

If an Event of Default occurs and is continuing, the Amazon Trustee will be required to use the degree of care and skill of a prudent person in the conduct of his or her own affairs. The Amazon Trustee will become

[Table of Contents](#)

obligated to exercise any of its powers under the Amazon Indenture at the request of any of the holders of any notes issued under the Amazon Indenture only after those holders have furnished the trustee indemnity reasonably satisfactory to it.

If the Amazon Trustee becomes a creditor of ours, it will be subject to limitations in the Amazon Indenture on its rights to obtain payment of claims or to realize on certain property received for any such claim, as security or otherwise. The Amazon Trustee is permitted to engage in other transactions with us. If, however, it acquires any conflicting interest, it must eliminate such conflict, resign, or obtain an order from the SEC permitting it to remain as trustee.

Paying Agent, Registrar and Transfer Agent

We will maintain one or more paying agents (each, a “Paying Agent”) for the Amazon Notes in Minneapolis, MN. We, upon written notice to the Amazon Trustee accompanied by an officers’ certificate, may appoint one or more Paying Agents, other than the Amazon Trustee, for the Amazon Notes. If we fail to appoint or maintain another entity as Paying Agent, the Amazon Trustee shall act as such. We or any of our subsidiaries, upon notice to the Amazon Trustee, may act as Paying Agent.

We will also maintain one or more registrars (each, a “Registrar”) with an office in Minneapolis, MN. We, upon written notice to the Amazon Trustee accompanied by an officers’ certificate, may appoint one or more registrars, other than the Amazon Trustee, for the Amazon Notes. If we fail to appoint or maintain another entity as registrar, the Amazon Trustee shall act as such. We or any of our subsidiaries, upon notice to the Amazon Trustee, may act as registrar.

We will also maintain one or more transfer agents with offices in Minneapolis, MN. Each transfer agent shall perform the functions of a transfer agent. We, upon written notice to the Amazon Trustee accompanied by an officers’ certificate, may appoint one or more transfer agents, other than the Amazon Trustee, for the Amazon Notes. If we fail to appoint or maintain another entity as transfer agent, the Amazon Trustee shall act as such. We or any of our subsidiaries, upon notice to the Amazon Trustee, may act as transfer agent.

The Registrar will maintain a register reflecting ownership of Amazon Notes outstanding from time to time and facilitate transfer of the Amazon Notes on our behalf, and the Paying Agents will make payments on our behalf. We may change any Paying Agents, Registrars, or transfer agents without prior notice to the holders of Amazon Notes.

Governing Law

The Amazon Indenture and the Amazon Notes shall be deemed to be a contract made under the internal laws of the State of New York, and for all purposes shall be construed in accordance with the laws of the State of New York without regard to conflicts of laws principles that would require the application of any other law. The Amazon Indenture is subject to the provisions of the Trust Indenture Act that are required to be part of the Amazon Indenture and shall, to the extent applicable, be governed by such provisions.

Satisfaction and Discharge of the Amazon Indenture

The Amazon Indenture shall cease to be of further effect with respect to the Amazon Notes when either:

- we have delivered to the Amazon Trustee for cancellation all outstanding Amazon Notes, other than any Amazon Notes that have been destroyed, lost, or stolen and that have been replaced or paid as provided in the Amazon Indenture;
- all outstanding Amazon Notes that have not been delivered to the Amazon Trustee for cancellation have become due and payable or are by their terms to become due and payable within one year or are

[Table of Contents](#)

to be called for redemption within one year under arrangements satisfactory to the Amazon Trustee for the giving of notice of redemption, and we shall have irrevocably deposited with the Amazon Trustee as trust funds the entire amount, in cash in U.S. dollars or noncallable U.S. governmental obligations, or a combination thereof, sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay at maturity or upon redemption of all Amazon Notes, including principal of and any premium and interest due or to become due to such date of maturity or date fixed for redemption, as the case may be; or

- we have properly fulfilled any other means of satisfaction and discharge that may be set forth in the terms of the Amazon Notes.

In each case, we will also pay all other sums payable by us under the Amazon Indenture with respect to the Amazon Notes and deliver to the Amazon Trustee an opinion of counsel and an officers' certificate, each stating that all conditions precedent to satisfaction and discharge with respect to the Amazon Notes have been complied with.

Defeasance

The term defeasance means the discharge of some or all of our obligations under the Amazon Indenture. If we deposit with the Amazon Trustee funds or U.S. government securities, or a combination thereof, sufficient, in the opinion of a nationally recognized firm of independent accountants, to make payments on the Amazon Notes on the dates those payments are due and payable, then, at our option, either of the following will occur:

- we will be discharged from our obligations with respect to the Amazon Notes ("legal defeasance"); or
- we will no longer have any obligation to comply with the restrictive covenants under the Amazon Indenture, and the related events of default will no longer apply to us ("covenant defeasance").

If we defease the Amazon Notes, the holders of the defeased Amazon Notes will not be entitled to the benefits of the Amazon Indenture, except for our obligation to register the transfer or exchange of the Amazon Notes, replace stolen, lost, or mutilated Amazon Notes, or maintain paying agencies and hold moneys for payment in trust. In the case of covenant defeasance, our obligation to pay principal, premium, and interest on the Amazon Notes will also survive. We will be required to deliver to the Amazon Trustee an opinion of counsel that the deposit and related defeasance would not cause the beneficial owners of the Amazon Notes to recognize income, gain, or loss for U.S. federal income tax purposes. If we elect legal defeasance, that opinion of counsel must be based upon a ruling from the United States Internal Revenue Service or a change in law to that effect.

Book-Entry, Delivery, and Form

We will issue the Amazon Notes in the form of one or more fully registered global securities that will be deposited with, or on behalf of, The Depository Trust Company, New York, New York ("DTC"). The Amazon Notes will be issued in denominations of \$2,000 or any integral multiple of \$1,000 in excess thereof and will be issued in registered form only, without coupons.

The global securities will be deposited with, or on behalf of, DTC, and will be registered in the name of Cede & Co., DTC's nominee. The following provisions will apply to the depository arrangements with respect to such global securities.

Beneficial interests in the global securities will be represented through book-entry accounts of financial institutions acting on behalf of beneficial owners as direct or indirect participants in DTC.

Investors may elect to hold their interests in the global securities through either DTC (in the United States) or (in Europe) through Clearstream or through Euroclear. Investors may hold their interests in the global

[Table of Contents](#)

securities directly, if they are participants of such systems, or indirectly through organizations that are participants in these systems. Clearstream and Euroclear will hold interests on behalf of their participants through customers' securities accounts in Clearstream's and Euroclear's names on the books of their respective U.S. depositories, which in turn will hold these interests in customers' securities accounts in the depositories' names on the books of DTC. Beneficial interests in the global securities will be held in denominations of \$2,000 and multiples of \$1,000 in excess thereof. Except as set forth below, the global securities may be transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee.

Debt securities represented by a global security can be exchanged for definitive securities in registered form only if:

- DTC notifies us that it is unwilling or unable to continue as depository for that global security, and we do not appoint a successor depository within 90 days after receiving that notice;
- at any time DTC ceases to be a clearing agency registered or in good standing under the Exchange Act, as amended, or other applicable statute or regulation, and we do not appoint a successor depository within 90 days after becoming aware that DTC has ceased to be registered as a clearing agency; or
- we determine that that global security will be exchangeable for definitive securities in registered form and we notify the Amazon Trustee of our decision.

A global security that can be exchanged as described in the preceding sentence will be exchanged for definitive securities issued in authorized denominations in registered form for the same aggregate amount. The definitive securities will be registered in the names of the owners of the beneficial interests in the global security as directed by DTC.

We will make principal and interest payments on the Amazon Notes represented by a global security to the Paying Agent which in turn will make payment to DTC or its nominee, as the case may be, as the sole registered owner and the sole holder of the debt securities represented by a global security for all purposes under the Amazon Indenture. Accordingly, we, the Amazon Trustee and any Paying Agent will have no responsibility or liability for:

- any aspect of DTC's records relating to, or payments made on account of, beneficial ownership interests in a debt security represented by a global security; or
- any other aspect of the relationship between DTC and its participants or the relationship between those participants and the owners of beneficial interests in a global security held through those participants; or the maintenance, supervision, or review of any of DTC's records relating to those beneficial ownership interests.

DTC has advised us that its current practice is to credit participants' accounts on each payment date with payments in amounts proportionate to their respective beneficial interests in the principal amount of such global security as shown on DTC's records, upon DTC's receipt of funds and corresponding detail information. The underwriters or agents for the debt securities represented by a global security will initially designate the accounts to be credited. Payments by participants to owners of beneficial interests in a global security will be governed by standing instructions and customary practices, as is the case with securities held for customer accounts registered in "street name," and will be the sole responsibility of those participants. Book-entry notes may be more difficult to pledge because of the lack of a physical note. So long as DTC or its nominee is the registered owner of a global security, DTC or its nominee, as the case may be, will be considered the sole owner and holder of the debt securities represented by that global security for all purposes of the debt securities. Owners of beneficial interests in the debt securities will not be entitled to have debt securities registered in their names, will not receive or be entitled to receive physical delivery of the debt securities in definitive form and will not be considered owners or holders of debt securities under the Amazon Indenture. Accordingly, each person owning a beneficial interest in a global security must rely on the procedures of DTC and, if that person is not a DTC participant, on the

[Table of Contents](#)

procedures of the participant through which that person owns its interest, to exercise any rights of a holder of debt securities. The laws of some jurisdictions require that certain purchasers of securities take physical delivery of the securities in certificated form. These laws may impair the ability to transfer beneficial interests in a global security. Beneficial owners may experience delays in receiving distributions on their debt securities since distributions will initially be made to DTC and must then be transferred through the chain of intermediaries to the beneficial owner's account.

We understand that, under existing industry practices, if we request holders to take any action, or if an owner of a beneficial interest in a global security desires to take any action which a holder is entitled to take under the Amazon Indenture, then DTC would authorize the participants holding the relevant beneficial interests to take that action and those participants would authorize the beneficial owners owning through such participants to take that action or would otherwise act upon the instructions of beneficial owners owning through them.

Beneficial interests in a global security will be shown on, and transfers of those ownership interests will be effected only through, records maintained by DTC and its participants for that global security. The conveyance of notices and other communications by DTC to its participants and by its participants to owners of beneficial interests in the debt securities will be governed by arrangements among them, subject to any statutory or regulatory requirements in effect.

DTC has advised us that it is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to Section 17A of the Exchange Act.

DTC holds the securities of its participants and facilitates the clearance and settlement of securities transactions among its participants in such securities through electronic book-entry changes in accounts of its participants. The electronic book-entry system eliminates the need for physical certificates. DTC's participants include both U.S. and non-U.S. securities brokers and dealers, including underwriters, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation, and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others, such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a participant, either directly or indirectly. The rules applicable to DTC and its participants are on file with the SEC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that we believe to be reliable, but we take no responsibility for the accuracy thereof.

Clearstream

Clearstream has advised us that it is incorporated under the laws of Luxembourg as a professional depository. Clearstream holds securities for its participating organizations ("Clearstream Participants"), and facilitates the clearance and settlement of securities transactions between Clearstream Participants through electronic book-entry changes in accounts of Clearstream Participants, thereby eliminating the need for physical movement of certificates. Clearstream provides to Clearstream Participants, among other things, services for safekeeping, administration, clearance, and settlement of internationally traded securities and securities lending and borrowing. Clearstream interfaces with domestic securities markets in several countries. As a registered bank in Luxembourg, Clearstream is subject to regulation by the Luxembourg Commission for the Supervision of the Financial Sector (Commission de Surveillance du Secteur Financier). Clearstream Participants are recognized financial institutions around the world, including underwriters, securities brokers and dealers, banks, trust companies, and clearing corporations. In the U.S., Clearstream Participants are limited to securities brokers and

[Table of Contents](#)

dealers and banks. Indirect access to Clearstream is also available to others, such as banks, brokers, dealers, and trust companies that clear through or maintain a custodial relationship with a Clearstream Participant either directly or indirectly. Clearstream is an indirect participant in DTC.

Distributions with respect to debt securities held beneficially through Clearstream will be credited to cash accounts of Clearstream Participants in accordance with its rules and procedures, to the extent received by the U.S. Depository for Clearstream.

Euroclear

Euroclear has advised us that it was created in 1968 to hold securities for participants of Euroclear (“Euroclear Participants”), and to clear and settle transactions between Euroclear Participants through simultaneous electronic book-entry delivery against payment, thereby eliminating the need for physical movement of certificates and any risk from lack of simultaneous transfers of securities and cash. Euroclear performs various other services, including securities lending and borrowing, and interacts with domestic markets in several countries. The Euroclear System is owned by Euroclear Clearance System Public Limited Company (ECSpIc) and operated through Euroclear Bank S.A/N.V. (the “Euroclear Operator”), a bank incorporated under the laws of the Kingdom of Belgium, under contract with Euroclear Clearance Systems S.C., a Belgian cooperative corporation (the “Cooperative”). All operations are conducted by the Euroclear Operator, and all Euroclear securities clearance accounts and Euroclear cash accounts are accounts with the Euroclear Operator, not the Cooperative. The Cooperative establishes policy for Euroclear on behalf of Euroclear Participants. Euroclear Participants include banks, including central banks, securities brokers and dealers, and other professional financial intermediaries. Indirect access to Euroclear is also available to other firms that clear through or maintain a custodial relationship with a Euroclear Participant, either directly or indirectly.

The Euroclear Operator advises us that it is regulated and examined by the Belgian banking and Finance Commission and the National Bank of Belgium.

Securities clearance accounts and cash accounts with the Euroclear Operator are governed by the Terms and Conditions Governing Use of Euroclear and the related Operating Procedures of the Euroclear System, and applicable Belgian law, herein the Terms and Conditions. The Terms and Conditions govern transfers of securities and cash within Euroclear, withdrawals of securities and cash from Euroclear, and receipts of payments with respect to securities in Euroclear. All securities in Euroclear are held on a fungible basis without attribution of specific certificates to specific securities clearance accounts. The Euroclear Operator acts under the Terms and Conditions only on behalf of Euroclear Participants, and has no record of or relationship with persons holding through Euroclear Participants.

Distributions with respect to debt securities held beneficially through Euroclear will be credited to the cash accounts of Euroclear Participants in accordance with the Terms and Conditions, to the extent received by the U.S. Depository for Euroclear.

Euroclear has further advised us that investors that acquire, hold, and transfer interests in the debt securities by book-entry through accounts with the Euroclear Operator or any other securities intermediary are subject to the laws and contractual provisions governing their relationship with their intermediary, as well as the laws and contractual provisions governing the relationship between such an intermediary and each other intermediary, if any, standing between themselves and the global securities.

Global Clearance and Settlement Procedures

Secondary market trading between DTC participants will occur in the ordinary way in accordance with DTC rules and will be settled in immediately available funds using DTC’s Same-Day Funds Settlement System. Secondary market trading between Clearstream Participants and/or Euroclear Participants will occur in the ordinary way in accordance with the applicable rules and operating procedures of Clearstream and Euroclear and will be settled using the procedures applicable to conventional eurobonds in immediately available funds.

[Table of Contents](#)

Cross-market transfers between persons holding directly or indirectly through DTC, on the one hand, and directly or indirectly through Clearstream Participants or Euroclear Participants, on the other, will be effected through DTC in accordance with DTC rules on behalf of the relevant European international clearing system by its U.S. Depositary; however, such cross-market transactions will require delivery of instructions to the relevant European international clearing system by the counterparty in such system in accordance with its rules and procedures and within its established deadlines (European time). The relevant European international clearing system will, if the transaction meets its settlement requirements, deliver instructions to its U.S. Depositary to take action to effect final settlement on its behalf by delivering or receiving debt securities through DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Clearstream Participants and Euroclear Participants may not deliver instructions directly to their respective U.S. Depositories.

Because of time-zone differences, credits of debt securities received through Clearstream or Euroclear as a result of a transaction with a DTC participant will be made during subsequent securities settlement processing and dated the business day following the DTC settlement date. Such credits or any transactions in such debt securities settled during such processing will be reported to the relevant Euroclear Participants or Clearstream Participants on such business day. Cash received in Clearstream or Euroclear as a result of sales of debt securities by or through a Clearstream Participant or a Euroclear Participant to a DTC participant will be received with value on the DTC settlement date but will be available in the relevant Clearstream or Euroclear cash account only as of the business day following settlement in DTC.

If the debt securities are cleared only through Euroclear and Clearstream (and not DTC), you will be able to make and receive through Euroclear and Clearstream payments, deliveries, transfers, exchanges, notices, and other transactions involving any securities held through those systems only on days when those systems are open for business. Those systems may not be open for business on days when banks, brokers, and other institutions are open for business in the United States. In addition, because of time-zone differences, U.S. investors who hold their interests in the securities through these systems and wish to transfer their interests, or to receive or make a payment or delivery or exercise any other right with respect to their interests, on a particular day may find that the transaction will not be effected until the next business day in Luxembourg or Brussels, as applicable. Thus, U.S. investors who wish to exercise rights that expire on a particular day may need to act before the expiration date.

Although DTC, Clearstream, and Euroclear have agreed to the foregoing procedures in order to facilitate transfers of debt securities among participants of DTC, Clearstream, and Euroclear, they are under no obligation to perform or continue to perform such procedures and such procedures may be modified or discontinued at any time. Neither we nor any paying agent will have any responsibility for the performance by DTC, Euroclear, or Clearstream or their respective direct or indirect participants of their obligations under the rules and procedures governing their operations.

Notices

Notices to holders of Amazon Notes will be given by mail to the addresses of such holders as they appear in the security register or through the facilities of DTC or Euroclear or Clearstream Luxembourg, in the case of beneficial interests represented by global securities.

Sinking Fund

There will not be a sinking fund for the Amazon Notes.

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES

The following summary describes the material U.S. federal income tax consequences relating to the exchange offer and consent solicitation and to the ownership and disposition of Amazon Notes acquired pursuant to the exchange offer and consent solicitation. This summary is based upon provisions of the Internal Revenue Code of 1986, as amended (the “Code”), the U.S. Treasury Regulations promulgated thereunder (the “Treasury Regulations”), administrative rulings, and judicial decisions, all as in effect as of the date hereof, any of which may subsequently be changed or interpreted differently, possibly with retroactive effect, so as to result in U.S. federal income tax consequences different from those discussed below. Amazon has not sought and does not intend to seek a ruling from the Internal Revenue Service (the “IRS”) on any aspect of the exchange offer and consent solicitation. Accordingly, Amazon cannot assure you that the IRS will agree with the views expressed in this summary, or that a court will not sustain any challenge by the IRS. This summary does not address all aspects of U.S. federal income tax related to the exchange offer and consent solicitation and to the ownership and disposition of Amazon Notes.

This summary does not address the consequences under U.S. alternative minimum tax rules, U.S. federal estate or gift tax laws or any non-U.S. or U.S. state or local tax laws. In addition, it does not address all tax consequences that may be relevant to holders of Amazon Notes or Whole Foods Market Notes (collectively, “Notes”) that are subject to special treatment under the U.S. federal income tax laws, such as:

- dealers or traders in securities or currencies, banks, and other financial institutions, regulated investment companies, real estate investment trusts, tax-exempt entities, insurance companies, traders in securities that elect to use a mark-to-market method of accounting for their securities, employee stock ownership plans, corporations that accumulate earnings to avoid tax, controlled foreign corporations, and passive foreign investment companies;
- persons holding Notes as a part of a hedging, integrated, conversion, wash sale, constructive sale, or straddle transaction for U.S. federal income tax purposes;
- U.S. Holders (as defined below) of Notes whose “functional currency” is not the U.S. dollar;
- persons that are, or that hold their Notes through, entities that are treated as partnerships or S corporations for U.S. federal income tax purposes;
- nonresident alien individuals who are present in the United States for 183 or more days during the relevant taxable year; and
- former citizens or residents of the United States.

If a partnership (including any entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds Notes, the tax treatment of a partner (or other equity owner) will generally depend upon the status of the partner (or equity owner) and the activities of the partnership (or such other entity). A beneficial owner that is a partnership (or entity treated as a partnership) and partners in such a partnership (or other equity owners) should consult their tax advisors as to the particular U.S. federal income tax consequences applicable to them.

This summary of material U.S. federal income tax consequences is for general information only and is not tax advice for any particular investor. Furthermore, this summary only applies to beneficial owners of Notes that hold their Notes as “capital assets” within the meaning of Section 1221 of the Code (generally, property held for investment).

In this discussion, the term “U.S. Holder” is used to refer to a beneficial owner of Notes that, for U.S. federal income tax purposes, is:

- an individual citizen or resident of the United States;

[Table of Contents](#)

- a corporation created or organized in or under the laws of the United States or any state or political subdivision thereof (including the District of Columbia);
- an estate the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust, if (i) a court within the United States is able to exercise primary supervision over the trust's administration and one or more U.S. persons have the authority to control all substantial decisions of the trust, or (ii) such trust has a valid election in effect under applicable Treasury Regulations to be treated as a U.S. person.

The term "Non-U.S. Holder" is used to describe a beneficial owner of Notes that is neither a U.S. Holder nor a partnership or any entity or arrangement treated as a partnership for U.S. federal income tax purposes.

Whole Foods Market has taken the position for U.S. federal income tax purposes that the Whole Foods Market Notes are not "contingent payment debt instruments" within the meaning of the applicable Treasury Regulations and, therefore, the discussion below assumes that the Whole Foods Market Notes are not subject to the special rules governing "contingent payment debt instruments."

THIS DISCUSSION OF MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES IS FOR GENERAL INFORMATION PURPOSES ONLY AND IS NOT TAX ADVICE. EACH HOLDER OF NOTES SHOULD CONSULT ITS TAX ADVISOR AS TO THE PARTICULAR TAX CONSIDERATIONS TO SUCH HOLDER OF THE EXCHANGE OFFER AND CONSENT SOLICITATION AND THE OWNERSHIP AND DISPOSITION OF AMAZON NOTES, INCLUDING THE APPLICABILITY OF U.S. FEDERAL, STATE, AND LOCAL TAX LAWS AND NON-U.S. TAX LAWS.

U.S. Holders

The Exchange Offer

Tender of Whole Foods Market Notes. The exchange of Whole Foods Market Notes for Amazon Notes and cash pursuant to the exchange offer and consent solicitation will be a taxable exchange for U.S. federal income tax purposes.

Subject to the discussion below under "—Early Participation Premium," a U.S. Holder that exchanges Whole Foods Market Notes for Amazon Notes and cash pursuant to the exchange offer and consent solicitation generally will recognize gain or loss equal to the difference, if any, between (i) the sum of the amount of cash received and the "issue price" of the Amazon Notes received in respect of the Whole Foods Market Notes (as discussed below under "—Issue Price"), reduced by an amount equal to the accrued interest on the Whole Foods Market Notes at the time of the exchange (which amount will be includible in such U.S. Holder's gross income as interest income at the time of the exchange to the extent that it has not yet been included), and (ii) the U.S. Holder's adjusted tax basis in the Whole Foods Market Notes. A U.S. Holder's adjusted tax basis in a Whole Foods Market Note will generally equal the amount paid for the Whole Foods Market Note (x) increased by any market discount previously taken into account by the U.S. Holder in respect of the Whole Foods Market Note, and (y) reduced (but not below zero) by any amortizable bond premium previously amortized on the Whole Foods Market Note.

Subject to the treatment of a portion of any gain as ordinary income to the extent of any market discount accrued on a Whole Foods Market Note (see below under "—Market Discount"), any gain or loss recognized in respect of a Whole Foods Market Note generally will be capital gain or loss, which will be long-term capital gain or loss if the U.S. Holder's holding period in the Whole Foods Market Note exceeds one year as of the date of the exchange. Certain non-corporate U.S. Holders may be eligible for preferential tax rates in respect of long-term capital gain. The deductibility of capital losses is subject to limitations. A U.S. Holder generally will have an initial tax basis in an Amazon Note received pursuant to the exchange offer and consent solicitation equal to its issue price (as defined below), and generally will commence a new holding period with respect to the Amazon Note the day after the completion of the exchange.

[Table of Contents](#)

Market Discount. The market discount provisions of the Code may apply to U.S. Holders of Whole Foods Market Notes that acquired the Whole Foods Market Notes in the secondary market. In general, a Whole Foods Market Note that was acquired by a U.S. Holder in the secondary market will be treated as having been acquired with market discount if the Whole Foods Market Note's principal amount exceeded the tax basis of the Whole Foods Market Note in the U.S. Holder's hands immediately after its acquisition, unless such excess was less than a statutorily defined *de minimis* amount.

Any gain recognized by a U.S. Holder with respect to a Whole Foods Market Note that was acquired with market discount will be subject to tax as ordinary income to the extent of the market discount accrued during the period the Whole Foods Market Note was held by such U.S. Holder, unless the U.S. Holder previously elected to include market discount in income as it accrued for U.S. federal income tax purposes.

Issue Price. If an Amazon Note is considered to be "publicly traded" for U.S. federal income tax purposes, the issue price of such Amazon Note will, subject to the sentence below, generally equal its fair market value on the date of issuance. In accordance with applicable U.S. Treasury Regulations, we intend to determine the issue price of the Amazon Notes by subtracting from such fair market value any Amazon Note Pre-Issuance Accrued Interest (as defined below under "—Treatment of the Amazon Notes—Stated Interest"). Although no assurances can be given in this regard, we believe that the Amazon Notes are likely to be considered "publicly traded" for these purposes and intend to take this position for all relevant reporting and other purposes. We will make information about our determination of the issue price of the Amazon Notes available to investors in a commercially reasonable fashion within 90 days of the date on which the Amazon Notes are issued. Our determination of the issue price of the Amazon Notes is binding upon a holder unless such holder explicitly discloses to the IRS, on a timely filed U.S. federal income tax return for the taxable year that includes the date of the exchange, that its determination is different from ours, the reasons for the different determination, and how such holder determined the issue price.

Early Participation Premium. The U.S. federal income tax treatment of the receipt of the Early Participation Premium is unclear. We intend to take the position that any Early Participation Premium is additional consideration for the tendered Whole Foods Market Notes, in which case the Early Participation Premium would be treated as part of the amount paid to the U.S. Holder in respect of such Whole Foods Market Notes, as provided above in "—Tender of Whole Foods Market Notes." Alternatively, the Early Participation Premium may be treated as interest or a separate fee that would be subject to tax as ordinary income. There can be no assurance that the IRS will not successfully challenge the position that we intend to take. U.S. Holders should consult their tax advisors about the U.S. federal income tax treatment of the receipt of the Early Participation Premium.

Treatment of the Amazon Notes

Stated Interest. Subject to the following sentence and the conditions described below in "—Original Issue Discount," interest on the Amazon Notes will generally be included in the income of a U.S. Holder as ordinary income at the time it is paid or accrued in accordance with the U.S. Holder's method of accounting for U.S. federal income tax purposes. However, a U.S. Holder should not include in income the portion of the first payment of interest on an Amazon Note that is attributable to accrued interest on the Whole Foods Market Notes as of the time of the exchange, and should instead treat such portion as a non-taxable return of such pre-issuance accrued interest (such amount is referred to as the "Amazon Note Pre-Issuance Accrued Interest").

Original Issue Discount. As described above, because we intend to determine the issue price of the Amazon Notes by reference to the fair market value of the Amazon Notes on the applicable exchange date, we cannot know before the applicable exchange date whether the Amazon Notes will have original issue discount ("OID"). If the stated redemption price at maturity of any Amazon Note exceeds the issue price of the Amazon Note by at least a statutorily specified *de minimis* amount (which is generally 1/4 of one percent of the principal amount multiplied by the number of complete years to maturity), the difference will constitute OID for U.S. federal income tax purposes. A U.S. Holder of an Amazon Note that is issued with OID will, regardless of such U.S. holder's method of accounting, be required to include the OID in income (as ordinary income) as it accrues in

[Table of Contents](#)

accordance with a constant yield method based upon a compounding of interest and before receiving the cash to which that income is attributable.

Amortizable Bond Premium. If a U.S. Holder's initial tax basis in an Amazon Note is greater than the principal amount of the Amazon Note, the U.S. Holder will be considered to have acquired the Amazon Note with "amortizable bond premium." A U.S. Holder generally may elect to amortize the premium over the remaining term of the Amazon Note on a constant yield method as an offset to interest when includible in income under a U.S. Holder's regular accounting method. An election to amortize premium on a constant yield method will also apply to all other taxable debt instruments held or subsequently acquired by a U.S. Holder on or after the first day of the first taxable year for which the election is made. Such an election may not be revoked without the consent of the IRS.

Sale, Exchange, Redemption, Retirement, or Other Taxable Disposition of Amazon Notes. Upon the sale, exchange, redemption, retirement, or other taxable disposition of an Amazon Note, a U.S. Holder will generally recognize capital gain or loss in an amount equal to the difference between (1) the amount realized (which includes any cash plus the fair market value of all other property received) on such sale, exchange, redemption, retirement, or other taxable disposition in respect of the Amazon Note (except to the extent such cash or property is attributable to accrued but unpaid interest, which will generally be taxable as ordinary income to the extent not previously included in income) and (2) the U.S. Holder's adjusted tax basis in the Amazon Note. A U.S. Holder's adjusted tax basis in an Amazon Note will generally equal its initial tax basis in the Amazon Note, (x) increased by any OID that it previously included in income with respect to the Amazon Note, and (y) reduced by any amortizable bond premium that it previously amortized with respect to the Amazon Note. Such gain or loss will generally be capital gain or loss and will be long-term capital gain or loss if, at the time of such sale, exchange, redemption, retirement, or other taxable disposition, the U.S. Holder's holding period for the Amazon Note exceeds one year. Certain non-corporate U.S. Holders may be eligible for preferential tax rates in respect of long-term capital gain. The deductibility of capital losses is subject to limitations.

Additional Tax on Net Investment Income. Non-corporate U.S. Holders are generally subject to a 3.8% tax on the lesser of (1) the U.S. Holder's "net investment income" for the relevant taxable year and (2) the excess of the U.S. Holder's modified adjusted gross income for the taxable year over a certain threshold (which in the case of individuals will be between \$125,000 and \$250,000, depending on the individual's tax return filing status). A U.S. Holder's net investment income will generally include any interest income or net gain recognized by such holder with respect to the Notes, unless such interest income or net gains are derived in the ordinary course of the conduct of a trade or business (other than a trade or business that consists of certain passive or trading activities). Non-corporate U.S. Holders should consult their tax advisors on the applicability of this additional tax to its income and gains in respect of their investment in the Notes.

Information Reporting and Backup Withholding.

In general, information reporting requirements will apply to payments made to U.S. Holders that exchange Whole Foods Market Notes for Amazon Notes and cash, of interest or principal on Amazon Notes or in connection with the sale, exchange, redemption, retirement, or other taxable disposition of Amazon Notes prior to maturity, other than certain exempt recipients. Each U.S. Holder will be asked to provide to Amazon's paying agent such Holder's correct taxpayer identification number and certify that such Holder is not subject to backup withholding. Backup withholding at the applicable rate will apply to payments made to a U.S. Holder if the U.S. Holder fails to timely provide its correct taxpayer identification number ("TIN") within a reasonable time after a request therefor (and certification that the TIN is correct) or certification of exempt status. A U.S. Holder who does not provide Amazon or its paying agent with the correct TIN may be subject to penalties imposed by the IRS.

Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules will be allowed as a credit against a U.S. Holder's U.S. federal income tax liability, and may entitle such U.S. Holder to a refund, provided the required information is timely furnished to the IRS.

Non-U.S. Holders

The Exchange Offer

Tender of Whole Foods Market Notes. As discussed above under “U.S. Holders—The Exchange offer—Tender of Whole Foods Market Notes,” the exchange of Whole Foods Market Notes for Amazon Notes and cash pursuant to the exchange offer and consent solicitation will constitute a taxable exchange for U.S. federal income tax purposes. However, subject to the discussion in the next paragraph and the discussion below under “—Payments of Interest” and “—Early Participation Premium,” a Non-U.S. Holder will generally not be subject to U.S. federal income tax on any gain realized on the Non-U.S. Holder’s exchange of Whole Foods Market Notes pursuant to the exchange offer and consent solicitation. Non-U.S. Holders should consult their tax advisors about the U.S. federal income tax consequences of the exchange offer and consent solicitation.

A Non-U.S. Holder generally will be subject to U.S. federal income tax on any gain realized on the exchange that is effectively connected with the conduct by the Non-U.S. Holder of a trade or business in the United States (and, if an applicable treaty so requires, is attributable to the conduct of a trade or business through a permanent establishment or fixed base in the United States) in the same manner as if such holder were a U.S. Holder. In addition, if the Non-U.S. Holder is a foreign corporation, such holder may also be subject to a branch profits tax at a rate of 30% (or lower treaty rate, if applicable) on its effectively connected earnings and profits for the taxable year, subject to certain adjustments.

Payments of Interest. Any amount received pursuant to the exchange offer and consent solicitation with respect to a Whole Foods Market Note that is attributable to accrued but unpaid interest will generally not be subject to U.S. federal income or withholding tax provided that (i) such Non-U.S. Holder does not actually or constructively (pursuant to the rules of Section 871(h)(3)(C) of the Code) own 10% or more of the total combined voting power of all classes of Whole Foods Market’s stock entitled to vote (including as a result of the ownership of Amazon stock), (ii) such Non-U.S. Holder is not a controlled foreign corporation that is related to Whole Foods Market (actually or constructively) through stock ownership for U.S. federal income tax purposes, (iii) the interest is not income that is effectively connected with a United States trade or business carried on by such Non-U.S. Holder (or, if an applicable treaty so requires, is not attributable to the conduct of a trade or business through a permanent establishment or fixed base in the United States) (“ECI”), and (iv) the applicable withholding agent has received appropriate documentation from the Non-U.S. Holder (e.g., IRS Form W-8BEN or W-8BEN-E (or a suitable substitute form)) establishing that the Non-U.S. Holder is not a U.S. person for U.S. federal income tax purposes and certain other certification requirements are satisfied.

If any of these conditions is not satisfied, subject to the following sentence, amounts received pursuant to the exchange offer and consent solicitation that are attributable to accrued but unpaid interest received on the Whole Foods Market Notes will generally be subject to U.S. federal withholding tax at a rate of 30% (or lower treaty rate, if applicable). A Non-U.S. Holder is subject to U.S. federal income tax on accrued but unpaid interest that is ECI in the same manner as if such holder were a U.S. Holder, but will not be subject to U.S. federal withholding tax on any such accrued but unpaid interest if the holder satisfies certain certification requirements under penalties of perjury (generally through the provision of a properly executed IRS Form W-8ECI or other applicable form). In addition, if the Non-U.S. Holder is a foreign corporation, such holder may also be subject to a branch profits tax at a rate of 30% (or lower treaty rate, if applicable) on its effectively connected earnings and profits for the taxable year, subject to certain adjustments.

Early Participation Premium. As discussed above under “U.S. Holders—The Exchange Offer—Early Participation Premium,” the U.S. federal income tax treatment of the Early Participation Premium is unclear. We intend to take the position that any Early Participation Premium is additional consideration for the tendered Whole Foods Market Notes, in which case the Early Participation Premium would be treated as part of the amount paid to the Non-U.S. Holder in respect of such Whole Foods Market Notes, as provided above under “—Tender of Whole Foods Market Notes.” Alternatively, the Early Participation Premium may be treated as interest or a separate fee and thus may be subject to U.S. federal withholding tax at a 30% rate (or lower

[Table of Contents](#)

applicable treaty rate). If, however, the interest or separate fee is ECI, the interest or separate fee will be subject to tax in the same manner as if such holder were a U.S. Holder and generally will be exempt from U.S. federal withholding tax if the Non-U.S. Holder satisfies certain certification requirements. There can be no assurance that the IRS will not successfully challenge the position that we intend to take. Non-U.S. Holders should consult their tax advisors about the U.S. federal income tax treatment of the receipt of the Early Participation Premium, the availability of a refund of any U.S. withholding tax, and the provisions of any applicable income tax treaties which may provide different rules from those described above.

Treatment of the Amazon Notes

Payments of Interest. Payments of interest (including OID) on Amazon Notes received pursuant to the exchange offer and consent solicitation will generally not be subject to U.S. federal income or withholding tax, subject to the conditions described above under “Non-U.S. Holders—The Exchange Offer—Payments of Interest” (substituting references to Amazon for references to Whole Foods Market for purposes of clauses (i) and (ii) in the first paragraph of such section) and below under “Non-U.S. Holders—Treatment of the Amazon Notes—Information Reporting and Backup Withholding for Non-U.S. Holders” and “Additional Withholding Requirements under the Foreign Account Tax Compliance Act.”

Sale, Exchange, Redemption, Retirement, or Other Taxable Disposition of Amazon Notes. Subject to the conditions described below under “Non-U.S. Holders—Treatment of the Amazon Notes—Information Reporting and Backup Withholding for Non-U.S. Holders” and “Additional Withholding Requirements under the Foreign Account Tax Compliance Act,” any gain realized by a Non-U.S. Holder on the sale, exchange, redemption, retirement, or other taxable disposition of an Amazon Note (except with respect to accrued and unpaid interest, which would be treated as described above) will generally not be subject to U.S. federal income tax. As discussed above under “Non-U.S. Holders—The Exchange Offer—Tender of Whole Foods Market Notes,” a Non-U.S. Holder generally will, however, be subject to U.S. federal income tax on any gain realized in a taxable disposition of an Amazon Note that is ECI.

Information Reporting and Backup Withholding

Information reporting and backup withholding will generally not apply to payments made to a Non-U.S. Holder that exchanges Whole Foods Market Notes for Amazon Notes and cash or to payments of principal or interest to a Non-U.S. Holder on the Amazon Notes by Amazon or its paying agent if a Non-U.S. Holder certifies its status as a Non-U.S. Holder under penalties of perjury or otherwise establishes an exemption (provided that neither we nor our paying agent has actual knowledge that it is a U.S. person or that the conditions of any other exemptions are not in fact satisfied). The payment of the proceeds of the exchange of Whole Foods Market Notes or the disposition of Amazon Notes to or through the United States office of a United States or foreign broker will be subject to information reporting and backup withholding unless the Non-U.S. Holder provides the certification described above or otherwise establishes an exemption. The proceeds of a disposition effected outside the United States by a Non-U.S. Holder of Amazon Notes to or through a foreign office of a broker generally will not be subject to backup withholding or information reporting. However, if that broker is, for U.S. tax purposes, a U.S. person, a controlled foreign corporation, a foreign person 50% or more of whose gross income from all sources for certain periods is effectively connected with a trade or business in the United States, or a foreign partnership that is engaged in the conduct of a trade or business in the United States or that has one or more partners that are U.S. persons who in the aggregate hold more than 50% of the income or capital interests in the partnership, information reporting requirements will apply unless that broker has documentary evidence in its files of such Non-U.S. Holder’s status as a Non-U.S. Holder and has no actual knowledge to the contrary, or unless such holder otherwise establishes an exemption.

Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules will be allowed as a credit against a Non-U.S. Holder’s U.S. federal income tax liability, and may entitle such Non-U.S. Holder to a refund, provided the required information is timely furnished to the IRS. Amazon or its

[Table of Contents](#)

paying agent will report to the holders and the IRS the amount of any “reportable payments” (which include interest) and any amounts withheld with respect to the Amazon Notes as required by the Code and applicable Treasury Regulations.

Holders Not Tendering in the Exchange Offer

In General

The U.S. federal income tax treatment of holders who do not tender their Whole Foods Market Notes pursuant to the exchange offer and consent solicitation will depend upon whether the adoption of the proposed amendments results in a “deemed” exchange of such Whole Foods Market Notes for U.S. federal income tax purposes to such non-tendering holders. In general, the modification of a debt instrument will result in a deemed exchange of an “old” debt instrument for a “new” debt instrument (upon which gain or loss may be realized) if such modification is “significant” within the meaning of applicable Treasury Regulations. Under these Treasury Regulations, a modification is “significant” if, based on all the facts and circumstances and taking into account all modifications of the debt instrument collectively, the legal rights and obligations that are altered and the degree to which they are altered are “economically significant.” The Treasury Regulations further provide that a modification of a debt instrument that adds, deletes, or alters customary accounting or financial covenants is not a significant modification. The Treasury Regulations do not define “customary accounting or financial covenants.” We intend to treat the adoption of the proposed amendments as deletions of or alterations to customary accounting or financial covenants so as not to constitute a significant modification to the terms of the Whole Foods Market Notes with respect to non-tendering holders. If adoption of the proposed amendments does not constitute a significant modification of the Whole Foods Market Notes, then non-tendering holders should not realize gain or loss as a result of the adoption of the proposed amendments. There can be no assurance that the IRS will not successfully challenge the position that we intend to take.

U.S. Holders

If the IRS successfully asserts that the adoption of the proposed amendments resulted in a deemed exchange of the “old” Whole Foods Market Notes for “new” Whole Foods Market Notes to non-tendering U.S. Holders, whether such deemed exchange would be taxable to a non-tendering U.S. Holder would depend upon, among other things, whether such exchange qualifies as a tax-free recapitalization for U.S. federal income tax purposes. Such qualification will generally depend on whether the “old” and “new” Whole Foods Market Notes constitute “securities” for U.S. federal income tax purposes. If a deemed exchange does not qualify as a tax-free recapitalization, non-tendering U.S. Holders would generally recognize taxable gain or loss (which loss may be subject to deferral under the “wash sale” provisions of the Code) on the deemed exchange. U.S. Holders should consult their tax advisors as to the possibility that any such deemed exchange could qualify as a recapitalization for U.S. federal income tax purposes and the amount and character of any gain or loss that would be recognized in the case of a taxable deemed exchange, as well as the possibility of the “new” Whole Foods Market Notes being issued with OID.

Non-U.S. Holders

If the adoption of the proposed amendments results in a deemed exchange, Non-U.S. Holders generally would not be subject to U.S. federal income tax on such deemed exchange except in the circumstances described above under “Non-U.S. Holders—The Exchange Offer—Tender of Whole Foods Market Notes” and “—Payments of Interest.”

Additional Withholding Requirements under the Foreign Account Tax Compliance Act

Foreign Account Tax Compliance Withholding. Sections 1471 through 1474 of the Code, the Treasury Regulations promulgated thereunder, and other applicable administrative guidance (collectively “FATCA”) could

[Table of Contents](#)

impose a withholding tax of 30% (“FATCA Withholding”) on the portion of the payment made in exchange for the Whole Foods Market Notes attributable to accrued and unpaid interest on the Whole Foods Market Notes, if any, on interest on the Amazon Notes, and upon the sale, exchange, redemption, retirement, or other taxable disposition of the Amazon Notes on or after December 31, 2018, in each case paid to a (i) a “foreign financial institution,” as defined under such rules, unless such institution enters into an agreement with the Department of Treasury to, among other things, collect and provide to it substantial information regarding such institution’s United States financial account holders, including certain account holders that are foreign entities with United States owners or, in the case of a foreign financial institution in a jurisdiction that has entered into an intergovernmental agreement with the United States, such institution complies with the requirements of such agreement and (ii) a “non-financial foreign entity,” as defined under such rules, unless such entity provides the paying agent with a certification that it does not have any substantial United States owners or a certification identifying the direct and indirect substantial United States owners of the entity, unless in each case, an exemption applies. Prospective investors are urged to consult their own tax advisors regarding the application of the legislation and regulations to the exchange and consent solicitation.

PART II.

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law (the “DGCL”) provides that a corporation may indemnify its directors and officers, as well as other employees and individuals, against expenses (including attorneys’ fees), judgments, fines, and amounts paid in settlement in connection with specified actions, suits, or proceedings, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the corporation—a “derivative action”), if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys’ fees) incurred in connection with the defense or settlement of such actions, and the statute requires court approval before there can be any indemnification in which the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation’s bylaws, disinterested director vote, stockholder vote, agreement, or otherwise.

Section 10 of the registrant’s Amended and Restated Bylaws requires indemnification to the full extent permitted under Delaware law as it now exists or may hereafter be amended. Subject to any restrictions imposed by Delaware law, the Bylaws provide an unconditional right to indemnification for all expense, liability, and loss (including attorneys’ fees, judgments, fines, ERISA excise taxes or penalties, and amounts paid in settlement) actually and reasonably incurred or suffered by any person in connection with any actual or threatened action, suit, or proceeding, whether civil, criminal, administrative, or investigative by reason of the fact that such person is or was serving as a director or officer of the registrant or that, being or having been a director or officer of the registrant, such person is or was serving at the request of the registrant as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, including service with respect to an employee benefit plan.

The Bylaws also provide that the registrant may, by action of its Board of Directors, provide indemnification to its employees and agents with the same scope and effect as the foregoing indemnification of directors and officers.

Section 102(b)(7) of the DGCL permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability for (i) any breach of the director’s duty of loyalty to the corporation or its stockholders, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) payments of unlawful dividends or unlawful stock repurchases or redemptions, or (iv) any transaction from which the director derived an improper personal benefit.

Article 10 of the registrant’s Restated Certificate of Incorporation provides that to the full extent that the DGCL, as it now exists or may hereafter be amended, permits the limitation or elimination of the liability of directors, a director of the registrant shall not be liable to the registrant or its stockholders for monetary damages for breach of fiduciary duty as a director. Any amendment to or repeal of such Article 10 shall not adversely affect any right or protection of a director of the registrant for or with respect to any acts or omissions of such director occurring prior to such amendment or repeal.

The registrant has entered into certain indemnification agreements with its directors. The indemnification agreements provide the registrant’s directors with further indemnification, to the maximum extent permitted by the DGCL.

The foregoing summaries are necessarily subject to the complete text of the statute, the registrant’s Restated Certificate of Incorporation and Amended and Restated Bylaws, and the arrangements referred to above, and are qualified in their entirety by reference thereto.

Item 22. Undertakings

- (a) The undersigned registrant hereby undertakes:
1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;
 - Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement; and
 - to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
 2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
 4. That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
 5. That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

Table of Contents

- the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other Items of the applicable form.
- (d) The registrant undertakes that every prospectus (i) that is filed pursuant to the paragraph immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (e) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
- (f) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.
- (g) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

SIGNATURES

Pursuant to the requirements of the Securities Act, the registrant has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Seattle, State of Washington, on this 20th day of November, 2017.

RECITALS

WHEREAS, the Company has heretofore executed and delivered to the Trustee an Amended and Restated Indenture, dated as of September 8, 2016 (the “Base Indenture”), as further amended and supplemented by the First Supplemental Indenture, dated as of December 3, 2015 (the “First Supplemental Indenture”) and, together with the Base Indenture as so supplemented, the “Indenture”), under which the Company has issued the 5.200% Senior Notes due 2025 (the “Notes”);

WHEREAS, Amazon.com, Inc. (“Amazon”), a Delaware corporation, has offered to exchange (the “Exchange Offer”) any and all of the Company’s outstanding Notes for Amazon’s 5.200% Notes due 2025, upon the terms and subject to the conditions set forth in the prospectus, dated as of [●], 2017 (the “Prospectus”), forming a part of Amazon’s Registration Statement on Form S-4, filed with the Securities and Exchange Commission on November 20, 2017, and which was declared effective on [●], 2017;

WHEREAS, each Guarantee (as defined in the First Supplemental Indenture) on the Notes ceased to be in effect on August 28, 2017 pursuant to Section 7.03(c) of the First Supplemental Indenture;

WHEREAS, in connection with the Exchange Offer, Amazon has also solicited consents from the holders of the Notes to certain proposed amendments (the “Proposed Amendments”) to the Base Indenture and the First Supplemental Indenture as described in the Prospectus and set forth in Articles II and III of this Second Supplemental Indenture, with the operation of such Proposed Amendments being subject to the satisfaction or waiver, where permissible, by Amazon of the conditions to the Exchange Offer and the acceptance by Amazon for exchange of the Notes validly tendered and not withdrawn pursuant to the Exchange Offer;

WHEREAS, Section 9.02 of the Base Indenture provides, among other things, that the Company and the Trustee may, subject to certain exceptions noted therein, amend the Indenture or the Notes with the written consent of the Holders (as defined in the Base Indenture) of at least a majority in principal amount of the then outstanding Notes;

WHEREAS, the Company is undertaking to execute and deliver this Second Supplemental Indenture to delete or amend, as applicable, certain provisions and covenants in the Indenture with respect to the Notes in connection with the Exchange Offer and the related consent solicitation;

WHEREAS, the Company has requested that the Trustee execute and deliver this Second Supplemental Indenture; and

WHEREAS, the execution and delivery of this Second Supplemental Indenture has been duly authorized by the parties hereto, and all other acts and requirements necessary to make this Second Supplemental Indenture a valid and binding supplement to the Indenture effectively amending the Indenture as set forth herein (including satisfaction of the Requisite Consent Condition) have been duly taken.

NOW, THEREFORE, for and in consideration of the premises contained herein, each party agrees for the benefit of each other party and for the equal and ratable benefit of the holders, as follows:

(a) The Base Indenture shall hereby be amended by deleting the following Sections or Clauses of the Base Indenture and all references and definitions related thereto in their entirety, except to the extent otherwise provided below, and these Sections and Clauses shall be of no further force and effect, and shall no longer apply to the Notes, and the words “[INTENTIONALLY DELETED]” shall be inserted, in each case, in place of the deleted text:

Section 4.02 (*Limitations on Liens*)

Section 4.03 (*Limitations on Sale and Leaseback Transactions*)

Section 4.04 (*Change of Control Repurchase Event*)

Section 4.07 (*Existence*)

“The Company shall deliver to the Trustee, within 120 days after the end of the fiscal year of the Company (which as of the date of this Indenture is [●], or if the fiscal year with respect to the Company is changed so that it ends on a date other than December 31, such other fiscal year end date as the Company shall notify to the Trustee in writing), an Officers’ Certificate (which need not contain the statements provided for in Section 10.04), signed by the principal executive, principal financial or principal accounting officer, stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Company has kept, observed, performed, and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to his or her knowledge the Company is not in default in the performance or observance of any of the terms, provisions, and conditions hereof (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge). (e) For the avoidance of doubt, clauses (f) and (g) of Section 6.01 (*Event of Default – Cross-Default, Cross Acceleration*) of the Base Indenture shall no longer apply to the Notes and the occurrence of the events described in Sections 6.01(f) and (g) of the Base Indenture shall no longer constitute an Event of Default with respect to the Notes.

FORM OF OFFICERS' CERTIFICATE ESTABLISHING THE TERMS OF NOTES

[●], 2017

We, [●] and [●], the [●] and the [●], respectively, of Amazon.com, Inc., a corporation organized under the laws of the State of Delaware (the "**Company**"), do hereby certify in the name of and on behalf of the Company as follows:

1. The Dealer Manager Agreement, dated November 20, 2017 (the "**Dealer Manager Agreement**"), between the Company and Merrill Lynch, Pierce, Fenner & Smith Incorporated (the "**Dealer Manager**"), in the form executed by Kurt H. Zumwalt and the transactions contemplated thereby are hereby approved and ratified in all respects.

2. The Prospectus of the Company dated [●], 2017, and the offering of securities contemplated thereby, is hereby approved and ratified in all respects.

3. Pursuant to the Trust Indenture Act of 1939, as amended, Section 2.1 of the Indenture, dated as of November 29, 2012 (the "**Indenture**"), between the Company and Wells Fargo Bank, National Association, as indenture trustee (the "**Trustee**") and this Officers' Certificate establishing the terms of each series of Notes (as defined below) pursuant to Section 2.2 of the Indenture (the "**Officers' Certificate**"), the undersigned have read the provisions of the Indenture relating to the establishment of the series of securities to be authenticated and delivered thereunder, including Sections 2.1, 2.2, 2.3, 10.3, and 10.4 and the definitions related thereto, as well as such other documents as they have deemed necessary or appropriate to certify as to the matters set forth herein. Capitalized terms used but not defined in this Officers' Certificate are used as defined in the Indenture.

4. The review of such provisions was undertaken in order to permit the undersigned to certify whether all conditions precedent (including any covenants, compliance with which constitute conditions precedent) provided for in the Indenture, for the establishment of the Notes as one separate series of securities, the form and terms of which are set forth below, and the authentication and delivery thereof have been complied with.

5. Accordingly, in the opinion of the undersigned, all conditions precedent under the Indenture to the execution and authentication of the Securities and the delivery of the Securities have been complied with.

6. There is hereby established the following series of securities of the Company for issuance under the Indenture as follows:

- (a) The title of such series of Securities shall be the "5.200% Notes due 2025" (the "**Notes**").

-
- (b) The aggregate principal amount of the Notes that may be authenticated and delivered under the Indenture shall be \$[●] (except for Notes authenticated and delivered upon registration of, transfer of, or in exchange for, or in lieu of, other Notes pursuant to Sections 2.7, 2.8, 2.11, 3.6, and 9.6 of the Indenture).
- (c) The principal amount of the outstanding Notes shall be payable on December 3, 2025 (the “**Stated Maturity**”).
- (d) Interest on the Notes issued on the date hereof shall accrue from December 3, 2017.

The Notes shall bear interest at the rate of 5.200% per annum.

Interest on the Notes shall be payable semi-annually in arrears each June 3 and December 3 (each, an “**Interest Payment Date**”), beginning on June 3, 2018, to the Holders of record as of the close of business on each May 19 and November 19, as the case may be, next preceding the relevant Interest Payment Date, except that the Company will pay interest at the Stated Maturity to the person or persons to whom principal is payable.

Interest on the Notes will be paid on the basis of a 360-day year comprised of twelve 30-day months.

If any day on which interest is payable on the Notes is not a Business Day, the payment of the interest payable on that date will be made on the next date that is a Business Day, without any interest or other payment in respect of the delay, with the same force and effect as if made on the scheduled payment date.

The place or places where the principal of and interest on the Notes shall be payable, where they may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company may be served in respect of the Notes and the Indenture shall be the Corporate Trust Office of the Trustee, or at any other place as the Company may designate.

- (e) The Notes shall be redeemable, in whole or in part, at any time and from time to time, at the option of the Company, at a redemption price equal to the greater of (1) 100% of the principal amount of such Notes to be redeemed and (2) the sum of the present values of the Remaining Scheduled Payments, plus, in each case, accrued and unpaid interest thereon to, but not including, the date of redemption (the “**Redemption Date**”); provided that if the Company redeems any Notes on or after September 3, 2025 (three months prior to the Stated Maturity), the redemption price for those Notes will equal 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest thereon to, but not including, the Redemption Date.

In determining the present values of the Remaining Scheduled Payments, the Company will discount such payments to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Treasury Rate plus 45 basis points.

“**Comparable Treasury Issue**” means the U.S. Treasury security selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes.

“**Comparable Treasury Price**” means, with respect to any Redemption Date, (1) the arithmetic average of the Reference Treasury Dealer Quotations for such Redemption Date after excluding the highest and lowest Reference Treasury Dealer Quotations, or (2) if the Company obtains fewer than four Reference Treasury Dealer Quotations, the arithmetic average of all Reference Treasury Dealer Quotations for such Redemption Date.

“**Independent Investment Banker**” means each of Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC, and Morgan Stanley & Co. LLC or their respective successors as may be appointed from time to time by the Company; provided, however, that if any of the foregoing ceases to be a Primary Treasury Dealer, the Company will substitute another Primary Treasury Dealer.

“**Primary Treasury Dealer**” means a primary U.S. Government securities dealer in New York City.

“**Reference Treasury Dealer**” means Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC, or Morgan Stanley & Co. LLC, and two other Primary Treasury Dealers selected by the Company, and each of their respective successors and any other Primary Treasury Dealers selected by the Company.

“**Reference Treasury Dealer Quotations**” means, with respect to each Reference Treasury Dealer and any Redemption Date, the arithmetic average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer as of 3:30 p.m., New York City time, on the third Business Day preceding such Redemption Date.

“Remaining Scheduled Payments” means, with respect to any Note to be redeemed, the remaining scheduled payments of the principal of and premium, if any, and interest on such Note that would be due after the related Redemption Date but for such redemption; provided, however, that, if such Redemption Date is not an Interest Payment Date with respect to such Note, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to such Redemption Date.

“Treasury Rate” means, with respect to any Redemption Date, the rate per annum equal to the semiannual equivalent yield to maturity (computed as of the third Business Day immediately preceding that Redemption Date) of the Comparable Treasury Issue. In determining this rate, the Company will assume a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

- (f) The Notes shall be issuable in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof.
- (g) The Notes shall be issued in the form of one or more Global Securities.
- (h) The Depositary shall be DTC.
- (i) The amount of payments of principal or interest shall not be determined with reference to an index, formula, or other similar method.
- (j) The provisions of Section 8.1 of the Indenture shall apply to the Notes, provided that, for purposes of Section 8.1(b)(iv) of the Indenture, the term “Holders” shall refer to the beneficial owners of the Notes.
- (k) The Notes shall be Unrestricted Securities and shall be registered with the Securities and Exchange Commission pursuant to a registration statement on Form S-4 under the Securities Act of 1933, as amended.
- (l) The principal of and interest on the Notes shall be payable only in Dollars.
- (m) The Notes shall not be convertible into common stock of the Company.
- (n) The terms of the Notes shall include such other terms as set forth in the form of Note attached hereto as Exhibit A.

IN WITNESS WHEREOF, the undersigned have executed this Certificate as of the date first written above.

(REVERSE OF NOTE)

AMAZON.COM, INC.
5.200% Notes due 2025

1. Interest.

Amazon.com, Inc. (the “**Issuer**”) promises to pay interest on the principal amount of this Note at the rate per annum described above. Cash interest on the Notes will accrue from the most recent date to which interest has been paid; or, if no interest has been paid, from December 3, 2017. Interest on this Note will be paid to but excluding the relevant Interest Payment Date or on such earlier date as the principal amount shall become due in accordance with the provisions hereof. The Issuer will pay interest semiannually in arrears on each Interest Payment Date, beginning on June 3, 2018. If any Interest Payment Date, Stated Maturity or other payment date with respect to the Notes is not a Business Day, the required payment of principal, premium, if any, or interest will be due on the next succeeding Business Day as if made on the date that such payment was due, and no interest will accrue on that payment for the period from and after that Interest Payment Date, Stated Maturity or other payment date, as the case may be, to the date of that payment on the next succeeding Business Day. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The Issuer shall pay interest on overdue principal from time to time on demand at the rate borne by the Notes and at the same rate on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful from the dates such amounts are due until such amounts are paid or made available for payment.

2. Paying Agent.

Initially, Wells Fargo Bank, National Association (the “**Trustee**”) will act as Paying Agent. The Issuer may change any Paying Agent without notice to the Holders.

3. Indenture; Defined Terms.

This Note is one of the 5.200% Notes due 2025 (the “**Notes**”) issued under the Indenture dated as of November 29, 2012 by and between the Issuer and the Trustee, as trustee (the “**Indenture**”) and the Officers’ Certificate dated as of [●], 2017 establishing the terms of the Notes pursuant to Section 2.2 of the Indenture (the “**Officers’ Certificate**”). This Note is a “**Security**” and the Notes are “**Securities**” under the Indenture.

For purposes of this Note, unless otherwise defined herein, capitalized terms herein are used as defined in the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S.C. §§ 77aaa-77bbbb) (the “**TIA**”), as in effect on the date on which the Indenture was qualified under the TIA. Notwithstanding anything to the contrary herein, the Notes are subject to all such terms, and Holders of Notes are referred to the Indenture and the TIA for a statement of them. To the extent the terms of the Indenture and this Note are inconsistent, the terms of the Indenture shall govern.

4. Denominations; Transfer; Exchange.

The Notes are in registered form, without coupons, in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. Where the Notes are presented to the Registrar or a co-registrar with a request to register a transfer or to exchange them for an equal principal amount of Notes, the Registrar shall register the transfer or make the exchange if the requirements for such transactions set forth in the Indenture are met. The Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith as permitted by the Indenture. Neither the Issuer nor the Registrar shall be required (a) to issue, register the transfer of, or exchange the Notes for the period beginning at the opening of business fifteen days immediately preceding the delivery of a notice of redemption of the Notes selected for redemption and ending at the close of business on the day of such delivery, or (b) to register the transfer of or exchange the Notes selected, called, or being called for redemption as a whole or the portion being redeemed of any such Notes selected, called, or being called for redemption in part.

5. Amendment; Modification; Waiver.

The Indenture and the Notes may be amended or supplemented, and waivers may be obtained in accordance with the terms of the Indenture.

The Holders of a majority in principal amount of the Notes may waive any existing or past Default or Event of Default with respect to the Notes. Those Holders may not, however, waive any Default or Event of Default in any payment on the Notes.

Any amendment, supplement, or waiver to the Notes made with the consent of Holders of the Notes, shall be made with respect to the Notes only, and not any other series of Securities.

6. Optional Redemption.

The Notes shall be redeemable, in whole or in part, at any time and from time to time, at the option of the Issuer, at a redemption price equal to the greater of (1) 100% of the principal amount of such Notes to be redeemed and (2) the sum of the present values of the Remaining Scheduled Payments, plus, in each case, accrued and unpaid interest thereon to, but not including, the date of redemption (the “**Redemption Date**”); provided that if the Issuer redeems any Notes on or after September 3, 2025 (three months prior to the stated maturity date of the Notes), the redemption price for those Notes will equal 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest thereon to, but not including, the Redemption Date.

In determining the present values of the Remaining Scheduled Payments, the Issuer will discount such payments to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Treasury Rate plus 45 basis points.

“Comparable Treasury Issue” means the U.S. Treasury security selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to any Redemption Date, (1) the arithmetic average of the Reference Treasury Dealer Quotations for such Redemption Date after excluding the highest and lowest Reference Treasury Dealer Quotations, or (2) if the Issuer obtains fewer than four Reference Treasury Dealer Quotations, the arithmetic average of all Reference Treasury Dealer Quotations for such Redemption Date.

“Independent Investment Banker” means each of Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC, and Morgan Stanley & Co. LLC or their respective successors as may be appointed from time to time by the Issuer; provided, however, that if any of the foregoing ceases to be a Primary Treasury Dealer, the Issuer will substitute another Primary Treasury Dealer.

“Primary Treasury Dealer” means a primary U.S. Government securities dealer in New York City.

“Reference Treasury Dealer” means Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC, or Morgan Stanley & Co. LLC, and two other Primary Treasury Dealers selected by the Issuer, and each of their respective successors and any other Primary Treasury Dealers selected by the Issuer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Redemption Date, the arithmetic average, as determined by the Issuer, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Issuer by such Reference Treasury Dealer as of 3:30 p.m., New York City time, on the third Business Day preceding such Redemption Date.

“Remaining Scheduled Payments” means, with respect to any Note to be redeemed, the remaining scheduled payments of the principal of and premium, if any, and interest on such Note that would be due after the related Redemption Date but for such redemption; provided, however, that, if such Redemption Date is not an Interest Payment Date with respect to such Note, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to such Redemption Date.

“Treasury Rate” means, with respect to any Redemption Date, the rate per annum equal to the semiannual equivalent yield to maturity (computed as of the third Business Day immediately preceding that Redemption Date) of the Comparable Treasury Issue. In determining this rate, the Issuer will assume a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

7. Defaults and Remedies.

If an Event of Default occurs and is continuing (other than an Event of Default referred to in Section 6.1(e) or (f) of the Indenture), the Trustee or the Holders of at least 25% in principal amount of the Notes may require the Issuer to pay immediately the principal amount plus accrued and unpaid interest on such Securities. If an Event of Default referred to in Section 6.1(e) or (f) of the Indenture occurs, the principal amount plus accrued and unpaid interest on such Series of Securities will become immediately due and payable without any action on the part of the Trustee or any Holder.

The Indenture permits, subject to certain limitations therein provided, Holders of a majority in principal amount of the outstanding Notes to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Notes.

8. Authentication.

This Note shall not be valid until the Trustee manually signs the certificate of authentication on this Note.

9. Abbreviations and Defined Terms.

Customary abbreviations may be used in the name of a Holder of a Note or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

10. CUSIP Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes as a convenience to the Holders of the Notes. No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers printed hereon.

11. Governing Law.

The laws of the State of New York shall govern the Indenture and this Note without regard to conflicts of laws principles thereof.

The undersigned hereby acknowledges receipt of the preliminary prospectus dated November 20, 2017 (the "Prospectus") of Amazon.com, Inc., as issuer ("Amazon"), and this Letter of Transmittal and Consent (this "Letter of Transmittal"), which together describe (a) the offer of Amazon (the "exchange offer") to exchange each validly tendered and accepted note (each, a "Whole Foods Market Note" and collectively, the "Whole Foods Market Notes") listed on the cover page of this Letter of Transmittal issued by Whole Foods Market, Inc. ("Whole Foods Market"), for a new note (each, an "Amazon Note" and collectively, the "Amazon Notes") to be issued by Amazon and (b) the solicitation of consent (the "consent solicitation") to amend the Whole Foods Market Indenture and the Whole Foods Market Notes, in the case of each of (a) and (b) above, upon the terms and subject to the conditions described in the Prospectus and this Letter of Transmittal. Capitalized terms used herein without definition have the meanings ascribed to them in the Prospectus.

Upon the terms and subject to the conditions set forth in the Prospectus and this Letter of Transmittal, in exchange for each \$1,000 principal amount of Whole Foods Market Notes that you validly tender before 5:00 p.m., New York City time, on Tuesday, December 5, 2017 (the "Early Participation Date") and do not validly withdraw and that is accepted for exchange by Amazon, you will receive the total exchange consideration (the "Total Consideration"), which consists of \$1,000 principal amount of Amazon Notes and a cash amount of \$1.00, and includes the early participation premium of \$30 principal of Amazon Notes (the "Early Participation Premium"), which consists of \$30 principal amount of Amazon Notes. Upon the terms and subject to the conditions set forth in the Prospectus and this Letter of Transmittal, in exchange for each \$1,000 principal amount of Whole Foods Market Notes that is validly tendered after the Early Participation Date but before the Expiration Date and not validly withdrawn and is accepted for exchange by Amazon, you will receive only the exchange consideration (the "Exchange Consideration"), which equals the Total Consideration less the Early Participation Premium of \$30 principal amount of Amazon Notes, and therefore consists of \$970 principal amount of Amazon Notes and a cash amount of \$1.00.

The Amazon Notes will be issued only in denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000. If, under the terms of the exchange offer, any tendering holder is entitled to receive an Amazon Note in a principal amount that is not \$2,000 or whole multiple of \$1,000 in excess of \$2,000, the principal amount of such Amazon Note will be rounded down to \$2,000 or the nearest whole multiple of \$1,000 in excess of \$2,000, and Amazon will pay cash equal to the remaining portion of the exchange price of the Whole Foods Market Note tendered in exchange therefor (plus accrued and unpaid interest on the principal representing such portion of such principal amount of such Whole Foods Market Note that was rounded down from the last interest payment date on such tendered Whole Foods Market Note to, but not including, the settlement date).

The consummation of the exchange offer is subject to, and conditional upon, the satisfaction or, where permitted, waiver of the conditions discussed in the Prospectus under "The Exchange Offer and Consent Solicitation—Conditions to the Exchange Offer and Consent Solicitation" (the "Requisite Consent Conditions"), including, among other things, the receipt of valid consent to the proposed amendments from the holders of at least a majority of the outstanding aggregate principal amount of the Whole Foods Market Notes (the "Requisite Consent"). We may, at our option and in our sole discretion, waive any such conditions, except the condition that the registration statement relating to the Amazon Notes has been declared effective by the U.S. Securities and Exchange Commission (the "SEC"). All conditions to the exchange offer must be satisfied or, where permitted, waived, at or by the Expiration Date. The proposed amendments may become effective if the Requisite Consent is received and the Requisite Consent Conditions have been satisfied or, where permitted, waived.

This Letter of Transmittal is only to be used to accept the exchange offer if the Whole Foods Market Notes are not to be tendered by effecting a book-entry transfer into the exchange agent's account at The Depository Trust Company ("DTC") and instructions are not being transmitted through DTC's Automated Tender Offer Program ("ATOP"). All Whole Foods Market notes are currently held in book-entry form. Therefore, this Letter of Transmittal may only be used to the extent certificated Whole Foods Market Notes are issued prior to the Expiration Date. To the extent any Whole Foods Market Notes are so issued and you hold such certificated Whole Foods Market Notes, you should complete, execute and deliver this Letter of Transmittal, any signature guarantees and any other required documents to indicate the action you desire to take with respect to the exchange offer.

Holders of Whole Foods Market Notes tendering Whole Foods Market Notes by book-entry transfer to the exchange agent's account at DTC must execute the tender through ATOP, and in that case should not complete, execute, and deliver this Letter of Transmittal. DTC participants accepting the exchange offer must transmit their acceptance to DTC, which will verify the acceptance and execute a book-entry delivery to the exchange agent's account at DTC. DTC will then send an "agent's message" (as described in the Prospectus) to the exchange agent for its acceptance. Delivery of the agent's message by DTC will satisfy the terms of the exchange offer as to execution and delivery of a letter of transmittal by the DTC participant identified in the agent's message. Delivery of Whole Foods Market Notes under a notice of guaranteed delivery is not permitted and any Whole Foods Market Notes so delivered shall not be considered validly tendered.

Holders tendering Whole Foods Market Notes will thereby consent to the proposed amendments to the Whole Foods Market Indenture and the Whole Foods Market Notes, as described in the Prospectus. The completion, execution, and delivery of this Letter of Transmittal (or the delivery by DTC of an agent's message in lieu thereof) constitutes the delivery of a consent with respect to the Whole Foods Market Notes tendered.

Subject to the terms and conditions of the exchange offer and the consent solicitation and applicable law, Amazon will deposit with the exchange agent (in each case, as more fully described in the Prospectus):

- Amazon Notes (in book-entry form); and
- the cash consideration.

Assuming the conditions to the exchange offer are satisfied or, where permitted, waived, Amazon will issue new Amazon Notes in book-entry form and pay the cash consideration promptly following the Expiration Date of the exchange offer (in exchange for Whole Foods Market Notes that are properly tendered (and not validly withdrawn) and accepted for exchange by Amazon).

The exchange agent will act as agent for the tendering holders for the purpose of receiving any cash payments from Amazon. DTC will receive the Amazon Notes from Amazon and deliver Amazon Notes (in book-entry form) to or at the direction of those holders. DTC will make each of these deliveries on the same day it receives Amazon Notes with respect to Whole Foods Market Notes accepted for exchange, or as soon thereafter as practicable.

The term "holder" with respect to the exchange offer and the consent solicitation means any person in whose name Whole Foods Market Notes are registered on the books of Whole Foods Market or any other person who has obtained a properly completed bond power from the registered holder. The undersigned has completed, executed, and delivered this Letter of Transmittal to indicate the action the undersigned desires to take with respect to the exchange offer and the consent solicitation. Holders who are eligible and wish to tender their Whole Foods Market Notes using this Letter of Transmittal must complete it in its entirety.

PLEASE READ THE ENTIRE LETTER OF TRANSMITTAL (INCLUDING THE INSTRUCTIONS HERETO) AND THE PROSPECTUS CAREFULLY BEFORE COMPLETING THIS LETTER OF TRANSMITTAL.

THE INSTRUCTIONS INCLUDED WITH THIS LETTER OF TRANSMITTAL MUST BE FOLLOWED. QUESTIONS AND REQUESTS FOR ASSISTANCE OR ADDITIONAL COPIES OF THE PROSPECTUS AND THIS LETTER OF TRANSMITTAL MAY BE DIRECTED TO THE INFORMATION AGENT.

To effect a valid tender of Whole Foods Market Notes through the completion, execution, and delivery of this Letter of Transmittal, the undersigned must complete the table entitled "Description of Whole Foods Market Notes Tendered and in Respect of Which Consent Is Delivered" below and sign this Letter of Transmittal where indicated.

The Amazon Notes will be delivered only in book-entry form through DTC and only to the DTC account of the undersigned or the undersigned's custodian as specified in the table below, and the payment of the cash consideration will be made by credit to the DTC account of the undersigned (unless specified otherwise in the "Special Payment Instructions" below) in immediately available funds. Failure to provide the information necessary to effect delivery of Amazon Notes will render a tender defective and Amazon will have the right, which it may waive, to reject such tender.

The Whole Foods Market Notes to which this Letter of Transmittal relates should be listed below. If the space below is inadequate, list the registered numbers and principal amounts on a separate signed schedule and affix the list to this Letter of Transmittal.

Ladies and Gentlemen:

The undersigned hereby (a) tenders to Amazon, upon the terms and subject to the conditions set forth in the Prospectus and in this Letter of Transmittal (collectively, the “Terms and Conditions”), receipt of which is hereby acknowledged, the principal amount or amounts of Whole Foods Market Notes indicated in the table above entitled “Description of Whole Foods Market Notes Tendered and in Respect of Which Consent Is Delivered” (or, if nothing is indicated therein, with respect to the entire aggregate principal amount represented by the Whole Foods Market Notes indicated in such table) and (b) consent, with respect to such principal amount or amounts, to the proposed amendments described in the Prospectus to the Whole Foods Market Indenture and the Whole Foods Market Notes and to the execution of a supplemental indenture (the “Supplemental Indenture”) effecting such proposed amendments.

The undersigned understands that the tender and consent made hereby will remain in full force and effect unless and until such tender and consent are withdrawn and revoked in accordance with the procedures set forth in the Prospectus. The undersigned understands that the consent may not be revoked and tendered Whole Foods Market Notes may not be withdrawn after the Expiration Date, 11:59 p.m., New York City time, on Tuesday, December 19, 2017, unless extended.

If the undersigned is not the registered holder of the Whole Foods Market Notes indicated in the table above entitled “Description of Whole Foods Market Notes Tendered and in Respect of Which Consent Is Delivered” or such holder’s legal representative or attorney-in-fact, then the undersigned has obtained a properly completed irrevocable proxy that authorizes the undersigned (or the undersigned’s legal representative or attorney-in-fact) to deliver a consent in respect of such Whole Foods Market Notes on behalf of the holder thereof, and such proxy is being delivered with this Letter of Transmittal.

The consummation of the exchange offer is subject to, and conditional upon, the satisfaction or, where permitted, waiver of the Requisite Consent Conditions, including, among other things, the receipt of valid consent to the proposed amendments to the Whole Foods Market Indenture and the Whole Foods Market Notes of a majority in principal amount of Whole Foods Market Notes outstanding. We may, at our option and in our sole discretion, waive any such conditions, except the condition that the registration statement has been declared effective by the SEC. All conditions to the exchange offer must be satisfied or, where permitted, waived, at or by the Expiration Date.

The undersigned understands that, upon the terms and subject to the conditions of the exchange offer, Whole Foods Market Notes validly tendered and accepted for exchange will be exchanged for Amazon Notes. The undersigned understands that, under certain circumstances, Amazon may not be required to accept any of the Whole Foods Market Notes tendered (including any such Whole Foods Market Notes tendered after the Expiration Date). If any Whole Foods Market Notes are not accepted for exchange for any reason or if Whole Foods Market Notes are withdrawn, such unexchanged or withdrawn Whole Foods Market Notes will be returned without expense to the undersigned’s account at DTC or such other account as designated herein under the book-entry transfer procedures described in the Prospectus as promptly as practicable after the Expiration Date or termination of the applicable exchange offer.

Subject to and effective upon the acceptance for exchange and issuance of Amazon Notes and the payment of the cash consideration, in exchange for Whole Foods Market Notes tendered upon the terms and subject to the conditions of the exchange offer, the undersigned hereby:

- (1) irrevocably sells, assigns and transfers to or upon the order of Amazon all rights, title and interest in and to, and all claims in respect of or arising or having arisen as a result of the undersigned’s status as a holder of such Whole Foods Market Notes tendered thereby;

-
- (2) represents and warrants that such Whole Foods Market Notes tendered were owned as of the date of tender and, upon acceptance of such Whole Foods Market Notes for exchange, will be transferred, free and clear of all liens, charges, claims, encumbrances, interests and restrictions of any kind; and
 - (3) consents to the proposed amendments described in the Prospectus under “The Proposed Amendments” with respect to the Whole Foods Market Notes tendered.

The undersigned understands that tenders of Whole Foods Market Notes under any of the procedures described in the Prospectus and in the instructions in this Letter of Transmittal, if and when accepted by Amazon, will constitute a binding agreement between the undersigned and Amazon upon the Terms and Conditions, which agreement will be governed by, and construed in accordance with, the laws of the State of New York.

The undersigned hereby irrevocably constitutes and appoints the exchange agent as the true and lawful agent and attorney-in-fact of the undersigned with respect to the Whole Foods Market Notes tendered hereby (with full knowledge that the exchange agent also acts as the agent of Amazon) with full powers of substitution and revocation (such power of attorney being deemed to be an irrevocable power coupled with an interest) to:

- (1) present such Whole Foods Market Notes for transfer of ownership on the books of Amazon;
- (2) deliver to the trustee under the Amazon Indenture and U.S. Bank National Association (the “Whole Foods Market Trustee”) this Letter of Transmittal as evidence of the undersigned’s consent to the proposed amendments;
- (3) receive all benefits and otherwise exercise all rights of beneficial ownership of such Whole Foods Market Notes, all in accordance with the terms of the exchange offer, as described in the Prospectus; and
- (4) receive on behalf of the undersigned the Amazon Notes issuable, and cash payable, in respect of such Whole Foods Market Notes upon their acceptance for exchange.

The undersigned further acknowledges and agrees that under no circumstances will interest on the cash consideration or any accrued and unpaid interest on such portion, be paid by Amazon, by reason of any delay on the part of the exchange agent in making delivery or payment to the holders entitled thereto or any delay in the allocation or crediting of securities or monies received by DTC to participants in DTC or in the allocation or crediting of securities or monies received by participants to beneficial owners and in no event will Amazon be liable for interest or damages in relation to any delay or failure of payment to be remitted to any holder.

All authority conferred or agreed to be conferred by this Letter of Transmittal shall not be affected by, and shall survive, the death or incapacity of the undersigned, and any obligation of the undersigned hereunder shall be binding upon the heirs, executors, administrators, trustees in bankruptcy, personal and legal representatives, successors, and assigns of the undersigned.

By execution hereof, the undersigned hereby represents that if it is located outside the United States, the exchange offer and consent solicitation and the undersigned’s acceptance of such exchange offer and consent solicitation do not contravene the applicable laws of where it is located and that its participation in the exchange offer and consent solicitation will not impose on Amazon any requirement to make any deliveries, filings, or registrations.

The undersigned hereby represents and warrants as follows:

- (1) The undersigned (i) has full power and authority to tender the Whole Foods Market Notes tendered hereby and to sell, assign, and transfer all right, title, and interest in and to such Whole Foods Market Notes and (ii) either has full power and authority to consent to the proposed amendments to the Whole Foods Market Indenture and the Whole Foods Market Notes or is delivering a duly executed consent (which is included in this Letter of Transmittal) from a person or entity having such power and authority.

-
- (2) The Whole Foods Market Notes being tendered hereby were owned as of the date of tender, free and clear of any liens, charges, claims, encumbrances, interests, and restrictions of any kind, and upon acceptance of such Whole Foods Market Notes by Amazon, Amazon will acquire good, indefeasible, and unencumbered title to such Whole Foods Market Notes, free and clear of all liens, charges, claims, encumbrances, interests, and restrictions of any kind, when the same are accepted by Amazon.
 - (3) The undersigned will, upon request, execute and deliver any additional documents deemed by the exchange agent or Amazon to be necessary or desirable to complete the sale, assignment, and transfer of the Whole Foods Market Notes tendered hereby, to perfect the undersigned's consent to the proposed amendments, or to complete the execution of the Supplemental Indenture with respect to the Whole Foods Market Notes.
 - (4) The undersigned acknowledges that none of Amazon, Whole Foods Market, the dealer manager, the exchange agent and information agent, the trustee of the Amazon Notes, the Whole Foods Market Trustees, or any other person has made any statement, representation, or warranty, express or implied, to it with respect to Amazon, Whole Foods Market, or the offer or sale of any Amazon Notes, other than the information included in the Prospectus (as supplemented to the Expiration Date).
 - (5) Each holder and transferee of an Amazon Note will be deemed to have represented and warranted that either (i) no portion of the assets used by it to acquire or hold the Amazon Notes constitutes assets of any Plan or (ii) the acquisition and holding of the Amazon Notes by such purchaser or transferee will not constitute or result in a non-exempt prohibited transaction under Section 406 of the Employee Retirement Income Security Act of 1974, as amended, or Section 4975 of the Internal Revenue Code of 1986, as amended, or a similar violation under any applicable other federal, state, local, non-U.S., or other laws or regulations that are similar to such provisions.
 - (6) The undersigned has received and reviewed the Prospectus.
 - (7) The terms and conditions of the exchange offer and consent solicitation shall be deemed to be incorporated in, and form a part of this Letter of Transmittal, which shall be read and construed accordingly.

The undersigned understands that consent may be revoked and tenders of Whole Foods Market Notes may be withdrawn only at any time before the Expiration Date of the exchange offer. A valid withdrawal of tendered Whole Foods Market Notes before the Expiration Date will constitute the concurrent valid revocation of such holder's related consent. A notice of withdrawal with respect to tendered Whole Foods Market Notes will be effective only if delivered to the exchange agent in accordance with the specific procedures set forth in the Prospectus.

If the terms of the exchange offer and consent solicitation are amended in a manner determined by us to constitute a material change adversely affecting any holder of the Whole Foods Market Notes, we will promptly disclose any such amendment in a manner reasonably calculated to inform holders of the Whole Foods Market Notes of such amendment, and will extend the relevant exchange offer and consent solicitation as well as extend the withdrawal deadline, or if the Expiration Date has passed, provide additional withdrawal rights, for a time period that we deem appropriate, depending upon the significance of the amendment and the manner of disclosure to the holders of the Whole Foods Market Notes, if the exchange offer and consent solicitation would otherwise expire during such time period.

Unless otherwise indicated under "Special Payment Instructions," the undersigned hereby requests that the exchange agent credit the DTC account specified in the table entitled "Description of Whole Foods Market Notes Tendered and in Respect of Which Consent Is Delivered" for the cash consideration in respect of any Whole Foods Market Notes accepted for exchange and for any book-entry transfers of Whole Foods Market Notes not accepted for exchange. If the "Special Payment Instructions" are completed, the undersigned hereby requests that the exchange agent credit the DTC account indicated therein for any cash exchange consideration in respect of

any Whole Foods Market Notes accepted for exchange and for any book-entry transfers of Whole Foods Market Notes not accepted for exchange in the name of the person or account indicated under “Special Payment Instructions.”

The undersigned recognizes that Amazon has no obligations under the “Special Payment Instructions” provisions of this Letter of Transmittal to effect the transfer of any Whole Foods Market Notes from the holder(s) thereof if Amazon does not accept for exchange any of the principal amount of the Whole Foods Market Notes tendered under this Letter of Transmittal.

**INSTRUCTIONS
FORMING PART OF THE TERMS AND CONDITIONS OF THE EXCHANGE OFFER AND CONSENT
SOLICITATION**

1. Delivery of Letter of Transmittal. This Letter of Transmittal is to be completed by holders if certificates are to be forwarded herewith.

Certificates for all physically tendered Whole Foods Market Notes or a confirmation of a book-entry transfer into the exchange agent's account at DTC of all Whole Foods Market Notes delivered electronically, as well as a properly completed and duly executed Letter of Transmittal (or a manually signed facsimile thereof) or properly transmitted agent's message, and any other documents required by this Letter of Transmittal, must be received by the exchange agent at its address set forth herein before the expiration date of the applicable exchange offer.

Any holder of book-entry notes shall, in lieu of the procedures set forth in the preceding paragraph, electronically transmit its acceptance of the applicable exchange offer by causing DTC to transfer Whole Foods Market Notes to the exchange agent in accordance with DTC's ATOP procedures for such transfer before the expiration date of such exchange offer. The exchange agent will make available its general participant account at DTC for the Whole Foods Market Notes for purposes of the exchange offer.

Delivery of a Letter of Transmittal to DTC will not constitute valid delivery to the exchange agent with respect to the certificated Whole Foods Notes. No Letter of Transmittal should be sent to Amazon, Whole Foods Market, DTC, or the dealer manager.

The method of delivery of this Letter of Transmittal and all other required documents, including delivery through DTC and any acceptance or agent's message delivered through ATOP, is at the option and risk of the tendering holder. If delivery is by mail, registered mail with return receipt requested, properly insured, is recommended. Instead of delivery by mail, it is recommended that the holder use an overnight or hand-delivery service. In all cases, sufficient time should be allowed to ensure timely delivery.

Any beneficial owner whose Whole Foods Market Notes are held by or in the name of a custodial entity such as a broker, dealer, commercial bank, trust company, or other nominee, should be aware that such custodial entity may have deadlines earlier than the expiration date for such custodial entity to be advised of the action that the beneficial owner may wish for the custodial entity to take with respect to the beneficial owner's Whole Foods Market Notes. Accordingly, such beneficial owners are urged to contact any custodial entities through which such Whole Foods Market Notes are held as soon as possible in order to learn of the applicable deadlines of such entities.

Neither Amazon nor the exchange agent is under any obligation to notify any tendering holder of Amazon's acceptance of tendered Whole Foods Market Notes before the expiration of the exchange offer.

2. Delivery of Amazon Notes. Amazon Notes will be delivered only in book-entry form through DTC and only to the DTC account of the tendering holder or the tendering holder's custodian. Accordingly, the appropriate DTC participant name and number (along with any other required account information) to permit such delivery must be provided in the table entitled "Description of the Whole Foods Market Notes Tendered and in Respect of Which Consent Is Delivered." Failure to do so will render a tender of Whole Foods Market Notes defective and Amazon will have the right, which it may waive, to reject such tender. Holders who anticipate tendering by a method other than through DTC are urged to promptly contact a bank, broker, or other intermediary (that has the facility to hold securities through DTC) to arrange for receipt of any Amazon Notes delivered under the exchange offer and to obtain the information necessary to complete the table.

3. Amount of Tenders. Tender of Whole Foods Market Notes (and corresponding consents thereto) will be accepted only in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. No alternative, conditional or contingent tenders will be accepted. Holders who tender less than all of their Whole Foods Market Notes must continue to hold Whole Foods Market Notes in the minimum authorized denomination of \$2,000 principal amount.

4. Signatures on Letter of Transmittal, Instruments of Transfer, Guarantee of Signatures. For purposes of this Letter of Transmittal, the term “registered holder” means an owner of record as well as any DTC participant that has Whole Foods Market Notes credited to its DTC account. Except as otherwise provided below, all signatures on this Letter of Transmittal must be guaranteed by a recognized participant in the Securities Transfer Agents Medallion Program, the NYSE Medallion Signature Program, or the Stock Exchange Medallion Program (each, a “Medallion Signature Guarantor”). Signatures on this Letter of Transmittal need not be guaranteed if:

- the Whole Foods Market Notes are tendered for the account of an eligible institution.

An eligible institution is one of the following firms or other entities identified in Rule 17Ad-15 under the Securities Exchange Act of 1934, as amended (as the terms are defined in such Rule):

- a bank;
- a broker, dealer, municipal securities dealer, municipal securities broker, government securities dealer, or government securities broker;
- a credit union;
- a national securities exchange, registered securities association, or clearing agency; or
- a savings institution that is a participant in a Securities Transfer Association recognized program.

If the Whole Foods Market Notes are registered in the name of a person other than the signer of this Letter of Transmittal or if Whole Foods Market Notes not accepted for exchange are to be returned to a person other than the registered holder, then the signatures on this Letter of Transmittal accompanying the tendered Whole Foods Market Notes must be guaranteed by a Medallion Signature Guarantor as described above.

If any of the Whole Foods Market Notes tendered are held by two or more registered holders, all of the registered holders must sign this Letter of Transmittal.

If a number of Whole Foods Market Notes registered in different names are tendered, it will be necessary to complete, sign, and submit as many separate copies of this Letter of Transmittal as there are different registrations of such Whole Foods Market Notes.

If this Letter of Transmittal is signed by the registered holder or holders of the Whole Foods Market Notes (which term, for the purposes described herein, shall include a participant in DTC whose name appears on a security listing as the owner of the Whole Foods Market Notes) listed and tendered hereby, no endorsements of the tendered Whole Foods Market Notes or separate written instruments of transfer or exchange are required. In any other case, if tendering Whole Foods Market Notes, the registered holder (or acting holder) must either validly endorse the Whole Foods Market Notes or transmit validly completed bond powers with this Letter of Transmittal (in either case executed exactly as the name(s) of the registered holder(s) appear(s) on the Whole Foods Market Notes, and, with respect to a participant in DTC whose name appears on a security position listing as the owner of Whole Foods Market Notes, exactly as the name of such participant appears on such security position listing), with the signature on the Whole Foods Market Notes or bond power guaranteed by a Medallion Signature Guarantor (except where the Whole Foods Market Notes are tendered for the account of an eligible institution).

If Whole Foods Market Notes are to be tendered by any person other than the person in whose name the Whole Foods Market Notes are registered, the Whole Foods Market Notes must be endorsed or accompanied by an appropriate written instrument(s) of transfer executed exactly as the name(s) of the holder(s) appear on the Whole Foods Market Notes, with the signature(s) on the Whole Foods Market Notes or instrument(s) of transfer guaranteed by a Medallion Signature Guarantor, and this Letter of Transmittal must be executed and delivered either by the holder(s), or by the tendering person under a valid proxy signed by the holder(s), which signature must, in either case, be guaranteed by a Medallion Signature Guarantor.

Amazon will not accept any alternative, conditional, or contingent tenders. By executing this Letter of Transmittal (or a facsimile thereof) or directing, in the case of Whole Foods Market Notes in book-entry form, by tendering your notes through ATOP and DTC to transmit an agent's message, you waive any right to receive any notice of the acceptance of your Whole Foods Market Notes for exchange.

If this Letter of Transmittal or instruments of transfer are signed by trustees, executors, administrators, guardians, or attorneys-in-fact, officers of corporations, or others acting in a fiduciary or representative capacity, such persons should so indicate when signing and, unless waived by Amazon, evidence satisfactory to Amazon of their authority so to act must be submitted with this Letter of Transmittal.

Beneficial owners whose tendered Whole Foods Market Notes are registered in the name of a broker, dealer, commercial bank, trust company, or other nominee must contact such broker, dealer, commercial bank, trust company, or other nominee if such beneficial owners desire to tender such Whole Foods Market Notes.

5. Special Payment Instructions. If cash consideration for the Whole Foods Market Notes tendered hereby is to be credited to a DTC account other than as indicated in the table entitled "Description of the Whole Foods Market Notes Tendered and in Respect of Which Consent Is Delivered," the signer of this Letter of Transmittal should complete the "Special Payment Instructions" box on this Letter of Transmittal. All Whole Foods Market Notes tendered by book-entry transfer and not accepted for exchange will otherwise be returned by crediting the account at DTC designated above for which Whole Foods Market Notes were delivered.

6. Transfer Taxes. Amazon will pay all transfer taxes, if any, applicable to the transfer and sale of Whole Foods Market Notes to Amazon in the exchange offer. If transfer taxes are imposed for any other reason, the amount of those transfer taxes, whether imposed on the registered holders or any other persons, will be payable by the tendering holder.

If satisfactory evidence of payment of or exemption from those transfer taxes is not submitted with this Letter of Transmittal, the amount of those transfer taxes will be billed directly to the tendering holder and/or withheld from any payments due with respect to the Whole Foods Market Notes tendered by such holder.

7. U.S. Federal Backup Withholding and Withholding Tax, Tax Identification Number. Under current U.S. federal income tax law, the exchange agent (as payer) may be required under the backup withholding rules to withhold a portion of any payments made to certain holders of Whole Foods Market Notes (or other payees) under the exchange offer and consent solicitation. To avoid such backup withholding, each tendering holder of Whole Foods Market Notes must timely provide the exchange agent with such holder's correct taxpayer identification number ("TIN") on Internal Revenue Service ("IRS") Form W-9 (available from the IRS by calling 1-800-TAX-FORM (1-800-829-3676) or from the IRS website at <http://www.irs.gov>), or otherwise establish a basis for exemption from backup withholding (currently imposed at a rate of 28%). If a holder is an individual who is a U.S. citizen or resident, the TIN is generally his or her social security number. If the exchange agent is not provided with the correct TIN, a penalty may be imposed by the IRS and/or payments made with respect to Whole Foods Market Notes exchanged under the exchange offer and consent solicitation may be subject to backup withholding. Failure to comply truthfully with the backup withholding requirements, if done willfully, may also result in the imposition of criminal fines and penalties. See IRS Form W-9 for additional information. Certain holders (including, among others, generally all corporations and certain foreign persons) are exempt from these backup withholding requirements. Exempt holders (other than foreign holders) should furnish their TIN, provide the applicable codes in the box labeled "Exemptions," and sign, date, and send the IRS Form W-9 to the exchange agent. Foreign holders, including entities, may qualify as exempt recipients by submitting to the exchange agent a properly completed IRS Form W-8BEN or W-8BEN-E (or other applicable form), signed under penalties of perjury, attesting to that holder's foreign status. The applicable IRS Form W-8 can be obtained from the IRS or from the exchange agent.

If backup withholding applies, the exchange agent is required to withhold on any payments made to the tendering holders (or other payees). Backup withholding is not an additional tax. A holder subject to the backup

withholding rules will be allowed a credit of the amount withheld against such holder's U.S. federal income tax liability, and, if backup withholding results in an overpayment of tax, such holder may be entitled to a refund, provided the requisite information is correctly furnished to the IRS in a timely manner.

Each of Amazon and Whole Foods Market reserves the right in its sole discretion to take all necessary or appropriate measures to comply with its respective obligations regarding backup withholding.

8. Validity of Tenders. All questions about the validity, form, eligibility (including time of receipt), acceptance, and withdrawal of tendered Whole Foods Market Notes will be determined by Amazon in its sole discretion, which determination will be final and binding. Amazon reserves the absolute right to reject any and all tenders of Whole Foods Market Notes not in proper form or any Whole Foods Market Notes the acceptance for exchange of which may, in the opinion of its counsel, be unlawful. Amazon also reserves the absolute right to waive any defect or irregularity in tenders of Whole Foods Market Notes, whether or not similar defects or irregularities are waived in the case of other tendered securities. The interpretation of the terms and conditions of the exchange offer and consent solicitation (including this Letter of Transmittal and the instructions hereto) by Amazon shall be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of Amazon Notes must be cured within such time as Amazon shall determine. None of Amazon, Whole Foods Market, the exchange agent and information agent, the dealer manager, the trustee under the Amazon Indenture, the Whole Foods Market Trustees, or any other person will be under any duty to give notification of defects or irregularities with respect to tenders of Whole Foods Market Notes, nor shall any of them incur any liability for failure to give such notification.

Tenders of Whole Foods Market Notes will not be deemed to have been made until such defects or irregularities have been cured or waived. Any Whole Foods Market Notes received by the exchange agent that are not validly tendered and as to which the defects or irregularities have not been cured or waived will be returned by the exchange agent to the holders, unless otherwise provided in this Letter of Transmittal, as soon as practicable following the expiration date of the exchange offer or the withdrawal or termination of the exchange offer.

9. Waiver of Conditions. Amazon reserves the absolute right to amend or waive any of the conditions to the exchange offer and consent solicitation, except the condition that the registration statement relating to the Amazon Notes has been declared effective by the SEC. The proposed amendments may become effective if the Requisite Consent is received and the Requisite Consent Conditions have been satisfied or, where permitted, waived.

10. Withdrawal. Tenders may be withdrawn only under the procedures and subject to the terms set forth in the Prospectus under the caption "The Exchange Offer and Consent Solicitation—Withdrawal of Tenders and Revocation of Corresponding Consents."

11. Requests for Assistance or Additional Copies. Questions and requests for assistance and requests for additional copies of the Prospectus or this Letter of Transmittal may be directed to the information agent at the address and telephone number indicated herein.

In order to tender, a holder of Whole Foods Market Notes in certificated form should send or deliver a properly completed and signed Letter of Transmittal and any other required documents to the exchange agent at its address set forth below, and a holder of Whole Foods Market Notes in book-entry form tender pursuant to DTC's Automated Tender Offer Program.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese

student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see How to get a TIN below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer.
