Item 1.01. Entry into a Material Definitive Agreement

Stock Purchase Agreement

On April 12, 2019, Pepperidge Farm, Incorporated (“Seller”), Wm. Bolthouse Farms, Inc. (the “Company”), Campbell Soup Company (“Campbell”) (solely for the purposes of Sections 2.03, 2.04, 2.07, 3.05, 6.02, 6.03, 6.06, 6.09(e), 6.10, 8.02, 8.03, 8.04, 8.07, 11.06, 11.11 and 11.15) and Generis Holdings, LP (“Buyer”) entered into a Stock Purchase Agreement (the “Agreement”) pursuant to which, among other things and subject to the satisfaction or waiver of specified conditions, Seller will sell to Buyer and Buyer will purchase from Seller one hundred percent (100%) of the outstanding shares of capital stock of the Company (the “Transaction”). The aggregate consideration payable by Buyer under the Agreement will be \$510 million, subject to customary adjustments for cash, debt, transaction expenses and working capital.

Each party to the Agreement has made customary representations and warranties. The Company has agreed to customary covenants, including relating to the conduct of its business from the date of the Agreement until the closing of the Transaction (the “Closing”). Buyer has agreed to use reasonable best efforts to obtain financing on the terms as contemplated by the debt commitment letter and equity commitment letter provided to Campbell prior to execution of the Agreement. The consummation of the Transaction is not conditioned on Buyer obtaining such financing.

For a period of eighteen (18) months following the Closing, Campbell and Buyer have each agreed to customary non-solicitation covenants which prohibit the solicitation or hiring of certain employees of the other party and its affiliates. Campbell has also agreed that, for a period of eighteen (18) months following the Closing, Campbell will not engage, operate or invest in a Restricted Business, which is defined to include any company involved in the business of growing, processing, packaging or selling carrots (in any variety) and/or manufacturing, packaging or selling refrigerated dressings, subject to customary exceptions.

Each party’s obligation to consummate the Transaction is subject to certain conditions relating to regulatory approvals, the accuracy of the other party’s representations and warranties and the performance, in all material respects, by the other party of its obligations under the Agreement.

Under the Agreement, Buyer is obligated to pay Seller a fee in the amount set forth in the Agreement, if the Agreement is validly terminated by Seller (i) due to Buyer’s material breach of the Agreement such that the corresponding closing condition would not be satisfied, or (ii) if all the conditions to Buyer’s obligation to consummate the Transaction have been satisfied or waived, the Company, Seller and Campbell have confirmed in writing that they are ready, willing and able to consummate the Transaction, and Buyer fails to consummate the Transaction within two (2) business days following the date on which the Closing should have occurred.

The foregoing description of the Agreement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Agreement attached hereto as Exhibit 2.1, which is incorporated herein by reference.

The Agreement has been attached to provide investors and security holders with information regarding its terms and is not intended to provide any factual information about Buyer, Campbell, Seller or the Company. The representations, warranties and covenants in the Agreement were made only for the purpose of the Agreement and solely for the benefit of the parties to the Agreement as of specific dates. Such representations, warranties and covenants may have been made for the purposes of allocating contractual risk between the parties to the Agreement instead of establishing these matters as facts, may or may not have been accurate as of any specific date, and may be subject to important limitations and qualifications (including exceptions thereto set forth in disclosure schedules agreed to by the contracting parties) and may therefore not be complete. The representations, warranties and covenants in the Agreement may also be subject to standards of materiality applicable to the contracting parties that may differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Buyer, Campbell, Seller or the Company or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Agreement, which subsequent information may or may not be fully reflected in Campbell’s or Buyer’s public disclosures.

Item 7.01 Regulation FD Disclosure.

On April 12, 2019, Campbell issued a press release announcing the entry into the Agreement. A copy of the press release is attached hereto as Exhibit 99.1.

Forward-Looking Statements

This Current Report on Form 8-K contains “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995 that reflect Campbell’s current expectations about the impact of its future plans and performance on Campbell’s business or financial results. The factors that could cause Campbell’s actual results to vary materially from those anticipated or expressed in any forward-looking statement include: (1) the conditions to the completion of the transactions contemplated by the Agreement may not be satisfied, or the regulatory approvals required for such transactions may not be obtained on the terms expected, on the anticipated schedule, or at all; (2) closing of the transactions contemplated by the Agreement may not occur or may be delayed, either as a result of litigation related to such transactions or otherwise; and (3) other factors described in Campbell’s most recent annual report on Form 10-K and subsequent SEC filings. The company disclaims any obligation or intent to update the forward-looking statements in order to reflect events or circumstances after the date of this release.

RECITALS

WHEREAS, (i) the Seller is the direct owner of one hundred percent (100%) of the outstanding shares of capital stock of the Company (such shares of capital stock, the "Purchased Shares"), and (ii) the Company is the owner, directly or indirectly, of one hundred percent (100%) of the equity interests of the entities set forth on Exhibit C hereto (such entities, each a "Transferred Company" and collectively, the "Transferred Companies").

WHEREAS, the Seller wishes to sell to Buyer, and Buyer wishes to purchase from the Seller, all of the Purchased Shares, upon the terms and subject to the conditions set forth in this Agreement.

WHEREAS, concurrently with the execution and delivery of this Agreement, and as a condition and inducement to the Seller's willingness to enter into this Agreement, the Equity Financing Sources, (collectively, the "Guarantors") are each entering into limited guarantees, dated as of the date hereof, in favor of the Seller (collectively, the "Limited Guarantees") with respect to certain obligations of Buyer under this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants, representations, warranties and agreements hereinafter set forth and intending to be legally bound, the parties to this Agreement agree as follows:

ARTICLE I

DEFINITIONS

Section 1.01 Certain Defined Terms. Capitalized terms used in this Agreement shall have the meanings specified in Exhibit A to, or elsewhere in, this Agreement.

ARTICLE II

PURCHASE AND SALE

Section 2.01 Purchase and Sale of Purchased Shares. On the terms and subject to the conditions set forth in this Agreement, at the Closing, the Seller shall sell, convey, assign, transfer and deliver, as legal and beneficial owner, to Buyer, and Buyer shall purchase, acquire and accept from the Seller, free and clear of all Liens (other than any transfer restrictions arising under applicable securities Laws), all right, title and interest in and to the Purchased Shares.

Section 2.02 Closing. The closing of the sale and purchase of the Purchased Shares (the “Closing”) shall take place at 10:00 a.m. New York time at the offices of Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153, or such other place as the Seller and Buyer may agree in writing, on the last day of Parent’s fiscal month immediately following the date on which the conditions set forth in Section 9.01, Section 9.02, and Section 9.03 have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the Closing but subject to the satisfaction or waiver of those conditions at such time) (such day, “Parent’s Fiscal Month End”, and the date on which the Closing takes place being the “Closing Date”); *provided, however*, that notwithstanding the foregoing, in no event shall the Closing occur prior to the date that is 60 days after the date of this Agreement without Buyer’s prior written consent (which written consent can be delivered by Buyer in its sole discretion); *provided, further*, that, subject to the 60-day requirement in the immediately preceding proviso and the satisfaction or waiver of the conditions set forth in Section 9.01, Section 9.02 and Section 9.03, the Seller may, following no less than five (5) Business Days prior written notice to Buyer, determine that the Closing Date shall be a Business Day earlier than Parent’s Fiscal Month End.

Section 2.03 Purchase Price. The aggregate “Purchase Price” for the Purchased Shares shall be an amount in cash equal to \$510,000,000 (the “Base Payment”), which amount shall be adjusted as a result of the Closing Adjustment, if any, pursuant to Section 2.04 (the “Closing Payment”), and the Post-Closing Adjustment, if any, pursuant to Section 2.07. The Closing Payment shall be paid to an account or accounts designated by Parent in the Closing Notice.

Section 2.04 Closing Adjustment. Not less than three (3) Business Days prior to the anticipated Closing Date, Parent shall provide Buyer with a notice (the “Closing Notice”) that includes the following:

- (a) a “Statement of Estimated Working Capital”, prepared in accordance with the Transaction Accounting Principles and in the format of the Reference Working Capital Statement set forth on Exhibit B, setting forth the estimated Working Capital of the Company as of the Closing (“Estimated Working Capital”);
- (b) Parent’s good faith determination of the “Closing Adjustment” prepared in accordance with the Transaction Accounting Principles, which shall equal (i) the amount of estimated Closing Date Cash, minus (ii) the amount of estimated Closing Date Indebtedness, (iii) (A) if the Estimated Working Capital Adjustment is positive, plus the Estimated Working Capital Adjustment or (B) if the Estimated Working Capital Adjustment is negative, minus, the absolute value of the Estimated Working Capital Adjustment, minus (iv) the amount of estimated Unpaid Transaction Expenses;
- (c) taking into account the Closing Adjustment, the estimated Purchase Price at Closing (the “Estimated Purchase Price”); and
- (d) the account or accounts to which Buyer shall pay the Closing Payment.

Buyer shall have two (2) Business Days from the receipt of the Closing Notice to provide Parent any comments with respect to the Closing Notice and Parent shall consider (in good faith) any appropriate changes thereto prior to the Closing. If the Closing Adjustment is a positive amount, then the Purchase Price paid by Buyer as directed by Parent in the Closing Notice shall be increased by the Closing Adjustment. If the Closing Adjustment is a negative amount, then the Purchase Price paid by Buyer as directed by Parent shall be decreased by the absolute value of the Closing Adjustment.

Section 2.05 Closing Deliveries by the Seller. At the Closing, the Seller shall deliver or cause to be delivered to Buyer:

- (a) a certificate of a duly authorized officer of the Seller certifying as to the matters set forth in Section 9.03(a);
- (b) a certificate of non-foreign status that complies with Section 1445 of the Code and Treasury Regulations Section 1.1445-2(b)(2), duly executed by the Seller; and
- (c) the resignation letters (or evidence of removal) required by Section 6.11.

Section 2.06 Closing Deliveries by Buyer. At the Closing, Buyer shall deliver to the Seller:

- (a) the Closing Payment, by wire transfer in immediately available funds, to an account or accounts as directed by the Seller in the Closing Notice; and
- (b) a certificate of a duly authorized officer of Buyer certifying as to the matters set forth in Section 9.02(a).

Section 2.07 Post-Closing Adjustment.

(a) As soon as practicable, but no later than sixty (60) days after the Closing Date, Buyer shall prepare and deliver to the Seller, or any other Affiliate of Parent as designated by Parent, a statement (the "Closing Statement") setting forth Buyer's calculation of (i) the Closing Date Cash, (ii) the Closing Date Indebtedness, (iii) the Closing Date Working Capital, (iv) the Unpaid Transaction Expenses and (v) the "Final Purchase Price", which shall equal (A) the Base Payment, plus (B) the amount of the Closing Date Cash, minus (C) the amount of the Closing Date Indebtedness, and (D)(1) if the Closing Date Working Capital Adjustment is positive, plus, the Closing Date Working Capital Adjustment or (2) if the Closing Date Working Capital Adjustment is negative, minus, the absolute value of the Closing Date Working Capital Adjustment, minus (E) the Unpaid Transaction Expenses (collectively, (B) through (E), the "Post-Closing Adjustment"). Buyer's calculations set forth in the Closing Statement (collectively, the "Proposed Purchase Price Calculations") shall be delivered with reasonable supporting detail with respect to the calculation of such amounts.

(b) Within forty-five (45) days of receipt of the Closing Statement, Parent may provide written notice to Buyer disputing all or a part of the Proposed Purchase Price Calculations (such notice, a "Purchase Price Dispute Notice"). If Parent does not provide a Purchase Price Dispute Notice to Buyer within such 45-day period, then the parties agree that the Proposed Purchase Price Calculations set forth in the Closing Statement shall be deemed final and binding on the parties hereto. Any Purchase Price Dispute Notice shall set forth in

reasonable detail the basis for such disagreement, the amounts involved and Parent's determination (in each case, with reasonable supporting detail) of the (i) the Closing Date Cash, (ii) the Closing Date Indebtedness, (iii) the Closing Date Working Capital and (iv) the Unpaid Transaction Expenses. If a Purchase Price Dispute Notice is provided to Buyer, then Buyer and Parent shall use commercially reasonable efforts to resolve the disputed items (the "Disputed Items") during the thirty (30)-day period commencing on the date of Buyer's receipt of the Purchase Price Dispute Notice.

(c) If Parent and Buyer do not agree upon a final resolution with respect to any Disputed Items within such 30-day period, then the remaining items in dispute shall be submitted immediately to a mutually agreeable accounting firm to be determined by Parent and Buyer or, if such firm declines to be retained to resolve the dispute, another nationally recognized, independent accounting firm reasonably acceptable to Buyer and Parent (in either case, the "Accounting Firm"). The Accounting Firm shall act as an expert and not as an arbitrator and shall make any determinations based solely on the written submissions of Buyer, on the one hand, and Parent, on the other hand, and not by independent investigation. The parties agree to instruct the Accounting Firm to render a determination of the applicable dispute within forty-five (45) days after referral of the matter to such Accounting Firm, which determination must be in writing and must set forth, in reasonable detail, the basis therefor. The terms of appointment and engagement of the Accounting Firm shall be as agreed upon between Parent and Buyer, and any associated engagement fees shall be initially borne fifty percent (50%) by Parent and fifty percent (50%) by Buyer; provided that such fees shall ultimately be borne by Parent and Buyer in inverse proportion as they may prevail on matters resolved by the Accounting Firm, which proportionate allocations shall also be determined by the Accounting Firm at the time the determination of the Accounting Firm is rendered on the merits of the Disputed Items. For example, should the items in dispute total in amount to \$1,000 and the Accounting Firm awards \$600 in favor of Parent's position, sixty percent (60%) of the costs of its review would be borne by Buyer and forty percent (40%) of the costs would be borne by Parent. Except as provided in the preceding sentence, all other costs and expenses incurred by the parties hereto in connection with resolving any dispute hereunder before the Accounting Firm shall be borne by the party incurring such cost and expense. In resolving the Disputed Items, the Accounting Firm (A) shall be bound by the provisions of this Section 2.07, (B) may not assign a value to any item greater than the greatest value claimed for such item or less than the smallest value for such item claimed by either Buyer or Parent and (C) shall limit its decision to such items as are in dispute and to only those adjustments as are necessary for the Proposed Purchase Price Calculations to comply with the provisions of this Agreement. Such determination of the Accounting Firm shall be conclusive and binding upon the parties hereto absent fraud or manifest error.

(d) The parties agree that they will, and agree to cause their respective Representatives to, cooperate and assist in the calculation of the Final Purchase Price and in the conduct of the review by the Accounting Firm of any proposed calculations of the Final Purchase Price or the components thereof, including the making available, to the extent necessary, of books, records, work papers and personnel.

(e) If the Final Purchase Price is equal to or greater than the Estimated Purchase Price, then Buyer shall promptly (but in any event within ten (10) Business Days after the date on which the Final Purchase Price is determined pursuant to this Section 2.07) pay to the Seller or any other Affiliate of Parent as designated by Parent an aggregate cash amount equal to such excess (if any), by wire transfer of immediately available funds to the account or accounts as directed by Parent in the Closing Notice (or such other accounts as Parent shall designate in writing to Buyer).

(f) If the Estimated Purchase Price is greater than the Final Purchase Price, then the Seller shall promptly (but in any event within ten (10) Business Days after the date on which the Final Purchase Price is determined pursuant to this Section 2.07) pay to Buyer an aggregate cash amount equal to such excess, by wire transfer of immediately available funds to the account or accounts as Buyer shall designate in writing to Parent.

(g) Any amount paid pursuant to this Section 2.07 shall be treated as an adjustment to the Final Purchase Price for tax reporting purposes.

Section 2.08 Accounting Procedures. The Estimated Purchase Price, the Proposed Purchase Price Calculations, the Final Purchase Price and the determinations and calculations contained therein shall be prepared and calculated based on the reference financial information of the Company prepared in accordance with GAAP, applied in a manner consistent with the Transaction Accounting Principles and Reference Working Capital Statement set forth on Exhibit B, except that such statements, calculations and determinations: (i) shall not include any purchase accounting or other adjustment arising out of the consummation of the transactions contemplated by this Agreement, (ii) shall be based on facts and circumstances as they exist as of the Closing and shall exclude the effect of any act, decision or event occurring after the Closing, (iii) shall follow the defined terms contained in this Agreement whether or not such terms are consistent with GAAP and (iv) shall calculate any reserves, accruals or other non-cash expense items on a pro rata (as opposed to monthly accrual) basis to account for a Closing that occurs on any date other than the last day of a fiscal period. For the avoidance of doubt, in the event that there is any inconsistency between GAAP and the Transaction Accounting Principles and sample calculation of Reference Working Capital Statement set forth on Exhibit B, the Transaction Accounting Principles and Reference Working Capital Statement set forth on Exhibit B shall apply. For the avoidance of doubt, no amount shall be double-counted in calculating the amounts comprising either the Estimated Purchase Price or the Final Purchase Price.

Section 2.09 Withholding. Buyer shall be entitled to deduct and withhold such amounts from any payments otherwise required hereunder to the extent required under applicable Law; provided, if Buyer withholds on any payment pursuant to the terms of this Section 2.09, such withheld amount shall be treated for all purposes of this Agreement as having been paid to the Seller, provided that Buyer pays over such withheld amount to the appropriate Governmental Authority. If Buyer determines that any payment to Seller hereunder is subject to deduction and/or withholding (other than in respect of Seller's failure to deliver the applicable certificate under Section 2.05(b)), then Buyer shall provide Seller with prior written notice as soon as possible, but in no event less than ten (10) (or, five (5) days in the case of a change in Law occurring on or after the commencement of such ten-day period) days prior to making any deduction or withholding from the consideration otherwise payable thereto under this Agreement and shall take all commercially reasonable steps requested by Seller necessary for Seller to claim any reduction in or elimination of any such deduction or withholding.

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF THE SELLER

The Seller hereby represents and warrants to Buyer that:

Section 3.01 Organization and Authority. The Seller is a corporation incorporated, validly existing and, to the extent legally applicable, in good standing under the Laws of its jurisdiction of incorporation and has all necessary power to enter into, consummate the transactions contemplated by, and carry out its obligations under, the Transaction Agreements to which it is a party. The execution and delivery by the Seller of the Transaction Agreements to which it is a party and the consummation by the Seller of the transactions contemplated by, and the performance by the Seller of its obligations under, the Transaction Agreements to which it is a party have been duly authorized by all requisite action on the part of the Seller. This Agreement has been, and upon execution and delivery, the Ancillary Agreements to which the Seller is a party will be, duly executed and delivered by the Seller, and (assuming due authorization, execution and delivery by Buyer) this Agreement constitutes, and upon execution and delivery, the Ancillary Agreements will constitute, legal, valid and binding obligations of the Seller, enforceable against the Seller party thereto in accordance with their terms, subject to the effect of any applicable Laws relating to bankruptcy, reorganization, insolvency, moratorium, fraudulent conveyance or preferential transfers, or similar Laws relating to or affecting creditors' rights generally and subject, as to enforceability, to the effect of general principles of equity, (regardless of whether such enforceability is considered in a proceeding in equity or at law) (the "Bankruptcy and Equity Exception").

Section 3.02 Purchased Shares. The Seller is the beneficial owner of, and has good and valid title to, the Purchased Shares, free and clear of all Liens, except Liens on transfer imposed under applicable securities Laws. Assuming Buyer has the requisite power and authority to be the lawful owner of the Purchased Shares, upon execution and delivery to Buyer at the Closing of an assignment of the Purchased Shares, and upon receipt of the Estimated Purchase Price payable to the Seller pursuant to this Agreement, good and valid title to the Purchased Shares will pass to Buyer, free and clear of any Liens, other than Liens on transfer imposed under applicable securities Laws.

Section 3.03 No Conflict. Buyer hereby represents and warrants to the Seller that:

Section 5.01 Incorporation and Authority of Buyer. Buyer is a limited partnership organized, validly existing and in good standing under the Laws of the jurisdiction of its organization and has all necessary power to enter into the Transaction Agreements and to consummate the transactions contemplated by, and to carry out its obligations under, the Transaction Agreements. The execution and delivery of the Transaction Agreements by Buyer, the consummation by Buyer of the transactions contemplated by, and the performance by Buyer of its obligations under, the Transaction Agreements have been duly authorized by all requisite partnership action on the part of Buyer. This Agreement has been, and upon execution and delivery thereof the Ancillary Agreements will be, duly executed and delivered by Buyer, and (assuming due authorization, execution and delivery by each of the Seller and the Company, as applicable) this Agreement constitutes, and upon execution and delivery thereof the Ancillary Agreements will constitute, legal, valid and binding obligations of Buyer enforceable against Buyer in accordance with their terms, subject to the Bankruptcy and Equity Exception.

Section 5.02 Qualification of Buyer. Buyer has the appropriate power and authority to operate its businesses as now conducted. Buyer is qualified to do business and, to the extent legally applicable, is in good standing in each jurisdiction where the character of its owned, operated or leased properties or assets or the nature of its activities makes such qualification necessary, except for jurisdictions where the failure to be so qualified or in good standing would not result in a Buyer Material Adverse Effect.

Section 5.03 No Conflict. Provided that all consents, approvals, authorizations and other actions described in Section 5.04 have been obtained or taken, the execution, delivery and performance by Buyer of, and the consummation by Buyer of the transactions contemplated by, the Transaction Agreements do not and will not (a) violate or conflict with the certificate or articles of incorporation or bylaws or similar organizational documents of Buyer, (b) conflict with or violate any Law or Governmental Order applicable to Buyer or (c) result in any breach of, or constitute a default (or event which with the giving of notice or lapse of time, or both, would become a default) under, or give to any Person any rights of termination, amendment, acceleration or cancellation of, or result in the creation of any Lien on any of the assets or properties of Buyer pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, sublease, license, permit, franchise or other material instrument to which Buyer or any of its Subsidiaries is a party or by which any of such assets or properties is bound or affected, except, in the case of clauses (b) and (c), as would not reasonably be expected to have a Buyer Material Adverse Effect.

Section 5.04 Consents and Approvals. The execution and delivery by Buyer of the Transaction Agreements do not, and the performance by Buyer of, and the consummation by Buyer of the transactions contemplated by, the Transaction Agreements will not, require any material consent, approval, authorization or other action by, or any material filing or registration with or notification to, any Governmental Authority, except (a) in connection, or in compliance, with the applicable filings or approvals under the HSR Act, (b) where the failure to obtain such consent, approval, authorization or action, or to make such filing or notification would not be reasonably expected to have a Buyer Material Adverse Effect and (c) as may be necessary as a result of any facts or circumstances relating to Parent, the Seller, the Company or the Transferred Companies.

Section 5.05 Absence of Restraints; Compliance with Laws.

(a) To the knowledge of Buyer, there exist no facts or circumstances that would reasonably be expected to materially impair or delay the ability of Buyer to consummate the transactions contemplated by, or to perform its obligations under, the Transaction Agreements.

(b) Buyer is not in violation of any Laws or Governmental Orders applicable to it or by which any of its material assets is bound or affected, except for violations the existence of which would not reasonably be expected to result in a Buyer Material Adverse Effect.

Section 5.06 Securities Matters. The Purchased Shares are being acquired by Buyer for its own account, and not with a view to, or for the offer or sale in connection with, any public distribution or sale of the Purchased Shares or any interest in them. Buyer (either alone or with its advisors) has sufficient knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of its investment in the Purchased Shares, and Buyer is capable of bearing the economic risks of such investment, including a complete loss of its investment in the Purchased Shares. Buyer acknowledges that the Purchased Shares have not been registered under the Securities Act, or any state securities Laws, and understands and agrees that it may not sell or dispose of any of the Purchased Shares except pursuant to a registered offering in compliance with, or in a transaction exempt from, the registration requirements of the Securities Act and any other applicable state, foreign or federal securities Laws.

(a) Concurrently with the execution of this Agreement, Buyer has delivered to the Seller a true and complete copy of (i) executed equity commitments letters, dated as of the date hereof, between Buyer and the Equity Financing Sources identified therein, including all exhibits, schedules, annexes and amendments to such letter in effect as of the date of this Agreement attached hereto as Exhibit F (the "Equity Commitment Letters"), pursuant to which each of the Equity Financing Sources has committed to provide, subject to the terms and conditions therein, cash in an amount up to the aggregate amount set forth therein for the purposes of financing the transactions contemplated by this Agreement (the "Equity Financing"), which Equity Commitment Letters provide that the Seller is a third party beneficiary thereof and is entitled to enforce such agreements, in each case to the extent expressly provided for in the enforcement provisions of the Equity Commitment Letters. and (ii) the duly executed debt commitment letter (including all exhibits, annexes, schedules and term sheets thereto), dated on or prior to the date hereof in the form attached hereto as Exhibit G (the "Debt Commitment Letter"), and together with the Equity Commitment Letters, the "Commitment Letters") and the duly executed fee letter associated therewith (the "Fee Letter", together with the Debt Commitment Letter, the "Debt Commitment Documentation" and together with the Equity Commitment Letters, the "Commitment Documentation") (provided, that provisions in the Fee Letter related to economic or "flex" terms have been redacted (none of which redacted provisions could reasonably be expected to adversely affect the conditionality or the availability of such financing)), pursuant to which the Debt Financing Sources have committed to lend, subject to the terms and conditions therein, amounts in the aggregate amount set forth therein for the purposes of financing the transactions contemplated by this Agreement (the debt financing contemplated thereby, hereafter and as amended or replaced from time to time in accordance with the provisions of this Agreement, the "Debt Financing", together with the Equity Financing, the "Financing").

(b) As of the date hereof, (i) the Commitment Documentation is in full force and effect and, as of the date hereof, to the knowledge of Buyer, the commitments evidenced in the Commitment Documentation have not been withdrawn, rescinded or terminated in any respect and no such withdrawal, rescission or termination is contemplated or pending, (ii) no event has occurred that, with or without notice, lapse of time or both, would or would reasonably be expected to constitute a default or breach on the part of Buyer or any of its Affiliates or, to the knowledge of Buyer, any other Person, under the Commitment Documentation and (iii) has not been amended, restated, amended and restated, supplemented or otherwise modified in any respect and no such amendment, restatement, amendment and restatement, supplementation or modification is contemplated other than as permitted by this Agreement (except in connection with any amendments or modification solely to effectuate any "flex" provisions in the Fee Letter).

(c) Each Commitment Letter is a legal, valid and binding obligation of Buyer and, to the knowledge of Buyer, the other parties thereto, subject to the Bankruptcy and Equity Exception.

(d) The Commitment Documentation constitutes the entire and complete agreement between the parties thereto with respect to the Financing, and, as of the date hereof, except as expressly set forth in the Commitment Letters, there are no (x) conditions precedent to the respective obligations of the Financing Sources to provide the Financing or (y) contractual contingencies or other provisions under any contract, agreement, arrangement or understanding (including any “side” letters or similar arrangements) relating to the Financing to which Buyer is a party that would permit the Financing Sources to reduce the total amount of the Financing necessary to fund the Required Payments (as defined below), impose any additional conditions precedent to the availability of the full amount of the Debt Financing necessary to fund the Required Payments, modify the conditions precedent to the availability of the full amount of the Financing or necessary to fund the Required Payments or materially delay the availability of the Financing.

(e) Buyer has fully paid, or has caused to be fully paid, any and all fees or other amounts to the Financing Sources required by the Commitment Documentation to be paid on or prior to the date hereof. As of the date hereof, assuming satisfaction or waiver of the conditions set forth in Section 9.01 and Section 9.03, Buyer is unaware of any fact or occurrence existing on the date hereof that could reasonably be expected to make any of the assumptions or any of the statements set forth in the Commitment Letters inaccurate in any material respect or that could reasonably be expected to cause the Commitment Documentation to be ineffective or the availability of the Financing to be delayed.

(f) As of the date hereof, assuming satisfaction or waiver of the conditions set forth in Section 9.01 and Section 9.03, Buyer has no reason to believe that it or any of the other parties to the Commitment Documentation will be unable to satisfy on a timely basis any condition of the Commitment Documentation required to be satisfied by it or that the full amount of funding contemplated in the Financing shall not be made available to Buyer on the Closing Date in order to consummate the transactions contemplated by this Agreement.

(g) The aggregate proceeds of the Financing (after netting out fees, expenses, original issue discount and similar premiums or charges payable by Buyer and after giving effect to the maximum amount of “flex” and original issue discount provided under the Commitment Documentation) together with cash on hand shall be sufficient to enable Buyer to pay the Purchase Price and all fees, costs, expenses and other amounts payable by Buyer related to the Financing and the transactions contemplated by this Agreement (collectively, the “Required Payments”).

(h) Buyer understands and acknowledges that the obligations of Buyer under this Agreement are not contingent on the availability of the Financing, the consummation of the Financing or the availability of Buyer to obtain any financing for, or related to, the transactions contemplated by this Agreement.

Section 5.08 Brokers. No broker, finder or investment banker is entitled to any brokerage, finder’s or other fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of Buyer.

Section 5.09 Solvency. Assuming (i) subject to the terms and conditions of this Agreement, the material truth and accuracy of the representations and warranties of the Seller set forth in Article III and of the Company in Article IV, (ii) that the most recent estimates, projections or forecasts of any member of the Company Group or (to the extent relating to the Business) any member of the Seller Group provided to Buyer prior to the date hereof have been prepared in good faith based on assumptions that were and continue to be reasonable, (iii) the conditions set forth in Section 9.01, Section 9.02, and Section 9.03 have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the Closing but subject to the satisfaction or waiver of those conditions at such time); and (iv) neither the Company Group, taken as a whole, nor the Business is insolvent immediately before the consummation of the transactions contemplated by this Agreement, immediately after giving effect to the transactions contemplated hereby (including the consummation of any financing arrangements entered into in connection therewith):

(a) the fair saleable value (determined on a going concern basis) of the assets of Buyer will be greater than the total amount of its liabilities (including all liabilities, whether or not reflected in a balance sheet prepared in accordance with GAAP, and whether direct or indirect, fixed or contingent, secured or unsecured, disputed or undisputed);

(b) Buyer will be able to pay its debts and obligations in the ordinary course of business as they become due; and

(c) Buyer will have adequate capital to carry on its businesses and all businesses in which it is about to engage.

Section 5.10 Investigation: No Reliance. Buyer acknowledges and agrees that it has made its own inquiry and investigation into, and, based thereon, has formed an independent judgment concerning the Seller, the Company the Transferred Companies, the Purchased Shares, and the transactions contemplated by this Agreement and any other assets, rights or obligations to be transferred hereunder or pursuant hereto. Except for the specific representations and warranties expressly made by each of the Seller and the Company in Article III and Article IV of this Agreement, (i) Buyer acknowledges and agrees that (a) the Seller, the Company, the Transferred Companies and their respective Affiliates and Representatives are not making and have not made any representation or warranty, expressed or implied, at law or in equity, in respect of the Purchased Shares, the Seller, the Company, the Transferred Companies, or any of the Seller's, the Company's or the Transferred Companies' respective businesses, assets, liabilities, operations, prospects, or condition (financial or otherwise), including with respect to merchantability or fitness for any particular purpose of any assets, the nature or extent of any liabilities, the prospects of the business of the Company, the effectiveness or the success of any operations, or the accuracy or completeness of any confidential information memoranda, documents, projections, material or other information (financial or otherwise) regarding the Seller, the Company or the Transferred Companies furnished to Buyer or its Representatives or made available to Buyer and its Representatives in any "data rooms," "virtual data rooms," management presentations or in any other form in expectation of, or in connection with, the transactions contemplated hereby, or in respect of any other matter whatsoever, and (b) no officer, agent, representative or employee of the Seller, the Company, the Transferred Companies or any of their respective Affiliates and Representatives has any authority, express or implied, to make any representations, warranties or agreements not specifically set forth in this Agreement; (ii) Buyer specifically disclaims that it is relying upon or has relied upon any such other representations or warranties that may have been made by any person, and acknowledges and agrees that the Seller, the Company, the Transferred Companies and their respective Affiliates and Representatives have specifically disclaimed and do hereby specifically disclaim any such other representation or warranty made by any Person; (iii) Buyer specifically disclaims any obligation or duty by the Seller, the Company, the Transferred Companies or any of their respective Affiliates or Representatives to make any disclosures of fact not required to be disclosed pursuant to the specific representations and warranties set forth in Article III and Article IV of this Agreement; and (iv) Buyer is acquiring the Purchased Shares subject only to the specific representations and warranties set forth in Article III and Article IV of this Agreement.

(t) make any acquisition of any assets or business for consideration in excess of \$500,000 other than acquisitions in the ordinary course of business, in each case, solely with respect to the respective businesses of the members of the Company Group; or

Section 6.02

Access to Information; Specified Unregistered IP.

(a) From the date of this Agreement until the Closing (or until earlier termination of this Agreement), upon reasonable prior notice, and except as determined in good faith to be appropriate to ensure compliance with any applicable Laws and subject to any applicable privileges (including the attorney client privilege) and contractual confidentiality obligations, the Company shall, and shall cause the Transferred Companies to, (i) afford the Representatives of Buyer reasonable access, during normal business hours, to the properties (including as reasonably required in connection with Buyer obtaining real property insurance), employees, books and records of the Company Group and the Seller Group, in each case solely to the extent related to the Business and (ii) furnish to the Representatives of Buyer such additional financial and operating data and other information regarding the Company as Buyer may from time to time reasonably request, in each case of (i) and (ii), for purposes of preparing to operate the Company following the Closing; provided, however, that such investigation shall not unreasonably interfere with the business or operations of the Seller, the Company or any Transferred Company. If reasonably requested by the Seller, Buyer shall enter into a customary and mutually acceptable joint defense agreement with the Seller with respect to any information to be provided to Buyer pursuant to this Section 6.02(a). Except as set forth in Section 6.12, notwithstanding anything to the contrary contained herein, prior to the Closing, without the prior written consent of the Seller, which may not be unreasonably withheld, neither Buyer nor any of its Representatives shall contact any suppliers to, or customers of Parent, the Seller, the Company or any Transferred Company other than in the ordinary course of business unrelated to the transactions contemplated hereby and on a basis consistent with past practice.

(b) Prior to the Closing, the Seller shall transfer to the applicable member(s) of the Company Group any books and records related to the Business of the Company Group that are in the possession of Parent, the Seller or any of Buyer's Affiliates (other than the Company Group). From and after the Closing, if any party identifies any books and records related to the Business of the Company Group that were not transferred to the Company Group prior to the Closing, then upon Buyer's request, Parent or the Seller shall promptly transfer or cause the transfer of such books and records to the applicable member(s) of the Company Group as directed by the Buyer.

(c) In addition to the provisions of Section 6.03, for the six (6) year period from and after the Closing Date, upon reasonable prior notice, solely in connection with (x) the preparation of financial statements, Taxes, including the preparation of any Tax Return or conduct of any Tax proceeding, and U.S. Securities and Exchange Commission reporting obligations, (y) compliance by Seller with applicable Law or (z) the enforcement of any rights of Seller under this Agreement or any Ancillary Agreement, and except as determined in good faith to be necessary to (i) ensure compliance with any applicable Law, (ii) preserve any applicable privilege (including the attorney-client privilege), (iii) comply with any contractual confidentiality obligations, or (iv) restrict or prohibit access to Confidential Information (in the good faith judgment of the party claiming such exception), the parties hereto shall, and shall cause each of their respective Affiliates and Representatives to (A) afford the Representatives of the other parties hereto and their respective Affiliates reasonable access, during normal business hours, to their properties, electronically stored data and information, and books and records in respect of the Company, the Transferred Companies, and the Purchased Shares, and permit copies of such materials to be made solely for use in connection with the reasonable business purposes described in this paragraph, (B) furnish to the Representatives of the other parties hereto and their respective Affiliates such additional financial and other information regarding the Company, the Transferred Companies, and the Purchased Shares as the other parties hereto and their respective Affiliates may from time to time reasonably request and (C) make available to the other parties hereto and their Affiliates those employees whose assistance, expertise, testimony, notes and recollections or presence may be necessary to assist the other parties hereto in connection with their inquiries for any reasonable business purpose referred to above; provided, however, that such investigation shall not unreasonably interfere with the business or operations of any party hereto or any of its Affiliates. If so requested by a party hereto providing any information or access, the party hereto or its Affiliate seeking information or access shall enter into a customary and mutually acceptable joint defense agreement with respect to any information to be provided to the party hereto seeking information or access pursuant to this Section 6.02(c).

(d) Notwithstanding anything in this Agreement to the contrary, none of the Seller, the Company or the Transferred Companies shall be required, prior to the Closing, and Buyer shall not be required, following the Closing, to disclose, or cause or seek to cause the disclosure, to any Person (or to provide access to any properties, books or records that would reasonably be expected to result in the disclosure to any Person of) any trade secrets, recipes, proprietary know how, processes or patent, trademark, trade name, service mark or copyright applications or product development, or pricing and marketing plans, in each case that is Confidential Information, nor shall the Seller, the Company or the Transferred Companies, prior to the Closing, or Buyer, following the Closing, be required to permit or cause or seek to cause others to permit any Person to have access to or to copy or remove from the properties of the Seller or the Company, any documents, drawings or other materials that might reveal any such Confidential Information.

(e) Notwithstanding anything to the contrary in Section 6.02(a), Buyer shall not conduct, prior to the Closing, without the prior written consent of the Seller, which consent the Seller may grant or withhold in its sole discretion, any sampling, testing or other intrusive indoor or outdoor investigation at or in connection with the Owned Real Property, the Leased Real Property or any other property associated or affiliated in any way with Parent, the Seller, the Company, the Transferred Companies or their respective businesses.

(f) With respect to any trade secrets, recipes, proprietary know-how, processes or product development primarily related to the Business or that are included in the Owned Intellectual Property, including such Intellectual Property developed by any employee of any member of the Seller Group or their respective Affiliates conducting research and development for the Transferred Companies (collectively, the "Specified Unregistered IP"), Parent hereby acknowledges, on behalf of itself, Seller and their Affiliates, that (i) the Company Group owns such Specified Unregistered IP, (ii) the Seller Group and their Affiliates shall have no right to use the Specified Unregistered IP following the Closing, and (iii) any rights or licenses, whether express or implied, for the Seller Group or their Affiliates to use the Specified Unregistered IP are hereby terminated. Notwithstanding the foregoing, nothing in this Section 6.02(f) or this Agreement shall prevent the Seller Group or its Affiliates from, within or outside this Agreement and for any purpose, using any general knowledge, skill, and expertise acquired by employees of the Seller Group in their performance of their employment activities for the Seller Group ("Residuals"), solely to the extent such Residuals shall have been retained in the unaided memory (without intentional memorization) of such employees in intangible form and without use of tangible copies of any Specific Unregistered IP. For the avoidance of doubt, any trade secrets, recipes, proprietary know-how, processes or product development related to the Seller Group's other products in order to facilitate product development and product use, shall not be included in the definition of Specified Unregistered IP.

Section 6.03 Records Preservation. Subject to the requirements of this Section 6.03, each of Parent and the Seller shall have the right to retain copies of all books and records of the Company and the Transferred Companies (including emails) relating to periods ending on or prior to the Closing Date (i) relating to information (including employment and medical records) regarding the employees of the Company and the Transferred Companies, (ii) as may be required by any Governmental Authority, including pursuant to any applicable Law or regulatory request, (iii) as may be deemed appropriate in connection with any claim, counterclaim, action, audit, suit, arbitration, proceeding or investigation commenced or threatened by any party (including any Governmental Authority), or (iv) as may be necessary for Parent or the Seller to perform their respective obligations pursuant to any Transaction Agreement, in each case subject to compliance with all applicable privacy Laws. The parties hereto shall preserve and keep, or cause to be preserved and kept, all original books and records of the Company and the Transferred Companies and any copies thereof in their possession for the longer of (a) the period required under such party's document retention policies and (b) any period required under applicable Law. During such retention period, Representatives of the Seller, Buyer and their respective Affiliates shall, upon reasonable notice and for any reasonable business purpose, have access during normal business hours to examine, inspect and copy such books and records (including emails). During such retention period, the parties hereto shall provide, or cause to be provided, to the other parties hereto and their respective Affiliates, access to such books and records of the Company and the Transferred Companies as such other parties hereto or their respective Affiliates shall reasonably request in connection with any Action to which such other parties hereto or any of their respective Affiliates are parties or in connection with the requirements of any Law applicable to such other parties hereto or any of their respective Affiliates.

Section 6.04 Confidentiality.

(a) The terms of the letter agreement dated November 19, 2018 (the "Confidentiality Agreement") between Buyer and Parent are incorporated into this Agreement by reference and shall continue in full force and effect (and the confidentiality obligations thereunder shall be binding upon Buyer and its Affiliates and Representatives as if parties thereto) until the Closing, at which time the confidentiality obligations under the Confidentiality Agreement shall terminate. If, for any reason, the Closing does not occur, the Confidentiality Agreement shall continue in full force and effect in accordance with its terms.

(b) For a period of seven (7) years from the date hereof, the Seller and its Affiliates shall hold in strict confidence and not disclose or release without the prior written consent of Buyer, any and all Confidential Information; provided that the Seller and its Affiliates may disclose, or may permit disclosure of, Confidential Information (i) to its Representatives who have a need to know such information and are informed of their obligation to hold such information confidential to the same extent as is applicable to the parties hereto and in respect of whose failure to comply with such obligations, the Seller shall be responsible, or (ii) if the Seller, or any of its Representatives is compelled (whether by deposition, interrogatory, request for documents, subpoena, civil investigation, demand, order or other legal process) or otherwise required by Law to disclose any such Confidential Information. In the event that any demand or request for disclosure of Confidential Information is made pursuant to clause (ii) above, the Seller shall (x) as promptly as practicable notify Buyer of the existence of such request or demand to the extent practicable and, if not otherwise prevented by Law, the disclosure that is expected to be made in respect thereto so that Buyer may, at its expense, seek a protective order or other appropriate assurance that confidential treatment will be afforded to the Confidential Information and/or waive compliance with the provisions of this Section 6.04(b), and (y) if requested by Buyer, cooperate with Buyer (at Buyer's expense) in seeking a protective order or other appropriate assurance that confidential treatment will be afforded to the Confidential Information in respect to such request or demand. If such a protective order or other remedy or the receipt of a waiver by Buyer is not obtained and the Seller or any of its Representatives is required by such Law to disclose any Confidential Information, the Seller or such Representative may disclose only that portion of the Confidential Information which is required to be disclosed.

(c) As used in this Agreement, “Confidential Information” shall mean all proprietary, technical, economic, environmental, operational, financial or other business information or material, data, reports, interpretations, forecasts and business plans of the Company, the Transferred Companies and their businesses, products, services, financial condition, operations, assets, liabilities and/or prospects which is, or after the date hereof, comes into the possession of the Seller or any of its Representatives, including pursuant to the access provisions of Section 6.02 or Section 6.03 hereof or any other provision of any Transaction Agreement; except the term “Confidential Information” does not include any information which (i) at the time of disclosure is generally available to and known by the public (other than as a result of a disclosure by the Seller in breach of Section 6.04(b)), (ii) becomes available after the Closing Date to the Seller or any of its Representatives on a non-confidential basis from a source other than Buyer which, to the Knowledge of the Seller, is not subject to any contractual, legal or fiduciary obligation of confidentiality to Buyer or (iii) is independently developed by the Seller, or any of its Representatives without use of the Confidential Information. Notwithstanding the foregoing, nothing herein shall prevent the Seller from disclosing or using information that is not related to the Company or any of the Transferred Companies (as conducted by the Seller prior to the Closing or by Buyer after the Closing).

Section 6.05

Regulatory and Other Authorizations: Consents.

(a) Subject to the terms and conditions herein provided, each of Buyer, the Seller, and their respective Affiliates, shall use its best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper, or advisable to consummate and make effective the transactions contemplated by this Agreement as promptly as practicable, and in any case, prior to the End Date (including the satisfaction, but not waiver, of the conditions precedent set forth in Article IX). Each of Buyer, the Seller, and their respective Affiliates, shall use best efforts to obtain consents of all Governmental Authorities necessary to consummate the transactions contemplated by this Agreement. Each party hereto shall make an appropriate filing, if necessary, pursuant to the HSR Act within ten (10) Business Days after the date of this Agreement (unless mutually agreed). Each party hereto shall supply as promptly as practicable to the appropriate Governmental Authorities to any additional information and documentary material that may be requested pursuant to the HSR Act. Without limiting the foregoing, (i) Buyer, the Seller and their respective Affiliates shall not voluntarily extend any waiting period or other applicable time period under the HSR Act or enter into any agreement with any Governmental Authority to delay, or otherwise not to consummate as soon as practicable the transactions contemplated hereby, except with the prior written consent of the other parties hereto, which consent may be withheld in the sole discretion of the non-requesting party, and (ii) Buyer agrees, at Buyer's sole cost, to take any and all actions that are necessary or reasonably advisable to avoid or eliminate each and every impediment under the HSR Act that

may be asserted or required by any Governmental Authority to consummate the transactions contemplated by this Agreement as expeditiously as possible, and in any event prior to the End Date, including (A) proposing, negotiating, committing to, effecting and agreeing to, by consent decree, hold separate order, or otherwise, the sale, divestiture, license, hold separate, and other disposition of, any entities, operations, assets, divisions, businesses, product lines, customers or facilities of the Company or any of the Transferred Companies or the Buyer, or Buyer's Affiliates, (B) creating, terminating, amending or assigning existing relationships, ventures, contractual rights, or obligations of the Company or any of the Transferred Companies or the Buyer, (C) amending, assigning, or terminating existing licenses or other agreements (and entering into such new licenses or other agreements), (D) otherwise taking or committing to any action that would limit Buyer's freedom of action with respect to, or its ability to retain or hold, directly or indirectly, any businesses, assets, products, or equity interests of the Buyer, the Company or any of the Transferred Companies, or their respective Affiliates; and (E) entering into any Governmental Order, consent decree or other agreement to effectuate any of the foregoing (the "Regulatory Actions"); provided that such Regulatory Actions may be conditioned upon and become effective only from the consummation of the transactions contemplated by this Agreement. All filing fees incurred in connection with the HSR Act shall be borne by Buyer.

(b) Each party to this Agreement shall promptly notify the other parties hereto of any substantive oral or written communication it receives from any Governmental Authority relating to the matters that are the subject of this Agreement, permit the other parties hereto to review in advance, and shall consider in good faith the comments of the other party in connection with, any substantive communication proposed to be made by such party (or its advisors) to any Governmental Authority, and shall provide the other parties hereto with copies of all correspondence, filings or other communications between them or any of their Representatives, on the one hand, and any Governmental Authority or members of its staff, on the other hand, with respect to this Agreement, subject to Section 6.02(d). No party to this Agreement shall agree to participate in any meeting or substantive discussion with any Governmental Authority in respect of any such filings, investigation or other inquiry unless, to the extent reasonably practicable, it consults with the other parties hereto in advance and, to the extent practicable and permitted by such Governmental Authority, gives the other parties hereto the opportunity to attend and participate at such meeting. Subject to the Confidentiality Agreement and applicable Law, the parties to this Agreement will coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other parties hereto may reasonably request in connection with the foregoing and in seeking early termination of any applicable waiting periods under any Law in any relevant jurisdiction; provided, that materials may be (i) redacted to remove references concerning the valuation of the Company and (ii) provided on an "outside counsel only" basis, if necessary to comply with contractual arrangements or applicable Laws or address reasonable attorney-client or other privilege or confidentiality concerns. Nothing in this Section 6.05(b) shall be applicable to Tax matters.

(c) In the event any claim, action, suit, investigation or other proceeding by any Governmental Authority or other Person is commenced that questions the validity or legality of the transactions contemplated hereby, seeks to temporarily or permanently enjoin the transactions contemplated hereby, or seeks damages in connection therewith, the parties hereto agree to cooperate and use best efforts to defend against such claim, action, suit, investigation or other proceeding and, if any decree, judgment, injunction or other order is issued in any such action, suit or other proceeding, to use best efforts to have such injunction or other order vacated, lifted, reversed or overturned and to cooperate reasonably regarding any other impediment to the consummation of the transactions contemplated hereby.

(d) Each party to this Agreement agrees to reasonably cooperate in obtaining, and use reasonable best efforts to obtain, any other consents and approvals that may be required in connection with the transactions contemplated by this Agreement. Notwithstanding anything to the contrary in this Agreement, nothing herein shall obligate or be construed to obligate the Seller, the Company, any Transferred Company or any of their Affiliates to (i) make, or to cause to be made, any payment to any third party in order to obtain the consent or approval of such third party under any Material Contract or lease for Leased Real Property and/or (ii) seek or obtain, or cause to be sought or obtained, any consent or approval of any customer of the Company or any Transferred Company under any contract or agreement with such customer.

(e) Notwithstanding anything in this Agreement to the contrary, Buyer acknowledges on behalf of itself and its Affiliates and its and their Affiliates and Representatives, successors and assigns that the operation of the Company shall remain in the dominion and control of the Seller until the Closing and that Buyer and its Affiliates and Representatives shall not provide, directly or indirectly, any directions or orders to any director, officer or employee of the Seller, the Company or any Transferred Company with respect to the operation of the Company, except as specifically contemplated or permitted by this Article VI or as otherwise consented to in advance by an executive officer of the Seller, and in accordance with any applicable Laws.

Section 6.06 Intercompany Agreements. At or prior to the Closing:

(a) Parent and Buyer shall execute and deliver a transition services agreement, substantially in the form attached hereto as Exhibit D (the “Transition Services Agreement”); and

(b) An Affiliate of Parent and Buyer shall execute and deliver a supply agreement, substantially in the form attached hereto as Exhibit E (the “Supply Agreement”).

Section 6.07 Intercompany Accounts; Termination of Affiliate Contracts; Release of Guarantees.

(a) On or prior to the Closing Date, all intercompany accounts shall be canceled, settled or otherwise eliminated (in a manner which is reasonably acceptable to Buyer) without any further or continuing liability on the part of any member of the Company Group.

(b) On or prior to the Closing Date, Seller shall, and shall cause its applicable Affiliates to, take all actions necessary to terminate each Affiliate Contract other than those set forth on Section 6.07(b) of the Disclosure Letter.

(c) On or prior to the Closing Date, Seller shall, and shall cause its applicable Affiliates to, take all actions necessary to cause all guarantees of the Company Group (in each case, with respect to any indebtedness for borrowed money of any member of the Seller Group) to, in each case, be released, terminated or otherwise extinguished effective upon the Closing.

Section 6.08

D&O Indemnification.

(a) From and after the Closing Date until six (6) years from the Closing Date, Buyer shall or shall cause the Company and the Transferred Companies to indemnify, defend and hold harmless to the fullest extent permitted under Law, the individuals or entities who on or prior to the Closing Date were directors, officers or managers of the Company or the Transferred Companies with respect to any threatened, pending or completed action, suit or proceeding arising out of any acts or omissions by them in their capacities as such or taken at the request of the Company or any Transferred Company at any time on or prior to the Closing Date against expenses (including attorneys' fees) by such individual or entity in connection with such action, suit or proceeding. In addition, Buyer shall or shall cause the Company and each Transferred Company to pay or reimburse any expenses (including attorneys' fees) of any officers, directors or managers entitled to indemnification hereunder in advance of the final disposition of such action, suit or proceeding to the fullest extent permitted under applicable Law, provided that the person or entity to whom expenses are advanced provides an undertaking to repay such advances to the extent required by applicable Law.

(b) The certificate of incorporation, bylaws, articles of organization, limited liability company agreements and all other organization documents of the Company and each of the Transferred Companies shall not be amended, repealed or otherwise modified for a period of six (6) years from the Closing Date in any manner that would materially adversely affect the rights thereunder of individuals who at or at any time prior to the Closing Date were directors, officers or managers of the Company or any Transferred Company or otherwise entitled to indemnification pursuant to applicable Law or the Company's organizational documents.

(c) The provisions of this Section 6.08 are intended to be for the benefit of, and shall be enforceable by, each Person entitled to indemnification under this Section, his, her, or its heirs or successors in interest (as applicable) and are in addition to, and not in substitution for, any other rights to indemnification or contribution that any such Person may have by contract or otherwise.

Section 6.09

Financing.

(a) Prior to the Closing, Buyer shall use, and shall cause its Affiliates to use, reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to obtain the Financing on the terms and subject only to the conditions (including the market flex provisions set forth in the Fee Letter) set forth in the Commitment Documentation, including using reasonable best efforts to (i) maintain in effect and comply with its obligations under the Commitment Documentation, (ii) negotiate and enter into definitive agreements with respect to the Financing on the terms (including the market flex provisions set forth in the Fee Letter) (unless and to the extent any modification in terms are acceptable to Buyer) and subject only to the conditions set forth in the Commitment Documentation, (iii) satisfy (and cause its Affiliates to satisfy) on a timely basis all conditions applicable to Buyer within its control in the Commitment Documentation and the definitive

agreements related thereto (or, if necessary or deemed advisable by Buyer, seek the waiver of conditions applicable to Buyer within its control contained in the Commitment Documentation or such definitive agreements related thereto), (iv) upon the satisfaction of all conditions applicable to the Financing, consummate the Financing at or prior to the Closing Date, (v) enforce its rights under the Commitment Documentation and the definitive agreements relating to the Financing and (vi) comply with its obligations under the Commitment Documentation and the definitive agreements relating to the Financing. Notwithstanding anything herein to the contrary, in no event shall “reasonable best efforts” of Buyer under this Section 6.09 be deemed or construed to require Buyer to instigate or pursue litigation against any of the Debt Financing Sources. Buyer shall not, without the prior written consent of the Seller, agree to or permit any termination of or amendment, restatement, amendment and restatement, supplement or modification to be made to, or grant any waiver of any provision under, the Commitment Documentation or the definitive agreements relating to the Financing if such termination, amendment, restatement, supplement, modification or waiver would be reasonably expected to: (A) reduce the aggregate amount of any portion of the Financing (including by increasing the amount of fees to be paid or original issue discount) unless an alternative source of financing is increased by a corresponding amount, so long as such alternative source of financing does not include terms that would constitute a Prohibited Amendment (defined below) under clauses (B), (C) and (D) below such that the aggregate amount of the Financing would be below the amount necessary to fund the Required Payments; (B) adversely impact the ability of Buyer to enforce its rights against other parties to the Commitment Documentation or the definitive agreements with respect to the Financing; (C) impose new or additional conditions precedent to the availability of the full amount of the Financing necessary to fund the Required Payments or otherwise amend, modify or expand any of the conditions precedent to the Financing, or otherwise amend any other provision of the Commitment Documentation in a manner that could reasonably be expected to delay or prevent or make less likely to occur the funding of the Financing (or satisfaction of the conditions to the Financing) on the Closing Date or (D) prevent, materially delay or impede the Closing or the date on which the Financing would be obtained (the amendments described in the foregoing clauses (A), (B), (C) and (D), the “Prohibited Amendments”); *provided* that, notwithstanding anything in this Agreement to the contrary, Buyer shall be permitted to replace the Debt Financing with alternative debt financing from the same or alternative sources in an amount sufficient when combined with the Equity Financing to consummate the transactions contemplated by this Agreement with terms (unless and to the extent any modification in terms acceptable to Buyer) and conditions (including market flex provisions) not less favorable to Buyer, including with regards to the certainty of funding (including as to timing and amounts necessary), taken as a whole, than as set forth in the Commitment Documentation. Buyer shall deliver to the Seller true and complete copies of any amendment, modification, supplement, consent or waiver to or under the Commitment Documentation or the definitive agreements relating to the Financing promptly upon execution thereof other than (1) amendments or modifications solely for the purpose of joining additional arrangers or financing sources following the date hereof to the extent effected pursuant to the terms of the Commitment Documentation or (2) amendments or modifications to the terms that have been redacted in the Fee Letter.

(b) Buyer shall keep the Seller informed on a current basis and in reasonable detail, upon the reasonable request of the Seller, of the status of its efforts to arrange the Financing. Buyer shall give the Seller prompt notice (i) of any material breach or material default or actual or threatened repudiation or termination (whether in whole or in part) by any party to the Commitment Letter or definitive documents related to the Financing of which Buyer becomes aware, in each case that would reasonably be expected to materially impair or delay the Closing, (ii) of the receipt of any written notice or other written communication from any Financing Source with respect to any (A) material breach, default or actual or threatened repudiation or termination (whether in whole or in part) by any party to the Commitment Documentation or any definitive document related to the Financing or any provisions of the Commitment Documentation or any definitive document related to the Financing or (B) material dispute or disagreement between or among any parties to the Commitment Documentation or any definitive document related to the Financing with respect to the conditionality or amount of the Financing or the obligation to fund the Financing or the amount of the Financing to be funded at the Closing (but excluding ordinary course negotiations), in each case that would reasonably be expected to materially impair or delay the Closing and (iii) of the occurrence of an Event that could reasonably be expected to adversely impact the ability of Buyer to obtain all or any portion of the Financing contemplated by the Commitment Documentation at the Closing. As soon as reasonably practicable, but in any event within two (2) Business Days of the date the Seller delivers to Buyer a written request, Buyer shall promptly inform the Seller in reasonable detail of any circumstance referred to in the immediately preceding sentence. If any portion of the Financing becomes unavailable on the terms and conditions (including any applicable market flex provisions) contemplated by the Commitment Documentation and alternative financing (so long as the terms thereof are of the type that would not constitute a Prohibited Amendment) is not then made available in an amount equal to such portion, and such portion is required to fund the Required Payments, Buyer shall promptly notify the Seller in writing and Buyer shall use its reasonable best efforts to arrange and obtain in replacement thereof, and negotiate and enter into definitive agreements with respect to, alternative financing from alternative sources in an amount sufficient to consummate the transactions contemplated by this Agreement with terms (unless and to the extent any modification in terms acceptable to Buyer) and conditions (including market flex provisions) not less favorable to Buyer, including with regards to the certainty of funding, taken as a whole, than as set forth in the Commitment Documentation, as promptly as practicable following the occurrence of such event. Buyer shall deliver to the Seller true and complete copies of all contracts, agreements or other arrangements (including fee letters redacted in a manner similar to the Fee Letter) pursuant to which any such alternative source shall have committed to provide any portion of the Financing. For purposes of this Section 6.09, (x) references to the "Debt Commitment Documentation" shall include such documents as permitted to be amended, modified, supplemented or replaced by this Section 6.09 and (y) references to "Debt Financing" and "Financing" shall include the debt financing contemplated by the Debt Commitment Documentation as permitted to be amended, restated, amended and restated, modified, supplemented or replaced by this Section 6.09.

(c) Prior to the Closing Date, each of the Parent and the Seller shall use its reasonable best efforts to provide, and to cause the Company and its officers, employees, advisors and other representatives to provide, to Buyer, in each case at Buyer's sole cost and expense, all cooperation as is customary and reasonably requested by Buyer in connection with the arrangement, syndication and consummation of the Financing (including the satisfaction of the conditions precedent applicable thereto to the extent within the control of such parties), including to (i) furnish Buyer and its Debt Financing Sources (or any replacement thereof) all information reasonably requested by Buyer and its Debt Financing Sources (or any replacement

thereof) for the preparation of a customary information memorandum for a syndicated loan financing, including the Financial Information, together with, to the extent required, customary authorization letters (including customary representations with respect to accuracy of information) authorizing the distribution of such information), (ii) designate appropriate members of management of the Seller and the Company to provide such cooperation in connection with the Financing as is reasonably requested by Buyer and its Financing Sources, including by participating, with reasonably advanced notice, in a reasonable number of meetings, presentations, road shows, drafting sessions and due diligence sessions to be mutually agreed upon with providers or potential providers of the Debt Financing and ratings agencies at times and locations to be reasonably mutually agreed upon, (iii) assist with the preparation of materials for rating agency presentations, bank information memoranda and other customary marketing materials and similar documents in connection with the Debt Financing, in each case, to the extent reasonably necessary and customary, (iv) assist with Buyer's preparation, negotiation and execution of definitive financing documentation and the schedules and exhibits thereto (including loan agreements, guarantees, security agreements, hedging arrangements, customary officer's certificates and resolutions, as applicable) as may reasonably be requested and subject to the occurrence of, and shall not be effective prior to, the Closing Date, (v) provide reasonable assistance in the preparations for the pledging of collateral (it being understood that no such pledging of collateral will be effective until at or after the Closing Date) and (iv) to the extent timely requested by Buyer and required under the Commitment Letter, (A) obtain customary payoff letters and documents reasonably requested by Buyer or its Financing Sources relating to the repayment of the existing indebtedness of the Company and the release of related liens and related guarantees, if any, and (B) no later than three (3) business days prior to the Closing Date, provide all required documentation and other information required by U.S. bank regulatory authorities under applicable "know-your-customer," anti-money laundering rules and regulations, including without limitation the USA PATRIOT Act and regulations regarding beneficial ownership, relating to the Company, in each case, as reasonably requested by Buyer at least ten (10) Business Days prior to the Closing Date.

(d) The Company (i) shall use reasonable best efforts, and shall cause the Transferred Companies to use their reasonable best efforts, to deliver the pro forma financial statements identified in paragraph 8 of Exhibit C of the Debt Commitment Letter within 43 days of the end of the applicable fiscal quarter, it being understood that the Buyer shall be responsible for the information relating to (x) the proposed aggregate amount of debt and equity financing, together with assumed interest rates, dividends (if any), fees and expenses relating to the incurrence of such debt or equity financing, for the transactions contemplated hereby, (y) the assumed pro forma capitalization of the Company after giving effect to the Closing and the Financing and (z) any post-Closing or pro forma assumed cost savings, synergies and similar adjustments (and the assumptions relating thereto) and (ii) shall, and shall cause the Transferred Companies to, without duplication of any information provided in clause (i) above, deliver the historical financial statements to the extent necessary for the Buyer to produce the pro forma financial statements identified in paragraph 8 of Exhibit C of the Debt Commitment Letter within 43 days of the end of the applicable fiscal quarter.

(i) Prior to the Closing, Seller shall transfer all Business Employees not employed by the Company or any Transferred Company (and shall transfer each such employee's personnel records and employment related agreements and roll over any accrued, unused and unpaid vacation (to be included in Closing Date Working Capital) in accordance with applicable Law and company policy) to the Company or a Transferred Company.

(ii) Prior to the Closing, Seller shall transfer those employees listed on Section 6.01(e) of the Disclosure Letter (and shall transfer each such employee's personnel records and employment related agreements and roll over any accrued, unused and unpaid vacation in accordance with applicable Law and company policy) to the Parent or an Affiliate of Parent (other than the Company or a Transferred Company). All Liabilities relating to such employees arising on, prior to or following the Closing shall be retained and/or assumed by Parent or an Affiliate of Parent (other than the Company or a Transferred Company).

(b) Terms and Conditions of Employment. For a period of at least twelve (12) months following the Closing Date, each Business Employee who continues employment with the Company or any of the Transferred Companies as of the Closing (each a "Continuing Employee") shall be entitled to receive, while in the employ of Buyer or any of its Affiliates, at least the same base salary and base wage rates, cash incentive compensation and cash bonus opportunities (excluding equity or equity incentive compensation or change in control bonus arrangements), in each case, as were provided to such individual immediately prior to the Closing Date, except as required by Law. In addition, except as otherwise required by Law, for a period of at least twelve (12) months following the Closing Date, each Continuing Employee shall be entitled to receive, while in the employ of Buyer or any of its Affiliates, employee benefits (excluding any defined benefit, post-employment welfare, non-qualified deferred compensation, and equity or equity-based benefits) that are substantially comparable in the aggregate as those provided to such Continuing Employee immediately prior to the Closing Date.

(c) Severance Benefits. Notwithstanding anything to the contrary in this Agreement, Buyer shall, or shall cause its Affiliates to, provide severance benefits to any salaried Continuing Employee who is laid off, made redundant or whose employment is otherwise involuntarily or constructively terminated (including, without limitation, a Continuing Employee's resignation as a result of a relocation of the Continuing Employee's principal place of employment by more than fifty (50) miles from the location of the Continuing Employee's principal place of employment as of the Closing Date) other than for cause during the twelve (12) month period following the Closing Date that are at least equal to the severance benefits set forth on Section 7.01(c) of the Disclosure Letter.

(d) Credit for Service. Buyer shall, or shall cause its Affiliates to, credit Continuing Employees for service earned on and prior to the Closing Date with the Company, any Transferred Company and their respective Affiliates, or any of their respective predecessors, in addition to service earned with Buyer and its Affiliates on or after the Closing Date to the extent that service is relevant for purposes of eligibility, vesting or the calculation of vacation, sick days, severance and layoff benefits (but not for purposes of defined benefit pension benefit accruals or vesting of future equity awards) under any retirement or other employee benefit plan, program or arrangement of Buyer or any of its Affiliates in which the Continuing Employees are eligible to participate on or after the Closing Date; provided that nothing herein shall result in a duplication of benefits, compensation or funding with respect to the Continuing Employees.

(e) Pre-existing Conditions; Coordination. Buyer shall, and shall cause its Affiliates to, use commercially reasonable efforts to: (i) waive limitations on benefits relating to any pre-existing conditions of the Continuing Employees and their eligible spouses and dependents under any group welfare benefit plans (other than plans providing long-term disability benefits) in which the Business Employees are eligible to participate on or after the Closing Date during the plan year in which the Closing occurs and (ii) recognize for purposes of annual deductible and out of pocket limits under the group health plans in which the Continuing Employees are eligible to participate on or after the Closing Date, deductible and out of pocket expenses paid by Continuing Employees and their respective eligible spouses and dependents under the group health plans of the Company, any Transferred Company and their respective Affiliates in the plan year in which the Closing Date occurs. Notwithstanding the foregoing, to the extent that any Business Employee is disabled as of the Closing Date (or, if later, the last day of any post-closing welfare benefit transition period under the Transition Services Agreement), Seller's long-term disability plan shall be responsible for providing long-term disability benefits that become payable due to such Business Employee's continued disability following such date.

(f) Buyer shall, or shall cause its Affiliates to, as soon as reasonably practicable following the Closing Date, but in no event later than the first regularly scheduled payroll date following the Closing Date, (i) pay to each Business Employee the transaction completion bonuses in the amounts set forth on Section 7.01(f) of the Disclosure Letter and (ii) pay to each Business Employee identified by Parent prior to the Closing Date, amounts in respect of pro-rated annual cash bonuses for fiscal year 2019 through the Closing Date determined by Parent to be earned pursuant to and otherwise consistent with bonus measures applied under the applicable annual incentive plan or sales incentive plan of Parent through the Closing Date (it being understood that, for the avoidance of doubt) the amounts to be paid pursuant to clause (i) and (ii) hereof shall constitute Debt).

(g) Except as provided otherwise under the Transition Services Agreement, Seller shall or shall cause its Affiliates to take any action necessary, to cause the Company and each Transferred Company to cease participation in each Parent Plan and each applicable Business Employee (and any beneficiaries or dependents thereto) to cease participating in or accruing benefits under any Parent Plan other than any Company Plan, in each case effective as of the Closing Date. Except as provided otherwise under the Transition Services Agreement, other than with respect to the Company Plans, Seller and its Affiliates shall retain the sponsorship of and be solely responsible for all Liabilities with respect to the Business Employees and former employees of the Company or the Transferred Companies arising under any Parent Plan prior to the Closing, including without limitation, any claims under a Parent Plan providing group health benefits that are incurred prior to the Closing (and, for this purpose, group health claims are deemed incurred when the underlying medical service relating to such claim is performed).

(h) Effective as of the Closing, Seller shall cause all Business Employees who participate in the Campbell Soup Company 401(k) Retirement Plan (the "Seller 401(k) Plan") to be fully vested in their account balances under the Seller 401(k) Plan (to the extent not already fully vested). Seller shall have and retain all obligations to provide continuation coverage under Section 4980B of the Code with respect to all former employees of the Company or the Transferred Companies as of the Closing Date who are "M&A qualified beneficiaries" as that term is defined in Treasury Regulation Section 54.4980B-9.

(i) Seller shall retain all Liabilities and shall indemnify and hold the Company and each Transferred Company harmless with respect to workers compensation claims not reflected in the most recent Financial Information attributable to injuries and illnesses of Business Employees and former employees of the Company or any Transferred Company that occurred from January 1, 2015 through the Closing.

Section 7.02 Effect of Agreement: No Third Party Beneficiaries. Notwithstanding anything herein to the contrary, the Seller, the Company, each Transferred Company, Buyer and their respective Affiliates hereby acknowledge and agree that all provisions contained in this Article VII are included for the sole benefit of the parties hereto, and that nothing in this Agreement, whether express or implied, (a) shall be treated as an amendment or other modification of any Employee Plan or other employee benefit plan, agreement or other arrangement, (b) shall limit the right of Buyer, the Seller, the Company, each Transferred Company or their respective Affiliates to amend, terminate or otherwise modify any Employee Plan or other employee benefit plan, agreement or other arrangement following the Closing Date, or (c) shall create any third party beneficiary or other right (x) in any other Person, including, without limitation, any current or former director, officer, employee or independent contractor of the Seller, the Company, the Transferred Companies or any participant in any Employee Plan or other employee benefit plan, agreement or other arrangement (or any dependent or beneficiary thereof) or (y) to continued employment or service or any terms of employment (including any particular level of compensation or benefits) with Buyer, the Seller, the Company, the Transferred Companies or any of their respective Affiliates.

ARTICLE VIII

TAX MATTERS

Section 8.01 Transfer Taxes. Notwithstanding anything to the contrary in this Agreement, Buyer shall be liable for and shall pay any Transfer Taxes attributable to the sale or transfer of the Purchased Shares. The party required by Law to file a Tax Return with respect to such Transfer Taxes shall timely prepare, with the other parties' reasonable cooperation, and file such Tax Return. If the Seller is required by applicable Law to file any such Tax Return, Seller shall provide Buyer with a copy of such Tax Return at least fifteen (15) days before the due date of such Tax Return for Buyer's reasonable review and comment, and Seller shall timely file such Tax Return reflecting Buyer's reasonable comments., Buyer shall promptly reimburse the Seller for any Transfer Taxes paid by the Seller in connection with the filing of such Tax Return. Buyer and the Seller agree to timely sign and deliver (or to cause to be timely signed and delivered) such certificates or forms as may be necessary or appropriate and otherwise to cooperate to establish any available exemption from (or otherwise reduce) such Transfer Taxes.

(a) Parent or the Seller shall timely prepare and file (or cause to be timely prepared and filed) all Tax Returns that are required to be filed by or with respect to the Company or any of the Transferred Companies on an affiliated, consolidated, combined or unitary basis with Parent, the Seller or their respective Affiliates (other than the Company or any of the Transferred Companies) (each such Tax Return, a “Consolidated Tax Return”). Parent or the Seller shall timely pay (or cause to be timely paid) all Taxes shown as due on such Tax Returns. The Seller shall control any Action, proposed adjustment or deficiency, or assessment in respect of any such Consolidated Tax Returns; provided that, to the extent such matter could reasonably be expected to have a material and adverse effect on the Company or any Transferred Company in a taxable period beginning after the Closing Date, Parent and Seller (and their Affiliates) shall provide notice to Buyer of the outcome of such matter. The Seller shall be entitled to (i) any refunds of Taxes reported on a Consolidated Tax Return and borne by Seller or its Affiliates, and (ii) any Prior Period Refunds, provided that Seller pays over such Prior Period Refunds to the appropriate recipient pursuant to the contract described in the definition of Prior Period Refunds and (iii) any cash Tax refunds (or credits (or deemed credits) in lieu thereof) attributable to the overpayments of state Income Taxes prior to Closing by the Company or a Transferred Company set forth in Section 8.02(a) of the Disclosure Letter, in the amounts listed therein, as and when received as a cash refund (or utilized as a credit to offset Taxes otherwise payable by the Company or a Transferred Company, or deemed utilized as such a credit, based on a “closing of the books” method), except to the extent included as an asset in the determination of Accrued Income Taxes. The Company shall, at Seller’s expense, use commercially reasonable efforts to file for and claim the Tax refunds (or credits) described in clause (iii) of the preceding sentence.

(b) Buyer shall not, and shall not permit any of its Affiliates (including, after the Closing, for the avoidance of doubt, the Company and any of the Transferred Companies) to, carry back any Tax items from any Tax period (or portion thereof) ending after the Closing Date to any Consolidated Tax Return for a Tax period beginning on or before the Closing Date.

(c) The parties hereto shall use the interim closing of the books method at the end of the Closing Date for purposes of determining allocations that must be made to the Company and the Transferred Companies for U.S. federal, and applicable state and local, income Tax purposes (including pursuant to Treasury Regulations Section 1.1502-76(b)(1)(ii)(A)(1)), provided that any extraordinary transactions taken by Buyer or any of its Affiliates (including, for the avoidance of doubt, the Company or any of the Transferred Companies) on the Closing Date after the Closing will be allocated pursuant to the “next day” rule under Treasury Regulations Section 1.1502-76(b)(1)(ii)(B) to the Tax Return for the Tax period beginning on the day after the Closing Date. The parties agree that, to the maximum extent permitted by applicable Law, Unpaid Transaction Expenses or any other amounts incurred by Seller, the Company or any Transferred Company in connection with the transactions under this Agreement and taken into account as a liability in the Purchase Price will be reported on Consolidated Tax Returns.

Section 8.03 Tax Cooperation. Parent and Seller (and their Affiliates) and Buyer shall furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the Company and the Transferred Companies as is reasonably necessary for the filing of all Tax Returns (including the provision of any information that may be necessary or useful for obtaining any available mitigation, reduction or exemption from any Taxes), the making of any election related to Taxes, the preparation for, or the prosecution or defense of, any audit or other proceeding related to Taxes and all other Tax matters relating to the Company or any of the Transferred Companies. Buyer agrees that it shall preserve and keep, or cause to be preserved and kept, all original books and records in respect of the Company and the Transferred Companies relating to any Taxes with respect to taxable years or periods (in whole or in part) ending on or before the Closing Date and in the possession of Buyer or its Affiliates.

Section 8.04

Pre-Closing Tax Indemnity.

(a) From and after the Closing, Parent shall defend, indemnify and hold harmless Buyer, the Company and the Transferred Companies (collectively, the “Buyer Indemnitees”) from and against, and pay or reimburse the Buyer Indemnitees for, any Taxes incurred by a Buyer Indemnitee by reason of having been a member of an affiliated, consolidated, combined or unitary Tax group which group includes as a member Parent, the Seller or any of their respective Affiliates (other than the Company or any of the Transferred Companies) prior to the Closing Date, including pursuant to Treasury Regulation Section 1.1502-6 (and any comparable provisions under state, local or foreign Law).

(b) To the extent permitted under applicable Tax Law, the parties agree to treat any indemnity payment made under this Section 8.04 as an adjustment to the Final Purchase Price for all federal, state, local and foreign Tax purposes, and the parties agree to, and shall cause their respective Affiliates to, file their Tax Returns accordingly.

Section 8.05 Tax Sharing Agreements. On or before the Closing Date, Seller shall or shall cause all Tax sharing or Tax allocation agreements (other than this Agreement), if any, to which the Company or any Transferred Company, on the one hand, and Seller or any of its Affiliates (other than the Company or a Transferred Company), on the other hand, are parties to be terminated, and neither the Company nor any Transferred Company shall have any rights or obligations pursuant to any such agreements after the Closing.

Section 8.06 Merger. The Parties agree to cooperate in good faith from and after the date hereof to amend this Agreement to provide for the acquisition of the Company by way of a merger rather than a stock purchase such that the Company survives as a wholly owned subsidiary of Buyer (or such other alternative structure that would have the effect of treating the Company, for U.S. federal and applicable state and local state tax purposes, as having borrowed the leveraged portion of the Final Purchase Price proceeds and distributing such proceeds to the Seller immediately prior to Closing) if the Seller determines in its sole discretion that such merger (or alternative transaction) has no adverse effect on the Seller or any of its Affiliates.

Section 8.07

Garden Fresh.

- (a) On or before the Closing Date, Parent, Seller and Company shall cause all purchase price adjustment obligations of the Company under Section 2.07 of the Garden Fresh Agreement to be assigned to an Affiliate of Parent other than a member of the Company Group.
- (b) To the extent Parent is aware of the payment of transfer taxes under Section 8.01 of the Garden Fresh Agreement, Parent shall promptly notify Buyer of such payment.

Section 9.04 Frustration of Closing Conditions. Neither Buyer, on the one hand, nor the Seller or the Company, on the other hand, may rely on the failure of any condition set forth in this Article IX to be satisfied if such failure was caused by such party’s or its respective Affiliates’ failure to act in good faith or to comply with its agreements set forth herein.

ARTICLE X

TERMINATION, AMENDMENT AND WAIVER

Section 10.01 Termination. This Agreement may be terminated prior to the Closing:

(a) by the mutual written consent of the Seller and Buyer;

Section 11.03 Public Announcements. The initial press release regarding the Agreement shall be a press release mutually acceptable to each of the Seller and Buyer. Thereafter, neither the Seller nor Buyer (nor any of their respective Affiliates), shall issue any other press release or make any other public announcement with respect to any of the Transaction Agreements without the prior written consent of the other party (such consent not to be unreasonably withheld, conditioned or delayed), except as may be required by Law or by any listing agreement with a national securities exchange; provided, that neither the Seller nor Buyer will be required to obtain the prior approval of or consult with the other party in connection with any such press release or public announcement if (a) such press release or public announcement consists solely of information previously disclosed in all material respects in a previously distributed press release or public announcement or (b) in connection with any dispute between the parties regarding any of the Transaction Agreements.

Section 11.04 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced under any applicable Law or as a matter of public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties to this Agreement shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties hereto as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement be consummated as originally contemplated to the greatest extent possible.

Section 11.05 Entire Agreement. Except as otherwise specifically provided in the Transaction Agreements, the Transaction Agreements constitute the entire agreement of Parent, Seller or the Company, on the one hand, and Buyer, on the other hand, with respect to the subject matter of the Transaction Agreements and supersede all prior representations, agreements, undertakings and understandings, both written and oral, other than the Confidentiality Agreement to the extent not in conflict with this Agreement, between or on behalf of the Seller and the Company, on the one hand, and Buyer, on the other hand, with respect to the subject matter of the Transaction Agreements.

Transaction Agreement, shall be governed by and construed in accordance with the laws of the State of Delaware applicable to contracts made and performed in such State without giving regard to any conflict of laws provisions that would require or permit the application of the Laws of any other jurisdiction; provided, however, that notwithstanding the foregoing, except as otherwise set forth in the Debt Commitment Documentation as in effect as of the date of this Agreement, including as it relates to (a) the interpretation of the definition of Material Adverse Effect (and whether or not a Material Adverse Effect has occurred under this Agreement), (b) the determination of the accuracy of any Specified Acquisition Agreement Representation (as defined in the Debt Commitment Documentation) and whether as a result of any inaccuracy of thereof Buyer and any of its Affiliates have the right to terminate its or their obligations under this Agreement and (c) the determination of whether the Closing has been consummated in accordance with the terms of this Agreement (which will, in each case, be governed by, and construed and interpreted in accordance with, the laws of the state of Delaware, without giving effect to any choice or conflict of law provision or rule that would cause the application of laws of any other jurisdiction), all Actions and matters relating to the interpretation, construction, validity and enforcement (whether at law, in equity, in contract, in tort, or otherwise) against any of the Debt Financing Sources in any way relating to the Debt Commitment Documentation or the performance thereof or the Debt Financing, shall be exclusively governed by, and construed in accordance with, the Laws of the State of New York, without giving effect to conflicts of laws principles or rules to the extent such principles or rules are not mandatorily applicable and would require or permit the application of the Law of any jurisdiction other than the State of New York.

(b) Except as provided in Section 11.16, the parties hereto hereby irrevocably submit to the exclusive jurisdiction of the Court of Chancery of the State of Delaware (or in the event, but only in the event, that such court does not have subject matter jurisdiction over such action or proceeding, the Superior Court of the State of Delaware (Complex Commercial Division) or, if subject matter jurisdiction over the action or proceeding is vested exclusively in the federal courts of the United States of America, the United States District Court for the District of Delaware) over any dispute arising out of or relating to this Agreement or any of the transactions contemplated hereby and each party hereby irrevocably agrees that all claims in respect of such dispute or any suit, action or proceeding related thereto may be heard and determined in such courts. The parties hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the parties hereto agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(c) Each of the parties hereto hereby consents to process being served by any party to this Agreement in any suit, action or proceeding by the delivery of a copy thereof in accordance with the provisions of Section 11.02.

Section 11.11 Specific Performance. Each party hereto acknowledges and agrees that irreparable damage would occur, damages would be difficult to determine and would be an insufficient remedy and no adequate remedy other than specific performance would exist at law or in equity in the event that any of the provisions of this Agreement were not performed in

accordance with their specific terms or were otherwise breached (or any party hereto threatens such a breach). Therefore, it is agreed that subject to the terms of this Section 11.11, each party shall be entitled to seek an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof. Such remedies shall, however, be cumulative and not exclusive and shall be in addition to any other remedies which any party may have under this Agreement or otherwise. Notwithstanding the foregoing and/or anything herein to the contrary, it is hereby acknowledged and agreed that the Seller and Parent shall be entitled to seek specific performance to cause Buyer to cause the Equity Financing to be funded and to consummate the Closing if, but only if, (i) the conditions to Closing set forth in Section 9.01 and Section 9.03 were satisfied (other than those conditions that by their terms are to be satisfied at Closing, each of which is reasonably expected to be satisfied at Closing), (ii) the financing provided for by the Debt Financing has been funded or the lenders providing such financing have irrevocably confirmed in writing that such financing will be funded at the Closing if the Equity Financing is funded at the Closing and (iii) the Company, the Seller and Parent have irrevocably confirmed in writing that, if specific performance is granted and the Equity Financing and Debt Financing are funded, then the Closing will occur. The parties further agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to applicable Law or inequitable for any reason, and not to assert that a remedy of monetary damages would provide an adequate remedy for any such breach or that Buyer, the Seller otherwise have an adequate remedy at law. Under no circumstances shall the Company, the Seller and Parent be permitted or entitled to receive both a grant of specific performance to cause the Equity Financing to be funded (whether under this Agreement or the Equity Financing Commitment at the Closing in accordance with the terms of this Section 11.11) or other equitable relief, on the one hand, and payment of the Buyer Termination Fee if this Agreement has been validly terminated in accordance with its terms and the Seller has requested and received payment of the Buyer Termination Fee (and any of the other amounts, as and when due, owing to the Seller pursuant to Section 10.03(b)) both payment of any monetary damages whatsoever, on the one hand, and payment of the Buyer Termination Fee, on the other hand.

Section 11.12 Rules of Construction. Interpretation of this Agreement (except as specifically provided in this Agreement, in which case such specified rules of construction shall govern with respect to this Agreement) shall be governed by the following rules of construction: (a) words in the singular shall be held to include the plural and vice versa, and words of one gender shall be held to include the other gender as the context requires; (b) references to the terms Article, Section, paragraph and Exhibit are references to the Articles, Sections, paragraphs and Exhibits to this Agreement unless otherwise specified; (c) the terms “hereof”, “herein”, “hereby”, “hereto” and derivative or similar words refer to this entire Agreement, including the Disclosure Letter and Exhibits hereto; (d) references to “\$” shall mean U.S. dollars; (e) the word “including” and words of similar import shall mean “including without limitation”, unless otherwise specified; (f) references to “written” or “in writing” include in electronic form, provided that any notice given pursuant to this Agreement shall be given in accordance with Section 11.02 and any extension or waiver shall be granted in accordance with Section 10.04; (g) the headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement; (h) the Seller and Buyer have each participated in the negotiation and drafting of this Agreement and if an ambiguity or question of interpretation should arise, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or burdening any party by virtue of the authorship of any of the provisions in this Agreement; (i) a reference to any Person includes such Person’s permitted successors and permitted assigns; (j) any reference to “days” means calendar days unless Business Days are expressly specified; (k) when calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period shall be excluded and, if the last day of such period is not a Business Day, the period shall end on the next succeeding Business Day and (l) an item arising with respect to a specific representation or warranty shall be deemed to be “reflected on” or “set forth in” a balance sheet or financial statements, to the extent (i) there is a reserve, accrual or other similar item underlying a number on such balance sheet or financial statement that is related to the subject matter of such representation, (ii) such item is otherwise specifically set forth on the balance sheet or financial statement or (iii) such item is reflected on the balance sheet or financial statement and is specifically referred to in the notes thereto. Further, prior drafts of this Agreement or the other Transaction Agreements or the fact that any clauses have been added, deleted or otherwise modified from any prior drafts of this Agreement shall not be used as an aid of construction or otherwise constitute evidence of the intent of the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party hereto by virtue of such prior drafts.

Section 11.16

subject to the jurisdiction of the courts in New York as described herein for any reason, and (g) agrees that the Debt Financing Sources are express third party beneficiaries of, and may enforce, any of the provisions in this Section 11.16 and Section 10.03(e), Section 11.06, Section 11.07, Section 11.08 and Section 11.10 to the extent contemplated thereby (and to the extent any amendments to such provisions are materially adverse to the Debt Financing Sources, such provisions shall not be amended without the prior written consent of the Debt Financing Sources party to the Debt Commitment Letter). Notwithstanding anything contained herein to the contrary, nothing in this Section 11.16 shall in any way affect any party's or any of their respective Affiliates' rights and remedies under any binding agreement to which a Debt Financing Source is a party.

**CAMPBELL AND AFFILIATE OF BUTTERFLY EQUITY SIGN DEFINITIVE AGREEMENT
 FOR SALE OF BOLTHOUSE FARMS FOR \$510 MILLION**

Bolthouse Farms Deal Marks the Divestiture of Entire Campbell Fresh Division

CAMDEN, N.J., Apr. 12, 2019—Campbell Soup Company (NYSE: CPB) announced today that it has signed a definitive agreement for the sale of Bolthouse Farms to an affiliate of Butterfly Equity, a Los Angeles-based private equity firm specializing in the food sector, for \$510 million, subject to customary purchase price adjustments.

Upon the completion of the sale of Bolthouse Farms, which is expected by the end of fiscal 2019, Campbell will have divested its entire Campbell Fresh division. Campbell recently announced the sale of Garden Fresh Gourmet and the company's Everett, Washington, refrigerated soup plant. In fiscal year 2018, Campbell Fresh recorded net sales of \$970 million. Proceeds from the divestiture of the Campbell Fresh businesses will allow the company to reduce debt by approximately \$570 million. The transactions are not expected to impact the company's fiscal 2019 guidance.

Mark Clouse, Campbell's President and CEO, said, "The sale of Bolthouse Farms supports our strategy to focus on our two core North American businesses, Campbell Snacks and Campbell Meals and Beverages, where we have iconic brands and strong market positions."

Acquired by Campbell in August 2012, Bolthouse Farms is a leading producer of organic beverages, dressings and carrots. Bolthouse Farms is based in Bakersfield and Santa Monica, California, and operates facilities in Hodgkins, Illinois, Wheatley, Ontario and Prosser, Washington. The company has approximately 2,200 employees.

The transaction is subject to customary closing conditions. Campbell was advised by Centerview Partners, Goldman Sachs and Weil, Gotshal & Manges LLP.

As outlined in August 2018 as part of its Board-led strategy and portfolio review, Campbell launched thorough divestiture processes for both its Campbell Fresh and Campbell International businesses. The process to divest Campbell International is ongoing.
