Item 8.01 Other Events.***Prepayment of Final Installment of Trust Contribution***

As previously disclosed, effective as of December 23, 2014 (the “Effective Date”), Bondex International, Inc., its parent company, Specialty Products Holdings Corp., and other related entities emerged from bankruptcy pursuant to a plan of reorganization (the “Plan”). Under the Plan, a trust was created for the benefit of current and future asbestos personal injury claimants. The trust is funded by RPM International Inc. (“RPM”) through four contributions:

- \$450 million in cash, which RPM deposited into the trust on the Effective Date;
- \$102.5 million in cash, which RPM deposited into the trust on December 23, 2016 (the second anniversary of the Effective Date);
- \$119.1 million in cash, which RPM deposited into the trust on May 25, 2017, which represents a discount from the \$120.0 million that was due on December 23, 2017 (the third anniversary of the Effective Date) as a result of the earlier payment date; and
- a final payment of \$125.0 million in cash, RPM stock, or a combination thereof (at RPM’s discretion), to be deposited into the trust on or before December 23, 2018 (the fourth anniversary of the Effective Date).

As permitted by the Plan, RPM elected to make the final installment payment described above in advance of its December 23, 2018 due date, and deposited \$123.6 million in cash into the trust on May 29, 2018, which represents a discount from the \$125.0 million due to the earlier payment date. RPM used cash on hand to fund the final installment payment.
