In addition, the audit committee is responsible for approving the audit and non-audit services performed by our independent auditors and for reviewing and evaluating our accounting principles and our system of internal accounting controls. Additional duties and powers of the audit committee are set forth in its amended and restated charter, which was adopted and approved in November 2002 and further amended in July 2003 and January 2005, and a copy of which is available on our website at www.dspg.com. The audit committee has also established procedures for (a) the receipt, retention and treatment of complaints received by us regarding

accounting, internal accounting controls or auditing matters, and (b) the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters.

After considering transactions and relationships between each member of the audit committee or his immediate family and the company and our subsidiaries and reviewing the qualifications of the members of the audit committee, our board of directors has determined that all current members of the audit committee are (1) "independent" as that term is defined in Section 10A of the Exchange Act; (2) "independent" as that term is defined in Rule 4200 of the listing standards of the National Association of Securities Dealers; and (3) financially literate and have the requisite financial sophistication as required by the Nasdaq rules applicable to issuers listed on the Nasdaq National Market.

- (2) Our executive officers are eligible for annual cash bonuses. Such bonuses are generally based upon achievement of corporate performance objectives determined by the compensation committee. Bonuses are

awarded by the compensation committee based upon individual, as well as corporate performance. We pay bonuses in the year following the year the bonuses were earned.

- (3) Mr. Ayalon was our Chief Executive Officer for all of fiscal years 2002, 2003 and 2004 to which the Summary Compensation Table relates. Mr. Ayalon became our Executive Chairman in April 2005. \$157,592 of the salary and \$199,185 of the bonus for fiscal year 2002 paid by us were related to amounts allocated to services provided by Mr. Ayalon to Ceva, Inc., a predecessor of Ceva, Inc. Due to Israeli tax optimization considerations, options to purchase 250,000, 150,000 and 20,000 shares of common stock were granted to Messrs. Ayalon, Edan and Zelnik, respectively, in December 4, 2003 rather than January 2004.
- (6) In March 2005, Messrs. Ayalon and Edan voluntarily surrendered to the Company for cancellation an option to purchase 125,000 and 75,000 shares of common stock, respectively, which was a portion of the option granted to them on December 4, 2003.

We did not include in the foregoing table for each Named Executive Officer the aggregate value of such benefits which cannot be precisely ascertained but which is the lesser of either (a) 10% of the salary and bonus paid to such executive officer, or (b) \$50,000.

Option Grants

The following table sets forth certain information with respect to stock options granted to Mr. Beracha during 2004. None of the other Named Executive Officers received an option grant in 2004. Our past practice was to grant options to executive officers at the beginning of each year. Due to Israeli tax optimization considerations, options to purchase 250,000, 150,000 and 20,000 shares of common stock were granted to Messrs. Ayalon, Edan and Zelnik, respectively, on December 4, 2003 rather than January 2004. In March 2005, Messrs. Ayalon and Edan voluntarily surrendered to us for cancellation their option to purchase 125,000 and 75,000 shares of common stock, respectively, which was a portion of the options granted to them in December 2003. In accordance with the rules of the Securities and Exchange Commission, also shown below is the potential realizable value over the term of the option (the period from the grant date to the expiration date) based on assumed rates of stock appreciation of 5% and 10%, compounded annually. These amounts are based on certain assumed rates of appreciation and do not represent our estimate of future stock price. Actual gains, if any, on stock option exercises will be dependent on the future performance of our common stock.

Compensation of Directors

Directors who are also employees do not receive any additional compensation for their services as directors. Directors who are not employees receive an annual retainer of \$32,000, payable in quarterly installments of \$8,000 each. The retainer contemplates attendance at four board meetings per year. Additional board meetings of a face-to-face nature are compensated at a rate of \$1,000 per meeting. In addition, committee meetings of a face-to-face nature and on a telephonic basis are compensated at a rate of \$1,000 per meeting. All directors are reimbursed for expenses incurred in connection with attending board and committee meetings.

Each of our outside directors is also entitled to participate in our 1993 Director Stock Option Plan. The director option plan provides for the grant of non-statutory options to our non-employee directors. The director option plan is designed to work automatically; however, to the extent administration is necessary, it will be provided by our board of directors. The director option plan provides that each eligible director is granted an option on the date on which he first becomes a director (the "First Option"). Thereafter, each outside director is granted a subsequent option on January 1 of each year if, on such date, he shall have served on our board of directors for at least six months (a "Subsequent Option"). In addition, an additional option (a "Committee Option") is granted on January 1 of each year to each outside director for each committee of the board on which he shall have served as a chairperson for at least six months. In May 2004, our board of directors reduced the number of options granted to our directors such that a First Option shall consist of an option grant to purchase 30,000 shares of common stock rather than 60,000 shares previously granted; a Subsequent Option shall consist of an option grant to purchase 15,000 shares of common stock rather than 20,000 shares previously granted; and a Committee Option shall consist of an option grant to purchase 15,000 shares of common stock, rather than 20,000 shares previously granted. All other terms of the director options remained unchanged.

On January 1, 2004, each of Messrs. Limon, Shamir, Seroussi, Silver and Tanguy was granted a Subsequent Option (20,000), at an exercise price of \$24.95 per share, under the 1993 Director Stock Option Plan. Additionally, each of Messrs. Limon and Shamir also was granted a Committee Option (20,000) for their services as the chairperson of the audit committee and compensation committee, respectively, at an exercise price of \$24.95 per share, under the director option plan.

On January 27, 2004, Mr. Limon, was granted an option to purchase 200,000 shares of common stock, at an exercise price of \$27.09 per share, under the 2003 Israeli Share Option plan for his services as the Chairman of our Strategic Planning Committee. On March 9, 2004, Mr. Limon voluntarily surrendered to us for cancellation an option to purchase 100,000 shares of common stock, which was a portion of the option granted to him in January 2004.

Employment Agreements

The following Named Executive Officers have written employment agreements with us: Messrs. Ayalon, Beracha, Edan and Zelnik.

In April 1996, Mr. Ayalon entered into an employment agreement with DSP Group, Ltd., our wholly-owned subsidiary in Israel ("DSP Israel"), pursuant to which Mr. Ayalon was to serve as our President and Chief Executive Officer. The term of the agreement is indefinite. The agreement originally provided for a fixed monthly salary of NIS 47,000 (approximately U.S. \$11,217), which has been adjusted from time to time by the board and currently provides for an annual base salary of U.S. \$350,000. Mr. Ayalon is also entitled to an annual bonus, the amount of which is determined in the sole discretion of the board. The agreement may be terminated by us or Mr. Ayalon, without cause (as defined in the agreement), upon a six-month advance written notice. Mr. Ayalon's employment agreement was amended in November 1997 to provide for the following: (i) Mr. Ayalon's base compensation shall be fixed at the commencement of each year, but shall not be subject to reduction during the term of the agreement, (ii) if Mr. Ayalon terminates the agreement without good reason or if we terminate the agreement for cause, then no further payments shall be made to Mr. Ayalon pursuant to the agreement and he shall be subject to a one-year prohibition against competition in addition to the customary prohibitions against disclosure of trade secrets, (iii) upon our change of control or if the agreement is terminated by Mr. Ayalon for good reason or by us without cause, then all rights of Mr. Ayalon under the agreement would continue for two years and all options held by Mr. Ayalon shall accelerate and immediately vest and be exercisable in whole or in part at any time during the remaining two-year term of the agreement, and (iv) in the event of death or permanent disability of Mr. Ayalon, all options shall accelerate and immediately vest. The board further amended Mr. Ayalon's agreement in April 2000 to provide that if Mr. Ayalon terminates the agreement voluntarily at any time, provided that he gives a 12-months advance written notice, all options held by Mr. Ayalon shall be fully vested six months after the date of the notice. Additionally, these amendments provided that all vested options held by Mr. Ayalon upon the date of his cessation of employment with us for any reason shall be exercisable for a period of two years. In April 2005, Mr. Ayalon resigned his position as Chief Executive Officer and became our Executive Chairman.

In June 2004, Mr. Beracha entered into an employment agreement with DSP Israel, pursuant to which Mr. Beracha is to serve as our Senior Vice President and DECT Division Manager. The term of the agreement is indefinite. Effective April 1, 2005, and in connection with his appointment as our new Chief Executive Officer, Mr. Beracha's annual salary was increased to \$200,000, subject to adjustment from time to time. Mr. Beracha also is entitled to an annual bonus, the amount of which is determined in our sole discretion. The agreement may be terminated by us or Mr. Beracha upon a 90-days advance written notice. However, we have the right to terminate Mr. Beracha's employment without prior notice under specified circumstances. In such a case, Mr. Beracha shall be paid the amount due to him under the prior notice period at the rate of his then current salary for such period.

In May 1999, Mr. Edan entered into an employment agreement with DSP Israel, pursuant to which Mr. Edan is to serve as our Vice President of Operations. As of October 2002, Mr. Edan became our Chief Operating Officer and his annual salary was increased to U.S. \$160,000, subject to adjustment from time to time. The term of the agreement is indefinite. Mr. Edan also is entitled to an annual bonus, the amount of which is determined in our sole discretion. The agreement may be terminated by us or Mr. Edan upon a 90-day advance written notice. However, we have the right to terminate Mr. Edan's employment without prior notice. In such a case, Mr. Edan shall be paid the amount due to him under the prior notice period at the rate of his then current salary for such period. In July 2003, we agreed to amend all of Mr. Edan's outstanding option agreements to provide that in the

event of his termination by us without cause, all of his options would vest upon termination and could be exercised for a period of two years following termination. Also, in the event Mr. Edan's employment was terminated because of his death or permanent disability, all of his options would accelerate and immediately vest.

In May 1999, Mr. Zelnik entered into an employment agreement with DSP Israel, pursuant to which Mr. Zelnik is to serve as our Vice President, Finance and Chief Financial Officer. The term of the agreement is indefinite. Effective April 1, 2005, Mr. Zelnik's annual salary was increased to \$140,000, subject to adjustment from time to time. Mr. Zelnik also is entitled to an annual bonus, the amount of which is determined in our sole discretion. The agreement may be terminated by us or Mr. Zelnik upon a 90-days advance written notice. However, we have the right to terminate Mr. Zelnik's employment without prior notice under specified circumstances. In such a case, Mr. Zelnik shall be paid the amount due to him under the prior notice period at the rate of his then current salary for such period.

Compensation Committee Interlocks and Insider Participation

Our compensation committee during 2004 consisted of Messrs. Limon, Shamir and Silver; Mr. Shamir served as its Chairman. No member of this committee is a present or former officer or employee of the company or any of our subsidiaries. Mr. Silver is a member of the compensation committee of the board of directors of Ceva, Inc. (f.k.a. ParthusCeva, Inc.), and Mr. Ayalon, our Executive Chairman of the board of directors, is the Chairman of the board of directors of Ceva, Inc. (f.k.a. ParthusCeva, Inc.). Other than as noted with respect to Mr. Ayalon, none of our executive officers served on the board of directors or compensation committee of any entity which has one or more executive officers serving as a member of our board or compensation committee.

Compensation Committee Report on Executive Compensation

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933 or the Exchange Act of 1934 that might incorporate future filings, including this proxy statement, with the Securities and Exchange Commission, in whole or in part, the following report and the stock performance graph that follows shall not be deemed to be incorporated by reference into any such filings, nor shall the following report be deemed to be incorporated by reference into any future filings under the Securities Act or the Exchange Act.

The compensation committee of the Company's board of directors, which is comprised solely of independent, non-employee board members, has the authority and responsibility to establish the overall compensation strategy for the Company, including salary and bonus levels, administer the Company's incentive compensation and benefit plans, 401(k) plans, and stock option and purchase plans, and review and make recommendations to the board of directors with respect to the Company's executive compensation. Messrs. Limon, Shamir and Silver were the members of the compensation committee in fiscal year 2004.

Compensation Policy. The Company's compensation policy, as established by the compensation committee, states that the executive officers' total annual cash compensation should vary with the performance of the Company and that long-term incentives awarded to such officers should be aligned with the interest of the Company's stockholders. The Company designed its executive compensation program to attract and retain executive officers who will contribute to the Company's long-term success, to reward executive officers who contribute to the Company's financial performance and to link executive officer compensation and stockholder interests through the grant of stock options under the 2001 Stock Incentive Plan (the "2001 Stock Plan").

Compensation of the Company's executive officers consists of three principal components: salary, bonus and long-term incentive compensation consisting of stock option grants.

Salary. The base salaries of the Company's executive officers are reviewed annually and are set by the compensation committee. When setting base salary levels, in a manner consistent with the compensation committee's policy outlined above, the committee considers competitive market conditions for executive compensation, the Company's performance and the performance of the individual executive officer.

Bonus. For the fiscal year ended December 31, 2004, the compensation committee evaluated the performance of, and set the bonuses payable to, the Chief Executive Officer and the other executive officers of the Company. The performance factors utilized by the compensation committee in determining whether bonuses should be awarded to the Company's executive officers included the following: (1) increased sales of the Company's products and changes in profitability of the Company during fiscal 2004; (2) the officer's overall individual performance in his position and his relative contribution to the Company's performance during the year; and (3) the desire of the board of directors to retain the executive officer in the face of considerable competition for executive talent within the industry. The board of directors or the compensation committee in the future may modify the foregoing criteria or select other performance factors with respect to bonuses paid to executive officers for any given fiscal year.

Long-term Incentive Compensation. The Company believes that stock option grants (1) align executive officer interests with stockholder interests by creating a direct link between compensation and stockholder return; (2) give executive officers a significant, long-term interest in the Company's success; and (3) help retain key executive officers in a competitive market for executive talent.

The 2001 Stock Plan authorizes the board of directors, or a committee thereof, to grant stock options to employees and consultants of the Company, including the executive officers. Stock option grants are made from time to time to executive officers whose contributions have or will have a significant impact on the Company's long-term performance. The Company's determination of whether stock option grants are appropriate is based upon individual performance measures established for each individual on an annual basis. Options are not necessarily granted to each executive officer during each year. Generally, options granted to executive officers vest as to 25% of the grant on the first anniversary of the date of grant with the remaining options vesting quarterly over the next three years and expire seven years from the date of grant. Details on stock options granted to certain executive officers in 2004 are provided in the table entitled "Option Grants in 2004" contained in this proxy statement.

Compensation of Chief Executive Officer. The board of directors considered the following factors in evaluating the performance of, and setting the bonus compensation for, Mr. Ayalon, the Company's Chairman of the board and Chief Executive Officer: (1) the changes in the net income of the Company from the prior year, (2) the Company's stock price, (3) his contribution to an enhanced research and development strategy in response to changing market trends, (4) his contribution to the hiring and retention of top management personnel, and (5) the time and effort that Mr. Ayalon individually applied in connection with the execution of his duties. The compensation committee believes that the salary, bonus and long-term incentive compensation paid to Mr. Ayalon for the fiscal year ended December 31, 2004 were appropriate based on the above criteria.

Compensation Policy Regarding Deductibility. Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to publicly held companies for compensation exceeding \$1 million paid to certain of the corporation's executive officers. The limitation applies only to compensation which is not considered to be performance-based. The 1991 Employee and Consultant Stock Plan (the "1991 Stock Plan") and the 2001 Stock Plan are structured so that any compensation deemed paid to an executive officer in connection with the exercise of option grants made under the respective plan will qualify as performance-based compensation which will not be subject to the \$1 million limitation. The compensation committee is aware of the limitations imposed by Section 162(m), and the exemptions available therefrom, and will address the issue of deductibility when and if circumstances warrant, and may use such exemptions in addition to the exemption contemplated under the 1991 Stock Plan and the 2001 Stock Plan.

- (1) The amount includes 140,000 shares of common stock available for future issuance under our 1993 Employee Stock Purchase Plan.
- (2) Neither the 1998 Non-Officer Employee Stock Option Plan nor the 2003 Israeli Share Option Plan was previously approved by our stockholders. The total number of shares of common stock available for the grant of options under the 2003 plan is increased on the first day of each calendar year beginning in 2004 by a number of shares equal to three percent of the number of shares of our common stock outstanding as of such date or a lesser number as determined by the administrator of the plan. Furthermore, we granted stock options to purchase a total of 239,000 shares of common stock outside of stockholder-approved stock option plans in connection with our acquisition of Bermat, Inc., as further discussed below.

The following are descriptions of the material features of the Company's equity compensation plans that have not been approved by the Company's stockholders:

1998 Non-Officer Employee Stock Option Plan

The Company's board of directors adopted the Non-Officer Employee Stock Option Plan (the "Non-Officer Option Plan") in November 1998. A maximum of 128,126 shares of common stock (post adjustment in connection with the separation of the DSP cores licensing business) is currently available for issuance under the Non-Officer Option Plan. The board of directors, or a committee designated by the board of directors, administers the Non-Officer Option Plan. The administrator has the sole discretion to interpret any provision of the Non-Officer Option Plan, and to determine the terms and conditions of awards of non-qualified stock options under the Non-Officer Option Plan. Options currently may be granted to employees of the Company and any parent or subsidiary of the Company. Officers may not be granted options under the Non-Officer Option Plan. The material features of the Non-Officer Option Plan are summarized below.

Term. The term of each option shall be stated in the applicable option agreement.

Exercise Price. The exercise price per share of common stock for an option shall be such price as is determined by the administrator.

Vesting. Each option shall vest in accordance with a schedule as determined by the administrator.

Early Exercise. An option may include a provision whereby the participant may elect to exercise any part or all of the option prior to vesting of the option. Any unvested shares received pursuant to such exercise may be subject to a repurchase right in favor of the Company or any other restriction the administrator determines to be appropriate.

Transferability. Options are transferable to the extent provided in the applicable option agreement.

Termination of Employment. A participant may not exercise an option after the termination of the participant's employment, director or consulting relationship with the Company or any parent or subsidiary of the Company, except to the extent specified in the applicable option agreement. Where the option agreement permits the exercise of the option following termination of the participant's employment or other service relationship with the Company or any parent or subsidiary of the Company, the option shall terminate to the extent not exercised on the last day of the specified period or the last day of the term of the option, which ever occurs first.

Acquisition of the Company. If the Company is acquired whether by sale, transfer of assets, merger or similar transaction, the administrator shall have the authority to provide for the full automatic vesting and exercisability of one or more outstanding unvested options under the Non-Officer Option Plan on such terms and conditions as the administrator may specify.

Amendment and Termination of the Plan. The Non-Officer Option Plan will continue until it is terminated by the board of directors. The board may amend the Non-Officer Option Plan at any time or from time to time or may suspend or terminate it, without approval of the stockholders, except as required by law. However, no action by the board of directors or stockholders may alter or impair any option previously granted under the Non-Officer Option Plan. No option may be granted during any suspension of or after termination of the Non-Officer Option Plan.

2003 Israeli Share Option Plan

The board of directors adopted the 2003 Israeli Share Option Plan (the "Israeli Option Plan") in November 2002. In March 2003, the board adopted and approved an amendment and restatement of the Israeli Option Plan

to comply with changes in Israeli tax law. The number of shares of common stock available for issuance under the Israeli Option Plan is currently 17,887 shares plus an annual increase to be added on the first business day of each calendar year equal to three percent of the number of shares of common stock of the Company issued and outstanding as of such date or a lesser number of shares as determined by the board of directors. The board of directors, or a committee designated by the board of directors, administers the Israeli Option Plan. The administrator has the sole discretion to interpret any provision of the Israeli Option Plan and to determine the terms and conditions of the options issued under the Israeli Option Plan. Options currently may be granted to employees and other service providers of the Company and any parent or subsidiary of the Company. The material features of the Israeli Option Plan are summarized below.

Term. The term of each option shall be stated in the applicable option agreement.

Exercise Price. The exercise price per share of common stock for an option shall be determined by the administrator and set forth in the applicable option agreement.

Vesting. Each option shall vest in accordance with a schedule as determined by the administrator.

Transferability. Options are non-transferable except as provided in the option agreement. During the lifetime of the participant, the option may be exercised only by the participant.

Termination of Employment. In the event a participant's employment relationship with the Company or any parent or subsidiary of the Company is terminated other than for cause or as a result of death or disability, the vested portion of the option shall be exercisable for 90 days after the date of termination. In the event a participant's employment relationship with the Company or any parent or subsidiary of the Company is terminated as a result of death or disability, the vested portion of the option shall be exercisable for 12 months after the date of termination. In the event a participant's employment relationship with the Company or any parent or subsidiary of the Company is terminated for cause, the option shall immediately terminate and cease to be exercisable. In no event shall an option be exercisable after the expiration date of the option.

Acquisition of the Company. The terms of an option agreement may provide for the full automatic vesting and exercisability of the option in the event the Company is acquired by sale, transfer of assets, merger or similar transaction.

Amendment and Termination of the Israeli Option Plan. The Israeli Option Plan will terminate in November 2012. The board of directors may amend the Israeli Option Plan at any time or from time to time or may suspend or terminate it, without approval of the stockholders, except as required by law. However, no action by the board of directors or stockholders may alter or impair any option previously granted under the Israeli Option Plan.

Option Grants to New Employees

In connection with our acquisition of certain assets of Bermai Inc. in October 2004, we offered employment to a number of former Bermai employees. In order to induce the former Bermai employees to join our company, such employees were granted employment inducement stock options to purchase a total of 239,000 shares of common stock. These option grants have an exercise price of \$22.67 per share and will vest over a period of four years. The options granted to former Bermai employees generally have the same terms and conditions as the options granted under our 1998 Non-Officer Option Plan.

Item 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS.

We have entered into indemnification agreements with each of our directors and executive officers. Such agreements require us to indemnify such individuals to the fullest extent permitted by Delaware law.

All transactions between us and our officers, directors, principal stockholders and affiliates have been and will be approved by a majority of our board of directors, including a majority of our disinterested, non-employee directors on the board, and have been or will be on terms no less favorable to us than could be obtained from unaffiliated third parties.

Item 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES.

Audit Fees

Kost, Forer, Gabbay & Kasierer performed services for us in fiscal 2003 and 2004 related to financial statement audit work, quarterly reviews, Forms S-8 reviews, tax services, special projects and other ongoing consulting projects. Audit-Related Fees(2)	\$ 19,500	\$ 18,000
Tax Fees(3)	\$ 118,975	\$ 103,000
All Other Fees(4)	\$ 13,755	\$ 3,000

- (4) All other fees represent fees for professional services associated with the approved enterprise status of our Israeli subsidiary. All other fees in 2003 also represent fees for professional services with respect to the acquisition of Teleman Multimedia Inc.

Audit and Non-Audit Services Pre-Approval Policy

Under the Sarbanes-Oxley Act of 2002, all audit and non-audit services performed by Kost, Forer, Gabbay & Kasierer, our independent auditors, must be approved in advance by the audit committee to assure that such services do not impair the auditors' independence from the company. In January 2004, the audit committee adopted an audit and non-audit services pre-approval policy which sets forth the procedures and conditions pursuant to which audit and non-audit services to be performed by the independent auditors are to be pre-approved. Pursuant to the policy, certain services or category of services described in detail in the policy may be pre-approved generally on an annual basis together with pre-approved maximum fee levels for such services. The services eligible for annual pre-approval consist of audit services, audit-related services, tax services and other services. If not pre-approved on an annual basis, proposed services must otherwise be separately approved prior to being performed by the independent auditors. The audit committee may also pre-approve particular services on a case-by-case basis. In addition, any services that receive annual pre-approval but exceed the pre-approved maximum fee level also will require separate approval by the audit committee prior to being performed. The audit committee may delegate authority to pre-approve audit and non-audit services to any member of the audit committee, but may not delegate such authority to management. Our independent auditors and Director of Finance are required to periodically report to the audit committee regarding the extent of services provided by the independent auditors in accordance with the pre-approval policy and the fees for the services performed to date.

The audit committee pre-approved 100% of the audit fees in 2003 and 100% in 2004, 85% of the audit-related fees in 2003 and 100% in 2004, 95% of the tax fees in 2003 and 78% in 2004 and 0% of all other fees in 2003 and 0% in 2004. In total, the audit committee pre-approved 90% of the total fees for fiscal 2003 and 91% in 2004.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and persons who own more than 10% of our common stock (collectively, "Reporting Persons") to file initial reports of ownership and changes in ownership of our common stock with the Securities and Exchange Commission. Copies of these reports are also required to be delivered to us.

We believe, based solely on our review of the copies of such reports received or written representations from certain Reporting Persons, that during the fiscal year ended December 31, 2004, all Reporting Persons complied with all applicable filing requirements, except for the inadvertent late Form 4 filings set forth below:

<u>Reporting Person</u>	<u>Number of Late Filings(1)</u>	<u>Number of Transactions Not Reported on a Timely Basis(1)</u>

This code applies to all of our employees and is posted on our web site at www.dspg.com. The code satisfies the requirements under the Sarbanes-Oxley Act of 2002, as well as Nasdaq rules applicable to issuers listed on the Nasdaq National Market.
