Item 7.01. Regulation FD Disclosure.

As previously disclosed, on November 9, 2018, Bear Acquisition I, LLC (the “Purchaser”), a wholly owned subsidiary of Bristow Group Inc. (the “Company”), and the Company entered into a Stock Purchase Agreement (the “Purchase Agreement”) with Columbia Helicopters, Inc. (“Columbia”), the shareholders of Columbia, and a shareholder representative. The Purchase Agreement provides for the acquisition by the Purchaser of all of the issued and outstanding shares of Columbia (the “Acquisition”), on the terms and subject to the conditions set forth in the Purchase Agreement. Based upon current market conditions, the Company no longer expects to complete the Acquisition on or before December 31, 2018.

The closing of the Acquisition remains subject to the satisfaction of all remaining closing conditions under the Purchase Agreement. The waiting period with respect to the transaction under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 has been terminated. The Purchase Agreement contains certain termination rights, including the right of either party to terminate the Purchase Agreement if the closing of the Acquisition has not occurred by April 9, 2019, subject to an additional marketing period. The Purchase Agreement also provides that, under specified circumstances where the conditions to the Company’s obligations to close the Acquisition have been satisfied but the Company has not consummated the Acquisition, the Company will be required to pay Columbia a termination fee of \$20.0 million. The Company intends to comply with its obligations under the Purchase Agreement and the related debt commitments.

The description of the Purchase Agreement incorporated herein is qualified by the actual terms of the Purchase Agreement, which was filed as Exhibit 2.1 to the Company’s Form 8-K filed November 9, 2018. The information in this Item 7.01 is being furnished, not “filed,” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. Accordingly, the information contained in this Item 7.01 will not be incorporated by reference into any registration statement or other document filed by the Company pursuant to the Securities Act of 1933, as amended, except as may be expressly set forth by specific reference in such filing.

Cautionary Statements Regarding Forward-Looking Information

Investors are cautioned that some of the statements we use in this report contain forward-looking statements and are made pursuant to the “safe-harbor” provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements involve a number of risks and uncertainties and depend upon future events or conditions. Actual events or results might differ materially from those expressed or forecasted in these forward-looking statements. Accordingly, we cannot guarantee you that our plans and expectations will be achieved. Such statements may include, but are not limited to, statements about the closing of the Acquisition, the Company’s plans, objectives, expectations and intentions, and other statements that are not historical facts. Important factors that could cause actual events or results to differ materially from those anticipated by our forward-looking statements with the proposed Acquisition include the ability to meet closing conditions at all or on the expected terms and schedule, the availability and terms and conditions of financing necessary to complete the Acquisition, market conditions, business disruption during the pendency of the Acquisition or thereafter making it more difficult to maintain business and operational relationships, including the possibility that the Acquisition could disrupt our or Columbia’s relationships with financial institutions, customers, employees or other partners; and difficulties and delays in integrating Columbia’s business or fully realizing benefits of the Acquisition at all or within the expected time period. Additional factors that could cause events or results to differ materially from those anticipated by our forward-looking statements or historical performance can be found in the Company’s Annual Report on Form 10-K for the fiscal year ended March 31, 2018 and its quarterly reports on Form 10-Q for the quarters ended June 30, 2018 and September 30, 2018.

Our forward-looking statements speak only as of the date they are made and should not be relied upon as representing our plans and expectations as of any subsequent date. We undertake no obligation to revise any of these statements to reflect future circumstances or the occurrence of unanticipated events, except to the extent required by the federal securities laws.
