The redemption is conditioned on (i) completion of the divestiture of Spectrum Brands, Inc.'s ("Spectrum") global battery, lighting and portable power business and (ii) the receipt of sufficient distributable funds from Spectrum to fund the aggregate Redemption Price following the application of the proceeds of the divestiture and revolving credit facility proceeds to repay Spectrum's term loan in full, repay Spectrum's loan from the Issuer in full and make capital expenditures (and such funds shall have been distributed to the Issuer prior to the Redemption date) (the "Redemption Conditions"). If only the Redemption Condition in clause (i) above is satisfied and Spectrum repays its term loan in full and the loan from the Issuer in full, but does not receive a distribution from Spectrum sufficient to redeem all of the Notes, the Issuer will redeem the Notes to the extent of the loan repayment and any distributions actually received. If any Note is redeemed in part, on and after the Redemption Date, upon surrender of such Note, new Notes equal in principal amount to the unredeemed portion will be issued.
