The Company has agreed with certain dealer managers pursuant to a Registration Rights Agreement dated as of November 9, 2018 (the “**Registration Rights Agreement**”), a copy of which may be obtained from the Company, to offer to exchange this Note for an Exchange Note (as defined in Annex I to this Note) issued under the Indenture and registered under the Securities Act of 1933. If a “Registration Default” occurs under the Registration Rights Agreement, the Company may be required to pay additional interest on this Note during the continuance of such default (not to exceed 0.25% per annum) as specified in the Registration Rights Agreement. Holders of Exchange Notes will vote and consent together with Holders of this Note and all other Notes of this series on all matters under the Indenture, this Note, the Notes of this series and the Exchange Notes on which Holders of this Note, the Notes of this series and the Exchange Notes are entitled to vote and consent. This Note and the Holder hereof are entitled to the benefits of the Registration Rights Agreement, and as provided in the Registration Rights Agreement, the Holder of this Note is deemed to have agreed to be bound by the provisions of the Registration Rights Agreement whether or not such Holder has signed the Registration Rights Agreement.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected by such amendment or modification. The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be

conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

The Indenture contains provisions setting forth certain conditions to the institution of proceedings by Holders of Securities with respect to the Indenture or for any remedy under the Indenture.

If an Event of Default with respect to the Notes shall occur and be continuing, the principal amount hereof may be declared due and payable or may be otherwise accelerated in the manner and with the effect provided in the Indenture.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, as well as to the restrictions set forth in the legend on the face hereof, the transfer of this Note is registerable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any Place of Payment duly endorsed, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed, by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, this Note is exchangeable for a like aggregate principal amount of Notes of different authorized denominations as requested by the Holder surrendering the same.

No service charge shall be made for any such registration or transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to the presentment of this Note for registration of transfer, the Company, the Trustee, and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Note is overdue, and neither the Company, the Trustee, nor any such agent shall be affected by notice to the contrary.

(c) Each Offshore Global Note issued on the Initial Issue Date (such an Offshore Global Note, a “**Temporary Offshore Global Note**”) shall bear the following legend (the “**Temporary Offshore Global Note Legend**”) until such legend may be removed in accordance with its terms:

THIS NOTE IS A TEMPORARY OFFSHORE GLOBAL NOTE. PRIOR TO THE EXPIRATION OF THE RESTRICTED PERIOD APPLICABLE HERETO, BENEFICIAL INTERESTS HEREIN MAY NOT BE HELD BY ANY PERSON OTHER THAN (1) A NON-U.S. PERSON OR (2) A U.S. PERSON THAT PURCHASED SUCH INTEREST IN A TRANSACTION EXEMPT FROM REGISTRATION UNDER THE SECURITIES ACT. BENEFICIAL INTERESTS HEREIN ARE NOT EXCHANGEABLE FOR PHYSICAL NOTES OTHER THAN A PERMANENT OFFSHORE GLOBAL NOTE IN ACCORDANCE WITH THE TERMS OF THE INDENTURE UNDER WHICH THE NOTES WERE ISSUED. TERMS IN THIS LEGEND ARE USED AS USED IN REGULATIONS UNDER THE SECURITIES ACT.

THE FOREGOING LEGEND MAY BE REMOVED FROM THIS NOTE AT THE DIRECTION OF THE COMPANY AFTER 40 DAYS BEGINNING ON AND INCLUDING

THE LATER OF (a) THE DATE ON WHICH THE NOTES ARE OFFERED TO PERSONS OTHER THAN DISTRIBUTORS (AS DEFINED IN REGULATION S UNDER THE SECURITIES ACT) AND (b) THE ORIGINAL ISSUE DATE OF THE NOTES.

Section 3. *Registration, Transfer and Exchange.*

(a) Each Global Note will be registered in the name of the Depository or its nominee and, so long as DTC is serving as the Depository thereof, shall bear the DTC Legend.

(i) Each Global Note will be delivered to the Trustee as Depository Custodian. Transfers of a Global Note (but not a beneficial interest therein) will be limited to transfers thereof in whole, but not in part, to the Depository, its successors or their respective nominees, except as set forth in clause (iii) of this Section 3(a) and subject to compliance with Section 4.

(ii) Agent Members will have no rights under the Indenture with respect to any Global Note held on their behalf by the Depository, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and Holder of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, the Depository or its nominee may grant proxies and otherwise authorize any Person (including any Agent Member and any Person that holds a beneficial interest in a Global Note through an Agent Member) to take any action which a Holder is entitled to take under the Indenture or the Notes, and nothing herein will impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a holder of any security.

(iii) If (x) the Depository notifies the Company that it is unwilling or unable to continue as Depository for a Global Note and a successor depository is not appointed by the Company within 90 days of such notice or (y) an Event of Default has occurred and is continuing and the Trustee has received a written request from the holders of a majority of the Notes outstanding, the Company will promptly execute and deliver to the Trustee for authentication, and the Trustee will exchange each beneficial interest in the Global Note for one or more Certificated Notes in authorized denominations having an equal aggregate principal amount registered in the name of the owner of such beneficial interest, as identified to the Trustee by the Depository, and thereupon the Global Note will be deemed canceled. If such Note does not bear the Restricted Legend, then the Certificated Notes issued in exchange therefor shall not bear the Restricted Legend. If such Note bears the Restricted Legend, then the Certificated Notes issued in exchange therefor shall bear the Restricted Legend, *provided* that any Holder of any such Certificated Note issued in exchange for a beneficial interest in a Temporary Offshore Global Note will have the right upon presentation to the Trustee of a duly completed Certificate of Beneficial Ownership after the Restricted Period to exchange such Certificated Note for a Certificated Note of like tenor and amount that does not bear the Restricted Legend.

(b) Each Certificated Note will be registered in the name of the Holder thereof or its nominee.

(c) (i) *Global Note to Global Note.* If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Trustee will (y) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of

such transfer or exchange and (z) record a like increase in the principal amount of the other Global Note. Any beneficial interest in one Global Note that is transferred to a Person who takes delivery in the form of an interest in another Global Note, or exchanged for an interest in another Global Note, will, upon transfer or exchange, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer and exchange restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(ii) *Global Note to Certificated Note.* If a beneficial interest in a Global Note is transferred or exchanged for a Certificated Note, the Trustee will (y) record a decrease in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) deliver one or more new Certificated Notes in authorized denominations having an equal aggregate principal amount to the transferee (in the case of a transfer) or the owner of such beneficial interest (in the case of an exchange), registered in the name of such transferee or owner, as applicable.

(iv) *Certificated Note to Certificated Note.* If a Certificated Note is transferred or exchanged for another Certificated Note, the Trustee will (x) cancel the Certificated Note being transferred or exchanged, (y) deliver one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Certificated Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or more Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

 - (ii) sold pursuant to an effective registration statement under the Securities Act, pursuant to the Registration Rights Agreement or otherwise; or
 - (iii) which is validly tendered for exchange into an Exchange Note pursuant to an Offer.

Any Note delivered in reliance upon this paragraph shall not bear the Restricted Legend.

(d) The Trustee will retain copies of all certificates, opinions and other documents received in connection with the transfer or exchange of a Note (or a beneficial interest therein) in accordance with its then applicable record retention requirements, and the Company will have the right to inspect and make copies thereof at any reasonable time upon written notice to the Trustee.

(e) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under the Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, the Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Promptly after acceptance of a Certificate of Beneficial Ownership with respect to such a beneficial interest, the Trustee will cause such beneficial interest to be exchanged for an equivalent beneficial interest in a Permanent Offshore Global Note, and will (x) permanently reduce the principal amount of such Temporary Offshore Global Note by the amount of such beneficial interest and (y) increase the principal amount of such Permanent Offshore Global Note by the amount of such beneficial interest.

(b) Notwithstanding anything to the contrary contained herein, any owner of a beneficial interest in a Temporary Offshore Global Note shall not be entitled to receive payment of principal or interest on such beneficial interest or other amounts in respect of such beneficial interest until such beneficial interest is exchanged for an interest in a Permanent Offshore Global Note or transferred for an interest in another Global Note or a Certificated Note.

The Company has agreed with certain dealer managers pursuant to a Registration Rights Agreement dated as of November 9, 2018 (the “**Registration Rights Agreement**”), a copy of which may be obtained from the Company, to offer to exchange this Note for an Exchange Note (as defined in Annex I to this Note) issued under the Indenture and registered under the Securities Act of 1933. If a “Registration Default” occurs under the Registration Rights Agreement, the Company may be required to pay additional interest on this Note during the continuance of such default (not to exceed 0.25% per annum) as specified in the Registration Rights Agreement. Holders of Exchange Notes will vote and consent together with Holders of this Note and all other Notes of this series on all matters under the Indenture, this Note, the Notes of this series and the Exchange Notes on which Holders of this Note, the Notes of this series and the Exchange Notes are entitled to vote and consent. conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

The Indenture contains provisions setting forth certain conditions to the institution of proceedings by Holders of Securities with respect to the Indenture or for any remedy under the Indenture.

If an Event of Default with respect to the Notes shall occur and be continuing, the principal amount hereof may be declared due and payable or may be otherwise accelerated in the manner and with the effect provided in the Indenture.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, as well as to the restrictions set forth in the legend on the face hereof, the transfer of this Note is registerable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any Place of Payment duly endorsed, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed, by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, this Note is exchangeable for a like aggregate principal amount of Notes of different authorized denominations as requested by the Holder surrendering the same.

UNLESS AND UNTIL IT IS EXCHANGED IN WHOLE OR IN PART FOR SECURITIES IN CERTIFICATED FORM, THIS SECURITY MAY NOT BE TRANSFERRED EXCEPT AS A WHOLE BY THE DEPOSITORY TRUST COMPANY (“**DTC**”) TO A NOMINEE OF DTC, OR BY A NOMINEE OF DTC TO DTC OR ANOTHER NOMINEE OF DTC, OR BY DTC OR ANY SUCH NOMINEE TO A SUCCESSOR DEPOSITORY OR A NOMINEE OF SUCH SUCCESSOR DEPOSITORY.

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “**SECURITIES ACT**”), AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF OR OF A BENEFICIAL INTEREST HEREIN, THE ACQUIRER (1) REPRESENTS THAT (a) IT AND ANY

ACCOUNT FOR WHICH IT IS ACTING IS A “QUALIFIED INSTITUTIONAL BUYER” (WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT) AND THAT IT EXERCISES SOLE INVESTMENT DISCRETION WITH RESPECT TO EACH SUCH ACCOUNT, OR (b) IT IS NOT A U.S. PERSON (WITHIN THE MEANING OF REGULATIONS UNDER THE SECURITIES ACT) AND (2) AGREES FOR THE BENEFIT OF PEPSICO, INC. THAT IT WILL NOT OFFER, SELL, PLEDGE OR OTHERWISE TRANSFER THIS SECURITY OR ANY BENEFICIAL INTEREST HEREIN, EXCEPT IN ACCORDANCE WITH THE SECURITIES ACT AND ANY APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES AND ONLY (a) TO PEPSICO, INC. PRIOR TO THE REGISTRATION OF ANY TRANSFER IN ACCORDANCE WITH (2)(c) ABOVE OR (2)(d) ABOVE, A DULY COMPLETED AND SIGNED CERTIFICATE (THE FORM OF WHICH MAY BE OBTAINED FROM THE TRUSTEE) MUST BE DELIVERED TO THE TRUSTEE. PRIOR TO THE REGISTRATION OF ANY TRANSFER IN ACCORDANCE WITH (2)(e) ABOVE, PEPSICO, INC. RESERVES THE RIGHT TO REQUIRE THE DELIVERY OF SUCH LEGAL OPINIONS, CERTIFICATIONS OR OTHER EVIDENCE AS MAY REASONABLY BE REQUIRED IN ORDER TO DETERMINE THAT THE PROPOSED TRANSFER IS BEING MADE IN COMPLIANCE WITH THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS. NO REPRESENTATION IS MADE AS TO THE AVAILABILITY OF ANY RULE 144 EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

(c) Each Offshore Global Note issued on the Initial Issue Date (such an Offshore Global Note, a “**Temporary Offshore Global Note**”) shall bear the following legend (the “**Temporary Offshore Global Note Legend**”) until such legend may be removed in accordance with its terms:

THIS NOTE IS A TEMPORARY OFFSHORE GLOBAL NOTE. PRIOR TO THE EXPIRATION OF THE RESTRICTED PERIOD APPLICABLE HERETO, BENEFICIAL INTERESTS HEREIN MAY NOT BE HELD BY ANY PERSON OTHER THAN (1) A NON-U.S. PERSON OR (2) A U.S. PERSON THAT PURCHASED SUCH INTEREST IN A TRANSACTION EXEMPT FROM REGISTRATION UNDER THE SECURITIES ACT. BENEFICIAL INTERESTS HEREIN ARE NOT EXCHANGEABLE FOR PHYSICAL NOTES OTHER THAN A PERMANENT OFFSHORE GLOBAL NOTE IN ACCORDANCE WITH THE TERMS OF THE INDENTURE UNDER WHICH THE NOTES WERE ISSUED. TERMS IN THIS LEGEND ARE USED AS USED IN REGULATIONS UNDER THE SECURITIES ACT.

THE FOREGOING LEGEND MAY BE REMOVED FROM THIS NOTE AT THE DIRECTION OF THE COMPANY AFTER 40 DAYS BEGINNING ON AND INCLUDING

THE LATER OF (a) THE DATE ON WHICH THE NOTES ARE OFFERED TO PERSONS OTHER THAN DISTRIBUTORS (AS DEFINED IN REGULATION S UNDER THE SECURITIES ACT) AND (b) THE ORIGINAL ISSUE DATE OF THE NOTES.

Section 3. *Registration, Transfer and Exchange.*

(a) Each Global Note will be registered in the name of the Depository or its nominee and, so long as DTC is serving as the Depository thereof, shall bear the DTC Legend.

(i) Each Global Note will be delivered to the Trustee as Depository Custodian. Transfers of a Global Note (but not a beneficial interest therein) will be limited to transfers thereof in whole, but not in part, to the Depository, its successors or their respective nominees, except as set forth in clause (iii) of this Section 3(a) and subject to compliance with Section 4.

(ii) Agent Members will have no rights under the Indenture with respect to any Global Note held on their behalf by the Depository, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and Holder of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, the Depository or its nominee may grant proxies and otherwise authorize any Person (including any Agent Member and any Person that holds a beneficial interest in a Global Note through an Agent Member) to take any action which a Holder is entitled to take under the Indenture or the Notes, and nothing herein will impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a holder of any security.

(iii) If (x) the Depository notifies the Company that it is unwilling or unable to continue as Depository for a Global Note and a successor depository is not appointed by the Company within 90 days of such notice or (y) an Event of Default has occurred and is continuing and the Trustee has received a written request from the holders of a majority of the Notes outstanding, the Company will promptly execute and deliver to the Trustee for authentication, and the Trustee will exchange each beneficial interest in the Global Note for one or more Certificated Notes in authorized denominations having an equal aggregate principal amount registered in the name of the owner of such beneficial interest, as identified to the Trustee by the Depository, and thereupon the Global Note will be deemed canceled. If such Note does not bear the Restricted Legend, then the Certificated Notes issued in exchange therefor shall not bear the Restricted Legend. If such Note bears the Restricted Legend, then the Certificated Notes issued in exchange therefor shall bear the Restricted Legend, *provided* that any Holder of any such Certificated Note issued in exchange for a beneficial interest in a Temporary Offshore Global Note will have the right upon presentation to the Trustee of a duly completed Certificate of Beneficial Ownership after the Restricted Period to exchange such Certificated Note for a Certificated Note of like tenor and amount that does not bear the Restricted Legend.

(b) Each Certificated Note will be registered in the name of the Holder thereof or its nominee.

(c) (i) *Global Note to Global Note.* If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Trustee will (y) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of

such transfer or exchange and (z) record a like increase in the principal amount of the other Global Note. Any beneficial interest in one Global Note that is transferred to a Person who takes delivery in the form of an interest in another Global Note, or exchanged for an interest in another Global Note, will, upon transfer or exchange, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer and exchange restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(ii) *Global Note to Certificated Note.* If a beneficial interest in a Global Note is transferred or exchanged for a Certificated Note, the Trustee will (y) record a decrease in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) deliver one or more new Certificated Notes in authorized denominations having an equal aggregate principal amount to the transferee (in the case of a transfer) or the owner of such beneficial interest (in the case of an exchange), registered in the name of such transferee or owner, as applicable.

(iii) *Certificated Note to Global Note.* If a Certificated Note is transferred or exchanged for a beneficial interest in a Global Note, the Trustee will (x) cancel such Certificated Note, (y) record an increase in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) in the event that such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

(iv) *Certificated Note to Certificated Note.* If a Certificated Note is transferred or exchanged for another Certificated Note, the Trustee will (x) cancel the Certificated Note being transferred or exchanged, (y) deliver one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Certificated Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or more Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

Section 4. *Restrictions on Transfer and Exchange.*

(a) The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section 4 and Section 3 and, in the case of a Global Note (or a beneficial interest therein), the applicable rules and procedures of the Depositary. The Security Registrar shall refuse to register any requested transfer or exchange that does not comply with the preceding sentence.

(b) Subject to paragraph (a) of this Section 4, the transfer or exchange of any Note (or a beneficial interest therein) of the type set forth in column A below for a Note (or a beneficial interest therein) of the type set forth opposite in column B below may only be made in compliance with the certification requirements (if any) described in the clause of this paragraph set forth opposite in column C below.

(i) No certification is required.

(ii) The Person requesting the transfer or exchange must deliver or cause to be delivered to the Security Registrar a duly completed Regulation S Certificate; *provided*, that if the requested transfer or exchange is made by the Holder of a Certificated Note that does not bear the Restricted Legend, then no certification is required.

(iii) The Person requesting the transfer or exchange must deliver or cause to be delivered to the Trustee (y) a duly completed Rule 144A Certificate or (z) a duly completed Regulation S Certificate, and/or an Opinion of Counsel and such other certifications and evidence as the Company may reasonably require in order to determine that the proposed transfer or exchange is being made in compliance with the Securities Act and any applicable securities laws of any state of the United States; *provided* that if the requested transfer or exchange is made by the Holder of a Certificated Note that does not bear the Restricted Legend, then no certification is required. In the event that (y) the requested transfer or exchange takes place after the Restricted Period and a duly completed Regulation S Certificate is delivered to the Security Registrar or (z) a Certificated Note that does not bear the Restricted Legend is surrendered for transfer or exchange, upon transfer or exchange the Trustee will deliver a Certificated Note that does not bear the Restricted Legend.

(iv) The Person requesting the transfer or exchange must deliver or cause to be delivered to the Security Registrar a duly completed Rule 144A Certificate.

(v) Notwithstanding anything to the contrary contained herein, no such exchange is permitted if the requested exchange involves a beneficial interest in a Temporary Offshore Global Note. If the requested transfer involves a beneficial interest in a Temporary Offshore Global Note, the Person requesting the transfer must deliver or cause to be delivered to the Security Registrar a duly completed Rule 144A Certificate and/or an Opinion of Counsel and such other certifications and evidence as the Company may reasonably require in order to determine that the proposed transfer is being made in compliance with the Securities Act and any

applicable securities laws of any state of the United States. If the requested transfer or exchange involves a beneficial interest in a Permanent Offshore Global Note, no certification is required and the Trustee will deliver a Certificated Note that does not bear the Restricted Legend.

- (c) No certification is required in connection with any transfer or exchange of any Note (or a beneficial interest therein):
- (i) after such Note is eligible for resale pursuant to Rule 144 under the Securities Act (or a successor provision) without compliance with any limits thereunder and the Restricted Legend is no longer necessary or appropriate in order to ensure that subsequent transfers of the Note (or a beneficial interest therein) are effected in compliance with the Securities Act; *provided* that the Company has provided the Trustee with an Officers' Certificate to that effect, and the Company may require from any Person requesting a transfer or exchange in reliance upon this clause (i) an opinion of counsel and any other reasonable certifications and evidence in order to support such certificate; or
 - (ii) sold pursuant to an effective registration statement under the Securities Act, pursuant to the Registration Rights Agreement or otherwise; or
 - (iii) which is validly tendered for exchange into an Exchange Note pursuant to an Offer.

Any Note delivered in reliance upon this paragraph shall not bear the Restricted Legend.

(d) The Trustee will retain copies of all certificates, opinions and other documents received in connection with the transfer or exchange of a Note (or a beneficial interest therein) in accordance with its then applicable record retention requirements, and the Company will have the right to inspect and make copies thereof at any reasonable time upon written notice to the Trustee.

(e) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under the Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, the Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 5. *Temporary Offshore Global Notes.*

(a) An owner of a beneficial interest in a Temporary Offshore Global Note (or a Person acting on behalf of such an owner) may provide to the Trustee (and the Trustee will accept) a duly completed Certificate of Beneficial Ownership at any time after the Restricted Period (it being understood that the Trustee will not accept any such certificate during the Restricted Period). Promptly after acceptance of a Certificate of Beneficial Ownership with respect to such a beneficial interest, the Trustee will cause such beneficial interest to be exchanged for an equivalent beneficial interest in a Permanent Offshore Global Note, and will (x) permanently reduce the principal amount of such Temporary Offshore Global Note by the amount of such beneficial interest and (y) increase the principal amount of such Permanent Offshore Global Note by the amount of such beneficial interest.

(b) Notwithstanding anything to the contrary contained herein, any owner of a beneficial interest in a Temporary Offshore Global Note shall not be entitled to receive payment of principal or interest on such beneficial interest or other amounts in respect of such beneficial interest until such beneficial interest is exchanged for an interest in a Permanent Offshore Global Note or transferred for an interest in another Global Note or a Certificated Note.

PEPSICO, INC.

7.00% SENIOR NOTE DUE 2029, SERIES A

This Note is one of a duly authorized issue of debentures, notes or other evidences of indebtedness of the Company (herein called the “**Securities**”), issued and to be issued in one or more series under an Indenture, dated as of May 21, 2007 (herein called the “**Indenture**”), between the Company and The Bank of New York Mellon, as Trustee (herein called the “**Trustee**,” which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee, and the Holders of the Securities, the terms upon which the Securities are, and are to be, authenticated and delivered, and the definition of capitalized terms used herein and not otherwise defined herein. The Securities may be issued in one or more series, which different series may be issued in various aggregate principal amounts, may be denominated in different currencies, may mature at different times, may bear interest (if any) at different rates (which rates may be fixed or variable), may be subject to different redemption provisions (if any), may be subject to different sinking, purchase, or analogous funds (if any), may be subject to different covenants and Events of Default, and may otherwise vary as provided in the Indenture. This Note is one of a series of Securities of the Company designated as set forth on the face hereof (herein called the “**Notes**”), initially issued on November 9, 2018 (the “**Initial Issue Date**”) and initially limited in aggregate principal amount to \$.

The Notes will be redeemable, in whole or in part, upon not less than 30 nor more than 60 days’ notice, at any time at the option of the Company, at the Redemption Price equal to the greater of: (1) 100% of the principal amount of the Notes being redeemed, or (2) as determined by the Independent Investment Banker, the sum of the present values of the remaining scheduled payments of principal and interest on the Notes being redeemed from the Redemption Date to the Scheduled Maturity Date discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at a discount rate equal to the Treasury Rate plus 25 basis points; plus, for (1) and (2) above, whichever is applicable, accrued and unpaid interest on such Notes to the date of redemption.

Notice of redemption shall be transmitted at least 30 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address.

“**Comparable Treasury Issue**” means the United States Treasury security selected by the Independent Investment Banker as having a maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes.

“**Comparable Treasury Price**” means with respect to any redemption date for the notes (i) the average of five Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (ii) if the Independent Investment Banker obtains fewer than five such Reference Treasury Dealer Quotations, the average of all such quotations.

“**Independent Investment Banker**” means one of the Reference Treasury Dealers appointed by the Company.

“**Reference Treasury Dealer**” means each of any five primary U.S. Government securities dealers in the United States of America selected by the Company.

“**Reference Treasury Dealer Quotations**” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer at 3:30 p.m. on the third New York Business Day preceding such Redemption Date.

“**Treasury Rate**” means, with respect to any Redemption Date for the Notes (i) the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated “H.15(519)” or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the caption “Treasury Constant Maturities,” for the maturity corresponding to the Comparable Treasury Issue (if no maturity is within three months before or after the Scheduled Maturity Date, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined and the Treasury Rate shall be interpolated or extrapolated from such yields on a straight line basis, rounding to the nearest month) or (ii) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date. The Treasury Rate shall be calculated on the third New York Business Day preceding the Redemption Date.

The Trustee will not be responsible for calculating the Redemption Price of the Notes or portions thereof called for redemption.

Notice of any redemption will be transmitted at least 30 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed (or delivered electronically in accordance with the procedures of DTC). If fewer than all of the Notes are to be redeemed, the particular Notes to be redeemed, in the case of Notes in global form, shall be selected in accordance with the procedures of the Depository. In the case of physical Notes in definitive form such selection shall be done by the Trustee by lot. If any Note is to be redeemed only in part, the notice of redemption that relates to such Note shall state the principal amount thereof to be redeemed. A new Note in principal amount equal to and in exchange for the unredeemed portion of the principal of the Note surrendered may be issued in the name of the Holder of the Note upon surrender of the original Note.

The Company has agreed with certain dealer managers pursuant to a Registration Rights Agreement dated as of November 9, 2018 (the “**Registration Rights Agreement**”), a copy of which may be obtained from the Company, to offer to exchange this Note for an Exchange Note (as defined in Annex I to this Note) issued under the Indenture and registered under the Securities Act of 1933. If a “Registration Default” occurs under the Registration Rights Agreement, the Company may be required to pay additional interest on this Note during the continuance of such default (not to exceed 0.25% per

annum) as specified in the Registration Rights Agreement. Holders of Exchange Notes will vote and consent together with Holders of this Note and all other Notes of this series on all matters under the Indenture, this Note, the Notes of this series and the Exchange Notes on which Holders of this Note, the Notes of this series and the Exchange Notes are entitled to vote and consent. This Note and the Holder hereof are entitled to the benefits of the Registration Rights Agreement, and as provided in the Registration Rights Agreement, the Holder of this Note is deemed to have agreed to be bound by the provisions of the Registration Rights Agreement whether or not such Holder has signed the Registration Rights Agreement.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected by such amendment or modification. The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

The Indenture contains provisions setting forth certain conditions to the institution of proceedings by Holders of Securities with respect to the Indenture or for any remedy under the Indenture.

If an Event of Default with respect to the Notes shall occur and be continuing, the principal amount hereof may be declared due and payable or may be otherwise accelerated in the manner and with the effect provided in the Indenture.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, as well as to the restrictions set forth in the legend on the face hereof, the transfer of this Note is registerable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any Place of Payment duly endorsed, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed, by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, this Note is exchangeable for a like aggregate principal amount of Notes of different authorized denominations as requested by the Holder surrendering the same.

No service charge shall be made for any such registration or transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to the presentment of this Note for registration of transfer, the Company, the Trustee, and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Note is overdue, and neither the Company, the Trustee, nor any such agent shall be affected by notice to the contrary.

Annex I (Provisions Relating to Registration, Transfer and Exchange) hereto is hereby incorporated by reference herein.

Section 3. *Registration, Transfer and Exchange.*

(a) Each Global Note will be registered in the name of the Depository or its nominee and, so long as DTC is serving as the Depository thereof, shall bear the DTC Legend.

(i) Each Global Note will be delivered to the Trustee as Depository Custodian. Transfers of a Global Note (but not a beneficial interest therein) will be limited to transfers thereof in whole, but not in part, to the Depository, its successors or their respective nominees, except as set forth in clause (iii) of this Section 3(a) and subject to compliance with Section 4.

(ii) Agent Members will have no rights under the Indenture with respect to any Global Note held on their behalf by the Depository, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and Holder of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, the Depository or its nominee may grant proxies and otherwise authorize any Person (including any Agent Member and any Person that holds a beneficial interest in a Global Note through an Agent Member) to take any action which a Holder is entitled to take under the Indenture or the Notes, and nothing herein will impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a holder of any security.

(iii) If (x) the Depository notifies the Company that it is unwilling or unable to continue as Depository for a Global Note and a successor depository is not appointed by the Company within 90 days of such notice or (y) an Event of Default has occurred and is continuing and the Trustee has received a written request from the holders of a majority of the Notes outstanding, the Company will promptly execute and deliver to the Trustee for authentication, and the Trustee will exchange each beneficial interest in the Global Note for one or more Certificated Notes in authorized denominations having an equal aggregate principal amount registered in the name of the owner of such beneficial interest, as identified to the Trustee by the Depository, and thereupon the Global Note will be deemed canceled. If such Note does not bear the Restricted Legend, then the Certificated Notes issued in exchange therefor shall not bear the Restricted Legend. If such Note bears the Restricted Legend, then the Certificated Notes issued in exchange therefor shall bear the Restricted Legend, *provided* that any Holder of any such Certificated Note issued in exchange for a beneficial interest in a Temporary Offshore Global Note will have the right upon presentation to the Trustee of a duly completed Certificate of Beneficial Ownership after the Restricted Period to exchange such Certificated Note for a Certificated Note of like tenor and amount that does not bear the Restricted Legend.

(b) Each Certificated Note will be registered in the name of the Holder thereof or its nominee.

(c) (i) *Global Note to Global Note.* If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Trustee will (y) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of

such transfer or exchange and (z) record a like increase in the principal amount of the other Global Note. Any beneficial interest in one Global Note that is transferred to a Person who takes delivery in the form of an interest in another Global Note, or exchanged for an interest in another Global Note, will, upon transfer or exchange, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer and exchange restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(ii) *Global Note to Certificated Note.* If a beneficial interest in a Global Note is transferred or exchanged for a Certificated Note, the Trustee will (y) record a decrease in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) deliver one or more new Certificated Notes in authorized denominations having an equal aggregate principal amount to the transferee (in the case of a transfer) or the owner of such beneficial interest (in the case of an exchange), registered in the name of such transferee or owner, as applicable.

(iii) *Certificated Note to Global Note.* If a Certificated Note is transferred or exchanged for a beneficial interest in a Global Note, the Trustee will (x) cancel such Certificated Note, (y) record an increase in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) in the event that such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

(iv) *Certificated Note to Certificated Note.* If a Certificated Note is transferred or exchanged for another Certificated Note, the Trustee will (x) cancel the Certificated Note being transferred or exchanged, (y) deliver one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Certificated Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or more Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

Section 4. *Restrictions on Transfer and Exchange.*

(a) The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section 4 and Section 3 and, in the case of a Global Note (or a beneficial interest therein), the applicable rules and procedures of the Depositary. The Security Registrar shall refuse to register any requested transfer or exchange that does not comply with the preceding sentence.

(b) Subject to paragraph (a) of this Section 4, the transfer or exchange of any Note (or a beneficial interest therein) of the type set forth in column A below for a Note (or a beneficial interest therein) of the type set forth opposite in column B below may only be made in compliance with the certification requirements (if any) described in the clause of this paragraph set forth opposite in column C below.

(i) No certification is required.

(ii) The Person requesting the transfer or exchange must deliver or cause to be delivered to the Security Registrar a duly completed Regulation S Certificate; *provided*, that if the requested transfer or exchange is made by the Holder of a Certificated Note that does not bear the Restricted Legend, then no certification is required.

(iii) The Person requesting the transfer or exchange must deliver or cause to be delivered to the Trustee (y) a duly completed Rule 144A Certificate or (z) a duly completed Regulation S Certificate, and/or an Opinion of Counsel and such other certifications and evidence as the Company may reasonably require in order to determine that the proposed transfer or exchange is being made in compliance with the Securities Act and any applicable securities laws of any state of the United States; *provided* that if the requested transfer or exchange is made by the Holder of a Certificated Note that does not bear the Restricted Legend, then no certification is required. In the event that (y) the requested transfer or exchange takes place after the Restricted Period and a duly completed Regulation S Certificate is delivered to the Security Registrar or (z) a Certificated Note that does not bear the Restricted Legend is surrendered for transfer or exchange, upon transfer or exchange the Trustee will deliver a Certificated Note that does not bear the Restricted Legend.

(iv) The Person requesting the transfer or exchange must deliver or cause to be delivered to the Security Registrar a duly completed Rule 144A Certificate.

(v) Notwithstanding anything to the contrary contained herein, no such exchange is permitted if the requested exchange involves a beneficial interest in a Temporary Offshore Global Note. If the requested transfer involves a beneficial interest in a Temporary Offshore Global Note, the Person requesting the transfer must deliver or cause to be delivered to the Security Registrar a duly completed Rule 144A Certificate and/or an Opinion of Counsel and such other certifications and evidence as the Company may reasonably require in order to determine that the proposed transfer is being made in compliance with the Securities Act and any

applicable securities laws of any state of the United States. If the requested transfer or exchange involves a beneficial interest in a Permanent Offshore Global Note, no certification is required and the Trustee will deliver a Certificated Note that does not bear the Restricted Legend.

- (c) No certification is required in connection with any transfer or exchange of any Note (or a beneficial interest therein):
 - (i) after such Note is eligible for resale pursuant to Rule 144 under the Securities Act (or a successor provision) without compliance with any limits thereunder and the Restricted Legend is no longer necessary or appropriate in order to ensure that subsequent transfers of the Note (or a beneficial interest therein) are effected in compliance with the Securities Act; *provided* that the Company has provided the Trustee with an Officers' Certificate to that effect, and the Company may require from any Person requesting a transfer or exchange in reliance upon this clause (i) an opinion of counsel and any other reasonable certifications and evidence in order to support such certificate; or
 - (ii) sold pursuant to an effective registration statement under the Securities Act, pursuant to the Registration Rights Agreement or otherwise; or
 - (iii) which is validly tendered for exchange into an Exchange Note pursuant to an Offer.

Any Note delivered in reliance upon this paragraph shall not bear the Restricted Legend.

(d) The Trustee will retain copies of all certificates, opinions and other documents received in connection with the transfer or exchange of a Note (or a beneficial interest therein) in accordance with its then applicable record retention requirements, and the Company will have the right to inspect and make copies thereof at any reasonable time upon written notice to the Trustee.

(e) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under the Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, the Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 5. *Temporary Offshore Global Notes.*

(a) An owner of a beneficial interest in a Temporary Offshore Global Note (or a Person acting on behalf of such an owner) may provide to the Trustee (and the Trustee will accept) a duly completed Certificate of Beneficial Ownership at any time after the Restricted Period (it being understood that the Trustee will not accept any such certificate during the Restricted Period). Promptly after acceptance of a Certificate of Beneficial Ownership with respect to such a beneficial interest, the Trustee will cause such beneficial interest to be exchanged for an equivalent beneficial interest in a Permanent Offshore Global Note, and will (x) permanently reduce the principal amount of such Temporary Offshore Global Note by the amount of such beneficial interest and (y) increase the principal amount of such Permanent Offshore Global Note by the amount of such beneficial interest.

(b) Notwithstanding anything to the contrary contained herein, any owner of a beneficial interest in a Temporary Offshore Global Note shall not be entitled to receive payment of principal or interest on such beneficial interest or other amounts in respect of such beneficial interest until such beneficial interest is exchanged for an interest in a Permanent Offshore Global Note or transferred for an interest in another Global Note or a Certificated Note.

[REVERSE OF NOTE]

PEPSICO, INC.

5.50% SENIOR NOTE DUE 2035, SERIES A

This Note is one of a duly authorized issue of debentures, notes or other evidences of indebtedness of the Company (herein called the “**Securities**”), issued and to be issued in one or more series under an Indenture, dated as of May 21, 2007 (herein called the “**Indenture**”), between the Company and The Bank of New York Mellon, as Trustee (herein called the “**Trustee**,” which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee, and the Holders of the Securities, the terms upon which the Securities are, and are to be, authenticated and delivered, and the definition of capitalized terms used herein and not otherwise defined herein. The Securities may be issued in one or more series, which different series may be issued in various aggregate principal amounts, may be denominated in different currencies, may mature at different times, may bear interest (if any) at different rates (which rates may be fixed or variable), may be subject to different redemption provisions (if any), may be subject to different sinking, purchase, or analogous funds (if any), may be subject to different covenants and Events of Default, and may otherwise vary as provided in the Indenture. This Note is one of a series of Securities of the Company designated as set forth on the face hereof (herein called the “**Notes**”), initially issued on November 9, 2018 (the “**Initial Issue Date**”) and initially limited in aggregate principal amount to \$.

The Notes will be redeemable at the option of the Company at any time in whole or from time to time in part in increments of \$1,000, at the greater of (i) 100% of the principal amount of the Notes to be redeemed and (ii) as determined by the Independent Investment Banker, the sum of the present values of the remaining scheduled payments of principal of the Notes to be redeemed plus interest thereon from the Redemption Date (exclusive of interest payable on such Redemption Date) through the Scheduled Maturity Date, discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 0.20%, plus accrued and unpaid interest to but excluding the Redemption Date, but interest payments due with respect to this Note on an Interest Payment Date or prior to the Redemption Date will be payable to the Holder of this Note at the close of business on the relevant Record Date. The Company may exercise such option by causing the Trustee to mail a notice of such redemption, at least 30 but not more than 60 calendar days prior to the date of redemption, in accordance with the provisions of the Indenture.

“**Comparable Treasury Issue**” means the United States Treasury security selected by the Independent Investment Banker as having a maturity comparable to the remaining term of the Notes that would be used, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes.

“**Comparable Treasury Price**” means with respect to any redemption date for the notes (i) the average of five Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (ii) if the Independent Investment Banker obtains fewer than five such Reference Treasury Dealer Quotations, the average of all such quotations.

“**Independent Investment Banker**” means one of the Reference Treasury Dealers appointed by the Company.

“**Reference Treasury Dealer**” means each of any five primary U.S. Government securities dealers in the United States of America selected by the Company.

“**Reference Treasury Dealer Quotations**” means, with respect to each Reference Treasury Dealer and any Redemption Date, the arithmetic average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer at 3:30 p.m. (New York City time) on the third New York Business Day before the Redemption Date.

“**Treasury Rate**” means, with respect to any Redemption Date, (i) the yield, under the heading which represents the average for the week immediately prior to the third New York Business Day before such Redemption Date, appearing in the most recently published statistical release designated H.15(519) or any successor publication which is published weekly by the Federal Reserve and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the caption “Treasury Constant Maturities,” for the maturity corresponding to the remaining term of the Notes (if no maturity is within three months before or after such remaining term, yields for the two published maturities most closely corresponding to such remaining term shall be determined and the Treasury Rate shall be interpolated or extrapolated from such yields on a straight-line basis, rounding to the nearest month) or (ii) if such release (or any successor release) is not published during the week preceding the third New York Business Day before such Redemption Date or does not contain such yields, the rate per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue for the Notes, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

The Trustee will not be responsible for calculating the Redemption Price of the Notes or portions thereof called for redemption.

Notice of any redemption will be transmitted at least 30 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed (or delivered electronically in accordance with the procedures of DTC). If fewer than all of the Notes are to be redeemed, the particular Notes to be redeemed, in the case of Notes in global form, shall be selected in accordance with the procedures of the Depositary. In the case of physical Notes in definitive form such selection shall be done by the Trustee by lot. If any Note is to be redeemed only in part, the notice of redemption that relates to such Note shall state the principal amount thereof to be redeemed. A new Note in principal amount equal to and in exchange for the unredeemed portion of the principal of the Note surrendered may be issued in the name of the Holder of the Note upon surrender of the original Note.

The Company has agreed with certain dealer managers pursuant to a Registration Rights Agreement dated as of November 9, 2018 (the “**Registration Rights Agreement**”), a copy of which may be obtained from the Company, to offer to exchange this Note for an Exchange Note (as defined in Annex I to this Note) issued under the Indenture and registered under the Securities Act of 1933. If a “Registration Default” occurs under the Registration Rights Agreement, the Company may be required to pay additional interest on this Note during the continuance of such default (not to exceed 0.25% per

annum) as specified in the Registration Rights Agreement. Holders of Exchange Notes will vote and consent together with Holders of this Note and all other Notes of this series on all matters under the Indenture, this Note, the Notes of this series and the Exchange Notes on which Holders of this Note, the Notes of this series and the Exchange Notes are entitled to vote and consent. This Note and the Holder hereof are entitled to the benefits of the Registration Rights Agreement, and as provided in the Registration Rights Agreement, the Holder of this Note is deemed to have agreed to be bound by the provisions of the Registration Rights Agreement whether or not such Holder has signed the Registration Rights Agreement.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected by such amendment or modification. The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

The Indenture contains provisions setting forth certain conditions to the institution of proceedings by Holders of Securities with respect to the Indenture or for any remedy under the Indenture.

If an Event of Default with respect to the Notes shall occur and be continuing, the principal amount hereof may be declared due and payable or may be otherwise accelerated in the manner and with the effect provided in the Indenture.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, as well as to the restrictions set forth in the legend on the face hereof, the transfer of this Note is registerable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any Place of Payment duly endorsed, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed, by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, this Note is exchangeable for a like aggregate principal amount of Notes of different authorized denominations as requested by the Holder surrendering the same.

No service charge shall be made for any such registration or transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to the presentment of this Note for registration of transfer, the Company, the Trustee, and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Note is overdue, and neither the Company, the Trustee, nor any such agent shall be affected by notice to the contrary.

Annex I (Provisions Relating to Registration, Transfer and Exchange) hereto is hereby incorporated by reference herein.

PRIOR TO THE REGISTRATION OF ANY TRANSFER IN ACCORDANCE WITH (2)(c) ABOVE OR (2)(d) ABOVE, A DULY COMPLETED AND SIGNED CERTIFICATE (THE FORM OF WHICH MAY BE OBTAINED FROM THE TRUSTEE) MUST BE DELIVERED TO THE TRUSTEE. PRIOR TO THE REGISTRATION OF ANY TRANSFER IN ACCORDANCE WITH (2)(e) ABOVE, PEPSICO, INC. RESERVES THE RIGHT TO REQUIRE THE DELIVERY OF SUCH LEGAL OPINIONS, CERTIFICATIONS OR OTHER EVIDENCE AS MAY REASONABLY BE REQUIRED IN ORDER TO DETERMINE THAT THE PROPOSED TRANSFER IS BEING MADE IN COMPLIANCE WITH THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS. NO REPRESENTATION IS MADE AS TO THE AVAILABILITY OF ANY RULE 144 EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

(c) Each Offshore Global Note issued on the Initial Issue Date (such an Offshore Global Note, a “**Temporary Offshore Global Note**”) shall bear the following legend (the “**Temporary Offshore Global Note Legend**”) until such legend may be removed in accordance with its terms:

THIS NOTE IS A TEMPORARY OFFSHORE GLOBAL NOTE. PRIOR TO THE EXPIRATION OF THE RESTRICTED PERIOD APPLICABLE HERETO, BENEFICIAL INTERESTS HEREIN MAY NOT BE HELD BY ANY PERSON OTHER THAN (1) A NON-U.S. PERSON OR (2) A U.S. PERSON THAT PURCHASED SUCH INTEREST IN A TRANSACTION EXEMPT FROM REGISTRATION UNDER THE SECURITIES ACT. BENEFICIAL INTERESTS HEREIN ARE NOT EXCHANGEABLE FOR PHYSICAL NOTES OTHER THAN A PERMANENT OFFSHORE GLOBAL NOTE IN ACCORDANCE WITH THE TERMS OF THE INDENTURE UNDER WHICH THE NOTES WERE ISSUED. TERMS IN THIS LEGEND ARE USED AS USED IN REGULATIONS UNDER THE SECURITIES ACT.

THE FOREGOING LEGEND MAY BE REMOVED FROM THIS NOTE AT THE DIRECTION OF THE COMPANY AFTER 40 DAYS BEGINNING ON AND INCLUDING

THE LATER OF (a) THE DATE ON WHICH THE NOTES ARE OFFERED TO PERSONS OTHER THAN DISTRIBUTORS (AS DEFINED IN REGULATION S UNDER THE SECURITIES ACT) AND (b) THE ORIGINAL ISSUE DATE OF THE NOTES.

Section 3. *Registration, Transfer and Exchange.*

(a) Each Global Note will be registered in the name of the Depository or its nominee and, so long as DTC is serving as the Depository thereof, shall bear the DTC Legend.

(i) Each Global Note will be delivered to the Trustee as Depository Custodian. Transfers of a Global Note (but not a beneficial interest therein) will be limited to transfers thereof in whole, but not in part, to the Depository, its successors or their respective nominees, except as set forth in clause (iii) of this Section 3(a) and subject to compliance with Section 4.

(ii) Agent Members will have no rights under the Indenture with respect to any Global Note held on their behalf by the Depository, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and Holder of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, the Depository or its nominee may grant proxies and otherwise authorize any Person (including any Agent Member and any Person that holds a beneficial interest in a Global Note through an Agent Member) to take any action which a Holder is entitled to take under the Indenture or the Notes, and nothing herein will impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a holder of any security.

(iii) If (x) the Depository notifies the Company that it is unwilling or unable to continue as Depository for a Global Note and a successor depository is not appointed by the Company within 90 days of such notice or (y) an Event of Default has occurred and is continuing and the Trustee has received a written request from the holders of a majority of the Notes outstanding, the Company will promptly execute and deliver to the Trustee for authentication, and the Trustee will exchange each beneficial interest in the Global Note for one or more Certificated Notes in authorized denominations having an equal aggregate principal amount registered in the name of the owner of such beneficial interest, as identified to the Trustee by the Depository, and thereupon the Global Note will be deemed canceled. If such Note does not bear the Restricted Legend, then the Certificated Notes issued in exchange therefor shall not bear the Restricted Legend. If such Note bears the Restricted Legend, then the Certificated Notes issued in exchange therefor shall bear the Restricted Legend, *provided* that any Holder of any such Certificated Note issued in exchange for a beneficial interest in a Temporary Offshore Global Note will have the right upon presentation to the Trustee of a duly completed Certificate of Beneficial Ownership after the Restricted Period to exchange such Certificated Note for a Certificated Note of like tenor and amount that does not bear the Restricted Legend.

(b) Each Certificated Note will be registered in the name of the Holder thereof or its nominee.

(c) (i) *Global Note to Global Note.* If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Trustee will (y) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of

such transfer or exchange and (z) record a like increase in the principal amount of the other Global Note. Any beneficial interest in one Global Note that is transferred to a Person who takes delivery in the form of an interest in another Global Note, or exchanged for an interest in another Global Note, will, upon transfer or exchange, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer and exchange restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(ii) *Global Note to Certificated Note.* If a beneficial interest in a Global Note is transferred or exchanged for a Certificated Note, the Trustee will (y) record a decrease in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) deliver one or more new Certificated Notes in authorized denominations having an equal aggregate principal amount to the transferee (in the case of a transfer) or the owner of such beneficial interest (in the case of an exchange), registered in the name of such transferee or owner, as applicable.

(iii) *Certificated Note to Global Note.* If a Certificated Note is transferred or exchanged for a beneficial interest in a Global Note, the Trustee will (x) cancel such Certificated Note, (y) record an increase in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) in the event that such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

(iv) *Certificated Note to Certificated Note.* If a Certificated Note is transferred or exchanged for another Certificated Note, the Trustee will (x) cancel the Certificated Note being transferred or exchanged, (y) deliver one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Certificated Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or more Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

Section 4. *Restrictions on Transfer and Exchange.*

(a) The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section 4 and Section 3 and, in the case of a Global Note (or a beneficial interest therein), the applicable rules and procedures of the Depositary. The Security Registrar shall refuse to register any requested transfer or exchange that does not comply with the preceding sentence.

(b) Subject to paragraph (a) of this Section 4, the transfer or exchange of any Note (or a beneficial interest therein) of the type set forth in column A below for a Note (or a beneficial interest therein) of the type set forth opposite in column B below may only be made in compliance with the certification requirements (if any) described in the clause of this paragraph set forth opposite in column C below.

(ii) The Person requesting the transfer or exchange must deliver or cause to be delivered to the Security Registrar a duly completed Regulation S Certificate; *provided*, that if the requested transfer or exchange is made by the Holder of a Certificated Note that does not bear the Restricted Legend, then no certification is required.

(iii) The Person requesting the transfer or exchange must deliver or cause to be delivered to the Trustee (y) a duly completed Rule 144A Certificate or (z) a duly completed Regulation S Certificate, and/or an Opinion of Counsel and such other certifications and evidence as the Company may reasonably require in order to determine that the proposed transfer or exchange is being made in compliance with the Securities Act and any applicable securities laws of any state of the United States; *provided* that if the requested transfer or exchange is made by the Holder of a Certificated Note that does not bear the Restricted Legend, then no certification is required. In the event that (y) the requested transfer or exchange takes place after the Restricted Period and a duly completed Regulation S Certificate is delivered to the Security Registrar or (z) a Certificated Note that does not bear the Restricted Legend is surrendered for transfer or exchange, upon transfer or exchange the Trustee will deliver a Certificated Note that does not bear the Restricted Legend.

(iv) The Person requesting the transfer or exchange must deliver or cause to be delivered to the Security Registrar a duly completed Rule 144A Certificate.

(v) Notwithstanding anything to the contrary contained herein, no such exchange is permitted if the requested exchange involves a beneficial interest in a Temporary Offshore Global Note. If the requested transfer involves a beneficial interest in a Temporary Offshore Global Note, the Person requesting the transfer must deliver or cause to be delivered to the Security Registrar a duly completed Rule 144A Certificate and/or an Opinion of Counsel and such other certifications and evidence as the Company may reasonably require in order to determine that the proposed transfer is being made in compliance with the Securities Act and any

applicable securities laws of any state of the United States. If the requested transfer or exchange involves a beneficial interest in a Permanent Offshore Global Note, no certification is required and the Trustee will deliver a Certificated Note that does not bear the Restricted Legend.

- (c) No certification is required in connection with any transfer or exchange of any Note (or a beneficial interest therein):
 - (i) after such Note is eligible for resale pursuant to Rule 144 under the Securities Act (or a successor provision) without compliance with any limits thereunder and the Restricted Legend is no longer necessary or appropriate in order to ensure that subsequent transfers of the Note (or a beneficial interest therein) are effected in compliance with the Securities Act; *provided* that the Company has provided the Trustee with an Officers' Certificate to that effect, and the Company may require from any Person requesting a transfer or exchange in reliance upon this clause (i) an opinion of counsel and any other reasonable certifications and evidence in order to support such certificate; or
 - (ii) sold pursuant to an effective registration statement under the Securities Act, pursuant to the Registration Rights Agreement or otherwise; or
 - (iii) which is validly tendered for exchange into an Exchange Note pursuant to an Offer.

Any Note delivered in reliance upon this paragraph shall not bear the Restricted Legend.

(d) The Trustee will retain copies of all certificates, opinions and other documents received in connection with the transfer or exchange of a Note (or a beneficial interest therein) in accordance with its then applicable record retention requirements, and the Company will have the right to inspect and make copies thereof at any reasonable time upon written notice to the Trustee.

(e) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under the Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, the Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 5. *Temporary Offshore Global Notes.*

(a) An owner of a beneficial interest in a Temporary Offshore Global Note (or a Person acting on behalf of such an owner) may provide to the Trustee (and the Trustee will accept) a duly completed Certificate of Beneficial Ownership at any time after the Restricted Period (it being understood that the Trustee will not accept any such certificate during the Restricted Period). Promptly after acceptance of a Certificate of Beneficial Ownership with respect to such a beneficial interest, the Trustee will cause such beneficial interest to be exchanged for an equivalent beneficial interest in a Permanent Offshore Global Note, and will (x) permanently reduce the principal amount of such Temporary Offshore Global Note by the amount of such beneficial interest and (y) increase the principal amount of such Permanent Offshore Global Note by the amount of such beneficial interest.

(b) Notwithstanding anything to the contrary contained herein, any owner of a beneficial interest in a Temporary Offshore Global Note shall not be entitled to receive payment of principal or interest on such beneficial interest or other amounts in respect of such beneficial interest until such beneficial interest is exchanged for an interest in a Permanent Offshore Global Note or transferred for an interest in another Global Note or a Certificated Note.

“Trust Indenture Act” shall mean the Trust Indenture Act of 1939, as amended from time to time.

“Trustee” shall mean the trustee with respect to the Securities.

“Underwriter” shall have the meaning set forth in Section 3(e) hereof.

“Underwritten Offering” shall mean an offering in which Registrable Securities are sold to an Underwriter for reoffering to the public.

2. Registration Under the Securities Act. (a) To the extent not prohibited by any applicable law or applicable interpretations of the Staff, the Company shall use its commercially reasonable efforts to (x) file an Exchange Offer Registration Statement covering an offer to the Holders to exchange all the Registrable Securities for Exchange Securities and (y) cause such Exchange Offer Registration Statement to be declared effective within 365 days after the date hereof (or if such 365th day is not a Business Day, the next succeeding Business Day) for use by one or more Exchanging Broker-Dealers. Upon effectiveness of the Exchange Offer Registration Statement, the Company will use commercially reasonable efforts to commence promptly the Exchange Offer and complete the Exchange Offer not later than 395 days after the date hereof (or if such 395th day is not a Business Day, the next succeeding Business Day).

The Company shall commence the Exchange Offer by delivering the related Prospectus, appropriate letters of transmittal and other accompanying documents to each Holder stating, in addition to such other disclosures as are required by applicable law, substantially the following:

- (i) that the Exchange Offer is being made pursuant to this Agreement and that all Registrable Securities validly tendered and not properly withdrawn will be accepted for exchange;
- (ii) the dates of acceptance for exchange (which shall be a period of at least 30 days from the date such notice is mailed), or longer if required by applicable law (the “Exchange Dates”);
- (iii) that any Registrable Security not tendered will remain outstanding and continue to accrue interest but will not retain any rights under this Agreement, except as otherwise specified herein;
- (iv) that any Holder electing to have a Registrable Security exchanged pursuant to the Exchange Offer will be required to (A) surrender such Registrable Security, together with the appropriate letters of transmittal, to the institution and at the address and in the manner specified in the notice, or (B) effect such exchange otherwise in compliance with the applicable procedures of the depository for such Registrable Security, in each case prior to the close of business on the last Exchange Date; and

- (v) that any Holder will be entitled to withdraw its election, not later than the close of business on the last Exchange Date, by (A) sending to the institution and at the address specified in the notice, a telegram, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange and a statement that such Holder is withdrawing its election to have such Securities exchanged or (B) effecting such withdrawal in compliance with the applicable procedures of the depositary for the Registrable Securities.

As a condition to participating in the Exchange Offer, a Holder will be required to represent to the Company that (1) any Securities acquired by it were, and any Exchange Securities to be received by it will be, acquired in the ordinary course of its business, (2) at the time of the commencement of the Exchange Offer it has no arrangement or understanding with any Person to participate, and is not engaged and does not intend to engage in the distribution (within the meaning of the Securities Act), of the Exchange Securities in violation of the provisions of the Securities Act, (3) it is not an "affiliate" (within the meaning of Rule 405 under the Securities Act) of the Company, (4) it is not a broker-dealer tendering Securities that it acquired in exchange for Metro Notes (as such term is defined in the Dealer Manager Agreement) acquired directly from the Company for its own account, and (5) if such Holder is a broker-dealer that will receive Exchange Securities for its own account in exchange for Registrable Securities that were acquired as a result of market-making or other trading activities, then such Holder will deliver a Prospectus (or, to the extent permitted by law, make available a Prospectus to purchasers) in connection with any resale of such Exchange Securities.

As soon as practicable after the last Exchange Date, the Company shall:

- (I) accept for exchange Registrable Securities or portions thereof validly tendered and not properly withdrawn pursuant to the Exchange Offer; and
- (II) deliver, or cause to be delivered, to the Trustee for cancellation all Registrable Securities or portions thereof so accepted for exchange by the Company and issue, and cause the Trustee to promptly authenticate and deliver to each Holder, Exchange Securities equal in principal amount to the principal amount of the Registrable Securities tendered by such Holder.

The Company shall use its commercially reasonable efforts to complete the Exchange Offer as provided above and shall comply with the applicable requirements of the Securities Act, the Exchange Act and other applicable laws and regulations in connection with the Exchange Offer. The Exchange Offer shall not be subject to any conditions, other than that the Exchange Offer does not violate any applicable law or applicable interpretations of the Staff.

- (b) In the event that (i) the Company determines that the Exchange Offer Registration provided for in Section 2(a) hereof is not available or the Exchange Offer may not be completed as soon as practicable after the last Exchange Date due to a change in law or in applicable interpretations of the Staff, (ii) the Exchange Offer is not for any

other reason completed within 395 days after the date hereof (or if such 395th day is not a Business Day, the next succeeding Business Day), (iii) any Holder informs the Company prior to the day that is 20 days following the completion of the Exchange Offer that it was prohibited by law or SEC policy from participating in the Exchange Offer (other than due solely to the status of such Holder as an affiliate of the Company within the meaning of the Securities Act) or (iv) in the case of any such Holder that participates in the Exchange Offer, such Holder does not receive freely tradable Exchange Securities in exchange for tendered Securities, other than by reason of such Holder being an affiliate of the Company within the meaning of the Securities Act (it being understood that, for purposes of this Section 2, the requirement that an Exchanging Broker-Dealer deliver a Prospectus in connection with resales of Exchange Securities acquired in the Registered Exchange Offer in exchange for Securities acquired as a result of market making activities or other trading activities shall not result in such Exchange Securities being not “freely tradable”), the Company shall use its commercially reasonable efforts to file after such determination or date, as the case may be, a Shelf Registration Statement providing for the sale of all the Registrable Securities by the Holders thereof and to use commercially reasonable efforts to cause such Shelf Registration Statement to be declared effective under the Securities Act within 210 days after the date, if any, on which the Company becomes obligated to file the Shelf Registration Statement (or if such 210th day is not a Business Day, the next succeeding Business Day); or shall, if permitted by Rule 430B under the Securities Act, otherwise designate an existing effective registration statement with the SEC for use by the Holders as a Shelf Registration Statement, relating to the offer and sale of the Securities or the Exchange Securities, as applicable, by the Holders from time to time in accordance with the methods of distribution elected by such Holders and set forth in such Shelf Registration Statement, and any such existing registration statement, as so designated, shall be referred to herein as, and governed by the provisions herein applicable to, a Shelf Registration Statement; provided that no Holder will be entitled to have any Registrable Securities included in any Shelf Registration Statement, or entitled to use the prospectus forming a part of such Shelf Registration Statement, until such Holder shall have delivered a completed and signed Notice and Questionnaire and provided such other information regarding such Holder to the Company as is contemplated by Section 3(b) hereof.

In the event that the Company is required to file a Shelf Registration Statement pursuant to clause (iii) of the preceding sentence, the Company shall use its commercially reasonable efforts to file and have become effective both an Exchange Offer Registration Statement pursuant to Section 2(a) hereof with respect to all Registrable Securities and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement) with respect to offers and sales of Registrable Securities held by the Holders after completion of the Exchange Offer.

The Company agrees to use its commercially reasonable efforts to keep the Shelf Registration Statement continuously effective for a period of two years from the date hereof or such shorter period that will terminate when all the Securities covered by the Shelf Registration Statement have been sold pursuant to the Shelf Registration Statement (the “Shelf Effectiveness Period”). The Company further agrees to supplement or amend the Shelf Registration Statement, the related Prospectus and any Free Writing Prospectus if required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement or by the Securities Act or by any other rules and regulations thereunder or if reasonably requested by a Holder of Registrable Securities with respect to information relating to such Holder, and to use their commercially reasonable efforts to cause any such amendment to become effective, if required, and such Shelf Registration Statement, Prospectus or Free Writing Prospectus, as the case may be, to become usable as soon as thereafter practicable. The Company agrees to furnish to the Participating Holders copies of any such supplement or amendment promptly after its being used or filed with the SEC.

(c) The Company shall pay all Registration Expenses in connection with any registration pursuant to Section 2(a) or Section 2(b) hereof. Each Holder shall pay all underwriting discounts and commissions, brokerage commissions and transfer taxes on resale of any of the securities by such Holders.

(d) An Exchange Offer Registration Statement pursuant to Section 2(a) hereof will not be deemed to have become effective unless it has been declared effective by the SEC. A Shelf Registration Statement pursuant to Section 2(b) hereof will not be deemed to have become effective unless it has been declared effective by the SEC or is automatically effective upon filing with the SEC as provided by Rule 462 under the Securities Act.

If a Registration Default occurs, the interest rate on the Registrable Securities will be increased by 0.25% per annum from and including the date on which any Registration Default occurs to, but not including, the date on which all Registration Defaults have been cured. A Registration Default ends when the Securities cease to be Registrable Securities or, if earlier, (1) in the case of a Registration Default under clause (i) of the definition thereof, when the Exchange Offer or Shelf Registration, as applicable, is completed, (2) in the case of a Registration Default under clause (ii) or clause (iii) of the definition thereof, when the Exchange Offer Registration Statement or Shelf Registration Statement, as applicable, becomes effective or again becomes effective or again becomes usable. If at any time more than one Registration Default has occurred and is continuing, then, until the next date that there is no Registration Default, the increase in interest rate provided for by this paragraph shall apply as if there occurred a single Registration Default that begins on the date that the earliest such Registration Default occurred and ends on such next date that there is no Registration Default. Following the cure of all Registration Defaults, the accrual of additional interest on the Securities will cease and the interest rate will revert to the applicable original rate on the Securities. Any additional interest will be the exclusive remedy, monetary or otherwise, available to any holder of affected Securities with respect to any Registration Default.

(e) Without limiting the remedies available to the Holders, the Company acknowledges that any failure by the Company to comply with its obligations under Section 2(a) and Section 2(b) hereof may result in material irreparable injury to the Holders for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, any Holder may obtain such relief as may be required to specifically enforce the Company's obligations under Section 2(a) and Section 2(b) hereof.

3. Registration Procedures. (a) In connection with its obligations pursuant to Section 2(a) and Section 2(b) hereof, the Company shall promptly:

(i) prepare and file with the SEC a Registration Statement on the appropriate form under the Securities Act, which form (A) shall be selected by the Company, (B) shall, in the case of a Shelf Registration, be available for the sale of the Registrable Securities by the Holders thereof and (C) shall comply, in all material respects, with the Securities Act and the rules and regulations of the SEC thereunder; and use its

commercially reasonable efforts to cause such Registration Statement to become effective and remain effective for the applicable period in accordance with Section 2 hereof;

(ii) prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary to keep such Registration Statement effective for the applicable period in accordance with Section 2 hereof and cause each Prospectus to be supplemented by any required prospectus supplement and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act; and keep each Prospectus current during the period described in Section 4(3) of, and Rule 174 under the Securities Act that is applicable to transactions by brokers or dealers with respect to the Registrable Securities or Exchange Securities;

(iii) to the extent any Free Writing Prospectus is used, file with the SEC any Free Writing Prospectus that is required to be filed by the Company with the SEC in accordance with the Securities Act;

(iv) in the case of a Shelf Registration, furnish to each Underwriter of an Underwritten Offering of Registrable Securities, if any, and Holder, as many copies of each Prospectus, preliminary prospectus or Free Writing Prospectus, and any amendment or supplement thereto, as such Underwriter may reasonably request; *provided, however*, that the expense of preparing, filing, and supplying copies to such Underwriter of any such amendment or supplement will be borne by the Company only for the nine-month period immediately following the offering and sale of the Registrable Securities and thereafter will be borne by such Underwriter; and, further provided, subject to Section 3(c) hereof, the Company consents to the use of such Prospectus, preliminary prospectus or such Free Writing Prospectus and any amendment or supplement thereto in accordance with applicable law by each of the Participating Holders and any such Underwriters in connection with the offering and sale of the Registrable Securities covered by and in the manner described in such Prospectus, preliminary prospectus or such Free Writing Prospectus or any amendment or supplement thereto in accordance with applicable law;

(v) use its commercially reasonable efforts to endeavor to qualify the Registrable Securities for offer and sale under the Blue Sky laws or other securities laws of such jurisdictions as any Participating Holder shall reasonably request in writing by the time the applicable Registration Statement becomes effective for as long as required with respect to the disposition in each such jurisdiction of the Registrable Securities owned by such Participating Holder; provided that the Company shall not be required to (1) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (2) file any general consent to service of process in any such jurisdiction or (3) subject itself to taxation in any such jurisdiction if it is not so subject;

(vi) advise counsel for the Holders and, in the case of a Shelf Registration, notify each Participating Holder and counsel for such Participating Holder promptly and, if requested by any such Participating Holder or counsel, confirm such advice in writing

of (1) the filing and effectiveness of any amendment to the Registration Statement other than by virtue of the Company's filing any report required to be filed under the Exchange Act, (2) any request by the SEC for any amendment to a Registration Statement, for any amendment or supplement to a Prospectus or Free Writing Prospectus or for any additional information from the Company, (3) the issuance by the SEC of any stop order suspending the effectiveness of a Registration Statement or the institution or threatening of any proceeding for that purpose, including the receipt by the Company of any notice of objection of the SEC to the use of a Shelf Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act, (4) if, between the applicable effective date of a Shelf Registration Statement and the closing of any sale of Registrable Securities covered thereby, the receipt by the Company of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose and (5) the happening of any event during the period a Shelf Registration Statement is effective that makes any statement made in such Shelf Registration Statement or the related Prospectus or any Free Writing Prospectus untrue in any material respect or that requires the making of any changes in such Shelf Registration Statement or Prospectus or any Free Writing Prospectus in order to make the statements therein not misleading, in the case of the Shelf Registration Statement, and in light of the circumstances under which they were made, in the case of the Prospectus and the Free Writing Prospectus;

(vii) use its reasonable efforts to prevent the issuance of any stop order or notice of suspension of the effectiveness of a Registration Statement or, in the case of a Shelf Registration, any objection of the SEC pursuant to Rule 401(g)(2) under the Securities Act, and, if issued, obtain as soon as reasonably possible the withdrawal thereof;

(viii) if any event shall occur or condition exist as a result of which it is necessary to amend or supplement the applicable Exchange Offer Registration Statement or Shelf Registration Statement or the related Prospectus or any Free Writing Prospectus in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if any event shall occur or condition exist as a result of which any Prospectus or Free Writing Prospectus conflicts with the information contained in the applicable Exchange Offer Registration Statement or Shelf Registration Statement then on file, or if, in the opinion of counsel for the Holders, it is necessary to amend or supplement the applicable Exchange Offer Registration Statement or Shelf Registration Statement or the related Prospectus or any Free Writing Prospectus to comply with applicable law, forthwith to prepare, file with the SEC and furnish, at its own expense, to any Participating Holders, such Exchanging Broker-Dealers and the Holders, as the case may be, upon request, either such amendments or supplements so that the statements in such amendments or supplements will not, in the light of the circumstances under which they were made, be misleading or so that the Prospectus or Free Writing Prospectus, as amended or supplemented, will no longer conflict with the applicable Exchange Offer Registration Statement or Shelf Registration Statement, or so that the Prospectus or Free Writing Prospectus, as amended or supplemented, will comply with applicable law;

(ix) prior to the filing of any amendment to a Registration Statement or amendment or supplement to a Prospectus or a Free Writing Prospectus, the Company will afford the Dealer Managers or their counsel (and, in the case of a Shelf Registration Statement, to the Participating Holders and their counsel) a reasonable opportunity to review and comment on the same; provided, however, that the foregoing requirement will

not apply to any of the Company's filings with the Commission required to be filed pursuant to Sections 13(a), 13(c), 14, or 15(d) of the Exchange Act; and

(x) if reasonably requested by any Participating Holder, promptly include in a Prospectus supplement or post-effective amendment such information with respect to such Participating Holder as such Participating Holder reasonably requests to be included therein and make all required filings of such Prospectus supplement or such post-effective amendment as soon as the Company has received notification of the matters to be so included in such filing.

(b) In the case of a Shelf Registration Statement, the Company may require each Holder of Registrable Securities to furnish to the Company a Notice and Questionnaire and such other information regarding such Holder and the proposed disposition by such Holder of such Registrable Securities as the Company may from time to time reasonably request in writing.

(c) Each Participating Holder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3(a)(vi)(3) or Section 3(a)(vi)(5) hereof, such Participating Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Shelf Registration Statement until such Participating Holder's receipt of the copies of the supplemented or amended Prospectus and any Free Writing Prospectus contemplated by Section 3(a)(viii) hereof and, if so directed by the Company, such Participating Holder will deliver to the Company all copies in its possession, other than permanent file copies then in such Participating Holder's possession, of the Prospectus and any Free Writing Prospectus covering such Registrable Securities that is current at the time of receipt of such notice.

(d) If the Company shall give any notice to suspend the disposition of Registrable Securities pursuant to a Registration Statement, the Company shall extend the period during which such Registration Statement shall be maintained effective pursuant to this Agreement by the number of days during the period from and including the date of the giving of such notice to and including the date when the Holders of such Registrable Securities shall have received copies of the supplemented or amended Prospectus or any Free Writing Prospectus necessary to resume such dispositions. The Company may give any such notice only twice during any 365-day period and any such suspension shall not exceed 30 days for each suspension and there shall not be more than two suspensions in effect during any 365-day period.

(e) The Participating Holders who desire to do so may sell such Registrable Securities in an Underwritten Offering. In any such Underwritten Offering, the investment bank or investment banks and manager or managers (each an "Underwriter") that will administer the offering will be selected by the Holders of a majority in principal amount of the Registrable Securities included in such offering, provided that the Company shall have approved any such Underwriter in advance in writing.

4. Participation of Broker-Dealers in Exchange Offer. (a) The Staff has taken the position that any broker-dealer that receives Exchange Securities for its own

account in the Exchange Offer in exchange for Securities that were acquired by such broker-dealer as a result of market-making or other trading activities (an “Exchanging Broker-Dealer”) may be deemed to be an “underwriter” within the meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Securities.

The Company understands that it is the Staff’s position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Exchanging Broker-Dealers may resell the Exchange Securities, without naming the Exchanging Broker-Dealers or specifying the amount of Exchange Securities owned by them, such Prospectus may be delivered by Exchanging Broker-Dealers (or, to the extent permitted by law, made available to purchasers) to satisfy their prospectus delivery obligation under the Securities Act in connection with resales of Exchange Securities for their own accounts, so long as the Prospectus otherwise meets the requirements of the Securities Act.

(b) In light of the above, and notwithstanding the other provisions of this Agreement, the Company agrees to amend or supplement the Prospectus contained in the Exchange Offer Registration Statement for a period of up to 180 days after the last Exchange Date (as such period may be extended pursuant to Section 3(d) hereof), in order to expedite or facilitate the disposition of any Exchange Securities by Exchanging Broker-Dealers consistent with the positions of the Staff recited in Section 4(a) above. The Company further agrees that Exchanging Broker-Dealers shall be authorized to deliver (or, to the extent permitted by law, make available) such Prospectus during such period in connection with the resales contemplated by this Section 4.

(c) The Dealer Managers shall have no liability to the Company or any Holder with respect to any amendment or supplement that the Company may make pursuant to Section 4(b) hereof.

5. Indemnification and Contribution. In consideration of the engagement hereunder, the Company and the Dealer Managers agree to the indemnification and contribution provisions set forth in Annex A hereto, which provisions are incorporated by reference herein and constitute a part hereof.

6. General.

(a) *No Inconsistent Agreements.* The Company represents, warrants and agrees that (i) the rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of any other outstanding securities issued or guaranteed by the Company under any other agreement and (ii) the Company has not entered into, or on or after the date of this Agreement will not enter into, any agreement that is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof, except for any amendment or waiver hereto effected pursuant to Section 6(b) hereof.

(b) *Amendments and Waivers.* The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the

Company has obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or consent; provided that no amendment, modification, supplement, waiver or consent to any departure from the provisions of Section 5 hereof shall be effective as against any Holder of Registrable Securities unless consented to in writing by such Holder. Any amendments, modifications, supplements, waivers or consents pursuant to this Section 6(b) shall be by a writing executed by each of the parties hereto.

(c) *Notices.* All notices, documents and other communications hereunder shall be in writing (i) if to a Holder, at the most current address given by such Holder to the Company by means of a notice given in accordance with the provisions of this Section 6(c); (ii) if to the Company, initially at the Company's address set forth in the Dealer Manager Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c); and (iii) if to a Dealer Manager, initially at the Dealer Manager's respective address set forth in the Dealer Manager Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c); and shall be deemed received (a) upon delivery, if delivered by hand or via facsimile transmission (with confirmation of receipt) to a party's address or facsimile number, (b) one Business Day after having been mailed via Express Mail or deposited with Federal Express or any nationally recognized commercial courier service for "next day" delivery to such address.

(d) *Successors and Assigns.* This Agreement shall inure to the benefit of and be binding upon the Company and the Dealer Managers, their respective successors, and the officers, directors, and controlling persons referred to in Annex A hereto. No party to this Agreement may assign its rights hereunder without the written consent of the other parties except that Merrill Lynch, Pierce, Fenner & Smith Incorporated may, without notice to the parties, assign its rights and obligations under this Agreement to any other registered broker-dealer wholly-owned by Bank of America Corporation as of the date of this Agreement (or a registered broker-dealer wholly-owned by Bank of America Corporation at the time of its formation if such formation occurs subsequent to the date of this Agreement) to which all or substantially all of Merrill Lynch, Pierce, Fenner & Smith Incorporated's capital markets, investment banking or related businesses may be transferred following the date of this Agreement.

Nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Dealer Manager Agreement or the Indenture. If any transferee of any Holder shall acquire Registrable Securities in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement and such Person shall be entitled to receive the benefits hereof. The Dealer Managers (in their capacity as dealer managers) shall have no liability or obligation to the Company with respect to any failure by a Holder to comply with, or any breach by any Holder of, any of the obligations of such Holder under this Agreement.

(e) *Third Party Beneficiaries.* Each Holder shall be a third party beneficiary to the agreements made hereunder between the Company, on the one hand, and the Dealer Managers, on the other hand, and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights or the rights of other Holders hereunder.

(f) *Counterparts.* This Agreement may be signed in any number of counterparts, each of which will be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

(g) *Headings.* The headings of the sections in this Agreement have been inserted for convenience of reference only, and will not affect the construction of any of the terms or provisions hereof.

(h) *Applicable Law.* This Agreement will be governed by and construed in accordance with the laws of the State of New York without regard to principles of conflicts of law.

(j) *Entire Agreement; Severability.* This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all prior understandings, agreements and arrangements, written or oral, with respect thereto. In the event that any provision hereof shall be determined to be invalid or unenforceable in any respect, such determination shall not affect any other provision hereof, which shall remain in full force and effect.

Please confirm that the foregoing correctly sets forth the agreement between the Company and you.

Very truly yours,

Capitalized terms used but not defined in this Annex A have the meanings assigned to such terms in the Registration Rights Agreement to which this Annex A is attached (the "Agreement").

(a) The Company agrees to indemnify and hold each Dealer Manager and each Holder and each other entity or person, if any, who controls any Dealer Manager or Holder within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, harmless from and against any and all losses, claims, damages, or liabilities to which such Dealer Manager or Holder may become subject under the Securities Act, the Exchange Act, or any other federal or state law or regulation, at common law or otherwise, insofar as such losses, claims, damages, or liabilities (and actions in respect thereof) arise out of, are based upon, or are caused by any untrue statement or allegedly untrue statement of a material fact contained in the Registration Statement, each Prospectus, preliminary prospectus or Free Writing Prospectus or in any amendment or supplement thereto, or arise out of, are based upon or are caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and the Company agrees to reimburse each such indemnified party for any reasonable legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability, or action; provided, however, that the Company will not be liable to the extent that such losses, claims, damages, or liabilities (or actions in respect thereof) arise out of, are based upon, or are caused by any such untrue statement or omission or allegedly untrue statement or omission included in or omitted from the Registration Statement, any preliminary prospectus or the Prospectus in reliance upon and in conformity with information furnished by the Dealer Managers or Holders in writing expressly for use in the Registration Statement, each Prospectus, preliminary prospectus or Free Writing Prospectus, or any amendment or supplement thereto.

(b) Each Dealer Manager severally agrees to indemnify and hold harmless the Company, its directors, its officers who sign the Registration Statement, and each person, if any, who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, to the same extent as the foregoing indemnity from the Company to the Dealer Managers, but only with respect to such losses, claims, damages, and liabilities (and actions in respect thereof) that arise out of, are based upon, or are caused by any untrue statement or omission of a material fact or allegedly untrue statement or omission of a material fact included in or omitted from the Registration Statement, Prospectus, preliminary prospectus or Free Writing Prospectus in reliance upon and in conformity with information furnished by the Dealer Managers in writing expressly for use in the Registration Statement, Prospectus, preliminary prospectus or Free Writing Prospectus, or any amendment or supplement thereto.

(c) Each Holder severally agrees to indemnify and hold harmless the Company, its directors, its officers who sign the Registration Statement, and each person, if any,

who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, to the same extent as the foregoing indemnity from the Company to the Holders, but only with respect to such losses, claims, damages, and liabilities (and actions in respect thereof) that arise out of, are based upon, or are caused by any untrue statement or omission of a material fact or allegedly untrue statement or omission of a material fact included in or omitted from the Registration Statement, Prospectus, preliminary prospectus or Free Writing Prospectus in reliance upon and in conformity with information furnished by the Holders in writing expressly for use in the Registration Statement, Prospectus, preliminary prospectus or Free Writing Prospectus, or any amendment or supplement thereto.

(d) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to this Annex, such person (the "indemnified party") will promptly notify the person against whom such indemnity may be sought (the "indemnifying party") in writing and the indemnifying party, upon request of the indemnified party, will retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and will pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party will have the right to retain its own counsel, but the fees and expenses of such counsel will be borne by the indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and, in the judgment of the indemnified party, representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party will not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all such indemnified parties and that all such reasonable fees and expenses will be reimbursed as they are incurred. Such firm will be designated in writing by the Dealer Managers (in the case of Dealer Manager parties indemnified pursuant to paragraph (a) of this Annex), the Holders (in the case of Holder parties indemnified pursuant to paragraph (a) of this Annex), or by the Company (in the case of parties indemnified pursuant to paragraphs (b) or (c) of this Annex), as the case may be. The indemnifying party will not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent, or if there shall be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. No indemnifying party will, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding. Any provision of this paragraph (d) to the contrary notwithstanding, no failure by an indemnified party to notify the indemnifying party as required hereunder will relieve the indemnifying party from any liability it may have had

to an indemnified party otherwise than under this Annex A to the extent the indemnifying party is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement.

(e) If the indemnification provided for in paragraph (a), (b) or (c) of this Annex A is unavailable to an indemnified party or is insufficient in respect of any losses, claims, damages, or liabilities referred to therein, then each indemnifying party under such paragraph, in lieu of indemnifying the indemnified party thereunder, will contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party, on the one hand, and the indemnified party on the other, from the Exchange Offer Registration, or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the indemnifying party, on the one hand, and the indemnified party on the other, in connection with the statements or omissions that resulted in such losses, claims, damages, or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the indemnifying party, on the one hand, and the indemnified party, on the other, in connection with the Exchange Offer Registration shall be deemed to be in the same respective proportions as (i) the value received by the Company from the offering of the Securities or the Exchange Securities, to (ii) the compensation the Dealer Managers receive for effecting the Exchange Offer Registration, to (iii) the value received by the Holders from receiving Securities or Exchange Securities registered under the Securities Act. The relative fault of the indemnifying party, on the one hand, and of the indemnified party, on the other, will be determined by reference to, among other things, whether the untrue or allegedly untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied or to be supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information, and opportunity to correct or prevent such statement or omission.

(f) The Company, the Dealer Managers and the Holders agree that it would not be just or equitable if contribution pursuant to paragraph (e) above were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to therein. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, and liabilities referred to in paragraph (e) above will be deemed to include, subject to the limitations set forth above, any reasonable legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

The remedies provided for under this Annex A are not exclusive and will not limit any rights or remedies that may otherwise be available to any indemnified person at law or in equity.

The respective indemnities, rights of contribution and agreements of the Company and the Dealer Managers contained in this Annex A or made by or on behalf of the Company or the Dealer Managers pursuant hereto shall survive the delivery of securities pursuant to a Registration Statement and shall remain in full force and effect, regardless of any termination of this Agreement or any investigation made by or on behalf of the Company or the Dealer Managers.
