Item 2.01. Completion of Acquisition or Disposition of Assets.

As previously reported, on April 24, 2018, Laureate Education, Inc. (the “Company”), and Exeter Street Holdings, LLC (the “Seller”) and University of St. Augustine for Health Sciences, LLC (“USAHS”), both of which are wholly owned subsidiaries of the Company, entered into a Membership Interest Purchase Agreement (the “Agreement”) with University of St. Augustine Acquisition Corp. (the “Purchaser”), an affiliate of Altas Partners LP, to purchase from the Seller all of the issued and outstanding membership interests of USAHS.

On February 1, 2019, the transaction contemplated by the Agreement was completed following receipt of the required regulatory approvals. The total transaction value under the Agreement was \$400.0 million. Upon completion of the sale, the Seller received net proceeds of approximately \$346.4 million, which includes \$11.7 million of customary closing adjustments, and is net of \$58.1 million of debt assumed by the Purchaser and fees of \$7.2 million. The Company used \$340 million of the net proceeds to repay a portion of its U.S. term loan, with the remaining proceeds utilized to repay borrowings outstanding under its revolving credit facility.

The foregoing description of the USAHS transaction does not purport to be complete and is qualified in its entirety by reference to the Agreement, a copy of which was filed as an exhibit to the Company's Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2018.

The Company has accounted for USAHS as a discontinued operation. The transaction described above constituted a significant disposition for purposes of Item 2.01 of Form 8-K, as the Seller's business met the significant subsidiary income test for 2017. Accordingly, the pro forma financial information required by Item 9.01 is included at the end of this Current Report on Form 8-K.

Item 7.01 Regulation FD Disclosure.

On February 5, 2019, the Company issued a press release on the divestiture of USAHS and the outcome of its strategic review of Walden University (“Walden”). A copy of the press release is furnished herewith as Exhibit 99.1.

Item 8.01 Other Events.

Walden University

As previously reported, during 2018, the Company initiated a strategic review to evaluate the fit of having two scaled enterprises - one campus-based business primarily focused on emerging markets in Latin America and one fully online platform in the U.S. - together in one organization. Accordingly, we considered various strategic options for Walden, with the goal of continuing to provide the best possible experience for Walden students, as well as ensuring the best position for Walden, for us and for our key stakeholders. After thorough review, on February 5, 2019, the Company announced the outcome of its strategic review of Walden and its decision to retain Walden within Laureate Education, Inc.

Amendment of Agreement to Sell Institution in Malaysia

As previously reported, on December 11, 2017, Exeter Street Holdings Sdn. Bhd., a Malaysia corporation (the “Seller”), and Laureate Education Asia Limited, a Hong Kong corporation (the “Guarantor”), both of which are indirect wholly owned subsidiaries of Laureate Education, Inc. (the “Company”), entered into a Share Sale & Purchase Agreement (the “Agreement”) with Comprehensive Education Pte. Ltd., a Singapore corporation (the “Purchaser”) that is an affiliate of Affinity Equity Partners, a private equity firm based in Hong Kong. Pursuant to the Agreement, the Purchaser agreed to purchase from the Seller all of the issued and outstanding shares in the capital of Inti Education Holdings Sdn. Bhd., a Malaysia corporation (“Inti Holdings”), and the Guarantor agreed to guarantee certain obligations of the Seller. Inti Holdings is the indirect owner of INTI University and Colleges, a higher education institution with five campuses in Malaysia (“INTI”). In connection with the Agreement, the Seller entered into a separate agreement with the current minority owner of the equity of Inti Holdings relating to the purchase by the Seller of the minority owner's 10.10% interest in Inti Holdings, the closing of which is a precondition to the closing of the transactions under the Agreement. The total purchase price, including the payment to the current minority owner, would have been \$180.0 million. The net transaction value to the Company under the Agreement would have been \$161.8 million, subject to customary closing adjustments.

The closing of the transaction under the Agreement was subject to certain conditions, including approval by regulators in Malaysia within a prescribed period, which approval has not been obtained. On January 17, 2019, the parties agreed to amend the Agreement to provide additional time for the Purchaser to seek to obtain all required regulatory approvals. As part of that amendment, the parties agreed to reduce the total purchase price to \$140.0 million, which would result in a net transaction value to the Company of \$125.86 million, subject to customary closing adjustments. The parties now expect the transaction to close in the first half of 2019.

LAUREATE EDUCATION ANNOUNCES COMPLETION OF THE SALE OF THE UNIVERSITY OF ST. AUGUSTINE FOR HEALTH SCIENCES AND REPAYMENT OF INDEBTEDNESS

Laureate Reaffirms Network Value of Walden University

BALTIMORE, MARYLAND – February 5, 2019 - Laureate Education, Inc. (Laureate) (NASDAQ: LAUR) announced today it has completed the previously announced sale of the University of St. Augustine for Health Sciences (USAHS) to Altas Partners for a total transaction value of \$400 million. Laureate received net proceeds of \$346.4 million, which includes \$11.7 million of closing adjustments, net of \$58.1 million of debt assumed by the buyer and fees of \$7.2 million.

Laureate used \$340 million of the net proceeds to repay a portion of its U.S. term loan, with the remaining \$6.4 million in proceeds utilized to repay borrowings outstanding under its revolving credit agreement.

The strategic divestiture of USAHS was consistent with Laureate’s stated transformation plan to focus on building an enterprise at scale, with large platform institutions in key markets. This plan has resulted in Laureate’s continuing operations consisting primarily of a campus-based business focused on emerging markets in Latin America, and a fully online platform in the U.S. with Walden University.

During 2018, Laureate initiated a strategic review to evaluate the fit of having these two scaled business units together in one organization. The goal of this process was to determine the optimal outcome for Walden and its students, as well as for Laureate and its shareholders. The Board of Directors has concluded this review and has determined that Laureate will be retaining Walden University as part of its network.

“After a thorough review, we have determined it is in the best interest of Walden’s students, the university itself and other key stakeholders, including our shareholders, for Laureate to retain Walden. We believe that at this time Laureate is best positioned to support Walden in its strategy to maintain its leadership position in the working professional segment in the U.S.” said Eilif Serck-Hanssen, Chief Executive Officer.

Walden is the leader in post-graduate online education in the U.S., with particular strength in Health Sciences – ranking first in the nation in awarding master’s degrees in nursing -- demonstrating it provides a differentiated platform for Laureate in the U.S. market.

Laureate intends to continue its investment in innovations in areas where Laureate and Walden believe that Walden can be a market leader and add value to the network including:

- Competency Based Education (TEMPO™) and micro-credentials, which are yielding encouraging results.
- Increased use of education technology, virtual reality, artificial intelligence, predictive analytics and personalization to deliver customized programs and personalized experiences on learners’ terms.

Mr. Serck-Hanssen added, “Walden is a great institution and we anticipate that these kinds of innovative products and best practices originating from Walden will benefit our broader network, especially as online and hybrid delivery are becoming more prevalent across our international operations.”

Over the past 18 months Laureate has conducted a series of portfolio reviews, including the one of Walden. The U.S. higher education sector is going through a period of extensive change, and Laureate remains focused on evaluating longer-term strategies to ensure Walden’s continued success. Laureate is committed to periodic reviews of its entire portfolio, with a view to determine what is in the best interest of each of its institutions as well as its shareholders.
