## Exhibit Index

Exhibit No.	Description
Exhibit 99.1	Press release dated February 1, 2018 —JA Solar Announces Preliminary Unaudited Shipment Results for 2017

### **JA Solar Announces Preliminary Unaudited Shipment Results for 2017**

BEIJING, February 1, 2018 (GLOBENEWSWIRE) — JA Solar Holdings Co., Ltd. (Nasdaq:JASO) (“JA Solar” or “JA”), one of the world’s largest manufacturers of high-performance solar power products, today announced preliminary unaudited shipment results for 2017. Total module and cell shipments, including shipments to the Company’s own downstream projects, are estimated in the range of 7.5 to 7.8 GW. The Company had anticipated shipments of 7.0 to 7.2 GW for the full year.

These preliminary results are subject to finalization of the Company’s financial closing procedures. The Company’s actual results may differ from its current estimates.

#### **Forward-looking Statements**

This press release contains forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by words such as “may,” “expect,” “anticipate,” “aim,” “intend,” “plan,” “believe,” “estimate,” “potential,” “continue,” and other similar statements. Statements other than statements of historical facts in this announcement are forward-looking statements, including but not limited to, our expectations regarding the expansion of our manufacturing capacities, our future business development, and our beliefs regarding our production output and production outlook. These forward-looking statements involve known and unknown risks and uncertainties and are based on current expectations, assumptions, estimates and projections about the Company and the industry. Further information regarding these and other risks is included in Form 20-F and other documents filed with the Securities and Exchange Commission. The Company undertakes no obligation to update forward-looking statements, except as may be required by law. Although the Company believes that the expectations expressed in these forward-looking statements are reasonable, it cannot assure you that its expectations will turn out to be correct, and investors are cautioned that actual results may differ materially from the anticipated results.

#### **About JA Solar Holdings Co., Ltd.**

JA Solar Holdings Co., Ltd. is a leading manufacturer of high-performance solar power products that convert sunlight into electricity for residential, commercial, and utility-scale power generation. The Company is one of the world’s largest producers of solar power products. Its standard and high-efficiency product offerings are among the most powerful and cost-effective in the industry. The Company distributes products under its own brand and also produces on behalf of its clients. The Company shipped 5.2 GW of solar power products in 2016. JA Solar is headquartered in Beijing, China, and maintains production facilities in Shanghai, Hebei, Jiangsu and Anhui provinces in China, as well as Penang, Malaysia and Bac Giang, Vietnam.
