## SELLING STOCKHOLDERS

The shares of common stock covered by this prospectus consist of 5,769,232 shares of common stock issuable upon the conversion of a senior subordinated convertible note, dated March 1, 2019, between us and Cap 1 LLC, or Cap 1, an affiliate of Summer Road, LLC, or Summer Road, in accordance with the terms therein, and 3,804,788 additional outstanding shares of common stock held by Cap 1 and another affiliate of Summer Road, or the selling stockholders, as of March 1, 2019, all of which we have agreed to use commercially reasonable effort to register in accordance with a registration rights agreement. For additional information regarding the senior subordinated convertible note and the related registration rights agreement, see "*Description of Transactions with the Selling Stockholders*" below. We are registering the shares of common stock to permit the selling stockholders to offer the shares for resale from time to time.

To our knowledge and except as noted under the caption titled "*Description of Transactions with the Selling Stockholders*" below, the selling stockholders do not have, and within the past three years have not had, any position, office or other material relationship with us or any of our predecessors or affiliates.

The following table sets forth, to our knowledge, certain information about the selling stockholders as of March 15, 2019. The information in the table below with respect to the selling stockholders has been obtained from the selling stockholders. The percentage of beneficial ownership is based upon 42,836,572 shares of common stock outstanding on March 15, 2019.

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to shares. Shares of common stock that the holder has the right to acquire upon the exercise or conversion of derivative securities within 60 days after March 15, 2019 are deemed outstanding for computing the percentage of ownership of the person holding such derivative securities but are not deemed outstanding for computing the percentage ownership of any other persons. Unless otherwise indicated below, to our knowledge, all persons named in the table have sole voting and investment power with respect to their shares of common stock, except to the extent authority is shared by spouses under applicable law. The inclusion of any shares in this table does not constitute an admission of beneficial ownership for the person named below.

**Description of Transactions with the Selling Stockholders**

*Private Placement of Convertible Debt*

On February 21, 2019, or the Agreement Date, we entered into a Note Purchase Agreement, or the Purchase Agreement, with Cap 1 to issue and sell to Cap 1 unsecured senior subordinated convertible notes, or the Notes, in the original aggregate principal amount of \$37.5 million. The issuance and sale of the Notes occurred on March 1, 2019, or the Closing Date. The Notes were issued in reliance on the exemption from registration set forth in Rule 506 of Regulation D promulgated under the Securities Act. In accordance with the Purchase Agreement, each Note accrues interest at a rate of 6% of its outstanding principal amount per annum, payable at maturity. The maturity date of each Note is March 1, 2026, unless earlier converted, repurchased or redeemed as described below.

Holders of the Notes may, subject to certain conditions, convert all or part of the outstanding principal amount of their Notes into shares of our common stock, provided that no conversion results in the holder or its affiliates beneficially owning more than 19.99% of our issued and outstanding common stock. The conversion rate for the Notes is initially 153.8462 shares of our common stock per \$1,000 principal amount of the Notes, which is equivalent to an initial conversion price of approximately \$6.50 per share. The conversion rate is subject to adjustment in customary circumstances such as stock splits or similar changes to our capitalization. At our election, we may choose to make such conversion payment in cash, in shares of our common stock, or in a combination thereof. Upon any conversion of any Note, we are obligated to make a cash payment to the holder of such Note for any interest accrued but unpaid on the principal amount converted. Upon the occurrence of a "Corporate Transaction" (as defined in the Notes), the holder of a Note is entitled, at such holder's option, to convert all of the outstanding principal amount of the Note in accordance with the foregoing and receive an additional "make-whole" cash payment in accordance with a table set forth in each Note.

Upon the occurrence of a Corporate Transaction, each holder of a Note has the option to require us to repurchase all or part of the outstanding principal amount of such Note at a repurchase price equal to 100% of the outstanding principal amount of the Note to be repurchased, plus accrued and unpaid interest to, but excluding, the repurchase date.

On or after March 1, 2022, if the last reported sale price of our common stock has been at least 130% of the conversion rate then in effect for twenty of the preceding thirty trading days (including the last trading day of such period), we are entitled, at our option, to redeem all or part of the outstanding principal amount of the Notes, on a pro rata basis, at an optional redemption price equal to 100% of the outstanding principal amount of the Notes to be redeemed, plus accrued and unpaid interest to, but excluding, the optional redemption date.

The Purchase Agreement contains customary representations and warranties by us and Cap 1. The Purchase Agreement does not include any financial covenants. Our obligations under the Purchase Agreement and the Notes are subject to acceleration upon the occurrence of specified events of default, including in the case of a default or breach of certain contracts material to us, and the delisting and deregistration of our common stock.

[Table of Contents](#)

*Registration Rights Agreement*

In connection with the execution of the Purchase Agreement and the issuance and sale of the Notes thereunder, we and Cap 1 entered into a registration rights agreement, or the Registration Rights Agreement, on the Closing Date. Under the terms of the Registration Rights Agreement and subject to specified exceptions, we are obligated to use commercially reasonable efforts, at our expense, to file with the SEC a resale registration statement to which this prospectus relates, or the Registration Statement, to register our common stock underlying the Notes and certain other registrable securities within 30 days of the Closing Date and to have the SEC declare the Registration Statement effective within 90 days of the Closing Date. We will be further obligated to use commercially reasonable efforts to cause the Registration Statement to remain continuously effective until the earlier of the dates when all securities registrable under the Registration Rights Agreement (i) have been sold or (ii) may be sold without restriction, subject to certain conditions, pursuant to Rule 144 promulgated under the Securities Act.

## DESCRIPTION OF CAPITAL STOCK

The following description of our capital stock and provisions of our certificate of incorporation and by-laws are summaries and are qualified by reference to our certificate of incorporation, our by-laws and applicable provisions of Delaware corporate law. We have filed copies of our certificate of incorporation and our by-laws with the SEC as exhibits to the Registration Statement.

Our authorized capital stock consists of 100,000,000 shares of our common stock, par value \$0.0001 per share, and 5,000,000 shares of our preferred stock, par value \$0.0001 per share, all of which preferred stock is undesignated.

As of March 15, 2019, we had issued and outstanding 42,836,572 shares of our common stock and no shares of our preferred stock.

### Common Stock

*Voting Rights.* Holders of our common stock are entitled to one vote for each share held on all matters submitted to a vote of stockholders and do not have cumulative voting rights. Each election of directors by our stockholders will be determined by a plurality of the votes cast by the stockholders entitled to vote on the election. In general, except (1) for the election of directors, (2) as described below under "—Provisions of Our Certificate of Incorporation and By-laws and Delaware Law That May Have Anti-Takeover Effects—Super-Majority Voting," (3) in the future to the extent that we have two or more classes or series of stock outstanding with separate voting rights and (4) as otherwise required by law, any matter to be voted on by our stockholders at any meeting is decided by the vote of the holders of a majority in voting power of the votes cast by the holders of shares of our stock present or represented at the meeting and voting affirmatively or negatively on such matter.

*Dividends.* Holders of common stock are entitled to receive proportionately any dividends as may be declared by our board of directors, subject to any preferential dividend rights of outstanding preferred stock.

*Liquidation and Dissolution.* In the event of our liquidation or dissolution, the holders of our common stock are entitled to receive proportionately all assets available for distribution to stockholders after the payment of all debts and other liabilities and subject to the prior rights of any of our outstanding preferred stock.

*Other Rights.* Holders of our common stock have no preemptive, subscription, redemption or conversion rights. The rights, preferences and privileges of holders of our common stock are subject to and may be adversely affected by the rights of the holders of shares of any series of our preferred stock that we may designate and issue in the future.

*Transfer Agent and Registrar.* Computershare Trust Company, Inc. is transfer agent and registrar for our common stock.

*Nasdaq Global Market.* Our common stock is listed on Nasdaq under the symbol "OCUL."

### Preferred Stock

Under the terms of our certificate of incorporation, our board of directors is authorized to issue shares of our preferred stock in one or more series without stockholder approval, subject to any limitations imposed by applicable Nasdaq rules. Our board of directors has the discretion to determine the rights, preferences, privileges and restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences, of each series of preferred stock.

The purpose of authorizing our board of directors to issue preferred stock and determine its rights and preferences is to eliminate delays associated with a stockholder vote on specific issuances. The

[Table of Contents](#)

issuance of preferred stock, while providing flexibility in connection with possible acquisitions, future financings and other corporate purposes, could have the effect of making it more difficult for a third party to acquire, or could discourage a third party from seeking to acquire, a majority of our outstanding voting stock. Currently, we have no shares of preferred stock outstanding.

**Effects of Authorized but Unissued Stock**

We have shares of common stock and preferred stock available for future issuance without stockholder approval, subject to any limitations imposed by the listing standards of Nasdaq. We may utilize these additional shares for a variety of corporate purposes, including for future public offerings to raise additional capital or facilitate corporate acquisitions or for payment as a dividend on our capital stock. The existence of unissued and unreserved common stock and preferred stock may enable our board of directors to issue shares to persons friendly to current management or to issue preferred stock with terms that could have the effect of making it more difficult for a third party to acquire, or could discourage a third party from seeking to acquire, a controlling interest in our company by means of a merger, tender offer, proxy contest or otherwise. In addition, if we issue preferred stock, the issuance could adversely affect the voting power of holders of common stock and the likelihood that such holders will receive dividend payments and payments upon liquidation.

**Provisions of Our Certificate of Incorporation and By-laws and Delaware Law That May Have Anti-Takeover Effects**

***Delaware Law***

We are subject to Section 203 of the Delaware General Corporation Law, or the DGCL. Subject to certain exceptions, Section 203 prevents a publicly held Delaware corporation from engaging in a "business combination" with any "interested stockholder" for three years following the date that such person became an interested stockholder, unless either the interested stockholder attained such status with the approval of our board of directors, the business combination is approved by our board of directors and stockholders in a prescribed manner or the interested stockholder acquired at least 85% of our outstanding voting stock in the transaction in which it became an interested stockholder. A "business combination" includes, among other things, (i) a merger or consolidation involving us and the "interested stockholder" and (ii) the sale of more than 10% of our assets. In general, an "interested stockholder" is any entity or person beneficially owning 15% or more of our outstanding voting stock and any entity or person affiliated with or controlling or controlled by such entity or person. The restrictions contained in Section 203 are not applicable to any of our existing stockholders that owned 15% or more of our outstanding voting stock upon the closing of our initial public offering.

***Staggered Board; Removal of Directors***

Our certificate of incorporation and our by-laws divide our board of directors into three classes with staggered three-year terms. In addition, our certificate of incorporation and our by-laws provide that directors may be removed only for cause and only by the affirmative vote of the holders of 75% of our shares of capital stock present in person or by proxy and entitled to vote. Under our certificate of incorporation and by-laws, any vacancy on our board of directors, including a vacancy resulting from an enlargement of our board of directors, may be filled only by vote of a majority of our directors then in office. Furthermore, our certificate of incorporation provides that the authorized number of directors may be changed only by the resolution of our board of directors. The classification of our board of directors and the limitations on the ability of our stockholders to remove directors, change the authorized number of directors and fill vacancies could make it more difficult for a third party to acquire, or discourage a third party from seeking to acquire, control of our company.

***Stockholder Action; Special Meeting of Stockholders; Advance Notice Requirements for Stockholder Proposals and Director Nominations***

Our certificate of incorporation and our by-laws provide that any action required or permitted to be taken by our stockholders at an annual meeting or special meeting of stockholders may only be taken if it is properly brought before such meeting and may not be taken by written action in lieu of a meeting. Our certificate of incorporation and our by-laws also provide that, except as otherwise required by law, special meetings of the stockholders can only be called by the chairman of our board of directors, our chief executive officer or our board of directors. In addition, our by-laws establish an advance notice procedure for stockholder proposals to be brought before an annual meeting of stockholders, including proposed nominations of candidates for election to our board of directors. Stockholders at an annual meeting may only consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of our board of directors, or by a stockholder of record on the record date for the meeting who is entitled to vote at the meeting and who has delivered timely written notice in proper form to our secretary of the stockholder's intention to bring such business before the meeting. These provisions could have the effect of delaying until the next stockholder meeting stockholder actions that are favored by the holders of a majority of our outstanding voting securities. These provisions also could discourage a third party from making a tender offer for our common stock because even if the third party acquired a majority of our outstanding voting stock, it would be able to take action as a stockholder, such as electing new directors or approving a merger, only at a duly called stockholders meeting and not by written consent.

***Super-Majority Voting***

The DGCL provides generally that the affirmative vote of a majority of the shares entitled to vote on any matter is required to amend a corporation's certificate of incorporation or by-laws unless a corporation's certificate of incorporation or by-laws, as the case may be, requires a greater percentage. Our by-laws may be amended or repealed by a majority vote of our board of directors or the affirmative vote of the holders of at least 75% of the votes that all our stockholders would be entitled to cast in any annual election of directors. In addition, the affirmative vote of the holders of at least 75% of the votes that all our stockholders would be entitled to cast in any election of directors is required to amend or repeal or to adopt any provisions inconsistent with any of the provisions of our certificate of incorporation described above.

***Registration Rights***

We entered into a fourth amended and restated investors' rights agreement dated June 30, 2013, as amended, or the investor rights agreement, with holders of our then-outstanding preferred stock prior to the closing of our initial public offering. Such preferred stock was converted into common stock upon consummation of our initial public offering. Holders of a total of 2,656,538 shares of our common stock outstanding or issuable upon exercise of warrants outstanding as of March 15, 2019 have the right to require us to register these shares under the Securities Act under specified circumstances. After registration pursuant to these rights, these shares will become freely tradable without restriction under the Securities Act. If not otherwise exercised, the rights under the investor rights agreement described below will expire five years after the closing of our initial public offering, which occurred on July 30, 2014.

***Demand and Form S-3 Registration Rights***

Subject to specified limitations set forth in the investor rights agreement, at any time, the holders of at least 50% of the then outstanding shares having rights under the investor rights agreement, or the registrable securities, may demand that we register registrable securities then outstanding under the Securities Act for purposes of a public offering having an aggregate offering price to the public of not

[Table of Contents](#)

less than \$10 million. We are not obligated to file a registration statement pursuant to this provision on more than two occasions.

In addition, subject to specified limitations set forth in the investor rights agreement, at any time after we become eligible to file a registration statement on Form S-3, holders of the registrable securities then outstanding may request that we register their registrable securities on Form S-3 for purposes of conducting a public offering for which the reasonably anticipated aggregate offering price to the public would exceed \$1 million.

***Incidental Registration Rights***

If we propose to register for our own account any of our securities under the Securities Act, the holders of registrable securities will be entitled to notice of the registration and, subject to specified exceptions, have the right to require us to use our best efforts to register all or a portion of the registrable securities then held by them in that registration. Under our outstanding warrants, each of the holders of the warrants is also entitled to notice of the registration at the time that we provide notice of the registration to the holders of registrable securities. The holders of registrable securities waived these incidental registration rights in connection with this offering.

In the event that any registration in which the holders of registrable securities participate pursuant to our investor rights agreement is an underwritten public offering or if any warrant holder participates in such an offering pursuant to the warrants, we have agreed to enter into an underwriting agreement containing customary representations and warranties and covenants, including without limitation customary provisions with respect to indemnification of the underwriters of such offering.

In the event that any registration in which the holders of registrable securities participate pursuant to our investor rights agreement is an underwritten offering or if any warrant holder participates pursuant to the warrants, we will use our best efforts to include the requested securities to be included, but such inclusions may be limited by market conditions to the extent set forth in the investor rights agreement.

***Expenses***

Pursuant to the investor rights agreement, we are required to pay all registration expenses, including all registration and filing fees, exchange listing fees, printing expenses, fees and expenses of one counsel selected by the selling stockholders named therein to represent such selling stockholders, state Blue Sky fees and expenses, and the expense of any special audits incident to or required by any such registration, but excluding underwriting discounts, selling commissions and the fees and expenses of the selling stockholders' own counsel (other than the counsel selected to represent all selling stockholders). We are not required to pay registration expenses if the registration request under the investor rights agreement is withdrawn at the request of holders initiating such registration request, unless the withdrawal is related to information concerning the business or financial condition of us after the initiation of such registration request.

The investor rights agreement contains customary cross-indemnification provisions, pursuant to which we are obligated to indemnify the selling stockholders named therein in the event of material misstatements or omissions in the registration statement attributable to us or any violation or alleged violation whether by action or inaction by us under the Securities Act, the Exchange Act, any state securities or Blue Sky law or any rule or regulation promulgated under the Securities Act, the Exchange Act or any state securities or Blue Sky law in connection with such registration statement or the qualification or compliance of the offering, and they are obligated to indemnify us for material misstatements or omissions in the registration statement attributable to them.

***Registration Rights Regarding Shares Issuable Upon Conversion of Convertible Notes***

As described above under the heading "Selling Stockholders—Description of Transactions with the Selling Stockholders—*Registration Rights Agreement*," we also entered into the Registration Rights Agreement in connection with the issuance and sale of the Notes on the Closing Date.

## PLAN OF DISTRIBUTION

The selling stockholders, which as used herein includes donees, pledgees, transferees or other successors-in-interest selling shares of common stock or interests in shares of common stock received after the date of this prospectus from a selling stockholder as a gift, pledge, partnership distribution or other transfer, may, from time to time, sell, transfer or otherwise dispose of any or all of its shares of common stock or interests in shares of common stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These dispositions may be at fixed prices, at prevailing market prices at the time of sale, at prices related to the prevailing market price, at varying prices determined at the time of sale, or at negotiated prices.

The selling stockholders may use any one or more of the following methods when disposing of shares or interests therein:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- short sales effected after the date the registration statement of which this prospectus is a part is declared effective by the SEC;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- broker-dealers may agree with a selling stockholder to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale; and
- any other method permitted by applicable law.

To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution.

A selling stockholder may, from time to time, pledge or grant a security interest in some or all of the shares of common stock owned by it and, if it defaults in the performance of its secured obligations, the pledgees or secured parties may offer and sell the shares of common stock, from time to time, under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act, amending the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholder under this prospectus. A selling stockholder also may transfer the shares of common stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

In connection with the sale of common stock or interests therein, a selling stockholder may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of our common stock in the course of hedging the positions it assumes. A selling stockholder may also sell shares of common stock short and deliver these securities to close out its short positions, or loan or pledge our common stock to broker-dealers that in turn may sell these securities. A selling stockholder may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the

[Table of Contents](#)

delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The aggregate proceeds to a selling stockholder from the sale of our common stock offered by it will be the purchase price of the common stock less discounts or commissions, if any. The selling stockholders reserve the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of our common stock to be made directly or through agents. We will not receive any of the proceeds from this offering.

A selling stockholder also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act, provided that they meet the criteria and conform to the requirements of that rule.

The selling stockholders and any underwriters, broker-dealers or agents that participate in the sale of our common stock or interests therein may be "underwriters" within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the shares may be underwriting discounts and commissions under the Securities Act. A selling stockholder who is an "underwriter" within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act.

To the extent required, the shares of our common stock to be sold, the name of the selling stockholders, the respective purchase prices and public offering prices, the names of any agents, dealer or underwriter, and any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the Registration Statement.

In order to comply with the securities laws of some states, if applicable, our common stock may be sold in those jurisdictions only through registered or licensed brokers or dealers. In addition, in some states such common stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

We have advised the selling stockholders that the anti-manipulation rules of Regulation M promulgated under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholders and their affiliates. In addition, to the extent applicable we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling stockholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

We have agreed to indemnify the selling stockholders against liabilities, including liabilities under the Securities Act and state securities laws, relating to the registration of the shares offered by this prospectus.

We have agreed with the selling stockholders to keep the Registration Statement effective until the earlier of (1) such time as all of the shares covered by this prospectus and actually issued or issuable upon conversion of the Notes have been sold and (2) the date on which all of the shares may be sold without restriction pursuant to Rule 144 of the Securities Act.

**Item 15. Indemnification of Directors and Officers.**

Section 102 of the DGCL permits a corporation to eliminate the personal liability of its directors or its stockholders for monetary damages for a breach of fiduciary duty as a director, except where the director breached his or her duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit. Our certificate of incorporation provides that no director shall be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duty as a director, notwithstanding any provision of law imposing such liability, except to the extent that the DGCL prohibits the elimination or limitation of liability of directors for breaches of fiduciary duty.

Section 145 of the DGCL provides that a corporation has the power to indemnify a director, officer, employee or agent of the corporation and certain other persons serving at the request of the corporation in related capacities against expenses (including attorneys' fees), judgments, fines and amounts paid in settlements actually and reasonably incurred by the person in connection with an action, suit or proceeding to which he or she is or is threatened to be made a party by reason of such position, if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, in any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful, except that, in the case of actions brought by or in the right of the corporation, no indemnification shall be made with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or other adjudicating court determines that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which the Court of Chancery or such other court shall deem proper.

Our certificate of incorporation provides that we will indemnify each person who was or is a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of us), by reason of the fact that he or she is or was, or has agreed to become, our director or officer, or is or was serving, or has agreed to serve, at our request as a director, officer, partner, employee or trustee of, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise (all such persons being referred to as an Indemnitee), or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding and any appeal therefrom if such Indemnitee acted in good faith and in a manner

---

[Table of Contents](#)

he or she reasonably believed to be in, or not opposed to, our best interests, and, with respect to any criminal action or proceeding, he or she had no reasonable cause to believe his or her conduct was unlawful.

Our certificate of incorporation also provides that we will indemnify any Indemnitee who was or is a party to an action or suit by or in the right of us to procure a judgment in our favor by reason of the fact that the Indemnitee is or was, or has agreed to become, our director or officer, or is or was serving, or has agreed to serve, at our request as a director, officer, partner, employee or trustee or, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys' fees) and, to the extent permitted by law, amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding, and any appeal therefrom, if the Indemnitee acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, our best interests, except that no indemnification shall be made with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to us, unless a court determines that, despite such adjudication but in view of all of the circumstances, he or she is entitled to indemnification of such expenses. Notwithstanding the foregoing, to the extent that any Indemnitee has been successful, on the merits or otherwise, he or she will be indemnified by us against all expenses (including attorneys' fees) actually and reasonably incurred by him or her or on his or her behalf in connection therewith. If we do not assume the defense, expenses must be advanced to an Indemnitee under certain circumstances.

We have entered into indemnification agreements with all of our directors and executive officers. In general, these agreements provide that we will indemnify the director or officer to the fullest extent permitted by law for claims arising in his or her capacity as a director or officer of our company or in connection with their service at our request for another corporation or entity. The indemnification agreements also provide for procedures that will apply in the event that a director or officer makes a claim for indemnification and establish certain presumptions that are favorable to the director or officer.

We maintain a general liability insurance policy that covers certain liabilities of our directors and officers arising out of claims based on acts or omissions in their capacities as directors or officers.

In any underwriting agreement we enter into in connection with the offering of common stock being registered hereby, the underwriters will agree to indemnify, under certain conditions, our directors and officers (as well as certain other persons) against certain liabilities arising in connection with such offering.

Insofar as the forgoing provisions permit indemnification of directors, executive officers, or persons controlling us for liability arising under the Securities Act we have been informed that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

### **Item 17. Undertakings.**

*Item 512(a) of Regulation S-K.* The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

*provided, however,* that paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that are

incorporated by reference in this Registration Statement or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this Registration Statement.

(2) That, for the purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this Registration Statement as of the date the filed prospectus was deemed part of and included in the Registration Statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in this Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

*Item 512(b) of Regulation S-K.* The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

*Item 512(h) of Regulation S-K.* Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the indemnification provisions described herein, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

3. Redemption.

(a) This Note shall not be redeemable by the Company prior to March 1, 2022. On and after March 1, 2022, the Company may, at its option, redeem (an “**Optional Redemption**”) for cash all or any portion of this Note, at the Optional Redemption Price, if the Last Reported Sale Price of the Common Stock has been at least 130% of the Conversion Rate then in effect for at least twenty (20) Trading Days (whether or not consecutive) during any thirty (30) consecutive Trading Day period (including the last Trading Day of such period) ending on, and including, the Trading Day immediately preceding the date on which the Company provides the Notice of Optional Redemption (as defined below) in accordance with this Section 3(b).

If fewer than all of the outstanding Notes are to be redeemed, the Company shall redeem the Notes on a pro rata basis among all Holders. If any Note selected for partial redemption is submitted for conversion pursuant to Section 4(a) in part after such selection, the portion of the Note submitted for conversion shall be deemed (so far as may be possible) to be the portion selected for redemption.

4. Conversion Rights. This Note may be converted on the terms and conditions set forth in this Section 4.

(a) Conversion at Option of the Holder. On or after the date hereof and prior to the second Trading Day immediately preceding the Maturity Date, the Holder shall be entitled to convert all or any part of the Principal (if the portion to be converted is \$1,000 principal amount or an integral multiple in excess thereof) in accordance with Section 4(c) at the Conversion Rate. Notwithstanding anything herein to the contrary, the Company shall not issue to the Holder, and the Holder may not acquire, a number of Shares upon conversion of this Note and the Company shall not otherwise issue any Shares pursuant hereto or the Note Purchase Agreement, to the extent that, (i) upon such conversion, the number of Shares then beneficially owned by the Holder and its Affiliates and any other Persons or entities whose beneficial ownership of Common Stock would be aggregated with the Holder’s for purposes of Section 13(d) of the Exchange Act (including any shares held by any “group” of which the Holder is a member, but excluding shares beneficially owned by virtue of the ownership of securities or rights to acquire securities that have limitations on the right to convert, exercise or purchase

similar to the limitation set forth herein) would exceed 19.99% of the total number of Shares issued and outstanding (the “**Ownership Cap**”) or (ii) such issuance, when aggregated with any other Shares theretofore or simultaneously therewith issued to or otherwise beneficially owned by the Holder and its Affiliates and any other Persons or entities whose beneficial ownership of Common Stock would be aggregated with the Holder’s for purposes of Section 13(d) of the Exchange Act (including any shares held by any “group” of which the Holder is a member, but excluding shares beneficially owned by virtue of the ownership of securities or rights to acquire securities that have limitations on the right to convert, exercise or purchase similar to the limitation set forth herein) would otherwise result in a “change of control” of the Company within the meaning of Nasdaq Listing Rule 5635(b). For purposes hereof, “group” has the meaning set forth in Section 13(d) of the Exchange Act and applicable regulations of the SEC, and the percentage held by the Holder shall be determined in a manner consistent with the provisions of Section 13(d) of the Exchange Act. Upon the written request of the Holder, the Company shall, within two (2) Business Days, confirm orally and in writing to the Holder the number of Shares then outstanding. Notwithstanding anything herein to the contrary, the Company shall have no obligation to the Holder to pay the value of the Conversion Shares in cash. To exercise a Conversion pursuant to this Section 4(a) on any Holder Conversion Date, the Holder shall transmit by electronic mail (or otherwise deliver), for receipt on or prior to 5:00 p.m. New York City time on such date, a copy of an executed conversion notice in the form attached hereto as Exhibit A (the “**Conversion Notice**”) to the Company as set forth in the Note Purchase Agreement.

(b) Corporate Transaction Conversion. If a Corporate Transaction occurs at any time, the Holder shall have the right and option, but not the obligation, to convert all of the unpaid Principal at the Conversion Rate and receive a cash payment equal to (i) the outstanding accrued but unpaid Interest under this Note to, but excluding, the Corporate Transaction Conversion Date (to the extent such date occurs prior to the Maturity Date) *plus* (ii) the Make-Whole Consideration as described in Section 4(c) as full and complete satisfaction of all obligations under this Note. The Company will provide a Corporate Transaction Notice in no event later than fifteen (15) Business Days from when the Company first becomes aware of such a Corporate Transaction. The Holder may elect a conversion pursuant to this Section 4(b) by delivering a written notice of its election to exercise its conversion right (the “**Corporate Transaction Conversion Notice**”) not more than ten (10) Business Days after receiving the Corporate Transaction Notice. Such Corporate Transaction Conversion Notice will be binding upon delivery and will constitute an irrevocable election by the Holder.

(c) Make-Whole Consideration.

- (i) If a Corporate Transaction occurs prior to the Maturity Date, and the Holder elects to convert its Notes in connection with such Corporate Transaction, the Company shall, under the circumstances described below, include as additional consideration an additional cash payment for the Notes so surrendered for conversion (the “Make-Whole Consideration”), as described below.
- (ii) The amount of Make-Whole Consideration, if any, shall be determined by reference to the table below, based on the date on which the Corporate Transaction occurs (each, the “**Effective Date**”) and the price (the “**Stock Price**”) paid (or deemed to be

paid) per share of the Common Stock in the Corporate Transaction. The Stock Price shall be the average of the Last Reported Sale Prices of the Common Stock over the five Trading Day period ending on, and including, the Trading Day immediately preceding the Corporate Transaction.

- (iii) The Stock Prices set forth in the column headings of the table below shall be adjusted as of any date on which the Conversion Rate of the Notes is otherwise adjusted. The adjusted Stock Prices shall equal the Stock Prices applicable immediately prior to such adjustment, multiplied by a fraction, the numerator of which is the Conversion Rate immediately prior to such adjustment giving rise to the Stock Price adjustment and the denominator of which is the Conversion Rate as so adjusted.
- (iv) The following table sets forth the amount of Make-Whole Consideration per \$1,000 principal amount of Notes pursuant to this Section 4(c) for each Stock Price and Effective Date set forth below:

- (v) The exact Stock Prices and Effective Dates may not be set forth in the table above, in which case:
- (A) if the Stock Price is between two Stock Prices in the table above or the Effective Date is between two Effective Dates in the table, the amount of Make-Whole Consideration shall be determined by a straight-line interpolation between the amount of Make-Whole Consideration set forth for the higher and lower Stock Prices and the earlier and later Effective Dates, as applicable, based on a 365-day year;
- (B) if the Stock Price is greater than \$75.00 per share (subject to adjustment in the same manner as the Stock Prices set forth in the column headings of the table above pursuant to subsection (iii) above), no Make-Whole Consideration shall be payable; and

9

- (C) if the Stock Price is less than \$3.61 per share (subject to adjustment in the same manner as the Stock Prices set forth in the column headings of the table above pursuant to subsection (iii) above), no Make-Whole Consideration shall be payable.

Notwithstanding the foregoing, in no event shall the amount of Make-Whole Consideration per \$1,000 principal amount of Notes exceed \$444.61.

(d) Conversion Rate Adjustment. If the Company shall, at any time or from time to time, (A) declare a dividend on the Common Stock payable in shares of its capital stock (including Common Stock), (B) subdivide the outstanding Common Stock into a larger number of Shares, (C) combine the outstanding Common Stock into a smaller number of shares of its Common Stock, or (D) issue any shares of its capital stock in a reclassification of the Common Stock (including any such reclassification in connection with a consolidation or merger in which the Company is the continuing corporation), then in each such case, the Conversion Rate in effect at the time of the record date for such dividend or of the effective date of such subdivision, combination or reclassification shall be adjusted so that the Holder of this Note upon conversion after such date shall be entitled to receive the aggregate number and kind of shares of capital stock which, if this Note had been converted immediately prior to such date (without regard to the Ownership Cap), such holder would have owned upon such conversion and been entitled to receive by virtue of such dividend, subdivision, combination or reclassification. Any such adjustment shall become effective immediately after the record date of such dividend or the effective date of such subdivision, combination or reclassification. Such adjustment shall be made successively whenever any event listed above shall occur. If a dividend on the Common Stock payable in shares of its capital stock (including Common Stock) is declared and such dividend is not paid, the Conversion Rate shall again be adjusted to be the Conversion Rate, in effect immediately prior to such record date (giving effect to all adjustments that otherwise would be required to be made pursuant to this Section 4(d) from and after such record date).

- (e) Mechanics of Conversion. The conversion of this Note shall be conducted in the following manner:

(i) Settlement Method. Upon conversion of this Note pursuant to Section 4(a) or Section 4(b), the Company shall pay or deliver, as the case may be, to the Holder, in respect of each \$1,000 principal amount of Notes being converted, (A) cash (“**Cash Settlement**”), (B) Shares, together with cash, if applicable, in lieu of delivering any fractional share of Common Stock (“**Physical Settlement**”), or (C) a combination of cash and Shares, together with cash, if applicable, in lieu of delivering any fractional Shares (“**Combination Settlement**”), at its election, in each case plus a cash payment for accrued and unpaid Interest to, but excluding, the date of settlement. In respect of any Conversion Date, the Company shall deliver a notice (the “**Settlement Notice**”) of the relevant settlement method in respect of such Conversion Date, the Company shall deliver such Settlement Notice to converting Holders no later than the close of business on the Trading Day immediately following the relevant Conversion Date. If the Company does not elect a settlement method prior to the deadline set forth in the immediately preceding sentence, the Company shall no longer have the right to elect Cash Settlement or Physical Settlement and the Company shall be deemed to have elected Combination Settlement, and the Specified Dollar Amount per \$1,000 principal amount of Notes

shall be equal to \$1,000. Such Settlement Notice shall specify the relevant Settlement Method and in the case of an election of Combination Settlement, the relevant Settlement Notice shall indicate the Specified Dollar Amount per \$1,000 principal amount of Notes. If the Company delivers a Settlement Notice electing Combination Settlement but does not indicate a Specified Dollar Amount per \$1,000 principal amount of Notes in such Settlement Notice, the Specified Dollar Amount per \$1,000 principal amount of Notes shall be deemed to be \$1,000. The cash, Shares (and cash in lieu of any fractional shares) or a combination of cash and Shares in respect of any conversion of Notes (the “**Settlement Amount**”) shall be computed as follows:

- (A) if the Company elects to satisfy such conversion by Physical Settlement, the Company shall deliver to the converting Holder in respect of each \$1,000 principal amount of Notes being converted a number of Shares equal to the Conversion Rate in effect on the Conversion Date;
- (B) if the Company elects to satisfy such conversion by Cash Settlement, the Company shall pay to the converting Holder in respect of each \$1,000 principal amount of Notes being converted cash in an amount equal to the sum of the Daily Conversion Values for each of the twenty (20) consecutive Trading Days during the related Observation Period; and
- (C) if the Company elects to satisfy such conversion by Combination Settlement, the Company shall pay or deliver, as the case may be, in respect of each \$1,000 principal amount of Notes being converted, a Settlement Amount equal to the sum of the Daily Settlement Amounts for each of the twenty (20) consecutive Trading Days during the related Observation Period.

The Daily Settlement Amounts (if applicable) and the Daily Conversion Values (if applicable) shall be determined by the Company promptly following the last day of the applicable Observation Period. Promptly after such determination of the Daily Settlement Amounts or the Daily Conversion Values, as the case may be, and the amount of cash payable in lieu of delivering any fractional share of Common Stock, the Company shall notify the Holder of the Daily Settlement Amounts or the Daily Conversion Values, as the case may be, and the amount of cash payable in lieu of delivering fractional Shares.

(ii) Dispute Resolution. In the case of a dispute as to the determination of the Conversion Price or the arithmetic calculation of the Conversion Rate or the Make-Whole Consideration, the Company shall issue to the Holder the number of Conversion Shares and the amount of cash that is not disputed and shall transmit an explanation of the disputed determinations or arithmetic calculations to the Holder via electronic mail within two (2) Business Days of receipt or deemed receipt of the Holder’s Conversion Notice or other date of determination. If the Holder and the Company are unable to agree upon the determination of the Conversion Price or arithmetic calculation of the Conversion Rate within one (1) Business Day of such disputed determination or arithmetic calculation being transmitted to the Holder, then the Company shall promptly (and in any event within two (2) Business Days) submit via facsimile (A) the disputed determination of the Conversion Price to an independent, reputable investment banking firm agreed to by the Company and the Required Note Holders, or (B) the disputed arithmetic calculation of the Conversion Rate or the Make-Whole Consideration to the

Company's independent registered public accounting firm, as the case may be. The Company shall direct the investment bank or the accounting firm, as the case may be, to perform the determinations or calculations and notify the Company and the Holder of the results no later than two (2) Business Days from the time it receives the disputed determinations or calculations. Such investment bank's or accounting firm's determination or calculation, as the case may be, shall be binding upon all parties absent manifest error.

(iii) Record Holder. The Person or Persons entitled to receive the Conversion Shares issuable upon a conversion of this Note shall be treated for all purposes as the legal and record holder or holders of such Shares upon delivery of the Conversion Notice via electronic mail or otherwise in accordance with the terms hereof.

(iv) Book-Entry. Notwithstanding anything to the contrary set forth herein, upon conversion or redemption of this Note in accordance with the terms hereof, the Holder shall not be required to physically surrender this Note to the Company unless all of the Principal is being converted or redeemed. The Holder and the Company shall maintain records showing the Principal converted or redeemed and the dates of such conversions or redemptions or shall use such other method, reasonably satisfactory to the Holder and the Company, so as not to require physical surrender of this Note upon any such partial conversion or redemption. Notwithstanding the foregoing, if this Note is converted or redeemed as aforesaid, the Holder may not transfer this Note unless the Holder first physically surrenders this Note to the Company, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new Note of like tenor, registered as the Holder may request, representing in the aggregate the remaining Principal represented by this Note. The Holder and any assignee, by acceptance of this Note, acknowledge and agree that, by reason of the provisions of this paragraph, following conversion or redemption of any portion of this Note, the Principal of this Note may be less than the principal amount stated on the face hereof.

(f) Legends.

(i) Restrictive Legend. The Holder understands that until such time as this Note or the Conversion Shares have been registered under the Securities Act or otherwise may be sold pursuant to Rule 144 under the Securities Act or an exemption from registration under the Securities Act without any restriction as to the number of securities as of a particular date that can then be immediately sold, this Note and the Conversion Shares, as applicable, may bear a restrictive legend in substantially the following form (and a stop-transfer order may be placed against transfer of the certificates for such securities):

“[THIS SECURITY AND THE COMMON STOCK ISSUABLE UPON CONVERSION OF THIS SECURITY][THESE SHARES OF COMMON STOCK] HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR APPLICABLE STATE SECURITIES LAWS. THE [SECURITIES][COMMON STOCK] MAY NOT BE SOLD, TRANSFERRED OR ASSIGNED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT, OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT. IN THE CASE OF A

TRANSACTION EXEMPT FROM REGISTRATION THE COMPANY RESERVES THE RIGHT TO REQUIRE AN OPINION OF COUNSEL SATISFACTORY TO IT AS TO THE AVAILABILITY OF ANY EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.”

5. Repurchase at Holder’s Option Upon a Corporate Transaction.

(a) Generally. If a Corporate Transaction occurs at any time, the Holder shall have the right and option, but not the obligation, to cause the Company to purchase on the Corporate Transaction Repurchase Date (as defined below) all or any portion of the unpaid Principal amount of this Note (the “**Corporate Transaction Repurchase Option**”) that is equal to \$1,000 or an integral multiple of \$1,000 in excess thereof, on the date specified by the Company (the “**Corporate Transaction Repurchase Date**”) that is not less than fifteen (15) Business Days following the date of the Corporate Transaction Notice for a purchase price in cash (the “**Repurchase Consideration**”) equal to the sum of: (i) 100% of the Principal amount of this Note to be purchased; *plus* (ii) accrued and unpaid Interest thereon, to but excluding the Repurchase Date (to the extent such date occurs prior to the Maturity Date).

(b) Required Notices. The Company shall promptly provide the Holder with the Corporate Transaction Notice, but in no event later than fifteen (15) Business Days from when the Company first becomes aware of such a Corporate Transaction. The Holder may deliver to the Company written notice of its election to exercise its repurchase right (the “**Corporate Transaction Repurchase Notice**”) on or before the close of business on the Business Day immediately preceding the Corporate Transaction Repurchase Date.

(c) Payment of Consideration. The Company shall pay to the Holder on the Corporate Transaction Repurchase Date, the Repurchase Consideration by wire transfer of immediately available funds against the delivery to the Company of this Note, and this Note shall be cancelled and retired; *provided, however,* that if only a portion of the principal amount of this Note is being purchased, then the Company shall, concurrently with such delivery, duly execute and deliver to the Holder a new Note of the same tenor as this Note, but with a principal amount equal to the principal amount of the portion of this Note not being purchased. Notwithstanding the foregoing, in the event that a Holder exercises the Corporate Transaction Repurchase Option and the Company fails to pay the Repurchase Consideration in full due to the Company maintaining insufficient funds to pay such Repurchase Consideration, (i) this Note and the then outstanding Principal *plus* all accrued and unpaid Interest thereon shall remain outstanding until the date the Holder receives the Repurchase Consideration in full, (ii) Interest on the Principal shall continue to accrue (up until the Holder receives the Repurchase Consideration in full) and (iii) the Holder shall maintain all of its rights and remedies under the Note Documents.

6. No Rights as a Stockholder. This Note does not by itself entitle the Holder to any voting rights or other rights as a stockholder of the Company. In the absence of conversion of this Note, no provisions of this Note, and no enumeration herein of the rights or privileges of the Holder, shall cause the Holder to be a stockholder of the Company for any purpose.

7. Voting Rights. Except as required by law, the Holder shall have no voting rights with respect to any of the Conversion Shares until delivery of the Conversion Shares.

8. Amendment; Waiver. The terms and provisions of this Note shall not be amended or waived except in a writing signed by the Company and the Holder.

9. Remedies, Characterizations, Other Obligations, Breaches and Injunctive Relief. The remedies provided in this Note shall be cumulative and in addition to all other remedies available under this Note, the Note Purchase Agreement, at law or in equity (including a decree of specific performance and/or other injunctive relief). No remedy contained herein shall be deemed a waiver of compliance with the provisions giving rise to such remedy, and nothing herein shall limit the Holder's right to pursue actual damages for any failure by the Company to comply with the terms of this Note. The Company covenants to the Holder that there shall be no characterization concerning this instrument other than as expressly provided herein. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder and that the remedy at law for any such breach may be inadequate. The Company therefore agrees that, in the event of any such breach or threatened breach, the Holder shall be entitled, in addition to all other available remedies, to an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required.

10. Specific Shall Not Limit General; Construction. No specific provision contained in this Note shall limit or modify any more general provision contained herein. This Note shall be deemed to be jointly drafted by the Company and all purchasers of Notes pursuant to the Note Purchase Agreement and shall not be construed against any Person as the drafter hereof.

11. Failure or Indulgence Not Waiver. No failure or delay on the part of the Holder in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege.

12. Notices. Whenever notice is required to be given under this Note, unless otherwise provided herein, such notice shall be given in accordance with Section 7.1 of the Note Purchase Agreement.

13. Restrictions on Transfer.

(a) Registration or Exemption Required. This Note has been issued in a transaction exempt from the registration requirements set forth under the Securities Act. None of the Note or the Conversion Shares may be pledged, transferred, sold, assigned, hypothecated or otherwise disposed of except pursuant to an effective registration statement or an exemption to the registration requirements of the Securities Act and applicable state laws.

(b) Assignment; Transfer. The terms and conditions of this Note shall inure to the benefit of and be binding upon the respective successors and assigns of the Company and the Holder. The Holder may sell, assign, pledge or otherwise transfer this Note if: (i) the Holder shall have delivered three (3) days' prior written notice to the Company, substantially in the form of the Assignment attached hereto as Exhibit B, indicating the Person or Persons to whom the

Note shall be assigned and the respective principal amount of the Note to be assigned to each assignee; (ii) other than in the case of an assignment or transfer pursuant to an effective registration statement filed with the SEC covering the disposition of this Note or pursuant to Rule 144, the Holder shall have delivered to the Company a legal opinion reasonably acceptable to the Company to the effect that the Note to be transferred may be transferred pursuant to an exemption from registration under the Securities Act; and (iii) the Holder shall have otherwise complied with Section 6.6 of the Note Purchase Agreement. The Company shall effect the assignment within three (3) Business Days (the “**Transfer Delivery Period**”), and shall deliver to the assignee(s) designated by the Holder a Note or Notes of like tenor and terms for the appropriate principal amount. This Note and the rights evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Holder. The provisions of this Note are intended to be for the benefit of all Holders from time to time of this Note, and shall be enforceable by any such Holder. The Ownership Cap shall remain in place upon assignment of this Note.

14. Payment of Collection, Enforcement and Other Costs. If (a) this Note is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; or (b) an attorney is retained to represent the Holder in any bankruptcy, reorganization, or receivership of the Company or other proceedings affecting Company creditors’ rights and involving a claim under this Note, then the Company shall pay the costs incurred by the Holder for such collection, enforcement or action, including reasonable attorneys’ fees and disbursements.

15. Cancellation. After all Principal, Interest and other amounts at any time owed under, or on account of, this Note have been paid in full or converted in accordance with the terms hereof, this Note shall automatically be deemed cancelled, shall be surrendered to the Company for cancellation and shall not be reissued.

16. Waiver of Notice. To the extent permitted by law, the Company hereby waives demand, notice, presentment, protest and all other demands and notices in connection with the delivery, acceptance, performance, default or enforcement of this Note and the Note Purchase Agreement.

17. Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Note shall be governed by and construed and enforced in accordance with the internal laws of the State of New York without regard to the choice of law principles thereof. The Company agrees that all legal proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Note shall be commenced exclusively in the state and federal courts sitting in the City of New York. The Company hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or other proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper or is an inconvenient venue for such proceeding. The Company hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or other proceeding by mailing a copy thereof via registered or certified United States

mail or overnight delivery (with evidence of delivery) to such Party at the address in effect for notices to it under the Note Purchase Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. THE COMPANY HEREBY WAIVES ALL RIGHTS TO A TRIAL BY JURY.

18. Interpretative Matters. Unless the context otherwise requires, (a) all references to Sections or Exhibits are to Sections or Exhibits contained in or attached to this Note, (b) each accounting term not otherwise defined in this Note has the meaning assigned to it in accordance with generally accepted accounting principles consistently applied as set forth in the opinions and pronouncements of the Accounting Principles Board and the American Institute of Certified Public Accountants, (c) words in the singular or plural include the singular and plural and pronouns stated in either the masculine, the feminine or neuter gender shall include the masculine, feminine and neuter and (d) the use of the word “including” in this Note shall be by way of example rather than limitation. If a stock split, stock dividend, stock combination or other similar event occurs during any period over which an average price is being determined, then an appropriate adjustment will be made to such average to reflect such event.

19. Execution. A PDF or other reproduction of this Note may be delivered by the Company, and an executed copy of this Note may be delivered by the Company by e-mail or other similar electronic transmission device pursuant to which the signature of or on behalf of the Company can be seen, and such execution and delivery shall be considered valid, binding and effective for all purposes. The Company hereby agrees that it shall not raise the execution of PDF or other reproduction of this Note, or the fact that any signature was transmitted by e-mail or other similar electronic transmission device, as a defense to the Company’s execution of this Note. Notwithstanding the foregoing, the Company shall be required to deliver an originally executed Note to the Holder.

20. Subordination Agreement. Each Holder of this Note, whether the initial Holder on the date hereof or any subsequent Holder by assignment or other transfer, acknowledges and agrees that the repayment of this Note and such Holder’s rights and remedies hereunder, are in all respects subject to the terms of the Subordination Agreement. Each Holder further (a) acknowledges that it has received a copy of the Subordination Agreement and agrees to be bound thereby as if an original signatory thereto as a “Subordinated Creditor” and (b) irrevocably appoints, designates and authorizes Cap 1 LLC, or its assignee, as Subordinated Agent to take such action or refrain from taking any action on its behalf under the provisions of the Subordination Agreement and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement, together with such powers as are reasonably incidental thereto.

Re: Registration Statement on Form S-3

Ladies and Gentlemen:

This opinion is furnished to you in connection with a Registration Statement on Form S-3 (the "Registration Statement") filed with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"), for the registration of an aggregate of 9,574,021 shares of common stock, \$0.0001 par value per share (the "Common Stock"), of Ocular Therapeutix, Inc., a Delaware corporation (the "Company"), including 3,804,788 shares of the Company's Common Stock currently issued and outstanding (the "Initial Common Shares") and 5,769,233 shares of the Company's Common Stock issuable upon the conversion of outstanding senior subordinated convertible notes (the "Conversion Shares" and together, with the Initial Common Shares, the "Shares") held by Cap 1 LLC (the "Selling Stockholder"). All of the Shares are being registered on behalf of the Selling Stockholder.

We are acting as counsel for the Company in connection with the registration for resale of the Shares. We have examined and relied upon copies of the Registration Statement, as filed with the Commission, including the exhibits thereto.

We have also examined and relied upon the Restated Certificate of Incorporation of the Company (as amended or restated from time to time); the Amended and Restated By-laws of the Company (as amended or restated from time to time); records of meetings and actions of stockholders and of the Board of Directors of the Company, including committees thereof, as provided to us by the Company; certificates of representatives of the Company; certificates of public officials; and such other documents, instruments and certificates as we have deemed necessary as a basis for the opinion hereinafter expressed.

In our examination of the foregoing documents, we have assumed the genuineness of all signatures, the legal capacity of all signatories, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as copies, the authenticity of such original documents, and the completeness and accuracy of the corporate records and stock books of the Company provided to us by the Company. Our opinion below, insofar as it relates to the Shares being fully paid, is based solely on a certificate of the Chief Financial Officer of the Company confirming the Company's receipt of the consideration called for by the applicable resolutions authorizing the issuance of such Shares.

We assume that the appropriate action will be taken, prior to the offer and sale of the Shares, to register and qualify the Shares for sale under all applicable state securities or "blue sky" laws.

We express no opinion herein as to the laws of any state or jurisdiction other than the General Corporation Law of the State of Delaware and the federal laws of the United States of America. In addition, we express no opinion and make no statement herein with respect to the antifraud laws of any jurisdiction.

Based upon and subject to the foregoing, we are of the opinion that (i) the Initial Common Shares have been duly authorized and are validly issued, fully paid and nonassessable and (ii) the Conversion Shares, when issued and delivered upon the conversion of the senior subordinated convertible notes issued by the Company in accordance with the terms of such notes, will be duly authorized, validly issued, fully paid and nonassessable.

It is understood that this opinion is to be used only in connection with the offer and sale of the Shares while the Registration Statement is in effect.

Please note that we are opining only as to the matters expressly set forth herein, and no opinion should be inferred as to any other matters. This opinion is based upon currently existing statutes, rules, regulations and judicial decisions, and we disclaim any obligation to advise you of any change in any of these sources of law or subsequent legal or factual developments which might affect any matters or opinions set forth herein.

We hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act and to the use of our name therein and in the related prospectus under the caption "Legal Matters." In giving such consent, we do not hereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission.
