(B) located, organized or resident in a country or territory that is the subject of Sanctions (including, without limitation, Crimea, Cuba, Iran, North Korea and Syria).

(ii) The Company will not, directly or indirectly, use the proceeds of the offering, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other Person:

(w) The Company and each of its subsidiaries have filed all federal, state, local and foreign tax returns required to be filed through the date of this Agreement or have requested extensions thereof (except where the failure to file would not, singly or in the aggregate, have a material adverse effect on the Company and its subsidiaries taken as a whole) and have paid all taxes required to be paid thereon (except for cases in which the failure to file or pay would not, singly or in the aggregate, have a material adverse effect on the Company and its subsidiaries, taken as a whole, or, except as currently being contested in good faith and for which reserves required by U.S. GAAP have been created in the financial statements of the Company), and no tax deficiency has been determined adversely to the Company or any of its subsidiaries which has, singly or in the aggregate, had (nor does the Company nor any of its subsidiaries have any notice or knowledge of any tax deficiency which could reasonably be expected to be determined adversely to the Company or its subsidiaries and which could reasonably be expected to have) a material adverse effect on the Company and its subsidiaries, taken as a whole.

(x) The Company and each of its subsidiaries maintain a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorizations; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain asset accountability; (iii) access to assets is permitted only in accordance with management's general or specific authorization; (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences; and (v) the interactive data in eXtensible Business Reporting Language included or incorporated by reference in the Registration Statement is accurate. The Company and its subsidiaries possess all permits, licenses, rights of way, approvals, consents and other authorizations issued by the appropriate federal, state or local regulatory agencies or bodies (including the FCC, ITU, ARCEP, ANFR, MESR or any other Telecommunications Authority) required for the conduct of the businesses currently operated by the Company and its subsidiaries (collectively, the "**Governmental Licenses**"), except where the failure to possess any such Governmental Licenses would not, singly or in the aggregate, have a material adverse effect on the Company and its subsidiaries taken as a whole; the Company and its subsidiaries are legally qualified to hold, have all necessary consents, authorizations and approvals relating to, and are in compliance with the terms and conditions of all such Governmental Licenses, except where the failure so to comply would not, singly or in the aggregate, have a material adverse effect on the Company and its subsidiaries, taken as a whole; all of the Governmental Licenses are valid and in full force, except where the invalidity of such Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect would not, singly or in the aggregate, have a material adverse effect on the Company and its subsidiaries, taken as a whole; there is no outstanding adverse judgment, decree or order that has been issued by the FCC, the ITU, ARCEP, ANFR, MESR or any other Telecommunications Authority against the Company or any of its subsidiaries and which, singly or in the aggregate, would have a material adverse effect on the Company and its subsidiaries, taken as a whole; and neither the Company nor any of its subsidiaries has received any notice of or is aware of proceedings relating to the revocation or modification of any such Governmental Licenses or that would otherwise affect the operations of the Company or its subsidiaries and which, singly or in the aggregate, would have a material adverse effect on the Company and its subsidiaries, taken as a whole. No event has occurred with respect to the Governmental Licenses which, with the giving of notice or the lapse of time or both, would reasonably be expected to constitute grounds for revocation of any Governmental License, other than the expiration of such Governmental License in accordance with its terms.

Company in writing by the Underwriter expressly for use in the Registration Statement, any preliminary prospectus, the Time of Sale Prospectus, any issuer free writing prospectus, any road show, or the Prospectus or any amendment or supplement thereto, which information it is hereby agreed consists solely of the first paragraph under sub-heading “Commission and Expenses” and the paragraphs under the sub-heading “Market Making, Stabilization and Other Transactions” in the “Underwriting” section of the Time of Sale Prospectus and Prospectus.

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to Section 8(a) or 8(b), such person (the “**indemnified party**”) shall promptly notify the person against whom such indemnity may be sought (the “**indemnifying party**”) in writing and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel, (ii) the indemnified party has reasonably concluded (based on advice of counsel) that there may be legal defenses available to it or other indemnified parties that are different from or in addition to those available to the indemnifying party, (iii) a conflict or potential conflict exists (based on advice of counsel to the indemnified party) between the indemnified party and the indemnifying party (in which case the indemnifying party will not have the right to direct the defense of such action on behalf of the indemnified party) or (iv) the indemnifying party has not in fact employed counsel to assume the defense of such action or counsel reasonably satisfactory to the indemnified party, in each case, within a reasonable time after receiving notice of the commencement of the action; in each of which cases the reasonable fees, disbursements and other charges of counsel will be at the expense of the indemnifying party or parties. It is understood that the indemnifying party shall not, in respect of the legal expenses of any indemnified party in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all such indemnified parties and that all such fees and expenses shall be reimbursed as they are incurred. Such firm shall be designated in writing by the Underwriter, in the case of parties indemnified pursuant to Section 8(a), and by the Company, in the case of parties indemnified pursuant to Section 8(b). The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by the second and third sentences of this paragraph, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes (i) an unconditional release of such indemnified party from all liability on claims that are the subject matter of such

proceeding and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) To the extent the indemnification provided for in Section 8(a) or 8(b) is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriter on the other hand from the offering of the Shares or (ii) if the allocation provided by clause 8(d)(i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause 8(d)(i) above but also the relative fault of the Company on the one hand and of the Underwriter on the other hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriter on the other hand in connection with the offering of the Shares shall be deemed to be in the same respective proportions as the net proceeds from the offering of the Shares (before deducting expenses) received by the Company and the total underwriting discounts and commissions received by the Underwriter bear to the aggregate initial public offering price of the Shares set forth in the Prospectus. The relative fault of the Company on the one hand and the Underwriter on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriter and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company and the Underwriter agree that it would not be just or equitable if contribution pursuant to this Section 8 were determined by *pro rata* allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 8(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages and liabilities referred to in Section 8(d) shall be deemed to include, subject to the limitations set forth above, any legal or other net expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, the Underwriter shall not be required to contribute any amount in excess of the underwriting commissions received by the Underwriter pursuant to this Agreement. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The remedies provided for in this Section 8 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

(f) The indemnity and contribution provisions contained in this Section 8 and the representations, warranties and other statements of the Company contained in this Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of the Underwriter, any person controlling the Underwriter or any affiliate of the Underwriter or by or on behalf of the Company, its officers or directors or any person controlling the Company and (iii) acceptance of and payment for any of the Shares.

9. *Termination.* The Underwriter may terminate this Agreement by notice given to the Company, if after the execution and delivery of this Agreement and prior to the Closing Date (i) trading generally shall have been suspended or materially limited on, or by, as the case may be, any of the New York Stock Exchange, the NYSE American, the NASDAQ Global Market, the Chicago Board of Options Exchange, the Chicago Mercantile Exchange or the Chicago Board of Trade, (ii) trading of any securities of the Company shall have been suspended on any exchange or in any over-the-counter market, (iii) a material disruption in securities settlement, payment or clearance services in the United States shall have occurred, (iv) any moratorium on commercial banking activities shall have been declared by Federal or New York State authorities or (v) there shall have occurred any outbreak or escalation of hostilities, or any change in financial markets or any calamity or crisis that, in your judgment, is material and adverse and which, singly or together with any other event specified in this clause (vi), makes it, in your judgment, impracticable or inadvisable to proceed with the offer, sale or delivery of the Shares on the terms and in the manner contemplated in the Time of Sale Prospectus or the Prospectus.

10. *Effectiveness.* This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

11. *Reimbursement of Underwriter Expenses.* If the sale of the Shares provided for in this Agreement is not consummated because of any failure or refusal on the part of the Company to comply with the terms or to fulfill any of the conditions of this Agreement, or if for any reason the Company shall be unable to perform its obligations under this Agreement, the Company will reimburse the Underwriter for all out-of-pocket expenses (including the fees and disbursements of its counsel) reasonably incurred by such Underwriter in connection with this Agreement or the offering contemplated hereunder.

12. *Entire Agreement.*

(a) This Agreement, together with any contemporaneous written agreements and any prior written agreements (to the extent not superseded by this Agreement) that relate to the offering of the Shares, represents the entire agreement between the Company and the Underwriter with respect to the preparation of any preliminary prospectus, the Time of Sale Prospectus, the Prospectus, the conduct of the offering, and the purchase and sale of the Shares.

(b) The Company acknowledges that in connection with the offering of the Shares: (i) the Underwriter has acted at arm's length, is not an agent of, and owes no fiduciary duty to, the Company or any other person, (ii) the Underwriter owes the Company only those duties and obligations set forth in this Agreement and prior written agreements (to the extent not superseded by this Agreement), if any, and (iii) the Underwriter may have interests that differ from those of the Company. The Company waives to the full extent permitted by applicable law any claims it may have against the Underwriter arising from an alleged breach of fiduciary duty in connection with the offering of the Shares.

13. *Counterparts.* This Agreement may be signed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or other electronic transmission (i.e., a "pdf") shall be effective as delivery of a manually executed counterpart thereof.

14. *Applicable Law.* This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York.

15. *Headings.* The headings of the sections of this Agreement have been inserted for convenience of reference only and shall not be deemed a part of this Agreement.

16. *Notices.* All communications hereunder shall be in writing and effective only upon receipt and if to the Underwriter shall be delivered, mailed or sent to you at the address set forth in Schedule I hereto; and if to the Company shall be delivered, mailed or sent to the address set forth in Schedule I hereto.

To induce the Underwriter to continue its efforts in connection with the Public Offering, the undersigned hereby agrees that, without the prior written consent of Cantor, it will not, during the period commencing on the date hereof and ending [90 days after the date of the final prospectus]¹[on the earlier to occur of (i) 90 days after the date of the final prospectus and (ii) five business days after resignation of the undersigned from the board of directors of the Company]² (the “**Restricted Period**”) relating to the Public Offering (the “**Prospectus**”), (1) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any shares of Common Stock beneficially owned (as such term is used in Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”)), by the undersigned or any other securities so owned convertible into or exercisable or exchangeable for Common Stock, (2) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Common Stock, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of Common Stock or such other securities, in cash or otherwise, or (3) publicly disclose the intention of doing any of the foregoing in clauses (1) and (2). The foregoing sentence shall not apply to:

¹ Applicable to all parties except John Kneuer, J. Patrick McIntyre, Jr., Richard S. Roberts and Kenneth M. Young.

² Applicable to John Kneuer, J. Patrick McIntyre, Jr., Richard S. Roberts and Kenneth M. Young.

a) transactions relating to shares of Common Stock or other securities acquired in open market transactions after the completion of the Public Offering; *provided* that no filing under Section 16(a) of the Exchange Act shall be required or shall be voluntarily made in connection with subsequent sales of Common Stock or other securities acquired in such open market transactions,

(b) transfers of shares of Common Stock or any security convertible into Common Stock as a bona fide gift,

In addition, the undersigned agrees that, without the prior written consent of Cantor, it will not, during the Restricted Period, make any demand for or exercise any right with respect to, the registration of any shares of Common Stock or any security convertible into or exercisable or exchangeable for Common Stock or publicly disclose the intention of doing any of the foregoing. [•], 2018

Cantor Fitzgerald & Co.

Re: Globalstar, Inc.

Ladies and Gentlemen:

We have acted as counsel to Globalstar, Inc., a Delaware corporation (the “Company”), in connection with the preparation and filing of the Company’s Registration Statement on Form S-3ASR, Registration No. 333-220800, under the Securities Act of 1933, as amended (the “Securities Act”), the related prospectus and prospectus supplement filed pursuant to Rules 430B and 424(b) under the Securities Act and the free writing prospectus relating to the issuance and sale of [•] shares of the Company’s voting common stock [(the “Firm Shares”) including [•] shares of the Company’s voting common stock pursuant to the option granted to the Underwriter (the “Additional Shares”). On December [•], 2018, the Underwriter delivered to the Company a notice of exercise of the Underwriter’s option to purchase [•] shares of Additional Shares (the “Notice of Exercise”). The Firm Shares and the Additional Shares are collectively referred to herein as the “Shares.”] This opinion is addressed to you pursuant to Section 5(c) of the Underwriting Agreement dated December [•], 2018 (the “Underwriting Agreement”) between the Company and you, as Underwriter thereunder. All capitalized terms used herein without definition shall have the respective meanings assigned to them in the Underwriting Agreement.

We have reviewed the Amended and Restated Certificate of Incorporation and the Amended and Restated Bylaws (or similar documents) of the Company and its subsidiaries identified on Annex I hereto (the “Subsidiaries”). We have examined the Registration Statement; the Company’s prospectus dated October 4, 2017 filed by the Company pursuant to Rule 424(b) of the 1933 Act Regulations; the Company’s preliminary prospectus supplement related to the Common Stock dated December [•], 2018 filed by the Company pursuant to Rule 424(b) of the 1933 Act Regulations; the final prospectus supplement related to the Common Stock dated December [•], 2018; the free writing prospectus dated December [•], 2018; [the Notice of Exercise;] and the Underwriting Agreement. We have relied, and we believe we and you are justified in relying, as to certain matters of fact upon certificates of officers of the Company and the Subsidiaries, upon certificates of certain public officials and upon the representations and warranties made by the Company in the Underwriting Agreement.

We express no opinion with respect to any laws other than the laws of the State of New York, the General Corporation Law and Limited Liability Company Act of the State of Delaware, the Limited Liability Company Act of the State of Colorado, and the federal laws of the United States of America.

Based upon the foregoing, we are of the following opinion:

(i) The Company has been duly incorporated, is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, has the corporate power and authority to own its property and to conduct its business as described in the Time of Sale Prospectus and is duly qualified to transact business and is in good standing in each jurisdiction in which the conduct of its business or its ownership or leasing of property requires such qualification, except to the extent that the failure to be so qualified or be in good standing would not have a material adverse effect on the Company and the Subsidiaries taken as a whole;

(ii) each Subsidiary has been duly incorporated, organized, or formed, as applicable, is validly existing as a corporation or other business entity in good standing under the laws of the jurisdiction of its incorporation, organization or formation has the corporate or other business entity power and authority to own its property and to conduct its business as described in the Time of Sale Prospectus and is duly qualified to transact business and is in good standing in each jurisdiction in which the conduct of its business or its ownership or leasing of property requires such qualification, except to the extent that the failure to be so qualified or be in good standing would not have a material adverse effect on the Company and the Subsidiaries taken as a whole; provided, however, that with respect to Globalstar Media, L.L.C., we are, with your permission, relying on the backup opinion to be issued by L. Barbee Ponder IV, the Company's Vice President of Regulatory Affairs and General Counsel;

(iii) the authorized capital stock of the Company conforms as to legal matters to the description thereof contained in each of the Time of Sale Prospectus and the Prospectus;

(iv) the shares of Common Stock outstanding prior to the issuance of the Shares have been duly authorized and are validly issued, fully paid and non-assessable;

(v) all of the issued shares of capital stock of each Subsidiary have been duly and validly authorized and issued, are fully paid and non-assessable and are owned directly by the Company, free and clear of all liens, encumbrances, equities or claims other than the pledges of certain Subsidiary equity to the Company's senior lender;

(vi) the Shares have been duly authorized and, when issued and delivered in accordance with the terms of this Agreement, will be validly issued, fully paid and non-assessable, and the issuance of such Shares will not be subject to any preemptive or similar rights;

(vii) the Underwriting Agreement has been duly authorized, executed and delivered by the Company;

(viii) the execution and delivery by the Company of, and the performance by the Company of its obligations under, the Underwriting Agreement will not contravene any provision of applicable law or the Amended and Restated Certificate of Incorporation or Amended and Restated Bylaws of the Company or, to the best of our knowledge, any agreement or other instrument binding upon the Company or any of the Subsidiaries that is material to the Company and the Subsidiaries, taken as a whole, or, to the best of our knowledge, any judgment, order or decree of any governmental body, agency or court having jurisdiction over the Company or any Subsidiary, and no consent, approval, authorization or order of, or qualification with, any governmental body or agency is required for the performance by the Company of its obligations under the Underwriting Agreement, except such as may be required by the securities or Blue Sky laws of the various states in connection with the offer and sale of the Shares;

(ix) the statements relating to legal matters, documents or proceedings included in (A) the Time of Sale Prospectus, the Prospectus and the Registration Statement under the captions “Material United States Federal Income Tax Consequences to Non-U.S. Holders,” and “Description of Capital Stock,” (B) the Prospectus under the caption “Underwriting” and (C) the Registration Statement in Item 15, in each case fairly summarize in all material respects such matters, documents, proceedings or laws, as applicable;

(x) after due inquiry, our firm does not know of any legal or governmental proceedings pending or threatened to which the Company or any of the Subsidiaries is a party or to which any of the properties of the Company or any of the Subsidiaries is subject that are required to be described in the Registration Statement or the Prospectus and are not so described or of any statutes, regulations, contracts or other documents that are required to be described in the Registration Statement or the Prospectus or to be filed as exhibits to the Registration Statement that are not described or filed as required;

(xi) the Company is not, and after giving effect to the offering and sale of the Shares and the application of the proceeds thereof as described in the Prospectus will not be, required to register as an “investment company” as such term is defined in the Investment Company Act of 1940, as amended; and

(xii) (A) in our opinion (1) each document filed pursuant to the Exchange Act and incorporated by reference in the Time of Sale Prospectus or the Prospectus (except for the financial statements and financial schedules and other financial data included therein, as to which we do not express any opinion) appeared on its face to be appropriately responsive as of its filing date in all material respects to the requirements of the Exchange Act and the applicable rules and regulations of the Commission thereunder, and (2) the Registration Statement and the Prospectus (except for the financial statements and financial schedules and other financial data included therein as to which we do not

express any opinion) appear on their face to be appropriately responsive in all material respects to the requirements of the Securities Act and the applicable rules and regulations of the Commission thereunder, and (B) nothing has come to our attention that causes us to believe that (1) any part of the Registration Statement, when such part became effective, (except for the financial statements and financial schedules and other financial data included therein as to which we do not express any belief) contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (2) the Registration Statement or the Prospectus (except for the financial statements and financial schedules and other financial data included therein as to which we do not express any belief) on the date of the Underwriting Agreement contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (3) the Time of Sale Prospectus (except for the financial statements and financial schedules and other financial data included therein, as to which we do not express any belief) as of the Applicable Time or as amended or supplemented, if applicable, as of the Closing Date contained or contains any untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made not misleading or (4) the Prospectus (except for the financial statements and financial schedules and other financial data included therein, as to which we do not express any belief) as amended or supplemented, if applicable, as of the Closing Date contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made not misleading.

“Applicable Time” means [•] New York City time on December [•], 2018.

Whenever a matter is noted as being “to our knowledge” or equivalent words, such knowledge is limited to the actual knowledge of those lawyers in our firm who have been involved in matters relating to the Company or who have provided substantive legal services on behalf of the Company.

FORM OF LAWLER, METZGER, KEENEY & LOGAN, LLC REGULATORY OPINION

December [•], 2018

Cantor Fitzgerald & Co.

499 Park Avenue

New York, NY 10022

Re: Globalstar, Inc.

Ladies and Gentlemen:

We have acted as federal communications regulatory counsel to Globalstar, Inc., a Delaware corporation, and its direct and indirect subsidiaries, listed in Schedule 1 (the “Company”), in connection with the preparation of the Preliminary Prospectus Supplement dated December [•], 2018 and filed by the Company with the Securities and Exchange Commission (the “SEC”) on December [•], 2018, the Free Writing Prospectus dated December [•], 2018 and filed with the SEC on December [•], 2018, the Final Prospectus Supplement dated December [•], 2018 and filed by the Company with the SEC on December [•], 2018, and the Registration Statement on Form S-3 (File No. 333-220800) filed by the Company with the SEC on October 4, 2017 and the related Underwriting Agreement dated December [•], 2018 (the “Underwriting Agreement”) between Globalstar, Inc. and Cantor Fitzgerald & Co., as underwriter (collectively referred to as the “Transaction Documents”).

This opinion is being delivered upon the request of Cantor Fitzgerald & Co., pursuant to Section 5(d) of the Underwriting Agreement. Each capitalized term used but not defined herein shall have its respective meaning set forth in the Transaction Documents.

As federal communications regulatory counsel to the Company, we address only matters concerning the transaction contemplated by the Transaction Documents and related issues that are within the jurisdiction of the Federal Communications Commission (“FCC”) under the Communications Act of 1934, as amended, 47 U.S.C. § 151, et seq. (the “Communications Act”) and the rules, regulations, and published and publicly available orders and policies of the FCC. We express no opinion as to any other federal, state, or local laws, statutes, rules, or regulations, including, but not limited to, bankruptcy laws, state or local public utility and other laws, regulations, rules or policies that may be applicable to the operations of the Company. The opinions expressed herein do not address the effect, if any, of pending legislation or of proceedings before the FCC of general applicability to the mobile satellite service (“MSS”) industry or any proceeding before any court to which the Company is a party.

All statements as to factual matters underlying the opinions set forth herein are based upon our knowledge as of the date hereof. No inference as to our knowledge of the existence or absence of any fact should be drawn from the fact of our representation of the Company. Our opinions are limited strictly to the matters stated herein and no opinions may be inferred or are implied beyond the matters expressly stated herein. We have assumed no obligation to advise you with respect to any matters apart from the opinions specifically expressed herein.

Subject to the qualifications, assumptions, limitations and exceptions set forth herein, we are of the opinion that:

1. The Company and the subsidiaries identified in Schedule 1 to this opinion currently hold the Regulatory Authority licenses, certificates, permits, registrations and authorizations identified in Schedule 2² to this opinion (the “Communications Licenses”).

2. The Communications Licenses are Validly Issued and in Full Force and Effect, except where the invalidity and/or failure to be in Full Force and Effect of a Communications License would not have a material adverse effect on the Company and its Subsidiaries, taken as a whole. The phrase “Validly Issued” means that the Communications Licenses have been issued by means of regular procedures of the FCC, and there is no legal basis under the Federal Telecommunications Laws to conclude that the Company or its subsidiaries cannot hold one or more of the Communications Licenses as a matter of law. The phrase “Full Force and Effect” means: (i) the order issuing the Communications Licenses has become effective under the applicable Federal Telecommunications Laws; (ii) the Communications Licenses contain no conditions except for such conditions explicitly stated in the Communications Licenses or those imposed by the Federal Telecommunications Laws on holders of licenses similar to the Communications Licenses; (iii) no stay of effectiveness on any orders granting the Communications Licenses has been issued; and (iv) the Communications Licenses have not expired on their own terms or been invalidated by any subsequent action of the FCC. The phrase “Federal Telecommunications Laws” means, collectively, certain United States telecommunications regulatory matters involving the Communications Act and the rules, regulations, and published policies, procedures, orders and decisions thereunder.

3. FORM OF WATSON FARLEY & WILLIAMS LLP REGULATORY OPINION

Cantor Fitzgerald & Co.
499 Park Avenue
New York, NY 10022

Re: Globalstar, Inc.

Ladies and Gentlemen,

We have acted as communications regulatory counsel for Globalstar, Inc., a Delaware corporation, and more particularly, its direct and indirect subsidiaries, listed in Schedule 1 (collectively, the “Company”), in connection with the preparation of the Preliminary Prospectus Supplement, dated December [], 2018 and filed by the Company with the Securities and Exchange Commission (the “SEC”) on December [], 2018, the Final Prospectus Supplement dated December [], 2018 and filed by the Company with the SEC on December [], 2018, and the Registration Statement on Form S-3 (File n°333-220800) filed by the Company with the SEC on October 4, 2017, and the related Underwriting Agreement dated December [], 2018 (the “Underwriting Agreement”) between Globalstar, Inc. and Cantor Fitzgerald & Co., as underwriter (collectively referred to as the “Transaction Documents”), and have represented the Company before the French Ministry in charge of Space Activities (MESR), the French Ministry in charge of telecoms, the Autorité de Régulation des Communications Electroniques et des Postes (ARCEP) and the Agence Nationale des Fréquences (ANF) (collectively, the “French Regulatory Authorities”) since 2002.

This opinion is being delivered upon the request of Cantor Fitzgerald & Co., pursuant to Section 5(d) of the Underwriting Agreement. In rendering this opinion, we are engaged and are acting solely as communications regulatory counsel for the Company, and we are not engaged or acting as counsel of any type for you or any other person or entity. Each capitalized term used but not defined herein shall have its respective meaning set forth in the Transaction Documents. When used herein, “or” shall mean “and/or” unless the context otherwise requires.

This opinion is limited strictly to matters arising under the French Code des Postes et des Communications Electroniques and the French Space Act dated 3 June 2008, and the published statutes, rules, regulations, and policies, procedures, opinions, orders, decisions and any other applicable law promulgated thereunder by the French Regulatory Authorities, as above listed (collectively, the “Communications Laws”), and we express no opinion on any other matter whatsoever.

Furthermore, this opinion is limited to the opinions expressly stated herein. No implication shall be drawn from anything herein that has the effect of extending any such opinion beyond what is expressly stated in such opinion.

We have reviewed the Transaction Documents. Based on representations from the Company, we understand that the Transaction Documents contain all the information relating to the contemplated Transaction and that, as a consequence of the Transaction and from a mere French regulatory perspective, no change will occur in the current structure of the share-capital of the Company other than as described in the Transaction Documents. In rendering this opinion, we have assumed without investigation the genuineness of all signatures, the legal capacity of all natural persons, the authenticity of all documents examined by us, whether or not they are originals, the conformity of all copies or facsimile transmissions to the originals of the same, whether or not they are certified to be true copies, and the accuracy and completeness of all public records, including but not limited to those of the French Regulatory Authorities.

The opinion expressed in this letter is based on the current law and facts presently known to us, and are not guarantees or assurances of any future fact, event, occurrence, omission, or condition or that any law, statute, rule, regulation, policy, order, case, or interpretation of the same will not change in the future. Moreover, this opinion addresses matters only as of the date of this opinion and we specifically disclaim all responsibility whatsoever for advising you of changes in matters addressed herein occurring after such date.

We have undertaken no on-site inspection or visual or aural monitoring whatsoever of the Company, the properties of the Company, or the communications facilities or services of the Company, and, except as otherwise specifically stated herein, we have undertaken no independent inquiry whatsoever of any of the matters addressed in this opinion.

Based on the foregoing, and subject in all respects to the qualifications and limitations set forth in this letter, we are of the opinion that:

1. The Company currently holds the licenses, certificates, permits, registrations and authorizations identified in Schedule 2 to this opinion (the “Communications Licenses”).
2. The Communications Licenses are Validly Issued and in Full Force and Effect, except where the invalidity and/or failure to be in Full Force and Effect of a Communication License would not have a material adverse effect on the Company, taken as a whole. The phrase “Validly Issued” means that the Communications Licenses have been issued by means of regular procedures of the French Regulatory Authorities, as applicable, and applied in conformity with the Communications Laws, and there is no legal basis under the Communications Laws to conclude that the Company cannot hold one or more of the Communications Licenses as a matter of law. The phrase “Full Force and Effect” means: (i) the order issuing the Communications Licenses has become effective under the applicable Communications Law; (ii) the Communications Licenses

contain no conditions except for such conditions imposed generally by the Communications Law on holders of licenses similar to the Communications Licenses and particularly, no requirement to obtain any prior approval for an equity raise ; there are no explicit provisions in the Communications Laws or in the Communications Licenses themselves for any license to be revoked or not renewed by the French Regulatory Authorities due to a company engaging in an equity raise; (iii) no stay of effectiveness on any orders granting the Communications Licenses has been issued; and (iv) the Communications Licenses have not expired on their own terms or been invalidated by any subsequent action of the French Regulatory Authorities.

3. There is no outstanding adverse judgment, decree or order that has been issued by the French Regulatory Authorities against the Company which, singly or in the aggregate, would reasonably be expected to have a material adverse effect on the Company; and the Company is not the subject of nor has been threatened in writing with any proceedings before the French Regulatory Authorities, the unfavourable outcome of which would reasonably be expected to result in the revocation, modification or non-renewal of any such Communications Licenses or that would reasonably be expected to otherwise have a material adverse effect on the operation of the Company.

4. (i). No approval, authorization, consent or license is required to be obtained by Globalstar Europe SAS from and no notice to or filing with the French Regulatory Authorities under French law and in accordance with the Communication Laws for the consummation of the transactions contemplated by the Transaction Documents, (ii). except for notices to the French Regulatory Authorities that have already been given in relation with the Transaction.

5. Subject to 4(ii) above, the execution, delivery and performance of the Transaction Documents by the Company do not violate the Communications Laws and will not result in any revocation, modification or non-renewal of any of the Communications Licences.

Insofar as the disclosures related to the Communications Licenses and Communications Laws as disclosed in (i) the Form 10-K incorporated by reference into the Transaction Documents under the captions “Business - Our Spectrum and Regulatory Structure,” “Risk Factors - If our French regulator, or any other regulator, revokes, modifies or fails to renew or amend our licenses, our ability to operate may be curtailed” and “Risk Factors - Other future regulatory decisions could reduce our existing spectrum allocation or impose additional spectrum sharing agreements on us, which could adversely affect our services and operations” and (ii) the Preliminary Prospectus Supplement and the Final Prospectus Supplement under the caption “Risk Factors - Risks Related to Our Business - If our French regulator, or any other regulator, revokes, modifies or fails to renew or amend our licenses, our ability to operate may be curtailed” and “Risk Factors - Risks Related to Our Business - If our French or any other regulator revokes, modifies or fails to renew or amend our licenses, our ability to operate may be curtailed” constitute a summary of the Communication Licenses, such summary is accurate and fairly summarizes the Communications Licenses held by Globalstar Europe SAS in France.

This opinion is (i) solely for your information in connection with the transactions contemplated in the Transaction Documents, (ii) not to be relied on by any other person or entity other than you for any reason whatsoever, (iii) not to be quoted in whole or in part or otherwise referred to in any document except as directly a part of and related to such transactions, and (iv) except as otherwise required by applicable law, not to be filed with or provided to any government agency or any other entity or person whatsoever.

Yours faithfully,

Watson, Farley & Williams LLP
