Explanation of Responses:

- The transaction reported was effected pursuant to a 10b5-1 trading plan established by the reporting person on December 8, 2017.
- The price reported is a weighted average price. These shares were sold in multiple transactions at prices ranging from \$45.65 to \$46.48, inclusive. The reporting person undertakes to provide to the issuer, any security holder of the issuer or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares sold at each separate price within the range.
- Each performance right represents a contingent right to receive one share of the issuer's common stock at vesting. The performance rights vest at a rate between 0% and 200% during a three-year performance cycle beginning on April 1, 2017 and ending on March 31, 2020 based on the issuer's relative total shareholder return in comparison to the total shareholder return performance among the Russell 2000 Index over the performance cycle. The performance rights may be settled, at the issuer's discretion, in cash or shares of common stock.
