- the CEO Pay Ratio was 4:1.

We identified our median employee as of December 31, 2018 based on a consistently applied compensation measure defined as the sum of: (i) annualized base salary in 2018; (ii) annualized incentive bonuses in 2018; (iii) the grant-date fair value of equity awards granted in 2018; and (iv) the matching contribution to the 401(k) plan account and life insurance premiums paid by the Company. Employees on leave-of-absence were excluded from the list of employees as of December 31, 2018. The aggregate grant-date fair value of equity awards was computed in accordance with FASB ASC Topic 718, as disclosed in Note 7 to the consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2018. We then calculated the annual total compensation of our median employee using the same methodology we used for our Named Executive Officers in the Summary Compensation Table above.

Potential Payments on Termination or Change in Control

None of our Named Executive Officers have employment agreements that provide for severance or benefit continuation payments on a termination without cause or a resignation for good reason or change in control. However, pursuant to the terms of the stock options, the Named Executive Officers are entitled to accelerated vesting of their equity awards if they are terminated without cause or with good reason from three months before to 12 months after a change in control.

Director Compensation

Retainer Fees. Directors who are also our employees receive no extra compensation for their service on the Board. For the year ended December 31, 2018, our non-employee directors received an annual fee of \$60,000 and the Chair of the Audit Committee received an additional annual fee of \$20,000, both of which were paid quarterly. The Chairman of the Board, Mr. Tang, has elected to waive all cash compensation for his service as a director.

Option Grants. Each of our non-employee directors is eligible to receive, on becoming a non-employee director, a one-time grant of a non-qualified stock option under the Company’s 2013 Equity Incentive Plan in an amount to be determined by the Board at an exercise price equal to the fair value of a share of common stock on the grant date. These non-employee director options have a term of 10 years and vest with respect to one-third of the underlying shares on the one-year anniversary of the grant and with respect to the remainder of the underlying shares on a quarterly basis for two years thereafter. Each non-employee director receives an additional grant annually of a non-qualified stock option in an amount to be determined by the Board. These non-employee director options have a term of 10 years and vest fully on the one-year anniversary of the grant date. The exercise price for these additional non-employee director options is the fair value of the common stock on the grant date. All outstanding non-employee director options vest in full immediately prior to any change in control. Each non-employee director is also eligible to receive additional options under the Company’s 2013 Equity Incentive Plan at the discretion of the Board. These options vest and become exercisable pursuant to the Company’s 2013 Equity Incentive Plan and the terms of the option grant.

The following table below shows the compensation earned by our non-employee directors who served on the Board during the year ended for 2018:

Name	Fees Earned or Paid in Cash	Option Awards ⁽¹⁾	Total
Kevin Tang ⁽²⁾	\$ —	\$ 53,103	\$ 53,103
Laura Johnson Douglass	\$ 60,000	\$ 53,103	\$ 113,103
Craig Johnson	\$ 80,000	\$ 53,103	\$ 133,103
Robert Rosen	\$ 60,000	\$ 53,103	\$ 113,103

- The amounts reported in this column reflect the grant-date fair values of stock options granted in January 2019 for 2018 board service to the directors calculated in accordance with FASB ASC Topic 718, Compensation-Stock Compensation. For a discussion of the assumptions used to calculate the value of our stock options, see Note 7 to the consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2018. Each non-employee director was awarded an option to purchase up to 12,000 shares of common stock at \$5.99 per share, the fair value of the common stock on the grant date. As of December 31, 2018, the aggregate number of option awards outstanding for Kevin Tang, Laura Johnson Douglass, Craig Johnson and Robert Rosen were 70,000, 78,500, 89,000 and 70,000, respectively.
- Mr. Tang has elected to waive all cash compensation for his service as a director.

Item 13. Certain Relationships and Related Transactions, and Director Independence.

Related Party Transactions

Pursuant to our Code of Ethics, our directors, executive officers and employees must disclose transactions involving actual or apparent conflicts of interest, such as related party transactions, to the Chairperson of the Audit Committee. Additionally, the Audit Committee is responsible for review and approval of all related party transactions in which any officer, director or shareholder has a direct or indirect interest and would be required to be disclosed under Item 404(a) of Regulation S-K, and has written policies and procedures for reviewing, approving or ratifying any transaction required to be reported under Item 404(a) of Regulation S-K. In reviewing related party transactions, the Audit Committee evaluates any transaction in which a "related person" (as defined in Item 404(a) of Regulation S-K) was, or is to be, a participant and the amount involved exceeds \$120,000, and in which the related person had, or will have, a direct or indirect material interest. The Audit Committee also will consider whether the proposed terms are at least as favorable to the Company as could be obtained from unaffiliated third parties and will confirm that there is a bona fide business purpose for the transaction.

During the year ended December 31, 2018, there were no transactions between the Company and any "related person" where the amount involved exceeded \$120,000, other than compensation arrangements described elsewhere in this Annual Report on Form 10-K/A.

Director Independence

Our business affairs are managed under the direction of our Board, which is currently composed of 5 directors. Consistent with Nasdaq listing requirements, our Board makes an annual determination of the independence of our directors. This determination is made in conjunction with each annual meeting of shareholders and was most recently done in connection with the 2018 Annual Meeting of Shareholders. As of that date (the "Reference Date"), the Board had determined that Ms. Douglass, Mr. Johnson and Mr. Rosen were "independent" within the meaning of Nasdaq Marketplace Rules 5605(b) and 5605(a)(2). The Board will reassess director independence in connection with the 2019 Annual Meeting of Shareholders and will include its independence determination in the proxy statement for such meeting.
