Elbit Systems U.S. Subsidiary Awarded a Contract to Deliver the Two Color Laser System to Raytheon

Haifa, Israel, January 3, 2019 – Elbit Systems Ltd. (NASDAQ and TASE: ELST) ("Elbit Systems") announced today that its subsidiary, Elbit Systems of America LLC, ("Elbit Systems of America") was awarded a contract by Raytheon Company (NYSE: RTN) to provide the Two Color Laser System (TCLS) for the Multi-Spectral Targeting System. The initial contract is in an amount not material to Elbit Systems and will be performed during 2019.

TCLS is a production component within the electro-optical surveillance system for multiple military airborne platforms, including the next-generation targeting systems onboard unmanned aerial vehicles.

Raanan Horowitz, President and CEO of Elbit Systems of America, said: "The Two Color Laser System provides increased targeting accuracy and flexibility, minimizing the potential for collateral damage. These attributes are key to U.S. warfighters who depend on these systems for a successful mission."

This press release contains forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended) regarding Elbit Systems Ltd. and/or its subsidiaries (collectively the Company), to the extent such statements do not relate to historical or current fact. Forward-looking statements are based on management's expectations, estimates, projections and assumptions. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results, performance and trends may differ materially from these forward-looking statements due to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Company operates or sells, including Israel and the United States among others; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.'s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward-looking statements speak only as of the date of this release. The Company does not undertake to update its forward-looking statements.
